Welbeck Colliery Youth Teams Complete Memorable Cup Treble

Following on from the successes of the under 11 and under 13 sides winning their respective Mansfield Youth Cricket League KO cup finals, the under 17 side completed a magnificent treble by claiming the Roy Smedley Trophy in a superb final encounter with arch rivals Bridon in the showpiece finale of the Bassetlaw and District Junior Cricket League's season.

Lewis Cameron won the toss for Welbeck and inserted the opposition. Welbeck's bowlers backed by superb fielding put the team in a strong position reducing Bridon to 38 for 4 after 16 overs. The Retford side's skipper Henry Appleyard aided by Alex McLeod began a recovery mission putting on 68 runs for the 4th wicket. McLeod fell for a belligerent 31 but Appleyard continued with an imperious innings before falling for 99 (3 sixes and 7 fours). All 6 Welbeck bowlers completed excellent spells to limit Bridon to 193 all out. Lewis Cameron claimed 3 for 26, Matthew Atherton 3 for 32, Ryan Mitchell 2 for 26 and James Willis 2 for 44.

14 year old Tiger Dalby with 25 got the Welbeck run chase off to a solid start but a 3rd Wicket partnership of 88 between Jack Atherton 68 (6 fours) and Ashley Willis 48 (3 sixes and 2 fours) saw Welbeck to the point of victory before Simon Harper strode to the crease to crash the winning 4 in his inimitable manner to the joyous cries of the Welbeck team and supporters. Appleyard 3 for 36 and McLeod 2 for 34 were the pick of the Bridon bowlers but they were unable to prevent Welbeck claiming victory on 195 for 5.

Henry Appleyard received the man of the match award for his excellent all round performance with bat and ball but Welbeck retained the trophy that they had won the previous season. Welbeck's manager Chris Mitchell highlighted the quality of Welbeck's catching and ground fielding as crucial elements in Welbeck's win. It was pleasing that the umpires commented not only on the skills displayed by these young cricketers but on the high quality of sportsmanship displayed by both sides.

Promote Your Business by Advertising in Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Size	Cost	Size	Cost
8cm x 2cm	£11.00	8cm x 12cm	£66.00
8cm x 4cm	£22.00	8cm x 14cm	£77.00

Gardening Monthly...

October and November are good months to undertake double digging, incorporating manure into the bottom of the trench and deepening your topsoil. With finer soils where digging each year is not necessary, you can plant a green manure crop to overwinter such as field beans. Dig in any green manure crops such as mustard that you planted earlier in the year.

As ground becomes vacant you can dig it over and spread manure over the surface. Leave the soil roughly dug in large clumps and the worms will break these up as they get the manure. The freezing and thawing of water in the soil will cause the soil to break up finely so becoming easier to handle in the spring.

Your compost bins will be filling up as the last of the crops come in so now is a good time to give them a turn to help even decomposition and cover them to keep them warm and damp rather than soaking wet. If you've got a comfrey patch you may as well take the last cut and add to the heap to activate it.

The leaves will start to fall very shortly and these are a valuable resource. Prepare for them by building a leaf mould cage. Very simple to do, you just drive four stakes into the ground and staple chicken netting around to make the cage. Pile in the leaves and leave them alone for a year. You will find the pile reduces by two thirds at least, so keep filling the bin as more leaves fall. If you have one those marvellous garden vacuum mulchers that suck up leaves and chop them, you will find the leaves rot down much more quickly. Watch out for council sweepers, they may just drop you a load of leaves when they call to collect a few veggies off you.

By now the maincrop potatoes should be ready. As the foliage dies back you can cut this off and leave the potatoes for a couple of weeks. This will prevent any stray blight spores from infecting your crop. Wait for a sunny dry day and dig up the potatoes, brushing off excess soil and letting them dry before storing in hessian or paper sacks in a frost free, dark shed.

The last of the beans should be picked now, compost the foliage but leave the roots with their nitrogen full nodules in the soil as a fertiliser.

Carrots can come up to be stored in sand or peat through the winter but leave the parsnips in the ground. They'll be sweeter after a frost.

Cabbages should come up now too, they'll keep remarkably well in that frost-free shed but beware the slug that may be lurking under the leaves. Sprinkling the outside with salt will deter them from eating away through the winter,

Any green tomatoes on outdoor plants may as well come in now before the frost gets them. You can make a green tomato chutney or ripen them up indoors. Green tomatoes will actually store quite well in cool conditions and slowly ripen or you can hasten the ripening process by popping them in a tray in a sunny windowsill with a ripe banana.

Sowing, Planting and Cultivating

It's not too late to plant out Japanese onion sets, these are hardy and will overwinter producing a crop about a month earlier than the spring planted onions. A cloche or fleece covering will get them off to a good start and stop the birds from pulling them out.

You can plant your garlic now although this job will hold over into November easily. If you have time and the weather is fine, it's worth doing it when you can because who knows what November's weather will be?

You can sow broad beans now to get them off to an early start next year, but in colder areas it may be better to wait until spring as germination is more patchy on winter sowings. Better late than never.

Remove any yellowing leaves from over-wintering brassicas, they are of no use to the plant and will encourage botrytis to develop.

Fruit

When the strawberries have finished tidy up the bed, cut off the tops, remove dead leaves, rotting berries you missed under the foliage and remove self-planted runners.

Fruit bushes such as black and red currants should be pruned, as should the gooseberries. Now and November are good months to attend to the raspberries, blackberries etc. It's also a good time to plant new canes, adding some compost and 8oz per square yard or 250 grams per square metre of bonemeal to keep them well fed.

