## EDITOR'S LETTER

This photo means so much to both me and Kev, it was his first outing to the coffee shop in QMC in his new wheelchair. He was so excited after being laid up for nearly 3 weeks and only being allowed to sit in a chair for an hour a couple of days after his last major operation to bolt and screw his hip back together. We now have to keep him away from magnets lol! It was all good news from his consultant Mr. Taylor and surgeon Mr. Forward when they told Kev the operation was a success and that he would walk again eventually but it will be with a limp, such a small price to pay after his brush with death.

He came home on Monday 30th April at 10pm, I am now his full time carer and his big sister Carol calls in everyday to do exercises with him. He will be wheelchair bound for approx 2 months then hopefully he will be able to stand with the aid of crutches. He faces months of intensive physiotherapy and possibly more surgery to get him walking again but I know he will get there as he has such determination and a positive attitude. His goal is to be able to play a round of golf! (Did someone say a waste of a good walk?)

I will be calling in the Town Hall mainly mornings but if you can't get hold of me you can leave a message and either myself or my assistant Chris Wilson will get back to you. And, of course, anything to do with Warsop News Karen is only too pleased to help. Chris is part-time, she has been a volunteer for a year. She was well and truly chucked in at the deep end when she started the day before the accident and had to manage without me. I would like to thank both Chris and Karen for running things in my absence, you both did an excellent job and took a lot of stress away from me.

I would also like to give a special thanks to our son, Joe who has had to grow up overnight and become the man of the house, for all his love, support and strength, propping me up so I could deal with it all. You are my rock young man and I love you more than you will ever know. Our lives are going to be so different now but we are a strong loving family and will take on the challenge.

## GARDENING MONTHLY...

### TIPS FOR JUNE

#### Flower Garden

June is one of the most popular months for buying perennials and shrubs – hardly surprising with so many beautiful plants flowering this month. Make sure all new acquisitions are planted with a good handful of your favourite Westland planting mixture. Water new plantings in very well and continue to water regularly – every couple of days if it's really hot – until the plants are established and making new growth.

Summer bedding can be planted out in your borders this month. Follow the usual planting rules, remembering that many bedding plants only have small root systems and very likely to dry out in hot weather.

Prune shrubs that have finished flowering, such as flowering currants, kerrias, weigelas, philadelphus and deutzias, by cutting back flowered shoots to a healthy bud. In mature plants, you can cut out whole branches that have flowered to open up the shrub and promote new growth. It's best to cut back about one third of branches each year in a three-year cycle. After pruning, water the shrubs well and give them a good feed using Westland's Growmore or Fish, Blood and Bone

Evergreen hedges and topiary of yew, privet, box, and Leyland cypress can be clipped this month and given a light feed of all-purpose plant food.

Continue to spray roses against pests and diseases where necessary. Dead-head large-flowered and cluster-flowered roses that have finished flowering for a second flush of flowers in July and August. Feed after the first flush of blooms. Shrub roses and once-flowering old-fashioned varieties do not need drastic pruning. Dead-head them unless

#### Going Green

The outdoor entertaining season is now upon us, with this in mind there is now a huge range of solar lighting available to give your patio that added touch. Using these lights help reduce your carbon footprint

#### Lawn

Feed your lawn with Scotts Spring and Summer Lawn Food, if you didn't do it last month. If weeds or moss are still a problem use the appropriate product.

Mowing should now be done with the blades set low, unless the weather is very dry – in such conditions a medium setting will be better for the grass

Aerating your lawn will enable it to take up moisture as well as improving drainage, so if you didn't do it earlier in the year it's worth doing now. However, don't do it in really dry conditions – best done after rain.

#### In the Greenhouse

Keeping plants moist and protecting them from intense heat will be priorities this month. Paint shading onto the glass, and mist plants as well as watering regularly. You can boost the humidity of your greenhouse by spraying the floor with water each morning. Keeping the atmosphere moist will help to keep red spider mite at bay.

African violets and Begonia rex can be propagated from leaf cuttings. For African violets, push a leaf with an inch or slightly more of stalk attached vertically into a small pot containing a mixture of equal parts peat and sharp sand. For begonias, cut the veins on the underside of the leaf in several places and lay the leaves, cut side down, on top of a small tray of the same mixture. Fasten the leaves down with two or three stones or hair (pins). In a few weeks baby plants will be produced – these can be potted up separately into Westland Houseplant compost.

