

WAR SOP CARNIVAL 2010 WE NEED YOUR HELP!

You may have heard that this year's Carnival may not happen, which will disappoint an awful lot of people.

It will not happen...

...unless we have more volunteers both on the committee to attend meetings and deal with the administration and help during the few weeks leading up to it also on the day, to sell programmes, marshalling the car park, litter picking, general fetching and carrying and much more!

It will not happen...

...if we do not get funding, we are desperate for people to fund raise for us, so if you can help with anything we would be pleased to hear from you.

The Carnival is run by a committee of volunteers who have full time jobs but give up any spare time they have to organise this huge event. We do not have any officer support and rely totally on funding for the whole event. With grant aid being cut from NCC and MDC wanting to charge us more for the services that they provide, at the moment we only have the donation from the Parish Council of £5,000.

We have approached MDC to become part of their "Summer in the Streets" but are still waiting for confirmation. The total cost for this FREE FAMILY DAY is in the region of £20,000! This is found through funding pots, donations, programme sales (programmes cost just £1) and the donation buckets we carry on the parade.

Last year there wasn't much in the parade donations buckets and the Circus donation buckets made approx £45 after 5 shows, together with the programme sales being down, this hasn't left us anything in the pot to start this year with!

So if you are going to be disappointed and don't want to miss out on this fantastic event, please get in touch with Tania Barlow 01623 846011 or call in the Town Hall, your help will be greatly appreciated -

WE NEED YOU!

SOS - Campaign Update

Around 150 residents met with: local councillors; Warsop's MP, John Mann; Representatives from MDC including Executive Mayor, Tony Egginton, Deputy Mayor Cllr Roger Sutcliffe and Managing Director, Ruth Marlow on Friday 12th February to discuss MDC's proposal to close the swimming pool.

There were plenty of views aired and questions asked. As it stands the people of Warsop have been given 6 months to save their pool. The meeting focussed on the fact that this is not long enough and certainly not fair. The general feeling during the meeting was that it was time MDC started listening to the people of Warsop and started providing services to us.

When asked what they do provide, 'refuse collection' was mentioned. However, it was a constructive meeting in that the mayor has promised to work in partnership with the parish council and John Mann to solve the problem.

During the meeting we urged MDC to reconsider the 6 months stay of execution and extend it until the new school is built, this is one idea that the mayor has promised to take forward to full council. Cllr Andy Wetton noted that Warsop has only 6 councillors out of a total of 46 in the council and are vastly outnumbered.

For any proposals to gain weight it requires the backing of people like the mayor. In the meantime the campaign continues and we urge all local residents to come along to the annual parish meeting on Monday 15th March during which an update will be given.

EDITORS LETTER

With the winter firmly behind us – I hope! Mind you as I write this (10th Feb we are still in the throws of it, it's cold and we have had a bit of snow).

Hopefully, we can all start to look forward to the spring, daffodils, blossom, lambs and SUNSHINE! Perhaps I should have said that quietly!

The situation with the swimming pool is still on going and I will keep you updated with it each month together with the progress on the Town Hall. There are no new shops opened since my last letter and even better news there are no shops closed and one shop has even extended, lilacandcream, the gift shop, now that is really good news! (see separate ad in the pull-out)

If anyone out there has a little bit of local news, children's achievements with photos, a bit of useless information, a poem, wants to know something, photos you are proud of and anything you don't mind sharing, please get in touch you may see your efforts in the next edition!

AT LAST a new footbridge on the Carrs. It has taken 3 years but finally it has happened, shame there might not be a Carnival for us all to try it out! (see front page)

Gardening Monthly...

March is often thought of as the beginning of the gardening year. So now is the time to begin anew and set out on a year of growing something different or developing a new area of the garden. If you haven't grown vegetables before try planting a few in the herbaceous border to learn how they grow and sample the flavour.

This is the best time to add farmyard manure or compost to the garden as the nutrients will be present for the new growth. If added in the autumn a lot of the "goodness" is leached away over winter, particularly nitrogen.

Clear away all the dead stems from herbaceous borders before the new growth develops so you don't damage the new shoots. Most of it can be pulled away. Check around the plant for weed seedlings.

Weeding is one of the important tasks to tackle. They will be germinating by now and some will have emerged in milder periods over the winter. Remove them now before they have a chance to flower and produce seed. Also the frost will have loosened the ground and uprooting them is easier, especially Liverwort and Moss. The hoe is not very useful at this time of year as the soil surface rarely dries enough and the disturbed weeds can easily re-establish.

Of course not all of the seedlings appearing in the next few months will be weeds, if you left the seedheads on fading plants last year, some will be new plants. If you don't recognise them, leave them to develop mature leaves before uprooting, they will increase your stock or might even be a new variety! Under bushes where birds perch you will probably inherit seeds from surrounding gardens as well, usually Cotoneaster and brambles.

Do the final pruning of bush roses this month by cutting back to an outward-facing bud fairly close to the ground. On trained roses cut out any dead material and remove any leaves which are showing disease. Remove any weak growth, or that was the perceived knowledge. Recent studies have found that although these weaker looking shoots may not produce flowers their leaves may be providing food for the plant. Using a hedgetrimmer in the autumn may be all the pruning that is required as roses pruned in this way have gone on to flower more abundantly than more traditionally pruned bushes.

