

Lottery Puts Big Trust in Warsop Parish

At least £1 million of lottery good cause funding is to flow into Warsop parish, in the Mansfield area, as the Big Lottery Fund (BIG) announces the first 50 areas across England to benefit from its Big Local Trust programme.

...at the Carnival!

What a fantastic weekend, thanks must go to the crowds who turned out to support us. Look out for your October edition of the Warsop News for a carnival feature of photos, letters and feedback reports.

NO SEPTEMBER ISSUE

Copy deadlines for October issue are:

Advertising - Please supply all advertising material by **Monday 6th September 2010**

Editorial - Please supply all articles and news items by **Monday 13th September 2010**

BIG is investing up to £200 million over the next ten years to help turn up to 150 urban and rural neighbourhoods into better places for everyone to live.

The targeted neighbourhoods have all been selected following extensive analysis and discussion and are all places where people face many social obstacles and have a history of difficulty in obtaining resources, including funding from BIG, to help overcome them.

Mick McGrath, Big Lottery Fund Head of East Midlands region said: "The Big Local Trust is a dedicated Lottery funding stream to help people in neighbourhoods such as Warsop parish to identify local issues and to develop the skills and confidence necessary to change things for the better."

"We hope that by securing funding for the long-term and by offering a commitment to providing dedicated local support, the Big Local Trust will bring lasting positive changes to Warsop parish and its residents."

An independent charitable trust will be set up to run the programme and today BIG is calling for expressions of interest from organisations who wish to apply to run the Trust. Organisations interested in

becoming a Trustee are being asked to contact BIG by Thursday 12 August 2010.

In the meantime BIG will be working with a wide range of local organisations in each of the first 50 neighbourhoods. At least 50 more areas across England will be selected by BIG in the next 12 to 18 months to benefit from the programme.

The programme builds on BIG's commitment to pioneering flexible, long-term and locally determined approaches such as the Fair Share programme, which since 2002 has been investing £50 million in 80 neighbourhoods across the UK.

EDITORS LETTER

Well the Carnival is over! For another year anyway!

The weather was kind to us and the crowds were kind too, they came in their thousands to enjoy a FREE family fun day on the Sunday. The Saturday music event was also well attended with a really good party atmosphere. The Carnival Committee were all absolutely shattered but are already talking about next year's Carnival, yes they really are all MAD!

The October edition will have some dedicated pages just for the Carnival photos, letters and a feedback report from the Chair, so if you want to tell us your Carnival story let me have it by Monday 13th September. And if anyone out there is as MAD as a HATTER come and join the Committee you will be in very good company! Remember though, we are all volunteers, we put a lot of hours in, we don't get paid but we do know how to enjoy ourselves!

There is no September edition so I'll see you all again in October.

Promote Your Business by Advertising in Warsop

& District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Size	Cost	Size	Cost
8cm x 2cm	£11.00	8cm x 12cm	£66.00
8cm x 4cm	£22.00	8cm x 14cm	£77.00

Gardening Monthly...

While the list of gardening tasks for August is shorter than in many months, there are still ongoing tasks to perform in the garden.

Right now, your primary concern will be assuring an ample supply of water for your plants. Weed control is also very important, because with the warmer weather and increased watering, weed seeds will germinate and grow faster, and mature to the point of producing more seeds.

Here are a few August gardening tasks and projects that you can do to help keep your garden looking it's best for the rest of this season.

PERENNIALS, ANNUALS, AND BULBS

Take out a few minutes to pick off the old dead flowers on your annuals, as well as the spent flowers on perennial plants. A little time spent on grooming the plants will make a big difference in the overall appearance of the garden. By removing the spent flowers, the plants will not go into the seed producing stage and should continue to flower longer into the season. Perennial and biennial plants can be started from seed sown directly into the garden this month or next.

Container grown perennials, shrubs and trees can be planted this month. Always take time to properly prepare the soil by mixing generous quantities of peat moss, compost and processed manure with your existing soil. Fall blooming Crocus should be planted this month, to give you an extra week or two of flowers after the main garden plants have finished for the year. Spring flowering perennials can be divided and transplanted this month or next. Be sure to do this during the coolest part of the day and water the plants thoroughly after transplanting.

Prune your hybrid roses in late August to promote the most fall blossoms. Remove about a third of the vigorous growth. Any stems that cross each other should be removed, as well as those that are in the center of the plant. Weak, spindly canes and any damaged by black spot fungus should be removed. Except in colder regions, roses should be fertilized through the end of September. Maintain a spraying schedule to control insects and disease.

SHRUBS AND TREES

Summer blooming shrubs should be pruned for shape after they have finished flowering. Remove any dead or diseased branches.

FRUITS AND VEGGIES

Now is the time to start your fall and winter vegetables. Plant starters or seeds of green onions, carrots, beets, lettuce, spinach, radishes, and winter cauliflower directly into the garden early this month.

Enjoy the harvest of your homegrown fruits, vegetables and herbs!

LAWN

Contrary to popular belief, a brown lawn isn't necessarily a dead lawn. Grasses go dormant in times of drought, but will quickly return to life with the fall rains. If a lush green lawn is important to you, and you don't mind mowing, water it regularly, and deeply. If a water shortage is expected, or you hate tending to grass, you may choose to just let your lawn go dormant, and water it as seldom as once a month. Raise the cutting height of the mower. Taller grass cools the roots and helps to keep the moisture in the soil longer.

GENERAL TIPS

Keep the weeds pulled, before they have a chance to flower and go to seed again. Otherwise, you will be fighting newly germinated weed seed for the next several years. Weeds in the garden are harmful because they rob your plants of water and nutrients, harbor insects and diseases, and, on occasion grow tall enough to shade your flowers and plants. Change the water in your bird bath regularly, and keep it filled. Standing water is less healthy for the birds, and may become a breeding ground for mosquito larvae.

