

Warsop Gets New Signs

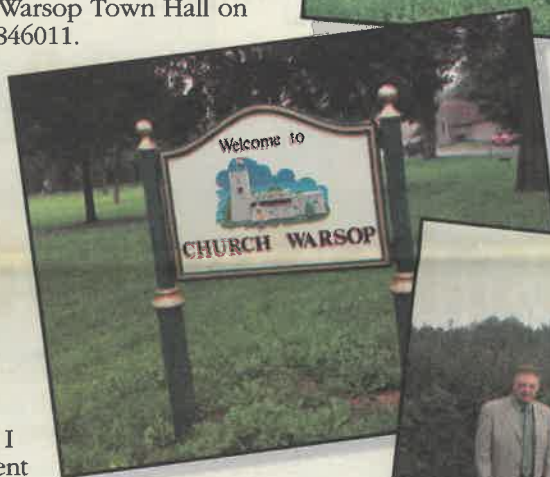

During August the first of the new attractive signs started to appear on the outskirts of Warsop welcoming people into Market Warsop and Church Warsop, there will be others depicting Warsop Town Centre which should be in place by November.

The signs and their design process were funded through the Meden Valley Town & Villages Management Programme's Single Regeneration Budget and Mansfield District Council.

Talks have been ongoing for months with different designs of sign, including input from Meden School. The designs were presented to the Town Centre Group, who decided that this picture was by far the best representation of Warsop.

The signs raise the profile of Warsop, help define its own unique identity and work towards attracting more visitors and shoppers and their cash into the area and its local economy. The signs contribute to other recent projects aimed at improving the image of Warsop undertaken through the Meden Valley Programme in conjunction with the Market Warsop Town Centre Leaflet which was handed out at the Carnival, has now been delivered into most homes in our Parish and distributed to local tourist information points, businesses, libraries etc.

Anyone who would like a supply of these leaflets can contact either Halina at Warsop Town Hall on 845858 or Tania Barlow on 846011.

Business Support to the value of £500 up for grabs among Market Warsop businesses!

Town Centre businesses within Market Warsop are being targeted in a new project which offers business support worth up to £500!

'Warsop Business Support Initiative' has been developed by Mansfield District Council's Meden Valley Centres Officer and Business Development Officers. They worked with the Warsop Town Centre Action Group, town centre traders and Business Link Nottinghamshire, as well as having reviewed support initiatives carried out elsewhere, to design a project which best meets traders' needs.

The project is being funded by the Meden Valley Town and Village Centres Management Programme, which is behind projects such as the recent Market Warsop town centre leaflet and the Meden Valley signage project.

The Initiative has been designed with ease of use in mind. Businesses complete an enrolment form and pay a £25 contribution, from which point an MDC Business Development Officer visits and undertakes a short internet-based diagnostic exercise either in their premises or utilising local group InfoTech's computers at Warsop Town Hall. The needs and priorities uncovered by this exercise are then matched up with relevant support providers – sourced locally wherever possible.

Councillor Kate Allsop, Portfolio Holder for Regeneration & Development at Mansfield District Council commented: "The Council and its partners have invested a significant amount in the regeneration of Warsop, and in particular the town centre, over recent years, the benefits of which are already being felt." "The Warsop Business Support Initiative is a contribution of our

commitment to regenerating the town. I am hopeful that there will be an excellent take-up by businesses wanting to develop further, with numerous knock-on benefits for Warsop and its residents."

No business will have to outlay any money after their £25 contribution. MDC pay the support provider direct upon receipt of the voucher and relevant supporting evidence up to the value of £500. Meden Valley Centres Officer Joanna Favill said: "The majority of Warsop businesses are small and independently run, so the owner often cannot afford time away from their business to access support which is not normally available on their doorstep. This project provides local, affordable support, and if similar needs emerge we will encourage businesses to pool vouchers to access greater support and increase business co-operation in the driving forward of the town centre."

The scheme was launched at the 6th September meeting of the Warsop Traders' Association, and if successful it may be rolled out to other centres across the Meden Valley. Funding is currently available for 20 businesses to join the scheme, so don't miss out!

The Warm Front Team

The Warm Front Team is a Government funded initiative, which will help improve the warmth and comfort in people's homes.

People who own their own homes or rent from a private landlord and receive a qualifying income or disability related income or credit could have a range of insulation and essential heating measures installed for free up to the value of £1,500. People aged 60 or over who receive an income related benefit or credit could be eligible for a Warm Front Plus grant. They could have a new gas or electric central heating system installed in addition to other insulation and essential heating measures, up to the value of £2,500. For further information, please contact Rebecca or Jon on 01473 553226. Further information is also available on our website: www.powergen-warmfront.co.uk

Champion Dancer "ELLA" Gets Sponsorship

Ella Mai Gaughan from Warsop began dancing lessons at Discoworld in Mansfield 3 years ago and now at only 8 years old has reached U10 champion status.

Donealli Designs (Walsall) saw Ella as an ideal candidate for sponsorship and is pictured here in her unique Donealli design.

Warsop Hospice Support Group

The group wish to thank everyone who has supported us during this year. Our next event is the Christmas Carol Concert, given by the Malcolm Lees Ladies Choir on Tuesday December 7th commencing 7.30pm in the Tudor Barn, Parish Centre. Hospice calendars 2005 are available as usual from members of the committee or telephone 842207 or 842165.

Warsop Tae Kwon Do Club

North Midlands Regional Championships

Pictured here are some club members who attended the championships at Alfreton on 7th August 2004.

Out of the 48 clubs who attended, Warsop club came 18th, not bad for a small up and coming club! Several members came home with a medal.

If you are interested in joining the club you will find them training at Meden Sports Centre on Monday - 7pm, Wednesday - 6.45pm and Saturday - 3pm. It's great fun and a good way of getting fit! Everyone is welcome.

For more information please phone Mr. Witton, Black Belt 2nd Dan on 01773 819593 or Nigel Gaughan on 01623 847916.

Plea for Cat Food

Warsop Cats Protection Shelter has sent out a heartfelt plea for local people to donate food for the 55 strays it houses. Staff said the shelter is in desperate need of donations since a food collection bin was closed down at the former Safeway site on Nottingham Road. The charity will accept cat food in tins or pouches, as well as cat biscuits. To make a donation or for more information drop into the shelter on Mansfield Road, Warsop or call Claire Morley on 01623 845846

Garden Notes For October

A reminder that this month is the peak period for planting bulbs for either indoor or outdoor flowering, some bulbs such as the Bluebell and its varieties, Grapehyacinths, although making a lovely show at flowering time, are prone to increase rapidly by bulblet and seedling, that they can become invasive and in the way when bedding out for summer flowers.