Continue sowing seeds for the vegetable plot. Getting an early start by raising them under cover such as on a bright windowsill will give earlier and better harvests later.

Prevent damage by Slugs and Snails to emerging shoots of hostas and other vulnerable plants. If you are averse to slug pellets, set beer traps - bury a lidded plastic container with a hole in its side so that the hole is about an inch above the soil (so that Ground Beetles - the good guys - won't fall in) and fill it with beer or sugary water. Or if not squeamish, go slug hunting at dusk (or later with a torch - that'll amuse the neighbours). Collect them in a jar and bin them or transport to distant parts - and don't throw them into your neighbour's garden! Put a mulch of grit, coarse sand or sieved cinders that have been weathered (to leach out toxins) around the plants, the slugs don't like the rough surface. Check around the necks of plants and the inner edges of containers where overwintering eggs will be hiding - also under seed trays and any module trays to prevent losing emerging seedlings.

If you can catch them this early in the season it will greatly reduce the problem for the rest of the year.

Where is Doney Hill?

I was interested to read in the February edition of Warsop and District News that a time capsule is to be buried under the proposed Warsop Cross on DONEY Hill.

I have never come across that spelling before and assume whoever wrote the article has spelt it as many Warsopians pronounce it! Many people in Warsop refer to "DONEY" Hill but where exactly is it, or were was it? We know which area we are referring to but did it ever officially exist on maps or official documents?

As someone interested in local history I have done research, over the years, to try and find exactly where DAWNEY Hill was, or is. I use that spelling as DAWNEY Hill Farm, stood opposite the Workingmen's Club, (now the Black Market), before being pulled down for the inner relief road to be built across it. Norman Hawkins who used to live there has confirmed that spelling for the farm. DAWNEY House is situated at the top of the hill, (on High Street) opposite the turn from the A60 onto Clumber Street.

I have studied various maps and have never seen DAWNEY (or its derivatives) Hill shown. The 1898 Ordnance Survey Map shows Leeming Lane, a former Roman Road, (which we now know as Mansfield Road) running to the top of the hill, at its junction with, what is now, Old Sookholme Lane, and then continuing down into Warsop, as High Street.

The Census sheets from 1841 up to 1891 show the different spellings DOWNY and DOWNEY. What is interesting is that John Beeston, the Census Enumerator has used the spelling, DOWNEY in his description of the Enumeration District in 1861, yet in 1891, (I assume it is the same person) he is shown as living at the Gate Inn, on DOWNY Hill.

In those days many people would be illiterate so I assume officials had to write down names, in the way they sounded, from those they were interviewing.

Eric Townroe, told me he was born at 2 Plumbe Yard, on Downey Hill, but on perusal of his Birth Certificate it shows 2 Plumbe Yard, High Street. A good friend, Ken Broadhead, who has helped in my research, told me that his wife, Janet, nee Howe, was born on Dawney Hill, but examination of her Birth Certificate shows the address as 51 High Street. That was one of the cottages where St. Teresa's Catholic Church stands.

The 1891 Census sheet shows, as well as Beestons living at The Gate Inn, the names Taylor, Hooley, Herring, Plumb, Mellors, Paxton, Bullivant, Dance Wagstaff, Cree, Hind and Hollingsworth all living on DOWNY Hill. I know people of those names still live in the area. Perhaps, if they are related, then they might like to comment.

I would be interested to know whether anyone in Warsop has official documents such as Birth or Death Certificates or Wills that show their ancestors living on Dawney Hill. Did it ever have a street sign, and if so, I would also be interested to know when Dawney Hill became High Street?

Edwin A. Tattersall.

Bird Notes...

**Has it warmed up yet?
Hope so! I'm sat writing this
in the second week of Feb
and there's still the threat
of snow in the air. Can't
wait for spring to er spring.**

The birds on the back garden are still absolutely gorging themselves on the food that I'm supplying and as I've slowly moved my feeders progressively closer to the house since I put them up, I am now being rewarded with really close views as robins, blackbirds, house sparrows, dunnocks, wood pigeons and collared doves, the odd chaffinch and greenfinch, wrens, blue tits and starlings tuck in near my window.

You will all recognise these species as some of those that you've been seeing on your own gardens and I'm sure there will be some of you who will be seeing other species as well. You may have noticed that I didn't include great tit in my list, I do occasionally get them in the garden but only one or two at a time but they don't seem to hang around for long and I've not seen them visit any of my feeders, the lack of their presence is more than made up for by a small flock of long tailed tits that visit the garden everyday and when the weather was particularly foul they even ate from my peanut feeders. Maybe you're regularly visited by these beautiful little birds. Depending on where exactly you live in Warsop will affect the mix of species that you will see in your garden and on your feeders. Those of you whose property backs onto open fields may find that reed buntings visit the bird table, others among you may have mature woodland close by and as a consequence have regular visits from great spotted woodpeckers or perhaps even a jay. I know that a lot of people are charmed by the presence of goldfinches and feed niger seed specifically to encourage them into their gardens. (The term for a flock of goldfinch is a charm.). (I was trying to work in "an exultation of skylarks" as well, but unless you have a really open garden that backs onto really open fields and you feed grain or something similar the chances of seeing them on your garden are very small, but still a chance. Yellowhammer is also another possible species that you may see in your garden, especially if you live adjacent to a railway embankment.

