

The Royal British Legion

The old Standard of Warsop, Spion Kop and District Branch of The Royal British Legion that was Laid Up in the chapel at Welbeck Abbey, has now been placed into the Parish Church for safe keeping.

In the photograph are members of the The Branch who witnessed the Chairman, Mike Trinder handing over The Standard to the Rev Kathryn Herrod, to be kept in the church next to the other Standards.

Warsop Twins Appear in Jane Eyre

Some of you may have recognised Amy and Beth Steele who recently appeared in two episodes of BBC's series Jane Eyre as the Dent sisters.

Now in their 20's Amy and Beth attended Hetts Lane, Sherwood and Meden Schools and have been acting since they were 7yrs of age. After a spell of 4 years in Greece they

have returned to London to further their acting careers and are soon to star in a film to be released in December called Van Wilder 2.

Sherwood Junior School Winners

On Tuesday 26th September, Oliver, his family and Mrs Kabia went to London to see his artwork on display.

At the event the television personality, Ben Fogle, presented Oliver with a personally signed programme of the exhibition. Oliver's picture took pride and place at the front of the exhibition and his picture has just been featured in the latest RSPB magazine.

Ellie Rose Duffin won the Under 8 section of the 'Four Seasons Shopping Centre Back To School Competition' she won an essential school kit which retails at £20 and a ticket for her whole family to go and see the Mansfield Pantomime of Snow White.

Oliver (far left) went to London to see his artwork on display and was presented with a signed programme of the exhibition by Ben Fogle (left).

Above is Oliver's winning artwork.

Your Garden in November

Autumn, a time when at first thought it would seem that the gardening season has ended. But has it?

One may ask when does that season begin, the only conclusion is that, whatever the month we are always in the middle of it. Therefore, there is no beginning to the gardening year. The garden, vegetable and flower sections, should always be well stocked, with all operations completed up-to-date and next day there will surely be some task awaiting. So a critical eye should be cast over the whole scene; assessing what has become accomplished, and also the deficiencies and failures.

And what better time than the present to do so and make resolutions, a willing spirit is always to be commended; even though the good intention does not always materialise, it is poor policy to leave all the activities until spring. Advantage should be taken of fine spells of weather in autumn and winter months. Herbaceous plants, shrubs and trees moved to permanent positions before the end of November, will be found in spring to have developed new rootlets ready to take advantage of warm spring days, and burst into growth. Cold weather does not invite one into the garden and yet there are things to be done, there may be spring bedders and without doubt, this is the correct time for planting hardy trees, whether fruit or roses.

Preparation involves some tidying up, it is amazing how weeds appear as the crops mature, some annual weeds such as groundsel, red dead nettle and chickweed will continue to bloom and seed

throughout the winter. All waste matter will go into the compost bin, heap or wherever you have it, it is also useful to sprinkle lime then a layer of material to rot then a sprinkle of ammonia. Do not put together or chemical reaction will take place releasing ammonia gas. If good quality compost is made by using waste material vegetation assisted by lawn cuttings, green hedge trimmings, household waste including tea bags, egg shells, small bones, shredded paper with address and bank details then sufficient humus will be available, with the addition of some growmore, without ever having to buy loads of manure, good compost is a heap of satisfaction, no garden should be without it.

Some gardeners dig in spring just prior to planting, it is wiser to dig in autumn burying all weeds and when spring comes, the soil can be turned, cleaned and ready for sowing. Make sure of any leaves bury in trenches for peas and beans, there may be some cutting out of old brambles and general tidying to do, straggly growth and shrubs blown about by winds are subject to damage, especially when a gale is accompanied by a frost. At the moment garden centres have lots of interesting plants on offer that can be planted for winter and spring interest, some are flowering plants and in many cases are found to be scented, this is to attract pollinating insects which are few and far between in winter.

Other plants of interest at this time of year are grown for their attractive bark or colourful evergreen foliage. Some good winter plants include Euonymus "Emerald in Gold" which is low growing variegated evergreen shrub that will grow in most soils and conditions. Prunus Serrulavar Tibetica is a tree suitable for a medium size garden and is grown mainly for its mahogany coloured bark as the thin bark peels off it reveals a shiny stem that is attractive all year round but more noticeable in winter when the leaves have fallen off. For a flowering shrub Mahonia "Charity" is one of the best with its sulphur yellow racemes of flowers that grow from the centre of a rosette of long green leaves, the winter flowering heathers, of course, which produce masses of pink, white or deep red flowers from now through until spring. With a right choice of plants a winter garden can be very colourful and interesting especially in the crisp winter sunshine.

WANTED!

- Do you have a little spare time on your hands to give to a voluntary cause?
- Do you know your way around a computer and are good at organising?
- Do you need a worthwhile task within the community to complete your life?

