IT'S OURS AT LAST!

On Wednesday 1st September, after months of negotiations, Warsop Parish Council officially signed the contract to take over the running of Warsop Town Hall from Mansfield District council.

In signing the contract, Parish Council Chairman, Cllr Stuart Moody said Today is a good day for the people of Warsop. The future of the town hall is now secure and the service it provides is protected.

The building which originally belonged to Warsop Urban District Council, became the property of Mansfield District Council under the Local Government Act of 1972. Until recent years the building had been leased entirely by Nottinghamshire County Council, however after the contract terminated Mansfield District Council expressed an interest in selling the building allowing for the possibility of private development.

The Parish Council felt however it was not in the interests of local residents to see the Town Hall sold off and called a public meeting in March 2009, when residents made clear their support for the building to remain as a Town Hall.

Mansfield District Council working with Warsop Parish Council agreed to transfer ownership of the building with certain conditions attached, for

Chairman Stuart Moody and Clerk Tania Barlow signed the contracts to take ownership on behalf of the Parish Council watched over by Cllrs. John Allin, Sheila Shields and John Kerr.

the sum of £1. Councillor Moody said It has taken longer than we hoped as there have been unacceptable stipulations within the contracts that needed negotiating before a final decision could be made.

An agreement has now been reached with Mansfield District Council. Warsop Parish Council can now look to further expanding and promoting the services of Warsop's civic venue.

See pages 10 and 11 for more about what's on and what's to come in our Town Hall

EDITORS LETTER

Exciting times are ahead for our Parish The Parish Council are now the new owners of the Town Hall, see front page and inside feature on pages 10 and 11 to see what we have to offer, call in and have a look round.

If there are any services you would like to see, just let me know. Spread the word that we have upstairs offices for rent.

The SOS Campaign is in full swim erm swing! We have been working closely with MDC to re-arrange some of the swimming slots and increasing public swim sessions, see full page advert on page 5 for full details but don't forget if we don't use it we lose it! Over 4,000 people signed the petition to keep it open we now need to prove that it deserves to stop open.

Keeping the Town Hall and the Pool open means we don't have to travel to use services that are already here.

And, of course, the most exciting news is the Lottery funding which will start to come in October 2011, see each month for regular updates.

So watch this space for all future developments.

Gardening Monthly...

**There's not time to put your feet up and relax...
...in most areas of the country, you will still have many
tasks to accomplish, even after the first frosts.**

**Here are a few gardening tasks and projects that you
can do this month to help keep your garden looking
it's best for the rest of this season, and prepare for the
long cold winter and upcoming spring.**

PERENNIALS, ANNUALS, AND BULBS

During the autumn months, after soil temperature drops below 60°F., plant your spring flowering Bulbs. Select healthy, disease free bulbs. Add Bone meal or Bulb fertilizer into the planting hole, as you prepare the soil. They should be in the ground by the early part of this month, with the exception of Tulips which may be planted up until early November. There is still time to set out winter pansies, flowering Kale, etc. to keep a little color in the garden for as long as possible.

You can keep your Chrysanthemums and Asters blooming for quite a while longer if you take the time to provide a little frost protection for them. A small, simple frame covered with cheesecloth or an old bed sheet placed over your plants on frosty nights, can add a month or more of garden blooms. (Don't forget to remove the cover as soon as the danger has passed!) Geraniums, begonias, fuchsias, and other tender plants should be brought indoors or moved to a coldframe before the first frost.

Mulching planted perennials will keep the soil warmer longer, allowing root growth to continue. Spread a thin layer of mulch after planting, and then add a thicker layer once the ground has frozen.

Collect and save seeds of wildflowers to sow next spring.

SHRUBS AND TREES

Throughout the fall and winter months you can plant or transplant both evergreen and deciduous trees and shrubs. During these months of dormancy you can do your shrub and tree moving with only minimal shock to the plants. If your Rhododendrons or other shrubs have root weevils, release parasitic nematodes to soil under the affected plants.

FRUITS AND VEGGIES

Harvesting fruits and vegetables is the best part of growing them. Some root crops, such as carrots, onions, and parsnips can be left in the ground in cold climates and dug up as needed. Apply enough mulch to keep the ground from freezing, and the crop will be kept fresh until it is needed. After you have finished harvesting your summer vegetables, plant a cover crop of clovers, cow peas, soybeans, or vetches for the purpose of plowing under next spring. These nitrogen producing plants will provide good organic matter and food for your garden crops next year, as well as helping to control weeds over the winter.

LAWN

Keep mowing as long as your grass is growing....

GENERAL TIPS

The autumn rains have once again gotten slugs and snails moving through the garden. One last application of slug bait will eliminate a lot of slugs and prevent them from reproducing again this year.

One last effort at weeding will help to improve the appearance of your garden throughout the winter.

Clean and oil your garden tools for winter storage. Place some sand and some oil in a large bucket, then slide your garden tools in and out of the sand. This will do an excellent job of cleaning them, as well as applying a light coat of oil to prevent rusting.

Mark your perennials with permanent tags, or create a map showing their locations so you'll know where and what they are when they die back at the end of the season.

Continue to watch for insect, or disease damage throughout the garden, and take the necessary steps to control the problem.

Happy Gardening

Footpath & Countryside Group

**I am sorry to have to report some
worrying news about Himalayan balsam
along the River Meden. These invasive
plants have been discovered between
Hammerwater Bridge and The Carrs.**

Several clumps have been removed from downstream of Stone Bridge and we have contacted Natural England over the action needed on the Hills & Holes SSSI. The source of the seeds appears to be upstream from Hammerwater Bridge where there are dense clumps. If this invasive species is not managed the banks of the Meden could look very different in a few years time.

Himalayan balsam was introduced to Britain in 1839. It escaped from gardens and rapidly colonised river banks. When the seedpods mature they explode scattering the seed up to 7 metres away. Seeds are also spread by water causing the plant to spread downstream. It grows in dense stands that suppress the growth of other species. In autumn the plants die back leaving the banks bare of vegetation and liable to erosion.

The weather this year seems to have encouraged a fine crop of fruit along our hedgerows. The haws, sloes and hips should help the farmland birds through the first part of the winter. However, if you feed your garden birds during the winter, it is advisable to start putting food out early so that they are confident to take it when they really need it.

The abundant fruit in the hedgerows will delay our hedge trimming work this winter as we are reluctant to deprive the birds of a vital food source. Fortunately we have plenty of other tasks to keep us busy including vegetation clearance on conservation areas and maintaining the signs that mark our footpaths. Contact us if you are interested in joining in.

From the viewpoint on the top of Warsop Main tip at Warsop Vale here is clear view of the five newly erected wind turbines at Rainworth. The top of these 125 metre high structures may also be seen from Cuckney Hill.

