

SOS - Campaign Update

The clock is ticking with less than 6 months to save our pool!

MAYOR AND MD PLEDGE THEIR SUPPORT!

At the Annual Parish Meeting held on Monday 15th March at the Oaklands Centre, Mayor Tony Egginton and MD Ruth Marlow of MDC pledged their support to help prevent the pool closure. They will give technical support and advice, working alongside community volunteers in the form of a working party. John Mann MP also pledged his support even though he won't be our MP for much longer.

With less than 6 months to achieve this, it is of the utmost importance that we act quickly. The working party includes Parish Councillors and residents who will try to find funding streams for MDC officers to apply for on our behalf. If anyone has any ideas on how we can achieve this or can identify funding to save our pool from closure, please contact Tania Barlow at the Town Hall 01623 846011.

The Town Hall Clock is also ticking!

The Parish Council hope to take ownership of the Town Hall in April and continue offering the existing services to the community. They intend to bring more services into the Town Hall, together with renting out office space in the building and a charity shop is one of the ideas that will help raise money to cover running costs. So if anyone has clean, quality goods they no longer need we would be most grateful to receive them. We hope to have this up and running by the beginning of May with details of larger items online.

There are upstairs rooms for long term rental and opportunities for short term hire of downstairs offices. Also upstairs is the Council Chamber which is available for hire for small meetings, conferences and events.

TESCO

PLANNING NEW STORE FOR MARKET WARSOP

Foodstore would create 70 jobs and bring Tesco-value shopping to the town

Tesco has announced plans to build a small foodstore in Market Warsop, offering the prospect of competitively priced food shopping and convenience goods with new jobs for Warsop residents.

The company has acquired an interest in the former Eastwood Construction site, which also includes the bingo hall and two cottages fronting onto Church Street, on the edge of the town centre.

Tony Fletcher, Tesco corporate affairs manager, explains further: "We are very keen to bring a small Tesco foodstore to Market Warsop and believe that subject to planning approval the Church Street site would provide an ideal location. It is easily accessible for pedestrians from the town centre but also has the potential to bring in shoppers from nearby, who are also likely to visit other shops in the town as part of their trip."

The proposed store would be the first of a new generation for Tesco, sitting in size between its Tesco Express outlets and the traditionally larger superstores. At 10,000 sq ft of sales space the store would bring around 4,000 lines of popular and keenly-priced Tesco ranges to the town, allowing people to stay local to do their mainly weekly shop. It would not offer services such as a pharmacy, post office or a café, which are already provided in the town centre.

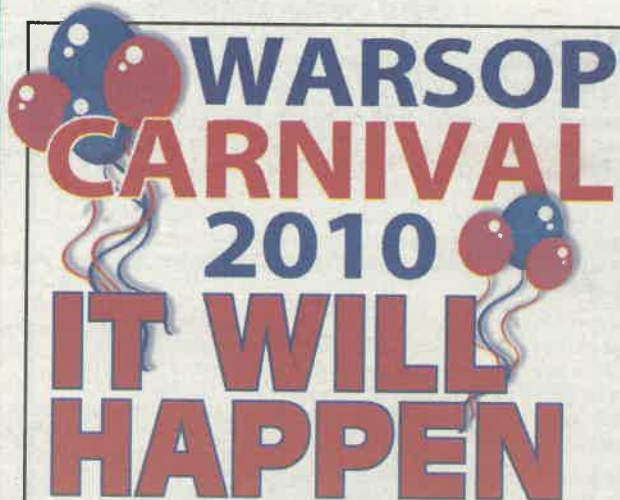

Tesco says that the new store would create around 70 new full and part-time jobs and that wherever possible the new positions would be filled by local applicants. These would include opportunities in retail management, stock control, customer service and security.

"We always try to recruit local people as a priority and work with Jobcentre Plus to identify suitable candidates, including those who have been unemployed for long periods," confirmed Tony Fletcher.

Around 70 car parking spaces would be provided for shoppers, and with a two-hour free parking limit this facility would also allow people to visit the town centre as part of their trip.

Tesco has already held preliminary talks about the store with local parish, district and county councillors representing Warsop. The next stage is to invite local residents to view the proposals at a two-day public exhibition that will allow them to study plans and images of the store, as well as to speak to company representatives about it.

The exhibition is planned to take place in mid-April and will be advertised in the local press as well as featured on the parish council website at www.warsopweb.co.uk

You will be pleased to know that, thanks to the efforts of our hard working Carnival Committee, the Warsop Carnival 2010 will go ahead.

The date for this year's Music Event and Warsop Carnival has been set for 17th and 18th July 2010 although as yet, a theme has not been decided upon, so anyone who has any ideas or would like to help with organizing the event please get in touch with Tania Barlow 01623 846011 or call in the Town Hall, your help will be greatly appreciated.

EDITORS LETTER

As I sit and write this (12th March) I am wondering when Spring is actually going to happen, we've had a couple of weeks of very cold and frosty mornings and now the rain has come with a vengeance!

I am late starting my veg patch and am really getting eager to get planting but just need it to warm up a tad!

Easter will soon be here and hopefully everything that comes with it, sunshine, daffodils, lambs and rabbits ahh! And, of course, a well earned break!

No new shops opening to report but unfortunately one closing, H & H Florists on Sherwood Street. Hopefully, when you get your paper, the new bridge will be opened on The Carrs.

Finally THE CARNIVAL IS NOT OVER - Sunday 18th July, 2010, put it in your diary, all enquiries at the Town Hall.

Happy Easter to you all x

Gardening Monthly...

April showers bring forth may flowers.

April brings the promise of longer, warmer days, and stronger sunshine means that the garden is awakening. Hedgerows are greening up and the view from the window is different each day as plants unfurl and push through the soil.

Spring rain leaves the ground saturated and cold, so sowing seeds outdoors may have to be delayed for a few weeks. If you have the space try sowing some indoors in anticipation of better weather. Also use cloches to cover outdoor beds to keep further rain off and warm up the soil for sowing later. Crops which can be started now include beetroot, quick-maturing broad beans such as 'The Sutton', carrots, leeks, peas, and salad crops.

Lawns can be scarified to remove thatch. Moss can be treated and as the grass is growing well by now the weeds can be treated with a selective herbicide.

You can still lift and divide herbaceous plants which are coming into growth. This allows you to spread the plant into larger drifts and to remove the older centres of clumps which do not produce strong shoots. Use a spade or a large knife to cut up the clump if it's too tough to tease apart by hand. With large clumps cut with the spade before lifting as it makes for easier handling.