If you answered 'Yes'
to all the questions above then you may be the person we are looking for!

Warsop & Meden Vale Branch of
The Royal British Legion
urgently need a person to become their new
Branch Secretary

No experience is necessary, there are no age limits to the post and full training and support to the successful volunteer will be provided. There is no requirement for you to have been a former member of the Forces; the fact that you care and want to make a difference in our ex-Service community is enough. The unpaid post will require dedication, tact and diplomacy and a few hours of your time each month.

The Royal British Legion is the UK's leading charity providing financial, social and emotional support to millions who have served and are currently serving in the Armed Forces, and their dependants. Currently, nearly 10.5 million people are eligible for our support and we receive thousands of calls for help each year. The Legion was formed in 1921 as a voice for the ex-Service community and over 450,000 members continue to ensure that this voice does not go unheard. Although the needs of ex-Service people have changed over the years, we are still there to safeguard their welfare, interests and memory. British service people are in action around the world every day of the year. They know that if they need our support – now or in the future – the Legion is always on active duty for them.

Warsop, Meden Vale & District Branch has been a part of your local community for many years but it is now in danger of closing owing to the difficulties in identifying a suitable replacement for the outgoing Secretary.

If you think that you can be of help to us please pick up the telephone and speak to **Mike Trinder** now on **01623 842208**

NEWS FROM MEDEN VALLEY MAKING PLACES

Top Award for Regeneration Body

The body behind one of the east midlands' biggest housing regeneration programmes has grabbed top honours in a quality awards scheme.

Meden Valley Making Places has won the 'best partnership with community projects' category in the prestigious Built In Quality Awards organised by LABC (Local Authority Building Control).

The awards recognise and reward the region's most innovative organisations involved in construction.

MVMP received the award for its work in Creswell, where the organisation has bought 60 properties in Creswell Model Village from a private sector landlord and refurbished them with support from the Heritage Lottery Fund. The homes are being sold on the open market to owner occupiers, helping to create a more mixed and thriving community.

The three-bedroom family homes, located octagonally around a large central green, have been equipped with new fitted kitchens, new bathrooms, new gas central heating systems, new timber doors and windows, rewiring and new damp proof courses.

Original features have been reinstated wherever possible, helping to preserve the character of this established community.

Chief Executive Gary Kirk said: "This award is a great honour. As an organisation we are strongly committed to working in close partnership with the community and to involving them at every step of the regeneration process.

"In Creswell, we have worked closely with Bolsover District Council, local residents and with our partner contractor, Henry Boot, to employ a local resident as a liaison officer, further strengthening the relationship between the community and the regeneration partners, and helped create a raft of other job opportunities for local people during the refurbishment work.

"As a result, the Model Village has been restored to its former glory in line with community aspirations."

LABC regional award: Gary Kirk, Chief Executive of Meden Valley Making Places (right), and MVMP board member Cllr Duncan McGregor, receive the LABC 'best partnership with the community' project award from Jenny Wivell, Health Correspondent, ITV Central News – East Midlands

The Model Village was built in the late 19th Century as a pioneering example of quality housing for colliery workers, and consists of 281 properties, all of which have now been fully restored and refurbished.

It is designed around the principles of the garden village concept, part of the Garden City Movement which was a response to the problems of poverty, population growth, cramped urban housing and industrialisation.

Before the intervention of Bolsover District Council, MVMP and its partners, the properties were owned almost exclusively by one private sector landlord. With the closure of Creswell Colliery in 1992, the loss of coalmining jobs had a devastating effect on the community, leaving a large number of empty and unfit properties

The LABC judging panel consisted of:

- Paul Everall (Chief Executive LABC Services)
- Brian Bannister (LABC Promotions)
- Kevin Dawson (Building Control Manager, Peterborough City Council)
- Graham Lee (LABC Business Development Director)
- Andrew Little (Building Control Manager, Bristol City Council)

Images of younger days

It's the weekend – school seems so far away.
No sharp snap of the headmaster's tongue,
No smell of old books, only fresh mown hay,
Free to roam in endless fields for as long
As I want, skimming stones across a pond,
Listening all day to nothing at all.
Tomorrow it's cricket with mates, to bond
As an invincible force – to smash the ball
Out of sight, into orbit and beyond.
It's the weekend, no school today,
Monday morning seems so far away.

Inside Out

Fleeces, nighties, T shirts, socks
draped inside out, across a chair,
labels worn outside of frocks,
never seemed to worry her.
It seems that there are certain genes,
She and her mother share.
The habit started in early teens,
clothes, inside out, left here and there.
Now, in a busy life she's found,
there's very little time to care
about a vest the wrong way round
or her shoes, a matching pair?
January sales make things worse,
in Ted Baker's, she cannot bear
to have money left in her purse,
that she could spend on things to wear.
Rules, she doesn't know about,
when she drops things on the ground.
My daughter's clothes may be inside out,
but her heart's the right way round.

