Questionnaire

Pick one up from the Town Hall, Wettons, Clumber Pets & Meden Vale Charity shop or go on-line www.warsopweb.co.uk

We need your views to help us better utilise and sustain our pool.

What are we doing...

The working party which includes Parish Council and Warsop residents, have undertaken the following activities in order to try and prevent the closure

- Review Swimming pool income and expenditure
- Review recent structural survey
- A business case will be drafted which will include investigation of alternative options to generate revenue at the swimming pool and the impact of pool closure on schools and other pools in the area.
- Seek alternative funding options
- The Political challenge to MDC on the decision to close the pool will be maintained
- Notts County Council currently provide financial support towards the upkeep of the pool and they will be approached regarding the amount they can continue to contribute

What can you do...

If you have any ideas or can identify funding to save our pool from closure, please contact Tania Barlow at the Town Hall on 01623 846011.

WAR SOP CARNIVAL

Our theme this year is the 1960's!

You don't know anything about the sixties....then read on! For those who do remember take a trip down memory lane.

The first man in space & England won the football World cup!

The population in Britain in 1960 was about 53 million. The average house price was £2,530, a loaf of bread was 5p, a season ticket to see Manchester United cost £8.50. People could buy sliced bread and plastic buckets. CoCo Pops were launched in 1961, Ice lollies and choc ices on sticks became very popular.

For the first time, virtually all houses had electricity and most houses now had a refrigerator and a cooker. Most homes had televisions by the end of the decade. The audio cassette is invented, Touch-Tone telephones are introduced and Sony markets the first home video tape recorder.

Coronation Street first aired in 1960. BBC 2 went on air in 1964 and was the first channel to have colour in 1967. Dr Who first appeared on television during the 60s.

The first computer video game, Spacewar, was invented. The first successful Minicomputer, Digital Equipment Corporation's 12-bit PDP-8, is marketed. We saw the first public demonstration of the computer mouse, video conferencing, teleconferencing, email,

and hypertext. Arpanet, the research-oriented prototype of the Internet, was introduced.

The Beatles began their career. They leapt to fame in 1963 with 'Please, Please Me'. The Beatles moved through the late 1960s as favourites of the 'flower power' generation - many young people enjoyed 'hippie' music. Other teenagers preferred the music of the 'Mods' - ska music and The Who. Elvis Presley, Chubby Checker, Cliff Richard, The Kinks, The Rolling Stones, Dusty Springfield, The Monkeys, Jimmy Hendrix.

Doc Martens boots, Teddy Boy suits, Mop top hair, Wigs, The Twiggy look, Mini skirts, Paisley, Body

art & Love beads. Etch-a-sketch, Skalextric, Mousetrap, Sindy Dolls, Mr Potato Head, Spirograph, Action Man, KerPlunk, and the Spacehopper

Concorde made its first supersonic test flight. New cars of the 60s included the Capri (1961), Consul Cortina (1963) and Ford Escort (1968) in 1966, the first Intercity train was used, which could travel much quicker than old steam and diesel trains. Many trains now run using electricity, which is much quieter and cleaner.

So now you know all about it don't forget to join us on the 18th July 2010!

EDITORS LETTER

We had a lovely Easter holiday in Scotland, so relaxing and we even had a couple of days of sunshine, I know it's hard to believe!

The weather is picking up at last with a few days of sunshine then a few days of rain, I'm just hoping there is a summer round the corner!

After years of debate and design we have 2 art projects for Warsop: The EGG sculpture on the Carrs was installed just before Easter the Market Cross will be installed soon. The items to go in the time capsule underneath the cross are in my office waiting for the casket to be made, there is quite a variety of things all accounting for our history in the Parish.

Our campaign to save our swimming pool continues and the Town Hall will soon belong to the Parish Council.

Enjoy your bank holidays and let's hope they are fine and warm!

Promote Your Business by Advertising in Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Size	Cost	Size	Cost
8cm x 2cm	£11.00	8cm x 12cm	£66.00
8cm x 4cm	£22.00	8cm x 14cm	£77.00
8cm x 6cm	£33.00	1/4 page	£88.00
8cm x 8cm	£44.00	1/2 page	£160.00
8cm x 10cm	£55.00	Full page	£280.00

With rates like these you can't afford not to!

Gardening Monthly...

The month of May is a time when the weather can either turn your garden into an Eden, or a wasteland. Be aware of the weather forecasts and trends.

Gardening guides and hardiness zones are based on past years averages, and can't predict a freak frost or snowstorm, or a prolonged spring drought. If a frost or cold weather is in the forecast, protect your tender plants with a mulch, newspapers, light cloth or some type of overnight protection or a frost cap made with clear poly film tented over the plants. (Be sure to remove the plastic tent as soon as the danger is over or your plants will bake in the sun).

On the other extreme, if the weather is sunny and dry, don't neglect your watering. Most flowers and shrubs need about an inch of water each week to perform well, and newly planted seedlings will perish if their roots are allowed to dry out.

May is also a time of gardening inspirations and dreams. Look around yourself and notice what your neighbors are growing in their gardens and what they are creating in their landscapes. Think of how you might utilize some of their ideas along with your own brainstorm to make your garden just a lil bit better.

Here are a few May gardening projects that you can do to help keep your garden looking its best the rest of this season.

GENERAL TIPS

Slugs and snails are out in full force right now. Be sure to take steps to control them now, before they have a chance to reproduce and devastate your garden.

The first flowers you'll see will be your weeds. Work to eliminate the weeds (roots and all), before they have a chance to go to seed, or you will be fighting them for years to come!

The compost pile should be getting a lot of use these days, both in utilizing this prime garden resource, and adding fresh garden refuse to it. The compost pile should be kept damp. Frequent turning will turn your garden waste into flower food much faster.

SHRUBS AND TREES

It's still not too late to fertilize your trees and shrubs. Use a 'Rhododendron' or an 'Evergreen' type of plant food to feed evergreens and acid loving plants like Rhododendrons, Camellias, Azaleas, and Junipers, etc. Use an all-purpose garden fertilizer (10-10-10) to feed roses, deciduous shrubs and trees. Be sure to water the fertilizer in thoroughly after it is applied.

Early flowering deciduous shrubs should be pruned back when they have finished blooming. Cut back a third of the oldest canes to ground level, then cut back one third of the remaining branches by one third of their height.

Remove the wilting seedheads from Rhododendrons and Azaleas, the plants energy will go to foliage growth and next years flowers, rather than seeds.

Work lime in the soil around your Hydrangeas to produce pink flowers or Aluminum Sulphate for blue.

Remove any sucker growths from fruit trees as soon as they appear.

Keep a vigilante eye on the roses. Keep them sprayed for aphids and other pests and diseases such as black spot.

Pines and other conifers can be kept to a compact size by pinching off the new growth 'candles'.

Lilacs should be pruned lightly after they finish blooming, removing sucker growths and dead blooms. Feed lilacs in May with a good all purpose fertilizer.