The only real limit on the different species that you could attract to your garden, besides whereabouts you live is the range of

foodstuffs you offer; put simply, the more types of food=the more types of bird.

Often though the best sightings of birds in your garden are often the ones of birds who are only occasionally glimpsed close up, like a sparrowhawk or maybe a wary carrion crow, but if you are lucky enough to see any bird really close up, even with a species as familiar as the house sparrow one cannot fail to be moved by it's simple beauty of form and it's subtle colouration. Try taking a closer look at those birds that maybe you've been taking for granted; a good one for a second look is the dunnocks, check out their eye colour, if you can.

Here's to warmer weather, soon hopefully! - B.A.

WARSOP

Footpath & Countryside Group

Spring must be arriving soon! The cold winter may have delayed some events but nature always seems to catch up. Things to look forward to in March include blackthorn hedges coming into flower, hawthorn leaves appearing, blackbirds and blue tits building their nests and ladybirds reappearing.

According to the Woodland Trust's phenology website we could be cutting our lawns in the second week of March although in 2001 and 2006 the average date for the first cut was not until early April!

Grass cutting activities that were running late were this group's attempts to manage the grassland on the Rhein o'Thorns. Our scheduled work sessions for this annual winter job seemed to coincide with fresh snowfall but hopefully we will have completed the task by now.

As I write these notes the new bridge on the Carrs across the River Meden is under construction. The increased width should reduce the bottleneck at busy times and the foundations should look more secure than the repairs to the old bridge that followed the flood damage. Hopefully something will now be done to make the wooden bridge near the BMX track at Carr Lane more robust as it does not inspire confidence and can be very slippery. However, the other eight river crossings in the parish appear to be in good order now that repairs have been carried out to the footbridge near Assarts Farm at Meden Vale.

We are approaching the time of year when members of this group will be surveying all 52 of Warsop's public footpaths, bridleways and byways on behalf of Nottinghamshire County Council. This will involve walking along over 25 miles of path, checking approximately 17 gates, 2 stiles, 9 bridges,

Our Secretary can be contacted on 01623 846281.

WF&CG is a community group whose members share an interest in the countryside. We maintain the public footpath network in Warsop, we undertake conservation projects and we provide information about the local environment www.wfcg.org.uk

4 sets of steps, 72 signposts and 20 waymark posts! These figures illustrate what a wonderful network of routes we have in our parish. The results of the survey will help determine the programme of work that we will carry out during the coming year. If you would like to raise any issues about our footpaths get in touch with us so that we can check out the problem and pass details on to the council.

During April the council will be carrying out checks on paths that cross arable fields to ensure that paths have been reinstated after ploughing and are clear of crops. Hopefully our farmers will have everything in order, we seldom have any serious issues apart from in the north-western part of the parish where there have been long-term problems between Lord Stubbins Wood and Langwith.

Warsop featured in BBC's Country Tracks programme on the last Sunday in January. In a report originally broadcast in 2006 John Craven described the neglected state of our Parliament Oak. However this was balanced by a new interview with Karyn Stander of the Sherwood Forest Trust who described the recent improvements to the area and also mentioned the techniques used to manage heathland areas of Sherwood Forest.

The next Footpaths Group walk on Saturday 20th March should be around Eakring. We plan to leave Warsop library 9:15am. Get in touch if you would like to come along or would like more details.

Learn how to Paint

Exclusive Watercolour Painting Course
With Professional Artist & Tutor **Matthew Palmer**

Groups in Warsop, Mansfield, Sutton-in-Ashfield & Langwith

Welcome to the exclusive learn how to paint in Watercolours Course with Local Professional Artist & Tutor Matthew Palmer.

The course is exclusive to Warsop & District News and will run in every issue. Starting with the basic to the advanced.

SAVING EACH ISSUE'S LESSON WILL GIVE YOU A COMPREHENSIVE WATERCOLOUR BOOK.

LESSON 9 ~ WATER & REFLECTIONS

The way to make water look like water is to add reflections to it. Reflections of trees, buildings etc.

Never paint a river straight blue as it will look flat. A river reflects the sky, use similar colours as your sky, to paint a river.

Pic 1. Posts & Reflections

Mix the following colours: (see previous lesson on mixing colours)

- 1, BLACK (FRENCH ULTRAMARINE BLUE & BURNT SIENNA).
- 2, FRENCH ULTRAMARINE BLUE (quite a watery mixture).

Paint the water with your NUMBER 10 BRUSH & the FRENCH ULTRAMARINE COLOUR. Allow this to dry, then paint the figures & the posts in BLACK with your NUMBER 5 BRUSH. Again allow this to dry.

There are two ways of painting reflections, A WASH REFLECTION (Pic 3) and a WET ON WET REFLECTION (Pic 4). A wet on wet reflection is by far the best & most natural looking way.

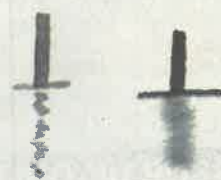

(Pic 1) shows two posts at the waterside, and their reflections. The ripple effect on the water is achieved with your NUMBER 5 BRUSH, painting in a left to right action, using the tip of your brush.