The date of the next meeting is 6th December – Everyone Welcome

The Rotary Club of Warsop

Club Meetings

The club held its weekly meeting at the Hostess Restaurant on 21.9.06. It was a special meeting open to wives, partners and friends to enable people to watch a presentation organised by Rtn Peter Harver and Rtn Stuart Parsons. Earlier this year a group young people supported by the club visited Zofingen in Switzerland (Warsop sister club).

There were 12 in all 10 of the 12 gave a presentation of the time they had whilst in Zofingen. The group were a credit to the club and the return from Zofingen takes place next year. President Graham GOFF gave a short account of a trip on the Severn Valley Railway undertaken by a number of Rotarians and wives earlier in the week. There were some 25 members present and 33 partners and friends at the meeting (including Inner Wheel members)

On 5 Oct 06 President Graham GOFF took the meeting which was attended by 24 members. Grace was said by Rtn Alan KELLY. The speaker was Susan KEMP who came as a guest but became the speaker owing to the indisposition of the speaker.

Susan gave a talk 2 years ago to the club in an effort both to raise awareness and to obtain funds for her project which is 'Charan Schools Project at Nepalgury in Nepal some 3 km from the Indian Border. A former teacher at Newgate Lane, she has devoted the her last 3 years in setting up the project which gives help and support for the poor and disenchanted Nepal children to allow them to join the schools system. 50 % of Nepal children leave in the first year but with the project the children supported by Sue have remarkable results and they WANT to escape the poverty trap once they see education as a way out.

A truly committed individual who has to raise 20% of the funds annually herself. The project appears very worthwhile costing £20 to set up a class and £20 per month to run per class. Sue gave an update on where the project was 2 years ago and as of now. Rtn Mike MOLONEY gave the well deserved vote of thanks.

The president closed the meeting anticipating a good weekend at the Rotary Conference at Llandudno.

Bird Notes

At the time of writing, it's the ninth of October and the leaves are just starting to change colour on the trees and warmth of the sun seems to be fading a bit, as is its wont at this time of year. Even so, when the sun does shine through and warms up the vegetation and the air around it, insects still seem to be abundant.

This was particularly noticeable the other day when walking through mighty Sherwood (Forest not street); there were tits everywhere (sic.), at one point it was as if someone was releasing birds, into the trees up ahead and they were all streaming past me. In the numerous flocks were mainly Blue, Great, and Coal tits accompanied by numbers of goldcrests with a sprinkling of Nuthatch and the odd Chiffchaff or two for added variety, indeed there were also several large groups consisting of just goldcrests moving through the top of the pines in the Birklands. I did my best, but none of them metamorphosized into either a Yellow browed or Pallas's warbler!

If you can't reach your field guide, these are two species of goldcrest-sized, migrant warblers that occur in Britain, mostly on the East coast, at this time of year. If your field guide or bird book doesn't have any mention of these two species, throw it out 'cause its rubbish!

Here and there, dotted around the pine plantations, were small groups of Crossbills feeding on the seeds in the cones or flying to

and fro just above the top of the trees. When feeding, they hang about, often on the tips of slim branches manipulating the cones with both their bills and their feet in a most parrot like fashion, although Crossbills are actually finches. The Crossbill has a simple 'juup-jup' or 'choop-choop' call, often heard from flocks when moving around, though there is a quieter more subdued version often heard from birds feeding together, both calls once learnt will have you identifying them in and over woodland areas, all over place.

The best sighting I had on that walk was of two Buzzards, tightly turning, and wheeling around together about ten or fifteen feet above a very specific spot in the canopy of the Birklands, while being mobbed by a Woodpigeon. This shouldn't actually count, as technically I was one the bus to my walk, but lets not be pedantic.

To be truthful the absolutely the best sighting on my walk shouldn't count either, or maybe I shouldn't include it in my column because they weren't birds.

What I saw was the very life-affirming sight of a light-sandy coloured mother Roe deer leading a smaller (about four-fifths as big), darker youngster out of what seemed to me, impenetrable undergrowth across a track, then the mother pausing halfway across, turning her head and looking straight at me. She considered me for a few, timeless, seconds before nonchalantly moving off. The closest that I've been to deer without them scarpering away. I tell you it was magical!!

If you want to try this for yourself: try to be extremely quiet, don't make unnecessary movement, oh and then be quiet some more and most of all be extremely lucky!

This is an absolutely superb time of year to appreciate the different aspects of Nature, so why not do it!

Happy bird/animal/whatever watching

Editors Letter

There doesn't seem to be much to report this month, I could moan about the weather as usual but I won't!

