Growing Popularity for Shine Events

**On the 29th January Shine held the free entry
'XL Extreme Fest' event from 2-6pm
at Adam Eastwood Community Venue.**

There were activities such as; Laser Tag, Football, Beatboxing, Climbing Wall, Music Production, KMXing, BMXing, Parkour, Film Making, Street Dance, Radio Broadcasting and much more!

The Shine team all participated in some activities to make the day exciting and fun for everyone. All of the children and teenagers who attended each had something positive to say about their day. Shine leader Ellie said "It's a good opportunity for people our age to hang out, have fun and stay out of trouble."

The day overall was very successful and enjoyable, it was described as a happy atmosphere by many of the participants. The staff enjoyed working throughout the day, and complimented on how well mannered and polite the children were. Shine has done many other events such as

the 'Community Bonfire & Firework display', weekly after school sessions and activities at Adam Eastwood Centre from 6-8pm on Tuesday and Wednesday nights.

For further activities at Adam Eastwood Centre from (6-9pm on Monday through to Thursday. See inside for more details

EDITORS LETTER

We are quickly hurtling towards spring, thank goodness!

I am fed up of being cold and can't wait for a bit of sunshine to brighten us all up. Everyone I speak to is just getting over the bug and fed up, I've finally shaken it off after 12 weeks! I am touching wood and have my fingers firmly crossed now I've said that!

I must be going up in the world! My designer and partner in crime for the Warsop News is moving into my office, so when you want an advert, poster, flyer, leaflet or anything else to market your business you can talk to Karen, if you don't know her, she is really nice and rarely bites anyone! She is on the Carnival Committee, in the Panto and organises Warsop's Got Talent, so if you want to know anything about these or would like to get involved call in and have a chat.

I've also got a junior correspondent, Tessa, you may have spotted her photo on the Francesca Paige article last month. She has taken a photo and written an article for Purr-fect Nails this month and also the front page article for Shine, so if you would like to be featured in a future edition with your advert or you have an event, or your child has achieved something, or anything else you would like to see in the paper, email her.

Gardening Monthly...

March is the month when things really start to move as the growing season begins.

Harvest

Any leeks left standing should come up now - you can freeze them for use in soups and stews.

Parsnips too should come up in early March before they try and re-grow.

You may have spinach beet and chards available, the last of the late Brussels sprouts, winter cauliflowers, kale, swedes, salsify and scorzonera. Don't forget to keep checking the purple sprouting!

General Jobs in the Garden

Have a good tidy up and finish those odd construction jobs because you are going to be busier still later in the year.

If you have any horticultural fleece, you can peg that onto the ground a week or so before you plant. The small rise in temperature of the soil can make a big difference.

Sowing, Planting and Cultivating

If the weather permits you can plant your onion and shallot sets. March is usually the right time to establish an asparagus bed if you are starting from crowns. Mid March should let you start planting those early potatoes you've had chitting and talking of root crops, you can plant Jerusalem artichoke tubers now.

You can also sow: Beetroot, Broad Beans, Early Peas (but they may do best started in a gutter in the greenhouse then slipped into a trench), Brussels sprouts - early varieties like Peer Gynt will be ready in September, Kohl Rabi, Leeks, Lettuce, Radish, Parsnips, Spinach Beet and Early Turnips

Windowsill or a propagator in the greenhouse will come into use now to start off your tomatoes, peppers, aubergines and cucumbers. Under Cloche

Summer cabbages and early cauliflowers, early carrots will get away best under a cloche. If you set your cloche up a week or two beforehand, it will warm up the soil so you will get even better results.

Many of the crops you can sow directly will also benefit from cloching, especially as you move northwards or started off in modules in a cool greenhouse or coldframe and then planted out later.

Planting & Pruning

There is still time to finish planting bare rooted fruit trees and bushes, especially raspberries and other cane fruits.

Early this month you can still prune apple and pear trees while they are still dormant. It's also time to prune gooseberries and currants. With currants shorten the sideshoots to just one bud and remove old stems from the centre of the bushes.

They'll benefit from some compost spread around the base as well.

Bird Notes...

Is it just wishful thinking on my part? Can you feel it too? Is it me, or is there just a tiny hint of Spring in the air? It's not that I'm tired of the beautiful and varied birds that inhabit our shores during the Winter months and the, often easy opportunities to see them- opportunities that I have been gladly taking these past few months.

I have to admit though, a lot of the opportunities that I have been taking have been whilst gazing out of the living room window and hugging the radiator for dear life! I'm sure many of you adopted this (warm and cosy) method of birdwatching too. Especially during those days, (or was it weeks or even months) that we endured with a foot of snow on the floor. It certainly seemed like it at the time!

No, the real reason why I can't wait for the seasons to turn- besides leaving the freezing temperatures, snow and ice, howling gales and torrential downpours behind - is that I can't wait for that fantastic feeling of well being that I know we all feel, when the Sun is higher in the sky and the resident birds start to sing and their migratory counterparts begin to arrive from all points south. I'm sure, if you go to a really quiet place at this time and try to be as silent as absolutely possible and if you strain your ears really hard, you will hear the noise of the sap rising and the soft rustle of the leaves unfurling on the trees. But maybe that's just me -) It is undeniable though that we do respond in a positive way to the gradual brightening of the skies and the increase in day length. The sunshine causes a response in our hormones that literally "fills us with the joys of Spring". The same effect is seen in birds and if anything is even more pronounced, totally changing an individual bird's behaviour. As Spring arrives, males and females will change from being tolerant of others of their own and other species, as they are in Winter feeding flocks, to attacking and attempting to drive off any would-be breeding competitors and attracting potential mates. In this way the flocks break up and territories and pairs are formed.