Continue to watch for insect, slug and snail, or disease damage throughout the garden, and take the necessary steps to control the problem.

WARSOP

Footpath & Countryside Group

I frequently write about the pleasures of taking a walk around Warsop's countryside but this month I would like to suggest that you sit still and let the wildlife come to you!

One of my favourite spots is on the Hills & Holes just over the bridge at the end of Stonebridge Lane, but anywhere in Warsop is only a short distance from an open space. Grassland wildflowers appear to be putting on a special show this year which in turn attracts more insects. Listen for the relaxing hum of bees and other flying insects. Wait for a butterfly to land and admire its colours. Some birds may be eating seeds or insects from the long grass, others may swooping around catching flying insects. Don't forget to look up. Skylarks may be singing high above you and a buzzard regularly flies overhead - in fact I have been watching one through the window as I write these notes! If you are near the River Meden see whether you can spot any fish or catch a glimpse of a kingfisher.

It does not matter if you cannot identify any of the plants or animals - you don't need their name to enjoy them. A name is only a useful label when telling other people what you have seen! If you want to find out more you can buy pocket sized guides to wildlife.

One part of our parish has been adapted for the benefit of butterflies. An area of the restored colliery site at Warsop Vale has been established to encourage the Dingy Skipper. This is a small, fast flying butterfly with delicate brown shading. It makes its home on brownfield sites affected by industry including quarries, spoil mounds and disused railway lines. This species has suffered severe losses nationally with the decline in heavy industry and mining, and it could be argued that it would have been better supported by retaining our old unrestored pit yard! We may even have kept the bee orchids that used to grow there. It feeds and lays its eggs on Bird's-foot Trefoil which is a low-growing, yellow flower commonly known as "bacon-and-eggs" which is found on soils which have little nutrient content. The new meadow to the west of William Wood Lane includes south-facing slopes sown with Bird's-foot Trefoil and also scattered hawthorn to help provide shelter and roosting sites for the butterflies. A number of experimental plots have also been set up with different soil and seed mixes. These plots will be monitored to see which ones the butterflies prefer.

Last month I mentioned that archaeological surveying is scheduled to take place around the possible Viking age assembly site on the borders of Warsop, Budby and Edwinstowe. The dates for the open days when members of the public will be welcome to attend will be Thursday 28th and Saturday 30th October. It is planned to carry out both topographical and magnetometry surveying so there should be some interesting results. Details of how to book for these sessions and how to become more involved will appear in the October Warsop & District News. It may not quite be Time Team but it looks like a fascinating event for anyone interested in local history!

Despite the driest spring for many years our bracken, nettles and brambles are thriving. Many of these seem to be conspiring to block our footpaths by growing across them or falling over onto the path. By now most paths should be in reasonably good condition, as this group should have given them their second cut of the year despite delays caused by a major fault on one of our mowers. If you would like to help us you are welcome to join one of our Thursday morning work sessions. You can also contribute by simply walking along our paths and trampling down the grass. We would not object if you take your secateurs with you and cut back any brambles that are trying to block your way!

The next Footpaths Group walk is on Saturday 18th Sept. We will be staying close to home again this month by visiting Pleasley Vale. We will meet outside Warsop library at 9:15. Get in touch if you would like to come along or would like more details.

Unveiling and Dedication of the Warsop Cross on Doney Hill

Warsop Parish Regeneration Agency (WPRa) wishes to thank all those who attended the unveiling and dedication of the Warsop Cross.

The new cross carries on the tradition of a town cross first recorded in 1505. In 1787 a sketch was made of a cross and maypole and weather vane near to Spencer's ironmonger. Sketches from 1887 also show a cross near the site of the current Town Hall. (Ref. booklet produced by Old Warsop Society - A Walk Around Warsop).

A gathering of nearly fifty people was welcomed by D Richards Chair of WPRa and designer of the cross. The idea for such a project was conceived early in 2008 and has taken two and a half years to reach completion. The symbols on the obelisk represent the world, the history of Christianity in the Parish for over a thousand years. The winding wheel feature represents the mining industry. The wheat sheaf represents the agricultural industry. On the reverse side the image of an oak tree will represent Nottinghamshire and Sherwood Forest. An inscription will also refer to Warsop, recorded in the Domesday Book 1086.

The unveiling was performed by Cllr John Allin and the dedication conducted by the Rev Paul Lawlor, Sister Anne Marie and our new rector Rev Angela Fletcher who will begin her ministry in September 2010.

At the gathering various agencies and parts of the community were represented including:

- Nottinghamshire County Council
- Warsop Parish Council
- North Notts. Highways Dept.
- Community Conservation Projects Dept.

- Local Improvement Schemes Dept.
- Royal British Legion
- Local Primary Schools
- Nottinghamshire Police
- Earl Engineering
- Local Residents
- Meden School and Technology College
- Churches Together
- Men's Probus
- Meden Comprehensive
- Warsop Memorials (main contractors)
- Meden Valley Making Places
- Local Businesses

Apologies were received from Bethel Church and Netherfield Infants School.

WPRa also wishes to thank the following for their part in funding the project:

- Nottinghamshire County Council
- Warsop Parish Council
- Robert Bowring (Transport)
- Meden Valley Making Places
- Churches Together

Many thanks to Philip and Barry of Warsop Memorials (main contractors) for all their hard work in producing the finished article. Also to Earl Engineering (Steve and Andy) for constructing the time capsule.

The Warsop Cross is the final project to be initiated by Warsop Parish Regeneration Agency 1992-2010.

Many thanks to everyone who responded to the time capsule project, it is now nearly full and is to be buried soon.

Bird Notes...

Hasn't the weather been fantastic!

It's been really hot. I have had many birds coming to my little birdbath on the back garden, either to have a much needed drink or to bathe themselves.