No new shops and more empty shops in the Town Centre perhaps someone could do a roaring trade in warm, waterproof clothes and wellies! Hey, maybe that's not such a bad idea, anyone out there wanting to set up an outdoor shop in Warsop? What shops would you like to see?

I had quite a few comments about the top tips from the 1900's, it seems you liked them, I have some more to publish in a future edition and if anyone out there has any old Parish Magazines I would love to photocopy them.

It looks like its going to be a short but sweet one this month. Watch out for next month's edition DECEMBER! It will be full of the C word.

Happy shopping.

FREE Weekly Health Walks at Rufford Country Park

Mondays 2pm - Saturdays 11.15am.
All year except Bank Holiday Weekends.

Each walk is approx 1 hour and on surfaced paths - all in the tranquil surroundings of the Country Park. Afterwards relax over a hot drink in the café. Walks lead by a friendly park ranger and suitable for anyone who prefers a gentle, unhurried pace. Route is level and suitable for wheelchairs/pushchairs. Dogs welcome on a lead. Ring Steve Koeford, Park Ranger (01623) 821335 or our Admin Office (01623) 822944 and ask for a copy of our health walk leaflet.

WAR
SOP

FOOTPATH & Countryside Group

We have now completed our programme of grass cutting along Warsop's footpaths and bridleways for this year. The volunteers belonging to this group completed over 100 man-hours of work cutting along the paths and keeping hedges trimmed back. I hope that the grass will not grow too much before we start again next spring!

Last month I wrote about Warsop's Footpath number 1, so this time I will move onto Footpath 2! This route runs from the junction of Wood Lane and Bishops Walk in Church Warsop, crosses The Carrs and reaches Church Street opposite Hetts Lane. As part of a project to encourage students to cycle or walk to school the path has been upgraded to a permissive cycle route so unlike normal footpaths you may legally ride your bike here. The upgraded surface along the edge of the fields has improved as it has become compacted and is an improvement on the muddy puddles that once were a problem. Along this section you can see the remains of a metal fence in the hedge, was this a continuation of the railings along Bishops Walk and did they surround Warsop Manor's land? This is definitely an old path as it appears on Ordnance Survey maps from the late 19th century although it does not appear on the 1835 Sanderson's map, maybe due to marshy conditions making it difficult to cross the River Meden. Beneath the bridge over the Meden you can still see slots in stones where boards were inserted to dam the river to create a sheepwash. This must be one of the most heavily used footpaths in the parish and is a reminder that these routes originated as links between towns, villages and places of work in the days before the motor car.

This is a good month to make a log pile in your garden or allotment to provide a habitat for a huge range of insects and other mini-beasts. This may also serve as a hibernation place for toads, newts and slow-worms and a shady spot for mosses, ferns, lichens and fungi. Choose a shady area and if possible bury some of the logs a few centimetres into the soil. This will encourage wood-boring beetles to lay their eggs in the damp conditions created below the soil surface. Leaving hollow stems of weedy plants in a hedge or waste place can provide safe winter havens for ladybirds.

Our walk on November 18th will be around Clumber Park, taking in some of the less popular parts and areas that can be particularly attractive at this time of year. I think that Clumber is seen at its best on a clear day in late autumn as many of the leaves have fallen and the bracken dies down. As the travelling time is shorter than usual we shall be leaving Warsop library at the later time of 10am. There may some seats available on the bus, so get in touch if you would like to join us.

You can contact the Secretary on 01623 846281.

WF&CG is a community group whose members share an interest in the countryside. We maintain the public footpath network in Warsop, we undertake conservation projects and we provide information about the local environment.

Warsop Men's Probus

A meeting was held in the Fitzherbert room at Warsop Parish Centre on Wednesday 20th of September 2006 at 1030am. Mr. Brian Bennett presided and welcomed all members and guests to the meeting. A new guest was introduced to the meeting, one who had shown interest in becoming a member, Mr. Frank Young was nominated for membership by the President, and seconded by Mr. Peter Birchenall. The vote was carried unanimously, and Mr. Young was duly welcomed to membership of the Club. The Speaker was Mr. Tony Baker, an ex Taxi driver from York. He regaled the assembled Members with many hilarious tales from his 26 years as a Cabbie, and also conducted a Question and Answer session before being given a vote of thanks by the Host for the day Mr. Peter Birchenall. The President Mr. Brian Bennett closed the proceedings at 1150, and a comfort break took place in the bar, before 26 members and guests sat down to lunch, after Grace said by Mr. Eric Simpson.

