Yes Folks! The Carnival came to Warsop and went with a BANG as we revelled in another hugely successful weekend.

On Saturday Skateboard Heaven proved extremely popular attracting large numbers of skateboarders to Warsop's premiere skatepark (some participants came from Sheffield, Doncaster and Kirkby-in-Ashfield). As well as Skateboard demonstrations and competitions, the afternoon included Extreme Wheels Roadshow and live local group Monkey Fist proved a popular hit.

Sunday 5th July saw the main event, kick off early with a 7 aside mini soccer tournament (thanks to the help of Warsop Wanderers) at 9am. By 11am our parade assembled along Robin Hood Avenue and what a parade it was – By far our **biggest and most exciting** to date – A massive thank you to all our float entrants and Bowring Transport for helping with the lorries and drivers. The huge crowds that lined the parade route were entertained by some great marching bands - particularly The Derbyshire Midshipmen – and they all saw the GIANT CATERPILLAR – it was the size of a house – for those who missed it, you will have to be content with the photo. The afternoon was jam packed full of entertainment from the Essex Dog Display Team, The Horsemen of the Apocalypse to West Lives and Lounge Kings, from Gerry Cottle and Confederates of Derby to Pop Idol and Thoresby Junior Brass Band, from Mrs. McBeth's Hostile Bid and Shifting Sands to Classic Car Show and Monkey Fist add all that to the fairground, flower show, pony rides, train rides, quad bikes, bouncing castles and slides, helicopter flights and the duck race and we had a great day – Oh yes, the weather wasn't bad either! I will leave you to remember your own Carnival Day with a collection of photos.

Our sixteenth Carnival 2003 is now over but already the small band of people known as the Warsop Carnival Committee are already planning next years Carnival. Yes, our seventeenth Carnival will be on SUNDAY 4th JULY, 2004 and believe it or not we have already booked some fantastic main arena entertainment. I'll tell you more about it later but in the meantime we have organised a great evening of entertainment at Cuckney Cricket Club on SATURDAY 4th OCTOBER, 2004. THE REAL THING head up a great 70's themed night, this original band featuring Chris and Eddie Amoo had 3 massive No.1 hits with 'You To Me Are Everything', 'Can't Get By Without You' and 'Feel The Force' AND ARE NOT TO BE MISSED! Fancy dress is optional as we look to raise funds for next year's event by dancing into the wee small hours - bar licensed till 1am. Tickets are priced at £12.50 and are on sale now at various locations, including Wetton's Butchers, see the posters around the Parish. DON'T DELAY, this will be a SELL OUT!

During the evening we will be making the draw for the winning prize ticket on our CARNIVAL GRAND PRIZE DRAW. This year we have had some fantastic prizes donated with the 1st Prize of a holiday to CYPRUS courtesy of SUNRISE VILLAS and we must thank SUNRISE VILLAS for this very generous gesture.

2nd Prize is 4 first class return rail tickets to London courtesy of MIDLAND MAINLINE. With many more fantastic prizes on offer this is your chance to win something of real value whilst supporting next years Carnival and local charity groups. Prize Draw Tickets are on sale at £1 each in a variety of locations such as Wettons Butchers, the Clerks Office, Warsop Town Hall and also through Charity Groups including A.T.C., Boys Brigade, Scouts, St. Johns, Schools etc.

PLEASE HELP – BUY A TICKET – Who knows you could be on you way to a super villa in CYPRUS with flights included – for just A QUID!!!!

So Much To Do... So Little Time!

This is traditionally the 'busy' time of the year as we try to make the most of the summer months. Sometimes there is more to do than we have time or staff for.

So what has been keeping us busy? Well apart from normal Squadron nights which include sports, shooting, lessons, training and other activities, we have taken place in competitions, charity events, sports events, fundraising, the Warsop Carnival and visited an Air Show. Not bad for a few weeks is it?

The picture shows the senior team that we entered into the Welbeck Pentathlon competition at Welbeck College. This is an annual event organised and run by the staff and cadets of the College and attracts teams from all over the country. Cadet Rylance is being caught by the rest of the team as he dives through a small hole in a 'letter box' net. It is an initiative test where you have to get your team through the net safely but by observing rules that do not allow you to use the easy holes more than once. They help each other through but there is always the one left that cannot be helped. Solution? A running dive and trust in your team members! We also entered a junior team with both of them coming in the top 12. Well done.

WO John Kirkland and Civilian Instructor Karen Knowles took cadets to the Royal International Air Tattoo (RIAT) at RAF Fairford recently along with thousands of cadets and youth organisations from around the country.

The low cloud did not allow most of the aircraft to fly on the day but the ground shows and RAF supports were very good. The Carnival is always a very big part of our year with staff, cadets, civilian committee members and parents all getting involved to make it a good day.