You may have noticed that some resident species have been breeding already especially wood pigeon, collared dove and blackbird. Most early nests are doomed to failure-usually caused by inclement weather (surprise, surprise) but also the visibility of nest sites is increased by the lack of leaves on trees and bushes which can lead to predation.

If you feed the birds it is nearly time to think about cutting back on the food you provide. It is best for the birds if they forage for wild food for their young, although a little help with appropriate foodstuffs is no bad thing. Providing a safe supply of clean, fresh water will guarantee good views of the birds on your garden as the weather warms up. And if you're lucky you may be treated to adult birds of many species bringing their young to show you as they have a drink and their first splash!

Here's to it warming up a bit - B.A.

FIGHT THE FLAB IN THE WOODS

You don't have to spend a bundle of cash in gym fees to lose calories as woodland rangers come up with a better way to get fighting fit.

The Forestry Commission is staging regular weekly Nordic walking sessions in 1,200 hectare (3,000 acre) Sherwood Pines Forest Park, near Clipstone, Notts. Experts say walking with poles sheds the pounds quicker than normal hiking, making the pastime a surefire way to get leaner.

Free buggyfit sessions for mums are also being run every Friday at 1.30pm, while beginners wanting to put on running shoes can join Run in England's pilot project in the beauty spot every Thursday at 10.15am.

Hannah Darcel from the Forestry Commission said:

"Everyone one is feeling the pinch in their wallets at the moment and these events are a low cost way of keeping fit, making friends and exploring the forest on your doorstep."

Nordic walking costs between £2 and £5.

For more details contact Hannah Darcel on: 01623 821452 or 07789942599 or email: hannah.darcel@forestry.gsi.gov.uk

WARSOP

Footpath & Countryside Group

It has felt like a long winter but signs of spring should finally be with us this month. Bumblebees and ladybirds will be reappearing, mating frogs will be seen (and heard!), blackbirds should be nesting and woodland flowers like celandines will be coming out. Along our hedgerows the leaves of hawthorns and white flowers of blackthorn will soon be opening.

Work on some improvements to our public footpath network is underway following the consultation over the Local Transport Plan. The short stretch of bridleway between Meden Avenue and Birkland Avenue has been resurfaced and improvements are scheduled for Sandy Lane where it leaves Meden Avenue. There is also the intention to see whether anything can be done about the drainage problems on Sookholme Lane near Herrings Farm. A diversion is being considered for the section of the footpath between Lord Stubbins Wood and the bridge over the railway at Langwith where it is usually flooded through 'Swamp Wood'.

Whilst I was walking near Warsop Vale I encountered a group of volunteers organized by the Forestry Commission who were transplanting marginal plants from the edge of the ponds next to the Rhein o' Thorns into the new ponds on the restored meadow area on the other side of the village. These ponds are taking a while to get established due to floods, droughts and leaks but hopefully they will soon look attractive as well as being an asset for wildlife.

At this time of year any period of dry weather can result in a fire risk on areas of grassland and along hedgerows, particularly on our nature reserves. Dead grass can easily be ignited and recently patches of grass have been damaged and old hedges have been lost at this time of year. The prompt response of our local firefighters has prevented the damage being more extensive. How much of our natural heritage would we have lost if we had to wait for a fire engine to travel from Ollerton?

Last summer Bassetlaw District Council granted planning permission for a change of use for woodland at Gleadthorpe Breck allowing war games to take place. The well-used public footpath between Meden Vale and Hazel Gap runs along the edge of these woods. As this area falls within the parish of Norton, Warsop Parish Council was not consulted or even notified. Questions have been raised as to whether the presence of the footpath should have been taken into account and over conditions that should have been applied. These issues are being followed up. Part of the site falls within Warsop parish and some objections were lodged with Mansfield District Council before the deadline of February 1st 2011.

We took part in the RSPB Big Garden held on the last weekend in January. Once again goldfinches were the most common amongst the twelve species we spotted during the hour but the results could easily have been different because a murmuration of starlings descended soon after we finished.

The next Footpaths Group walk is on Saturday 19th March meeting outside Warsop library at 9.15am. We plan to travel to the starting point in cars but we have yet to decide where we are going! Get in touch if you would like to join us or would like more details.

PAINT ALONG WITH MATTHEW PALMER - THE TV SERIES
On Sky channel 195 • Starting 22nd Feb at 4pm

OUT FOR A WALK

Lets have ago at painting a simple landscape with a couple of people in it, out for a nice stroll in the snow. bbbrrrrrrrrrr, cold!

I only need four colours for this. I am using tube watercolour. French ultramarine blue, yellow ochre, alizarin crimson and burnt sienna. Just 3 brushes a round size 10, a round tip size 6 and a nice detailer liner or rigger brush.

The first job is to make a rough sketch and add a touch of masking fluid. Add this to the horizon line and the people. This will keep them protected while you paint the scene.

Tip - masking fluid (one of the greatest developments in watercolour painting), is a liquid latex which is designed to protect areas of a painting that you wish to be left white. eg. snow. The best way to use is to use an old brush or a special masking fluid brush.

The reason for this is because the latex can dry and stick to your bristles. Be careful.