They should be confined to the wild garden or under trees where shade precludes most flowering plants, unless the ripe bulbs are to be lifted annually, by far the best plan is to plant all bulbs in such locations that they can remain undisturbed over a number of years: only lifting and replanting when overcrowded. For indoor plants the choice is wide, Narcissus are the best buy as they come in all shades of yellow and white with contrasting shades in the cups and in flower from February to May, ranging from midget forms for the rockery to huge trumpets.

Choice of varieties, as with all bulbs, is largely a matter of taste, too numerous to mention here. Tulips are much used in bedding but will not stand erect unless in an open sunny position from which the must be lifted at the spring clearance, they deteriorate rapidly. There is always room for the smaller bulbs, which combine well with herbaceous plants in border or rockery. Snowdrops should always be sown in clumps or drifts, once established they are almost indestructible.

Crocus come in small early flowering species January or February, or larger beauties later, they must be planted in groups or rows for easy cottoning with black cotton as soon as leaves appear or sparrows will tear them to pieces.

The month of October is a good time to look back on the gardening year with a critical eye and assess what the season has produced, make decisions for next year, a good gardener always looks ahead at least a year. Deep freezing is particularly useful to those with a medium sized garden, not capable of growing the many winter-hardy vegetables of the larger holding. So much for the garden content, now

to the plot itself, much can be done in October to ease the work in spring. Dig all vacant spaces destroying any growing weeds and allowing the formation of a fine tilth through the winter weathering.

A further cultivation in spring will allow crops to be sown or planted without more digging, some gardeners delay digging till after new year and incorporating manure or compost, this is to make one operation suffice. An old saying "In October dung you field, and your land its wealth shall yield". On light land weeds may be allowed to grow, but not to seeding stage, and dug in.

The end of the month is ideal for planting spring bedding plants, fruit trees, roses and other shrubs, giving ample time for new roots to develop before spring. Make sure young trees are securely staked, shortening long shoots of bush roses to about two feet is a wise precaution. Never tie trees with wire to supporting stakes as the wire will cut into the stem.

Consideration must be given to the ultimate size of the subject planted, beware of roots growing into sewer pipes and into foundations of the house. Climbers must be spread out and fixed accordingly to what is desired, in protected position against wall or fence some less hardy shrubs may succeed; which otherwise might be a doubtful proposition in the open.

Gardening is not an exact science, we win some, we lose some! Plant life is extremely adaptable: variation in stamina is in evidence all around, in any row of vegetables or flowers, given identical culture, variations may be seen. The scientifically produced F1 Hybrid varieties are the nearest to uniformity that can be achieved. When giving gardening advice, one can only suggest for, fortunately for us, gardens are seldom alike in size or form, nor do we all have the same ideas: which adds to the appeal and delight of not only our own efforts but also to the wonderful range in gardening which makes the whole concept so pleasurable. Far more information can be obtained from books, so get to the Library and see what you can read about.

Happy Gardening

Warsop In Bloom

Warsop has been awarded 3rd place (Silver Medal Certificate) in this year's East Midlands-in-Bloom competition - Small Town Category, behind Bolsover and Oakham (both silver gilt 2nd and 1st respectively).

The judges were pleased to see the way in which the regeneration of the town is proceeding, under the influence of our committee. There were favourable comments on the Gate Inn, the War Memorial area, Hetts Lane Primary Garden and the management of the Carrs; also the many attractive front gardens. The council's horticultural work was generally approved. Further improvements are hoped for in time!

He certificate is displayed in the window of the Building Society. We are now meeting again, the 2nd Tuesday of the month at 6pm in the Methodist Chapel on Clumber Street. Anyone wishing to join us will be welcome.

Ann Brooks.

Meden Vale 2000 (In Bloom)

Jean Passfield and Sheila Shields collected a "Bronze Certificate" at the presentation at Dronfield on 8th September for East Midlands in Bloom.

They also received a special award from Crowders Nursery Lincolnshire for "Best New Permanent Landscape" for their Community Garden.

The prize consisted of a bronze plaque and a voucher for the garden centre. This was MV 2000's first entry into the competition and the judges commended their efforts

Community Garden Update

Fencing complete, 4 raised beds ready for use, work on the raised beds for wheelchair users is ongoing, frustrated by the weather and shortage of labour.

The meeting /information room has been refurbished but requires painting. On Saturday 2nd and Sunday 3rd October, volunteers are required to paint murals within the garden and the interior of the meeting room.

The annual general meeting will be held in November and motions for the agenda are required together with nominations for the Management Committee, Secretary, Chairman, Vice-chairman and Sales Shed Manager. If you are interested in the future of allotments in this area contact the Secretary by 31st October.

Enquiries for allotments from £10 per year can be made at the sales shed Tuesday & Saturday mornings or the Secretary. Members are reminded to pick up their free seed catalogue and order seed potatoes from the sales shed.

Secretary, Reg Freeman

Meden delighted with GCSE success!

We are thrilled with the improved GCSE pass rate this year which is up by 15% on the previous year. (45% compared to 30% A*-C)

Mr Shaw, Headteacher, said "It is down both to the motivation and hard work of the students and the dedication of the teaching staff. The school has met its target figure and will continue to strive for 50% and above next year."

There have been outstanding individual successes with Laura Morris achieving straight As including eight A*s, Chelsea Nattriss achieved seven grade As which included one A*, Sam Robinson achieved seven grade As which included two A*s. The list could go on but congratulations must go to all Year 11 students who have reached or exceeded their potential, whatever their grades. Well Done!

Update on New build!

The Meden School is pleased to announce that the new reception is up and running with only a few minor finishing touches to be done. If you plan to visit the school please use the front gate where you will see the new building at the end of the path. We ask that all visitors report to reception first where you will be asked to sign in.

The new Sixth Form Centre and Science rooms are nearing completion and are due to be ready around the October half term. Work has taken slightly longer than expected but we are sure that it will be well worth the wait and students will benefit for many years to come.

The Meden Snooker Night

with special guest
Nigel Bond

£80 in cash prizes to be won on the night!

Friday 22nd October

Wettons Family Butchers

who we would like to thank for their support for the school.

Dates for your diaries

Thursday 7th October - Year 7 meet the tutor
A chance for parents to meet Year 7 tutors

Wednesday 13th October - Open Evening. A chance for prospective
Parents to visit Meden

Friday 22nd October - The Meden Snooker Night (See opposite)

Monday 25th - Friday 29th October - Half Term Week

Monday 1st November - Staff Inset Day. Pupils not to attend school

Future projects!