Apart from the Tea and Cake stall we have a very popular Bottle Tombola, some games and a recruitment stand as well as parading the banner in front of the procession of floats. This year we also had the opportunity to sell 'Ducks' to the public for the Duck Race. One of

our tickets picked up the first prize of £100! One of our biggest tasks though is manning and running the main car park. We start this on Saturday by putting all the fencing and signs up and then spent 7 hours on Sunday selling car park spaces. The above carnival events netted us about £970.

Thank you to all those people who have supported us through all of our fundraising events. We would struggle without the continued support of the kind people of Market Warsop.

So what should you expect from us in the next issue? Well next week we embark on two (yes...two) full week camps. I am taking five cadets on summer camp to RAF Valley on the Isle of Anglesey with 49 other cadets from around the Wing and WO John Wilkinson is leading the rest of the Squadron to a full (and tiring) week of activities in the woods of Proteus camp near Ollerton. I look forward to telling you all about it.

Don't forget: Sqn nights are Wednesday and Friday from 7pm to 9pm on Carr Lane Warsop.

Inner Wheel Club of Warsop

July 2003

President Mrs. Marjorie Zillwood lit the Friendship candle and welcomed members and guests to the July meeting at the Hostess Restaurant, Nettleworth.

President of Warsop Rotary Club Rotn. G. Goodman brought greetings. Mrs. Zillwood presented cheques for £2,300 to Mrs. Caroline Hoare for the Rainbow Children's Hospice and also £500 to Mr. Hugh Ashton for the Warsop Oaklands Centre. Altogether £3,675 has been raised by the club for charity during the year.

Mrs. Zillwood then thanked the executive committee for their help and support during the year and then presented the new President Mrs. Jean Nock with her chain of office and wished her a happy and successful year. Mrs. Nock presented Mrs. Zillwood with her past President's badge and gave officer badges to Vice President Mrs. Sue Lunn, Treasurer Mrs. Pat Lyons, Overseas Officer Mrs. Lesley Palmer and Club Correspondent Mrs. Doreen Granger. Mrs. Nock's charity for the coming year is Diabetes U.K.

Mrs. Sun Lunn read the charter invitations and correspondence. Mrs. Pat Lyons presented the Treasurer's report. Mrs. Lesley Palmer gave the overseas service report and Mrs. Margaret Huddleston the almoner's report.

DOES ANYONE KNOW?

SPION KOP

The name Spion Kop originates from South Africa and the battle there during the Boer War. After leaving Warsop the hill leading down into Spion Kop is named Majubah Hill (not sure if this is spelt correctly). The bungalow on the right at the bottom of the hill is Mossar Bungalow also names from the Boer War.

Barry Poxon

Our village of Spion Kop was named in honour of Major General John Talbot Coke JP. The Major along with his family had long associations with Mansfield and Mansfield Woodhouse. His father was Colonel Edward Thomas Coke of Debdale Hall. Major General Talbot entered the army at the age of 17 and served for 42 years, he served with some distinction in the South African War of 1899-1900 (The Boer War). On the 23rd January 1900 he and his soldiers defended a place in South Africa called Spion Kop, it is his victory in this battle that resulted in Spion Kop being named in his honour. Major General Coke was born in August 1841 at Brimington Hall and he died in February 1912 aged 91.

Mrs. Helen Wood

WHO KNOWS (2)

May I add my final piece to WHO KNOWS (2). Thank you Tania for printing the photograph of the painting by Eddie Moss of the burning Lancaster Bomber in 1945. It is good to hear that it is still with his family. I remember Eddie telling of the whistle belonging to one of the crew, which was attached to the painting.

Barry Poxon.

Hard to Reach Groups Project

Are you fed up of decisions being made without people asking your opinion?

Then the Hard to Reach Groups Project could help you out. The Project is funded by the Community Empowerment Fund and was set up to support members of voluntary and community groups. This is your chance to make an impact on decisions made about the Mansfield Area. The Project has just appointed a new Support Officer, Penny Altham, who will be working with groups to support them in going to meetings so that their voice can be heard. Penny is working alongside Kay Philby, Administrator, who would both welcome a call from you if you think they can help.

We are interested to hear if there are any barriers which stop you getting to local meetings. Do you have language difficulties which stop you going along? Or do you know where meetings are and how to get involved?

There are Community and Voluntary Sector Forum meetings for any member of a group that is based in the Mansfield District. They meet every few months to talk about difficulties people in the community are faced with. Representatives from these meetings then go to other meetings to pass on the views of the whole group. These are Local Strategic Partnership meetings (the Mansfield Area Strategic Partnership) where decisions are made about your local services, education and local environment.