In the Greenhouse

If you've not already done so, now's the time for a good clean out. Take out all those pots and bits you've left in there and put them in the shed - you can tidy that up later!

Next it's time to wash the greenhouse down, a little detergent and disinfectant and a scrubbing brush. Getting the glass clean will allow more light through in the dark days and cleaning the frame will remove pests looking for a good spot to spend the winter.

If you are going to be using the greenhouse through the winter, you can now insulate it. Bubble wrap is good or heatsheets will do the job. Don't forget you will still need some ventilation or mould will run riot in the house.

You can also sow a hardy lettuce like Arctic King and grow them on in your border to give you a salad whatever the weather.

Happy Gardening

Friends of the Carrs

On Monday 15th August over 20 members of the group gathered near the footbridge and were joined by other members of the community as the work progressed.

Paths from the main road through to the fields leading to Warsop Vale were picked together with the children's play area and paths leading towards the Willows.

The steps were cleared of weeds and litter and many items of litter were taken from the river bank and edges down to the silt trap and along the dam edge to the first fishing peg. The "weir" in front of the steps, that unfortunately led to the demise of all the cygnets this year, was dismantled to allow the free flow of marine life along the river.

All litter and debris collected was bagged and tied and was collected at the end of the morning by Mansfield District Council when about 30 bags were loaded onto the lorry.

The event was supported by the Parish and District Councils together with Nottinghamshire Wildlife Trust. FOTC would like to thank all who participated.

Another litter pick has been arranged to take place on Monday 10th October when the area near the car park /war memorial will be picked. Please meet at the car park at 10.00. Please wear suitable footwear and gloves. The pickers to collect items and refuse bags will be available. All will be welcome.

The date of the next meeting will be arranged at the September meeting and will be posted in the public notice boards.

Bird Notes...

Well here we are after a short break and it's all change on the bird front with almost all of the summer visitors having left.

The only ones that are still hanging around are a few hardy house martins and the odd blackcap or chiffchaff, both these latter two species are warblers and though they may prove difficult to track down while the leaves are still on the trees any individuals that do stay will become more apparent as autumn and winter progress.

The place of the insect-eating summer visitors will be taken over by mainly fruit-eating species, such as fieldfares and redwings, who will gorge themselves on the, usually abundant stock of elderberries, hawthorn berries and the like; although they will often be seen on the floor searching for worms and other terrestrial prey as blackbirds and song thrushes do. Remember even familiar birds like the blackbird and even the robin have their numbers swelled by visitors from the continent in winter, a part of the worldwide movement of birds (and other animals) from the inhospitable north towards much warmer areas to the south.

The winter thrushes' arrival is often spectacular with sometimes huge flocks-thousands strong descending from on high to a favoured area. Though it is true that they do usually migrate at night and therefore can be hard to discern, a few minutes spent looking out (and more importantly listening out) on an early October evening will be rewarded as you begin to pick up the high, thin "seeah" calls - especially from redwings as they fly overhead. A lot of the migrant thrushes have a very similar call to this, even the migrating robin - not a thrush but a chat-has a call on migration that sounds similar. Different bird species that often associate with each other often have contact calls that are similar sounding - an obvious adaption to help a mixed flock of birds keep cohesion and therefore be safer. You can observe this behaviour any time of the year when watching a mixed flock of tits and finches.

In this column I try to stick to bird species that are familiar to everyone - this usually means garden or parkland birds and some waterfowl, but at this time - when just about anything can turn up, just about anywhere - it can be very rewarding trying to spread your wings and maybe visit an area you don't often go to or maybe an area you only visit in summer - you never know what you may find there!

Have a good one - B.A.

RAIN

This year is proving to be one of the driest I have recorded and I give a summary of my readings in my back garden.

I am aware that some days it has rained at the other end of the village when I have not recorded anything but showers must end somewhere and the reverse will have happened.

Rainfall to the end of August was 9.87 inches compared with a 47 year average of 17.23. Hence we have only had 57% of the average and we need 7.36 inches to catch up and I'm fairly sure that will not happen. The lowest full year's rainfall I have recorded was 16.75 inches in 1976 and the highest was 35.38 in 1969. The driest month was April with 0.16 inch and the wettest was February with 2.00 inch. The 47 year average for a full year is 27.14 and to even approach that average we will be swimming round the village for the next few months.

Gardeners have noticed the reduction in growth and yields are certainly less than normal. Many crops have stopped growing earlier and some fruit tree crops have ripened early and will start to shed their leaves earlier. This will probably lead to higher prices for fruit and vegetables grown in the UK.

The dry year has not even led to a hot summer. I have only recorded 7 daily maximum temperatures in the high twenties plus 32 on 26th June and 31 on the following day. Night temperatures are already falling to the low teens and on the 23rd August fell to 9. Sure signs of an early autumn and higher heating bills.

WARSOP

Footpath & Countryside Group

Autumn seemed to come early this year. Trees and hedges were already changing colour before the winds of early September triggered a fall of leaves and fruit. Hopefully we will enjoy St Luke's Summer this year, traditionally a period of fine weather around his feast day on 18th October. This could be a good time to get out and appreciate the autumn colours of our woodlands, fungi and hedgerow fruits.

As we move into autumn this group will have completed the grass cutting along our footpaths for this year and we will be starting our winter tasks. These jobs include management work on the Rhein o'Thorns SSSI and on The Carrs Local Nature Reserve. Once birds have eaten the hedgerow fruit we need to maintain some of the hedges alongside our footpaths to avoid a repeat of last winter's problems when blackthorn collapsed onto paths under the weight of snow and ice. Please get in touch if you would like to join us for a couple of hours on a Thursday morning. We can offer fresh air, free tea and biscuits, steady exercise and the satisfaction of knowing that you have helped improve the local natural environment.