October is usually the best time of year for fungi in the woodlands around the edge of Warsop. However, in view of the recent weather patterns, I make no predictions. Although some recent Octobers have been too dry for a good display of mushrooms I would like to point out that in his diary entry for 17th October 1843 the 4th Duke of Newcastle noted that he was surprised by the overnight snowfall in Clumber Park!

The signs on the new multi-user route connecting sites in Sherwood Forest indicate that its official name is the 'Dukeries Trail'. A useful new link is the permissive path between South Lodge at Clumber Park and Thoresby Park although the trail signpost stands alongside another sign stating that the area is strictly private! We may use this path for our group walk in November.

The date of the next Footpaths Group walk has been changed to Saturday 23rd October. We are planning a walk somewhere in Derbyshire. We will meet outside Warsop library at 9:15 and will travel by cars. Get in touch if you would like to come along, need a lift or would like more details.

On the March - Nordic Walking!

Notts folk are being invited to get to grips with Nordic walking to improve fitness levels and explore Sherwood Pines Forest Park.

The Forestry Commission is to run sessions for novices every Friday in the 3,000 acre beauty spot, near Clipstone, perfect for people of all ages.

Nordic walking is walking using two specially designed poles and is similar to cross country skiing, which given the winter we had might not be a bad skill to acquire!

But toning up is the aim of these events as Nordic walking is far more beneficial than walking without poles. Swinging the sticks helps use 90% of the body's muscles, burning calories much quicker, say experts.

Hannah Darcel, Forestry Commission Health and Well-being Ranger, said: "It's become a real fitness craze, but it's here to stay because it's so much fun and does you a power of good. Anyone can give it a go, from folk recovering from illness to those wanting to boost mind, body and spirit. It's also a great way to meet new friends and discover the wood."

One hour sessions start at 10.30am (or 10am if you want basic training using poles). The cost is £5, or £4 for holders of a Discovery Pass. If you supply your own poles the fee is £3.

To book a place contact Hannah Darcel on 01623 822447 or 07789 942599.

Bird Notes...

It seems like an age since I last wrote this column. Since last time the summer migrants have upped and left, although as you are reading this there will still be a few stragglers still here: individuals of several species such as swallow blackcap, chiffchaff and house martin. Indeed the house martins may even have young in the nest in early October!

From August to November it is all change on the bird front all over Europe, with migratory species moving south to warmer climes. Some like swallows will be going all the way to the tip of South Africa; some northern European species such as fieldfares will move a comparatively, shorter distance down into mainland Europe. These winter visitors will however be inclined towards the west of the continent as the weather will generally be milder compared to the eastern half that due to the continental climate system will be a lot colder. The prevailing south westerly's of the Gulf Stream help to keep the western half mild-lucky for us! All over the northern hemisphere-from here, all across mainland Europe, through Asia to Japan and then on across the Pacific to North America birds will be moving south away from the Arctic to, in many cases below the Equator.

In the past couple of months I have been lucky enough to see quite high numbers of common buzzards; this was especially the case in late August and early September, when I was seeing over ten at a time on several dates more usually two to seven individuals with a maximum of seventeen on one particular day at the beginning of September. Proof, if it were needed that this impressive raptor is now quite common locally. A lot of these birds were performing acrobatics and aerial jousts with each other as they floated along as if on the breeze; in fact that's exactly what

they were doing using the prevailing air currents to soar along to their destination. The hi-japes of some of the birds were in all probability young birds flexing their young inexperienced muscles.

Doing this column does mean that local residents often ask me about bird related topics, if they know who I am, that is. One esteemed residents query concerned, what turned out to be an injured rook- an all black member of the crow family. They're the ones you always see on the Carrs and the school playing fields, usually feeding in a loose flock. He had kept the bird safe and quiet on his back yard and had called me over when he saw me passing. I had never handled an adult rook, although I've held quite a few chicks when I was a bird ringer, and was eager to have a close inspection of this one. When I did examine it we found that it had a small but nasty wound just behind its eye and seemed to be having trouble with its motor skills and balance. To be honest I didn't hold out much hope for it, but I agreed to look after the bird until we could arrange transportation to a bird rescue centre. A quick phone call and a flying visit to M.D.C.s wildlife officer procured the number of one in Kirkby.

After travelling over to the centre we left the rook with them, along with a brief summary of the finding circumstances and how the bird had been behaving. Before we left they gave us a tour of their facilities and the wildlife in their care. I must say I was impressed; they had injured owls, including a short eared owl, swans and a wide range of smaller birds including a young bullfinch, all kept in purpose built accommodation, with a new arrivals triage area. The individual causes of their admission were many and varied; sadly the majority of patients in the rescue centre were there because they had come into contact with mankind in some way. The rook unfortunately succumbed shortly after arriving at the centre, the victim of a pellet gun it seems. It always amazes me that people can be so cruel and heartless, yet others can be so kind and patient. Makes yer think, dunnit?

Matthew Palmer FREE Watercolour Painting ~ Pencil & Wash.

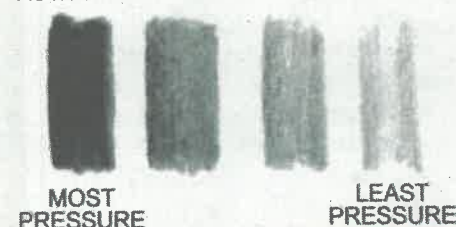

PENCIL & WASH is a great way of painting, it is also ideal for sketching. Basically all it involves is drawing the scene as normal, adding all the tone with pencil, and finally painting a simple wash over the pencil. Because watercolour paint is transparent, the pencil tones will show through. As with PEN & WASH HOT PRESSED or HP watercolour paper is the best, but CARTRIDGE PAPER will do fine. Pencil are categorised in the softness of the lead, the softer the lead the deeper the colours or tones will be.

THE MOST COMMON PENCIL IS "HB" THIS IS THE MID POINT, "H" PENCILS HAVE HARD LEADS. "B" PENCILS HAVE SOFT LEADS. MY PERSONAL FAVOURITE PENCIL IS "2B"

A pencil can be used to create a wide range of tone (Pic 1). Applying more pressure to the pencil will give a dark almost black tone and applying little pressure will give a light grey tone.

Controlling the amount of pressure you put on the pencil can produce a range of tones.

Pic 1. Pencil tones

Holding a pencil at different angles will alter the Thickness of the lines produced.