The final thing to mention about masking fluid is it smells like cat wee.

Let's paint the sky and background trees. Use a number 10 brush and mix 2 sky colours and 1 for the background trees.

Sky mix - pale yellow ochre & a lilac mixed from french ultramarine and a touch of alizarin crimson.

Tree mix - burnt sienna and a touch of french ultramarine blue. Note- this needs to be a stronger or thicker mix, to control the flow of paint. So more paint less water.

Simply work wet-into-wet, use the size 10 brush to wet the paper and add the pale yellow first then in horizontal strokes add the lilac. Now change brushes, use a number 6 and twist the background trees along the bottom, right up to the masking fluid. Notice different heights in the trees. **Tip** - watch out for water gathering along the masking fluid. Use a damp brush to mop this up.

Allow this to dry fully and remove the masking fluid, use a masking fluid removal tool for this, also know as your finger, just rub it off, revealing the white clean edge.

To create the snow, you use a shadow colour. For snow mix this from French ultramarine blue and a touch of alizarin crimson. The crimson should just darken the blue, not turn it purple. I am using a number 6 brush to work the shadows, on the snow, the left of the path first, add a wiggly line down the side and use a damp brush to blend it across. Just continue painting, but with water (but not too wet). Notice I'm

blending this line to the right. Do the same on the right side of the path, this time blend it upwards. Follow the contour of the banking.

Tip - with blending, use only a damp brush and

keep going until the paint completely blends away.

Using a small rigger or liner brush, use a dark grey mixed from french ultramarine blue and burnt sienna. Paint a few trees over the distant trees. I have added an effect of silver birch trees by using a craft knife to scratch them away. Please be careful.

To finish the painting. Add some rough! Use a dark gray colour, mixed from equal parts french ultramarine blue and burnt sienna. And also mix more of a brown from the same two colours but with less blue.

Use the texture of the paper and paint with a dry-ish brush too. Almost Scratch the paint on the paper. **Tip** - when painting with dry brush it helps to use the side of the brush rather than the point.

Also add a few posts, maybe a few birds and finally have ago at painting the people, oh don't forget the dog. Feel free to change the jacket colour etc.

Have fun, give it ago and don't be afraid to get started.

Fundraising Group Celebrates Milestone in Meden Vale

Volunteers at Meden Charitable Fund are celebrating 10 years of fundraising resulting in almost £250,000 to help local good causes.

The Fund, which is based at The Charity Shop in Meden Vale's shopping precinct, was originally started after a midwife asked four locals to help raise money to buy much-needed equipment for the GP surgery, which has a main surgery at Meden Vale and a branch surgery at Warsop Health Centre.

The Charity Shop was set up 10 years ago thanks to a £32,000 grant awarded by The Coalfields Regeneration Trust (CRT) and the shop has become the hub of the community - where local people can keep informed and connected with Meden Vale life.

There were around 25 groups in the village when MCF started - many of whom have benefited from MCF's dedicated fundraising - but this has dwindled over the years, and since the local pit closed last year its services are even more vital.

At a special event marking the Fund's milestone, CRT Trustee Fran Walker thanked them for their

extraordinary efforts over the past 10 years and wished them well for the next decade.

"Meden Charitable Fund is a prime example of the sort of project the CRT has been proud to support over the last decade. It is wholly self-sustaining and its fundraising helps to support a wide range of activities, from refurbishing the new village hall, to extra-curricular activities for pupils at Netherfield Infant School, to local football groups, to new machines for the Bingo Club, and donations to help Warsop Health Centre," she said.

"Its impact is far-reaching, and it is a truly wonderful example of how the community working together can help itself."

The event at The Charity Shop on Monday 17 January was attended by a large number of supporters, volunteers and organisations associated with MCF.

'A Loving Mother'

Every single day for many years, I have thanked the dear Lord night and morn,
 For giving me a very kind hearted loving mother, the day I was born,
 When I was a very small child, every night she cuddled me upon her knee,
 Then she read the most lovely stories of wonderful Jesus to me,
 When it was time for bed, she always came up the stairs,
 And knelt down with me to hear me say my prayers,
 She went through many sleepless nights to watch over me, when in pain,
 Never once did she leave me, never once did she complain,
 I gave her my bag of sweets, I told her it was a reward, then I asked her to rest for a while,
 She said, the only reward she wanted was to always see me smile,
 My childhood days were very happy and carefree,
 Because just like a guardian angel everyday she gently watched over me,
 Sometimes for a very short time, we had to part,
 But she always said, that she kept a precious spot for me, within her heart,
 When my children were born, she said to me be a loving mother for my sake now,
 I said, I will mother, and will tell all the world that you have shown me how,
 She proudly shows off her grandchildren and spoils them as often as she can,
 That's why they tell everybody, that they have got the worlds sweetest gran,
 No matter where she goes her lovely ways and her heart of gold, are always shown,
 God knows that no greater motherly love could I have ever known,
 She is a really good Christian because she has lots of friends, who think that she is grand,
 That is because she has always been willing to offer, anyone a helping hand,
 On her way to church one day, I saw her knock on someone's door,
 She gave them some clothes and food, because she had heard that they were poor,
 When I offer to help her she always says, "I am alright my love",
 She says that she gets her strength from the dear Lord up above,
 Every night she loves me to sit and talk about time gone, to her, I know,
 We sit and reminisce, as we watch the warm firelight glow,
 There are many mothers in the world I know but mine is the best,
 Her wonderful precious love and her tenderness I will always have, until
 Our dear God, asks her to rest.