This term we will be building up to the 'Polar Challenge'. Two students and two lecturers from West Notts College are going to the South pole in November this year. The Meden School is helping to sponsor Robert Dunn on this expedition and the team will be in school on Wednesday 20th October to give a talk to Year 9 and 6th Form students. To find out more check out their website:

www.polarchallenge2004.org

The Meden School is 40 years old this academic year and we plan to mark this important achievement with a celebration.

Watch this space for more details!

This term will see the launch of the New School - Community magazine 'Connect'. It will run every term and include: news, a calendar of events, department info, puzzles, with prizes of up to £200 to be won and lots more. We hope you will be supportive of this new project, and welcome any feedback from the local community with regard to content.

If you would like to contact the school please telephone 01623 843517 or you can find us on the web www.medenschool.co.uk

Book Review

by Tracy Measures

P.S. I Love You by Celia Ahern

Gerry and Holly, the perfect young couple. Then Holly's world is torn apart when Gerry dies from a brain tumour. She is plunged into a world full of happy couples and has to cope with being the odd one out amongst her friends, who are all part of a couple. Then two months later her mum reminds her of the small parcel that had mysteriously arrived and inside there are ten envelopes, each to be opened once a month over the next ten months; they're from Gerry. As Holly opens each envelope over the months, the instructions Gerry has left her gradually helps her to build her life back again, a life without Gerry, and with Gerry's blessing from the grave she learns to find love again.

I thought this book was going to be sad but it was quite uplifting and even funny in places, especially when her dysfunctional family are involved. A perfect book to take on holiday and very easy to read.

The Inner Wheel Club of Warsop

The September meeting of the Inner Wheel Club of Warsop was held at the Hostess Restaurant.

President Sue Lunn opened the meeting and welcomed everyone. Anne Benison said Grace. After dinner, club officers gave their various reports.

Overseas Service Organiser Anne Lyons outlined her fundraising plans for overseas charities for the coming year. Vice-President Pat Ashton finalised plans for a charity shop, which is to be held at the Methodist Church from September 27th to October 2nd.

Since the last report there have been two fundraising events, each raising approximately £700 for Inner Wheel charities. The first was a cheese and wine evening at the home of one of our members, Barbara Harding, on June 19th. This was followed by the provision of refreshments at the Warsop Carnival on July 4th.

Lesley Palmer
Club Correspondent

WARSOP

Footpaths

& Countryside Group

Our next walk is scheduled to be around the Derwent Valley in the Peak District on Saturday 16th October.

We plan to leave Warsop Library at 9:15 and if you are interested in joining us please phone to confirm details. The walk will be around 12 kilometres and walkers will need the usual equipment of boots, warm and waterproof clothing, a packed lunch and a drink.

This is the time of year when fungi should be at their best. There have already been some good displays thanks to the moist summer. Good local sites for viewing fungi include the woods at the top of Cuckney Hill (on the Welbeck side) and along the abandoned sidings behind the Rhein o'Thorns at Warsop Vale. I hope that they don't get washed out by more torrential rain.

Despite the weather it seems to be a good year for some wildflowers particularly knapweed which seems to have survived the downpours and is spreading into new areas. The sloes in the blackthorn hedges around Warsop appear to have done well again this year. Some hedges that normally get an autumn trim by this group are possibly untidier than usual as we have had a couple of problems with our hedge cutter. However the birds will probably appreciate the extra fruit that we have left for them!

The path between the Carrs and Church Warsop should have been resurfaced this summer but it appears that there have been problems with the contractors appointed by Nottinghamshire County Council. Plans to resurface the path behind Egmont Road in Meden Vale have unfortunately been delayed due to budget problems.

You can contact the Secretary on 01623 846281.

WF&CG is a community group whose members share an interest in the countryside.

We maintain the public footpath network in Warsop, we undertake conservation projects and we provide information about the local environment.

More memories from Scotland

It's been a long time since I printed any memories from John Hall but I have been struggling for space, I know lots of you enjoyed them, so here are some more:

- I sometimes helped Mr. Porter, Baker, Wood Street to clean his ovens and got a custard tart for my help and liked looking in Carrs Paper Shop, next door at all the toys in the window.
- Seeing Winifred, Duchess of Portland going through Warsop in her Rolls Royce, on her way to Harlow Wood Hospital on Nottingham Road, Hospital for the wounded, ex-servicemen from World War One. It was said Her Grace, was a founder member to start the Hospital and got the land from her husband who was The Duke at that time and the first ward was timber prepared from the Portland Estate.
- Jumble Sales in the mission hall on a Friday.
- The Fair coming to Warsop in the field behind the British Legion Club.
- The Salvation Army having a service on a Saturday night, outside the old Police Station.
- Going to the river on the Carrs on a hot, sunny day, most of the boys wearing their sisters blue knickers to hide u know wot!

Huge garden clear up on the Royal Estate

A major clean-up operation on empty properties on the Royal Estate in Warsop is underway in a joint initiative between Meden Valley Making Places and Mansfield District Council.

All properties owned by Meden Valley Making Places and Mansfield District Council are being targeted as part of the operation.

Work which began in August includes the clearance and disposal of dumped rubbish, and has cleared 40 gardens so far, with the rest being blitzed over the next month.

7 tonnes of rubbish have been cleared to date and it is expected that 20 tonnes will be removed in total.

The initiative has been developed following concerns from residents regarding a rise in vandalism, dumped rubbish and anti social behaviour which has become an issue as more properties become empty due to the successful re-housing of residents.

Meden Valley Making Places is working closely with local residents, the wardens and the police to prevent further problems in the area. Improved security measures are being reviewed for the future.

Sarah Streater, Housing Regeneration Manager at Meden Valley Making Places said: "Our main concern is to keep the Royal Estate as free as possible from rubbish and associated problems to ensure that the situation does not get any worse for the remaining residents."

Neighbourhood Wardens

Report for the Royal Estate September 2004

We are getting more troublemakers descending onto the old part of Warsop, this is starting with gangs and the actions relating to them, they seem to gather at one certain address.

We are in liaison with the police and other agencies to deal with this problem. Again, fly tipping is occurring in the Royal Estate, evidence has been found in the rubbish from different parts of Warsop, we have had environmental personnel down to see the problem first hand and we are in close liaison with them.

There is an increase of people stripping the empty properties of copper piping and other materials, working closely with the police, a raid took part and arrests were made. There are still residents leaving black bin liners in the street, the council cleansing operators will not pick these up, so they are left to the elements or stray animals. Environmental Health have told us they will continue to visit the area, with

their help we hope to have a large clean up and we will continue to crack down on the culprits who are doing the fly tipping.

There is still a problem of drug users squatting in empty properties but again we are working closely with the police on this matter.