The meeting of Warsop Mens Probus Club was held in the Fitzherbert Room at Warsop Parish Centre on Wednesday 4th October 2006 at 1030am. In the absence of the President Mr. Brian Bennett and the Vice President Mr. Jack Winfield, Acting President Mr. Peter Walker welcomed members and guests to the Meeting. The Speaker for this occasion was Mr Mark Wackett of Peterborough, who was accompanied by his Mother (Barbara.) Mark's subject was The Benefits Of Magnotherapy a list of illnesses that may be helped by the simple application of Magnets to the body was read out, and Mark's Mother gave her experiences over the last nine years, when she suffered quite a few illnesses that have mysteriously disappeared since she started wearing magnets. She has gone from a woman who could not walk without the aid of sticks, and who also suffered from lifelong Asthma, to a quite agile woman of 83, who no longer suffers any breathing problems and who has now got an excellent quality of life. Mr. Alan Hodge, the host for the day gave a vote of thanks on behalf of the Members, and after a short break lunch was served to the 31 Members and guests present after Grace said by Mr. Geoff Noble.

Warsop Men's Group

Once again, the winter months are approaching and the time is near for our series of 5 meetings from November through to next March. As usual, the meetings will be held in the Stable Bar at the Parish Centre, Bishops Walk at 7.45pm on the second Tuesday each month. The first meeting will take place on Tuesday 12th December when the speaker will be Mr. Alan Nickless who will be giving a Powerpoint presentation on his recent visit to New Zealand.

Warsop Inner Wheel

Monday 2nd October was our fashion show held at the Hostess restaurant this event was very well attended and £751 raised £350 pounds donated to Rainbows children's hospice by Sue & Geoff of the Hostess their chosen charity, the balance £401 was donated to Cystic Fibrosis president Barbara Harding's chosen charity, Inner Wheel is pleased to be able to continue to support these very worthwhile local charities. This event was a joint event with the Hostess restaurant and the Inner Wheel club of Warsop. Both parties worked very hard to make the event a success.

Our meeting of the 4th October was held at the Hostess restaurant the meeting was memorable for two reasons this was the first time our own club had inducted honorary members, Mrs Janet Parr and Mrs Jill Tatt, these two members will bring a wealth of experience with them. The club welcomes them and we hope this new form of membership will not only strengthen the club numerically but also give a breath of experience. During the evening past presidents had been asked to bring in memorabilia of their time in office this proved to be interesting and exciting for new members providing them with an opportunity of experiencing a bit of the past & also reasons for becoming members of the Inner Wheel.

The Thoresby craft fair has come and gone the weather overall was good. The support we got from members and local people was wonderful, we are also so pleased this event raised £980 gross, and is proving to be one of the most popular fund raising events of the year. And to close 13 of our members accompanied their husbands to the rotary district conference in Llandudno where we were provided with some of the most inspirational talks to take forward into 2007.

On Saturday morning we had the pleasure of listening to Miles Hilton-Barber on "living your dreams" I have never heard a more dynamic, motivational speaker, it contained mountains of common sense and all the time giving reasons for people to move on in the world, to constantly look at themselves with a view to helping others, we almost forgot the speaker was "blind". Miles reminded us on so many occasions to see the good in every situation, when we came out of the conference centre and my husband had a parking ticket, we had to put these thoughts into operation straight away.

Help us to help you - Marjorie Toms

Warsop Hospice Support Group

The group were very sorry that we had to cancel an evening with Ian Bruce in October but due to his ill health he was unable to attend and play. Our next event will be the Malcolm Lees Ladies Choir on Tuesday 3rd December at the Parish Centre. Tickets will be available later. Hospice calendars are now on sale at £2.75 from members of the committee or telephone 842207

The Oaklands UPDATE

As autumn is upon us, there is a lot happening at The Oaklands. The regular Prize Bingo and Supper Evenings are a great success; the next one is Wednesday 22 November at 7pm with proceeds to the Oaklands residents' fund. The Centre Christmas Fayre will be on Saturday 2 December at 10.00am, the volunteers are already busy organising raffle tickets, prizes and stalls. Make a date for both these events and help support us, we look forward to seeing faces old and new!

A big thank you to The Friends of the Oaklands volunteers for supporting the Tuesday morning charity shop, the recent charity shop in Warsop, Thursday market stall and the Thursday afternoon Tea Dance. The Oaklands is very lucky to have such a good bunch of supporters and dedicated staff.

Meden Vale Registered Charity No. 1115359
The Future
Making It Brighter

The 15th Meeting of Meden Vale the Future was re-scheduled from Tuesday the 3rd October to Tuesday the 10th October due to members' holiday commitments.

4 members of the committee attended a meeting with John Mann MP on Friday the 22nd September. He was asked if he would consent to being an Honorary Vice-President of our Organisation, to which he kindly agreed. At this meeting the current position with the Old Village Hall and the funding difficulties with the New Village Hall were outlined. By the end of the meeting it was clear that he understood what we are trying to achieve and the problems we are facing regarding funding for the kitchen, toilet and washroom improvements. He undertook to assist us with our endeavours and to enquire as to why we are experiencing funding difficulties.