The CVSF is your chance to really make a difference! We will support you every step of the way if you want to get involved. We can give you information before and after meetings to make things easier to understand. There is also plenty of training or informal courses that we can direct you to, so you can build on your current skills.

We are particularly interested in getting in touch with groups of young people who may not usually get involved. Please give us a call for more information on 01623 624655, email htrgp@hotmail.com or call into Park Road Resource Centre, Mansfield Woodhouse.

Book Review

by Tracy Measures

Man and Wife by Tony Parsons

This is the follow-up to Man and Boy and is just as good, if not even better. Harry is now on his second marriage and has also inherited a step-daughter. Harry's own son, Pat, goes to live with his mother and her second husband and Harry is devastated when she announces that she is taking Pat to live in

America. The whole book is about the relationships between second families and the pressures that are put on "second" families when step-children and grandparents are involved. It is quite amusing in places, has a happy ending and I suspect a lot of people will be able to relate to it!

WARSOP ALLOTMENT & LEISURE GARDENERS' ASSOCIATION

Footpaths

& Countryside Group

Our next walk will be around Holmfirth in Yorkshire on Saturday 20th September.

This area is famous for the Last of the Summer Wine TV series. The walk is about 7 to 8 miles and is quite steep at the start but easy walking afterwards. Due to the length of the journey in the minibus we will be leaving Warsop library at the earlier time of 8.30. If you are planning to join us on this walk please contact us to confirm a place on the bus and to check details.

At this time of year it is worth taking a look at the flowers on the area of the Hills and Holes over the footbridge from the end of Stonebridge Lane. The range of blues and purples from varieties of scabious, knapweed, harebell, vetch and thistle are spectacular. If you need more detailed identification you should consult an expert or a flower book - I am just the bloke who cuts them down when they grow too close to edges of the footpaths! Seriously, I am one of many people who derives a great deal of pleasure from the changing patterns of flowers throughout the year on this special part of Warsop.

Sloe gin makers should be having a good year as there seems to be a heavy crop developing this year. A particularly good area is along the blackthorn hedge that has been planted along the edge of the Welbeck pit tip between Meden Vale and Cuckney Hill. This new hedge is growing so well that it is threatening to obstruct the footpath.

There are more flowers becoming established in the area of grassland that this group manages on the part of the Carrs just over the footbridge near the BMX track. Flower species now include cowslips, cranesbills and scabious. There also seem to be more insects and birds in the area. The trees that we planted are now becoming well established and we have decided not to mow around them this year to encourage wildlife and discourage humans! Around 30 of the hedge plants that were planted by Meden School students appear to be thriving and hopefully a new hedgerow will develop along the edge of the field. We shall be cutting the grassland area in the autumn once annual plants have had a chance to seed.

You can contact the Secretary on 01623 846281.

WF&CG is a community group whose member share an interest in the countryside. We maintain the public footpath network in Warsop, we undertake conservation projects and we provide information about the local environment.

Warsop Bird & Wildlife notes

June to Mid July 2003

On the 25th November 2002, Mrs Smith of Ashton in Makerfield, Wigan, was out walking in Oldham, Greater Manchester when she saw a ringed Mute Swan.

She noted the ring number and notified the British Trust for Ornithology. On the 15th January 2003 the same Mrs Smith was again out walking, this time she was at Thrybergh Country Park at Rotherham. She again noticed a ringed Mute Swan and, once again she sent the details off to the BTO.

Both of these birds were ringed on the same day, (15th August 1999) by Birklands ringing group on water near to Warsop, and both were of the same brood. I cannot help but be totally amazed at the coincidence involved in this chain of events.

What are the odds of Mrs Smith travelling from her home in Lancashire and finding and reporting a sibling of her previous find? It is also nice to know, that local birds are adding to the national stock of Swans.

Other ringing results have also been arriving recently. A locally ringed Sand Martin travelled down to Africa and returned the following year and was found alive and well at a gravel pit at St Neots in Cambridge. Also a local Tawny Owl was ringed as a juvenile; it left the nest and travelled to Norwood in Derbyshire.

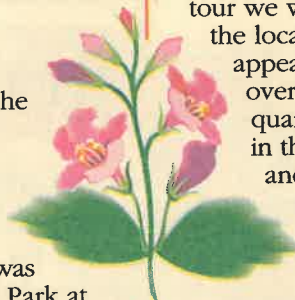

Unfortunately this bird did not do so well as it was hit by a train and was killed. A Siskin, ringed on the 9th March 02 at Meden Vale, flew to Hammeron in Sweden, a distance of 1122 km. Not bad for a bird that weighs just over 12g. A Chaffinch from Meden Vale has decided on some sea air and has moved to

Common Lizard are being reported in heathland areas, especially on the warmer days they can be seen basking in the sunshine.