A few weeks ago I walked from Skegby to Warsop, following the River Meden for part of the route. Passing Pleasley Mills I was reminded of the days, fewer than thirty years ago, when the discharges from the textile mills determined the colour of the river through Warsop. Completing the walk along the banks of the Meden it was striking how clear the river has become with fish clearly visible. I wonder whether in 1784 the new buildings of Pleasley Mills were considered as intrusive as we now find the Sports Direct building at Shirebrook! Most folk were probably grateful for the prospect of employment at a time when many who had previously worked on the land were losing their jobs and their rights to cultivate land following the enclosure of the open fields. It was recorded that about 500 juvenile workers from London parishes were employed at Cuckney cotton mill between 1786 and 1805. This may seem shocking from a modern perspective but how much do we know about the origin of many of the imported goods stacked high in the Sports Direct warehouse? Back to the walk, and keeping to the topic of clothing warehouses, the roofless stone warehouse near Top Row in Pleasley Vale houses a plant nursery which serves a welcome cup of tea and slice of cake to walkers passing through the vale. It also blends into the landscape far better than a modern equivalent that I could mention!

Anybody who enjoys walking in Birklands Forest may be interested to know that the Friends of Thynghowe are holding their AGM at Warsop Parish Centre on Thursday 20th October at 7:30. The group will be presenting an update on the progress of their research into the heritage of the area.

The October Footpaths Group walk has been cancelled as several of our members are taking a break however get in touch if you would like to join us for a ramble along a Northumbrian beach on the normal walk day! Our next local walk is scheduled for 19th November.

Parish Council Meeting held on Monday 19th September 2011

A full set of minutes is available from The Clerk at Warsop Town Hall or view on-line at www.warsopweb.co.uk

PUBLIC PARTICIPATION

Several members of the public attended to bring to the attention to the Parish Council about the planning application at Blakeley Lane, Warsop. Change of use from scout campsite to public campsite. Serious concerns regarding access as this is a bridleway not a highway and is very narrow in parts, it is mainly used by horses and tractors with the occasional scout camp. Landowner Roger Bowring told the meeting he has not given permission to put in passing places on the lane, although he does say he has in the application. One resident also complained about a 3day Rave that was held on the site at Easter.

8662. MATTERS ARISING FROM PP

The Chair told the parishioners that the PC had received the plans but unfortunately, as they do not have a meeting in August they have missed the closing date for objection. However, even though members didn't think the plans will be passed, it was agreed by all members that a letter still should be sent outlining the serious flaws in the application. Cllr Allin told the meeting that he had received several objections including Roger Bowrings and landowners the Fitzherbert Estate, together with complaints about the noise from Red Brick House regarding the Rave. He was of the opinion it would not get passed by Highways.

PUBLIC NOTICE

A public meeting will be held to discuss the proposed 2013 parliamentary boundary review. If we allow this to go through, Warsop will be split down the middle with half of Warsop in Newark & Sherwood and half in Mansfield. Please come along and have your say, your Parish Councillors will be on hand to discuss the proposals.

Calling all Independent Retailers in Warsop

Come along to our **RETAILERS ADVICE EVENING** which has been designed to help retailers make the most of their business and gain competitive edge.

Thursday 6th October 2011, 5.30 – 8.30pm
Warsop Town Hall, Church Street, Warsop, Nottinghamshire NG20 0AL

The independent retail sector faces a challenging time working in an environment when supermarkets, chains and online retailers are taking a larger piece of the pie in market share year on year.

So what can an independent retailer do to punch above their weight to attract and retain customers to survive and prosper?

Discerning consumers value what independent retail can offer in contrast to that of the bigger players. They value a diverse high street that offers a unique shopping experience, great customer service and retailers that have a depth of product knowledge.

Packed full of practical examples and information, delivered in easy-to-understand bite-sized chunks, that you can take away and implement into the business the next day.

Cover 3 main topics:

3 steps to increase your shops turnover

- Attracting customers into the store
- Converting customers once in the store
- Retaining customers who have bought from you

How to get your staff to make the till ring?

- Customer service
- Sales ability
- Creating a great atmosphere
- What to do in downtime
- Maximising displays

How to get your shop to sell its products itself?

- Promotions • Layout • Music
- Price tickets • Lighting • Scent • POS

The event is FREE and includes a light buffet.

However a cancellation fee will be charged of £25+VAT if organisers are not informed of cancellation at least three working days prior to an event start date. Substitutions can be made at any time.