PERENNIALS, ANNUALS, AND BULBS

Summer flowering bulbs can be planted this month. Gladiolus bulbs may be planted at 2 week increments until the first of July to provide you with cut flowers until the first frost.

Break off wilting Tulip or Daffodil heads but continue to feed and care for the plants until the foliage has died back naturally. Old plantings of Daffodils may be divided and moved when they have finished blooming, but treat them as growing plants and use care to protect the foliage and roots. Water them thoroughly after transplanting. It is best not to dig or move other spring flowering bulbs until their foliage has ripened and died back.

Lightly sidedress perennials with an all-purpose 5-10-10 or 10-10-10 fertilizer. Promptly remove spent flowers from any plant unless your intent is to harvest the seeds.

FRUITS AND VEGGIES

Carrots, lettuce, potatoes, corn, beans, peas and most popular vegetables (with the exception of the warmer weather crops) can be seeded or planted into the vegetable garden at any time now.

Wait until mid to late May before planting the warmer weather crops like tomatoes, squash, cucumber, pumpkins and peppers.

With a little luck, you may begin to see the first fruit on your strawberries by late this month. The birds will enjoy them very much if you don't provide some protective netting over them. Newly planted strawberries should have the blossoms picked off until they become well established. Gourds may be planted late in the month, if your growing season is long enough.

LAWN

May is a good month to repair your lawn. Fill in the bare spots by slightly loosening surface of the soil and sow a good quality lawn seed over the area evenly. Tamp the seed in gently and water. Keep the patch moist by covering with light mulch of lawn clippings. This is the time to eliminate lawn weeds by hand pulling, or the application of a 'weed and feed' fertilizer.... before they go to seed!

Setting your mower for a higher cut during the spring months will help the grass to grow in fuller and help choke out the weeds.

Bird Notes...

Spring is just about started although as yet there is very little sign of any migrants in and around Warsop, except for a solitary chiffchaff or two.

As there is always a certain proportion of the British chiffchaff population that does not migrate as far as the others-some may not even leave Britain and spend the winter here, with us, they are usually one of the first migrant species to return to their prospective breeding areas.

As yet (15th Apr.), I've seen no swallows or martins at all! I'm sure though that someone must have seen the odd one locally, especially on one of the finer days and a quick perusal of the Notts. Birdwatchers internet site confirms this. There have been sightings of both sand martin and swallow in very low numbers in Warsop parish or very close to it and looking at the weather forecast their numbers will remain low until the weather warms up for more than a day or two in a row and gives the winged insects chance to take to the air and kick start this years breeding season proper!

I'm sure by the time you read this that it'll be all lovely and warm and we will be watching the return of the swifts to our airspace and hopefully be hearing a cuckoo on the Hills and Holes. On the Mill Dam the swans are nesting, I've not seen any eggs yet; the female is always sitting tight when I go past.

You may have noticed the three pairs of coots that have built their nests on the water near the swans nest. The one nearest the silt trap has been constructed underneath the hanging bough of a tree and is mainly made from sticks, as is the one further around the corner, past the swan's nest, which is also built under a trailing branch. The one that has been built in between these two is situated just in front of the swan's nest, in the small phragmites reed bed and is made mostly of reeds.

This may seem a trivial observation but it shows that the coots are making an attempt to camouflage their nests, to blend them into the scenery and protect them from predation. It also shows that they are not hard wired into making a nest a certain way; that they can adapt to a changing situation, to take advantage of different opportunities. Or is it that they can only build the type of nest that their genes "tell" them to build, be it either one of sticks or one of reeds and so can only build nests where there are either sticks or reeds present. Or it could be that they just choose a likely place and they use whatever the materials that are nearest and easiest to gather around them, stuff that the neighbours won't give them too much grief about when they collect it.

Here's to a grand summer! - B.A.

P.S. Is it a buzzard, is it an osprey, is it a red kite, what is it? Keep your eyes peeled skywards, improve your bird of prey identification. ("Oh, it's a wood pigeon") :-)

WARSOP

Footpath & Countryside Group

Spring has finally arrived a few weeks late this year with wildlife events occurring around the dates we encountered about ten years ago. This demonstrates what short memories some of us have! Looking at the data for 2001 I can predict that in the next week we should be seeing hawthorn blossom, oak leaves and red admiral butterflies.

One of the signs that summer is on its way is the return of swifts in early May. The sight and sound of them swooping and screeching between the houses and soaring high above the rooftops on a warm summer evening must be a favourite feature of summer. In past years they have nested under the eaves of our house and it has been fascinating to watch their high speed entry into our loft. Recently there seem to be fewer swifts around and they have not nested as frequently although they usually check out the site. This impression is confirmed by reports suggesting that numbers have declined by around a quarter during the last 25 years. Two significant factors seem to be the loss of nesting sites and a shortage of insects. Most swifts nest in roof spaces, entering under eaves or through roof tiles. Some swifts nest in holes in brickwork. Unfortunately, these sites are all too-easily removed during property renovation, denying swifts opportunities to nest. If you live in a party of Warsop where swifts are seen you can help in several ways. If you have an older property where they can fly under the eaves do not block off the space. If you are building an extension you can incorporate a terracotta swift box into the wall or you can simply install a swift nesting box under your eaves. This group is willing to help anybody in Warsop who wishes to encourage swifts to nest and we have funds available to help with the cost of boxes. Get in touch if you want to find out more.

The site of Jerusalem's Well on the edge of the Forest at Gleadthorpe has had a lucky escape recently. The new

multi-user route passes close to the hollow marking where the well once was. However this remnant of Warsop's history should survive thanks to Andy from the Forestry Commission who fenced off the site and briefed the contractor. If you are a cyclist and have not yet investigated the resurfaced path from the Broomhill Lane sewage works into the Forest it is well worth checking out. It also has an impact on the work of this group as we no longer need to cut the grass along the route!

The next Footpaths Group walk on Saturday 15th May will be rather different to our usual format. We are planning to take two short walks around woodland nature reserves near Eakring and Kirton so that we can enjoy the displays of spring flowers. We should also be including a pub lunch between the walks and we will be sharing cars. Any dogs that come along will need to be kept on a lead to avoid disturbing ground-nesting birds. We will be meeting outside Warsop library at 10am. Get in touch if you would like to come along or would like more details. Our provisional walks programme for the coming months can now be viewed on our website www.wfcg.org.uk

Our Secretary can be contacted on 01623 846281.

Mad Scientist comes to Warsop

On Saturday 27 March Warsop Library opened its doors in the afternoon for a special visit from Dynamite Dave, a scientist from the Mad Science – East Midlands group.

Pictured are the winners Christine, Sarah, Mary and Sharon. The prizes were presented by Mary Chapman one of our volunteers

Dave led an interesting discussion on the eye and optical illusions complete with lots of hands on experiments for the children to 'have a go'. We learned all about why we can't see very well in the dark, not much to do with carrots sadly, and why we see one thing and our brains tell us it's something else.