At the Meden Vale Community Association meeting held on 29th September a discussion was held regarding the New Village Hall accounts, funding and the lease as current arrangements require modifying and updating to reflect the current situation. Finalising these new arrangements is ongoing and will be published when complete.

As anticipated, arrangements for the new gas supply for the New Village Hall heating system have not been easy, however we are now in "Transco's system". Arrangements are being made for temporary heaters until the new system can be commissioned.

We are still awaiting news on our bridging loan from CISWO.

Meetings are held regularly on the first Tuesday of each month at 7.30 pm at the Welbeck Miners Welfare - all welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

WAR SOP Carnival 2007

The new Warsop Carnival Committee is busy planning next year's carnival which will be held on Saturday 7th and Sunday 8th July 2007 on the Carrs.

The carnival theme will be favourite fairytale, pantomime and cartoon characters, so we hope to see many colourful and imaginative floats in the parade. Anyone wishing to have a float in the parade should contact the carnival committee as soon as possible, we have six lorries to allocate, after which it will be up to any group or organisation to provide their own transport. So it will be on a first come first served basis.

In the New Year we will be launching the carnival princess and carnival royal family competition with Meden School and the Meden family of schools, the carnival princess will of course need a dashing prince charming to protect her from the wicked witch, enter the fun and put your name forward. There will also be the competition to design the front of the carnival programme and this will be open to all children under the age of 11, local schools will get full details of both competitions early in the New Year.

There will be the popular music festival on the Carnival Saturday, and on the Sunday we hope to have a feast of entertainment featuring a variety of acts and activities for all the family. An It's a Knockout competition is planned and there will also be a car boot sale, if you would like a pitch then please contact us as soon as possible, space is limited. No businesses or market holders will be allowed. Any group or organisation who would like a pitch for a stall should also make contact to book a place.

So whilst we are busy doing planning all you need to do is book the dates in your diary, and then spread the word, Warsop Carnival will be on Sunday 8th July 2007, tell your friends family, and even the person you see everyday on the bus or train but never speak to.

PARISH PLAN

The Parish Council in partnership with other organisations within the Parish are to come together to devise a Parish Plan taking the Key Issues and Identified Projects from the Community Action Plan of 2000. A lot has been achieved with most key issues being the same in each village but there are still areas needing attention and projects to move forward.

What we need is **YOUR HELP** to help us realise what **YOU** want in **YOUR AREA**.

- Are there new facilities needed?
- Have you got suggestions for improvements?
- Do you want to become actively involved in your community's needs?
- **WHAT DO YOU WANT TO SEE?**

Below is a list of the achievements and ongoing projects since December 2000.

THE PARISH:

- Crime and Disorder
Introduction of Neighbourhood Wardens and PCSO'S.
Introduction of ASBOS.
Wardens now with powers to issue fixed penalty notices for dog fouling, litter and fly-tipping.
- Community notice boards in place.
- Street cleaning improved.

MARKET WARSOP:

- Wood Street opened.
- Royal Estate to be re-developed by Meden Valley Making Places.
- New housing developments.
- Surestart - provision for toddlers.
- New Signage.
- Pavements and roads repaired and more planned for the future - High Street next.
- Inadequate street lighting to be updated soon.
- New Health Centre with new Pharmacy to be opened next year.
- The Carrs - Improvements to riverside area, new car park, new play area, decked area and new picnic benches more improvements planned in the future by Friends of the Carrs.
- War Memorial cleaned, hardstanding area & path, new railings: Work to continue with a new wall & railings, new paved area and shrubs.
- Skatepark
- New play area on Carr Lane.
- Adult learning provision through Infotech and the Town Hall inc. drop-in facilities.
- BMX track to be brought up to Olympic Standards.
- MUGA - on Meden School field - Multi Use Games Area floodlit on Astroturf.

Suggested projects:

- Youth facilities, i.e. Internet Café, Youth Shelter, Youth Club.
- Pedestrianise High Street, move market, leave more car park space.
- Make Clumber Street one way off Sherwood Street.
- More Neighbourhood Wardens.
- Connect with Robin Hood Line.
- Swimming Pool - A new swimming pool to be built alongside the new Meden School.

CHURCH WARSOP:

- Youth Shelter.
- New Play area.
- Community Garden.
- Tree planting.
- New Signage.
- Bishops Walk improvements with new benches and railings.
- New housing developments.

Suggested projects:

- Youth facilities.
- More Wardens

MEDEN VALE:

- Community Garden with new play area.
- Youth Shelter.
- Youth Club re-opened.
- Pedestrian crossing.