PAINT A MOUNTAIN PASS with Matthew Palmer

- Wet all the paper first. Using a pale and watery natural yellow paint the bottom of the sky and then a stronger, thicker natural grey for the top. Don't be afraid to slap the dark grey on as this gives atmosphere.
Tip- if you angle the board upwards, this will help to give the rain effect.
- Allow the sky to fully dry. and using a large number 10 or 12 brush paint the pale distant mountains. use a very watery natural grey for this. fade the bottom away with a damp (not wet) brush.
- Now squeeze out all the water from the brush and drag out a few highlights in the mountains. Allow to dry. Now mix a much darker and thicker grey and in a separate mixing area a strong natural yellow. Use the 10 or 12 brush to paint the craggy rocks, nice and strong paint. Add the grey to the top and blend in the natural yellow lower down. Again use a damp (not wet) brush to blend this completely away! Keep going, in the water pot on the tissue until it disappears. Again drag out a few highlights on the righthand side.
- Once dry add some strong dark shadows, next to the highlights. Use natural grey for this and a smaller size 6 brush.
- Using gouache or opaque white add some snow! Be creative with this, dry and dry brush it into the mountain.
- Add the path coming from just below the mountains. Use a number 12 and a pale natural yellow colour. while it's wet add a few spots of natural grey (wet-into-wet). Allow to dry.
- Now paint the two grass bankings. Start with a line of grey all the way across the distance, then start to blend in the following colours: Aureolin (bright yellow) Green (mixed from Aureolin/ Natural Blue). Try and use the bright yellow in the foreground, this gives depth. Use natural grey and a small size 6 brush to add detail and a bit of dry brush to the path edge! Give it some texture!
- Add some trees to the left and the right sides. Use a medium tree & texture brush for this. Notice the first image I'm using a card edge as a mask, the colour is a strong and thick green (aureolin/natural blue). Use a sharp knife to scratch out a few branches.
- Once dry use the tree brush to stipple some, thick (straight from the blob) aureolin to give light to the trees (see large image for all the details areas).
- Add some detail, as always spend a long time adding the 'fiddly bits'. These are the bits that make it work.
- Paint a misty cottage, using tones of grey.
- Paint a puddle, using some white gouache, surrounded by strong grey.

New Moves to Tackle Seasonal Dog Illness

Agencies and landowners are stepping up their efforts to find out why some dogs have fallen ill while on countryside walks.

Cases of so called Seasonal Canine Illness (SCI) occurred during the Autumn of 2009 and 2010 in Nottinghamshire, Lincolnshire, East Anglia and Warwickshire, although there have been reports from further afield. Symptoms include severe vomiting, diarrhoea, shaking and trembling and high temperature and have generally been displayed by animals within 24 hours of walking in the countryside, especially in woodlands. A small number of dogs have died, but the cause remains unknown.

Jo Atkinson, from the Forestry Commission, said: "Although no cases have yet been reported this year, we are working with our many partners to get a clearer picture of the distribution and reasons behind this upsetting sickness. Both dog owners and vets can play their part too in helping protect cherished pets."

Developments include:

- Agencies including the Forestry Commission and Notts County Council have teamed up to ensure that data collection on incidents is co-ordinated to achieve a much better picture of any outbreaks. It is likely that cases have gone unreported in previous years.
- The Animal Health Trust is asking dog owners who have walked in affected areas to fill in a questionnaire at www.aht.org.uk/seasonal_illness.html even if dogs did not fall ill.
- Nottingham University Veterinary School is to carry out two research projects to try and develop a test for a possible toxin which may be to blame.
- Landowners are seeking to work with vets to learn about cases more rapidly so they can inform people using their sites for dog walking.
- The Veterinary Poisons Information Service will monitor reports for unusual cases which could be SCI.

WHAT ELSE CAN YOU DO?

Everyone concerned with animal welfare can help.

Dog owners

- Be vigilant for signs of illness and contact a vet immediately if concerned.
- Be aware of where your dog is walking and what it may be eating and drinking.
- Think about keeping your dog on a lead.
- Tell other pet owners about the project to spread the word.

Warsop's Self Service!

Self service has been installed at Warsop library.

Providing a quicker way to borrow, return and renew your books.

Self service is already a success at other libraries across Nottinghamshire, where it's been welcomed by both staff and customers.

It's good news because self service is quick and easy to use, saving you time - its simpler than the machines you see in supermarkets.

Staff will be able to spend less time issuing books, and more valuable time with you.

As self service units are small and modern, there's no need for huge counters - leaving more space for the books and you. The self service machines are very easy to use and save a lot of customer time as up to 10 books can be issued at once. The library staff are still available to help and the service will free up staff time as the process of issuing books is much faster.

The first customer to use the self service machine at Warsop Library was Linda Moody. Have you tried it yet?

Nottinghamshire: More Woods Needed Or County Could Miss Out

The Forestry Commission is urging people to think green and help Nottinghamshire turn over a new leaf.

Grants are being offered to support high-quality planting schemes which fulfil key priorities, including broadening wildlife habitats, creating places for people to enjoy healthy exercise and providing much needed timber.

New figures show that 400 hectares (1,000 acres) of new trees have taken root in the county over the past decade using Forestry Commission grants worth £2.1m.

That has brought an immense range of benefits. But more needs to be done, say forest chiefs.

Woodland cover in Nottinghamshire is 8%, compared with a national average of 9%. Meanwhile, timber prices are soaring, bolstered by unprecedented demand for woodfuel, including firewood, which has risen 20% in price. Without new planting the region could miss out on this vibrant renewable energy sector as well as the other benefits of tree planting.

Dave Bole from the Forestry Commission said:

"Over £1 million is available in the East Midlands to support schemes, but the bottleneck is getting enough land coming forward and planted. Few dispute that Nottinghamshire needs more woods - they are good for wildlife, absorb carbon dioxide and offer owners an increasingly attractive economic return. More trees equals a more sustainable future. The time to act is now."

Higher grants are also available for areas deemed hotspots for endangered woodland birds like Woodlark and Spotted Flycatcher. This includes all of the county and payments to create new woods can be increased by an additional £2,000 per hectare.

Supplements are also available to compensate farmers for planting trees, this coupled with other payments mean grants could total up to £8,300 per hectare.

For further details contact the Forestry Commission on 01623 821474 or email eastmids.fce@forestry.gsi.gov.uk. Further information can also be found at www.forestry.gov.uk/eastmidlands or www.forestry.gov.uk/ewgs

The Gate's Fundraising Success for ABF

The Gate Inn recently held a charity event in order to raise money for the Army Benovolent Fund (ABF).

Ex soldier Alan Wood (72) from Shirebrook who had his head shaved to raise money for the ABF shows his once long hair.