A WASH REFLECTION

Pic 2. A dry wash reflection

Add some CLEAR WATER to the BLACK COLOUR to water it down. Then paint the ripple reflection with this colour & your NUMBER 5 BRUSH:

Pic 3. A wash reflection

Pic 4. A wet on wet reflection

As with skies, WET ON WET TECHNIQUE (See previous lesson on techniques) is by far the best and most realistic way of painting water / reflections.

There is no reason why you cannot paint a river etc that incorporates both a WET ON WET REFLECTION and a WASH REFLECTION. Always paint the WET ON WET wash first, allow this to dry and then apply

the second WASH REFLECTION.

A WASH REFLECTION, sometimes works better than a WET ON WET REFLECTION. It can be quite difficult to decide which technique to use. In time you will learn which technique is the best.

A good rule to follow is, WET ON WET REFLECTIONS work best on rivers that have a lot of reflections in them (Pic 5). WASH REFLECTIONS work best on scenes with fewer reflections in them.

(Pic 3 & 4) Shows two posts (Pic 3) that has been painted using the WASH REFLECTION technique, and the post in (Pic4) has been painted using the WET ON WET REFLECTION technique.

To paint a WET ON WET REFLECTION you must firstly paint all the river area with clear water (the same as you would with a wet on wet sky), then apply the required colours eg the sky colours and the trees etc, while the clear water is still wet. This allows the paint to run more freely. Once this is dry you can add any finishing touches, like darker tones.

PRACTICE PAINTING THE SIMPLE SCENE BELOW, FOLLOWING THE INSTRUCTIONS

THE XMAS FACTOR

There was a great response to the Xmas Factor competition sponsored by Farrendale Electrical. Choirs from both Hetts Lane and Sherwood and pupils from all of the eight local schools performed fantastically.

The judges found the decision very difficult and ultimately everyone that took part was a 'winner'. Thanks to all the judges, the young people who assisted hosting the event, Bowrings for the stage and the families, friends and community who came out to show their support. Next year we will be running auditions and heats across the whole community; giving everyone a chance to Shine. We look forward to seeing you there."

Down, but not out

It's business as usual at Age Concern in Warsop, despite having to deal with the aftermath of a break-in at the High Street premises and the mindless damage that was caused.

This has cost a lot of time and effort for the Age Concern volunteers who work so hard to support the elderly in the community, not to mention the cost to the charity of the clean-up and extra security.

So, how can you help? Obviously any information leading to the identification of those responsible would be helpful. But more importantly, your support would be most welcome. So next time you are out shopping, why not pop into the café for a cuppa or tasty snack, buy some raffle tickets or browse in the charity shop, to help replenish funds. Or do you have a few hours to spare to lend a hand? New volunteers for the café, lunch clubs or shop are always welcome.

We may have been battered but we are not beaten and will carry on regardless.

Readers Letter

Warsop seems to have a lot of orphans, the yobs who again kicked in the door at age concern, appear to belong to no one.

Who do they think pays for a replacement door, not the rate payers, but the money raised by the loyal band of volunteers, who work tirelessly making meals and tea and coffee for the elderly.

I am sure there are some well behaved kids in warsop. But the antics of a few puts the blame on the rest.

**Some questions for the parents of warsop.
Do you know where your children are tonight?
Do you know what they are doing?
Do you know who they are doing it with?**

If the answer to any of these questions is no, I think that you should, otherwise you are not a good parent. In fact, it might be your children smashing in the door of the age concern building. Because if you do not know where they are, how can you be sure, they are not involved.

Having children is easy, bringing them up to respect other peoples property is the hard bit.

Allan mclean - father of five..

Warsop Police Update

As the Beat Manager for the Warsop Birklands region, I encourage all readers to get behind the volunteers that are working hard to keep Meden Baths alive and sign the petitions when you get the chance.

The swimming baths has a vital place within the community. Not only is it a place for the local children to burn off some of their excess energy and keep them off the streets, it has also helped thousands of families in the area to learn how to swim. Losing the baths will mean our nearest pool will be the 'new' Rebecca Addlington centre, some 5 miles away, which doesn't make it very local or accessible. During the school holiday periods it must be so refreshing for parents to pack the kids off to the baths for a few hours whilst they get a small break from the kids saying how bored they are, yet somehow I can't see how the people of Warsop, Meden Vale, Church Warsop and Warsop Vale will benefit from this closure.

The main problem we are currently facing is anti-social behaviour by a select group of youths, congregating in large groups and causing problems outside a number of properties, both residential and business. Their poor behaviour comes in the form of abuse, noise, stone throwing, door knocking, window knocking, leaving litter outside the address and during the recent cold months, snowballing. We are currently in the process of placing a number of individuals on Acceptable Behaviour Contracts which are policed in conjunction with the Anti-Social Behaviour Team from the council. In addition, we are also gathering evidence on a couple of individuals with a view to obtaining Anti-Social Behaviour Orders (aka ASBO's). These orders can be very powerful for the Police and Council should they be granted by the courts. They can restrict areas that individuals are allowed to go into. They can put individuals on curfews, stating what time they must be inside their home address and they can also stipulate who they are not allowed to associate with. Within reason, you can put anything on these orders that you believe will stop the individual from causing Anti-Social Behaviour. Should the individual fail to adhere to these rules they will breach the ASBO and will be arrested for it and put before the courts to give an explanation. If the individual constantly breaches their order they can be sent to prison for a significant length of time.