Pic 2. Fine pencil lines

Holding the pencil as normal uses the tip of the pencil, therefore produces a fine line

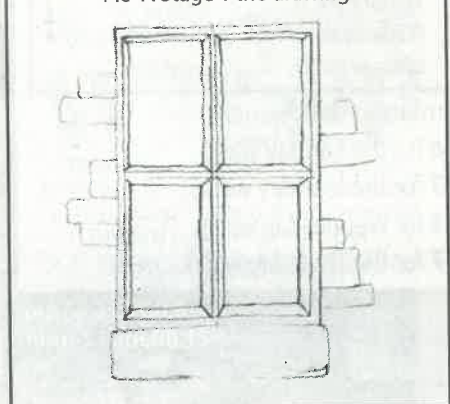

Pic 3. Bold pencil lines

Holding the pencil almost flat on the paper will produce a wide bold line

FOLLOW THE STAGES TO DRAW AND PAINT A WINDOW USING PEN AND WASH

Pic 4. Stage 1 the drawing

STAGE 1

first of all draw this simple window shape on a sheet of cartridge paper (Pic 4).

Pic 5. Stage 2 adding tone

STAGE 2

The next stage is to add tone using a "2B" pencil. Pick out a few of the wall stones and fill a few of them in. The light is coming from the right, so the right side of the window sills will be darker than the left. Pick out a few reflections and shapes in the window panes. Use the point of your pencil to outline a few areas.

Pic 6. Stage 3 adding the paint

STAGE 3

Mix the following colours:

- 1. WALL COLOUR**
(90% YELLOW OCHRE & 10% CRIMSON ALIZARIN)
- 2. A LIGHT GREY - A WATERY MIX.**
(SEE PREVIOUS LESSON - COLOUR MIXING)
- 3. FRENCH ULTRAMARINE.**

We will now paint a simple wash of colour on the window (Pic 6).

Only a loose wash is required.

Paint in the wall first using your NUMBER 5 BRUSH and the WALL COLOUR, allow to dry and add a few bricks and the large stone in the LIGHT GREY COLOUR.

Next paint in the windows, use your NUMBER 5 BRUSH and the LIGHT GREY and the FRENCH ULTRAMARINE to do this, changing the colours as you go try and pick out a few reflections in the window paint.

Finally add the shadows to the window sills with the GREY COLOUR.

Meden has more to make a splash

A host of new swimming sessions are being put on at Meden Sports Centre which it is hoped will make a real splash with local swimmers.

Mansfield District Council, which manages the centre, is working in partnership with Warsop's Save our Swimming (SOS) group to try and encourage more use of the pool and secure its future.

what's new

Additional swimming activities now being introduced at the centre include:

- New public swimming**
Mondays, Tuesdays & Thursdays 12.00-12.45pm
- Family fun sessions**
Wednesdays 6.00 to 6.45pm
Sundays 11.00am-12noon
- Parent and toddler sessions**
Thursdays 9.15-10.00am
- Club Link Sessions (for advanced swimmers)**
Thursdays 4.00-5.00pm
- Spin & Swim**
Tuesdays spinning 9.15-9.45am
swimming 9.45-10.15am

Additional dry side activities include:

- Junior Gym (ages 14+)**
Wednesdays from 3.15pm

The extra sessions have been introduced following surveys in the Warsop area, which asked local people why they weren't using the facilities.

Full details about swimming times and other facilities at Meden are available at www.mansfield.gov.uk/msc

The future of the pool has been in doubt since March this year when the Council originally decided to close the pool as it looked for savings across all services to meet a shortfall of £1.4million in its budget.

Closing the pool at Meden would have saved the Council an estimated £70,000 per year.

However, Councillor Eddie Smith, Portfolio Holder for the Environment intervened in July by guaranteeing its future until 31 March 2011 to give the Working Group more time to develop their ideas to increase usage of the pool.

Commenting on the new additions to the swimming centre's programme, Councillor Smith said, "I applaud the efforts of SOS and the working group in bringing forward these new ideas.

"The group has put a lot of time and effort into asking local people what would make them use the facilities at the pool. Their work has made many of those suggestions a reality - now it's over to local people to show us they really want a swimming facility in Warsop by starting to use it."

Welbeck Youth Cricketers Complete "Clean Sweep"

Back row (L-R) A.Willis, A.Parker-Cole, L.Kavanagh-Jones, G.Harper (Manager), S.Rodgers, M.Joule, L.Cameron. Front row (L-R) J.Willis, L.Ainger, A.Marchant (Captain), J.Atherton, S.Harper

Welbeck Colliery under 17 cricketers have just completed a memorable season in which both teams were undefeated.

The Mansfield and District Youth League side won both the league and KO Cup. The Bassetlaw Junior Cricket League side won the Southern Section and qualified for the Roy Smedley Cup Final which was played in a 40 over match on Bank Holiday Sunday at Clumber Park. The opposition was Anston CC who were also unbeaten winning the Northern Section.

Welbeck was asked to bat first and opener Lewis Kavanagh-Jones got the innings off to a fine start scoring 38 (6 fours). Then the fireworks really started when skipper Andrew Marchant 90 (6 fours, 4 sixes) was joined by Liam Ainger 52 (3 fours 3 sixes). Later in the order Ashley Willis contributed a solid 24 seeing Welbeck through to a fine total of 231 all out. E.Ellis and R.Ball bowled well for Anston each claiming 3 wickets.

Welbeck are a strong bowling side but Anston got off to a positive start thanks to a fine attacking 55 from A. Pickering which included 8 fours with good support from L.Brearley, P.Bland and

S.Jackson who all reached the 20s. Anston slowly slipped behind the required run rate and were all out for 167 in the 39th over. Arshad Parker-Cole and Scott Rogers both claimed 2 wickets but the star bowler was Lewis Cameron who included a hat trick in his final analysis of 4 for 21, three of these wickets being stumpings by wicket keeper Jack Atherton.

The game was played in an excellent spirit and quality shone through from all players - a credit to both the individual clubs and the league. Captain Andrew Marchant not only received the cup from the league president and former Welbeck player Joe French but also the richly deserved 'Man of the Match' award for his excellent innings and thoughtful captaincy.

Seven of the victorious Welbeck side will be eligible to play in next year's competitions and the challenge must be to try and emulate the success achieved this year.

Council Offers FREE use of Gyms

Mansfield District Council has launched one of its biggest ever free leisure giveaways in a bid to get more local people into exercise.

Under the scheme, Mansfield district residents who don't currently use Council gyms are being offered a free day pass as part of a new 'try before you buy' promotion.

The free day passes are available to everyone aged 16 or over, living in the Mansfield district and include a free 15-minute fitness induction course.

It is hoped that the promotion will get more people into exercising regularly, once they have tried out the gyms.

A Sport England survey recently found that 55% of over 16s (43,000 people) in the Mansfield district currently did no exercise.

The survey also found that only 9.8% of people did the recommended five 30 minute sessions of moderate exercise per week.

Residents have until 5pm on 27 November to take advantage of the scheme which is only available on-line at Mansfield District Council's website, www.mansfield.gov.uk/freepass

Only one free pass per person is available during the offer period.

Councillor Eddie Smith, Portfolio Holder for the Environment at Mansfield District Council said:

"We are making a determined effort to get more people exercising, especially those who currently do nothing.