We are still tackling untaxed and unroadworthy vehicles both on the Royal Estate and Bainbridge Road area and we will still tackle anti-social behaviour keeping in close liaison with the police and the anti-social behaviour team. We have started to expand our patrol and are becoming a familiar sight on Bainbridge Road and the surrounding areas, we are also regularly patrolling the Carrs to deter vandalism and graffiti.

We try to help all who come to see us and are receiving good comments on the tasks we perform. Thanks from your Neighbourhood Wardens based at Warsop Town Hall Tel: 845460

Editors Letter

It's nice to be back and thank you to all again for taking the time to take photos and write articles about things that are happening to you, your family, friends and your surroundings, I could not do it without you.

Warsop is certainly on the up, with our new eye-catching signs in place, the market is improving, new shops are opening, Surestart building work is starting again and there is a general air of positive attitudes. The new Market Warsop leaflet has been received well and comments are good about it, most of you will have had one by now but if you haven't, let me know.

The summer, what summer I hear you cry?, is over and we will soon be starting to talk about, you know, I think it is already mentioned quite a few times in this edition but before we forget the summer, I would just like to say how lucky we are to have the Carnival for FREE, I have just been to Chatsworth Country Fair, which was absolutely fantastic, I saw the Flying Gunners there, a free-fall parachute team, a falconry display, marching bands, a vintage car show, a fun-fair and lots of stalls. There were lots of other things as it is a huge 2 day event but the admission was £10 per head on Saturday and £15 per head on Sunday, whilst I will continue to go to Chatsworth Country Fair every year, it just made me appreciate our Carnival even more. And now to mention that word **CHRISTMAS!!!..... SORRY!!**

But you do need to put this in your diary: **Warsop Christmas Gala Night** will be held on **Thursday 9th December** more details to follow. You can forget I mentioned it now.

I have been Editor of this paper for 2 years now and have seen many changes, slowly it has developed into a paper you all want to support and a paper I am very happy to keep doing, even though my hair is getting grey, so keep your articles, adverts and information coming in and I will do my best to make sure they appear in the next edition.

Thanks again to you all for your support.

Tania Barlow
Editor

PS All you new businesses in Warsop don't miss out on an opportunity to get your name into 6,000 homes, including businesses, within the Parish of Warsop.

Neighbourhood Management Team

A new committee for Warsop Neighbourhood Management Team was elected when the Team held its first Annual General Meeting at Warsop Town Hall on Thursday 9 September 2004.

The AGM commenced with the screening of a video, produced by Warsop Infotech Group, detailing the project's successes over the last 3 years. These include Birkland's Community Exchange and Smart School project, the Neighbourhood Warden project, the skateboard park and play area on Carr Lane, the Infotech IT suite at Warsop Town Hall and the opening of Wood Street. John Allin who stepped down as Chairman of the Team for personal reasons at the meeting was thanked for his contribution to the work of the Team in the past year.

Up to March 2004 the Neighbourhood Renewal Area in Warsop had the Royal Estate as its main focus for projects. In April 2004 the area covered was extended to include the area across the A60 between Ridgeway Terrace/Lane and Sherwood Street up as far as Titchfield Street. Anyone individual or Group with an interest in making the area a better place to live is welcome to join the team in its work. The newly elected committee of Richard Lilley, Mandy Wilson, John Downie and Peter Gunning are hoping to co-opt more residents from both areas onto the Team. The Team can also make small grants of up to £5000 for community projects, which address the priorities of tackling crime, health problems or improving economic or community well-being.

Application forms with guidance notes for the funding to the Local Delegated Fund of the Neighbourhood Management Team can be obtained from Warsop Town Hall.

EDWARDIAN

Ever wanted to be outside on a crisp cold winter's day? Ever felt like sitting in the summer sun, but a cool breeze puts you off? A conservatory is the answer: a brilliant way to bring the sunshine back into your life.

Courses For Adults In Warsop

Wines for Christmas

Tutor: Gareth Hanson-Chambers
Starts Wednesday 3rd November
6 meetings 7.30pm - 9pm
at Warsop Parish Centre
Fee: £20.25 (concessions A £15.20 B Free)

For further information on enrolments and concessions please contact:
Phil Coward
Telephone: 01623 451255
or enrol at first class meeting.

UK Online Centre

Located in Warsop Town Hall

A full range of courses will now have started at the Town Hall IT Suite.
You may still be lucky in joining a few of the courses late - please call the Town Hall on 845858 and speak to Halina or Jessica.

All the courses were advertised in the 'local learning guide'. If you would like a copy to see the full range of courses we offer and at other venues in Warsop parish you can obtain one at the Town Hall. This can help you plan your learning for January 2005 without leaving Warsop.

The group now has a separate room training room where we can offer assistance for CV writing and personal development etc. In the room we will also be running a 'Family History Drop-in' from 1pm to 4pm (come and go as you please) each Wednesday afternoon from now until Christmas. Places are limited so please call first and ask to speak to Ian. We will have a volunteer 'expert' on hand.

Remember our drop-in times.
£3 a year to join.
The best value in Warsop.

Don't get stuck at home with your own computer - we can help.
If you want to see what you are missing please call in for a look at our modern facilities and we will show you all what we have to offer in a very friendly manner.

Three Into One Will Go...

I have a difficult task this month as I have to try and get three months information into one report so that you can all catch up on our activities. If I leave anyone out, please forgive me!

June was busy with 1208 competing in the Annual Wing Field day competition at RAF Digby. There are several challenges and we came 18th out of 31 Squadrons. As we did it with mostly new cadets, we were all pleased with that result.

We then competed in the annual Pentathlon competition at Welbeck College. We were the only ATC Squadron there with the majority of teams being Army cadets. Our Team came 4th overall which was a magnificent result. Well done Staff and cadets.

We were visited by the Officer Commanding Trent Wing, Wing Commander Steve Hullet. We held a parade and the cadets looked great. He presented WO John Wilkinson with his 12 year service medal to go with the others gained through many years service in the Armed Forces. See the rare photo of him in 'Blues'.

I took Cadet Chris Burton to join other cadets at an annual camp at RAF Northolt for a week. I was very pleased when Chris was voted cadet of the week by all the staff on camp. Well done Chris.

July started with the Warsop Carnival. We always do the carpark duties as well as other fundraising activities. Thanks to everyone who helped us to raise £600 towards Squadron funds.

On the 10th of July we helped someone else raise funds for the Women 4 Women charity. Abigail Trolley asked us to do Bag Packing at the CO-OP in Woodhouse.

We raised £500 for her against her target of £2500. In October she is to cycle 400kms on the banks of the Nile to justify the money raised. Good luck Abigail! CWO Rachel Needham took the Banner Party to Mugginton, Nr Duffield in Derbyshire, for a memorial service to commemorate the aircrew who crashed and died there 60 years ago.