Another way that we are attempting to tackle the Anti-Social behaviour is by employing Operation Animism. This operation is aimed at tackling certain streets in the area that are suffering from ASB and dealing with it appropriately by Police Officers, Police Community Support Officers and Neighbourhood Wardens. In recent weeks a quantity of alcohol has been seized and young females have been taken home in a drunken state. These girls have subsequently been placed on Acceptable Behaviour Contracts.

We as a team are also seeking the help from our partner agencies, Fire & Rescue, Council, Youth Services, in an effort to put together more diversionary measures for the local children. Pc Booter has recently set up some football coaching on a Friday evening for children aged between 12 and 16 years of age at the Meden Leisure Centre and is also looking into the potential of bringing Oz Box to the centre. This, he tells me, is a form of non contact boxing training.

I also need to inform you that we are currently employing the services of a civil enforcement officer (a bit like a traffic warden) who will be in the area hunting for illegal and inconsiderate parking offenders. One of the community priorities for the Warsop area is poor/illegal parking on Sherwood Street and Church Street and I have asked the officer to patrol the area at every available opportunity. He has the powers to issue on the spot fines ranging from £50 to £70 for offences such as, parking on either single or double yellow lines, parking on white zig zag lines situated near to pedestrian crossings, parking longer than the 30 minute bays on High Street/Sherwood Street and parking in the Ambulance Bay on the High Street. These are a few of the offences that you may commit whilst in a hurry to do your shopping so please be warned.

Another crime that has sickened me over the past 2 weeks is the fact that 'Age Concern' on the High Street has been broken into on

3 separate occasions. The people that work at these premises do so on a voluntarily basis and the money they raise goes towards good causes. Yet, on these occasions the money has gone back into the building to repair the damage that has been caused. If anyone has information about these burglaries they can ring me in confidence as I am extremely keen on arresting the offender(s) for these crimes.

Again, can I inform you of our up and coming Beat and Street Surgeries.

On the 1st March 2010, PcsO Gilbert; Council Warden Geoff Lomas and I will be holding a Beat Surgery in the Warsop Library between 10am and 11am. On the 23rd March we will be joined by your local councillors as we conduct a Street Surgery on Longdon Terrace between 7pm and 8pm.

Pc Dave Booter, PcsO Gina Fletcher and Council Warden Phil Bennett will be holding a Beat Surgery on the 1st March between 10am and 11am at the Charity Shop, Ossington Close, Meden Vale. They will also be joined by the local councillors as they hold a Street Surgery on Portland Crescent during the 23rd March between 6pm and 7pm.

Elmton and Creswell Village Company

have gained an 'East Midland Achievement Award for Community Empowerment.' 65 organisations were nominated for an award in December 2009 and 10 organisations were selected to receive an Award. The Village Company chairman Julie Holling was recently invited to Melton Mowbray to present the diverse work of the Village Company for the community and the locality to a panel of judges. Julie collected the Award and was presented with £2000 for the Village Company at the one day East Midlands Empowerment Conference on Friday, 5th February 2010. The Conference provided a forum for open discussion with East Midland Councillors about the role Councillors play in championing Community Empowerment in their locality.

The Elmton and Creswell Wildlife Group (ECWG)

is an informal group of people who are recording wildlife sightings in the Parish and adding these to county records. All are welcome to attend ECWG meetings and help record wildlife of the Parish in Limestone House. Details are posted in Limestone House. On January 25th, the ECWG met and enjoyed an excellent presentation from Maurice Hammerton on the African Wild Dog - an endangered species, living mostly in Zambia. The group has also been in discussions with other Bolsover Biodiversity groups regarding input to a Heritage Lottery funded project called the Magnesian Limestone Journey, designed to protect and enhance access to this unique area.

Birklands is Better Than Good!

Pupils and staff are celebrating the publication of their latest Ofsted report after an inspection was carried out last December.

The inspectors found that, 'As at the last inspection, this is a good school, and one which, in some important respects, is better than the last inspection.' A 'good' grade in Ofsted terms is the second highest grading a school can be awarded under the new framework.

Inspectors praised the school's curriculum which was thought to be 'outstanding' and judged the way in which children are assessed and monitored in science and information and communication technology as being exemplary. Inspectors also reported that children generally make good progress as they journey through the school and that Birklands' pupils also receive good care, guidance and support.

Staff were particularly pleased with the high standards of behaviour witnessed by the inspectors. The school now aims to work hard towards ensuring all lessons are of at least a good standard and to continue to broaden efforts to engage with parents and carers.

Meden Vale *The Future*

The 52nd meeting of Meden Vale the Future was held at the Village Hall on Monday 1st February 2010. 9 members of the Committee were present plus 3 Representatives from the Youth Club and Playscheme, 1 Representative from Welbeck Colliery Football Club and 2 Representatives from the Police. There were 4 apologies.