The Gate pub, which is situated on Church Street, Warsop, is a family run pub and Tina Drury, a Warsop resident for over 26 years, has been the landlady for the past 6 months.

Tina rose to the fund raising challenge after being approached by the parents of three local soldiers who asked The Gate would be willing to hold a fund raising event to for the ABF.

On August Bank Holiday Monday the fund raising kicked off with Warsop's first ever Wheelbarrow race which saw members of the local community racing through the streets in fancy dress.

The wheelbarrow race proved to be such a great success that it looks set to become an annual event. Several local people and businesses have already expressed an interest in being involved.

The fund raising continued on 3 September with a full day of family fun which included a group of soldiers playing tug of war, there was also a barbecue, a bouncy castle, live music from local band Headstock, a tombola and much, much more

throughout the day and evening. The whole day was a huge success and was enjoyed by all those who attended.

Tina comments, "I am so grateful for all the support I've received from both local residents and businesses which has helped to make this such a successful event".

Customers of The Gate pub showed their support by paying for the karaoke and all the barbecue food, while local businesses donated prizes for the raffle. The main prize however, was a fantastic weekend break for two which was donated by the Thoresby Hall Hotel.

But one of the main stars of the day was ex soldier Alan Wood (72) from Shirebrook who had his head shaved to raise even more money for the ABF.

Tina would like to say a massive thank you to everyone who helped, supported and attended both events and says she looks forward to having the opportunity to organize similar events in the future.

Warsop Inner Wheel

Report for September 2011

President Ann Holland hosted the September meeting on Wednesday 7th September 2011 at the Hostess Restaurant, Sookholme with 34 members and 1 guest.

President Ann opened the meeting and gave a warm welcome to all members and guest speaker for the evening, Katherine Leveret.

Katherine works for Arthritis Research UK which is President Ann's chosen charity for this year. Katherine job is to promote the Arthritis Research Campaign (ARC) and she is the Regional Fundraising Manager for this cause, her job is to make people aware of the illness and on going research – which of course relies on a massive amount of funding.

We had a very informative talk which made us aware of the facts that; 10 million people visited their GP last year with Arthritis and related conditions; there are 200 different forms of Arthritis; every year 15,000 children suffer from Arthritis; over £23 million is needed to maintain medical research with 87p in the pound being spent on the cause and yet only 2% of people in this country have ever heard of Arthritis Research UK – amazing facts.

Kathryn came armed with booklet and leaflets for us to take home and informed us that 12th October 2011 is to be World Arthritis Day

Jean Nock gave the vote of thanks.

Anne Lyon's gave the secretary's report and forthcoming events.

Ajit Singh gave the up to date treasurer's report.

Jan Strachan gave the overseas report with forthcoming events planned to raise money for very needy overseas charities. Jan has organised a knit and natter at her home this week to make up baby bangles, joy bags etc. and also a Quiz night with buffet on 15th October at the Oakland's Centre, £10 each – ticket only, tickets available from Inner Wheel members.

Marlene Bradley gave the charity report; Warsop Inner Wheel is holding a coffee morning at the John Fretwell Centre on 14th September, the proceeds from this event will go to Arthritis Research UK. We are also having the Tombola stall at Thoresby Craft Fair on 22/23rd October; we look forward to seeing our supporters of this event, old and new.

On 17th November we will be having a joint fashion Show with Francesca Paige at John Fretwell Centre with the proceeds being split equally between Arthritis Research UK and Meningitis UK. £12 per ticket including supper, tickets available from Inner Wheel members or Francesca Paige shop in Warsop.

For any information about Inner Wheel visit our website:

Warsop Wives Group

On June 21st we had a pub night with pub games and sandwiches and shandy. We had a lovely social evening.

On July 5th we had a photo memory night.

On July 15th we held a Table Top Sale at the home of Ann Blackmore. We had various stalls and cakes and served refreshments. All proceeds were for our charity fund. A separate raffle was organised by Pearl and Sheila and this also went into the fund.

On July 19th we had a hospitality night with a seaside theme. We invited guests from Triangle group at Woodhouse and everyone enjoyed a special buffet and drinks.

On August 2nd members went on a River Board Cruise on the River Trent. They had a lovely day with food and drinks and lovely scenery.

On August 16th we presented a cheque for £1,000 to representatives of the Kings Mill Hospice. This was raised by fundraising during the year. A new charity will be chosen soon.

On August 30th we held a knit and natter evening. We all knitted squares for charity blankets. Future meetings include Harvest Festival, MacMillan coffee evening and our AGM.

Irene Hodgson

The Dukeries Singers held their first rehearsal of the new term on Wednesday 6 September and it was a huge success, with a good turnout of members and SEVEN new singers.

They were warmly welcomed and we hope that their Choir experience will be a long and happy one. Our Choir membership has TRIPLED in the last year and we have over 50 singers. We have a good spread over the voice parts, but a couple of basses wouldn't go amiss. They make such a lovely deep sound that the rest of the choir can "sit" on. (If that is a technical term!)

Our confirmed concert engagements this term, so far, are all in December.

Thursday 1st **Farnsfield W.I.**

Thursday 8th **Kelham Dome**

This is the Newark & Sherwood District Council Chairman's Christmas Concert and Citizen of the Year Award Ceremony

Tuesday 13th **Bleasby W.I.**

Saturday 17th **Edwinstowe Village Hall**

Sunday 18th **Sherwood Forest** at 2.00 o'clock

We love an audience to sing to so we hope to see you all soon at one of our performances.