- Re-surface Car Park outside shops.
- Improved riverside with decking and picnic benches.
- New housing.
- Advice and learning facilities in the Parish.
- Provisions for when the pit closes - Meden Vale the Future are already making plans to provide industrial employment.
- Derelict garages will be knocked down and replaced with new bungalows from LHA.
- Highway issues and off street parking to be looked at by NCC.
- Bus Shelter outside the surgery to be done soon.
- ICT courses provided at Methodist Church and Infotech at Warsop.

Suggested projects:

- More Wardens
- Improvements to Welbeck FC

WARSOP VALE:

- Resource centre & community café
- Community Shop
- Pit reclamation with new footpaths and cyclepaths.
- Improvements to existing housing - MVMP
- New housing and open space - Meden Valley Making Places.

Suggested projects:

- More Wardens

SPION KOP:

- Cricket Club and facilities to be opened April 2007
- New signage - to be put in place soon.
- Most of the key issues and identified projects could be dealt with in the proposed new housing development which planning permission has not yet been granted. The is a public enquiry to be held in January 2007.

Cancer Support Warsop

We would like to thank those that did a carboot for us and raised £80.00, also those of you that donated all sorts of things from clothes to bric-a-brac, all donations were greatly received.

We will be going to another carboot in the future, so we hope we will make some more pennies to help our funds. A Country and Western evening, hopefully to be held at the end of November will be advertised in the window of our centre. The Christmas Bazaar will be held in the Hare & Hounds, again date and time to be confirmed, this event will not only have stalls but Tarot and Angel readings. Don't forget if you have any aches and pains, a soothing massage will wipe them all away, no need to suffer and fill your body with pills and potions, come down and enjoy a treatment. To book an appointment Tel: 01623 844332.

Warsop MP Welcomes Wage Increases

Warsop MP John Mann has welcomed the increases in the national minimum wage, which have come into effect from the start of October.

From the 1st October 2006 the full minimum wage has been increased from £5.05 to £5.35 per hour; the 18-21 rate has been increased from £4.25 to £4.45 per hour; and the youth rate has gone up from £3.00 to £3.30 per hour. In the East Midlands region over 100,000 workers will benefit directly from these increases to the national minimum wage. Also from October statutory maternity pay and maternity allowance has been increased from six to nine months, for babies due on or after 1st April 2007. Simplified procedures for maternity pay have also been introduced to assist employers with their payroll administration.

John Mann MP said: "Before being an MP I was involved in drawing up the laws which brought in the minimum wage. We can all remember when it was perfectly legal for an employer to pay workers as little as £1.20 an hour. These days have now gone and under this Government the minimum wage will continue to rise."

"If anyone is not being paid the minimum wage they should contact me immediately so action can be taken."

If an employee is not being paid the minimum wage, or is not having their employment rights met, they should contact John Mann MP Tel: 01909 506200 Email: mannj@parliament.uk

Or arrange to see John Mann MP at one of his regular surgeries.

Warsop Wives Group

On September 12th we welcomed Rev. Mark Cantrill to our Harvest Festival in the Hare and Hounds, he gave a talk about water and how lucky we are to be able to use good clean water. We gave him a donation towards WATER AID.

Our harvest produce was auctioned and the proceeds were for our charity fund. On September 26th we held our AGM and the committee gave their reports on the past year. Our new charity was decided by a members vote, we have decided to support the British Heart Foundation. I still have a few seats left for the visit to Meadowhall on Tuesday 14th November.

Future meetings are 7th November Legends of the 50's and also an extra meeting on 21st November. Future meetings will be held at the Fitzherbert room in the Parish Centre from 24th October. Many thanks to Anita and Phil at the Hare and Hounds for their hospitality. We held a charity shop there recently and raised £380 for charity. Thanks to you all, the helpers and customers.

Kerry Price is Walking the Inca Trail

Local girl, Kerry Price, has taken up the exciting challenge to walk the Inca Trail in Peru for the Alzheimers Society. Her journey will begin in May 2007; covering over 45km in the snow-capped Andean mountains; through breathtaking landscapes of cloud forests and river valleys; reaching altitudes of up to 4,200m; and concluding at the famous sacred Inca city of Machu Picchu.

Kerry's Nana has Alzheimers, which is a type of dementia and a progressive illness - a person's ability to remember, understand, communicate and reason gradually declines. The Alzheimer's Society estimates that there are currently over 750,000 people in the UK with dementia, affecting one in 20 people over the age of 65 and one in five over the age of 80.

The Alzheimers Society is the UK's leading care and research charity for people with dementia, their families and carers. Effective communication, co-operation and co-ordination between all those involved in caring for a person with dementia, are essential for providing a level of care that assures dignity and quality of life for the person with dementia and their carers.