My favourite to watch is a particular male blackbird, one of two or three males for whom my garden forms part of their territory. This particular one is easily identified because he has a bare patch of feathering on his chest. He gives me plenty of opportunities to study him closely, because if I'm quiet and don't make any sudden moves he will happily carry on his normal business. That business is looking after his partner and helping to bring their babies up safely and protecting the boundaries of his territory. He is also very protective of his precious, little pool of water and regularly has ding dong battles with the other males that have nearby home patches, who try to slip in for a sneaky drink or a bath when they think that his attention may be elsewhere. It's funny how he doesn't seem to mind if females turn up though and seems to tolerate them, but his mate certainly won't tolerate their presence and will see these potentially interloping females off with the same vigour that the males deal with each other.

Another species that I enjoy watching having a drink are the goldfinches-they seem to float down on butterfly wings out of the tree tops, keeping contact with each other with their "tinkling" call. They don't take their time at the bird bath; it's usually a quick couple of slurps or the briefest of dips and they are gone. Occasionally they will hang around a bit longer, especially if there is suitable food for them. I know that many people feed Niger seed specifically to attract goldfinches and this is no bad thing. What is also a good idea is to allow several thistles to mature (the big dark green types) and if you can plant teasel; several seed heads of teasel will virtually guarantee a small flock of goldfinches on your garden.

Provision of a source of clean water in a safe place will absolutely guarantee a visit from the bird species in your locale. Even if your neighbours have a pond the size of Clumber Lake on their back garden, birds will still come to your small dish of water on occasion. There's no need to feel jealous, the neighbour will have to be up at 4 in the morning dealing with the birds that his pond attracts; namely the herons after his fish!

Have a good one - B.A.

DRAWING COURSE LESSON 2 - Pen & Wash

The PEN & WASH technique just shows how versatile watercolour painting is. Basically all it is is drawing the scene as normal, painting in the scene very loosely and then bringing it together with a black fibre tip pen (Pic 1). Almost all of the outline of the picture is set in pen although some tone can be set by using a CROSS HATCH TECHNIQUE (Pic 2).

Pic 2. Detail of window

PEN & WASH is slightly
 easier than traditional
 watercolour painting,
 because only a simple
 loose wash is required.

The best surface to do PEN & WASH on is
 HOT PRESSED watercolour paper or HP PAPER.

This has a smooth surface similar to cartridge
 paper, although this paper is a lot more
 adsorbent. CARTRIDGE PAPER is ok but paint
 seems to dry very quickly. As a practise
 CARTRIDGE PAPER will do fine. Some NOT
 SURFACE watercolour papers will work as well.
 A good test is to see if the pen writes ok on
 the paper.

Pic 1. Fibre
 tip pen

**FOLLOW THE STAGES TO DRAW AND PAINT
 A WINDOW USING PEN AND WASH**

STAGE 1

first of all draw this simple window shape on a
 sheet of cartridge paper (Pic 3).

STAGE 2

Mix the following colours:

1. WALL COLOUR
 (90% YELLOW OCHRE & 10% CRIMSON ALIZARIN)
2. A LIGHT GREY
 (A WATERY MIX. SEE PAGE 13, COLOUR MIXING)
3. FRENCH ULTRAMARINE

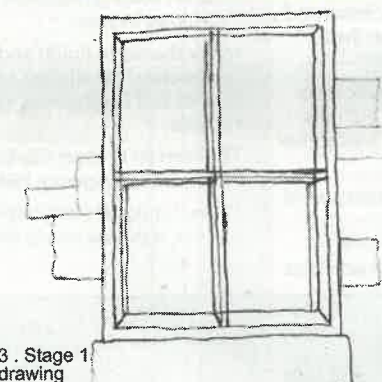

Now paint the scene. Note (Pic 4) how the scene
 is only painted in very loosely, only a simple
 wash is required.

Paint in the wall first using your NUMBER 5
 BRUSH and the WALL COLOUR, allow to dry
 and add a few bricks and the large stone in
 the LIGHT GREY COLOUR. Next paint in the
 windows, use your NUMBER 5 BRUSH and the
 LIGHT GREY and the FRENCH ULTRAMARINE to
 do this, changing the colours as you go. Try and
 pick out a few reflections in the window pane.
 Finally add the shadows to the window sills
 with the GREY COLOUR.

STAGE 3

The final stage is to add the pen. Basically all
 you are doing is adding an outline and setting
 a few shades. Use the CROSS HATCH technique
 described above. Pick out a few of the stones as
 shown (Pic 5), add some horizontal and vertical
 lines to the window panes to depict reflections
 and shadows. Adding a shadow to the large
 stone can bring it to life (Pic 5).

Meden School Snub Local Business

Fashion Flair has supplied Meden school with uniform since 1971. The shop has always worked closely with the school to ensure that the uniform sold, meets the school's expectations.

In nearly forty years the shop has never had any blazers returned, due to them being the wrong style. We would expect our customers to inform us, if we had got it wrong. The prices of the blazers start at £14.99 and have NEVER started at £17.00 as quoted by Janet Brashaw in the Chad newspaper.

For nearly forty years Fashion Flair has displayed its goods with other shops at the open evening for the new intake. This year it was told that it wouldn't be invited and only the School Wear shop at Mansfield would be allowed.

The Meden school have every right to change their uniform, but would it have been too much of an inconvenience to get in touch with Fashion Flair to inform them of the situation and thus stop the ordering and delivery of £5,000 worth of stock.

Deputy Head teacher (Janet Brashaw) keeps saying in meetings and in the paper that the school will talk to Fashion Flair but there has been no communication from the school.

All of the money from any badges or ties sold at Fashion Flair goes to the Meden School. The governors many of whom live within the parish of Warsop ought to be ashamed of the way that they have

allowed the school to make a determined and deliberate effort to cause the demise of one of the local shops within our community.