Plant up your Westland Instant Planter with your choice of crop. Keep the bags well watered. Bags should also be fed at least once a week with liquid plant food. If you're growing tomatoes don't use the Liquid Tomato Food until the first truss of flowers has set fruit.

#### Containers

Finish planting up containers of summer bedding. Make sure you keep them well-watered, especially hanging baskets and shallow window-boxes. Aim to water these once a day if you can, preferably when the sun isn't on them.

#### Vegetable Garden

You can start planting out young leeks this month – make holes with a dibber, plant the leeks then water without a rose on your can so that the soil is washed from the sides of the hole. Cut the tops of young leeks back by about a quarter before planting out. Brussels sprouts, winter cabbages and sprouting broccoli can also be planted out

Earth up potatoes when the foliage is 23cm (9 inches) high. Drawing the soil up around the stems in this way will prevent tubers that form near the surface from being green and unfit to eat.

With a bit of luck you should be harvesting early summer cabbages and cauliflower this month.

Happy Gardening

## Footpath & Countryside Group

As we approach the longest day it is worth looking out for dragonflies and damselflies near damp places as they should be emerging at this time of year. We may also see bats chasing smaller insects on warm summer evenings.

In our hedgerows the pungent creamy elder blooms will replace the white flowers of hawthorn. If you know where orchids may be flowering now is a good time to have a look for them. The first early purple orchids were coming into bloom at the end of April. My favourite bee orchids have disappeared from one site in the parish but reappeared in another after a long absence.

A patch of water avens (posh name Geum Rivale) are growing well near the river between The Carrs and the Carr Lane bridge. Apart from having an attractive flower in the past their roots have used to treat diarrhoea and even boiled to produce a chocolate like drink. Due to their medicinal uses they are also known as cure-all, water flower is another name.

Cowslips are also becoming well established across The Carrs Local Nature Reserve. These flowers have been introduced as seed and plants sourced from other parts of Warsop parish. The seed was originally collected on the Rhein o'Thorns by Jeff Noble and the spread of cowslips across parts of the parish is a fitting tribute to him. However, great care should be taken when introducing

plant species into the countryside as the natural balance within an area can easily be disturbed. This spring we have planted more cowslips on The Carrs and also distributed wildflower seed kindly provided by Nottinghamshire Wildlife Trust. We are also raising plants from this seed that we will plant out later in the year. Most of the seed was taken from a Nottinghamshire meadow. It will be a case of waiting to see whether any of the new introductions are suited to the conditions and become established in the grassland area of The Carrs. Some introduced wildflowers can thrive like the cranesbills that we introduced near the Carr Lane bridge.

I am pleased to see that the white gates at Gleadthorpe have finally been repaired. If you walk between Gleadthorpe and Warsop Windmill I would like to remind you that many of the paths will be closed on Saturday 9th June for the Dukeries car rally.

If you see us on the banks of the River Meden in the next couple of months we will either be surveying for water voles or checking to see whether the dreaded Himalayan Balsam is spreading downstream along the river. Contact us if you would like to become involved in these surveys.

On the next Footpaths Group's walk on Saturday 16th June we plan to walk in the area between Pleasley and Hardwick Hall. We will meet outside Warsop library at our new later starting time of 10am and travel by car to the starting point. Get in touch on the number below if you would like to join us or would like more details.

Ann gave a warm welcome to guest speaker for the evening, the Reverend Katherine Herrod. Kathryn is Vicar of Hucknall Parish Church now but was formerly the vicar of St Peter and St Paul's Church here in Warsop. It was good to have Kathryn back in Warsop again if only for a visit, tonight she came to talk to us tonight about the customs of "Weddings". Kathryn gave us an amusing and interesting insight into how weddings and marriages have evolved over hundreds of years and how superstitions and rituals have played their part. The evening was very entertaining. Sue Lunn gave the vote of thanks.

## The Friends of Thynghowe

*Thynghowe and the forgotten heritage of Sherwood*

#### On the morning of 16th July 1816 a number of Warsop men accompanied by some youngsters assembled at the top of Cuckney Hill. They divided into two groups, one headed west along the parish boundary towards Langwith, the other followed the boundary eastwards towards Budby.

Later in the day they were reunited near Peafield Farm having completed a twenty-five mile perambulation of the complete boundary of the Manor of Warsop. Their task was to check that the boundary was clearly marked and that everybody was familiar with the exact line of this boundary. The account of their perambulation was prepared for the Lord of the Manor of Warsop, Henry Gally Knight. The rediscovery of this document a few years ago lead to the investigation of features along the parish boundary and the formation of The Friends of Thynghowe.