"You don't have to be a super-fit athlete to use the gym and a programme can be devised to suit people of all ages and levels of fitness.

"We hope this offer will encourage more people to make that important first step towards a healthier lifestyle."

The offer can be taken up at any of the following leisure facility gyms:

- Meden Sports Centre
- Oak Tree Leisure Centre
- Rebecca Adlington Swimming Centre
- River Maun Recreation Centre
- Water Meadows

Warsop Inner Wheel

Report for August 2010

President Christine Fretwell hosted the August meeting on Wednesday 4th August 2010 at the Hostess Restaurant, Sookholme with 30 Inner Wheel members and 4 guests 9 Members apologies.

President Christine opened the meeting with a warm welcome to guests for the evening, Jane Poole, Terry Newton, Sharon Smith and Inner Wheel District Chairman for 2010/11, Elaine Harrison. It was then Christine's great pleasure to welcome Sharon Smith and induct her as a new member of Warsop Inner Wheel. Sharon was warmly welcomed by all present, she told us she looked forward to being a member and helping with projects and charity work, we certainly look forward to having her as a member with her enthusiasm and humour.

Christine then gave her report for the month, she had walked in the procession at Warsop carnival along with her Husband John who is this year's President of Warsop, Shirebrook and District Rotary Club. Warsop Carnival was a great success again this year and raised £772 for The British Heart Foundation. Christine thanked everyone who had helped and supported this project. On 20th July she had attended the District Changeover Meeting at the Civic Centre, Mansfield along with 9 Warsop Inner Wheel members.

Anne Lyons gave the secretaries' report and forthcoming events. Thank you letters have been received from all of the charities we supported in Anne's year as President of Warsop Inner Wheel Club.

Gloria Humphrey gave the up to date treasurers report.

Lesley Palmer gave the overseas report. The Overseas District charity this year is Impact Family Health Foundation in Bangladesh.

Ann Holland gave the charity report; A Garden Party with a Caribbean theme is being planned at the home of Christine and John Fretwell in August, the proceeds from this event will go to British Heart Foundation. The Thoresby Craft Fair is to be held on 9th/10th October and once again we are hoping to have a tombola stall.

President Christine then introduced the District Chairman, Elaine Harrison, who brought greetings from all the clubs in District 22, She talked about this year's International Inner Wheel Theme; Commit with conviction, compassion and consistency - Elaine added to this courage and caring. She spoke of caring for family, friends and people less fortunate and having the courage to make changes sometimes to improve quality.

Elaine then told us about her life outside Inner Wheel, she works at Hardwick Hall as a steward, this involves taking on a character from the past and re-enacting the life, it also involves making the outfit (to the original patterns) and along with other stewards, enlightening the general public, on the last Thursday of the month, to the splendour of court life (and below!) The magnificent period costume she brought to show us was amazing and indeed more so to think she had "hand sown" the whole garment and all the embroidery with gold thread and beads - Truly amazing!

Elaine is "on duty" as Mary Talbot - Countess of Shrewsbury, on the last Thursday of the month at Hardwick Hall, I think this is well worth an Inner Wheel visit in the future.

Elaine is a member of Chesterfield Scarsdale Club and so is known by many of our members, her charity this year is the Special Care Baby Unit at Chesterfield Hospital, she is hoping to raise some money this year to support this Neonatal Unit after the care and expertise given to the birth of her grandchildren.

Vice-President Ann Holland gave the vote of thanks; we had all had an extremely enjoyable evening.

The meeting closed at 10.00pm

Report for September 2010

President Christine Fretwell hosted the September meeting on Wednesday 1st September 2010 at the Hostess Restaurant, Sookholme with 25 Inner Wheel members and 3 guests 14 members apologies.

President Christine opened the meeting with a warm welcome to guests for the evening, Dain Pinder, Jane Poole, and Bethany Benison. Christine also welcomed Hazel Kelly who has rejoined the club again after a short break; Hazel was welcomed back by all members who expressed how much they had missed her.

Dain Pinder was our speaker for the evening; her subject was - Antarctica, she spoke of a three week expedition she and her husband, James, embarked on. The slides were fascinating and the photos of wild life quite remarkable in fact the whole presentation was of the quality we come to expect on television these days. Very well done to both of them. The whole experience of this "cruise" looked amazing however not for the fainthearted! The vote of thanks was given by June Moss.

Christine then gave her report for the month, along with many members, she had participated in a lovely walk around Thoresby park on 11th August followed by afternoon tea in the Blue Room, she thanked Marjorie Zillwood for organising this event.

On the 15th August Christine and her husband, John, hosted a garden Party with a Caribbean Theme for 250 people. This event was to raise money for the British Heart Foundation and a grand total of £3585.70 was raised. Helena Mair from the foundation attended and thanked everyone for supporting this charity. Christine thanked all Inner Wheel members for their help and support too.

President Christine with her husband, John, also attended a thank you tea and tour at the Parish Centre in Warsop. Warsop, Shirebrook and District Rotary Club, of which John Fretwell is President this year, have supported the refurbishment of the kitchen, toilets and corridor at the centre.

In Anne Lyons' absence, Gloria Humphrey gave the secretaries report and forthcoming events.

Gloria Humphrey gave the up to date treasurers report.

Lesley Palmer gave the overseas report. Two fundraising events are planned for early in the New Year but no details yet. It was suggested and agreed that an Aqua Box should be sent to the Pakistan disaster.

In Ann Holland's absence, Christine gave the charity report; The Thoresby Craft Fair is to be held on 9th/10th October and once again we are hoping to have a tombola stall.

Jan Strachan gave a report on an Inner Wheel visit to Highgrove House, home of Prince Charles and the Duchess of Cornwall, and had a fabulous day out, unfortunately no photos are allowed for security reasons, but a great time was had by all.

The meeting closed at 9.30pm

Warsop Wives Group

On July 16th we had a fund-raising table top sale at Ann Blackamores home. We sold bric-a-brac, cakes, puzzles, clothing, books etc. and with the help of a raffle raised £308. On July 20th we welcomed Jim Vickerage from the Air Ambulance. He showed slides and talked about the work the Air Ambulance does.

We were very pleased to be able to present a cheque for £1,000 to the charity. We had raised the money with various events during the past year. Thank you to everyone who supported us.

On August 3rd we held a cheese and wine evening at the Parish Centre. We had a quiz and bingo. The proceeds went towards our new charity (still to be decided). On August 17th we had a knot and natter night and knitted squares for blankets for the Inner Wheel. On August 31st we met at the Parish Centre and had a quiz and discussion night with refreshments.

Our future meetings are:-

September 28th	A. G. M
October 12th	McMillan's Coffee Evening
October 26th	Pie and Peas supper with wartime sing-along
November 9th	Trek in the Grand Canyon with Kerry Price

Irene Hodgson.