The Representative from Welbeck Colliery Football Club reported that the Football Foundation money would now be available throughout the financial year 2010/11. The groundworks to be undertaken by UK Coal have been costed and submitted to Fundsport UK. County Council funding of £50,000 has been secured via the Building Better Communities Fund. It would appear, that finally, after much effort, some physical work can now commence. Funding for the Playarea and MUGA is still sought and this will require additional funders, such as the Lottery.

The Treasurer reported that the financial position was satisfactory.

The Representative of the Youth Club commented that the Club has been running for approximately 8 months. Much positive support has been received together with favourable comments. A £1,500 grant has been obtained from Youth Services for the purchase of equipment. Applications for additional grants have been submitted, monies to be used for further equipment and trips out of the village. It was also confirmed that the Youth Club is fully up and running and has a Constitution, Bank Account, Child Protection Policy and the necessary CRB checks.

The Police Representatives reported that incidents of anti-social behaviour were declining in the Meden Vale area and that they had varied their patrol times in order to anticipate possible problems.

The Caretaker reported that several minor defects with locks, lights etc. required attention, the Committee agreed that these would be attended to. The question of signage for the Village Hall was raised and it was agreed that the cost of this would be ascertained. The idea being that a large Village Hall sign, with additional smaller signs, indicating Youth Club, Playscheme, Bingo etc. In addition, costing for making the back room independent of the main room with its own entrance, alarm etc. would be undertaken. This would allow a smaller and a larger meeting/activity to be held simultaneously.

Next Committee meeting will be held on: Monday 1st March 2010 at 7.30 pm at the Village Hall. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

DARE

TO RESIST DRUGS AND VIOLENCE.

DRUG ABUSE RESISTANCE EDUCATION

Recently, all 59 pupils at Sherwood Junior School successfully graduated from the DARE programme.

The programme teaches the children strategies to avoid getting involved with drugs, cigarettes and alcohol. Jenny Dobb in Year 6 wrote the following poem for her graduation:

Stop and Think

I happily know what to do,
when someone tries to fool you.
I know that bad is near, when someone offers me a beer.
But those who do smoke a fag,
they should have listened when their parents nagged.
Most kids smoke to stay with the crowd,
but those who refuse should be proud.
Most kids who drink do it for a laugh,
while I believe they just look daft.
Meanwhile, sniffing glue makes people feel high,
but I know it would just make mum cry.
Most people just don't care,
but I know different because I have done DARE.
I listened to my teacher and mum,
and I don't find smoking fun
Next time you might have a fag or drink,
stop what you're doing - stop and think!

CAB ADVICE COLUMN

How can I get the best deal on my energy supply?

If you have never changed your energy supplier you could be paying more than you need to for your gas and electricity. Depending on where you live, on average you could save: £91 a year if you pay by Direct Debit, £86 a year if you pay by card, key or token meter, or £73 a year if you pay by cash or cheque.

When going to compare prices of different suppliers it's a good idea to get a copy of your last bill, or if you use a card, token or key meter to have an idea of how much you spend each month on energy. It is also helpful to know the name of your current suppliers; the name of the deal you are on, and your post code.

There are three ways to find out about the prices charged in your area.

- Phone round the energy supply companies to find out what deals are on offer and compare them with your current deal.
- Or you can use one of the approved online price comparison sites. These are listed on the Consumer Focus website: www.consumerfocus.org.uk
- You can also download a pricing factsheet for your area from the Consumer Focus website.

If you cannot access the internet you can call Consumer Direct on **08454 040506** for a pricing factsheet as well as general consumer advice.

If you are having problems paying gas or electricity bills get advice. For more information and contact details of your local CAB go to the Citizens Advice website www.adviceguide.org.uk

The Rotary Club of Warsop, Shirebrook & District

5 New Members Inducted at the Club

Following a campaign by the Club Membership Committee, a total of 6 new members will have joined the club this month 5 of the 6 were inducted at the club meeting on Thursday 21st January.

The five new members left to right Ted Smith, Andy Perry, Andrew Saunders, Paul Bromley and Peter Hopkins.

The Club met at the Hostess Restaurant at Sookholme. President Peter Harvey chaired the meeting at which wives and partners were invited 25 members attended. After the meeting Carlo Santana ex Paper Lace singer entertained the club with songs including his brilliant Nesson Dorma.

Ten Pin Bowling

The Club played Hucknall in the second Round of the District 1220 Ten Pin Bowling Competition at Mansfield. 2 of the team, Martin Humphrey and Richard Goad were indisposed and John Fretwell and Mike King took their places. An amazing game in reality saw Hucknall take a 10 pin lead at half time and as the end of the game drew into the last frame, Captain Peter Harvey was told he needed 19 pins to win. He bowled 8,2 and 9 giving Warsop an unbelievable win by 1 pin. 830 - 829. Team Peter Harvey, Steve Garner, Graham Goff, Tony Hewson; Mike King and John Fretwell. Both teams played the game in the best sporting tradition.

The Rotary Club of Warsop

have a 16 seater self-drive mini-bus for hire to any community groups in the parish including youth groups, schools or charities.

The rates are:

£15 half day

£25 full day

£100 for the week

For more information please call: 01623 842025

Club Meetings

President Peter Harvey chaired the meeting held at the Hostess Restaurant. 29 members were present together with guests Jean and Barry Gregory, and Basanta who is from Bholam Pokhara in Nepal.