Competition is good; it allows consumers the freedom of choice and drives down prices. Schools are there to educate children not to dictate to parents where they have to spend their money.

I would like to thank the parents, teachers and members of the public for the tremendous support we have received regarding the issues with Meden School. If you want to sign our petition please call in at Fashion Flair or just call in for a chat.

In September 2009 the then Schools minister Ian Wright stated 'sweetheart deals', where schools take a share from suppliers for the right to sell their uniforms, could amount to an illegal cartel.

www.dailymail.co.uk/news/article-1208126/Schools-face-legal-action-uniform-rip-offs.html

Mr Wright said the rip-off deals could be illegal under the Competition Act and called on parents to provide evidence to the Office of Fair Trading. Council leaders are urging parents to do more to hold their school governors to account.

Meden Vale Play Scheme

Meden Vale Play Scheme was set up by a group of Mums from Meden Vale (with a little help from Sure Start and Notts County Council!) in February 2008. We all felt that there was nothing for children to do in our village during the school holidays. The play department at Notts CC helped us to form a committee and apply for funding.

The play scheme is held at Meden Vale village hall on each Thursday afternoon, 1pm - 3pm during the school holidays (except for Christmas). We are funded by Notts CC grant aid, Meden Vale Charity Shop and we also do our own fundraising raffles and bun sales. You may even see us on a stall at this years Warsop Christmas Market.

Totally run by a band of happy volunteers, Meden Vale Play Scheme is open to children of all ages as long as they are accompanied by a responsible adult. Snacks and a wide range of activities are provided free of charge. Each session has a different theme and a variety of activities which change each time we run. We always try to provide some physical activity, arts and crafts and fun toys. We also have some fantastic teenage helpers and are always looking for new volunteers, we can even organise free training, such as food hygiene certificates and play work level 1.

We are really excited about this August as we have planned lots of great sessions. August 12th will be our Circus week, come along to walk the tightrope, learn to juggle or have your face painted. August 19th is our trip to the seaside for our regular attendees. August 26th will be Jungle week, join us making magic shrinking keyrings, clay modelling or bouncing on the bouncy castle! Our final week, September 2nd will be a beach party with sand art, a huge pirate bouncy castle and under the sea creature painting.

As you can see from our photo (taken at our last Halloween session, I must add!) we are all very friendly and are looking forward to entertaining you all again soon, happy holidays!!

A Hat Trick for Sherwood Pupils

Fastest Kid in Mansfield

Curtis Williams regained his title as the Fastest Kid in Mansfield and the rest of the Sherwood team did very well, with Rebecca Morris achieving second in the girls Year 6 competition. (pictured above)

Warsop Inner Wheel

President Anne Lyons hosted the July meeting on Wednesday 7th July 2010 at the Hostess Restaurant, Sookholme with Inner Wheel 34 members and 9 guests. 4 Members apologies.

President Anne opened the meeting with a warm welcome to guests for the evening; President John Fretwell from Warsop, Shirebrook and District Rotary Club, Terry Newton, Mavis Allin and Janet Parr's daughter Julie.

President Anne then proceeded to give cheques to representatives of her chosen charities for the year;

- Heather Henshaw, Trustee for NSPCC and Tracey Davenport, treasurer for the local area NSPCC collected a cheque for £3,228.50p.
- Rotarian Steve Lunn, Chairman of Oakland's collected a cheque for £1,000.
- Councillor John Allin on behalf of Age Concern collected a Cheque for £450.
- Janet Stafford from Amazon Breast Support Group collected a cheque for £400.
- Cheques have been donated to many other charities supported by Anne this year, indeed a staggering total of £18,341.25p has been raised by the hard working members of Warsop Inner Wheel and all our supporters – thank you.

President Anne then gave her final report for her year as president, she has thoroughly enjoyed being the president of Inner Wheel this last year and thanked all members for their continued help and support through out. Hopefully with our donations to these charities we have helped to make a difference no matter how small. Thank you letters have been received from; IHW, Rainbows Hospice, Warsop Church, Music for the Deaf and Aqua box.

Warsop Wives Group

We hope that you are all enjoying this lovely sunny weather. On June 22nd we had a games night with pub food at the Parish Centre. We played dominoes, darts and cards and enjoyed cheese sandwiches, bread and dripping, sausage rolls and shandy. We had a really enjoyable time. On July 6th we welcomed Judith and her jewels to our meeting. Judith makes and sells many items of jewellery. Preparations were also made for our charity Table Top Sale at Ann Blackamore's home and also a cheese and wine evening for members and friends on August 3rd. Future meetings, July 20th, Air Ambulance, August 17th Knit and Natter, August 31st school days remembered.

New Doctor

Meden Medical Services are pleased to announce that Dr El-Salamani (Female) will be joining the practice as our 4th GP. Dr El-Salamani has many years of experience in general practice and we are sure she will be a great asset to the practice.

Coffee Morning

As part of our cancer fundraising year in respect of Dr du Toit our Patient Forum are pleased to announce a Coffee Morning at our Meden Vale site on Thursday 23rd September. Please pop in for a cuppa and take part in a worthwhile event.

Flu's

We are pleased to announce that we are now booking appointments for your annual flu vaccine.

If you are over 65 or suffer from a serious chronic disease please contact the surgery.

Meden Medical Services would like to take this opportunity to thank local businesses, Charities and Mansfield District Council for their support.

It was now time for the induction of the incoming President for 2010/11 – Christine Fretwell. President Anne handed over the chain of office to Christine and wished her well for the year.

President Christine continued with the meeting appointing her committee members for the year. Christine intends to support British Heart Foundation and NSPCC as well as local charities this year.

President John Fretwell brought greetings and well wishes from Warsop, Shirebrook and District Rotary Club.