Almost 196 years later, on 21st April 2012, a group of over thirty local folk retraced the steps of the 1816 group along part of the boundary between Budby Pumping Station and Warsop Windmill. This annual walk, organised by The Friends of Thynghowe, retold the stories from the past of the Forest particularly those relating the Danelaw assembly site on the hill of Thynghowe.

This event was slightly different to previous years. We are writing a book recalling the history of the area as part of our Heritage Lottery funded project 'Thynghowe and the forgotten heritage of Sherwood'. It will attempt to paint a picture of life in Warsop in 1816 by describing the lives of the participants in the perambulation and we intend to bring it up to date by also featuring their 2012 counterparts. In addition, we would like to include any stories that anybody has to tell about the Warsop side of the Forest. If you have anything you would like to share or any pictures that we could use in the book please get in touch by emailing [thynghowe@warsopweb.co.uk](mailto:thynghowe@warsopweb.co.uk) or phoning 846281.

The 1816 jurors who walked the boundary were John Featherstone, George Brummitt, Robert Jackson, William Beeston Snr, William Beeston Jnr, Samuel Davy, Thomas Smith, Henry Davy, John Eyre, Val Hodgson, Henry Reynolds, Henry Reynolds Jnr, William Warren, Emanuel Burrows, Thomas Hallifax, Thomas Bowler, Nathan Jackson, Samuel Featherstone, Charles See, Samuel Turner, William Wright, William Robinson, John Bowett, John Hawksley, James Hind, William Wilkinson, George Eamon, William Featherstone, James Hind and John Barlow. We have traced several of them through census records, local directories and Richard J King's book based on Warsop Parish Registers but information about any of these folk would be gratefully received.

# BIG LOCAL WARSOP UPDATE

## The Big Local Programme for the Parish of Warsop is now entering Phase 2.

This phase will take us through the summer and into autumn 2012. During this period there will be lots of community events at which people can find out more about Big Local, give their views and more importantly find out how to get involved.

The Steering Group will continue to meet on a monthly basis, and will be working hard to establish the Partnership that will manage the Big Local programme going forward.

## What is Big Local?

Big Local is an exciting opportunity for residents in 150 areas around England to use at least £1m to make a massive and lasting positive difference to their communities. It's about bringing together all the local talent, ambitions, skills and energy from individuals, groups and organisations who want to make their area an even better place to live:

- Communities will be better able to identify local needs and take action in response to them.
- People will have increased skills and confidence, so that they continue to identify and respond to needs in the future.
- The community will make a difference to the needs it prioritises.
- People will feel that their area is an even better place to live.

## What's it not about?

- It's NOT about the government or a national organisation telling you what to do.
- It's NOT about individual groups fixing their favourite problem without talking to a wide range of different people who live and work in the community.
- It's NOT about short-term thinking – you've got 10 years or more to plan and deliver the best options for your area.

## Small Grants available for Local Groups

The Warsop Parish Big Local programme is offering up to £200 to local community groups who would like to run a community engagement event between now and the end of September 2012. The money can be used to fund an event or activity where people would have the opportunity to learn more about and get involved in Big Local, express their views about issues currently affecting Warsop Parish, and look at opportunities for the future.

- Watercolour greeting card, paper.
  - Matthew Palmer's natural grey.
  - Matthew Palmer's natural blue.
  - Matthew Palmer's natural yellow.
  - Masking tape.
  - A large, medium and small watercolour brush.
  - Matthew Palmer's tree and texture brush, small.

A SNOW SCENE, by Matthew Palmer

- 1 Use masking tape to tape the greeting card side down. If you want to give the 'looking through the window effect', simply tape a cross through the centre.
- 2 Use the size 10 brush to wet all the painting area and paint a pale, watered down natural yellow to the base of the sky. Try and leave a white area at the bottom for the snow. The second colour is a pale natural blue right from the top down to blend in with the yellow and finally a deeper mix (less water) of natural grey. This is painted right from the top right corner. To get the moon, simply wrap a penny in some kitchen roll, do this tightly and stamp out the moon... magic! Allow to dry.
- 3 Lets paint the distant hills. Use the larger size 10 brush and natural grey to start with, try and imagine the rolling hills, bring with down with just water, but not to much. Next use natural blue from the bottom of the snow upwards, again use a damp not wet brush to blend this upwards to blend in with the grey. Allow to dry.
- 4 Using the tree and texture brush and some natural grey, paint the distant fields. The image shows me using a scrap piece of card as a mask, then I gently stipple the fields of the hedgerows. If you leave a gap on the right side, you can use natural grey to paint a 5 bar gate. Take your time painting the fields, work with very little paint on your brush, to avoid paint seeping down the card and apply very gentle pressure. Change brushes for the size 4 and paint the very thin distant ones. As always folks adding extra details and taking time will give great results.
- 5 Finishing touches: using the size 4 brush and natural blue, paint the road, that goes through the gate. Think perspective as you do this. use water to blend away the two sides. Add some fence posts with natural grey use the craft knife to scratch out some falling snow and spots of snow on the hedges. Sand paper can also be use to rub off some texture for the hills and foreground snow.