COD - congratulations Warsop Fishing Competition Winners

Three young people were rewarded for their success in the Warsop fishing competition with a prize giving at Warsop Fire Station.

The ceremony took place on the 18 August to present the winners with trophies and fishing equipment for their achievements in the competition which took place on the 29 July, 5 August and 12 August.

The overall winner was Bobby Gray and runner up was Cameron Cross. Adam Reeves won the prize for catching the biggest fish.

The competition was organised by Nottinghamshire Fire and Rescue Service, Mansfield District Council's Neighbourhood Wardens and Nottinghamshire Police. It was designed to help reduce anti-social behaviour by providing activities for young people living in Warsop and surrounding areas. The event has also helped to build healthy relationships between the organisers and young people in Warsop.

Around 25 young people attended each day and have all been invited to attend any future events.

Discover Viking Age Sherwood Forest

You may have heard stories about the Viking meeting place on Hanger Hill, previously known as Thynghowe. This hill is to be found between Warsop Windmill and Gleadthorpe in Birklands forest.

This autumn Nottinghamshire County Council's Community Archaeology Team will be carrying out a topographical survey of the hill of Thynghowe funded by the Council's 'Local Improvement Scheme'. At the same time the University College London Assembly Sites Project are planning a magnetometry survey.

We hope that these surveys will provide evidence relating to Thynghowe's use as a Danelaw 'Thing' (assembly site) and also find out about the origins of the mysterious ancient stones in the area.

You are welcome to join us on Thursday 28th or Saturday 30th October to meet the archaeologists and find out what has been revealed. It may not quite be TV's Time Team but these sessions should give an interesting insight into how archaeologists use modern equipment to investigate the area.

As the site is a considerable distance from public roads we plan to arrange access for vehicles at prearranged times so booking is essential. If you do not have your own transport contact us as we may be able to help.

This project is co-ordinated by the Friends of Thynghowe who have been investigating the past of Birklands.

More details are on our website www.thynghowe.org.uk Phone 07753 625571 to book a place.

Rachael Banks, Nottinghamshire Fire and Rescue Service's Community Safety Advocate for Mansfield District said:

"Everyone really enjoyed the competition which gave young people in the area something to focus on over the summer holidays. Lots of them have learnt new skills and we hope to be able to work together to run similar events in the future."

7th Annual Open Day

23rd October 2010 10am - 12 midday
At our Meden Vale site.

All are welcome to join in the fun. All proceeds to Cancer research in Memory of Dr J du Toit.

Flu Season

Yes, it really is that time of year again!

Our flu clinics are available to book.

Flu vaccines are provided for 65 and over or patients with a chronic disease. If you are unsure if you qualify please contact the surgery on: 01623 845694 or 01623 843521.

Memory Garden

In January this year the practice suffered a huge loss at the sad news of Dr J du Toit's death.

As a much loved Doctor, the patient group have decided to create a lasting memory, by fundraising for a new garden area to the front of Meden Vale surgery. They envisage the garden and seating area to be used by patients visiting the practice to enjoy a moment of rest before carrying on their daily journeys.

Should anyone wish to make a donation towards the project in respect of Dr J du Toit these can be made via the surgery.

Plans are under way to have the garden opened at the annual open day.

Meden Medical Services would like to take this opportunity to thank local businesses, Charities and Mansfield District Council for their support.

Meden Vale *The Future*

Registered Charity No. 1115359

The 58th meeting of Meden Vale the Future was held at the Village Hall on Monday 6th September 2010.

6 members of the Committee were present plus 2 Representatives from the Playscheme and 1 Representative from Welbeck Colliery Football Club. There were 2 apologies.

It was agreed that the AGM would be called prior to the next meeting, which will be on Monday 27th September at 7.30 pm. The audited accounts will be available.

It was reported that a meeting had been held between Welbeck Colliery Football Club and Welbeck Miners' Welfare approximately 2 weeks ago. The Football Club reported that progress was being made and that meetings currently have been scheduled to complete the required paperwork.

The cake decorating course will commence on Monday 13th September at 6pm.

The next meeting of Welbeck Colliery the Future will be held on Wednesday 15th September at 10am.

The Treasurer reported that the accounts were satisfactory.

The Youth Club had remained open during the school holidays but only on alternative weeks, this being due to holiday commitments. It was hoped that weekly sessions would now recommence. To date no rent has been received from the Youth Club and it was agreed to wait until the end of September before reminding them that monies were due.

The Caretaker was having difficulty contacting the builder who has agreed to prepare a specification and costs for work to the front and back doors of the Village Hall. This was probably due to annual holidays. The same applies to the electrician who has been requested to update the outside lighting.

No new information was available on the demolition of the old village hall but it was thought that additional information about this maybe available at the next meeting of the Meden Vale Community Association.

Next meeting and AGM will be held on Monday 27th Sept 2010 at 7.30 pm at the Village Hall. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

A BIG thank you...

...to all the people who have continued to support the IT courses provided at the Town Hall over the last 2 years.

Warsop Infotech Group is very pleased to hear that the Town Hall is now being run by the Parish Council. Since Notts County Council pulled out of the building we have been in the hands of Mansfield District Council. We have held off any major plans for new courses etc as we did not know whether the building would stay open or not. As our rooms are some of the best community provision for IT training in the county we have people coming from all over to attend courses. Have a look at the current courses on the enclosed table and the ones we are planning for January 2010 and give us a ring or email if there is something you would like us to organise i.e. PC Maintenance courses and the like.

Please continue to support your local Adult Training Centre that is run by a dedicated group of volunteers with the assistance of the Parish Council.

Infotech has three rooms for hire at the Town Hall:-

• **The Main IT Suite** - with 12 computers and a central table for extra laptop use. There are also 3 computers in a separate area for UKOnline access and one Mac computer.

• **Room 2** - with room for up to 10 laptops in use for training or as a very good meeting room. Our Spanish and Card Making courses are in here.

• **Room 1** - primarily our office and has 4 PCs that is used for overspill and smaller groups and private study.

All our rooms are available for hire for a wide range of training events or meetings with a wide range of IT equipment in place.

Just get in touch for prices on the telephone numbers below.

Warsop Parish Council

Council Meeting Summary held on 20th September 2010

Environment Agency

Gareth Thomas from the Environment Agency introduced himself to the Parish Council and asked their help to familiarise him to the area. Cllr. Hill told him about the long ongoing situation with de-silting of the Mill Dam, tired of going round in circles he asked for Gareth's help, although not part of his remit he will try to get the Environment Agency involved.

s.h.i.n.e.

Kev Keegan from s.h.i.n.e. gave a short presentation on his proposed project for a Family Entertainment Centre off Church Street to include community cinema, bingo, youth facilities, café, outside sports, community garden and more. He is planning a community bonfire for 12th November with the support of The Eastwood Trust and will be asking for people's opinions on his plans. He has secured small amount of funding to start the project but would be looking to bid into the Warsop Lottery Fund for the long term.