Also in July we had a day out on the Welbeck College Assault and Confidence courses as well as a trip to Anchor supplies to stock up on kit.

August started with our attendance at the Meden Vale Carnival. It was roasting and was not as well attended as it could have been if it was a little cooler but we raised nearly £100 towards funds.

On the 14th August WO John Kirkland and CI Karen Knowles tied the knot at Edwinstowe church. The cadets provided a Guard of Honour and a Banner Party. What a great day. See John and Karen in the photo

On the same day I took 5 cadets to Doncaster Station to start another camp. This time at RAF Lossimouth in Scotland. They had a great time and guess what! Cadet Juma Browne was voted best cadet of the week!! Of the last three Wing camps, 1208 has won best cadet at all of them. We are very proud of them all.

The 21st of August saw the start of our own weeks camp in the Budby Training area. It rained, it shined and there were more flies than you could possibly count but they all had a great time thanks to the staff. The week was organised and well run by WO Wilkinson.

Catering and First Aid was supplied by CI's Chris Needham and Karen Kirkland. Health & Safety was the responsibility of WO Kirkland and a great deal of help was supplied by Cpl Chris Kirkland (RAF) and his partner Carly, CWO Rachel Needham, Civilian Instructors Graham Seddon, Lyndsey Harrison and Jamie Moore and Pilot Officer Austin College from Duffield Squadron. Finally I was able to make a few promotions in August.

Sgt Sarah Brown was promoted to Flt Sgt, Cpls Brad Lawson and Andrew Stokes gained the rank of Sgt and Cadets Luke Beardsley and Sashana Miller were promoted to the rank of Cpl. Well done to them all.

If there are any 13 to 18 year olds out there who want to be different to those with 'nothing to do', come along on Wednesday or Friday nights at 7 to 9pm and be prepared to challenge yourself!

7213. MINUTES OF PARISH COUNCIL MEETING

The minutes of the Parish Council meeting held on Monday 19th July, 2004, were accepted as a true record and were duly signed by the Chairman.

The Chairman closed the meeting to allow an open session for Public Participation

THE MEETING WAS RECOVERED

7214. MATTERS ARISING OUT OF PUBLIC PARTICIPATION

The Chairman asked the Clerk to note the points raised during this session and arrange a site meeting with the Portfolio Holder for Mansfield District Council to look into the unkempt state of the cemetery and the collection of moss on Rectory Road.

7215. CRIME AND DISORDER

One of the Neighbourhood Wardens gave a report on their progress so far and that there had been a big clean up on the Royal Estate with Meden Valley Making Places and Mansfield District Council, taking away all the rubbish from the back gardens and all the blue and green wheelie bins from empty properties.

7216. PLANNING APPLICATIONS

a. Land adjacent to 52 Church St, Warsop - Bungalow & garage
b. Lloyds TSB - New shop front and installation of ATM machines
c. 29 & 29a Church Street, Warsop - Conservation consent for demolition

d. 12 Forest Road, Warsop - Conservatory
e. 88 Hamilton Drive, Warsop - Detached garage
f. Premises above 34&36 High St, Warsop - Change of use
g. 35/37 High St, Warsop - Change of use
h. Land at Wood Lane, Church Warsop - Landscaping and footpath
i. Meden School - Double mobile unit (full plans available for inspection)
j. Nettleworth Manor - Proposed extension and renovation of outbuildings

It was noted that the planning application for Hadida House, Warsop Vale had gone to appeal and Mansfield District Council will inform us of the outcome in due course.
No comments were made regarding any of the above.

7217. CORRESPONDENCE

a. Letter from a resident in Meden Vale.
Cllr. Brian Smith reported that he had put in a bid to the NottsCC, BBC initiative regarding the additional footpath along Eastlands Lane, Coggins Lane and Netherfield Lane and it had been successful, and has advised Ann of this.
b. Letter from The PCC.
The Clerk read a letter asking for funding towards refurbishment of the Tudor Barn and fencing around it. Cllr. L. Graham offered to help find funding for this project.

7218. WARSOP NMT

Cllr. B. Smith wished to record a vote of thanks to Cllr. J. Allin for all his hard work as Chairman on the Neighbourhood Management Team.

7219. WARSOP AND DISTRICT NEWS

Clerk reported that the October edition has been put together and is with the design team Pen-it Graphics, again the revenue would cover costs and the article content was very good.

7220. MEDEN VALE 2000

Minutes were circulated to all members for information only.

7221. TOWN CENTRE GROUP

Minutes were circulated to all members for information only.

7222. WARSOP PARISH REGENERATION AGENCY

Minutes were circulated to all members for information only.

7223. AREA ASSEMBLY

Minutes were circulated to all members for information only.

7224. PAYMENTS AUTHORISED by F&GP on Friday 6th August

V0132. Cash - delivery of Town Centre leaflets	£180.00
V0133. Cash - postage	35.00
V0134. Pen-it Graphics W&DN August edition	528.75
V0135. Mortons W&DN August edition	1,030.00
V0136. Hartwood - New monitor and repairs	493.31
V0137. Notts County Supplies	87.16
Payments were approved.	

7225. BANK BALANCES AND ACCOUNTS FOR PAYMENT

Lloyds TSB Current Account - 20 Sep 04

Lloyds TSB Premier Account - 12 Sep 04

It was agreed, unanimously, that the following accounts would be paid:

V0138. Delivery of Warsop News	£180.00
V0139. Delivery of Warsop Learning Guide	£50.00

7226. SIX MONTH BUDGET REVIEW

The Clerk presented the six month budget review, handing each member a copy. Although monies are tight because of the low precept, there is enough money to pay the accounts for the next six months and still a small amount of section 137 grants available.

7227. COMPLAINTS PROCEDURE

It was proposed and seconded that the Complaints Procedure be adopted, and the motion was carried unanimously. This procedure is now in place.

7228. STANDING ORDERS

It was proposed and seconded that the Standing Orders be adopted, and it was carried unanimously. These Standing Orders are now in place.

a. Financial Regulations - The Clerk handed each member a copy and it was agreed to adopt them with any alterations at the next meeting.

7229. TRANSPORT GRANT

It was reported that the application had been sent in and that Notts CC had given a grant of £20,000 towards a new mini-bus.

7230. GRANTS

The Clerk reported that there were various funding sources that could be applied for by the Parish Council for community projects. The Notts CC Building Better Communities Initiative, up to £50,000. The People's Places Award Scheme provides grants up to £10,000, UK Coal provide grants of up to £500 and the Heritage Lottery Fund Grant from £500 upwards.