Anne Lyons gave the secretaries report and forthcoming events. Gloria Humphrey gave the up to date treasurers report.

Lesley Palmer gave the overseas report.

Ann Holland gave the charity report;

The Warsop Carnival was held last week and we had our refreshment area in the Warsop in Bloom marquee as usual.

A Garden Party with a Caribbean theme is being planned at the home of Christine and John Fretwell in August, the proceeds from this event will go to British Heart Foundation.

The meeting closed at 10pm

Sycamores and Poplars

Recently the Sycamore and Poplars care centres held a 'Loud Tie' competition won by Mrs Beryl Armand pictured with Mrs Irene Lowde presenting chocolates. The competition was to highlight World Elder Abuse Awareness Day. Entertainment by the Noisy Neighbours and a buffet completed the event.

Warsop Men's Probus

A meeting of the Warsop Men's Probus group was held in the Stables bar at Warsop Parish Centre on Wed 16th of June, Vice President Mr. Les Nickless chaired the Meeting, explaining to members that the bar was the agreed meeting venue for this particular meeting because some out of the ordinary events were scheduled to take place. Firstly there wasn't a speaker at this meeting, we were to try out one of our new ideas to entertain members, in the form of what we call a quad quiz, ie teams of four competing in a quiz, run by a resident Quizmaster, with a prize at the end, on completion of the marking of the papers this week there was a tie with table one and table five vying for first place. Secondly it was the week of the presentation of the Bradley Award to the Highest achieving pupil at the Meden School. This year the Award winner was Joshua Turner who had excellent results with 5 A* and 7 A levels. Joshua attended the meeting with his form tutor Mr. Maddison and was presented with a framed certificate, and a cheque for £50 by the Probus team of Les Nickless Vice President, David Morris Treasurer and Peter Walker Secretary, both stayed for Lunch as guests of Probus. The Chad Newspaper will be publishing a report and photographs in due course. Probus has now broken up for the Summer break and will reconvene on September 8th.

MDC throws a lifeline to Meden Baths

On Friday 9th July Eddie Smith, portfolio holder for Environment at Mansfield District Council threw Meden Baths a life line.

After a six month fight to keep the facility open the Portfolio Holder awarded the (SOS) Save Our Swimming group a further 6 months to secure funding for Meden Baths.

The Decision gives the people of the Warsop Parish 6 months to prove to MDC that the facility is both needed and supported by the community. In December the final decision will be taken, if use of the pool has increased, the Portfolio Holder will take a decision to keep the facility open long term. If however the usage remains low then the Portfolio will be left with no option other than to close the pool with effect of 31st March 2011. The people of the Warsop Parish have been put in the driving seat and given a deadline of December this year for supporting their pool.

The decision was taken after a detailed report supporting the long term future of the facility was written by MDC's own scrutiny committee, Select Commission 1, and a business case by the SOS

Ed Miliband visits Meden School

Labour party leadership candidate called in at Meden recently to listen to pupil's views on the government's decision to withdraw funding for the BSF programme (Building Schools for the Future).

Meden will no longer have the re-build that they were expecting which is very disappointing for the pupils and staff, especially as they have been working on the project for sometime.

group which identified possible sources of additional revenue. However, the head of service at MDC, Mandy Mellor, wrote a contradicting report that recommended closure of the facility. So it is good news all round and an excellent decision for everyone. MDC have agreed to form a joint group with the SOS group to explore ways of increasing usage and implementing changes that will help achieve this. The SOS group are also looking at potentially adding more sessions and possibly some retail offers that will benefit everyone.

So, it is now down to you to make the decision, if you think the pool should stay open long term then all you need to do is use it! What could be simpler and fairer?

If you have any suggestions or questions or feel that you can assist the group in any way then please contact Tania Barlow, Clerk to the Parish Council, or email the SOS group at sos@warsopweb.co.uk.

Alan Meale MP - "Victory for common sense" Meden Baths

Speaking after the decision made by Mansfield District Council to keep open the Meden Baths complex in Warsop, local MP Alan Meale stated:

"The decision is a victory for common sense as to close the complex would have flown in the face of all the evidence presented which favoured its continuation. Tributes need to be paid to local individuals and local groups who have lobbied heavily for this decision, especially Warsop Parish Council, local Councillors etc. However there is still a lot yet to do as the decision only gives the complex until March 2011 by which time a long-term financial solution needs to be found. In this respect, I've repeated to the authority that I will help in any way I can to resolve the matter."

Thank you Letter

I would just like to say a big thank you, on behalf of the Police and Fire Service who attended the recent fire at Eastlands Lane Junior School, to all the staff who evacuated the school quickly and efficiently. They were brilliant.

The Future

The 57th meeting of Meden Vale the Future was held at the Village Hall on Monday 5th July 2010.

6 members of the Committee were present plus 2 Representatives from the Playscheme and 1 Representative from Welbeck Colliery Football Club. There were 4 apologies.

The Representative from Welbeck Colliery Football Club advised that work has now started on levelling the new football pitches. It was hoped that after the tendering process for works to the new pavilion, the successful contractor would be appointed by the second week in August.

Following the meeting of Welbeck Colliery the Future held at the Village Hall on Wednesday 16th June it was reported that a Company, namely C-Zero, had expressed an interest in installing a green energy unit on the Welbeck Colliery site. This would use local agricultural waste, converting this into compost, liquid fertilizer, gas (which would be used to generate electricity) and heat which would be available for other industries such as horticultural. This would potentially create 25 jobs on site and 75 jobs off site but within the local area. The Company has the full support of Nottinghamshire County Council, Welbeck Estates and UK Coal. A presentation will be arranged shortly to outline C-Zero's full proposals and to allow public consultation. The Committee regard this development as significant as it could lead to other energy related industries using the site. In addition, two other parties have expressed an interest in the site but further details are awaited. The next meeting of Welbeck Colliery the Future is to be held on Wednesday 15th September in the Village Hall.