Saturday morning surgeries

Alan Meale MP was also present at the meeting and talked about having an office in the Town Hall and introducing Saturday morning surgeries starting in November, Parish Councillors will also hold their surgeries at the same time.

Crime and Disorder

PC Wayne Bennett and Warden Phil Bennett were present to give their update on Crime and Disorder in the Parish.

Lottery News

A steering group is in the process of coming being formed, which will include representatives from BIG, WPC, MDC, and the community. Public Meetings are being planned for the, and will be advertised in the Warsop News. Regular updates will also feature each month.

Warsop Parish Council Meetings for 2010

Members of the Public are welcome to all meetings to be held upstairs in the Council Chamber in Warsop Town Hall at 6.30 pm

• **Monday 18th October 2010**
• **Monday 15th November 2010**

Anyone with walking difficulties, wishing to attend any of the meetings, please contact the Clerk 3 days prior to arrange for their comments to be taken in a ground floor office.

Iain Gilbert from Infotech finally receives his well earned WNM Community Award for his outstanding contribution to the Warsop Community for 2009! It's taken Warsop Parish Council Chairman Stuart Moody a long time to track him down to have his photo taken, he must be camera shy! Well done Iain.

Warsop Police Update

Warsop Parish has been a busy old place over the summer period. In partnership with the Fire Service, Youth Services and extended school services (s.h.i.n.e) we managed to raise enough funding to promote a number of summer time events.

The main event that stands out for me is a fishing competition which was run at the Sherwood Forest Farm Park and was held over a 3 week period. 30 children attended the competition and prizes were awarded for the biggest fish and overall 1st, 2nd and 3rd places. The children that attended this event ranged from 8 to 17 years of age and behaved impeccably.

Our team have also been busy at the courts. We have recently managed to obtain a number of drugs warrants that we will be executing in the coming weeks. The majority of the information received to obtain these warrants has come from information given to us by the general public. It appears that members of our community are now coming onboard and giving us the information and intelligence we require to take positive action.

If anyone has information on drug dealing please contact one of the numbers for the Beat Team or you can contact Crime stoppers and your details will remain confidential on every occasion. PC Snape currently has 4 local individuals on police bail for setting fires to the fields in and around The Carrs. If anyone does have information about these fires that occurred during the schools summer holidays please contact him immediately.

We have also sent a lengthy application off to the courts requiring an Anti-Social Behaviour Order (ASBO) be served on a local youth. Once, if, this application be successful, we will be able to identify the individual and promote his picture around the whole Parish with all the restraints on this person's movements. We are positive that the application will be granted having over a years worth of evidential material being submitted to the courts.

Also, a couple who lived in the Meden Vale area have recently been sentenced to prison for a substantial period. Anthony Morris and his partner Paula Sadler have recently been found guilty for burglary offences with Morris receiving 5 years and 6 months and Sadler receiving 3 years and 60 days for their actions. We have also charged a local youth with shed burglary offences who will be attending court in the near future to answer to the charges.

I will also take this opportunity to remind adults of the consequences should they feel the need to purchase alcohol for children under the age of 18 years of age. As a beat team we are still receiving numerous complaints of children drinking on the streets whilst under the legal age. We know that there are many ways that these individuals can obtain their alcohol. One of the most common practises is for the juveniles to wait outside or near to off-licence premises, approach an adult who is entering the store and for a small amount of gain get the adult to purchase their alcohol. This is a criminal offence of Proxy buying. We will take positive action on

both the adult and the child when we witness this behaviour. We are currently undertaking plain clothed operations in the area to gain evidence on persons committing this offence. We will be working closely with our colleagues from the trading standards department to ensure that this operation is a success.

Off-Licence premises generally serve to adults in good faith but when we identify individuals for Proxy buying we will be urging licensed premises to place these individuals on the pub watch scheme.

I would also like to welcome a new, fresh out of the box Police and Community Support Officer (PCSO) to Warsop. Craig Bull has joined our team and this is his first active posting in his current role. He will mainly be working in the Church Warsop, Warsop Vale and Spion Kop area but is flexible to work where needed in Warsop. Having spent the last couple of weeks with Craig he does appear eager and keen. He is looking forward to meeting all members of the parish and his contact details can be located on this page.

Finally, it gives me a lot of pride to be part of a team that has worked hard in driving Anti-Social Behaviour down in the Meden Vale area. The team has worked so hard the divisional commander, Chief Superintendent Simon Nickless, has recognised the efforts of Dave Booler, Dee Eyre, Gina Fletcher and I by awarding us with a Divisional Commendation.

As a team we do want to make a difference to the area and are committed to working more anti-social shifts than is required of us. With the assistance from other officers I have worked a number of night shifts in plain clothes to monitor the actions and movements of some of our local criminals. As a result, 3 arrests were made during the early hours of a Saturday morning, for vehicle crimes.

CRIMESTOPPERS

0800 555 111

Call anonymously with information about crime

Communities have a right to live without fear and in an environment which is free from crime.

Unfortunately, some people may be reluctant to approach the police directly with information about criminal activity. This may be due to fear of being identified by the perpetrators and the possible consequences of this, or there may be other reasons for not wishing to get involved such as not wanting to go to court.

Crimestoppers offers a safe way for members of the public to give information about crime without disclosing their identity. Crimestoppers is only interested in what you know, not who you are. Crimestoppers is an independent, crime-fighting charity, it is not part of the police. Founded in 1988, the charity is a UK-wide organisation which offers a unique, 100% anonymous route for passing on information about crimes.

Anyone can contact Crimestoppers on 0800 555 111. Calls are not recorded and phone numbers are not captured. Information is screened for anything that may enable identification before it is passed on to the police.

Anonymous information can also be given via the Crimestoppers website, www.crimestoppers-uk.org, through using an untraceable online form. Rewards can be offered for information that leads to an arrest and charge through a process which retains the anonymity of the caller.

With the support of the police, Crimestoppers' statistics are impressive. Since its inception, over 1,164,772 actionable pieces of information have been received; over 100,256 people have been arrested and charged; over £112 million worth of goods have been recovered; and over £189 million worth of drugs have been seized. Actionable information refers to useful information that can be passed to the police which they can act on to make arrests and charges.

So, if you have any information about a crime or someone who may have been involved in criminal activity, please do not ignore it, ring Crimestoppers anonymously on 0800 555 111.

 After School and Holiday Clubs

'It has been a great summer for Shine with over 4 weeks of activities on offer.

Fire Service Boot Camp

We have supported the first Fire Service Boot Camp at Warsop's Fire Station. Here, 10 young people got to train with regular Fire staff in a whole range of skills. After a great week their achievements were recognised by a 'passing-out' ceremony on Friday. Guests included family, friends and members of the Fire Service including Senior Officers. Shine was extremely proud of our young people; they were a credit to themselves and their parents.