The highlight of the afternoon was making our own periscopes. Much merriment and chaos ensued until mirrors were tucked into the correct slots and the final piece of cardboard was glued into place. The children were all allowed to take their creations home, lots of snooping from behind sofas and chairs was anticipated...

Easter Bonnet Parade

Jigsaw staff, volunteers and service users enjoyed activities and a meal at the Rushley on Wednesday 7th April.

The highlight was the Easter bonnet competition.

Alexander McCall Smith

This is the 11th outing for Mma Ramotswe and Mma Makutsi. They are called to a safari lodge in Botswana's Okavango Delta to help track down a safari guide. The Okavango makes Precious appreciate once again the beauty of her homeland: it is a paradise of teeming wildlife, majestic grasslands and sparkling water. However, it is also home to rival safari operators, fearsome crocodiles and disgruntled hippopotamuses. A quite relaxing read full of the style and quality we expect from this prolific author.

The Vampire Diaries - L.J. Smith

If you liked the Twilight series this may be one for you. Written with a little more descriptive horror and definitely a little darker in content; none the less another addictive read. The series starts with The Awakening: Elena Gilbert is used to getting what she wants and she wants mysterious new boy, Stefan. But Stefan is hiding a deadly secret - a secret that will change Elena's life for ever ... Read them if you dare!

RANDOM - Craig Robertson

The Cutter is the name given by the media to a serial killer who is terrorising Glasgow. The killings show no pattern or motive and even the method differs each time. The only connection is that each victim has had the little finger of their right hand severed. DS Rachel Narey has to work out the key to these random murders. How and why the victims are selected could put the police well on their way to catching the killer. The police, press and the involvement of a threatening figure from the Glasgow underworld seem to be closing in on The Cutter but as his plans are put at risk, it could have horrifying consequences.

TRAITOR - Duncan Falconer

A sixth thriller starring Stratton finds him doing penance for MI 16 after a surveillance mission in Sevastopol went badly wrong. The government organisation is a clandestine one which creates weapons equipment for the special forces and secret service. Sevastopol has started something. The Morpheus oil platform in the North Sea has been hijacked and they want 2 billion dollars...inside 24 hours, or the bodies will start falling. The SBS is overstretched and its surveillance team are locked down so the only option left is Stratton, who needs to redeem himself, and a team of unproven operatives from MI 16. One of the men on the rig is an old friend and Stratton intends to save him. Unfortunately one of Stratton's team is a traitor with their own agenda...and this is just the beginning.

These books and many more, including recently published novels by favourite authors; James Patterson, Jodi Picoult & Stephen Booth can all be reserved for a small fee (currently 25p) from Warsop Library. Tel 01623 842322.

FOCUS ON FITNESS

by Ann Thompson

Nutritional Information You can Trust

Diet is so important. I am going to give you 5 simple nutritional rules to stay lean.

- Rule 1** Eat more vegetables, you can eat unlimited amounts of green vegetables especially.
- Rule 2** Eat more protein at every meal fish/chicken/tofu/turkey etc.
- Rule 3** Snack on nuts NOT peanuts they contain 27% fat by products. Try cashews/macadamia/almonds/mixed nuts/seeds, but remember nuts are very high in calories so only a handful – not the whole packet!
- Rule 4** Go easy on fruit, contains natural sugar so will give you a high - followed by a low. Chose berries over bananas.
- Rule 5** Try to eat every 3-4 hours even if it's a handful of nuts or a boiled egg. Drink plenty of water.

Remember, no animal needs an alarm clock to wake up!

THE OAKLANDS

Oakfield Lane • Warsop

OAKLANDS UPDATE

The Oaklands is a registered charity with three residential bungalows providing care for adults with learning disabilities. One of the bungalows is designated for respite care and provides much valued support to many families every year. The other two bungalows provide long term care for our residents; their relatives are always made welcome and visit regularly. We also have a Community Centre which after recent refurbishment is one of the top community facilities in this area; this is used by the public and ourselves.

Both the bungalows and the Community Centre have been awarded a 5 Star Excellent Award by the Environmental Health. The bungalows, following the recent inspection by the Care Quality Commission, have been awarded an Excellent Certification; this is an award which is not given lightly.

On behalf of my fellow trustees I would like to thank: The Oaklands' managers: Brenda Bird - Residential Manager, Cheryl Nattriss and Dave Wint - Deputy Managers, Jill Robinson - Funding/Office Manager and Phill Pendered-Wright - Centre Manager for their professionalism and dedication to The Oaklands. I would also like to thank all the staff and volunteers for their hard work, excellent attitude and commitment to the residents, respite and each other. They are very special people who do magnificent work.

As trustees we feel honoured to be involved with The Oaklands and hope it continues to prosper.

Steve Lunn - Chairman - Executive Committee/Trustees

Monday 29th March 2010

President Peter Harvey reported on the 40th Anniversary Charter of the club held on Monday 29th March when over 126 Rotarians and guests attended from Derbyshire and Nottinghamshire. The entertainment was by Lesley Smith who came dressed as Elizabeth 1 and gave a brilliantly funny and witty story of her life and times.

Thursday 1st April 2010

President Peter Harvey chaired the meeting of the club at the Hostess Restaurant on Thursday 1st April 2010.

A total of 22 members were present. Guests were as follows: Major Tony Eaton, Julie Eaton, Hannah Harvey, Kayley Pitchford and George ??

Major Eaton is the Volunteer Coordinator for the Help for Heroes charity and informed the club that a total of £46 million has been raised for the charity, which apart from wounded service personnel also helps the Royal British Legion, S.A.F.A., and other such charities. Of the monies raised, £34 million has been spent, and a project is underway to raise a further £20 million for recovery centres to be built staffed and located near to barracks in to try to get service persons to get back to work in the services. £8 million has been spent on Headley Court Rehabilitation Centre including a £2 million therapy pool. A further £3.5 million on combating stress. He also highlighted the fact that for every pound raised £1.10p. went to the charity.

The club at the Minden Band Concert recently raised £3,000 and a cheque was presented to Major Eaton on behalf of the charity.

Hannah Harvey and Kayley Pitchford organised a bag pack at Morrison's at Woodhouse and raised £250. A cheque for this amount was also presented by them.

Notices of motion was agreed to give £225 to Chernobyl Lifeline Project for the purchase of a Casino table for fund raising events, £50 for the Young Enterprise Scheme and £1000 towards the decorating of the Warsop Parish Centre following refurbishments. A cheque was also given to Paul Dennet towards his future trip to Kenya to help with stationary in schools in a deprived area.

Public Participation

Members of the public attended the meeting to air their views on the proposed Tesco Store coming to Warsop. Concerns were raised from residents on Burns Lane regarding extra traffic, road safety and noise. Concerns were raised from other residents regarding the car parking provision and existing businesses. The Chairman and Councillors addressed their concerns and will feedback to MDC as they are the planning authority and will have the final say. One resident asked about brown bins on Portland Street, Cllr Crawford said they should have them soon. One resident asked about the Town Hall being fit for purpose regarding disabled access for the Council Chamber. Cllr. Kerr replied that the Parish Council will be looking at ways to improve the building. A short presentation was given by Helen North from NCC regarding the recent transport survey sent out to all households in the Parish, lots of ideas have already been sent in and are being looked at by Highways, Helen will produce a report on the findings.