## High Street Car Park and Shop

**Emergency Parish Council meeting held on Tuesday 8th May 2012**

This meeting was called by the Chairman at short notice for full council to ratify a proposal to offer Nottinghamshire County Council £50,000 for the car park and shop.

It was unanimously agreed by the 9 councillors present to confirm the offer to NCC the following day by email and letter. The offer was submitted to NCC subject to contract and WPC requested that the property was removed from auction.

The following response was received from Councillor Reg Adair, the County Council's Cabinet Member for Finance and Property, who said: "Nottinghamshire County Council owns a piece of land on Warsop's High Street which was leased to Mansfield District Council until May 2011.

"The County Council no longer has a use for this land and the adjacent lock-up shop which the authority also owns.

"Warsop Parish Council has put forward a revised offer for the car park and shop which we are happy to accept.

"We are removing the property from an auction sale taking place on 17 May and will be looking to complete the sale in due course."

John C Allin, County Councillor for Warsop, also commented:

"Yet again the people of Warsop and Council Tax payers are having to pay for a car park which should not have been offered for sale.

If the Parish Council had not stepped in to buy the car park and shop it would have been sold for development. Not only would Warsop have lost a valuable asset but the loss would have also enhanced Warsop's already existing parking problems.

I am sorry the Parish Council had to pay so much to retain this existing local facility but the County Council were unwilling to accept lesser offer for the property."

The Chairman for Warsop Parish Council, Stuart Moody also stated:

"We are thankful that NCC have agreed to the offer and done the decent thing and removed the car park from auction. However, the Parish Council are once again fighting to protect services and amenities. The car park may have been surplus to NCC requirements but it certainly wasn't to the people of Warsop District.

£50,000 is a large amount of money for the Parish Council but in reality it's a drop in the ocean for the County Council's budget. It angers myself that the same authority is able to offer up for sale care homes (valued at £20m) for £2m, yet they were unwilling to accept lower offers or indeed allow for an asset transfer of our needed amenity.

Moaning aside, The Parish Council are here to fight for the residents of Warsop and in this instance we've succeeded, although it leaves a bitter taste. We will continue to work with our colleagues at NCC and ensure that they honour the acceptance of the offer and progress to exchanging contracts at the earliest opportunity with no strings attached!"

## A BIG THANK YOU TO COUNCILLORS OF WARSOP

Warsop Infotech members would like to thank Warsop Parish Councillors and County Councillor for helping to raise the money to repair the ceiling in Infotech's I.T. suite which had been damaged by a leak in the roof and which had severe cracks all over ceiling.

If it had not been for their generosity and understanding we would have had to close the room indefinitely till the repairs could be completed. I would also like to thank the volunteers who helped clean and redecorate the room after the work had been completed, without their help the I.T. suite would not have been up and running in such a short space of time, come in and see the difference it has made you will be amazed. Once again thanks to all who were instrumental in this project.

Yours sincerely

Michael Johnson - (Chairman of Warsop Infotech Group)

# Join us to Celebrate the Queen's Diamond Jubilee 4th June 2012 - from 12noon High Street, Warsop

Princess Elizabeth acceded to the throne as Queen Elizabeth II on 6 February 1952 and was crowned on 2 June 1953, and now this is England's chance to mark this magnificent occasion.

Most areas across the country will be organising some kind of event within their community, whether it's a street party, a beacon or both as in the case of Warsop Parish Council.

The Parish Council would like to invite everyone in the local community to join them at their street party on 4th June 2012 to help celebrate the Queen's Diamond Jubilee.

The High Street in Warsop will be closed to traffic, in dedication of our Queen, and the day will be filled with fun and games for all the family and later that same evening at the lighting of the Beacon on Welbeck pit tip.