Malcolm Sargison

From Tuesday 2nd October Shine will be running sessions at the Malcolm Sargison Centre, Warsop Vale. There are increasing numbers of young people in the village and we are looking forward to bringing them fun and creative activities from 6pm till 8pm each Tuesday. Flyers will be delivered to every home in the area telling you more soon.

Green Spaces

With the support of Warsop United Charities we will soon be running some play activities, on a field, near you! Surely, there is no need to have young children playing on the roads surrounding our homes, when we have fields (green spaces!) lying unused. We will advertise these sessions directly to nearby houses. If you believe that there is a green space near you that children could use, please get in touch.

Unit 2000

'At a time when funding is uncertain I am pleased to say that Shine has secured money to offer more activities for our community's young people. We are planning music, DJ'ing, dance, film-making, art, drama sessions and more. They will run on Wednesday, Friday nights and throughout Saturday. There will also be more sessions during the day on Saturday. There are

some exciting plans happening for this area and I would recommend that you keep posted via our website.'

Shine Media

'If you are involved in a local group or organisation that would like the community to know about what you do; please contact shinemedia. We can promote you via our website through posters, films and podcasts. This is a FREE service and we know that you'll love the difference it will make to attracting new members, bigger audiences or attracting further support.'

Pride of Warsop & Community Bonfire

Over the weekend of the 12th and 13th October there will be an amazing programme of activities for everyone in this community. The Pride of Warsop event promises to be a spectacular evening to celebrate everything we like about where we live. Please take the time to register your votes. The Youth Council are working tirelessly to organise this event, but they need YOUR input.

Gifted & Talent Summerschool

Pupils from Meden took part in a week-long music summerschool ran by Music in the Community, Meden's Miss Sherwood and Shine. Throughout the week they wrote songs, jammed and learned valuable skills from music professionals. The week ended with a great concert, to a packed Tudor Barn where they got chance to perform a range of covers and newly written material

You can always find out more about the great things happening across the community via www.shinemedia.tv

All staff are CRB checked, qualified and covered by the necessary insurance. They are here to ensure that everyone has a safe, fun and enjoyable session.

Tea Anyone?

Sunday 22nd of August saw the Parochial Church Council host an afternoon tea at The Parish Centre.

To say thank you to all the people who have enabled much needed refurbishments to come to fruition. First to Steve Lunn and Phil Willerton for clearing the car park and David Bowring for moving the stacks of stone and then giving the chippings used by Steve and Phil to level the car park area and of course to Steve for a superb job to our boundary fences. A special thank you to Alex and Andy for the numerous DIY jobs they so willingly do behind the scenes. And now to the kitchen and toilet refurbishment, the work has just uplifted the whole centre. We cannot express our thanks enough to WREN for the grant, David Bowring and The Eastwood Foundation for enabling this massive amount of work to take place.

The builders, joiners, plumbers, plasterers and electricians all did an exceptional job as they worked and yet kept the area as clean and tidy as possible, the work has been done to an exceptionally high standard. Then through the generosity of Warsop United Charities and Warsop Rotary we were able to get the passageway refurbished. I would like to thank Dave North for not only the good job he did decorating, but the flexible way he decorated around the bookings. The thank you's ended by thanking everyone who played any part in the refurbishment. From the people who filled out the grant application form and Ron who managed the work, Tom for helping to get donations and estimates, Kathryn for her work and support at the conception of the project.

Lastly, Paul our Curate for all the support, hard work and enthusiasm he's given to the project. Everyone then had a chance to fully explore the Centre; from the car park to the attics. All our guests were impressed with all the work that has been completed.

WANTED Poppy Appeal Collectors

We are again appealing for help. With the news that the Military are not going to give employment for those coming back badly injured from Afghanistan we are expecting a sudden influx of requests for help, so the Poppy Appeal has never before been so important as it is this year.

The appeal runs for a fortnight from the 30th October 2010 to the 14th November. Please ring Pete on the number below if you would like to help. We are planning a Poppy Appeal launch at the John Fretwell Centre on the 30th October when top TT rider Guy Martin will buy the first Poppy. He will be available for photo's and autographs and a mass ride will then take place with Guy leading through Nottinghamshire into Lincolnshire. Tickets are £10 per bike and this will get a Bacon Butty and a brew for the ticket holder.

Work is well underway in preparation for the 2010 Remembrance Parade on the 14th November and for our Christmas Meal which is planned for the 26th November.

The October meeting of the branch will be held at 7.45pm on Monday the 11th at the Memorial Club, Bishops Walk, Church Warsop, when we have a horticulturist as our guest speaker. All are welcome to attend

MS UPDATE

MS
Multiple Sclerosis Society

Hi Folks. By the time you read this our Branch's 50th anniversary will be over. We were so looking forward to celebrating 50 years of helping Multiple Sclerosis patients in the area. My kitchen table looked like a bomb had hit it - letters, envelopes, stamps, invitation cards, raffle tickets - the list went on!! Still, it was not every day that a local charity celebrated reaching its GOLDEN ANNIVERSARY. We invited East Midlands and / or Calendar News, to this event on our special day - September 16th, 2010. The Chad, Radio Mansfield, Radio Nottingham and the Community Radio had been brilliant, helping us to raise awareness of the Branch's achievement.

From the wheelchair parade starting from Mansfield Market that Thursday, to St. Peter's Church for a service of celebration, everything went according to plan. From the church we all headed up Nottingham Road to the Oakham Suite where people caught up with old friends, and enjoyed a beautiful buffet. The day went perfectly, but although our Branch has reached this remarkable milestone, we still have much to do in raising awareness of this debilitating illness. The fight goes on!!

I must put in a huge thanks to both Morrisons, Mansfield Woodhouse Store, and Tesco's at Hucknall for allowing us to do collections there. In addition, a special mention to Andy Collins, Venus Sound, who did a charity evening for us at the Grosvenor Rooms in Sutton. Thanks also goes to a dear friend, who owned the "Everything For Pets" shop, in Rainworth. He has supported our charity for over 30 years, and now is looking forward to a much deserved retirement. Thank you for all your help! Every penny donated to the Branch goes to our MS patients for things to make their lives easier.

With this in mind, we continue to fundraise - October, Information Day at Ashfield Community Hospital; November, involvement in Portland College's Christmas Fayre. The Branch never stops!!!

For those who have read my ramblings over the last few years know that our Branch is located at Field Mill, and every second Tuesday monthly we have a Social Evening, from 7:15 to 9:15ish, where a variety of activities have been organised by our Events Co-ordinator. August saw the Woodhouse Byrnonaires entertaining us, and in October we are visited by a Sutton Karate Club. During each Social, our Support Officers are always available for a "natter". If you need help, or you know someone with MS who needs assistance, please give us a ring on 0800 5420901. The Branch does everything it can to help both MS sufferers, and their carers.