Burgh Castle at Great Yarmouth.

I was grateful to Brian Nutthall recently when he opened up Sookholme Church in order that a group of walkers from Hucknall and Bestwood Country Park could look around. At the end of Brian's tour we were delighted to see the local Barn Owl make an appearance; it swooped low over our heads as it quartered the hedgerows in the half light of evening and in typical ghostly fashion.

Mick Crookes has witnessed the successful fledging of a Cuckoo, this individual was raised by a Blackbird in a hedge in Mick's garden. I was reading recently that the list of known Cuckoo hosts (birds that Cuckoos choose to lay their eggs in) has now reached something like 35 species.

Adrian Hardy sent me a fascinating account of his bird watching in Oz, from lizard eating Kookaburras to exotic Kingfishers and yet I still get the feeling that Adrian enjoys his own little patch in our fair village, incidentally if anyone would like to forward any details of any birds or anything pertaining to wildlife on their travels I would be pleased to hear from them. I am just back from walking along the coastal path of Brittany and it was there that I saw my first Painted Lady butterfly of the year. On my return Peter Spencer had left me a message that he too had seen one this year, his butterfly had turned up in Cuckney. These beautiful insects are migrants from the continent and it may be that this year will be a Painted Lady year.

If anyone is interested in Heaths, open grassland and woodland, or old colliery winding engines then I have just the event for you, on Sunday 14th September Bestwood Country Park is hosting an event called 'From Coal to Conservation'

there will be trips around the old Headstocks of Bestwood Colliery led by an ex mining engineer, Rangers will be leading guided walks on the old pit tip to look at the recolonisation by nature, The Bestwood Black Diamonds Brass Band together with the Knights of Harmony Male Voice Choir and many other stalls and entertainers will be there. I have been charged with putting all this together so it would be great to see a few Warsop people on the day.

I usually end by thanking everyone for their reports and say keep them coming but I have just been reading about a birdwatcher who, like me, puts a few notes down for his local journal, it seems he made a mistake on one of his reports and gave a wrong location for a rare bird and he is now being sued for misinformation. Can I end by saying?

'Every effort has been made to ensure that any information with regard to sighting of birds is accurate.

Also, and to safeguard against any future actions which may threaten my financial or physical status, readers should note that anything in my report are intended to bear no reference to any person living or dead. Or anyone who has the wherewithal to go to litigation.

Removing Barriers to Work

Nottinghamshire
County Council
Culture & Community

Nottinghamshire County Council's Adult & Community Learning Service has secured funding from the Learning Skills Council.

They work in partnership with learners, residents, voluntary and community organisations, schools, local and national organisations and a wide range of providers. Funding for training events in Warsop can be channelled through the Local Learning Community Operations Group.

What is a COG?

It is a group of local people and residents from a wide range of backgrounds who have an interest in bringing learning into their community. They meet a couple of times a year to help plan adult learning opportunities locally by:

The COG meets to work on ideas that benefit local people and improve the quality of life in Warsop. There are vacancies on the COG at the moment for representatives from the community. The group is always keen to get more people involved. By becoming a COG member, organisations and individuals can make a real difference. The Local Learning Partnership Worker Jo Beardmore facilitates the group.

- Identifying gaps in existing provision
- Developing practical solutions to make learning accessible
- Raising awareness of the benefits of learning
- Helping to co-ordinate activity at a local level
- By attracting new funding to support local learning

Community groups (not for profit organisations) can also bid to ACLS for training in the Community by applying for a:

Community Learning Grant

Average bid expected £2000. Maximum bid £10,000

All the family can learn together

Look out for fun training events happening in Warsop to celebrate Family Learning Weekend. 10 - 12th October.

For more details about the COG or to access possible training funds for the Warsop area and the Family Learning weekend. Please contact Jo Beardmore - Partnership Worker for the Mansfield area. Jo is based in Mansfield at the Botany Commercial Park.

Moving On Programme

The MovingOn Programme continues to be a great success story in the Warsop and Mansfield areas. Recent programmes have been funded through Nottinghamshire County Council Adult Community Learning Service and Neighbourhood Renewal funds.

The Programme is tailor-made to clients, varying in length and content to suit all needs. The personal development programme concentrates on building the capacity of people to:

- Be confident and enterprising
- Create and make the most of opportunities

The excellent trainers who deliver the MovingOn Programme have experience of providing quality-training activities to

- ▲ a wide variety of client groups within the community including committees
- provide intensive "whole person development to address needs
- ▲ develop self belief, confidence and self esteem
- help people to broaden horizons, goal set and action plan for the future

"no limits" are passionate about the power of learning and work within education as well as communities providing training and development for teachers and lecturers. In addition they have developed programmes that focus on

- Sport - developing the thinking skills essential for success in all sports
- Community Arts which encompass creativity

For more information about training opportunities in Mansfield please contact no limits on Tel 01623 600814 or email info@nolimitstraining.com

If there are things you've always wanted to do but need some help to get started, ring the telephone number to find out if there is a programme happening soon in your area!!!