Any Charitable organisation which would like to have a stall at the street party please contact Karen Smith at Warsop Town Hall or call 01623 845858 - 9am - 3pm

## limestone news

update from Limestone House, Creswell

### The Annual General Meeting of the Elmtown & Creswell Village Company was held at Vivas, Creswell on Tuesday 24 April 2012.

In the Chairman's annual report Julie Holling thanked the members and the Community for their continuing support and reiterated that the Village Company gives opportunity for people to improve their skills and gives opportunities through Training, Volunteering, Apprenticeships and Work Experience as well as providing other services including a Coffee Shop, Charity Shop, Heritage Centre, Book shop, and Advisory Services. Looking to the future Mrs Holling said that the Village Company's sustainability business lies in the diversity of its business and that promotion of all aspects of the business will be actioned and maintained consistently and training of staff and volunteers will continue to be progressed. The way forward for all aspects of the Village Company business will be through the efficient delivery of tasks for the benefit of those in need and a high standard of Customer Service will be maintained.

The latest accounts, 2010-2011 showed that grants brought into Creswell for the benefit of the Community in that year through the Village Company amounted to £25863. The grants were provided by Derbyshire Learning and Development Consortium and the Coalfields Regeneration Trust who funded different aspects of Community training. Derbyshire Environmental Trust provided a grant to improve access by a chairlift to the 1st floor of Limestone Studio. The Big Lottery Fund and the Bolsover Energy partnership provided funding for an Energy Feasibility Study at Limestone House and Biffa provided a grant for redecorating Limestone House and re-carpeting some rooms. The chairman's report and the financial report were adopted by those present and seven Trustees were elected. Member Mrs J Kirk thanked the Chairman and the Board of Trustees, who are all Volunteers, for the work they had done, and continue to do, for the community and the locality.

### Free Short Training Courses

Currently, thanks to funding from the Coalfields Regeneration Trust, short courses of free training in IT and other skills for work are available in Limestone House and fares for the student's 'Travel to Training' in Limestone House will be refunded on the day of training.

### The Limestone House Mini Bus

The Limestone House mini bus is based around the Coalfield Villages to 31/3/13 to give free Computer training at various levels for people who are unemployed or on low pay thanks to this funding. Phone 01909 724061 and ask Tess or Sarah for more details about the free training courses available or to book on a course.

### After School Activities

After School Activities are ongoing for Junior school students, thanks to funding by the Limestone Journeys project based at Creswell Craggs. The learners from Creswell Junior School and Shirebrook Model Village Junior School are using Computers to research the Past and Present of the area in relation to Heritage and Landscape and will also give their ideas for the future of the area when they record a podcast in the Limestone Studio giving details of their research.

# Happy Hour joins Mansfield Arts Festival - have you?

**The programme for the first Mansfield Arts Festival is filling up with a range of events and activities from art exhibitions to open air theatrical performances and photography displays to dance, all celebrating the best of Mansfield's art and culture.**

Inspired by the London 2012 Cultural Olympiad, the Mansfield Arts Festival will take place between 7 and 15 July. The festival will see Mansfield District Council, including its Palace Theatre and Museum, Mansfield Library, The Old Library, Vision West Notts, schools and community groups come together to create an exciting programme of activities and events for everyone across the District to get involved in.

Deborah Carlin and Rebecca Noakes from Out of the Blue Arts have registered their event Happy Hour as one of the activities people can take part in during the festival. They will be asking people in Mansfield to draw, write or talk about what makes them happy about Britain. They will be running drop-in sessions at Mansfield Museum, the Old Library and Ten Green Bottles in the Market Square on 7 and 8 July.

The information collected will then be used to devise a performance on prejudice and tolerance to be performed by a cast of local people at the Crescent Centre in August.

Deborah and Rebecca are looking forward to being part of the Mansfield Arts Festival and hope their event will bring a smile to people's faces: "There seems to be a lot of unhappiness and bad feeling in the country at the moment and we want to address this by helping people to connect and think about what makes them happy. "We hope to bring a different form of art and performance to the Mansfield area, getting people involved and doing something that we truly love by connecting with other people. We want to get people involved in arts, who perhaps normally have an interest." People are still being invited to register to take part in the festival by holding their own performance or exhibition.

Cllr Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council said: "The Mansfield Arts Festival aims to capture and showcase the variety of artistic talent across the District. This is an exciting new event for the District and we are keen to have as many people involved in the week's activities as possible. Deborah and Rebecca have chosen to facilitate art by asking others to draw or describe happiness and their out of the box approach shows you can be creative with your ideas of how to take part in the festival." If you would like to stage your own event during the week please complete the form at [www.mansfield.gov.uk/artsfestival](http://www.mansfield.gov.uk/artsfestival). Performances and exhibitions can take place in a venue local to you, or the Council may be able to help you find a suitable indoor or outdoor venue. All registered events will be promoted as part of the festival - subject to approval.