7231. NOTTS. COUNTY COUNCIL

Cllr. B. Smith reported that Notts. County Council has been awarded a Good Council Status through their Culture and Community Department but were now waiting to hear if they have been awarded an Excellent Council Status.

7232. MANSFIELD DISTRICT COUNCIL

Cllr. R. Morton reported that Mansfield District Council are now going to include a Public Participation open session as part of their meetings in future.

The Chairman asked the District Councillors if they could investigate a report of Spion Kop not having a road sweeper for 18 months.

7233. WAR MEMORIAL

A site meeting has been arranged for tomorrow at 1.30pm with Parks Officers from Mansfield District Council, representatives of the Royal British Legion and any members of Warsop Parish Council, the Clerk will be present.

7234. ITEMS FOR THE NEXT AGENDA

a. Financial Regulations to be adopted.
The Clerk is to be informed of any items 7 days prior to the next meeting.

7235. DATE OF THE NEXT MEETING - Monday 18th October, 2004

MANSFIELD DISTRICT COUNCIL

Creating a District where
People can Succeed

Mansfield clean up is hailed a success

A campaign to clean up Mansfield of litter and grime has been hailed a major success after a survey of the District's streets showed a massive improvement.

A litter and grime survey carried out in March before the 'clean up' began with the introduction of the Six Area Based Cleansing Teams and emergency clean up teams, as well as the 'Dirty Thirty' clean up showed that 58 per cent of the surveyed area in the District had a major litter and grime problem. The Council had vowed to reduce this by eight per cent to 50 per cent, however following the massive clean up campaign the figures were actually slashed to 31 per cent. The Council is now on target to reach the Government's new target of 30 per cent.

The figures are part of the Council's Best Value Performance Indicators which must be undertaken every four months and are then verified and sent to the Government. Since April last year the Council has taken a very proactive stance against litter, flytipping

and grime. A Litter Enforcement Officer has been targeting flytippers and individuals who throw litter in the street. More than 50 fixed penalty notices have been issued, and two individuals who refused to pay were taken to court and ordered to pay more than four times the original fine.

In April this year Six Area Based Cleansing Teams and two emergency cleansing teams took to the streets clearing litter and grime from neighbourhoods in Mansfield, Woodhouse, Forest Town and Warsop, and only a few weeks ago the 'Dirty Thirty clean up' campaign was conducted across the town centre to clear away grime and litter ridden alleyways and streets.

Coun Eddie Smith, Portfolio Holder for Environment said: "It has been a hard fight against litter which is a growing problem not only in Mansfield but also nationwide. It is also a fight we shall not give up on. These results are staggering and really show that we are making a difference. The new figures can be attributed to the Council taking a much more proactive

approach to litter. In the past the Council was reactive to complaints, but since the new teams were launched in April they have not waited for the complaints to come in - they have identified the problem areas and tackled them head on.

"Hopefully we can keep up the good work and also encourage the public to help keep it that way. Once it is clean we need to ensure it stays clean and hopefully people will take more pride in their neighbourhoods."

Craig Bonar, Head of Direct Services said: "The targets we set ourselves were modest given the litter problems we faced in March. We had hoped to reduce the problem to 50 per cent which would be considered a good start in only four months, perhaps even 45 or 40 per cent but we had never expected to reach 31 per cent. If we keep working the way we are, we should be well on our way towards reaching the annual Government targets in eight months time. The cleansing teams responsible for the hard work need to be congratulated on their fantastic success."

Market comes to Mansfield Woodhouse

Mansfield Woodhouse will finally get its market from this Wednesday (11th August).

The Market, which has been organised by Mansfield North and Mansfield Woodhouse Area Assembly will be licensed by Mansfield District Council.

It will operate every Wednesday between 9am and 3pm from Turner Hall Car Park. Free parking will be available in Coop car park.

There will be a host of market traders selling goods ranging from fruit and vegetables, to fashion clothing, jewellery, greeting cards, computer equipment, meat, cakes, biscuits and carpets and rugs.

Coun Norman Cook, Chairman of the Area Assembly said: "I am delighted that we have managed to bring

our market back to Mansfield Woodhouse. We have a thriving community and a market is something that was lacking and will make a massive difference.

"This goes to prove that Area Assemblies are effective. This has come about through people telling us at the Area Assembly that they wanted a market and we have worked with the Council, residents and businesses in Mansfield Woodhouse to ensure that this happened. I am very grateful to the vicar of St Edmunds Church for their support in allowing us to use Turner Hall Car Park and to the Coop for providing free parking to Market shoppers, I just hope that the community will now support the new market to ensure that it is here to stay."

The Year 2 children at Birklands Primary School, Warsop, have just completed the C.A.S.E. (Children and Safety Education) programme.

In the series of lessons as well as having fun, the children have been taught how to deal with different situations such as a fire, and how to make an emergency phone call. C.A.S.E. also focuses on developing the children's self esteem so that they have the confidence to make their own decisions to live a healthier and safer life.

On Wednesday 14th July the children had a graduation assembly where they showed what they have learned to the many parents and family members who attended.

To celebrate their success they were each presented with a certificate by Mr Steve Cree, the C.A.S.E. instructor, and with T-shirts sponsored by Warsop Motor Company.

An Antipodean Adventure

Part 1

Christchurch, Auckland in New Zealand, Hobart in Tasmania, Sydney, Melbourne in Australia.

These are names that the majority of us read and fantasise about but never get the opportunity to actually visit. Well, recently my wife and I were invited over there by a relative, resident in Hobart. This was the invitation of a lifetime, so off we went.

The morning flight from Manchester took us to Heathrow in scarcely more than half an hour, better than the three hour trip by road! There after a couple of hours and several tedious security checks, a sadly necessary evil, we boarded a British Airways 747 for the 21 hour flight to Melbourne.

This was completed with just a 1 hour stop at Singapore, far too long, an overnight stop is advisable but the tedium is eased by the in-flight entertainment which comprises a miniature television per passenger. I found the most interesting channel of the 12 available, the one showing the route we followed which took us over Moscow, Afghanistan, the Himalayas, India and the Bay of Bengal down to Singapore, then over the Java Sea, Indonesia, then the Australia Outback, deserts to Melbourne.

There, sadly to see, they are suffering from a severe drought, no rain for 2 years! After more tedious security checks and queues for boarding passes, we got on a smaller Boeing 717 for the 1 hour flight to Hobart, by now a flight of this duration barely gave enough time for a cup of coffee! Then a half hour taxi ride to the outskirts of Hobart to be greeted by my wife Brenda's aunt, whom we haven't seen for quite a number of years, she married an Australian naval

officer and emigrated to Tasmania after the war.