The Treasurer advised that the accounts were satisfactory with monies, totalling £2000, having been received from Warsop United Charities and 3 local Ward Councillors. Thank you letters to be arranged.

An application by UK Coal to wash Daw Mill Colliery coal at Welbeck Colliery has been submitted. The facts have been established and are as follows; the additional spoil to be tipped on Welbeck Colliery site would not exceed two weeks normal output from Welbeck Colliery and would cease when demolition of the washery take place. The benefit of this from Meden Vale's point of view is that surplus Welbeck filter-cake will be blended with the Daw Mill coal and thus alleviate removing this from site.

Next meeting will be held on Monday 6th Sept 2010 at 7.30 pm at the Village Hall. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Shine is planning a great deal more activities and events in the evenings and weekends. Watch this space for details.

Shine's 'Big Society'

Firstly, don't panic! I'm not about to start discussing politics in the pages of this local paper. However, since the General Election the phrase Big Society is getting mentioned in the news, almost daily.

Wikipedia defines the term Big Society as 'to create a climate that empowers local people and communities, building a big society that will 'take power away from politicians and give it to people. At a time when the country is facing some tough economic times it seems reasonable that communities will hold the key to their own future.

Through Shine, in our own small way, we have always tried to see this way of thinking. We employ local staff, work to support young people in volunteering and building their skills and are proud to be taking our place amongst local organisation trying to make a difference.

The recent Warsop Carnival was a real test for this community. Against a background of financial difficulties a team of volunteers pulled off an amazing weekend of quality and varied entertainment.

Shine was pleased to work at the Carnival to showcase the skills of our young people. Once again they proved capable of rising to the challenge. We have many more events and activities now in the planning stages. I know that we can rely on the support of parents, carers, families, schools, businesses and partners to make sure that we continue to grow and flourish. After all, our young people are the inhabitants of tomorrow's Big Society and we owe it to them to equip them for the challenges ahead.

shine media

has launched across screens in Warsop Library and local schools and on the web.

The idea is to have a central point to promote and celebrate activities and organisations across the area.

Based at Birklands Community Exchange, in Warsop, local people can access the skills and equipment to get their message heard. Shine Media can produce DVD's, podcasts, audio CD's and printed material. Local pupils from the Meden Family of Schools will be trained by industry professionals to manage the project.

The project was made possible through funding from Extended Services, Mansfield District Council's Participatory Budget and the valuable support of local businesses, Parish and County Council, The Warsop and District News, Warsop Web and many other local organisations and groups.

If you feel that you or your organisation would like to know more about Shine Media, then please get in touch on 01623 844941 or 07590 849286 or email: shine@medenschool.co.uk

Warsop Multi-Agency Action group

In our last update, we mentioned the residents' survey that was carried out in March 2010 by Mansfield District Council.

YOU SAID

The biggest problem seen by local residents was of teenagers hanging round on the street with nothing to do. We gave you a flavour of what was happening to deal with this in the last issue and this month there are details of further activities and events taking place over the School summer Holidays.

This month, we'd like to let you know about other things that are happening. The survey highlighted other issues that residents believe are either a very or fairly big problem

- 50% voted for Motorcycle nuisance
- 45% Rubbish and litter
- 43% Using and dealing drugs
- 43% Vandalism and graffiti

WE DID - Day of Action

On 30th June, a day of action was organised in Warsop by the Police and Mansfield District Council Neighbourhood Wardens.

We invited several different agencies to come to Warsop for the day and concentrate their efforts on dealing with the issues that are important to residents as well as tackling other problems.

Here is a summary of what happened that day

Mansfield District Council Neighbourhood wardens patrolled around Meden Comprehensive School at both the start and end of the school day to tackle the littering issues. During the rest of the day, they patrolled the area looking at littering, graffiti and dog fouling. Three requests were made for graffiti to be removed and two fixed penalty notices were issued for littering offences.

Mansfield District Council Benefits department visited several addresses in the area and carried out benefit reviews to ensure claims were being made correctly

Parking Enforcement Officer carried out patrols mainly in the Town centre and are around the schools. Four parking enforcement notices were issued.

TV Licensing patrolled the area and visited forty addresses. As a result there will be five prosecutions for people not having a licence.

The Environment Agency was called to clear the river of several large bags containing polystyrene pieces. They will be doing follow up work regarding where the bags had been taken from.

The Neighbourhood Policing team carried out a Search warrant for drugs at premises in the centre of Warsop. A quantity of drugs was found and one person has been dealt with for illegal possession of a controlled drug.

Trading standards officers visited the area along with PC Wayne Bennett and visited several addresses where building or garden work was taking place. The traders were all checked to make sure they were legitimate and trading standards have encouraged them to join the Nottinghamshire "Buy with Confidence" Scheme. Customers can be sure that any member of this scheme are vetted and approved by Trading standards.

DVLA took their detection equipment along every street in Warsop and the villages and we are pleased to report that the people of this district passed with flying colours, as there were no unlicensed vehicles on the roads that day.

A street walk was carried out on Clumber Street, Warsop by MDC Neighbourhood warden, Geoff Lomas, PCSO Sarah Gilbert, Cllr Pete Crawford and Nick Cullen from Leicester Housing Association. They visited residents asking them about issues in the area and left surveys at addresses where no one was at home. See photo below.

DRUGS ISSUES IN WARSOP DISTRICT

Both in the residents survey and in surveys carried out by the local Neighbourhood Policing Team, it has been highlighted that people are concerned about the use and supply of Controlled drugs. As a result, this has been adopted as one of the three local issues for the Neighbourhood Policing Teams to tackle in both Birklands and the Meden Church Warsop wards. We have already had success with the warrant carried out on the action day. Now we need your help!