Selectively prune established shrubs to keep them compact and producing strong flowering branches. The ones such as Spiraea x bumalda which flower on the current year's growth can be reduced all over, but for others which flower on the previous year's stems such as Forsythia remove one in three of the stems choosing the older ones which have just bloomed. Cut back to a low bud to keep the shrubs in a neat clump. Remove the faded flowers of Rhododendrons and Azaleas to prevent seed developing, so saving energy and encouraging new shoots to grow away strongly. Look out for unopened flower buds which may be infected with Bud Blast.

Clear out the compost bin ready for the coming season. Use the mature stuff in the garden and bag up any that is left. Put any partially composted material back to start the next batch.

If you are going to plant runner beans or courgettes this year, now is the time to prepare the ground where they are to grow with plenty of manure or compost. Sow the seed in individual pots under glass or on a windowsill. Later when planting out the beans, try making an arch with two lengths of quarter inch wire or plastic water pipe and drape large mesh netting wire over them. The runner beans will grow over the arch and you can easily pick the pods from under it, with a wig-wam they tend to be hidden in the centre.

Plant begonia corms in pots of multipurpose compost and keep moist, but not too wet or they may rot. Keep them indoors to grow on, ready for planting outside in late May or early June when the danger of frost is over. If you are not sure about the right way up to plant them, tap them out after a few weeks and the new shoots will have appeared - then replant the right way up.

When daffodils are past their best, prevent seed production by dead-heading to save the plant's energy. (Interestingly 200 years ago they would only be coming into flower now - another indication of the warming climate). Give a feed of general fertilizer to build up energy in the bulbs for next year's blooms. Mark clumps which did not bloom well for lifting and dividing later when the foliage has died away. In containers they usually bloom well the first year, but need to be planted out to obtain a good show the following year.

To combat weeds on paths and mature shrub beds, now is the time to apply a weedkiller which suppresses germination of seeds. Don't use where bulbs are planted around the shrubs, a mulch of compost or bark is best here.

Happy Gardening

Bird Notes...

I know by the time that you read this it will be April, but I'm sat here writing this, half way through March and its STILL freezing! The weather is turning though and to be honest the mornings have been glorious lately; well at least from about ten thirty till about twelve-ish anyway.

The weather is warming up and the days are lengthening, at last, and summer will be on her way soon-as soon as spring arrives and then quickly moves along out the way. The spring has been late in coming this year; all the daffodils are still tightly in bud. Even so there are a few bird species that have decided to embark on their breeding seasons. Around my garden there are collared doves and wood pigeons sitting on eggs in the same leylandi tree, (different nest though, obviously) and the remaining blackbird male has finally had enough with the other males that have been sharing the garden with him over the winter (I've counted up to ten at one time) and has just about seen them off, along with the four or five females who were there too. He now keeps a close eye on just one female, who is seldom seen out in the open for long and seems to be favouring a big old privet bush. This is a sure sign that they've started to nest.

A proportion of those other blackbirds will be migratory and will be starting to think about moving back to their own breeding areas, to the north east in Europe, to hopefully find a territory and a mate. The others, the ones of local origin will not disperse very far and will take the place of birds in territories where the incumbent bird/birds have died. If they cannot find a vacant plot in a suitable area, they will follow their breeding imperative by setting up shop in an often, less than ideal habitat or situation. This will usually end in failure (because the habitat is unsuitable), though if the adult birds survive in suitable condition to the next breeding season, they will be further up the blackbird pecking order and move into a better territory.

Away from your gardens you may have noticed that the Rooks on the Carrs have commenced their breeding operations. The rookery is very busy with birds to-ing and fro-ing in all directions. I counted forty-odd nests; basically split between nests around the school and nests on the island in the Mill Dam. If you have the time ten minutes watching these interesting birds can be very rewarding.

While we are on the Carrs so to speak, the flock of (mainly) Black headed Gulls is slowly dwindling to nothing, the ones that seem

to be hanging around are either birds still showing something of their juvenile plumage or adults that have nearly acquired the chocolate brown (not black) hood that denotes their breeding readiness. In all probability the birds seen around the Carrs are a succession of different individual gulls that move around the general area, not necessarily the same ones all the time.

That's about it from me, here's hoping that the weather warms up! Even so April is a great time to be out and about, you can see the last of the winter visitors off and welcome the summer ones arriving. Bliss!

Have a great one - B.A.

WARSOP

Footpath & Countryside Group

The return of the swallows and the first bluebells are two signs that spring is definitely with us. You should be able to see the swallows swooping over the River Meden on The Carrs in the last week of April. At around the same time the bluebells will be reappearing in our woodlands - Collier Spring Wood off Wood Lane at Church Warsop and The Shrubbery between Nettleworth and Park Hall usually have fine displays.

If you are interested in local history and enjoy walking in woodlands you may like to know that this year's walk commemorating the 1816 Perambulation of the Lordship of Warsop will be held on Saturday 24th April. This time it will start from the Warsop Windmill end of the Thynghowe Trail so the walk through Birklands to Thynghowe should take in boundary stones, the sites of the Duke of Portland's Russian Hut and of the Shambles Oak. We should also hear stories of the 19th century management of Birklands and of the fate of King Edwin in 633. The walk will be around 4 miles and should take about 3 hours. Everybody is welcome but you will need to book in advance with the Forestry Commission by phoning 01623 822447

There appears to be an increase in illegal motorcycle and quad bike use along many of our paths. Some surfaces have become muddy or rutted, making them tricky to walk along. Some people are also worried about safety or disturbed by the noise. A few of those responsible seem to misguidedly believe that they are entitled to use these routes. To clarify the issue I will state the legal position.

Footpaths should be used by the public on foot only, bridleways may be used by the public on foot, cycle or on horseback.

It is an offence under Section 34 (1) (b) of The Road Traffic Act 1988 for a person to drive/ride a mechanically propelled vehicle (motorcycle) on either

- A footpath
- A bridleway
- A restricted byway

Offenders may be dealt with by way of a fixed penalty notice. Mini Motorbikes and quads are often used by younger children. Children under the age of 16 cannot legally ride mechanically propelled vehicles in public places. Driving them on roads, pavements, in parks or along public rights of way is illegal and could result in the vehicles being confiscated and scrapped by the police.

If you know of anybody who needs to be made aware of the law maybe you could put them in the picture. If you have any concerns or you wish to report an incident you can contact our Neighbourhood Policing Team on the numbers given in their section of this paper.

The Annual General Meeting of Warsop Footpaths & Countryside Group will be held on 27th April at 7pm at Warsop Town Hall. Any Warsop resident who supports our objectives is welcome to attend but please contact us in advance at the number below.

The next Footpaths Group walk is on Saturday 17th April will probably be in Derbyshire. I cannot be more definite as our walks plan for the next 12 months is still being finalised! For the next few months we will not be traveling by bus and we will be sharing cars. We plan to leave Warsop library at 9:15am. Get in touch if you would like to come along or would like more details.

Our Secretary can be contacted on 01623 846281.