Hobart is a very picturesque harbour town in the south of Tasmania, it has a very colourful market, the Salamanca, held on the harbourside, where numerous ferries can be boarded to several points along the coast, this comprised lots of bays and inlets where the majority of houses are built, 90% of which have a sea view! These can also be reached by road over several bridges. A very interesting excursion from Hobart is a 50 mile drive to Port Arthur on the southern tip of the island.

This is the rebuilt convict settlement where so called criminals and undesirables were shipped from England in the 18th Century. Here you can see the actual cells and workshops that were built to accommodate the prisoners. Richmond is a beautiful little township preserved in the old colonial style with timber on stone built houses, cafes and restaurants, this is 30 miles from Hobart and is a very pleasant drive through mainly vineyards and agricultural land, fruit growing is still a very important Tasmanian industry.

A very interesting feature of Hobart is the Casino, a hotel complex overlooking the harbour with waterside gardens, restaurants, bars, a casino and a tower block with a revolving restaurant on the top floor, a Monte Carlo in Miniature! This, needless to say, is a very popular and thriving tourist attraction.

Part 2 next month.

Dennis Armstrong

Warsop Wives Group

During July and August we have had a very busy time.

We went to Centre Parcs and saw the Puccini Opera from Covent Garden transmitted on a big screen. We visited Dukeries Antiques at Budby and enjoyed delicious coffee and cake and completed a quiz on antiques, there was a prize for the winner. We had a Beetle Drive with Stalls and raised over £100 for our charity fund and a charity shop for 2 weeks which raised over £800, thank you everybody.

We also had a garage sale at Ann Blackmore's home and raised over £200, we had pouring rain all day but stuck it out and with the help of brollys, dry extra cloths and lovely food we survived.

We had a garden party at Jean Simmons and guess what? It rained again!! We had pie and peas, played bingo and held a quiz. On 31st August we held our AGM and had a very good meeting, after suggestions and a vote we decided to support The Alzheimer's Society for this year's charity.

Future meetings are:

Sept 28th	Quiz Time
Oct 12th	Memories of Yesterday
Oct 26th	Committee Night Off
Nov 9th	Christmas Flower Arranging
Nov 23rd	Meadowhall Outing

Best wishes
Irene Hodgson

Women In Focus

We have just finished a most enjoyable 6 week course on Tai Chi, thanks to Richard. I hope that our ladies are keeping up the good work.

Wed 1st Sept - Linda McGuire from the Warsop Cancer Support gave us a talk on what the group do and how we can help ourselves with healthy eating.

Wed 8th Sept - We had a knit and natter night, the squares we knitted for charity.

Future Meetings: Wed 15th Sept Painting on silk
Wed 22nd Sept Memories of the 40's
Wed 29th Sept Watercolour painting for beginners,
12 week course starts
10(FULLY BOOKED)

A Big Thank You to The Friends of The Oaklands Fundraising Team

The Oaklands had a Thank You Evening for The Friends of the Oaklands Fundraisers on Wednesday 8 September.

Chairman, Bob Griffin, gave out gifts and thanked all those that tirelessly fundraise on behalf of The Oaklands. Also during the evening, George Bostock donated £875 to The Oaklands Centre, collected in memory of his wife, Margaret, who had been a regular fundraiser.

Thankyou Letters.....

Mr Cyril Heckingbottom

Thank you to all relatives and friends of my dear husband Cyril for attending his funeral. Also a big thank you to Doctors and staff at Kings Mill Hospital and Poplars Nursing Home. Many thanks to our caring Rev Kathryn for her very moving service, thanks to Sheila and Janice for an excellent buffet and last but not least to Eric Townroe for his courtesy and kindness. Finally monies in lieu of flowers were donated to the Stoke Foundation at the hospital. Once again a big thanks to one and all. God Bless.

Anna & family

Margaret Bostock

My family and I would like to send our heartfelt thanks to all of the following for their sympathy and support after the loss of our dear wife and mother:
Eric Townroe, for his much appreciated help and support with the funeral arrangements. Family, friends and neighbours for more than 200 sympathy cards and donations of over £800, which will be passed onto the Oaklands Refurbishment Fund. Kathryn Herrod for a lovely service, which portrayed Margaret as we will always remember her. Last, but definitely not least, thanks to the Oaklands Centre staff, Brenda Stockdale and her band of Tuesday helpers, for their generous gift of time and labour in providing a wonderful function afterwards.

George, Angela, Andrew and Annette.

George Raymond Gill (RAY)

Mrs Faith Gill, Ricky, Toni and Christopher would like to thank family, friends and neighbours for their support, kindness and many cards of sympathy on the sudden death of a much loved husband, dad and granddad. Thanks to Pat Brewin and Eric Townroe for their kindness and understanding. Special thanks to the pall bearers, sons Ricky and Christopher, nephew Kevin Gill, best mate Barry Hague, friends Paul Nicholson and Darren Fletcher, Ray would have been so proud. Thanks also to Paul and Debbie at the Gate. Donations of £692 were sent to The British Heart Foundation. Our thanks to everyone.

Faith, Ricky, Toni and Christopher Gill.

David Henry Morris

The immediate family of the late David Henry Morris would like to thank all family, friends and neighbours for their kindness, support and messages of sympathy following his recent death. Special thanks also to Joan Wright for the lovely church service, to Eric Townroe for all the sympathy, help and advice given to us, to Mrs Townroe for organising and serving refreshments and not forgetting the limousine drivers for the kindness and sympathy shown to us. Our special thanks also go to the staff of Poplars Care Centre for the love, care and dedication given to our father in his last years.

Glynn Morris.

Thank you

The PCC of Warsop Parish Church would like to acknowledge and express their grateful thanks to the trustees of the Brent Clarke Foundation for their generous donation of £1,500 to enable them to repair and refurbish the Tudor Barn floor at the Parish Centre.

Kathryn Herrod (Rector) on behalf of Warsop PCC.

Dear Friends

I am writing this letter in early September, most holidays are over and the children are back in school. You know the old saying: "A change is as good as a rest". I hope you have found time for a change or a rest (or both?) during the summer season. God has our well being, our welfare at heart. He invites us to enjoy being with Him during a break from the routine. He desires His creation to rest. In the life of our Warsop Community we are preparing for a number of changes. These changes present us with the challenge in the church to adapt our ministry and mission to meet the needs brought about through change. Change is important for us in life although we are fearful of it. Change brings fresh challenge, it can enable development and growth for us as individuals and also in the life of the church and community. Come along to the services in one of the Christian churches in this district and discover change which God can make in us as respond to His grace.

God bless you.
David Greenaway

Chapel pews for sale

We intend to remove the wooden pews from the Chapel and replace them with chairs. If you would like to purchase one of the side pews for use as a garden bench please contact Charles McLaughlin (842574) or Edwin Tattersall (843504). The pews are 6 ft in length and will cost £50 each.