As a former Warsop girl, Kerry has continually supported her parents Angela & George Price (her Dad is the Warsop Road Runner!) with their valiant fundraising efforts over the last 30 or so years. However Kerry now feels that she needs a much bigger challenge and walking the Inca Trail to help her Nana and many like her would reap great rewards for all concerned.

She has a target of £3000 to raise and would like to thank everyone who supported her recent coffee day on a very wet and windy Saturday in September, raising a fantastic £508. However, Kerry still has some way to go, so if you would like to sponsor her, please contact Angela Price on 01623 843339.

Support Worker Back

Thanks to funding from Neighbourhood Renewal Fund and Enable Nottinghamshire we have been able to bring our worker back on a full-time basis for one year, starting in October. During the year we will apply for longer term funding from the Lottery.

You can find Tracy, the Support Worker, in room 1 off the ICT suite if you need help or advice on computing or courses and she will be available to support you at drop-in sessions.

We hope to be back to a full range of courses in January - look out for adverts nearer the time. In the meantime drop-in sessions are as follows:

Infotech Supported Drop-in Sessions:

Monday	18.30 - 20.45	General drop-in
Tuesday	13.30 - 16.30	General drop-in
Thursday	18.30 - 20.30	General drop-in
Friday	09.30 - 12.30	General drop-in

**** Unsupported drop-in available outside these hours.**

Mr Douglas Graham Eaton

Mrs Doris Eaton, Graham and Linda would like to thank all family and friends for their support and kindness at the sad loss of Doug on May 1st. Doris was unable to attend the funeral as she was ill in hospital but thankfully she is now doing well and residing at The Sycamores. As a family we send a huge thank you to Eric Townroe who worked wonders on the day of the funeral as Graham was following an ambulance with Doris on board to the hospital and Linda was holding the fort at home and Warsop Church. Reverend Mark Cantrill was terrific, a very moving service.

All donations in lieu of flowers were sent to The Sycamores for the residents benefit.

The Sycamores Care Centre who looked after Doug in his last few months requested a water feature for the residents to enjoy in the beautiful back garden. After the love and care they showed him it was a pleasure to oblige. Attached is a photograph of the water feature which gives great pleasure to all residents. Once again many thanks to each and every one of you.

Doris Eaton & family

Thank You Letters.

KAROL BODONYI

Mrs Jean Bodonyi would like to thank family, friends and neighbours for their kind support following the sad loss of her late husband Charles Bodonyi. Also a big thank you to Eric Townroe and Mark Cantrill for an excellent service. The generous donations have been given to Warsop Age Concern.

ANDREW DRURY

Mrs Sally Drury, Sue and John Drury and family would like to say a heartfelt thanks to everyone who has given their support in our loss of Andrew. Thanks for all the cards, flowers and donations which amounted to over £250 to go to Anklosing Spondylitis clinic at Kings Mill. Special thanks to Eric Townroe for all his help and to Mrs Joan Wright. Many thanks.

Sally, Sue and John Drury.

Mrs. Booth

of 12 Southgate Road wishes to inform everyone that she will not be sending out Christmas cards this year but will be making a donation to Air Ambulance, Nottingham.

Warsop Church Dance Group at Hardwick Hall

Saturday 30th Sept saw the 'Tudor Dancers' - a group of members of Warsop Parish Church - dancing on the lawn of Hardwick Hall as part of its Elizabethan weekend.

The group was formed a year ago to provide entertainment at the Church harvest supper and enjoyed themselves so much that they carried on learning new dances. A recent booking was also at the Dukeries Garden Centre for the opening of their Christmas displays and the group will be dancing again at the Dukeries on the evenings of November 10th and December 1st.

The Tudor Dancers comprises 13 members, among them the Rector, Curate and Verger, the youngest member being Thomas at 10 years old. Dances are from the Elizabethan era and include such peculiar names as 'Old Mole', 'Whirligig' and 'Parson's Farewell'. It's good to enjoy history in such an enjoyable way.

Warsop Churches Together

Signs of the times

November 11th is Remembrance Day when we are reminded of the sacrifices made by those who fought in world wars and those who continue to serve in our armed forces around the world. It's easy to forget, but the following reflection on modern society might help us recognise the need to keep remembering those who fought for our world to be a better place.

We have taller buildings but shorter tempers

Wider motorways but narrower viewpoints

We spend more, but we have less

We buy more but enjoy it less

We have more experts, but more problems,

More medicine, but less well-being

We have multiplied our possessions, but reduced our values

We've learned how to make a living, but not how to live life

We've been all the way to the moon and back, but can't

cross the street to help a neighbour

We have higher incomes but lower morals

These are times of steep profits and shallow relationships

More leisure but less fun

It's a time when there is much in the shop window and little in the stock room.

Let's not forget those who have gone before us

and their efforts to change the world.

We can all play our part in making the world

a better place. We begin with ourselves.