Future Events were highlighted including:

Help for Heroes Concert at the John Fretwell Centre on Thursday 18.3.10. The Minden Band of the Armed Forces will play. It is hoped that all 270 tickets will be sold to support this worthy cause. Price £10 each. Tickets from Claytons Garage Mansfield Woodhouse, The John Fretwell Centre at Sookholme Warsop or from any Rotarian.

Sportsmen's Night Friday 26 Feb at the John Fretwell Centre. Tickets £27.50p. Enquiries to Peter Harvey at the John Fretwell Centre.

Letters of thanks were received from a family at Shirebrook for a hamper sent from the club in their time of need. Another was received from the Framework Charity. A further letter was from Sister Susan from the Sisters of Mercy Charity

Last Monday, the club members had formed a guard of honour for the late Terry Easter former Past President of the club who died recently after a long illness and whose funeral was held last Monday.

Rtn Phil Lyons introduced to the club Basanta who is a 19 year old from Nepal who has just completed his initial training in the British Army. Together with him were locals Jean and Barry Gregory who together with friends and family have for years sent money to Sue Kemp who is an ex teacher who from time to time gives talks to the club regarding educating the Nepalese youngsters to give them a start in life. Through donations she can employ teachers and obtain writing and reading materials for these youngsters.

The club has supported her for a number of years and when he was seven Basanta came in contact with Sue. Through her he learned to read and write and talked to the club regarding his life. He was one of 19,000 people applying to join the British Army and was one of 227 selected from Nepal. Having successfully completed training at Catterick Camp, and he will then join the Queen's Gurkha Signal Corps and will volunteer to go to Afghanistan. A very proud young man who describes himself as one of the luckiest persons alive for what he has achieved. The club donated a £250 to be sent to Sue Kemp to continue her good work in Nepal and India.

Warsop Inner Wheel 2010

The January Inner Wheel Meeting at the Hostess Restaurant on 6th January was cancelled due to adverse weather conditions however President Anne Lyons would like to wish all members of Warsop Inner Wheel and the very many people who support us with our charity work;

A Very Healthy and Prosperous New Year.

An event was arranged to celebrate "World Inner Wheel Day" on 9th January at Langwith Bassett Village Hall. An evening with a light hearted Quiz with an International Cuisine theme for supper.

For any information about Inner Wheel visit our website: <http://www.warsopinnerwheel.co.uk>

Warsop Wives

On November 24th, members met at the Parish Centre and knitted squares on our Knit and Natter Night. There was also a bring and buy stall.

On December 1st, we all enjoyed our Christmas meal at the Parish Centre. Thank you to Janice and her helpers. We played quiz games and everyone received chocolates.

On December 15th we met at the Parish Centre. We enjoyed a drink and mince pies, sang Christmas carols and exchanged Christmas cards and gifts.

Due to the snow and ice we were unable to meet on January 5th. At the next meeting on January 19th, Joan Green came to talk about the continuing work of the Police Aid convoys. We would like to wish everyone a Happy New Year. Our charity for 2010 is the Air Ambulance. Thank you for supporting us.

On February 2nd our guest was Citizen of the Year, Andy Wetton and on February 16th, we had Tales from a Pitman with David Coleman.

MS UPDATE

Hi Folks, 2010!!!

Too late to really wish you all a **HAPPY NEW YEAR** (as it is nearly March), but I do hope you will all have a good one - full of love, laughter and happy times.

For our Branch, it is a special one - our 50th anniversary!! The Branch actually came into existence 50 years ago, on September 16th, 1960. Throughout the coming months, we are hoping to organise a variety of events to celebrate that notable occasion. I will tell you about each activity as the year progresses.

One event has already been written into the diary - the actual anniversary date, September 16th, 2010. A church service, a display of photographs and memorabilia from the work of the Branch over the last 50 years. If any of you have any connections to the Branch, or have known someone who has raised money for MS sufferers, we would really like to contact them. A call to me on 01623 643585, to give the information would really be appreciated, as we want to include as many as possible who have helped the Branch.

Our monthly Socials, the second Tuesday of each month, will continue to bring in speakers who will provide info to help our members, or we will have activities like chocolate making and race nights to bring fun and laughter to all. The buffet and bar will still be going strong this year!!

Hey, just for a change, this update will be a short one!! Don't worry your little cotton socks about that - believe me, I'll make up for it in the next issue!! I'm known for being verbose - in other words, I talk too much!!! Thanks for listening.

We would like to invite all children between the ages of 3 years and 16 years to join our Sunday school at 2.30pm to 3.30pm every Sunday afternoon.

Below are 5 reasons why our children like coming week after week.

1. We learn about Jesus and God with stories from the bible.
2. We pray for our family and friends.
3. We have fun with quizzes and games.
4. We sing songs and choruses.
5. We do activities and drawing and at Christmas we learn plays and carols.

Garden of Rest at The Parish Church

A polite notice from the Church Wardens.

Whilst we appreciate this is a really sensitive area for some of you that have chosen to have the remains of someone who you have loved in our garden of rest. Sadly some of you are placing flower arrangements, plants and bouquets on or near the plaque that marks where your loved ones remains are interred. This is not allowed; in the past we have turned a blind eye to those of you who needed to place a posy or single rose on special anniversaries, so long as you were responsible for removing it the following week.