Ready, Steady, Go...

...to a Million Pounds for Warsop Parish

Late last year, working with local representatives of your community and service providers, The Big Lottery made an award of at least £1million to Warsop on the basis that it was an area of proven need and had previously been overlooked for receiving lottery money.

LOTTERY FUNDED

YOUR LOTTERY • YOUR SAY!

Former Welbeck Colliery Site

2 Public Exhibitions recently held at Meden Vale and Cuckney were well attended and the results of the comments sheets have indicated that there is a strong preference for re development of the site, with an emphasis on job creation.

Children's Centre

"A group of parents have developed a funding group called "Contributing to our Community". The group is involved in making decisions on fund raising events as well as deciding how the money is spent. Due to the children's centre budget restrictions parents are looking at using the money on future events and trips.

Age Concern

Continue to offer services mainly to over 50's but the centre welcomes people of any age.

They offer information and support to reduce loneliness in those who maybe fully or partially housebound.

Activities for young people

Shine will be applying to the BIG Lottery Fund to enhance its programme for young people across the area. This will include after school, evening, weekend and holiday activities. We will also be looking to considerably improve the Adam Eastwood Community Venue to be a centre the whole parish can access, for a variety of family led uses.

Things are happening at Warsop Town Hall

Things always seem to take longer in the planning than originally envisaged but plans finally seem to be coming to fruition.

New Surgeries

January sees the instalment of a new tenant. Mansfield M.P. Alan Meale has taken up occupancy of an office at the Town Hall as his constituency base for Warsop. The office will be staffed on Mondays & Fridays 10am - 1pm, for queries and Alan will be holding a monthly Saturday morning surgery 10am-2pm on 26th February.

The Parish Council are taking advantage of this arrangement to hold a monthly Parish Council surgery alongside Mr Meale's drop-in. This will give Warsop parish residents the opportunity to raise issues or discuss concerns about their village or community, outside of the formal Parish Council meeting. Pop in for a chat with a councillor if there is anything you think ought to be taken up by the Parish Council.

Reception

Thanks to volunteers willing to donate their time, we are endeavouring to ensure that the reception will be manned from 9am-1pm and 1.30-4pm each day. Many thanks to Abi Beardsley, Kathy Fines and Linda Moody for offering their services to help keep the Town Hall functioning. There are still timeslots to be filled to ensure full cover so please

bear with us if it is not possible to man reception. More volunteers are welcome to join the team. The work involves making appointments, course bookings and generally dealing with queries from the public and can offer valuable work experience for those hoping to gain employment in the future. If you are interested in becoming involved, please call in for an informal chat.

More volunteers needed to join the team to cover reception.

Rooms for hire

The long awaited refurbishment of the Council Chamber has now been completed. With disabled access available from the newly installed stair lift, this prodigious room can now be offered for hire by the hour for meetings, small conferences or training courses. Refreshments can also be provided.

The first floor offices have also been refurbished with WiFi access and are now available to rent to private businesses or voluntary groups at very reasonable rates.

We also have a large ground floor office now available to rent.

The Future

The 62nd meeting of Meden Vale the Future was held at the Village Hall on Tuesday 8 February 2011. 5 members of the Committee were present plus 1 Representative from Welbeck Colliery Football Club and 2 Representatives from the Playscheme. There were 5 apologies.

On behalf of Fundsport UK the Welbeck Colliery Football Club Representative reported that the work on the Pavilion was proceeding according to plan and was expected to be completed by June 2011. Disabled access to the Pavilion and the Village Hall has been costed and the £2,000 necessary for this work will be raised by this Committee. Ideas for fundraising were discussed and possible Funders will be contacted. There will be a Publicity Day on February 22nd at 2 pm organised by Fundsport UK.

The cake decorating class is reported as a success with a further 5 weeks of the course remaining.

Further interest in the Welbeck Colliery site has been advised to the Committee and details will be made public after the next Welbeck Colliery the Future meeting scheduled for Wednesday 9th March.

Unfortunately the number of Volunteers and Committee members necessary to sustain the Youth Club in its present form is insufficient and therefore additional help is being sought.

The Treasurer advised the accounts were satisfactory but some incoming bills for the winter season were expected.

The Caretaker reported that the paperwork in respect of funding for two new outside doors had been accepted and a cheque for £825 was imminent. Reminder notices have been displayed in the Village Hall reminding users to turn the thermostat down when leaving the building and explaining how the 'delayed action car park lighting' operates.

Next meeting will be held on Tuesday 8th March 2011 at 7.30 pm at the Village Hall. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Warsop Inner Wheel

Report for February 2011

President Christine Fretwell hosted the February meeting on Wednesday 2nd February 2011 at the Hostess Restaurant, Sookholme with 28 Inner Wheel members and 2 guests. 12 members apologised.

President Christine opened the meeting with a warm welcome to members and guests Doreen Powell and the Reverend Angela Fletcher.