Crime & Disorder

PC Wayne Bennett delivered his monthly report highlighted that crime figures are down on last year. The diversionary tactics for ASB seem to be working well with fishing and football matches on Friday night. There are still issues on High Street on a Friday night but the Police are determined to combat this. Landlords are helping by refusing to sell alcohol to underage drinkers.

The Carrs

A presentation was given by David Halford-Wright MDC regarding the proposed heritage centre. There are two suggested sites - Site 1 - Replacing the old toilet block near the play area. Site 2 - In the mill pond, beyond the willow trees, with a view of the Church and the Mill. Both buildings are elevated to avoid flood damage and will provide classroom facilities, a café with indoor and outdoor seating, toilets and a total of 3 play areas for different age ranges. It will be built mainly in timber with a green roof and wall depending on what funding is available, the cost will be under £1million.

The Future

The 54th meeting of Meden Vale the Future was held at the Village Hall on Monday 12th April 2010. 6 members of the Committee were present plus 1 Representative from the Youth Club, 1 Representative from the Playscheme, 1 Representative from West Notts College and 1 Representative from Fundsport UK and 2 Representatives from the Police. There were 3 apologies.

Fundsport UK reported that site work had commenced on marking out the pitches, groundworks for the pavilion and Multi-Use Games Area (MUGA). It was confirmed that two additional Trustees (including one from the Football Club) had been appointed to the Welfare Committee. The £10,000 raised as Meden Vale's contribution to this Project will be transferred to the Development Fund Account at the end of the month. Fundsport UK is now in position to apply for additional funding which will hopefully cover the cost of the proposed Playarea, boundary fencing and car parking facilities for the pavilion.

The Representative from West Notts College reported that a Food Hygiene course has been arranged for Wednesday evenings, start date to be confirmed. A Cake Icing course has also been arranged to commence in September.

The Treasurer advised that the Accounts were satisfactory but expenses in connection with the building and Public Liability insurance plus electrical maintenance work were still to be paid.

The Chairman advised that all electrical work, including PAT testing and repairs to the main room lighting had been completed. The Chairman reported that the Annual Charity Return had been submitted to the Charities Commissioners for the year ending 2009 and this had been accepted.

The Secretary advised that a set of guide rules for hire of the Village Hall will now be displayed and copies handed to each hirer.

Next meeting will be held on Monday 10 May 2010 at 7.30 pm at the Village Hall. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Henshaw and Hynd set for World Champs?

World class performances from Mansfield swimmers Charlotte Henshaw and Sam Hynd have put them both in the frame for selection for the International Paralympic Committee (IPC) World Championships later this summer.

Charlotte and Sam both achieved Team GB qualifying standards at the DSE International Long Course Championships, held at Ponds Forge International Pool over the weekend (16-18 April 2010).

Charlotte (23) stormed to a fantastic victory in the Multi Disability 100m Breaststroke, becoming only the second SB6 100m Breaststroke swimmer ever to go under the 1.40 barrier for the event.

Her time of 1.39.7 seconds was just shy of the current world record for the event held by Charlotte's big rival Liz Johnson of Bath University. Charlotte, swimming next to the Bath swimmer in the final, took victory over her rival by nearly 0.5 seconds, in a tremendous race.

She can now look forward to the World Championships in Eindhoven, Holland in August this year where she will again be looking to add to her international medal collection after also becoming IPC European Champion last year.

Paralympic Gold medallist, Sam Hynd (currently training and studying in Swansea) also had an excellent meet, gaining the qualifying times for both the S8 400m Freestyle and SM8 200m Individual Medley as well as taking Gold in both events.

Sam will be looking to add to his collection of medals in the summer, particularly in his favoured 400m Freestyle, where he is currently Paralympic, European and World Short Course Champion. He only needs the World Long Course title to make the set.

Sam's younger brother, Oliver Hynd also had another very successful meet and looks an increasingly good prospect. Ollie smashed his personal best in the S10 400m Freestyle by three seconds to become the second placed British swimmer, albeit to just miss out on an individual medal. He also swam a great 200m Individual Medley again in a personal best time.

His outstanding performances turned a few heads at the championships and shows that he is rapidly improving in all disciplines.

Charlotte, Sam and Oliver are all graduates of the Mansfield District Council Swimming Development programme, supported by Notts County Council. Charlotte and Oliver train at Water Meadows as part of the Mansfield Nova squad, under the guidance of Mansfield District Council's Swimming Development Officer, Glenn Smith.

THE ROYAL BRITISH LEGION

Would you like friendship, some good outings and a warm glow knowing that you have helped others less fortunate than yourself?

If you answer yes to any of these questions then why not become a member of the Royal British Legion.

Is the Royal British Legion relevant today?

Look at this picture.

Help for Heroes are spending millions to build PRC's (Personal Recovery Centres) and these will help meet the needs of existing staff returning from Afghanistan with horrific injuries but who will meet their needs when they leave the Services? Who helps bereaved families when the main breadwinner is suddenly gone after giving their life for their Country?

The Royal British Legion will be there to give aid for the rest of their lives, as well as maintaining these PRC's once they are built. You do not need to be ex-services to become a member although many are, I myself have never served in the military! In 2008, The RBL spent over £100 million helping with a huge range of issues, including counselling, job retraining, skills assessment, getting the right pensions and benefits, advice and interest free loans for setting up small businesses, welfare grants, pilgrimages to war graves, convalescent and nursing care, and home and hospital visits.

Come along to a meeting and see what we do, or contact me on the details below.

Our May meeting is on Monday the 10th at the Memorial Club, Church Warsop.

Warsop Community News...

Warsop Inner Wheel 2010

President Anne Lyons hosted the April meeting on Wednesday 7th April 2010 at the Hostess Restaurant, Sookholme with 29 members and three guests, 9 members apologised. President Anne opened the meeting with a warm welcome to prospective new member, Sharon Smith and speaker for the evening, Robert Allen and his wife Marian. Robert and Marian gave us a musical illustrated talk which was a type of quiz involving music from "Down Memory Lane". They brought along large quantities of long playing records from bygone eras and we were asked to name the artist /tune of some tracks! It brought back a lot of old memories for all of us including the sound of the stylus scratching on the record before the music began!! Many members still have some of these LP records- why have we kept them we asked ourselves?? An evening of amusement was had by all. Lynne Goff gave the vote of thanks.

President Anne then proceeded to give her report, she had attended the Rotary Club of Warsop, Shirebrook and Districts Charter, also the Charters of Newark and Carlton Inner Wheel Clubs. Anne will also be attending the Association Conference in Bournemouth along with many members from Warsop Inner Wheel. Jean Nock gave the secretaries report and forthcoming events. Gloria Humphrey gave the up to date treasurers report. Lesley Palmer gave the overseas report, a knit and natter had been held at Lesley's home where many blankets, and squares along with baby bangles, these items have been taken to the Police Aid Convoy for distribution. A "Knitters Tea" has been arranged for 7th May at Oakland's Centre Warsop to say thank you to everyone who helps with the knitting - are you any good at knitting? Could you spend a few hours knitting blanket, squares, or baby jackets? If so - you could help support us with our overseas charity work.