The final date for submitting details of your event is Friday 18 May. For more information, please contact Andrew Tucker, Cultural Services Manager on 01623 412 950 or [atucker@mansfield.gov.uk](mailto:atucker@mansfield.gov.uk).

## Is the Drought Over?

**At the end of March I was getting worried as the rainfall recorded in my back garden was a fraction down on last year's low reading (3.66 inch against 3.67 for the 47 year average) but April has come to the rescue with a downfall of 7.77 inch giving a 4 month reading for the year of 11.43 inch.**

That is over 3 inch higher than the 47 year average for the same period. This is by far the highest reading for April with the previous highest being 6.24 in 2000.

The old farmers tale says "Cold wet May, plenty of corn and hay" so I hope we did not get too much rain in May (annual average for May is 2.16 inch) such that newly planted seeds will not rot in the ground. I also hope we did not have any late frosts that can kill young shoots and plants.

Best wishes Stuart

Working together

# Shine at the Carnival

## Activities

### Tuesday sessions

Including arts and crafts, sport, games, lasertag, cooking and more and we usually have around 35 young people attending, including those we collect from Warsop Vale.

### Saturday sessions

Have all of the above activities, with the addition of a Splash session at Meden pool (any child under 8 must be accompanied for swimming). Around 50+ young people come along on Saturdays.

**Both sessions cost £1.00 per child, per session. Snacks and refreshments are available or please send your child with a packed lunch for Saturdays.**

## Thanks everyone

**Shine regularly receives local funding, offers of support, volunteer time and tons of goodwill as we continue to shape our service.**

We hope to have some very exciting news to share with the community soon and until then I would love to thank everyone who supports what we do.

The needs of this community are many and varied yet we are blessed with some people who work tirelessly to make the whole community better. Nothing will change over night, but I genuinely believe that we can all make our community stronger, safer and more productive.

If you, your family, business or organisation would like to get involved with Shine please get in touch.

**We have joined forces with the Mansfield Arts Festival 2012 to offer our young people a great opportunity. They will get the chance to perform at the opening ceremony of this year's Warsop Carnival. The piece will feature music, dance and drama around this year's Heroes themed Carnival.**

In order to devise the show young people will be practising every Thursday evening and Saturday afternoon. Also, the group will have a week long session at Nottingham's brand new NGY Centre. This £5 million facility features a recording studio, multimedia base and dance studios and we are thrilled to be working with YMCA on the project. We would also like to thank Andrew Tucker and Christopher Neil at The Mansfield Palace Theatre for offering us this unique opportunity to showcase our young people's talent.

Shine staff (including those who work in all of the 8 local schools) will be encouraging young people to get involved. If you believe your child would like to take part, please get in touch as there may be a small number of places available.

# WARSOP POLICE UPDATE

## Bring On The Summer

After the wettest April on record hopefully we can start to look forward to some long hot summer days, with longer days upon us people want to enjoy the great outdoors.

If you are venturing out to public parks and open spaces, please ensure all rubbish is disposed of in the litter bins provided or taken home with you, as over the past months this has become an increasing problem within our local community, along with the ever increasing problem of dog fouling.

To keep the local areas free from litter and dog mess the Council Wardens have made it one of their priorities as I am sure you would agree that we would all like to live in a mess free community. The Police fully support the work undertaken by the Council Wardens in their bid to keep Warsop clean and anyone that is seen to be dropping litter or failing to clean up after their dogs will be given a penalty notice and for a sum of up to £75.00. This may be seen by many as quite a harsh price to pay, however, it only takes a minute to drop litter in the bin or pick up your dog mess, we are purely asking you to act responsibly.

As the days become longer and hotter we see a rise in underage drinking and antisocial behaviour. We have had issues in the past where the children have confirmed that they have taken alcohol from their home address. We therefore ask that the parents be vigilant where alcohol is present in the home, as this would support us in the fight against underage drinking. We are also aware that the children have been asking locals to purchase alcohol on their behalf, if you are approached and you carry out the request this could result in serious consequences and we would greatly discourage anyone from putting themselves in such a position. Please be aware that we will be watching and it has only been in the last two weeks where a ticket has been issued to an individual who did just this.