Angela was our guest speaker for the evening and came along to talk to us about how her life had evolved to take up a career in the Church. Angela has taken the post of Rector at St. Peter and Paul's Church in Warsop, this post was previously held by Katherine Herrod, not an easy act to follow, however she will certainly be welcomed in Warsop with open arms, she has a warm, caring and enthusiastic personality and the ability to make you feel friendship as soon as you meet her. I'm sure she and her family will be a big asset to the community of Warsop and Sookholme. Angela has spent the last 3yrs as Curate at Edwinstowe and Perlethorpe Churches and as a leaving present the parishioners presented her with a beautiful embroidered religious sash to wear on special occasions, this sash is red and one end of it was embroidered with the churches of Edwinstowe and Perlethorpe whilst the other end was embroidered with the churches of Warsop and Sookholme with the River Meden flowing on both sides, what an amazing item of ceremonial clothing and personal memento.

Barbara Harding gave the vote of thanks.

Christine then gave her report for January, she gave a report on the World Inner Wheel Day that we had celebrated on 10th January at the John Fretwell Centre, guest Maureen Jefferies gave us a talk and demonstration about the art of belly-dancing. Christine thanked everyone who supported the event and especially the people who had brought food to the faith supper, even though this was a social and not a fundraising event we did raise £135.50 on the raffle and so this money will go towards Overseas Charities.

Christine and Christine Parkin had been out in Warsop delivering library books to the housebound, this is a service that Warsop Inner Wheel members undertake to do on a regular basis so if you are housebound and would like books delivering to your home do contact the library and ask for details.

Anne Lyon's gave the secretaries report and forthcoming events. Gloria Humphrey gave the up to date treasurers report.

Lesley Palmer gave the overseas report: The Knit and Natter held in November produced 76 Joy Bags. They, along with jumpers, blankets and hats are to be delivered to the Police Aid Convoy to go to Albania in April.

Ann Holland gave the charity report; Arrangements are under way for the Charity Tombola stall at Thoresby Craft Fair again this year, this event is one of our major fundraisers and is to be held on 19th/20th March. We are hoping to see all supporters of this event, old and new, and thank them for their generosity. Anne is also organising a walk for osteoporosis from Pear Tree Farm, Upper Langwith on 29th March, 2011, starting at 11.30 am. Price £6 including lunch at 1.00 pm. The Fashion Show by Francesca Paige is to be held on 20th April, 2011. Price £10 per person, including a two course meal at the John Fretwell Sporting Complex. Tickets from Warsop Inner members.

The meeting closed at 9.30pm

Warsop Wives

We managed to go to the hostess for our Christmas meal and had a lovely time. We also had a Christmas social at the Parish Centre and exchanged gifts and cards. Our first meeting of 2011 was on January 11th at the Parish Centre. We welcomed Pam Radford who gave an interesting talk about her friendship with Norman Wisdom. She brought many cards and books and mementoes of his life and told us how she met him several times at his home on the Isle of Man.

Future meetings include a quiz night, a committee night off and a dinner for our 46th birthday.

Iren Hodgson.

We enjoyed singing at our first Christening Service on Sunday 30th January.

Our next concert is on 10th March at 7.15pm for the Ladies Probus Group at the Tudor Barn

The Dukeries Singers are available for Weddings, Memorial Services, Funerals, Christenings and Concerts.

We have had a good response to our articles in the Warsop News, we now have a 35 member strong, mixed voice choir, but new voices are most welcome. There are no auditions and no necessity to read music, just a desire to sing with a happy friendly group.

We rehearse on Wednesday evenings at the Adult Day Centre at the Dukeries School. Access is from the Whinney Lane entrance and car park. Rehearsal time is 7.30pm to 9.30pm.

Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

Hope to see you soon.

CAN ANYONE HELP MEGAN?

Megan Jade Hume was 5 years old on September 22nd, which meant she should have been starting reception class in September 2010.

Her mum Natalie Bush put a late application in for Megan to attend her local infant school in January 2010 and she was told in April that Megan didn't have a place at Netherfield Infants School where her older brother Dylan attends. A place was given to Megan at Hetts Lane. Both Megan's parents went to a tribunal but still was told no places available. Natalie has 4 boys 6 week old Jenson, 18 month old Billy, Dylan that attends Netherfield and Kieron who attends Eastlands, so getting Megan to Warsop on the bus costs £10 a day in bus fares as Natalie doesn't drive, she has to be there for half 8 then back on the bus to drop Dylan and Kieron off at school in Meden Vale for 8.55am is just not possible.

Several meetings have been held with school governors and councillors but still they don't know what is going to happen as they say funding for an EXTRA teacher or NTA will not be given. Netherfield started with numbers over 30 this January 2011 and a little girl has recently left the reception class, Nottinghamshire education board has said that numbers still need to be brought down before Megan can be given a place. Natalie is becoming increasingly stressed by her daughter not being in school as it is causing Megan to be very upset refusing to walk into school saying that the school doesn't want her there so she's not going to go and pick Dylan up. Megan doesn't have any special needs, she's a very bright happy little girl, but I myself a nursery nurse feel that this is now causing emotional problems and they are showing.

If you need any more information please ring myself Julie on 01623843564 or Miss Natalie Bush on 07928509704.

MS UPDATE

Hi Folks.

2011 - another year, new challenges to tackle, but still our main aim will be to raise awareness of Multiple Sclerosis. With every event we do, more people become aware of this debilitating disease, and the huge need to find a cure for it.

The Branch diary is already filling up:

March - The restart of the Exercise Classes at Healdswood Community Centre, Skegby, from 2:00 till 4:00p.m., every Wednesday. Contact 0800 5420901 for further details.

May - Branch AGM (We are looking for a variety of new Committee members, as several of the present ones are retiring. We require volunteer drivers, support workers, fundraisers, and event helpers - people who can bring new ideas into the group. Volunteers do not need to have MS, all they need is the desire to carry on the work of this Branch, and its wonderful folks. Interested - phone 0800 5420901.)