COMMUNITY FUND

Lottery money making a difference

Serving the communities of: Market Warsop, Church Warsop, Warsop Vale, Meden Vale and Spion Kop

The Warsop Parish Regeneration Agency is an independent community organisation dedicated to the renewal of all the areas that make up the Parish of Warsop. It was created in 1992 by a group of local people from all walks of life who has a desire to help other local people.

We are funded by the Community Fund to support community groups and individuals throughout the parish to develop and implement projects that will help improve the area in which they live.

We can help you:

- Develop a project to meet a need identified by the community
- Raise funds through grants and donations to pay for a project
- Get in touch with the right people to move your project forward

- Put an idea into practice
- Develop your group
- Publicise your activities
- Spread your ideas to the wider community
- And much more!

If you have an idea that you think will benefit the place where you live but don't know what to do next, come and have a chat with us or drop us a line at:

WPRA, 22 Sherwood Street, Market Warsop, Mansfield, Notts, NG20 0JW. Open Monday, Wednesday and Friday between 9.00am and 2.00pm. Letters Of Thanks.....

Wilf Baldwin

Shirley, Martin and all family members wish to extend a big thank you to the numerous kind friends who supported us during, and following the sad passing of dear Wilf. We have been overwhelmed by the sympathy shown to us. The beautiful cards, flowers and messages of condolence sent by so many gave us the strength to lessen and accept our sad loss. A special thank you to Rev. Kathryn Herrod for her inspiring service — a truly touching tribute to Wilf. Also to Eric Townroe and his team for their courtesy, patience and understanding. Lastly, our very special thanks are reserved for the exceptionally caring neighbours who have given us the strength to go forward.

God bless you all.

Shirley, Martin and family.

Warsop Wives Group

Meet alternate Tuesdays at 7.30pm at the Connie Club, Carr Lane. On June 24th a cheese and wine evening with members and friends was held at the home of Sheila Clarke, we had raffles and card tombola. The evening raised £275 for our charity fund. On July 8th we had a very interesting talk with slides about the history of Creswell Craggs. On July 22nd we welcomed Heather Henshaw to our meeting. Heather gave a talk with illustrations about the work of the N.S.P.C. and the very important work that they do. Final arrangements were made for a table top sale at the home of Ann Blackamore on August 8th for our charity fund.

Future meetings are:

Aug 19th Chernobyls Child Line

Sept 2nd AGM

Sept 16th Harvest Festival

Sept 30th Quiz Night

J. Hodgson

Ronald Lee

We, the family of the late Ron Lee, would like to express our thanks to everyone who sent cards and messages of sympathy following our sad and sudden loss. Special thanks to Kathryn Herrod for a very moving and personal service and, as ever, to Eric Townroe and his team for their unfailing professionalism. It was comforting to see so many familiar faces at the service, thank you to you all. Also, thanks go to PC Dave Elms for his help and kindness. Donations will go to Cancer Research and the 3 Parishes Walk Charity which dad always took part in. He will be missed by many people some of whom will simply know him because of Betty, his big brown dog.

The Lee Family

Sylvia and Dennis Niblett wish to thank everyone for the many gifts, floral arrangements, numerous cards and good wishes they received on the occasion of their Golden Wedding Anniversary on July 11th.

God bless you all.

Sylvia and Dennis

I want to thank everyone who came to me on Gala Day when I fell. A special thanks to Annette, Jean, Marlene and Margaret. Thanks also to everyone who has phoned me to see how I was and all the cards I received.

God bless you all

Kathleen Barnes

We would like to thank friends, neighbours and relatives for the beautiful cards and flowers, for their help, support and comfort they have given us.

We would also like to thank Eric Townroe, Mark Cantrill, the curate of Warsop

Church for the wonderful service at the Crematorium and Sheila Clarke for the buffet. On June 19th we received a letter to inform us that the Wishbone Trust has been dissolved, so the kind donation of £125.00 sent by friends, neighbours and relatives in lieu of flowers for Jesse Hollingworth has been sent to the Orthopaedic Patients Fund at Kings Mill Hospital.

A sincere thank you to you all

Hanne, Alan and Jean

A BIG THANK YOU on behalf of the Meningitis Trust

I would like to give a big thank you to all who support our Tombola stall at Warsop Carnival, we raised a massive total of £494.57. I wish to thank also the people who helped out on the stall, Jane Palmer and my daughter Vicki and Monty the Duck alias Michael O'Donnel. It was the first time we have done a venture like this and in the words of Arnie "WE'LL BE BACK!" next year.