It has been noted that incidents of antisocial behaviour reported to the police has increased by 26% since the closure of 'Shines' Eastwood Building proving that giving the youngsters somewhere to go and something to do reduces antisocial behaviour. 'Shine' still continue to provide out of school activities for the youngsters on a Tuesday Evening 6pm - 8pm and Saturdays 2pm - 6pm in the Unit 2000 building located on Church Street. This is a dramatic reduction given that 'Shine' used to provide a 6 day week service to local youngsters and their families.

If you prefer to spend your summer evening in your gardens be it working or relaxing in them, please remember to keep all power tools, garden tools, garden furniture, push bikes, motorbikes and quad bikes locked safely away either in your garden shed or garage, also please ensure that items are kept out of view when stored away. These actions will also reduce the risk of the above items being taken away by Scrap Metal Merchants. Keeping your garden gates locked will also help reduce this risk.

Serious crime remains rare within our community, however the local neighbourhood beat team will continue to create a presence on the streets of Warsop and surrounding areas to ensure you all have a safe and happy summer.

All of the beat team hope that you will join us in wishing PC Wayne Bennett a very Happy 40th Birthday.

Dee Eyre  
Police Community Support Officer

## Inspirational torchbearers - Glenn Chambers

Glenn Chambers, 50, from Underwood, Nottinghamshire, has spent much of his life involved in sport and is thrilled to be part of one of the world's biggest sporting events when he carries the Olympic torch through the Mansfield District on 28 June. Glenn was nominated to become an Olympic torchbearer by his wife Donna.

He served as a police officer for 30 years and during that time gave a considerable amount of time and commitment to sport. He played football for the England and British Police Football teams and later went on to manage them. The latest success was when he led the British team to the European Championships in Greece.

He runs the half marathon in Nottinghamshire on an annual basis to raise money for charities close to his heart; charities which have supported both his eldest son and his wife through illness. After leaving the police force, Glenn now shares his passion for sport and fitness by coaching football in primary schools.

In May, Glenn is set to receive a National Award for Services in the Police Force during his 30 years service.

Glenn said: "I am particularly pleased to be running in Mansfield as I started my football career at Mansfield Town Football Club as an apprentice at the age of 15. I went onto represent Mansfield Town FC for almost four years until joining the police. I don't consider myself to be special but I have always been determined to succeed in sport and I'm very honoured and privileged to be able to take part in this historical event."