Have a lovely Autumn, and perhaps an Indian Summer. **Jan**

We rehearse on Wednesday evenings 7.30pm to 9.30pm at the Adult Day Centre at the Dukeries School off Whinney Lane entrance & car park. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

The 66th, 67th & 68th meetings of Meden Vale the Future were held at the Village Hall on Tuesday 7th June, 5th July and 13th September 2011 respectively.

Representatives of the Committee, Playscheme, Welbeck Colliery Football Club and the Police were present at all or some of the meetings.

The position regarding the Sports pavilion and football pitches are as follows:- the pavilion is virtually complete other than final decorations and installation of kitchen appliances; work on the pitches has commenced; an application for match funding to include goal posts, nets etc has been submitted to DFS (furniture retailers). Progress on funding for the MUGA and Play Area seems to have stalled at present.

The course for doll's house furniture making has been booked for a January 2012 start.

The Treasurer reported that the accounts were satisfactory and there were sufficient funds to undertake minor repairs in the Village Hall. These will include repairs to several doors and some redecoration work. An estimate of approximately £200 has been accepted for this work which will be completed by the beginning of October. It was also agreed to obtain a second estimate for a new front door.

The next meeting of Welbeck Colliery the Future is scheduled for 28th September 2011. An invitation has been received from BioCity (a company based in Nottingham promoting green energy generation and usage) to attend a meeting / debate to discuss possible re-uses for redundant colliery sites. This is obviously of interest to Meden Vale residents and two Representatives from the Committee plus one Representative from UK Coal have agreed to attend on 3rd October 2011.

It was agreed that if the Youth Club Committee did not remove the damaged pool table from the back room of the Village Hall, then it would be disposed of.

Next meeting will be held on Tuesday 4th October 2011 at 7.30 pm at the Village Hall. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

The Elmtown & Creswell Village Company (ECVC) is working for the regeneration of the locality www.ecvc.org.uk The Volunteers proposed that during the school holidays there should be Family Fun sessions in Limestone House. Extra Volunteers gave their time to come in to help with the activities during the afternoon of 17th August 2011 and 24 August 2011 and parents and children visited Limestone House for Fun activities.

They enjoyed the Table Top Games and many children had their face painted and, to the delight of all, one mum also had her face painted too. Thank you to the Vicar of Creswell, Rev'd. Amanda S G Pike, who spent the afternoon face painting. Other fun activities included Drawing, Colouring, Word search, Crossword puzzles, Computer activities, Dolly and Teddy dressing, Tombola and Table Tennis also Scootering in the patio area. Look out for the date of the next Family Fun session during the October half term holidays.

Limestone House is open from 9am to 4.30pm and on Saturday mornings from 9am to 12noon. The Multipurpose building houses a Coffee shop, Charity shop, Heritage Centre, 2nd hand book shop, Advisory services and an Education Centre. shine

SAFE AND SECURE

Your child's safety is important to us whilst they are visiting Shine.

All of our staff are CRB checked and have the necessary skills and insurance for the activities and sessions they run. The Eastwood's building has internal and external CCTV including covert cameras to ensure that staff, children and visitors can enjoy their time at the building. Part of the conditions of joining Shine is that all young people are photographed for ID purposes.

Recent national riots have thrown up all sorts of debates about the behaviour of some of our population, including young people. Some saw the troubles as wanton vandalism and others as a comment about society's breakdown and certain elements of our country feeling marginalised. In my opinion if you feel that you have a valid point to make about lack of employment and opportunities, then smashing shop windows, stealing TV's and torching cars whilst wearing a balaclava isn't going to start a meaningful debate.

There is a SMALL minority of young people in the Warsop parish who believe that they can do what they want, where they want and without any come back. Whilst at Shine that isn't the case. I will ensure that my staff, young people and other visitors to Shine are safe and secure. Therefore anyone who causes any issue to Shine will be dealt with. If YOUR child causes Shine any issues you will be contacted immediately, regardless of time or location. I am planning on publishing the names of anyone who is banned from Shine on our website and facebook sites. If you or your child has an issue regarding this I would be happy to discuss it with you. Everyone connected to Shine works tirelessly for this community and the actions of the minority will not spoil things for others.

Kev Keegan, Shine Coordinator

Make a splash with free swimming lessons for children and their parents or carers

As part of Swim 4 Life, Mansfield District Council has some spaces for free swimming lessons at Meden Sports Centre. They run on Monday nights from 6.00 till 6.45pm and start 26th September, running for 12 weeks.

They are aimed at parents and children who want to learn, or improve, their swimming. You can only come on one Swim 4 Life course, so new starters please!

Places must be booked through Shine.

COMMUNITY BONFIRE

Saturday 12th November - 7pm

Last year's event had 500 attendees and this year promises to be even bigger and better. Event sponsors welcome!

GROWING TOGETHER

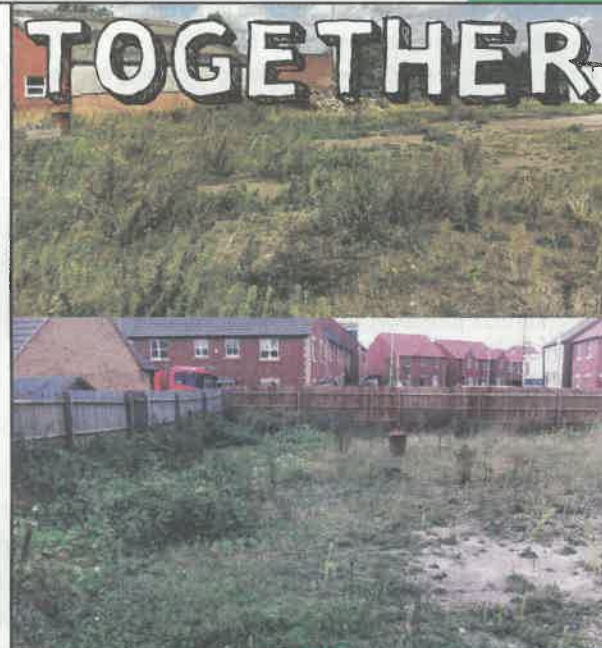

We recently launched our 'Growing Together' scheme for the Eastwood's building.