Credit Union Enjoys Successful Merger

It is now almost six months since the Worksop & District and the Meden Money Tree Credit Unions decided to join forces.

The two credit unions covering much of the North Notts and parts of North Derbyshire decided to pool resources and become a more efficient organisation to enable an even better service to be offered to existing and new members. The "Head Office" of this organisation is at 62A Bridge Street in Worksop and this attractive shop is open 4 times a week on Mondays, Wednesdays, Fridays and Saturdays 10.00 am to 2.00pm. The opening of this shop almost a year ago has helped the Credit Union to grow as Worksop shoppers become aware of the Credit Union and the benefits of membership. This together with the merger has expanded the membership and is providing a strong and growing option for local savings and loans.

The merger officially took place on the 1st of April 2004 following local talks and obtaining the approval of the Financial Services Authority (the FSA). The FSA is the governing body for all banks and building societies as well as credit unions ensuring member's savings are being properly looked after and are safe and protected. Like all credit unions it is a friendly place to save and borrow at very sensible and affordable rates. The credit union is run by its members for the benefit of its members and any surplus profit is returned to the members each year in the form of a dividend. The anticipated dividend for this year is 3%.

The area now covered by Worksop & District Credit Union includes Worksop, Warsop plus many of the smaller local communities such as Shirebrook, Creswell & Manton. The Credit Union is always looking to extend its services into other communities within its "common bond area" such as Harworth, Langold, Carlton, Warsop Vale, Church Warsop and Meden Vale. To support this expansion more volunteers are needed - can you help? - Anything from 2 hours will always be welcome.

If you can help or need any more information on the credit union or the location of the collection points, the number to ring is 01909 500575.

"IF YOU'RE FED UP WITH IMPERSONAL SERVICE AND POOR RETURNS FROM YOUR BANK, WHY NOT TRY THE COMMUNITY BASED ALTERNATIVE OF A CREDIT UNION?"
WHICH magazine August 2004.

WARSOP TOWN HALL - THURSDAY 9.30am - 12 noon
WARSOP AGE CONCERN - SATURDAY 9.30am - 12 noon
Registered Office: 62a Bridge Street, Worksop.
Collection points also at Creswell, Manton and Worksop.
FOR MORE DETAILS Tel: 01909 500575

Bursting With Thanks

Worksop & District Credit Union recently held a balloon burst draw to thank its body of 30 volunteers for the valuable service they provide to the credit union and its members.

Each of the volunteers, names were placed into a balloon and the first five names revealed by the burst won the prize. 15 year old Johnny Marsh, who was on work experience, did the honours. Three £10 WH Smith vouchers donated by Bassetlaw Learning Together and two fun cameras, donated by the credit union, made up the prizes.

"We would not be able to operate without our volunteers and this was our way of thanking them" said Diane Herrington, Administration and Development Officer for the credit union. "It worked out really well as we ended up with winners who work all over our area". The lucky winners were: Derek Hazelhurst (Worksop), Mary Smith (Shirebrook), Ellen Irons (Creswell), Halina Kochanowski (Warsop Town Hall) and Emma Saxton (Warsop Age Concern).

The prizes will be presented at a special thank you party for all volunteers at Creswell Miner's Welfare on 16th October.

If you would like more information on the benefits of credit union membership or becoming a volunteer, drop into any of the collection points or
tel: 01909 500575 Mon, Wed, Fri and Sat 10am - 2pm

MEDEN UNDER 5's CENTRE

Parents/Carers can come with 0-5 years babies and children for structured 'freeplay' sessions, helping young children to socialise and learn through play. Adults get a chance to meet new people too!

OPEN FOR 'DROP IN' SESSIONS:

Monday 9 - 11.30am • Tuesday 9-11.30am & 1-2.30pm
Wednesday 9-11.30am • Thursday 9-11.30am & 2.30pm

LUNCHBUNCH

- The under 5's centre is open on Tuesdays and Thursdays 11.45am. - 12.45pm. (between 'drop-ins'!), during term time, for anyone with young children to come and have their lunch together with other parents, carers and children.
- It is for people with young children who have little time for the 'Lunch-time-turn-around' either after morning or before afternoon nursery.
- Everyone brings their own lunch, including drinks, and eats together: (and tidies up afterwards!)
- Admission is free - for further details contact the centre.

TOY LIBRARY

We have new toys which can be borrowed for a small fee.

From the 9th september the Toy Library will be holding a weekly drop-in toy lending service for all parents and carers in Warsop vale. The session will run between 12.45pm and 2.45pm every Thursday afternoon at the Malcolm Sargison Centre, West Street.

Toy Library runs weekly drop-in sessions on Thursday mornings at the Under 5s Centre (9am - 11.30am).

We hope this gives everyone the opportunity to see the full range of toys and equipment available to them.

(The Toy Library is still open for use whenever the centre is open)

Smoke-Free Bingo Night

The Strand Bingo at Warsop is test-running a non-smoking night on Sunday 17th October to give people a chance to mark their cards in a smoke-free atmosphere.

Free packets of mints will be on offer to help smokers craving a cigarette.

Dr BS Banga & Dr K Chaudhuri Warsop Health Centre

The flu virus is constantly changing so you need to have a jab every year to keep up your immunity, this will not protect you from coughs and colds but will protect you against the latest strains of flu.

The best way to avoid getting flu is to have a flu jab during the autumn. Dr Banga and Dr Chaudhuri's practice at Warsop Health Centre will be holding a walk in clinic for flu vaccinations on 5th & 12th October 8.45am - 12pm & 1.30pm - 5pm. No appointment needed just walk in and check in at the reception desk. We look forward to seeing you. **Practice Nurses Glennis and Gill.**

P.S. Welfare Rights Officer, Ann Bennett will also be in attendance at these times.

Peoples Corner

Welcome to peoples corner, this is where you the people of Warsop and district have your say on what you think: on vandalism, the carnival, public transport, sporting facilities, schools, night life, our churches, children's play areas, shopping, businesses, the market, the health centre, the dentist, the vet, parking, the decisions made by the local council, even items in the Warsop News itself. In fact anything you have to say about anything, there are no exceptions. Also if you have an unusual job or hobby or have an interesting true story to tell, or are you very good at a sport, just won a medal or an award, or have you ever met someone very famous.

So if you want to tell everybody about it this is your chance, all you have to do is right to Peoples Corner Warsop & District News, Town hall, Church Street, Warsop, Mansfield, Notts NG20 0AL or you can e-mail tbartlow@warsop.gov.uk - all items will be read and will appear in future editions at the discretion of the Editor and space allowing.