Christine Fretwell gave the charity report; she thanked everyone who had supported the tombola event at Thoresby Craft Fair, despite the inclement weather we managed to make a profit of £668, all the proceeds this year will be going to Rainbows Children's Hospice, a very worthwhile charity I am sure you will all agree.

Christine is also arranging a "Spring Serenade" Flower Arranging Demonstration in by Mavis Allin on 12th May at the John Fretwell Centre, Sookholme. The proceeds from this event will go to NSPCC.

Tickets £7 - 2.00pm for 2.30pm light refreshments included. Tickets only - available from Warsop Inner Wheel Members.

At the End of the evening our treasurer and past District Chairman, Gloria Humphrey, reported on her recent visit to New Zealand visiting relatives. Whilst there she contacted the local Inner Wheel Club and was lucky enough to be invited to the NZ298 District Assembly at Balclutha on 18th March, she was invited to light the friendship candle and speak about District 22 in England and also about Warsop Club. Gloria's Mum and Auntie were asked to join in with celebrations and had a wonderful evening of friendship and fellowship - a holiday Gloria will treasure forever.

The meeting closed at 10pm.

Warsop Hospice Support Group held their first event of 2010 which was a beetle drive with Pie and Peas supper which together with a raffle raised £210.40. Thank you to everyone who supported us.

Warsop Men's Probus

Meeting of Warsop Men's Probus Club was held at 1030 am on Wednesday 24th March in the Fitzherbert room at Warsop Parish Centre. The President Mr. Brian Bennett presided and welcomed 32 Members and guests to the meeting.

On completion of the current business of the Club, Mr. Bennett went on to introduce the Speaker of the day, who happened to be one of our own members, Mr. David Morris. The title of his subject was The Memoirs of a Cold War Conscript, which detailed his experience during his National Service between 1955 and 1957 during which time he learned the Russian language, on a particularly intensive course, in order to become a member of an elite group which could monitor the intelligence of the Russians as they transmitted by wireless to their troops who were in close proximity to Western Europe.

Mr. Morris made his talk not only very factually correct, but injected lots of humour into it also, he managed to keep us all on the edge of our seats as we listened to him.

The President closed the meeting at 1200 and the host of the day, Mr. Jack Etches gave the vote of thanks, 32 members sat down to an excellent lunch after Grace said by Mr. Eric Simpson.

The Committee meeting of Warsop Probus Club met in the Stables bar at the Parish Centre on 10th March 2010, committee members present were Brian Bennett President Peter Walker Secretary, David Morris Treasurer, L. Wigg, Jack Hadfield, A Mallatrat, Tom Hughes remains as Schools Liaison Officer, dealing with this coming years Bradley Award.

Mr. Bennett proposed that a new Vice President should be appointed to refill the vacancy, caused by the death of Mr. Jack Winfield the previous V.P. no nominations had been presented so far, but the item would be brought before the AGM with a view to resolving the matter as soon as possible. Discussion on the likely places to visit, on our two forth coming day trips took place and were deferred until later, giving time for arrangements to be made regarding numbers and payments etc. preliminary discussions had already taken place with the bus company.

AGM - this meeting followed on in the bar at 1100 am. Treasurer David Morris indicated that a successful audit had been carried out by Hugh Ashton and Alan Nickless and the balance sheet showed that another year of good house keeping had taken place, with the money in the bank remaining at roughly the same as last year. Subscriptions would therefore be able to remain at the same level for another year £20.00. This was proposed and seconded by L Wigg and J Hadfield, and approved by a show of hands.

Because of the lack of nominations, all the current officials of the Club were asked if they were prepared to stand again for re-election. On confirmation of their willingness, a show of hands was called for and their re-election was approved. On the President's intervention, a nomination was made for Mr Les Nickless to be elected to the Vice Presidents office, this was approved, and proposed by Brian Bennett, seconded by Jack Hadfield and unanimously approved by members.

Club Officials are now as follows for the next year,

Brian Bennett	President
Peter Walker	Secretary
David Morris	Treasurer
Les Nickless	Vice President and Attendance Officer.

The President asked at this point that members give some thought over the next year to the introduction of some new faces and fresh ideas into the Club, which could be advantageous and of benefit to all.

Peter Walker - Secretary Probus Club

Warsop Wives Group

On March 16th our group celebrated its 45th birthday with a party and entertainment at the Parish Centre. We reminisced about past events and also things we hope for the future.

Memories included all the years we've supported Warsop Carnival by decorating floats and manning stalls and the enjoyment we've had. We hope that it can continue as most people enjoy carnival day on the beautiful Carrs, we're so lucky to have this open space. Other memories are the garden parties held at Perl's and Ann's homes and also the visits from other groups to our hospitality nights and the many friends we've made. I mustn't forget the many charity shops we've held in various empty shops in Warsop and the kindness and generosity of Warsop people who have supported us and supplied us with tea and cakes and various prizes to use on our stalls. I also want to thank all our members for always donating cakes and prizes when we've asked them.

On March 30th we welcomed Jade Haslam to our meeting. She demonstrated various beauty therapies and treatments on members. Plans are still going ahead for the Band concert on April 27th at 7.30 in aid of Air Ambulance.

Future meetings are May 11th - Warsop Wildlife. May 16th - taking part in the 3 Parishes Walk. May 25th - talk by citizen of the year, Andy Wetton.

Irene Hodgson.

Pot Black Market Warsop Workingmens Club Win the Title

After a grueling season The Market snooker team (still under the name of Warsop Workingmens Club) clinched the Worksop & Retford Snooker league title after an epic battle with rival title hopefuls "Notts Arena" and in a true nail biter they won it on the last ball of the last game of the season!

Fearing the worst with influential Captain Gary Hartley at home in bed with a back injury, the remaining team players of Ady Westwood, Ian Scott, Paul Scott and Steve Munnings went into battle with the title at stake.

It all came down to the very last frame with Ian Scott pitched against arguably the leagues top player, and a semi pro, Darren Pressgrave. It was ding dong affair which led to Pressgrave needing just the Black to snatch victory, the room held its breath as Pressgrave guided a perfect pot to sink the black, the Notts Arena players started their celebration, but wait!! where is the cue ball going? IN OFF and the "Warsop Workingmens Club" players went wild as the last ball of the game, the white, secured them the league title. WELL DONE LADS lets hope England get the same rub of the green in the World Cup.

Air Cadets April '10 Report

So far this year the cadets of Warsop squadron have been enjoying a variety of activities. Cadets have been both flying and gliding, adventure training camps and preparing for the forthcoming inter squadron competitions.