Groups in Warsop, Mansfield, Sutton-in-Ashfield & Langwith

Welcome to the exclusive learn how to paint in Watercolours Course with Local Professional Artist & Tutor Matthew Palmer.

The course is exclusive to Warsop & District News and will run in every Issue. Starting with the basic to the advanced.

SAVING EACH ISSUE'S LESSON WILL GIVE YOU A COMPREHENSIVE WATERCOLOUR BOOK.

LESSON 10~ AN INTRODUCTION TO PERSPECTIVE (part 1 - continued next issue)

Perspective is an accurate way of drawing, it is a way of getting angles and especially distances technically perfect. It can be very difficult to judge the right angle of an object or the right distance. Working with an HORIZON LINE or EYE LEVEL can help you.

An HORIZON LINE or EYE LEVEL is usually the point where the scene joins the sky, especially in a landscape scene. When working on a close up scene such as a building, the HORIZON LINE or EYE LEVEL is the point that is level with your eyes.

A simple rule will help you when working with an HORIZON LINE or EYE LEVEL all objects above this line will go down to meet it and all objects below will go up to meet it.

PERSPECTIVES CAN BE WAY TO COMPLEX AND DON'T GET BOGGED DOWN IN THEM
- I ALWAYS SAY ITS GOOD TO JUST KNOW THE TECHNIQUE.

SINGLE OR 1 POINT PERSPECTIVE

FOLLOW THESE STAGES TO DRAW A SIMPLE CUBE USING AN HORIZON LINE

STAGE 1 - Draw a simple horizontal line going straight across the centre of a sheet.

STAGE 2 - Mark a simple dot or cross in roughly the centre of the line (Pic 2). This is your VANISHING POINT. The VANISHING POINT is the point at which all points meet.

STAGE 3 - Draw a simple square shape about 2" below the line (Pic 3).

STAGE 4 - Using a ruler draw faint lines from each corner on the square to the VANISHING POINT (Pic 4), these are your GUIDELINES.

STAGE 5 - Using the GUIDE LINES add parallel lines to the box as shown in (Pic 5), this is a basic 3 dimensional cube.

FOLLOW THESE STAGES TO ADD COLOUR TO THE BOX

STAGE 1 - Paint the entire cube area with a colour of your choice (Pic 1).

STAGE 2 - (Pic 2) indicates the light source, so working with this we can add a shadow to the top of the cube and the righthand side. Basically use the same colour.

STAGE 3 - Finally add one more wash of the same colour to the right hand side of the cube (Pic 3). This side of the cube is getting the least amount of light.

CSI comes to Meden

So who really did kill the brilliant professor?

That was the fictional scenario presented to 15 KS3 Gifted & Talented pupils as part of a Forensics Workshop held at The Meden School & Technology College this week.

The enrichment activity was lead by Natasha Neale from CELS (Centre for Excellence in Learning Science), Nottingham Trent University. It was a memorable occasion for her as it was the third visit she had made to The Meden to deliver this course and this visit, sadly, was her last, as she is moving on.

Three groups of five pupils aged between 11-13, were invited to examine small amounts of evidence accompanied by short, supporting character statements in an attempt to gain a clearer

picture of the possible suspect. Four experiments were set up in order to ascertain clues which could be used by lawyers in a legal case. Finger and footprint taking, and testing various fluids for contamination, created a challenge for the budding young detectives.

The experience gave pupils a taster of what it means to be part of a CSI team, by offering a unique, 'hands-on' approach to a situation which is only usually seen on the screen!

Bridging the Gap!

Warsop residents will benefit as a new footbridge is put in place over the River Meden at the Carrs Local Nature Reserve.

The previous footbridge was very narrow and unsuitable for use by people in wheelchairs or with double buggies. The new bridge is wider and will allow users to cross more easily.

The bridge cost £28,000 and was funded by Notts County Council's Local Improvement Scheme. The work was delivered by Mansfield District Council with contractors Earl Engineering. The Carrs is maintained by Mansfield District Council and includes a local nature reserve with a river and mill pond, as well as playing fields that host the Warsop Carnival each July.

The attraction won an internet poll of the most outstanding feature in the Mansfield district in 2007. The site is also home to various species of wildlife, including endangered species. Councillor Eddie Smith, Portfolio Holder for the Environment at Mansfield District Council, commented: "This new footbridge at the Carrs should help access for residents, allowing more people to enjoy this wonderful facility and the wildlife who live there."

Notts County Councillor, John Allin, said: "The people of Warsop have been campaigning for a number of years to see a new bridge at the Carrs to improve access and I am delighted that the County Council have been able to fund this through the Local Improvement Scheme."

FOCUS ON FITNESS

by Ann Thompson

Hello All,

Yes it's me again with a quick update on my injuries. The shoulder is getting a bit better, but still a long way to go. Still cannot lift my arm sideways! That bit of titanium in there will not let me yet. I think it will be a long job. I have not put any weight on! Still exercising 5 times a day. Sleeping well. I have found out a bit of information about losing weight while sleeping, I will pass it on. Hope you like it. Cheerio till next month. Keep moving.

Ann Thompson

It's Time to go to bed!

Did you know that we can lose weight as we sleep?

Our body's ability to metabolise fat is improved after a good night's sleep. Plus a lack of sleep reduces the body's supply of leptin, a hormone that plays a key role in regulating appetite.

So how can we ensure a full night's slumber?

The optimum time to go to sleep is 10pm – humans work in line with the light and once it begins to get dark we prepare for sleep by producing melatonin. This sleep hormone is at its optimal level at ten, which means our quality of sleep will be improved. Consequently we'll be better equipped to burn fat stored in our body. But what if you are not tired? It might take a few days to settle into the new pattern, but going to bed at ten, perhaps after a cup of relaxing chamomile tea or a bath with lavender oil, should guarantee a good night. You'll soon wake naturally at 6.00am feeling fully refreshed.

Remember, no animal needs an alarm clock to wake up!

So come on all you night owls – get to bed & lose some weight!!

Rotary Club Say Thanks

for Supporting Sportsmen's Evening - Raising Over £6,000

The Rotary Club of Warsop Shirebrook and District held one of its big fund raisers on 26 Feb at the John Fretwell Centre. 272 people attended and the event raised £6,100. Again thanks to the generosity of the supporters the large amount was raised.

Club Meetings

The club met on Thursday 25th February at the Hostess restaurant. There were 26 members present for the business meeting with President Peter Harvey in attendance. Grace was said by Rotarian Stuart Yates. Greetings were brought from Chesterfield Scarsdale club. £400 was donated to Eastlands School and £200 to Shirebrook Angling club. The clubs annual accounts were approved by members which include donations for the previous year in excess of £15,000.

Ten Pin Bowling

Rotary Club of Warsop Shirebrook and District, 10 Pin Bowling Third Round Match District 1220 Competition.