Our aim is to transform almost an acre of waste land into beautiful, safe leisure land. We hope to clear the land, kill the weeds and lay turf all before the autumn.

If you are familiar with BBC's Village SOS you'll know that a number of villages have been featured on television launching community-led improvement scheme. Locally Newstead village was featured.

We have registered our plans on www.villagesos.org.uk so you can see how the work is progressing. We are asking ALL of you to think about what help you can offer.

Shine is about your children, your family and your community and we need you to do your bit to help. Please get in touch to offer your support.

FISHING FOR FUN

Working with the Police, Fire Service and Warsop Angling Centre, Shine held a number of fishing tournaments over the summer. This finished with a large scale regional tournament hosted at Sherwood Park Fisheries. Almost 50 young people from across the district took part.

Warsop's own Connor Bower won the competition and made us all very proud. Thanks to everyone who sponsors and supports Warsop and Parish Youth Angling Association (WAPYAA), especially Mick at the lake. Without your help and dedication the club would never happen. Keep visiting shinemedia.tv for more WAPYAA news and events.

Warsop Officers Move to New Base

Neighbourhood officers in Warsop have now moved into shared premises with the Parish Council as part of a forcewide review of the Nottinghamshire Police estate.

The move is the first in a series of changes to where police officers and PCSOs are based, which will see them working from more central and visible community bases with partner agencies, while reducing costs.

Earlier this year the Police Authority agreed to the sale or termination of lease agreements of 12 premises in the first phase of the review. The disposal of these sites will raise more than £1.2m from the sale of buildings and save £260,000 a year in rent and running costs.

Warsop contact point, on High Street, was one of the 12. An opportunity was identified to base the two Beat Managers and two PCSOs with the parish council in the town hall, just 500 yards down the road.

The move will save the Force almost £26,000 a year in running costs of the former police contact point and a potential £80,000 from the future sale of the building.

ACC Paul Scarrott said: "Warsop contact point was primarily used as a neighbourhood base for the local beat team but it has suffered from poor use by the public with little demand for services.

"The reality is that in some areas very few people are using police stations, but the buildings continue to be expensive to maintain. This money could be spent more wisely on enhancing front line policing and improving our service to the public.

"Co-locating officers in existing community premises will bring our service closer to the communities we serve with little or no financial on-cost to the force. More importantly to local people, it puts officers back in the heart of local communities, increases their visibility and makes them more accessible."

Advances in technology mean BlackBerrys and other mobile data devices give officers the flexibility of working from these locations, with no loss of service.

Chairman of Warsop Parish Council, Coun Stuart Moody said: "It is excellent news that the police have moved into their new home in Warsop Town Hall.

"The move not only means that there will be continued police presence and a base in Warsop, but the move also helps to support the existence of the town hall and the Parish Council's mission to retain a base of services for the people of Warsop.

"This can only be of benefit to everybody in the parish and perfectly illustrates the need for service providers to operate with joined-up thinking. We look forward to embracing the opportunity this provides to further support our local police in their continued endeavours to create a safe and secure community." WARSOP POLICE UPDATE

We have finally moved to the Town Hall at Warsop situated on the first floor. At this time there is no provision in place to see members of the public at the office or a landline telephone number to give out.

However, when we are on duty all the team can be contacted by their blackberry's that they keep with them at all times.

Efforts to improve public satisfaction and confidence are making a difference, according to the latest public survey.

Our force is now ranked 13th nationally for satisfaction. Out of 43 forces this is a much healthier position than 35th, our position at the same time last year. 87% of users are satisfied, against our target of 88%.

Although the force is still below target in keeping people informed, with 77% feeling informed against a target of 85%, we have made real improvements in this area in the last year.

We are also planning a number of Warrants under the misuse of drugs act for the Warsop Parish. We aim to be executing these warrants over the coming weeks and previous warrants have generally led to a number of arrests and prosecutions. As a team we are very keen to have an impact on the supply and use of illegal drugs in this area and any information that can help us lock people up is greatly appreciated.

I would also like to introduce readers to our new Inspector for the area.

Inspector Mark Webster

Inspector Mark Webster began his police career in 1994 at Hucknall police station in Nottinghamshire.

After serving as a patrol officer and then as a member of a team targeting drug dealers and auto crime offenders he transferred to the Operational Support Department as an authorised firearms officer on the Force Support Department and took part in numerous complex policing operations.

In 2004 after five and a half years on the Force Support Department he was promoted to the rank of sergeant and transferred to Warsop police station as a neighbourhood policing sergeant.

After a spell at Warsop he became the supervisor on the Divisional Support Unit targeting drug dealers, auto crime offenders and providing support to other officers on the division.

In 2007 he transferred to CID as a detective sergeant and continued in this role until May 2011.

Inspector Webster now takes over as the Neighbourhood Policing Inspector for the Mansfield North Policing area, a role that he is delighted to be undertaking.

"I am very happy to be taking on this role and leading a team of dedicated, hard working police officers, police community support officers, police support staff, special constables and police volunteers to continue to make significant reductions in crime and anti social behaviour.

"I wish to build on the excellent working relationships that are already in place with partners from the local authority, local community and other agencies to continue to make the Mansfield North Policing area a safe and pleasant place to live and work."