Cadets travelled to RAF Cranwell in Lincolnshire for a flying, known as an Air Experience Flight. Cadets take to the skies in a 2 seater light powered aircraft, a Grob Tutor. Air Experience Gliding takes place at RAF Syerston in Nottinghamshire. Cadets gliding experience takes place in a Vigilant 2 seater glider. For both flying and gliding a flight lasts between 20 to 30 minutes with cadets taking control for approximately 15 minutes, even on their first flight. Cadets are shown what it is like to be a pilot, they are shown how to navigate an airfield in order to get to their aircraft as well as how to get in and out of the aircraft.

Cadets from the squadron also attended a weekend adventure training camp at East Midlands Training Area at Beckingham, Lincolnshire. Cadets arrived on Friday night and were shown to their accommodation and met cadets from other squadrons that were in their team. The cadets started activities on Saturday morning and took part in sport, foot drill, fieldcraft, pioneering, first aid and orienteering until Sunday afternoon. Cadets enjoyed some spare time on Saturday with a disco.

The staff and cadets of the squadron have been working hard to prepare for the annual inter squadron competition, known as Wing Field Day. This is a chance for all 32 squadrons in the Wing (covering Lincolnshire, Derbyshire & Nottinghamshire) compete to establish which squadron is the best. Cadets will compete against other squadrons in series of events, including erecting a 12 man tent, sport, foot drill, aircraft recognition, aircraft modelling, first aid, shooting and photography. The competition takes place in June so look out for the results.

The staff and cadets would like to welcome back L/Cpl Paul Greenaway. Paul is currently a civilian instructor at the squadron but is also a member of the Mansfield TA. Paul has been away from the squadron for the past 6 months, he has completed a tour of duty in Afghanistan. The cadets and staff are extremely pleased he has come back safe.

Next month the cadets will continue to prepare for Wing Field Day and for the inter squadron athletics competition. The cadets are visiting Warsop Fire Station to see what it is like to be a Fire-fighter. Cadets will also be speaking to serving members of the RAF about what life is like in the RAF.

If you know anyone aged 13-17 years, and think they might be interested in joining the air cadets then please get in touch with the squadron on 843978. The squadron parades between 6.30pm and 9pm on Mondays and Wednesdays. Also if you are aged 18+ and want to help out at the squadron then contact us on the same number as we have a variety of staff roles available on the squadron.

Warsop Police Update

In the last article it was identified that one of the major issues in Warsop and the surrounding areas was theft of wheelie bins by young people in the area. As I write this article there have been 3 reported thefts of wheelie bins made to the police in the last 30 days and one of these has resulted in the arrest of an offender. This is a dramatic reduction in the number of incidents reported to the police, although we are aware that not everybody calls the police to report these matters.

Shift changes, the use of acceptable behaviour contracts and other interventions which have been instigated by the policing team at Warsop have in part lead to the improvement however we recognise there is still work to do in this area. If anybody wishes to discuss this further or any other issue we are happy to talk to you so please give us a call on numbers listed.

Upon attending a public meeting it is apparent that despite our best efforts not everyone is aware of the steps taken by the policing team to keep people updated about what is happening in the area. Monthly newsletters are available throughout the parish and Notts police website is updated monthly by the beat teams. We also attend the Parish council meetings every month to update the public and to address any issues and obviously we produce a monthly update for Warsop and District News. Every month the beat teams carry out street surgeries and beat surgeries for people to talk to us and identify problems in communities.

We have to work together to tackle the issues that occur in the communities and our time is spent working closely with Notts Fire and Rescue, Mansfield District Council and Notts youth services among others to address the issues which affect you.

With the long overdue warmer weather finally with us I would remind you that throughout the Warsop and Meden Vale area a designated public place order is in place, prohibiting the drinking of alcohol in certain public places. This makes it illegal to drink alcohol in a public place, and when challenged if you refuse to hand over the alcohol, an offence is committed for which you can be issued a fixed penalty notice or arrested. Please enjoy the warm weather, but enjoy it responsibly as we don't want to spoil anybody's fun but must take the appropriate action where required.

Finally one other issue which has arisen in the last few months is the speed at which some people travel through Warsop and the surrounding villages. I have had some interest in setting up a community speed watch team in the area, however we need some more volunteers. This would involve the police delivering training to interested individuals and providing the equipment to go out themselves to tackle this issue. This is done in conjunction with the local policing teams who will support you throughout. Again if anyone is interested please contact me on my mobile number.

Thanks,

Gymnastics Champion

Sadie Bradley aged 8, a student at Sherwood Junior School won the Nottinghamshire County Floor and Vault Gymnastics Competition at Rushcliffe Leisure Centre last month, as a result of this she represented Nottinghamshire in the East Midlands Regional Floor and Vault competition at New College Leicester.

After competing against other gymnasts from Derbyshire, Leicestershire, Lincolnshire and Nottinghamshire Sadie went on to win 2 gold medals. She won the individual gold medal for her age group as well as gold in the team event. Her family are very proud of her! Sadie is a member of Worksop Gymnastics Club and has been training for 4 years, she trains 4 days a week and loves doing gymnastics.

Welbeck Welfare FC

are currently looking to add new players in all positions for the upcoming season at Under 12 (currently Year 6).

We play in Rowsley Div 1 on Sundays.

We have a good team but only have a small squad, and to get to the next level we are looking to add new players for next season. We are looking for players who like a challenge, enjoy their football and have the desire to do well.

We are community status & charter standard club, who are in the process have having our ground re-developed, with 3 new pitches and an all weather training pitch and new changing facilities being available in time for next season.

If this is you, whether you have played for us before, or are new players you will be made most welcome. Names and details are now being taken. Please get in contact with Gary or Kevin on the numbers.

MANY THANKS.

PRESS RELEASE

TESCO

Warsop Residents' Positive Response to Store Proposals

Exhibition feedback finds 7 out of ten in favour of new store

More than seventy per cent of residents visiting a public exhibition for a new Tesco foodstore in Market Warsop have backed the company's plans for a store fronting onto Church Street.

The exhibition was staged last week (13/14 April) in the town's Methodist Church in Clumber Street, to provide an opportunity for local people to study the proposals and talk to representatives from Tesco about the detailed aspects of the scheme.

Exhibition visitors were invited to complete a feedback form to register their views and comments. From these, 72 per cent of respondents said they supported the scheme, 8 per cent are currently undecided and 20 per cent disagreed with the proposals.

The main reasons given by those supporting the new store were to have the opportunity to do a competitively priced weekly family shop in Warsop, rather than travel to nearby towns as most residents explained they currently did. Many welcomed the creation of 70 new jobs for the town and most people felt it would be a 'good thing' for Market Warsop.

Those who did not support a new store pointed to the existing traffic issues along Burns Lane (which would provide access to the car park for customers travelling by car); the possible affect on town centre retailers and the loss of two cottages and, to a lesser extent, the former cinema, now operating as a bingo hall.

Tony Fletcher, Tesco Corporate Affairs Manager, commented: "We were delighted that around 250 people took the time to visit the exhibition and were prepared to offer their views on the proposals for the new store. Naturally it was very pleasing that such a large majority said they supported the store coming to town, compared to those who did not."