May - MS Awareness Week, from the 23rd to 27th, at Kings Mill Hospital. Each day volunteers run a Tombola, raising both awareness, and funds, for our MS sufferers. Our aim this year - £1000!!! If you have any unwanted items at home, and you think they would make good prizes, give us a call and we can collect them. None of our funds goes for administration costs, it goes straight to our MS patients, to give them a better quality of life.

One of the places MS patients can receive help and support is from the dedicated team at the Chatsworth Rehabilitation Centre, run by Nottinghamshire Community Health, at Ashfield Health Village. The centre is led by Dr. T. Stephan, a Consultant in neurological rehabilitation. The centre includes a ward which has 16 inpatient beds. There are also outpatient clinics available at Ashfield Health Village, Mansfield Community Hospital and Newark General Hospital. The service provides specialist rehabilitation for many types of neurological disorders. Dr. Stephan will be talking to our members during one of the upcoming Social Evenings. If you want to find out more about treatments available there, give us a ring on 0800 5420901.

In January, we lost a brilliant friend, and our Branch "Informer" Editor, Ivan Bennett. Ivan, aged 55, died at his home, from a heart attack. The service was held at St. Edmunds Church, on February 4th, 2011. Many people attended, to pay their last respects to a local lad, and a good friend of so many. He will be sadly missed. Rest in peace, dear friend.

Well, folks, that is about it for now. Always remember, if you need any information about Multiple Sclerosis, we are at the end of a phone - 0800 5420901. Our Socials continue to be on the second Tuesday of each month, presently at Field Mill. At each Social, there is an invited speaker, or activity of interest, eg. chocolate making, for all to enjoy. We provide a buffet supper, and there is drinks available from the bar. Visitors are always welcome!!

Lynne Willetts

Need Some Advice?

I run a Welfare and Advice Service in Ashfield and Mansfield GP surgeries, 31 in total.

The Project is funded for the next 2 years, by NHS Nottinghamshire County, it offers free, impartial advice to anyone who is 16 years and over who is experiencing problems with money through benefit claims, or if they are not sure what benefits they are entitled to, or if they have had their benefits stopped for some reason. I can help people to claim for Attendance Allowance, Pension Credit, Disability Living Allowance, benefit checks, etc. I also help people with money worries, i.e. budgeting, helping payments to be reduced down, liaising with creditors.

I can also liaise with Mansfield and Ashfield District Councils for people in relation to housing applications, medical forms, and re-housing. I can signpost to other services, if necessary, i.e. social services, for aids and adaptations, etc.

The Service is free and totally confidential; I am at the following surgeries, at the following times every week: Monday - Kirkby Surgery, Lowmoor Rd, Kirkby in Ashfield, Notts, from 1pm - 5pm, Tuesday - Warsop Primary Care Centre, Church Street, Warsop, Notts, from 9.00am - 1pm, Wednesday - Selston Surgery, Nottingham Rd, Selston, Notts, 1pm - 5pm, Thursday - Huthwaite Medical Services, New Street, Huthwaite, Notts from 9am - 1pm, Friday - Oakwood Surgery, Church Street, Mansfield Woodhouse, Notts 9am - 1pm.

I can be reached on 07588373041, or via your local GP Surgery, usually the same week appointments

Comments from Service Users:

"Someone there to help me when I needed it" Mrs B

"Reduced my worries,"

"Fantastic service with fast results"

The service is provided by Mansfield and Ashfield YMCA, on behalf of NHS Notts County

Susan Bailey (Mrs)

At the end of January MDC councillors approved another temporary reprieve for Meden Sports Centre, guaranteeing a future for Sports Facilities in Warsop until September of this Year.

The purpose of the reprieve is to give Meden Sports Centre the opportunity to be involved in the Leisure options review that MDC is currently undertaking across its entire Leisure Portfolio. The Leisure Options review will invite private companies to put forward proposals to run all of the sports facilities across the District on behalf of MDC. Including Meden in this review gives the private companies the option of including it in their proposals, although it is not compulsory, with a view to taking it over long term.

The SOS group are continuing to meet as it is still very possible that the private companies will choose not to include Meden in their proposals and concentrate on the facilities in Mansfield. The group are attempting to identify alternative options for running the centre if this turns out to be the case.

The SOS group are urging people to support the campaign by using the facilities, although uncertainty still surrounds the longer term future of the facility it is still business as usual for the time being!

A Purr-fect Setting

Victoria Hunter, originally from Sheffield, is the proud owner of Purr-fect Nails, the brand new nail salon on Sherwood Street in Warsop.

Victoria has been in the industry for 9 years and previously owned a salon in Chesterfield. She is a qualified creative master technician and has also trained with Odyssey & NSI Nail systems. Victoria recently moved locally, being new to the town and all the people, to start her new business in Warsop, employing beauticians, Laura and Jane.

Purr-fect Nails offers a wide range of beauty treatments, such as; eyebrow and eyelash treatments, 'Crazy Angel' spray tans, various nail treatments, party packages for children or adults and bridal packages. Specialising in nail art, there are many nail enhancements to choose from, such as fingers & toes, full set natural/various coloured acrylics, infills, natural over-lays and bio-sculpture gel/gelish polish. Purr-fect nails also has fantastic offers such as the 'Recommend a Friend' scheme, anyone who recommends the salon to their friends, will get a 50% discount on their next treatment, and that friend will receive a 10% discount on their treatment.