I can't thank you enough.

Sunday Mass is celebrated

Weekday Mass is celebrated
at 9.30am on Tuesdays,
Thursdays & Saturdays

On Saturday 28th June, Matthew Jakes was ordained priest by Bishop Malcolm McMahon in St. Phillip's Catholic Church, Mansfield. On Sunday 29th June Matthew celebrated his first Mass in St. Teresa's, Warsop, it was a happy coincidence that it was the Feast Day of the two great apostles Peter and Paul; two men who were so different.

Peter was a fisherman, impetuous, outspoken and bighearted. He was the first person to make an act of faith in Jesus Christ as the long awaited saviour, "the son of the living God". Yet before long he was to deny that he even knew him; (what would we have done in the same circumstances?) But after receiving the strengthening of the Holy Spirit at Pentecost, he was a different man — he was not afraid to stand up publicly in Jerusalem and preach the good news of the Gospel. He had the strength and courage to face imprisonment and suffering, even death itself for his faith.

Paul was a different character. He tells us himself he was brought up strictly in the faith of his Jewish ancestors. The new religion, the Christians, were to him destroying the ancient faith and needed to be destroyed. He was on his way to Damascus with authority to arrest Christians when he had the experience that changed

his life. He became not only a believer in Jesus Christ but one of his most active apostles, suffering imprisonment and death for his faith in Jesus Christ. But he acknowledged that it was through the strength given to him by the Holy Spirit that he was able to accomplish so much for Christ, he was weak but God made him strong.

Christ still chooses whom he will to share his work as priests and apostles, bringing his message of reconciliation and hope to the world. Matthew has been called to share this work. At his ordination he was well aware of the number of people who had helped him on his journey to the priesthood: first of all his parents, Ian and Barbara, his fellow parishioners when he was a member of the Parish Church (dedicated to Saints Peter and Paul); those whom he met as a student at Durham University; his fellow parishioners at St. Teresa's; the priests and students at Oscott College and other priests in the Nottingham Diocese. He knows that without the help of so many people he would not have been able to complete his journey into the priesthood. Like Saints Peter and Paul he knows above all that it has been the guidance and strengthening of the Holy Spirit that has helped him.

Church Warsop 'Doorstep Green' Group

The members of the Church Warsop 'Doorstep Green' Group would like to publicise a project they are currently working on in Church Warsop.

The plan attached shows proposals to regenerate an unused area of arable land to create a 'Doorstep Green'. This is an area of green space for community use. The design includes grassed areas for informal play and sports and is surrounded by pathways and planted areas. There are also seating areas incorporated at various points and some informal play structures. It is hoped that these very impressive designs will be turned into reality in the next year. A Project Preparation Plan has already been prepared by Ashfield and Mansfield Groundwork in conjunction with the Group. The total costs are estimated at £142,000. Further development on the project is dependent on sufficient funds being raised by the Group and a start has been made with a grant exceeding £57,000 from the Countryside Agency.

Residents of the Parish may be interested to hear how this project came about so here is a little background information.

Our Group was formed a couple of years ago when representatives of all the voluntary and statutory agencies working within the village were invited to a meeting to discuss how the environment and facilities could be improved for the residents of the village. This followed a 'Visioning Exercise' in the area and the production of a district wide Community Action Plan.

The residents of Church Warsop identified a lack of community leisure facilities and the Group aimed to try and address the issues raised that directly affected the lives and environment of our village. At that time there were a few ideas of what could be done to improve our lot but no-one had any real idea where to start, who to contact for help or, more importantly, was it worth it?