Commenting on traffic issues associated with Burns Lane, Mr Fletcher said: "We would work closely with the authorities to consider the access arrangements for the store. There may be opportunities for limited widening of the road along the store boundary, together with improvements to pavements and the possibility of Tesco sponsoring a residents parking scheme. Our car park could help parents dropping off and collecting children from the nearby schools, rather than parking on the road as currently happens. It's still very early days, but these are the kind of measures we would consider to improve what local people tell us is already an unsatisfactory situation."

Following the public exhibition, Tesco will look to submit a planning application to Mansfield District Council over the next couple of months.

If approved, the new store would:

- Provide a competitively-priced weekly shopping choice for local people
- Allow shoppers to stay local, rather than make journeys out of the town
- Create around 70 new full and part-time jobs
- Agree not to offer in store pharmacy, post office or café services

We would like to invite all children between the ages of 3 years and 16 years to join our Sunday school at 2.30pm to 3.30pm every Sunday afternoon.

Below are 5 reasons why our children like coming week after week.

1. We learn about Jesus and God with stories from the bible.
2. We pray for our family and friends.
3. We have fun with quizzes and games.
4. We sing songs and choruses.
5. We do activities and drawing and at Christmas we learn plays and carols.

Dear Friends,

After 9 years as Rector of Warsop and Sookholme, I am on the move. I write this because I want to communicate to you, the people of Warsop and district, my thanks for the privilege of sharing with so many of you over those years. Altogether there have been over 450 baptisms, nearly 250 weddings and 1,200 funerals in my time here, so I have been involved with many of you at key times of your life.

At the Parish Church, together we have implemented a number of positive changes - installation of toilet and improved accessibility for disabled people, new sound system, improvements to the organ, re tarmacing the paths, history information boards in the church grounds, extending the Garden of Remembrance, replacing the church roof (several times!) after lead thefts, reinstating the arch on the path to name a few, all with the aim of improving facilities whilst retaining the important heritage of both our worship and buildings. The congregations have grown in number at all of our services, both in the Parish Church and at Sookholme, and there is a strong family feel in many of the things we do together. I have welcomed people at concerts and children in from local schools on many occasions as well as those of you who have just called in for a quiet moment or to look round the building.

I will miss many things, including my contact with pupils and staff in our local schools, annual events such as the carnival and friends made in many local organisations. In particular, I will miss the people of Warsop, who made me so welcome when I arrived and have continued to accept me as part of this valuable community over the years.

My final service is on May 9th at 10am in the Parish Church. Whether you are a regular churchgoer or not, there is a warm welcome for you to attend. If my life and my ministry have touched your life, I would love you to be there as I make my farewells. My new Parish will be St Mary, Hucknall, where I am going to be Team Rector.

Ten years ago, when I was looking for a place to minister in, my primary requirement was that it be a place of belonging, a community that cared for people and worked together. Warsop was and is still such a place, a quality that has been lost in so many other places. So please keep hold of the important values that you hold and may the community of Warsop and surrounding area continue to be a place of welcome and of belonging for all who live and work here. Thank you for allowing me a place in your community for 9 years. I take many of you with me in my heart as I move to pastures new.

With love and every blessing for the future,
Kathryn

Readers Letters...

John Hall

I thought the older residents of Warsop might like to know about John Hall who sadly passed away last month.

He was brought up in the old part of Warsop where he was a local choir boy along with his best friend Melvin Buttery. He went into the forces and married a Scottish lady, they had 2 sons, 1 daughter and 2 granddaughters.

Next month he would have been 86 and a few years ago they celebrated their golden wedding. I had the pleasure to get to know this lovely man in his later years. He has written many articles for the Warsop & District News over the years about his memories of old Warsop.

He liked to keep in touch and was always interested in what was happening in Warsop, so I would post him the paper and we would have a chat over the phone every month after he had read his Warsop News from cover to cover.

He always had a story to tell me that he remembered from his past. I will miss my monthly chats with him and my condolences go to his family.

Tania Barlow

Artie and Cheryl Bowen

Artie and Cheryl Bowen would like to thank everyone that helped them to celebrate their silver wedding anniversary recently. Thank you to Anne, Bev and Jan for their help with the buffet and to Gill for the beautiful cakes.

We had so many cards, gifts and good wishes that we couldn't thank everybody personally but would like to do so now. A special thank you to Sammie, Gary and Honey for treating us to a 2 day break at Thoresby Hall where we were pampered and treated like royalty.

God bless you all.

Cheryl and Artie

More than one "Lady with the Lamp"

2010 is the centenary of the death of Florence Nightingale. Although born in Florence in Italy, she lived for some time in Lea Hurst in Derbyshire.

It was here that she came back on her return from the Crimea. As a young woman, she felt that God was calling her to serve others and against her family's wishes, she trained as a nurse. She became a leading advocate for cleaner and better medical facilities. She is best known for her contribution during the Crimean war and became called the Lady with the Lamp by the soldiers because of her practice of making the rounds of the "wards" at night when all was quiet.

The Foundress of the Presentation Sisters was also called "the Lady of the Lamp" because she too visited the homes of the poor in Cork in the 18th century. Nano Nagle was born into a wealthy family but felt called by God to serve the poor. At great personal risk, she opened

several schools in Cork, visited the sick and the women in prison and built a home for ladies.

In 1775 she gathered a small group of women around her and founded the Presentation Sisters. Today, two of these Sisters live and minister in Warsop and the surrounding area. The Presentation Sisters can be found in the 5 continents working with those made poor and enabling them to secure a better standard of living for themselves, their families and their communities. The Sisters teach, nurse, engage in development work, visit the sick, comfort those who are struggling, work at the UN for a better deal for those made poor. In fact wherever there is a need – the Sisters try to respond in the way best suited to the situation.

active 4 life

Get fit and active4life

People in the Mansfield district are being urged to get active as part of a new exercise and activity programme for beginners, provided by Mansfield District Council.

Active4Life was launched on Monday 19 April and will bring a range of new and exciting activities for all ages, including Dance Fit, Gym Buddies, Yoga-lates, Tai Chi and Easy spin and tone.

According to a recent Sport England survey, 43,000 people aged 16 and over in the Mansfield district currently do no exercise, which equates to more than half the population. And only 9.8% of the 16+ population do the recommended 5x30 minutes of moderate exercise per week.

Active4Life offers free and discounted activities at the Council's five Leisure Centres to give more people the opportunity to join a supported, beginner's session that is both safe and fun.

Included in the new programme is a brand new class where the whole family can come together and have fun with exercise. The discounted Family Fun Session starts on Tuesday 20 April at River Maun Recreation Centre 4pm-5pm. Adults are encouraged to take part with their children in the session and up to two children go free with a paying adult.

Better still you could try your first session for free, no need to book, just call in. Other activities available at River Maun include a FREE 12 week Easy Dance and FREE Basic Activities Session.