Victoria has worked incredibly hard, having lots of early mornings and late nights to get the salon up and running, however she said gratefully, "I couldn't have done any of this without my mum".

Warsop Police Update

I'd like to start this edition by welcoming another member of staff to our team. Police Constable 2717 Kevin Parsons joins us from Nottingham and has a wealth of experience to bring to the team. His last post was as a beat manager at Beeston so he is more than capable in this type of role.

He has wasted no time in getting to know the area and the people that we have regular contact with. Kevin will be working on the opposite side of the shift to PC Booler and I where he will be working with Pc Snape who has also moved to give the area even better Police cover. His contact details can be found with the rest of the beat team. As mentioned PC David Booler has returned to the area and will be working alongside me and PCSO's Eyre, Bull and Gilbert.

One of the recent priorities highlighted by the community of Spion Kop is the speeding traffic that travel through their location. Pc Snape has been successful in arranging for a digital speed sign to be erected on the entrance to the village from the direction of Mansfield Woodhouse and he will be monitoring the impact that it will have.

Having recently received the crime figures for Warsop and Church Warsop/Meden Vale areas I can inform you that all crime in Warsop has fallen by 13.7% and Church Warsop/Meden Vale has fallen by 27%. These are figures from the first of April 2010 through to January 2011 compared with the previous year's figures.

The only downside to this edition is the rise in crimes that we class as burglary other. These are burglaries that are committed on sheds, garages, outbuildings etc. There has been an increase in these crimes over the past year and we urge you to make your property safe. Make sure that you lock the doors, lock any windows, look at the potential of having security lighting installed and if you have a house alarm see if you can site an extra PIR inside the building that can connect to the house system.

Another crime that has come in for some special attention is the stealing of 4x4 type vehicles. Somehow thieves are able to steal these vehicles with little effort leaving no smashed glass or any signs that the vehicle has been broken into. If anyone has information about the recent thefts of 4x4's please either contact one of the beat team or contact crime stoppers anonymously.

A fairly new offence has also recently been used in the Warsop Parish. The offence is called 'Persistent possession of alcohol in a public place on 3 or more occasions within a 12 month period whilst under the age of 18'. The offender has been found guilty at court for this offence and has been punished accordingly. This is a fantastic new addition to the law allowing us to prosecute the regular young people that we are constantly returning home to their parents when found in possession of alcohol whilst in a public place. We have used it, it has worked and we will continue to use when appropriate.

A new dispersal order is in force in Warsop at 0900hrs on 10th January 2011 and will remain in place until 2359 on 9th July 2011. The area covered is shown on the map and includes the following streets: Clumber Street, High Street, Carr Lane, Watson Street, Welbeck Street, Day Street, Vickers Street, Fenwick Street, Portland Street, Bainbridge Road to the junction of Vickers Street, Ridgeway Lane to the junction of Vickers Street, Ridgeway Terrace.

The application for the dispersal order has been made following persistent anti-social behaviour in the area, particularly caused by groups of young people hanging around the streets. In May 2010, a partnership group was set up to look at improving facilities and organising activities for young people in the area. This continues to provide opportunities for the young people to take part in positive activities; however, small groups continue to cause harassment and distress to residents in the central area of Warsop.

What powers are given by a Dispersal order? (Section 30-36 Anti-Social Behaviour Act 2003) Within an area covered by a Dispersal order, a Police Constable in uniform or a Police Community Support Officer can give directions to people to disperse or to leave the locality. They can give the direction to any person in a group of two or more people if they have reasonable grounds to believe that members of the Public have been intimidated, harassed, alarmed or distressed as a result of the presence or behaviour of the group. Also, between 2100hrs and 0600hrs, anyone reasonably believed to be under 16 years of age and not under the effective control of a parent or responsible adult, can be taken back to their home. If a person fails to comply with the direction, this is an offence and they can be arrested. This can be punished by 6 months imprisonment or a fine of up to £5000.

Thanks
PC Wayne Bennett

The exclusive new development at Fountain Park, Sherwood Energy Village in Ollerton, is proving to be a popular development for the over 55's. Phase 1 has now been fully tenanted with the 2nd phase due to be released in January 2011.

Fountain Park with 36 two bedroom bungalows and 18 two bedroom apartments, has been designed to foster a sense of community, while providing independent and stylish living. There is easy access to the local supermarket and a play centre to take the grandchildren when visiting.

Tenants Mr & Mrs Botham moved in January 2011 and made comment "It's such a relief to find a solution for affordable living at Fountain Park Retirement Village, we have relocated to Ollerton as there were no such offerings within our existing community" The development, created with the over 55's in mind, is designed to accommodate disabled adaptations, if needed.

The bungalows offer one double and one single bedroom, and have the benefit of a breakfast kitchen with hob oven and extractor and allocated parking. The bathroom has a white suite with separate shower and bath. The 18 apartments are located in two small blocks on the complex and offer a similar layout and accommodation to the bungalows.

The properties are available to rent to anyone over 55 years of age and consideration will be given to applications from part or full housing benefit tenants.

Cracking Result for under 10's girls

Welbeck Welfare under 10's girls have been together about a year with lots of ups and downs and changes, even though the girls played their hearts out they just couldn't win that illusive first game but on Sunday 6th February, they came together as a team and won their first game.