Vale of Belvoir 1374 pins
Warsop S and D 1418 pins.

Notoriously slow starters Warsop brushed off the challenge of the Vale of Belvoir by 44 pins. The third round saw a change in the rules with every member scoring and not just the top four scores. Following their 1 pin victory over Hucknall in the last round, the side were without Steve Garner and John Fretwell, but welcomed back Martin Humphrey and gave a debut to new member Andy Richardson. At half time just as with the Hucknall game the side were 14 points down. With Andy Richardson top scoring with 121. A second half rally saw Warsop overhaul their opponents and progressed through to the quarter finals.

Mike King highlighted with a 'turkey' which is three strikes in a row.

Warsop Parish Council Chairman's Report March 2010

This has been a highly charged year for the Parish council with the council leading two high profile campaigns to protect the services and amenities in Warsop.

Nottinghamshire County Council has widely publicised large scale cuts to services and for this reason we knew it was vital that we protect the services that we do have. The town hall is a venue that provides many of these drop-in and council information services. The Parish Council have agreed to take over the running of this building and as this report is being written, we are awaiting final confirmation and the handover of the building's deeds.

We have lead another campaign to save the Meden Swimming Baths and this is still ongoing. This is a vital service that the community needs. Mansfield District Council are proposing to close the pool as one method to balance their budget. We acknowledge that the swimming pool does not make a profit, however, as a service it shouldn't have to. The campaign continues.

During the 2009-10 financial year, I am pleased to report that we were able to set the council's budget without having to increase the precept. This is the fourth consecutive year in which the precept hasn't been raised. In real terms this is actually a decrease due to inflation over the course of the years. Yet the council has still been able to support many local groups with funding.

Organisations that we have funded this year include Warsop Carnival and the 2009 event was one of the biggest to date with a fly past of the Red Arrows and a free to enter circus. The Royal British Legion have also received support, both for the annual service of remembrance parade and the council contributed to their project that sent out shoe boxes full of useful products and treats to serving soldiers abroad.

A full list of all the section 137 payments the council have made is available via the Parish Clerk.

I would also like to take this opportunity to thank the volunteers who worked in partnership with the Parish council to revitalise the Christmas Market event. The feedback from the event last December has been overwhelmingly positive and we shall certainly be continuing with future events.

For me personally it has been a great privilege to serve as Chairman of the Parish Council. I have thoroughly enjoyed the experience and the opportunities presented to me to serve the people of Warsop. All parish councillors are volunteers, elected to serve. I would like to thank all the parish councillors who have all united in the service of our great community.

And finally I would like to thank Tania Barlow, our Clerk to the council, for another smooth running year. She works tirelessly not only for the Parish Council but also editing the fantastic Warsop and District News. This is in addition to volunteering for the many other events that take place in Warsop from the carnival to the pantomime. Thank you Tania.

Cllr Stuart Moody
Chairman
Warsop Parish Council.

Warsop Youth Council Meeting

Warsop Parish Youth Council met at the Community Exchange centre, Birklands Primary School on Friday 26th February.

Vice Chairman, Jade Seguin, welcomed members. The minutes of the previous meeting were approved and an update on the recent public meeting to save the John Eastwood swimming baths was given. The Vice Chairman introduced Warsop beat officer PC Wayne Bennett, who spoke about the new Policing pledge for safer neighbourhoods and what it will mean for the local community, he invited a number of the group to a public meeting on Monday 29th March so they may put their views and opinions forward.

The Awards ceremony which will take part later in the year was discussed and members are to decide on what categories there should be for awards and where voting will take place. The new community radio was discussed and the council were invited to the launch of this on Monday 23rd March.

A member of Notts County Council youth services spoke about the youth council getting involved at both district and county level and of trips to the House of Commons and the Euro Parliaments to see how various parliaments work. Youth Development worker Kevin Keegan spoke of the unit 2000 on Church Street and how the youth council could possibly utilise this and get other groups interested in using the centre. A box of chocolates and a card was presented to Community Development worker Jeannie Raspin who is leaving to take up a new post. Refreshments of Pizza and soft drinks were served.

GREAT BRITISH FISH AND CHIP SUPPER

Want to do something a bit different?

Want to raise money where you live or work?

Want to eat Fish and Chips, while raising money for charity?

"Hold a Fish & Chip Supper to help spinal cord injured people live full and independent lives."

Hold a fish and chip supper on Friday 21st May 2010 whilst raising awareness of spinal cord injury and supporting SIA's information and support services.

You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre.

SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 7 friends and asking them to donate an additional £5.00 means you will raise at least £35.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA.

Last year we had over 80 suppers taking part in England and Wales. In 2010 we want to double that figure and ensure we can provide more support to spinal cord injured people.

The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to lead independent lives.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Community Fundraising Officer, Elizabeth Wright, says, "The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group.

Be a part of something special and make a real difference to help spinal cord injured people gain access to the information and support they need to enable them to live full and independent lives."

For more information or request a fundraising pack call Elizabeth Wright on 0845 678 6633 xtn 229 or email fishandchips@spinal.co.uk or visit www.spinal.co.uk

Residents Asked to Suggest Transport Improvements

Residents and businesses in the Warsop area are being asked to suggest improvements to their town or village that would encourage them to shop locally and help them get around more easily.

Nottinghamshire County Council wants to know what improvements to pavements, cycle routes, bus stops, travel information and road safety people want to see in Market Warsop, Church Warsop, Meden Vale, Warsop Vale and Spion Kop. The improvements could be better information about buses, improved enforcement of parking restrictions, safer cycle and pedestrian routes, new paving, seating or lighting, for example.

Anyone wanting to comment should return the questionnaire that is being delivered to all households from this week or go to www.nottinghamshire.gov.uk/warsopstudy by Sunday 23 May.

The Council will also meet with organisations in these areas to get their views.

The Council will begin work to develop improvements in July and schemes will be put in place over the next few years.

Councillor Richard Jackson, Cabinet Member for Transport and Highways, said: "We are asking people what they think would make it easier for them to shop in their local centre and access key services on foot, on a bike, by bus or in the car. By making walking, cycling or taking the bus easier, we hope to cut the number of people driving and reduce pollution, congestion and collisions. This would also mean that people who do need to drive would have a quicker journey and find it easier to get a parking space."

Haiti Earthquake Appeal

Over a hundred Aquaboxes have been dispatched to Haiti in just over three weeks, thanks to the support of people in our area.

Nearly £2,000 was raised from a race night held at South Forest Complex which enabled us to fill the Aquaboxes with badly needed humanitarian aid. Several local residents donated cash and goods and we will now be able to complete a further 38 making a total of 138. This will result in over 500 people receiving direct aid.

A big THANK YOU to all who assisted in any way to this worthwhile cause.