The Active4life programme is now also available in **WARSOP**

with FREE Basic Activities at Meden Leisure Centre every Monday from 10.30-11.30am, a beginners Tai Chi class at a discounted price every Thursday at 1.30-2.30pm and the opportunity to join a FREE 12 week introductory Easy Circuits course, starting on Friday 7 May at 10.30-11.30am. Please call to book your place.

Activities will also be taking place outdoors through the summer with Active4life parks events. There will be a 4 week parks walking programme, including an introduction to Nordic Walking, every Thursday from 6 May, 10.30-11.30am. The programme will take place in parks across the district.

Also planned for the school holidays and Love Parks Week, there will be a fun morning of Dance in Yeoman Hill Park, Mansfield Woodhouse for all the family on Thursday 29 July 10.30 - 12.30

For full details of any of the above and more please call

"The Council is keen to encourage people of all ages and abilities to exercise more. Active4life is a great way for people who have never exercised or haven't exercised in a while to get active."

HOME ACCESS

Home Access is a government drive that helps low-income families who currently lack access to a computer and/or internet to get online at home.

HOME ACCESS

NEXT GENERATION LEARNING

The programme is aimed at those that need it most. If you are a low-income family in receipt of certain benefits you could qualify for a grant to buy a computer and/or a minimum of one years' internet access.

Depending on what you need, the grant allows eligible applicants to buy one of the following packages:

1. Full package (a computer, one year's internet access, service and support)
2. A computer with service and support only
3. One year's internet access only

If you think you are eligible for a Home Access Grant and would like to apply please call the Home Access Grant Helpline on 0333 200 1004 for an application form.

Shine staff are available free to help you check if you qualify, to help with the forms and to offer support when it comes to selecting your computer package.

For more information call on 01623 844941 or text 07590 849286

For Home Access Grant enquiries please email enquiries@homeaccess.org.uk or go to www.homeaccess.org.uk

Remember you can get on a computer locally through the Warsop Library, Infotech and Shine.

NEWSFLASH...

Computers have started arriving with local families who have taken part in this scheme. If you think you may qualify don't miss this opportunity and please get in touch as soon as possible to register.

national family week

31 May - 6 June 2010

National Family Week is the UK's biggest annual celebration of family life aiming to highlight the importance of quality time together and promote the benefits of a healthy, active lifestyle.

This year, thousands of record-setting, action-packed and fun-filled family events are taking place in every corner of the country so families everywhere can enjoy eating, learning, playing, exploring and getting out and active together. National Family Week 2010 will make the summer half term holiday a walk in the park... or a piece of cake... or a home run with everything from picnics in the park to large-scale sports days, huge giveaways, great competitions and loads of special offers for families to enjoy!

There will be thousands of events for you to join in during National Family Week, but why not run your own? Whether it's a private affair with your family and friends or a public event to raise money for a charity, or just for fun - it's the perfect time to get the family together.

Anyone can run an event to celebrate National Family Week. If you're a not-for-profit organisation and want to get involved you can register for access to tool-kits, press resources and other great ideas to help make your event a success. Upload your event on our event finder so families in your area know what you have planned!

To find out more about the week and events in your area or to register your own event visit www.nationalfamilyweek.co.uk

All meetings are held in the Parish Centre Warsop at 7.30pm on the last Wednesday of every month, unless otherwise stated.

26 May - A visit to Stainsby Mill, Hardwick Park

30 June - A visit to Dukeries Garden Centre & Harley Gallery

July & August - no meeting

The Old Warsop Society is putting on a small exhibition in the library at Warsop, showing photographs of various activities at Eastlands County Primary School from the 1920's to the 1960's. The exhibition will start on May 4th and continue for one month.

OUT & ABOUT

Rufford Abbey Country Park

• The Midland Kite Fliers

Saturday 8th and Sunday 9th May 10.30am to 4pm

Have you ever wanted to learn how to fly a kite? If so, then why not come along and watch some expert kite fliers. Talk to members of Midland Kite Fliers, and maybe buy your own kite! Or, for a small charge of £2, make your very own kite. All of this will be taking place on the Abbey lawn behind the main building.

• Medieval Outlaws, Knights and Combat

Saturday 15th and Sunday 16th May 11am - 4.30pm

We're celebrating the release of a brand new Robin Hood movie. The film, by Hollywood director Ridley Scott, stars Russell Crowe and Cate Blanchett, and brings our local hero back to the big screen. To get in the medieval mood, head to Rufford Abbey this weekend for a fabulous living history experience.

• Spring Craft and Gift Market

Saturday 22nd and Sunday 23rd May 10am - 4.30pm

Browse stalls selling handmade gift and craft items. Cards, toys, jewellery, sweets and speciality foods are just some of the items that may be available. So whether you are looking for that unique gift or just enjoy browsing, why not come and take a look. Market takes place in the marquee in front of the Abbey.

Sherwood Pines

• Cycling

A matrix of trails litter the needle covered floor of Sherwood Pines Forest Park, providing a network of riding possibilities for all ages and abilities. Whether you're looking for epic cross country loops, tight twisty fast single track, or slow technical sections, there's something for the serious biker.

If you'd rather relax and take a leisurely family ride around the miles of family trails, you can easily do that too, there's no doubt something for everyone at Sherwood Pines. Bikes and accessories are all available for hire from the cycle centre.

To book, please contact 01623 822447

CLUMBER PARK

• Cycle about Clumber Park

Saturday 15th May

Cycle about starts at 10.30am from the cycle hire building (near the main car park)

The Cycle about Clumber events are aimed at encouraging local parents, grandparents and carers with small children to have an active and healthy lifestyle. The led cycle about will last approximately 1 hour and is suitable for people of all ages. You are welcome to bring your own bicycle (it must be road worthy) or hire one for a small fee. Please also bring suitable clothing, a cycle helmet (strongly advised) and a drink.

• Walkabout Clumber Park

Sunday 16th May

The walkabout starts from the conservation centre at 10.30am (Standard admission charges to Clumber Park apply)

As part of the National Walking the Way to Health initiative the National Trust, Bassetlaw District Council's Sports Development Unit and Bassetlaw Primary Care Trust continues to host Health Walks in Clumber Park. Volunteer Walk Leaders from the existing Health Walks in Bassetlaw give up their time to provide four lead walks of varying distances. Ladies Walkabout Clumber Park - Wednesday 19th May Walks start at 7.30pm from the Hardwick Village Car Park, Clumber Park and lasts approximately 1 hour.

An evening walk aimed at ladies who would like a bit of "me" time. This can be after returning to work from maternity leave, a chance to get more active with your friends or if you would just like to become fitter and meet new people.

• Pushabout Clumber Park

Wednesday 26th May

The event will start from the Clock Tower, near the main facilities at 10.00am

Once again the National Trust, Bassetlaw District Council's Sports Development Unit and Bassetlaw Primary Care Trust have teamed up to host these monthly Buggy Walks at Clumber Park to encourage local parents, grandparents and carers with small children to have an active and healthy lifestyle.