They played away against Castle Donnington, the final score was 3-2 to Welbeck and a hat trick was scored by Holly Dennett.

The rest of the team were: Angel Emmerson (Captain), Alesha Furnell, Lilly Smith, Rebecca Henderson, Megan Geeson, Georgia Gash, player of the match was Holly Dennett.

Not only did they win their first game, a week later on Sunday 13th February they did it again on their own turf at Shewood Street School sports field. They played Castle Donnington yet again and the final score was 1-0 and the goal was scored

by Holly again. The same team played and the player of the match was Angel Emmerson. A big congratulations to them all and to Kevin Forman who trains them.

Space to Hire

If your organisation or club needs a large space to hire, get in touch.

Please support Shine's efforts.

This area faces a great deal of challenges, yet what makes it so fantastic is our community spirit. There are a great deal of people working tirelessly to improve the area. Shine is amongst this group. We believe that the Adam Eastwood Centre offers a chance to have a quality, multi-purpose space that is accessible to all. There is a journey to take the building from a former transport garage / builder's yard to a community venue. Many people have helped Shine along the way. Can we ask that others support our efforts? It is not our intention to annoy or agitate our neighbours or to recreate what already exists in the community. We have an opportunity to create a fantastic space which will be the envy of the district. For far too long the Warsop Parish has appeared the poor relative to Mansfield. Shine is simply trying to bring much needed community

activities to the heart of the village. The timetable above appears to be very young people focused. This is because we can run activities for them safely in the building as it is now. Also, lack of facilities for our area's children is always a high priority in any consultation or community feedback. These are YOUR children, grand children, neighbour's children and the future of this area. I make no apology for Shine wanting to provide safe, affordable, fun and well-staffed activities to keep them engaged and out of trouble.

In the next issue of this paper we hope to tell you more of our plans for the building's use by the WHOLE community and we will welcome your response. In the meantime get in touch; we would love to hear your views.

Book Review**The Blackhouse by Peter May**

The beautiful Scottish Isle of Lewis is a remote place and its difficult conditions are only outweighed for those living there by people's fear of God. Faith, however, is a mere cover for the older pagan values and primal yearning for blood and revenge. Similarities between a brutal murder on the island and a similar slaying in Edinburgh see police detective Fin Macleod sent north to investigate. He was raised on Lewis and the investigation represents a journey home and into his past. Each year, the island's men perform the hunting of the gugas or gannet chicks. This savage custom is no longer carried out as a means of survival but the locals cling to the tradition even more fiercely in the face of the demands of modern morality. The hunt recalls a horrific tragedy for Fin and after all this time it could demand another sacrifice. This powerful crime novel is one of rare power and vision which explores the darkness in peoples' souls and how difficult it is to escape the past.

The Payback by Simon Kernick

Dennis Milne is a man with a past, and it is one which involves murder. A former cop, he's earned his living killing the bad guys - drug-dealers, corrupt business men - people who, in his opinion, deserve to die. He's been in Manila for the past two days waiting for his next target: a young woman who's made some poor life choices for herself, and along with that, some even worse enemies. Enter DI Tina Boyd, a woman on a mission. She's tough, spiky and determined, and she's looking for the man she holds responsible for the death of her lover. Knowing that he's ruthless, dangerous, and in Manila she is still determined to find and kill him - before he kills her. The two cops share a common ground in that they are both haunted by their pasts and both link in the present which could see them both dead. They are about to meet, and it could mean payback time.

Midnight by Josephine Cox

No. 1 bestselling author Josephine Cox returns with a powerful, dark love story shrouded in shocking secrets and malignant forces. Jack has always been plagued by nightmares, and on the night of his thirtieth birthday his partner Molly once again finds herself fighting to wake him up and rescue him from whatever is troubling him. But this time it takes her longer to rouse him as half awake, half asleep, Jack is trapped in the place where it is perpetual midnight, and as always the eyes are watching him. When daylight comes, the haunting visions remain - the same visions he used to draw as a child. He can make no sense of them, though, when he is deep in the dreams, he knows exactly what's demanded of him. Realising that Jack is being driven close to the edge, Molly urges him to seek help. Not wishing to frighten her, he gently pushes her away, but with their relationship falling apart Jack decides to search for answers. But Jack could never imagine the true horrors of what he is about to uncover.

Belle by Lesley Pearce

The place London, the year 1910 and fifteen year-old Belle has lived in a brothel in Seven Dials all her life, with no understanding of what happens in the rooms upstairs. But her innocence is shattered when she witnesses the murder of one of the girls and, subsequently snatched from the streets by the killer, she is sold into prostitution in Paris. No longer is mistress of her own fate, Belle blown across the globe to sensuous New Orleans where she comes of age and learns to enjoy life as a courtesan. Yet thoughts of home and the knowledge her status as golden girl cannot last, compel her to break out of her gilded cage. But Belle finds escaping tougher than she imagined, for her life is threatened by desperate men who crave her beauty and attention. Armed only with resourcefulness and spirit, she has a long and dangerous journey ahead of her. Will courage be enough to sustain her? Can she make it back to her family and friends and find her chance at true happiness? Number One bestseller Lesley Pearce has created in Belle a heroine for our times: a strong woman who stands up for right in a world turned bad.

These books and many more, including new titles by favourite authors Josephine Cox, M C Beaton & Alexander Kent can be reserved at your library for a small fee (currently 25p). Please ring 01623 842322 for more details.