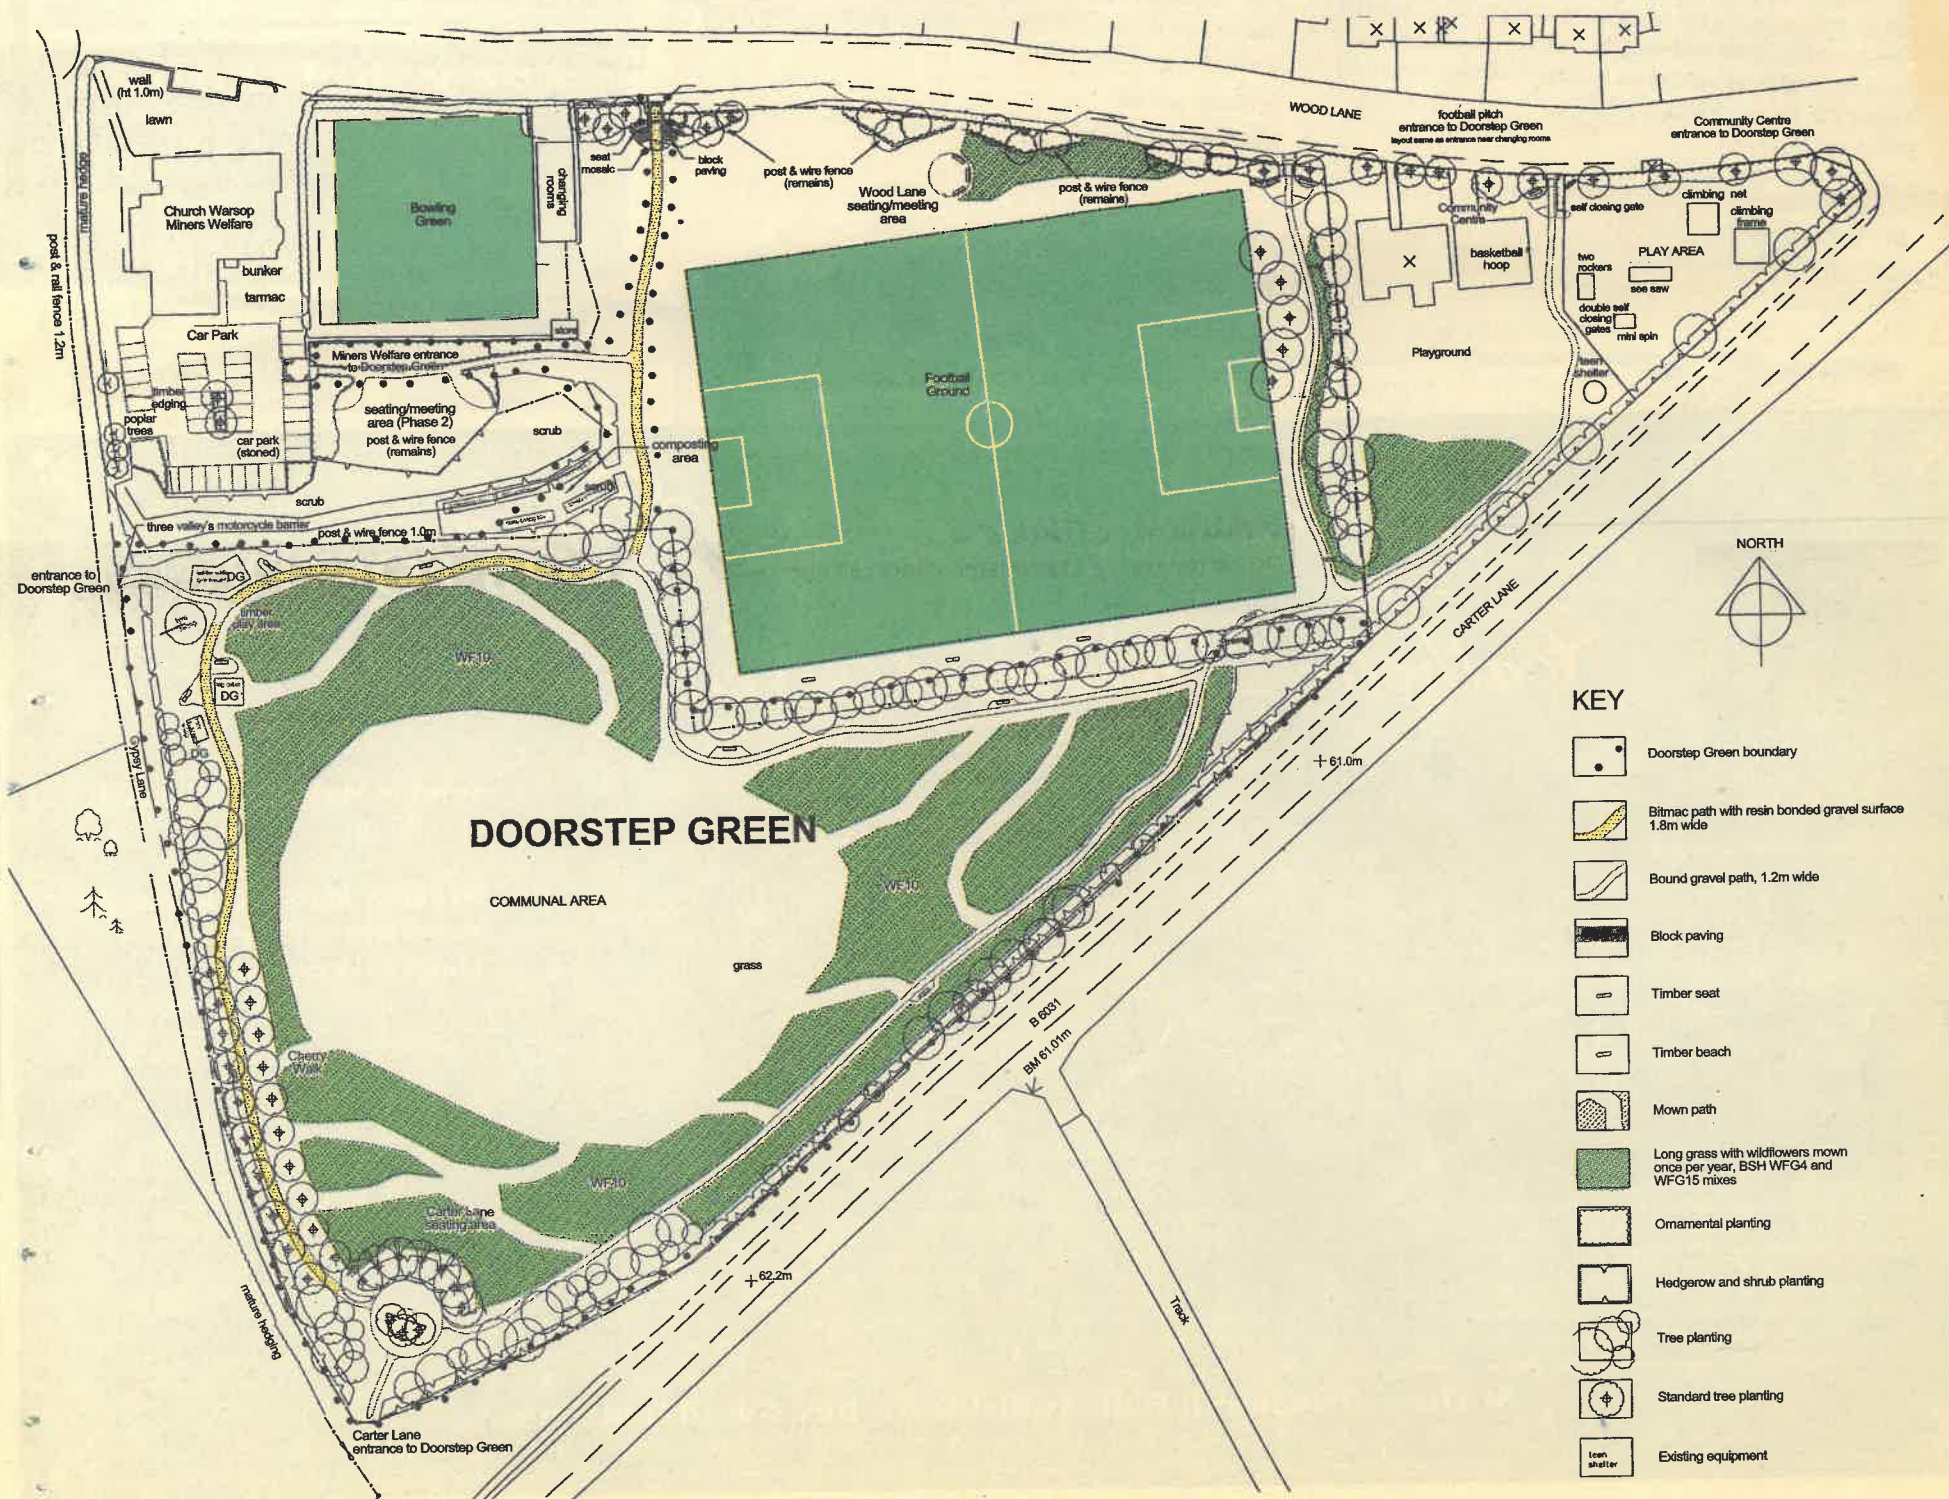

Our Group decided that it would continue and identified the area shown on the plans as being ideal for renovation and began the vast undertaking that has culminated in the plans shown.

The landowner, Sir Richard Fitzherbert has given his approval for the project to proceed and Nottinghamshire County Council (who currently lease the land) have supported the project since its conception and will continue to work in partnership with our Group to develop the project.

To continue to the next phase the Group needs to form a subgroup of volunteers who will help with the creation and long term management of the Green. This is something that the Group hopes to arrange during the Autumn 2003 ready for volunteer training and work to begin in Spring 2004.

If you would like more details or would like to become a volunteer with the Group, please make contact through Warsop Parish Regeneration Agency on 01623 840005 or the Malcolm Sargison Centre on 01623 747987.

Interested? - come along to our next meeting in Church Warsop Miners Welfare on Monday 15th September at 7.30p.m. You will be very welcome.