As in the near future another body will be responsible for cutting the grass. It will be impossible for them to cut the grass with flowers that are all over the area at the moment.

We are going to remove all floral tributes during week beginning Sunday 7th March 2010.

We do appreciate that some of you do need somewhere to come to reflect on the life of the person you have loved, and maybe leave some flowers. For this reason we do have an area inside Church around our 'Book of Remembrance' area.

Also outside in September 2008 we opened our extension to the garden of rest which has a designated area for you to place your floral tributes at any time.

We do thank you for your cooperation in this matter.

Pat and Peter - The Church Wardens

THE ROYAL BRITISH LEGION

Our Pie & Pea supper was a superb start to our February meeting and a number of our Poppy Appeal collectors came along.

A donation of £222 was made to the Warsop Detachment of the Army Cadet Force towards a new Union Standard. This money was donated by members. A very interesting talk on the Wildlife of Warsop followed to round off an excellent evening.

Colour Sgt. Neil Annable accepting the donation from RBL member Mr Bernard Waby.

Our March meeting is at Mansfield Bellamy Branch on the 8th March. On the same night, the Memorial Club, Church Warsop has organised a 'Help for Heroes' Charity event which is open to all.

We are again sending 'Comfort' boxes to Afghanistan so names and addresses of serving personnel are welcome. All will receive a box.

FOCUS ON FITNESS

by Ann Thompson

Hello All,

I expect some of you will have heard of my accident with the ice on 13th January. Because of this I have not been able to write my usual article. Of course, the classes are cancelled for the time being and I can't give a date yet as to when the classes will start again but I would think it will be another couple of months. I will keep you up-to-date on my progress. I start physio this week - but I have already done a lot myself - can't hang about waiting.

Look out for new advert for core exercises coming soon.

Just before my accident I went to a great workshop on all the ways to tighten the core area plus a lot more. I certainly ached the day after.

Hope you are still exercising - keep moving.

I will be in touch next month.

Ann Thompson

WHAT'S ON at Warsop Library

26th February, 5pm - 7pm
Open to budding Manga artists aged 13 years and up. There will be a small charge of 30p for refreshments.

Police Surgery

Monday 1st March 3pm - 4pm.
For any police matters you'd like to discuss with your local law enforcement call into the police surgery at the library.

Volunteers into Employment come into library.

Warsop library has been host to Volunteers into Employment since September 2009. They hold free weekly drop in sessions where you can;

- Access the internet
- Use the telephone to contact employers
- Receive help with CV writing
- Access free envelopes and stamps for job applications

There is an advisor on hand to offer IT support and careers guidance. The sessions are held every Tuesday afternoon between 2pm and 4:30pm.

For more information you can contact the library on 01623 842322 or Faye on 01623 429334 Email: mwedd_faye@hotmail.co.uk

Book Review

Moonshine

This book follows on from Christina's earlier novels. As with the other stories this book features one of the residents of a small group of hamlets and villages in the English countryside. Cleo Moon recently parted from her cheating husband and is now living in a caravan and working at the 'big house'.

If she realised the effects the home made wine would have on the residents of Lovers Knot would she still have made it? Probably yes!!! Moonshine has had me laughing out loud and is a tonic for the grey winter skies.

A serving of Scandal

Kath McKinnon, a single mother and professional cook, has a small thriving business catering for private clients. The job fits round caring for her son Toby and all is well until she takes a job cooking at the Foreign Office. There she meets Oliver Stapler, Secretary of State, who is married, a father and totally off limits. However, Kath falls for him and they embark upon what she thinks is a secret affair. The press are dying for a story like this and know it will sell newspapers.

An entertaining fifth novel from cook and restaurateur Prue.

Fear The Worst

Tim Blake's daughter Sydney vanishes and she is not known at the hotel where he thought she worked. The time leading up to her disappearance is a mystery. Even her closest friends can't shed any

Christina Jones

light on matters. With the questions surrounding her whereabouts growing Tim realises that his daughter is the biggest part of the puzzle as well as being a stranger to him.

Tim searches for clues to his daughter's life and begins to discover a dark side to the seemingly ordinary town. What he doesn't know is that all the time that he is trying to find answers, someone else is watching him.

Finding Sydney is on someone else's agenda too and there's even more trouble to come. Tim edges towards the truth and following close behind him is that trouble. The looming evil for Tim may only be beaten by his overwhelming love as a parent..

Pirate Devlin

Mark Keating

Patrick Devlin is a young, French speaking, pirate recruit. He encounters an injured French officer off the West African coastline who has a secret which he is desperate to keep but a soon and violent end to face.

Devlin "acquires" new boots and a treasure map from this episode. Brutal encounters, subterfuge and broadside barrages take the pirates, and those who wish them dead, through their adventures. Blackbeard, Portuguese colonial governors, Royal naval officers and many men of the sea crop up in this story. But Pirate Devlin is most impressive. His life as a servant is history but the man he once served on board a British man-of-war is now sworn to kill him. This book is likened to a "Sharpe of the high seas" and is a gripping read.

These books and many more, including recently published novels by favourite authors; Henning Mankell, Joanna Trollope & Josephine Cox can all be reserved for a small fee (currently 25p) from Warsop Library. Tel 01623 842322.