Finally I would like to mention the recent fishing competition that took place at The Sherwood Forest Farm Park on 1st September 2011 which was arranged and supported by Warsop And Parish Youth Angling Association which includes ourselves, Shine, Fire Service, Warsop angling centre and the Angling Development Board. This competition was a brilliantly successful event attracting 47 lads and 1 girl angler from all over the county. Worksop and Shirebrook youth fishing clubs sent strong contingents as did the youth of Warsop. In fact the winner was a local lad, Connor Bower who was mentored

through the 5 hour match by Gavin Brown. Connor won with a combined catch of 25 Kilo's, second place was taken by Connor Morris - 19.4 kilo's, third was Cameron Cross - 18.4 kilo' who also won the award for the biggest fish of 5 kilo's.

All the trophies and prizes were awarded by Nottinghamshire Police's Divisional Commander, Chief Superintendent Dave Wakelin, who is a keen angler himself.

A huge thank you to everyone involved especially to Mick Langton and his team at the Fisheries for allowing us the full use of Homedale Lake and for weighing all the competitors' catch. Homedale is a fantastic lake with the majority of the children bagging some huge catches. These lakes never fail to impress us and hopefully this match will be held annually with help from Mick and his team.

Pastures New

After just over 3 years living and working as Curate here in Warsop the time has come to move on. On the 16th October I'll be installed as Vicar in Redditch and town centre chaplain.

Redditch is a similar in size to Mansfield and is located just to the south of Birmingham. My new job in the Church will use what I've learnt here in Warsop and in my previous working life as I am also a workplace chaplain for the town centre.

I will miss Warsop, Nottinghamshire and especially the many great people I've got to know here. Warsop and the church here are very special.

I am grateful for how warmly we have been made welcome here and to the friendship and support we've received. I'm especially thankful to my two training Rectors: Kathryn Herrod & Angela Fletcher, who have been great to work with.

Warsop and the people here will always be important to us, thank you.

THE ROYAL BRITISH LEGION

Parade and Service are nearly complete, but we still have vacancies for collectors in Warsop and Woodhouse.

Remembrance Sunday is on the 13th November this year and we will hold a service as usual at Warsop Vale on the 11th.

Members and friends were privileged to be present at the final repatriation through the Wiltshire town of Wootton Bassett (soon to be Royal Wootton Bassett) on a very tiring but really moving day. We joined thousands of others who turned up to honour Lt. Dan Clack of 1st Rifles.

Our AGM is on the 3rd October and we then visit Mansfield Bellamy Branch for a talk on the Vulcan by Mr Kevin Robson on the 10th October.

Tickets are now available for the Notts Police Band Concert at Warsop Church at 7.30pm on the 29th October 2011 which will open our 2011 Poppy Appeal and celebrate our 90th Birthday. Tickets are priced at £7.00 which will include a glass of wine. Please ring 846382 or Claytons Volvo on 666720 for further details. All proceeds to The Poppy Appeal.

Our thanks go to the family of the late Winifred Joyce Potts, ex-post mistress at Cuckney who gave a very generous donation in lieu of flowers of over £600 to allow us to continue our work locally.

Rufford Abbey Country Park

- **Rufford Health Walks** Every Monday except Bank Holidays.
Meet 2pm in the Coach House Courtyard. Walks are short and gently paced, especially suitable for people who are recovering from illness or not used to exercise, and it's free!
- **One Sky, One World** Sunday 9th October, 10am - 4pm
The Midland Kite Fliers are taking part in a global event called One Sky, One World which is a non-political movement aiming to promote peace and harmony across the world.
- **Halloween Trail** Saturday 22nd - Sunday 30th October
On sale from Rufford Craft Centre. Trails £1.50. Buy a trail leaflet, and use the clues to search for spooky creatures hidden in the park. Solve the clues to finish the trail and a sweet treat awaits you!
- **THE BIG DRAW** Rufford Craft Centre
Saturday 22nd & Sunday 23rd October
Taking inspiration from the Rufford Gallery exhibition "A Conversation Between Trees" this year's Big Draw will invite you to once again participate in inventive drawing workshops to build a collective artwork at Rufford Abbey. Look out for details in the Rufford Craft Centre brochure.
- **The Abbey Ruins (The Undercroft)**
Sunday 23rd October, 2pm & 3pm FREE!
- **Spooky Tales for Halloween**
Get in the mood for Halloween with excellent local storyteller Nicky Rafferty who will be spinning a web of spooky tales, suitable for younger children (under 8s), beneath the Abbey ruins. Sessions approximately half an hour long. Dress warmly - it can get chilly down there!

WAR SOP'S GOT TALENT

THE SEARCH IS ON FOR THE STAR OF WARSOP 2011

@The Black Market Music Venue

22nd October 2011

ANY TALENT - ANY AGE

We're looking for 12 acts to compete in three prize winning categories

ADULTS • TEENAGERS • CHILDREN

If you're a budding singer, comedian or dancer or if you have any other talent you think would wow our judges no matter how unusual then fill in the entry form opposite.

The winners will receive a cash prize, a trophy and a chance to showcase their talent live on stage at Warsop Carnival Music Festival 2012.

Come and support your favourite acts

The superstar celebrity judging panel will include: SIMON COWPAT, PIERS ORGAN & AMANDA HOLDEM plus a surprise panel of independent judges.

But the ultimate decision of who will be Warsop's talent of the year lies with you, the audience. So don't miss your chance to vote for your favourite act.

Doors open at 7.00pm • Show starts at 7.30pm

TICKETS ONLY £2.50

or £3.50 on the door

Tickets available from Warsop Town Hall Church Street Warsop From Monday 3rd October 2011