Going the 'X'tra Mile for Sponsorship

Local Personal Injury Company; Lee Solicitors of Edwinstowe are 'going the extra mile' to support local business woman and Marathon runner, Diane Carter in her aim to raise £2,500 for charities providing sports equipment for young people with disabilities.

Diane Carter, Managing Director of Marathon Marketing aims to run the New York Marathon in November 2010, raising money for both national charity; 'Get Kids Going', providing sports equipment for children and young adults with disabilities, and local charity 'Portland College for People with Disabilities'.

Diane stated "I have a strong empathy for these charities having been diagnosed with epilepsy at the age of 24. This turnaround experience actually got me into short distance running and then long distance and I value and recognise the improved quality of life that sport offers to me and others with disabilities".

Diane will be raising the money by not only running the New York Marathon, but also taking part in several half marathons and 10k races throughout 2010 and inviting local businesses to enjoy the benefits of being the sole sponsor for that particular event. All the individual sponsorships will be placed in the 'pot' for the total target figure and as a PR specialist, Diane will ensure maximum publicity in return. The businesses could also get really 'hands on' involved and join in any of the races or there is always the supporting 2 or 3 mile 'fun run'. Great way to promote a 'Healthy Company'!

Lee Solicitors, who regularly work and gain compensation with people sadly disabled through accidents at work, on the road, or through various tragic incidents have immediately come forward as sole sponsor for the first event; the East Reford Rugby Club Half Marathon on the 21st March and promise to cheer her all the way!

Anyone interested in offering sponsorship to support these worthy causes please contact Diane on: 01623 404299, or email: diane@marathon-marketing.co.uk or check out Diane's personal New York Marathon information site on: www.newyorkmarathon.wordpress.com

Warsop Community News...

Warsop Inner Wheel 2010

President Anne Lyons hosted the March meeting on Wednesday 3rd March 2010 at the Hostess Restaurant, Sookholme with 25 members. 12 members apologised.

President Anne opened the meeting with a minutes' silence in memory of our valued member and friend, Margaret Huddleston, who died last month. Margaret will be sadly missed by all of us and we send our sympathy to her family.

President Anne then proceeded with the business meeting for this month. She had represented Warsop Inner Wheel at many charity functions and social events including the "District Quiz" held at South Normanton. Warsop Inner Wheel had entered two teams, Warsop Wizards and Warsop Wanderers, one of which came 8th and I am not allowed to report where the other team finished!! However a great social evening was had by all contenders. Well Done Warsop! Marlene Bradley presented a banner from Calcutta Midwest that she received whilst attending a wedding in India.

Jean Nock gave the secretaries report, forthcoming events and nominations for our Executive Committee 2010/11 were finalised. Marjorie Zillwood gave the up to date treasurers report in Gloria Humphries absence.

Sue Lunn gave the overseas report in Lesley Palmer's absence. Sue reported that the Overseas Inter-club Afternoon Tea held at the Oakland's Centre on 10th February was a huge success. Approx 90 people attended from 10 clubs in the district. The Reverend Paul Lawlor, Curate of the Church of St. Peter and St. Paul Warsop (pictured above right), gave a talk "Warsop to Malakal", a journey he undertook in the most difficult circumstances with the aim of assisting and helping where ever possible people in Sudan. Marjorie Zillwood gave the vote of thanks and also a cheque to go to a charity of his choice.

This event also raised £681 to go to the District's Overseas Charity, Riders for Health.

Christine Fretwell gave the charity report; arrangements are going ahead for the tombola stall at Thoresby Country and Craft Fair on 20th/21st March. We look forward to meeting all our supporters of this event, old and new. All the proceeds this year will be going to Rainbows Children's Hospice, a very worthwhile charity I am sure you will all agree.

Christine is also arranging a "Spring Serenade" Flower Arranging Demonstration by Mavis Allin on 12th May at the John Fretwell Centre, Sookholme.

Tickets £7 - 2.00pm for 2.30pm light refreshments included. Tickets only - available from Warsop Inner Wheel Members.

The meeting closed at 9.10pm

Warsop Wives Group

On Mar 16th our group will celebrate its 45th birthday with a party at the Parish Centre. I joined in 1969 and have been a member for 41 years. We started as a Young Wives group in the manse on Appleton Street where Mrs Smith and the Chapel ladies looked after the children so mums could have a break.

We have moved to various locations but the group remains strong with about 30 members, 6 of whom are original members. I remember many outings over the years including, Paris, Boulogne, London, Southport, Rhyl, Beamish etc. We've had numerous meals celebrating anniversaries and have also taken part in Warsop Carnival for many years. Over the years we have raised thousands of pounds for charities and as long as we are able we will continue to do this.

At this milestone for our group we remember with love those friends who are no longer with us and we put flowers in all Warsop Churches to remember them. Recently we welcomed Mr Ted Bray to our meeting. He showed slides and talked about CROATIA and his travels.

Future meetings are April 13th Grey Matters (Poems & Stories). April 27th our yearly Brass Band Concert in the TUDOR BARN. Please come along and support us. It starts at 7-30pm costs £2.50 a ticket and proceeds are for Air Ambulance. Happy Birthday Wives Group.

Irene Hodgson.

Warsop Men's Probus

A Meeting took place in the Stables Bar at the Parish Centre Warsop of the Committee Members of the club, followed by the Annual General Meeting of the club. All members of the committee were present, and afterwards an excellent turnout of members were present for the General Meeting. Aspects of the year's activities were discussed at both meetings, followed by the activities planned for the coming year 2010/2011. On conclusion of all business discussions, the bar was opened for a short time, and then 26 members were called in to lunch, after Grace said by Mr. Eric Simpson, because of refurbishments taking place in the kitchen area an excellent buffet lunch was provided by the Barn Catering Staff, to whom we offer our sincere thanks, for providing such an excellent meal in the prevailing circumstances.

Age Concern Launch New 'Carers Support Service' in Mansfield and Ashfield;

Carers and Volunteers Needed.

Age Concern Nottingham & Nottinghamshire (ACNN) have launched a new service providing support to those who spend their lives time caring for others.

The 'Carers Support Service' will benefit some of the thousands of carers in the Mansfield and Ashfield areas.

As well as looking for carers to benefit from the service, ACNN are recruiting for a motivated team of volunteers who can enhance the diversity of services to carers and make a real difference in their local community. All volunteers will be professionally supported/trained in their roles and will need to provide just a few hours support a week. If you know of anyone who could benefit from the service or are interested in volunteering get in touch with service co-ordinator Louise Osborn on 01623 488210 or e-mail: osborn@ageconcernnotts.org.uk. Other volunteering opportunities are also available across the area.