Please let us know if you think someone on your street is selling drugs. Do they have a steady stream of visitors who only stay for a few minutes at a time? Is there a strong smell around the property? Have you heard other people talking about where they can buy drugs? We need your information so that we can apply for warrants to search these addresses and stop this happening. Remember, it is often the people who are buying drugs that are committing the crime in your area in order to fund their habit. Young people tell us there is nothing for them to do in the area; you can help us stop them turning to drugs by cutting off the supply.

Please ring or email using the Beat team contacts. You can also pass your information anonymously through Crimestoppers or online at www.crimestoppers-uk.org. Your call is free & you may receive a reward in exchange for your information.

GET INVOLVED

Amongst the residents surveyed, only 26% were aware of local meetings with the Police to let us know what issues are problems in your area. At least once a month, your local neighbourhood policing team holds street surgeries or beat surgeries at various locations. A beat surgery is an opportunity to come to a location where you can sit and talk to an officer or PCSO. They are held in places such as Warsop library and the Charity Shop on Ossington Close at Meden Vale. Street surgeries take place at a different location every month. We will deliver a letter and a survey form through the door a few days before to let you know when we will be on your street and available to discuss issues. Check to website www.nottinghamshire.police.uk to find out where we will be. Don't worry if the surgery is not on your street, come along wherever you live.

28% of survey respondents said that they would like to get involved in meetings or in activities to tackle crime and anti-social behaviour. We are currently working with Nottinghamshire County Council Community Development to try and increase community involvement, particularly with Neighbourhood Policing. We would really like to hear from anyone who would be interested in becoming part of a Safer Neighbourhood committee. These committees get involved in the decision-making processes to determine the three local issues for each ward and in

developing plans for how the local police and partners can tackle them.

If you want to get involved please send your details by email dave.parker@nottscc.gov.uk or telephone 01623 443751. Alternatively contact your local police beat team.

LOCAL ISSUES

It also worth noting that the Safer Neighbourhood Team recently held a meeting with the Priority Setting Committee. The meeting was held to highlight the communities three local issues for Warsop and the surrounding areas that the community would like the Police and their colleagues to work at resolving over the next three months.

For Warsop Birklands the issues are as follows

- The use and supply of drugs
- Motorbike nuisance on Carr Lane and Oakfield Lane
- Anti-Social Behaviour on Clumber Street, Welbeck Street, Watson Street and Bainbridge Road.

The issues for Meden Vale/Church Warsop/Warsop Vale and Spion Kop

- The use and supply of drugs
- Motorbike nuisance on the Carrs, Carr Lane and Oakfield Lane
- Anti-Social Behaviour Ossington Close, Carr Lane and The Carrs Recreational Ground.

If you have any information about these issues please ring the officers highlighted above or you can contact the PcsO Dee Eyre (07595074127) PcsO Sarah Gilbert (07595074319).

Pc 3544 Phillip Snape is our new Beat Manager working on the opposite side of the shift to Pc Bennett and Pc Booter. He will be working alongside PcsO Dee Eyre who has a wealth of knowledge to assist Phil in getting to know the area and people of the parish. Phil has recently worked with Northamptonshire Police for 5 years, working mainly on the prisoner investigation unit. Phil joined Nottinghamshire Police in April 2010, he is a Nottinghamshire lad and wanted to return to his roots. He is looking forward to meeting the demands of the Warsop public and making a difference when he can.

SUMMER ACTIVITIES

FOR YOU AND YOUR MATES!!

We are working hard together with SHINE, FIRE SERVICE and MDC to offer more for the area's young people.

So over the summer a number of activities have been organised.

So you wanna be a boxer?

Boxing training sessions have been set up for the young people in the area on Friday evenings at the Meden Leisure Centre.

Take the bait!

Three fishing competitions coming up during the summer holidays. Held at Sherwood Forest Farm Park Fisheries 10.00 am - 3.00pm on the 29th July, 5th and 12th of August 2010.

Fancy a game of footie?

If you're 15 upwards show off your skills against: Police • Fire Service • Youth Service • Mansfield District Council teams

If you fancy your chances then call Pc Booter (07742378475) or Pc Bennett (07729246378) for more information.

Activities Throughout the SUMMER HOLIDAYS

Remember to call or text Shine on 07590 849286 to book a space.

Check all the flyers on this board for more info about the sessions. Some dates / activities may have to change sometimes.

Take a packed lunch if I'm doing a session in the morning and one in the afternoon.

Call my mates and see if they are going and have a look at www.shinemedia.tv for Shine news.

Most sessions cost £3.00 each. It's cheaper if my brother or sister comes to the same session...great! Mum will make me take them!

Tidy my room before I go and behave myself!

Hello from Shine @ Summer for 2010.

We have dance, drama, music, film-making, songwriting, circus skills, gaming sessions (Wii, X Box and Playstation), board games, sports, swimming, cooking, trampolining, animation, Weird and Wacky Science, tennis, rugby and more for everyone from 5 to 19 years old. You'll see that we are hosting Shine around the area: Warsop, Warsop Vale, Meden Vale and Church Vale. You can be sure that you'll have a great, fun and safe time during Shine @ Summer.

Most sessions are 10.00 till 12.00 and 1.00 till 3.00. We are charging £3.00 per child, per session or £5.00 per day. We offer a discount for siblings. If you need transport getting your child from a morning to afternoon session, we can help. Please call us on 07590 849286 to book a space and for any more information.

See you soon!

Remember to look at www.shinemedia.tv where new activity dates are added. Including paintballing, horse riding, go-karting and trips out.