In closing, I have a favour to ask readers!! After giving so much to the Branch, several Committee members are resigning in May 2011. Many have served over 15 years, and are now finding it a real struggle to keep up with Branch needs.

The Branch needs new blood!!!! It needs new ideas, and new approaches to fundraising, patient support, etc.

We desperately need Support Assistants, Fundraising Volunteers, Drivers and people interested in Public Relations work. Don't think you will be dropped in at the "deep end", there will be Committee members there to guide you into the work of the Branch. We have so much fun, and the cause is so worthwhile. So, if you are retired, or have some time to spare and would like to join us, please give the Helpline a ring, or give me a call on 643585. Bob and I have had some wonderful experiences since we joined the MS Committee, and we have worked with some superb people. People who are dedicated to making life better for those suffering with this horrible illness.

Again, thanks for listening and if you, or someone you know, can help us it would be so much appreciated.

Take care, and I'll speak with you again soon.

Book Review

Fall of Giants by Ken Follett

After the success of the historical novel World Without End, Ken Follett has begun a new historical epic which is the first of The Century Trilogy. Five interrelated families from America, Germany, Russia, England and Wales are at the core of this saga as their lives and experiences are affected and influenced by such huge events as the First World War, the Russian Revolution and the struggle for women's suffrage.

Billy Williams is only thirteen but when he enters the Welsh mining pits it is into a man's world. Gus Dewar is an American law student who has been rejected in love who finds a surprising new career in Woodrow Wilson's White House. Grigori and Lev Peshkov are two orphaned Russian brothers who plan to emigrate to America, but war, conscription and revolution causes their paths to become radically different and half a world apart. Ethel is Billy's sister and she works for the aristocratic Fitzherberts as housekeeper. She unfortunately takes a fateful step above her station and Lady Maud Fitzherbert also moves into forbidden territory when she falls in love with Walter von Ulrich, a spy at the German embassy in London.

As the drama and intrigue of Fall of Giants moves from Washington to St Petersburg the lives of these characters and many more become inextricably entangled. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, and from the corridors of power to the bedrooms of the mighty. The brilliantly researched history of this novel should pave the way for the future of this series when subsequent generations of the same families will live and travel through the rest of the twentieth century being changed by it and even making changes to it themselves.

Our Kind of Traitor by John Le Carre

Dirty money and dirtier politics are at the centre of this new novel from the master of spy fiction. A tennis vacation at an exclusive beach resort in Antigua is the starting point as the story unfolds for Perry and Gail. They are idealistic and in love but when a Russian money launderer enlists their help to defect, the charm of their luxury break begins to lose its sparkle. Dima wants amnesty and is willing to rat out his compatriots from the Russian criminal brotherhood, known as the vory, by exposing the corruption throughout what is thought to be the legitimate financial and political world. Soon the guileless couple realise that they have become pawns in a deadly endgame. The outcome of which will be determined by the victor of the British Secret Service's ruthless battles which could destroy both sides.

These books and many more, including recently published novels by favourite authors; Katie Fforde, Quintin Jardine and Harlan Coben can all be reserved for a small fee (currently 25p) from Warsop Library. Tel 01623 842322.

OUT & ABOUT

Sherwood Pines

Cycling

A matrix of trails litter the needle covered
 floor of Sherwood Pines Forest Park,
 providing a network of riding possibilities
 for all ages and abilities. Whether you're
 looking for epic cross country loops, tight
 twisty fast single track, or slow technical
 sections, there's something for the serious
 biker. If you'd rather relax and take a
 leisurely family ride around the miles of
 family trails, you can easily do that too,
 there's no doubt something for everyone
 at Sherwood Pines. Bikes and accessories
 are all available for hire from the cycle
 centre.

Amazingly the Carnival this year did go ahead although it felt like the Carnival Committee and supporters had to jump through a 1,000 hoops to make it happen.

At the beginning of the year with only a handful of people available and interested in attempting the challenge it seemed that we would never do it. How to provide a day full of fun with 6 people and no money? Somehow we managed to carry it off but this was only down to the support of local volunteers, organisations, schools and businesses who want to ensure the Carnival continues. So a Very Very Big Thank You to those of you who were part of creating this years carnival.

We hope everyone had a great day and if you have some time (any time at all) that you are prepared to give to the group, either to join the committee or just turn up on Carnival Day as a volunteer to help then we really want to hear from you.

The Carnival AGM is on Tuesday 19th October at 7pm at Warsop Town Hall. We would love to see you there. The AGM will give you an opportunity to meet the Carnival Committee and put forward suggestions for next year's Carnival - if you want one of course!

If you can't make the meeting but still want to get involved then please call in at the Town Hall or contact Tania Barlow on 01623 845858 E-mail: tbarlow@warsop.gov.uk

Warsop Carnival... more than just a fun day

This year's Carnival raised over **£3,000** for local charities and community groups (and that's just from a few of the charity stalls who gave us their feedback).

Some of the comments they said:

"We had a fantastic day and took the most money ever!"
 Warsop Camera Club

"Very good, best ever."
 Notts, Lincs Air Ambulance

"We signed up several new members."
 Royal British Legion

"The event went well and we had lots of interest."
 Kings Mill Hospital

"We did lots of networking and promoting Jigsaw's services."
 Jigsaw

"Congratulations to all concerned for the hard work each year."
 Welbeck Welfare FC

Warsop Carnival AGM

Tuesday 19th October 2010 - 7.00pm
 At Warsop Town Hall Everyone welcome

Thanks to WARSOP CARNIVAL 2010

A Big Thankyou

On behalf of The Meningitis Trust, I would like to thank everyone, who came and supported our Tombola Stall at Warsop Carnival.

We raised a grand total of £457.03, every penny of which has been sent onto the trust.

I would also like to thank my family, hubby Phil, Vicki, Lee, Amber, Lynsay and not forgetting my "Monty the Duck" Michael, without these people I would not have managed.

I would also like to thank the Meden Vale Charity Shop for the loan of Van and Man Sean for transporting our goods. Hopefully the Carnival will be on next year and we will be back again.

Thank you once again

Pauline Denby

Meden Vale Seniors

We are currently seeking to recruit new members, anyone 55 or over is welcome.

We meet in the Welbeck Miners Welfare every other Tuesday at 7:15 pm.

We enjoy a game of bingo, a sandwich and beer or soft drink and finish just after 10:00 pm.

We have at least one trip to the seaside each year. In the spring we have an Easter tea, in the autumn a harvest tea and in December a Christmas dinner. All members enjoy each and every event.

There are many lonely people in Meden Vale who never see many people so why not come along and join us, you will meet many people you already know and make many new friends.