A similar service established in Gedling, Nottinghamshire has highlighted the value and happiness the Carers Support Service can bring to a carers life. One user remarked; "to know that I have a sitter coming in to let me have just a couple of hours to myself is sometimes the only thing that gets me through the week."

The Future

The 53rd meeting of Meden Vale the Future was held at the Village Hall on Monday 1st March 2010. 6 members of the Committee were present plus 1 Representative from the Youth Club, 1 Representative from the Playscheme, 1 Representative from West Notts College and 1 Representative from Fundsport UK. There were 6 apologies.

Fundsport UK reported that the proposed start date for work on the changing rooms is April 6th. It was also advised that the Youth Club could access funding from the Building Better Communities Fund for the Multi Games area.

The Chairman reported that a further meeting of Welbeck Colliery the Future was held on 10th February. At this meeting, it was stated that coaling would finish at the end of April, followed by salvage work and then shaft filling. This would take approximately 9 months. Security matters including potential vandalism and fire risks were discussed. The Master Plan, being prepared by UK Coal and Welbeck Estates, will be presented to Bassetlaw and Mansfield District Councils when completed. It was agreed that as soon as possible after this, four open days for the public will be held in: Meden Vale, Warsop, Church Warsop and Cuckney to allow the Community to see the proposals and comment.

The Representative from West Notts College outlined the proposals for Adult Learning, scheduled to start after Easter. Suggestions for courses included boxercise, yoga and genealogy, these will be publicised when finalised.

The Treasurer reported that a large gas bill had been received, notwithstanding the cold winter, it was considered that some hirers had been profligate with the heating and this must be addressed.

The Representative from the Youth Club advised that the Club was still well attended and a bowling trip had been arranged. It was felt that the Youth Club was now in a position to pay rent.

The Caretaker reported that several small items of maintenance required attention and permission was given for this work to proceed.

Next meeting will be held on Monday 12 April 2010 at 7.30 pm at the Village Hall. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Warsop Police Update

Hopefully as the days and nights become slightly warmer people will stop stealing wheelie bins. Recently we have received a high number of calls from residents, the council and fire brigade explaining that wheelie bins have been stolen and burnt out from across the whole parish.

One of the areas being targeted by these individuals is The Willows and River View. The majority of residents in this area are elderly. When they have their bins stolen from the front of their property they are caused a great deal of distress. The cost to replace these bins has gone into the thousands meaning that the bill subsequently is eventually paid for by the tax payer. Although, at the time of writing this article there has been a decrease in the amount of fires being reported to us. That said, we are still very keen to identify the persons responsible for these thefts and fires so that a prosecution can be made.

Can I please encourage you to try and keep your bins safe. Once they've been emptied to return them to a place that makes it difficult to be stolen. Place your bin securely behind a fence/gate or chain it up. These thief's will take it if it's not secure and then set it on fire for their pleasure.

Another major problem that we have in the parish is nuisance motorbikes. By that I am referring to the folks that believe they are not doing any harm by riding their off road motorbikes, scramblers, dirt bikes, what ever you want to call them, across farmers fields, country paths, woodland etc. It is illegal to ride your motorbikes in areas that can be a nuisance to anyone at all. In addition, if you ride these bikes on the roads to get to the places that you like to tear around you will also need to conform to the road traffic act legislation. This basically means you will need to hold a full motorbike license if the bike is over 125cc, insurance, a valid MOT certificate and road tax.

A motorbike ridden legally is not a problem to us or the general public but motorbikes that are ridden illegally are. We will take what ever action the law allows which can range from issuing section 59 warnings under the Police Reform Act up to arrests and seizing the motorbikes.

We do not want to spoil anyone's fun but there are places that you can ride your off road bikes legally, just look around for designated tracks. Just to answer the question, how does he know, my son has a trials bike and we have taken him to many places. Granted, you will need transport to take your bikes but there are places to go. Again, just to remind you to look out for our posters with the up coming street and Beat surgeries that the Safer Neighbourhood teams will be holding in your area.

Befriending Scheme Thanks Volunteers

A Volunteer Thank You Evening was held at The Rushley on Nottingham Road where they took part in a specially themed 'pub quiz' and the brave among them even had a go on the karaoke!

Jigsaw held the event to thank its valued team of befriending volunteers, following an extremely successful first year of its Volunteer Befriending scheme, which saw over 50 volunteers recruited, trained and vetted. Volunteers make a huge difference by visiting and befriending older people in Mansfield and Ashfield, a very valued service given that older people these days can be isolated and not see anyone from one week to the next.

The event coincided with Jigsaw being awarded the Mentoring and Befriending Foundation's accredited status, which demonstrates that the organization follows excellent practice in running its Befriending scheme.

Cate Bones, Befriending Co-ordinator

"I am delighted to have received accreditation for the Befriending scheme, this gives us the confirmation that the Befriending Scheme is on track and I look forward to developing the befriending scheme further with the help of my dedicated volunteers."

Said Cate Bones, Befriending Co-ordinator.

Shine's Success for February Half Term Programme

The Shine @ February Half Term programme that we ran recently went fantastically well. The attendance was really good and the range of activities on offer seemed to keep the young people very happy.

Ozzy (from Mansfield Wheels Activity Centre) was a star again with some amazing KMX carts, BMX'ing days and trips out. It was a hugely popular part of Shine.

Every time that Shine runs we have new participants and I would encourage you to come and see what's on offer if you haven't been before. It's very well staffed, resourced and great value. Plus, you can use that time to work, study, shop or just take it easy!

Also, doing really well is our Shine on Wednesdays after school club at Meden. We walk and bus children from all of the 8 schools in the Family and they enjoy two hours of great fun. The atmosphere is fun and everyone gets on well. We

couldn't do it without our staff and a team of youth assistants and youth volunteers.

Trampolining, archery, circus skills, media club, sports, Game Zone, arts and crafts and more is on offer for anyone 5 to 19 years old. Best of all it cost just £3.00 per child. Please support Shine by encouraging your child to get involved.

HOME ACCESS

Home Access is a government drive that helps low-income families who currently lack access to a computer and/or internet to get online at home.

The programme is aimed at those that need it most. If you are a low-income family in receipt of certain benefits you could qualify for a grant to buy a computer and/or a minimum of one year's internet access.

Depending on what you need, the grant allows eligible applicants to buy one of the following packages:

1. Full package (a computer, one year's internet access, service and support)
2. A computer with service and support only
3. One year's internet access only

If you think you are eligible for a Home Access Grant and would like

to apply please call the Home Access Grant Helpline on 0333 200 1004 for an application form.

Shine staff are available free to help you check if you qualify, to help with the forms and to offer support when it comes to selecting your computer package.

For more information call on 01623 844941 or text 07590 849286

For Home Access Grant enquiries please email enquiries@homeaccess.org.uk or go to www.homeaccess.org.uk.