Book Review

Buried Secrets by Joseph Finder

Joseph Finder introduced the character Nick Heller to us in his novel *Vanished*. As a 'private spy' he manages to find out the things which powerful people want to keep hidden. In this new thriller, Nick is back in his old home town of Boston to set up his own shop. An old family friend, Marshall Marcus, calls on Nick for help which leads him into a high-profile and intensely personal situation which threatens the life of Alexandra Marcus, the eighteen-year-old daughter of his friend. Marshall Marcus, a hedge fund titan, is desperate. His daughter has been kidnapped and is now buried alive in an underground crypt with a limited supply of food and water and with a camera showing her suffering live on the internet. Her kidnappers are very professional. The abduction was carried out with precision and great care was taken to leave no trace evidence.

Nick has known Alexandra since she was an infant and if her father doesn't meet the demands of her kidnappers, she'll die. Nick begins to probe and he discovers that his old friend seems to have been running a Ponzi scheme. His fund has collapsed, the FBI has arrested him and America hates him. There are many powerful enemies out there and Nick has to find out who is holding Alexandra hostage and why. Once these questions are answered it reveals a conspiracy reaching high up in the government. Time is running out and he has to flush out and confront some of the most deadly opponents if he hopes to find Alexandra.

The Executioner by Chris Carter

The blood-soaked, decapitated body of a priest lies on the altar steps inside a Los Angeles church. The body has been carefully positioned with legs outstretched and arms crossed over the chest but worst of all, a dog's head has been put in place of the priest's. Forensic investigation reveals the figure 3 scrawled in blood on the victim's chest. Detective Robert Hunter believes it shows all the hallmarks of a ritualistic killing. However, he is forced to reassess this as more bodies surface. They all appear to have died in their most feared way. How did the killer know their worst nightmares and how are the victims linked? The killer is elusive and sadistic with the power to read his victims' minds and sense what scares them most. Will he stop at nothing to achieve his twisted aim?

Lamp Black, Wolf Grey by Paula Brackston

Some landscapes hold more magic than others. Artist Laura Matthews finds her new home in the Welsh mountains to be a place so charged with tales and legends, so teeming with the force of the supernatural, that she is able to reach through the gossamer-fine veil that separates her own world from that of myth and fable. She and her husband Dan have given up their city life and moved to Blaenwmm, an ancient longhouse

high in the hills. Here she knows that the wild beauty will inspire her to produce her best art. And here she hopes that the powerful nature of the place will give her the baby they have longed for so many years. But this high valley is home to others, too.

Others such as Rhys, the charismatic loner from the croft, who pursues Laura with a fervour bordering on obsession. And Anwen, the wise old woman from the neighbouring farm who seems to know so much but talks in riddles. And then there is Merlin, for once he too walked these hills, with his faithful grey wolf at his heel. It was here he fell in love with Megan, nurse-maid to the children of the hated local noble, Lord Geraint. Merlin was young, at the start of his career as a seer and magician, but already his reputation had gone before him. When he refuses to help Lord Geraint it is Megan who will pay the price.

"Lamp Black, Wolf Grey" tells both Laura's story from the present and Merlin's story from long ago - two stories for the price of one! Both entertaining and recommended reads

Italian Shoes by Henning Mankell

Once a successful surgeon, Frederick Welin now lives in self-imposed exile on an island in the Swedish archipelago. Nearly forty years have passed since he was disgraced for attempting to cover up a tragic mishap on the operating table. One morning in the depths of winter, he sees a hunched figure struggling towards him across the ice. His past is about to catch up with him. The figure approaching in the freezing cold is Harriet, the only woman he has ever loved, the woman he abandoned in order to go and study in America. She has sought him out in the hope that he will honour a promise made many years ago. Now in the late stages of a terminal illness, she wants to visit a small lake in Northern Sweden, a place Welin's father took him once as a boy. He upholds his pledge and drives her to this beautiful pool hidden deep in the forest.

On the journey through the desolate snow-covered landscape, Welin reflects on his impoverished childhood and the woman he later left behind. However, once there Welin discovers that Harriet has left the biggest surprise until last. The sense of Welin's regret is beautifully portrayed through the thawing landscape surrounding him. An introspective and haunting tale about life, death, family and friendship and a thoroughly recommended read.

These books and many more, including recently published novels by favourite authors: Katie Fforde, Quintin Jardine and Harlan Coben can all be reserved for a small fee (currently 25p) from Warsop Library. Tel 01623 842322.

Bethel Church Sunday School

CARTER LANE - CHURCH WARSOP - NOTTS

We would like to invite all children between the ages of 3 years and 16 years to join our Sunday school at 2.30pm to 3.30pm every Sunday afternoon.

Below are 5 reasons why our children like coming week after week.

1. We learn about Jesus and God with stories from the bible.
2. We pray for our family and friends.
3. We have fun with quizzes and games.
4. We sing songs and choruses.
5. We do activities and drawing and at Christmas we learn plays and carols.

THE ROYAL BRITISH LEGION

We had a very successful meeting in July when we affiliated with Warsop Army Cadets.

A very amusing and informative talk was delivered by the RBL Riders Branch. Affiliation certificates were presented to our Branch and to the Cadets by 'Monty' Moncaster of the Riders Branch. Monty also handed out Affiliation badges to the Cadets.

Mike Trinder, Branch Chairman presented a certificate of appreciation to representatives of The Kabin, Wellington Close for generous donations made over the past two years.

We are holding a couple of Legion in the Community events at Mansfield Woodhouse to ensure those who are entitled to our services are aware of what is on offer.

We hope this years Poppy Launch will be better than ever, so watch this space!

We have a busy meeting schedule planned with a quiz at our August meeting, a talk on the wartime nurses of Jersey in September, and a horticulturist is demonstrating potting plants for the autumn in October.

All are welcome at any of our events and our August meeting is on Monday the 9th at the Memorial Club, Bishops Walk, Church Warsop. 7.45pm