Remember you can get on a computer locally through the Warsop Library, Infotech and Shine.

Have a cracking
Easter with Shine

Look out for the flyer in school, in local stores, on the web or give us a call or text for more info!

Shine Media will soon be launching across screens in Warsop Library and local schools and on the web.

The idea is to have a central point to promote and celebrate activities and organisations across the area.

Based at Birklands Community Exchange, in Warsop, local people can access the skills and equipment to get their message heard. Shine Media can produce DVD's, podcasts, audio CD's and printed material. Local pupils from the Meden Family of Schools will be trained by industry professionals to manage the project.

The project was made possible through funding from Extended Services, Mansfield District Council's Participatory Budget and the valuable support of local businesses, Parish and County Council, The Warsop and District News, Warsop Web and many other local organisations and groups.

If you feel that you or your organisation would like to know more about Shine Media, then please get in touch on 01623 844941 or 07590 849286 or email: shine@medenschool.co.uk

YOUTH DIRECTORY

Shine is currently compiling a directory of activities and clubs for young people across the area. This may be printed or displayed on our website once finished.

It's important that we don't miss any group or organisations.

If you are responsible for coordinating any activities and would like others to know about them, please ensure you get in touch on 01623 844941 or 07590 849286 or email shine@medenschool.co.uk

Distant Deeds

A local man has spent the last 18 months researching the men from Warsop who served during the First World War, culminating in the publication of a book called 'Distant Deeds.'

Tim Priestley started to look at the names on the memorial after finding a possible link with the family of his wife. This then snowballed into a project which was inspired by the fact that the men were identified by surname and initial only. This meant that many of the men who had made the ultimate sacrifice were effectively unknown. He then realised that some of the men were also named on the Warsop Vale memorial and further identified others who had some link with the town.

The book includes these men together with over 200 individuals who volunteered and survived the war. There is also a section for the men who won gallantry awards (including two Victoria Cross winners). Many pictures of those men can also be found in the book with other details added by surviving relatives.

Tim Priestley will be giving a short illustrated talk at Warsop library on Saturday 24th April at 10.00 and 11.00am. He will also be on hand to answer any questions. Copies of the book will be on sale at £8 (with £1 going to the charity 'Help for Heroes').

Book Review

The First Rule by Robert Crais

Robert Crais trained as a mechanical engineer but his dream was to be a writer. He made amateur films and wrote short fiction for a time but in the '70s he moved to Hollywood and began script writing for such series as Cagney and Lacey, Miami Vice, Quincey and L.A. Law. He also received Emmy nominations for his work on Hill Street Blues. He is most proud of his 4-hour miniseries for NBC called Cross of Fire which dealt with the rise to prominence of the Ku Klux Klan in the '20s. He began writing his best-selling Elvis Cole crime novels in the mid-eighties and also created Joe Pike. His new novel is the second in his Joe Pike series.

The First Rule takes its name from the thieves' code which the criminal gangs of the former Soviet Union are bound by. That rule is: A thief must forsake his mother, father, brother and sisters. He must have no family-no wife or children. We are his family. If any of the rules are broken it is punishable by death.

Frank Meyer seemed ordinary, he had a home and family, but when that home is invaded by a professional crew who murder everyone inside, the police think that he is hiding something bad. Joe Pike doesn't. He had worked as a professional mercenary with a younger Frank in the past. With the help of Pike, Frank begins his own investigation which fast becomes embroiled with grudges, blood-ties, blackmail and much worse. The past is ever present!!

No Going Back by Lyndon Stacey

Horse racing mysteries have been the theme to most of Lyndon Stacey's novels but this new book is the first in a series involving an ex-police dog handler Charlie Whelan.

Dartmoor is the setting, when Charlie Whelan and his dog Taz are called to help search for two sisters who have run away. One of the girls turns up quickly after a desperate search but she seems more terrified than happy to be found. The search for her elder sister is halted as darkness falls but Charlie has a nagging question. What were the girls running from?

The Water Horse by Julia Gregson

This is Julia's first novel and is well worth a read. Set during the Crimea war the story follows a farmer's daughter in Wales, from her closeted existence where girls are to be protected from the seedier side of life to the horrors and hardship of war. Filled with the desire to try and make a difference in the world after being able to do nothing but watch in horror as her mother dies in childbirth Catherine, with help from her childhood friend, runs away from her suffocating, sedentary life to join Florence Nightingale on her quest to relieve the suffering of those struck down by war and disease in the nightmare that was Balaclava.

The Three Fates by Nora Roberts

Intrigue, romance and a little murder thrown in; in short a typical Roberts novel. Nora Roberts is a well respected, international author who continues to produce well written novels with believable characters. The Three Fates spans the Atlantic following three Irish siblings in the search for a set of silver statues depicting the mythical Greek Fates, Clotho, Lachesis and Atropos. The story starts as the Lucitania is sinking off the Irish coast and quickly picks up the threads of fate that interlink and weave through a myriad of different lives.

These books and many more, including recently published novels by favourite authors; Ian McEwan, Clive Cussler & Danielle Steel can all be reserved for a small fee (currently 25p) from Warsop Library. Tel 01623 842322.

That Greatest Gift

It was my mother's birthday yesterday,
She had a lot of cards and presents I am very pleased to say.
The cards and gifts that came to my mother,
Were from relatives and friends to show her that they loved her.

There was not a present from me,
Mother could very plainly see.

I said, "Dear mother I have not forgotten you,
I am going to buy you the world's greatest book
a book that is true,

A beautiful book with pages edged in gold,
Where wonderful stories of Jesus are told."

I went down to town to find,
That greatest gift I had in mind.

But, oh my friends I am sorry to say,
I lost my money on the way

I went back home, the sad news to tell,
My mother said, "Now come and dry your tears up well,
Then go along to the bookshelf and have a look,

We already have the world's greatest book,
Then go to the mirror and you will see,

The greatest gift that God sent to me."

Through the mirror I saw me I am nearly seven,
Mother told me that I was that greatest gift
from God in heaven.

THE ROYAL BRITISH LEGION

Members separated for the March meeting with some attending the Help for Heroes night at the Memorial Club, Church Warsop, and others attending the meeting of Mansfield Bellamy Branch. Bellamy had a guest speaker from the UKNDA (United Kingdom National Defence Association), Cdr John Muxworthy RN who explained very clearly how defence spending has decreased year on year in real terms and the impact this has had on our Country's ability to defend itself.

Mr Geoff Hallam, our Standard Bearer represented the Branch at the military funeral of Lance Sergeant David Greenhalgh in Mansfield. Over thirty Standards from all over the UK were present. David was killed whilst on patrol in Lashkar Gah, Helmand Province, Afghanistan.

The Royal British Legion Standard of the Warsop, Meden Vale and District Branch and the Standard of the Seaforth Highlanders Regimental Association at the funeral of Lance Sergeant David Greenhalgh.

Several members attended an enjoyable event at the John Fretwell Centre where the music was provided by the Minden Band of the Queen's Division.

Our April meeting is on Monday the 12th at the Memorial Club, Church Warsop. New members are always welcome and you do not need to be ex-services to join.

Readers Letters...

Beryl Fowler

Chic and family would like to thank relatives, friends and neighbours for their kind messages of condolence, support and donations to the Red Cross and Cancer Research UK in memory of Beryl.

End of a Family Era

The death of Mrs Marie L Tonks 10.2.10 marks the end of a very special trio who pioneered "BETHEL" Church Warsop. Mr Xacariah Joseph Tonks, his wife Marie and his sister Mrs Catherine Collins, opened a Sunday School work in the 1940's, in a small wooden hut at the bottom of Grove Road, Church Warsop. So enthusiastic was the response from the whole village not many houses were unaffected by the wonderful Sunday School, an empty Salvation Army hall, greatly vandalized but only the Co-op and a wall away, Joe coveted that building for the children of Church Warsop. That dream was realised in 1948. Marie was a wonderful pianist and they made teaching of the Gospel fun. Many hundreds of children and young people could bear testimony to the benefits of BETHEL CHURCH. Their passing, the nearest and dearest grieve for, but the best thing, BETHEL has stood the test of time and the doors are still open for a Sunday School and Adult Worship.

Mavis Bradbury

A fond farewell

On Sunday 9th May it will be Kathryn's last Sunday as Rector of Warsop.

You are all warmly invited to come to The Parish Church at 10am on the 9th. We hope her last service will be a celebration of her time with us in Warsop. Light refreshments will be served after the service.

Pat and Peter The Church Wardens

Thank you

Our thanks to everyone who has moved the flowers from the garden of rest area in the Church Yard. It is not the Church Wardens being awkward, it states in the Law which governs The Church of England that nothing is allowed to be placed on top of the plaques or the grassed area in the Church Yard. We do appreciate that some of you do need somewhere to come to reflect on the life of the person you have loved, and maybe leave some flowers. For this reason we do have two areas, the first one is inside Church around our 'Book of Remembrance', the second one is outside in the garden of rest where there is a designated area for you to place your floral tributes at any time. We do thank you for your cooperation in this matter.

Pat and Peter, The Church Wardens

Male Voice Choir

Mansfield Male Voice Choir came to St Peter and St Paul Church, Warsop.

This was a first for me, and I was not disappointed. The various renditions that were performed for us all, were excellent. The musical director, Meryl Chambers conjured up a cocktail of old and new songs, raising the roof with superb vocal notes that were produced by a very well turned out and extremely professional choir.

Margaret Ball accompanied them on the piano. The programme also included renditions on the organ by Ken Ellis, he is the relief organist for the Church, he made the organ produce beautiful sounds that filled every corner of the Church, Antony Herrod, our regular organist also played. The compère described each piece of song or music, ensuring we knew what was to come. The Social Committee from the Church organised wine, juice and nibbles for the interval.

The evening came to a close with all of us singing Jerusalem. If you were there, you will agree what a splendid evening it was, if you wasn't, I suggest you try to hear this choir, you will not be disappointed.

Jayne Skinner.

Rufford Abbey Country Park

Northern Potters Association

Tue 30th March - Sun 9th May
 Exhibition of work from the Northern Potters Association's talented pool of over 350 maker-members. Free admission

Medieval Knight Hospitalier

Friday 2nd April Between 12noon and 4pm
 Meet medieval Knight Hospitalier, Justin De Fraix, as he rests for a while in the visitor centre after his long journey back from the Holy Land. Listen to his tales of blood, gore and adventure!

Easter Craft Event

Saturday 3rd April
 Hourly sessions starting at 10.30am, 12 noon, 1.30pm & 3pm
 Today the kids can get crafty with the help of skilled woodland craftspeople, Samantha. Create your very own Easter basket perfect for carrying those chocolate eggs in! Pre-booking is essential on 01623 823202. £4 per basket.

In the Footsteps of Robin Hood

Sunday 4th April 12 noon - 1pm and 2.30pm - 3.30pm
 Return to the year 1248 and follow in the footsteps of Robin Hood. Journey back through time with Robert of Wentbridge, one of Robin's faithful band, as he leads you on a gentle wander through the forest, telling tales of Sherwood's most famous outlaw. Adults £3 children £1.50.

'Lord and Lady of the Greenwood'

Monday 5th April Between 11.30am - 1.30pm and 2pm - 4pm
 Robin Hood and Marian will be welcoming you to their legendary home this Bank Holiday. Listen to tales of legends and folklore as this merry couple wander the greenwood path.

Medieval Time Traveller

Thursday 8th April 2.30pm - 4pm
 Since Robin Hood's time, rangers have been looking after Sherwood Forest. Today, you can join a 'medieval' forest ranger and travel back in time to the 13th century. Discover, amongst other things, why the strict forest laws imposed by the King helped to conserve the forest for the future 'by hook or by crook'.
 Prebooking is essential by calling 01623 823202. Adults £3, children £1.50.

'Active 8' Sherwood - Circus Skills

Saturday 10th April 12 noon onwards
 Learn some new party tricks to impress your friends with whilst getting active at the same time!

Woodland Craft Day - Basket Making Workshop

Sunday 11th April 10am - 3pm
 Learn a new skill at the visitor centre and come along and craft your very own willow basket with expert tuition from woodland crafts people, Ray Lister and Samantha Pearce. Places are limited to 10 people so pre-booking is essential on 01623 823202. £25 per basket.

Spring Bird Watch

- International Year of Biodiversity Event
 Saturday 17th April 9.30am - 11.30am
 Enjoy a gentle stroll around Sherwood Forest in early spring in the company of our expert ranger and learn more about some of the 60 species of birds which spend the spring and summer in and around this ancient forest. April is one of the best months for observing Sherwood's birds, just before they become hidden from view by the forest's green canopy, so bring binoculars if you have them. Meet at the visitor centre gates.

Friends of the Birds - A Day with the RSPB

Sunday 18th April 11am onwards
 Learn more about the birds of Sherwood from this dedicated team of local enthusiasts who will be answering your questions in the visitor centre today.

Active 8 Sherwood - Nordic Walking

Saturday 24th April 11.30am - 12.30pm and 2.30pm - 3.30pm
 Designed as a summer training workout for cross-country skiers, Nordic walking is essentially skiing without the snow! Why not enjoy a 'walk with a difference' through the forest and help to improve your posture and core stability as well as strengthen your heart. Personal trainer, Mary Elsam, will be on hand to give you a basic introduction to this increasingly popular activity.
 Pre-booking is advisable on 01623 823202.