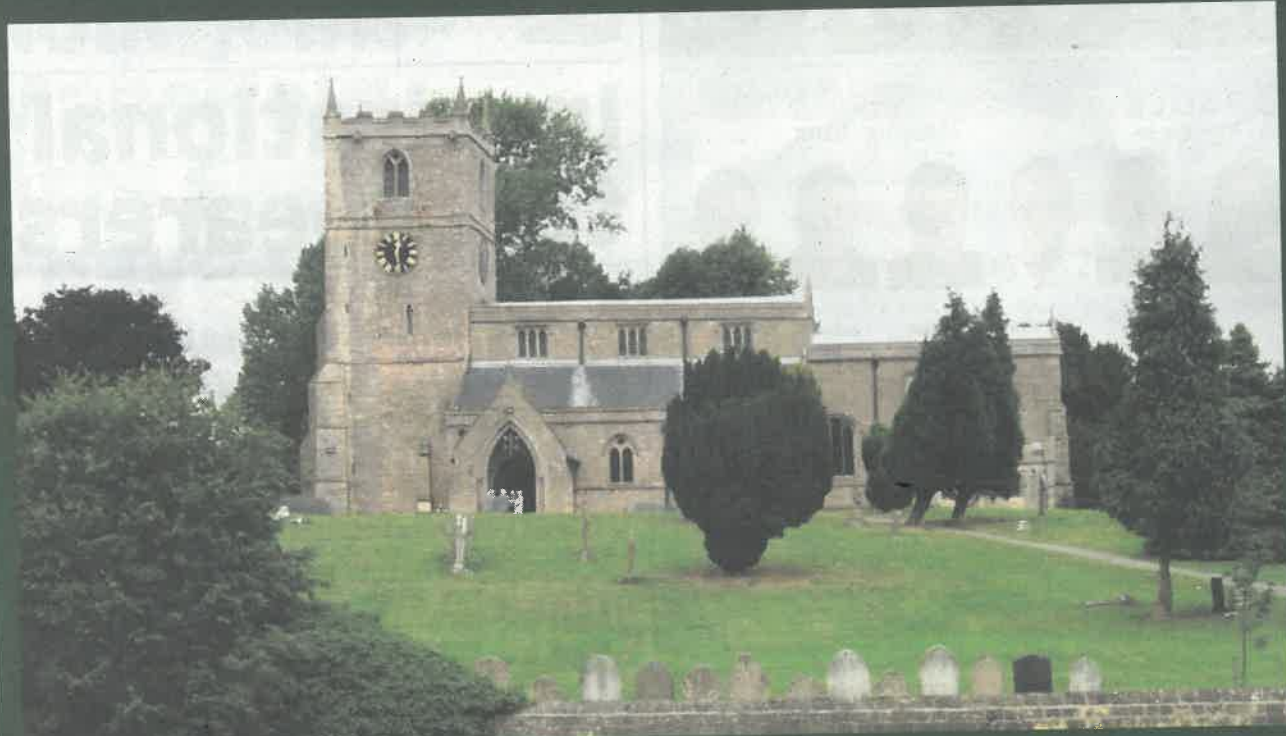

A map of the streets the Olympic Flame will be carried along within the Mansfield District is available on [www.mansfield.gov.uk/torch](http://www.mansfield.gov.uk/torch)

### RBL Increase

**We showed the greatest percentage increase in membership in the County over a three year period.**

We also, thanks to the hard work of a few people and the generosity of Warsop and Mansfield Woodhouse folk, showed the greatest percentage increase in our Poppy Appeal.

We will continue our work in the District and welcome new members to any of our meetings. Unlike some Branches, we are lucky to have good female representation at meetings so everyone is welcome to come along and you do not need to be ex-service to join.

We have already sent out 10 boxes of essential items to the Kabul Orphanage and have resumed sending boxes to our troops.

Names of anyone serving in Afghanistan given to us will ensure they receive a box to show our support.

People often think that we care for people from the First and Second World Wars. We do! However most of our money today is spent on those coming back with physical/mental injuries from Iraq/Afghanistan. We don't abandon people because they served at the wrong time. We help all according to need.

Our next meeting is on the 12th March at 7.45 at the Memorial Club, Bishops Walk. All are welcome.

Your Local Choir

**I write this fresh from our performance on 30 April 2012 at the Mansfield Festival of Music and Drama. We were successful in retaining our title won last year as winners in our category of Four Part Mixed Voice Choir.**

However, as before we were the only entrants in our category!! but we had a good review from the adjudicator, and our Musical Director Sarah declared she was pleased with our performance and that we sang well. She certainly brings out the best in us with her boundless energy, enthusiasm and praise.

Our joint concert with The Millhouse Green Male Voice Choir was a great success with a large audience who appreciated both the excellent quality of the music and the delicious and plentiful home made refreshments. Many thanks are due both to all the volunteers who provided and served these goodies.  
 We hope all our future concerts are as successful and enjoyable for our audiences.

**MUSIC FESTIVAL COMPETITION**

Featuring a variety of local professional and semi-professional bands, singers and entertainers with the chance to win an amazing £500 cash prize.

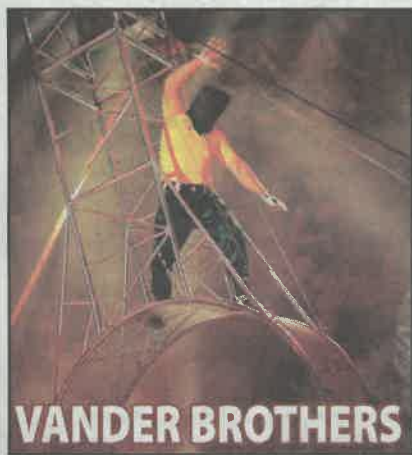

### IT'S A KNOCKOUT

#### Are you up to the Knockout Challenge?

We are looking for 8 teams of 6 - 10 people to compete to win the It's a Knockout Challenge Trophy 2012.

If you think you and your team are up to the challenge then email your details to [wasopcarnival@hotmail.co.uk](mailto:wasopcarnival@hotmail.co.uk) and get in training - after all you don't want your team to be the one who ends up with the booby prize.

#### VANDER BROTHERS Wheel of Death

Presenting the spectacular Vander Brothers Wheel of Death, the best aerial stunt act in Europe, standing a heart stopping 50ft high. Guaranteed to keep you completely mesmerised throughout. Don't miss this highly dangerous and spectacular act which will leave you with your heart in your mouth, especially when the brothers perform blindfold.

#### The Knights of the Crusades

Dressed in period costumes and armour, they delight audiences of all ages with their heroic fighting and dazzling pageantry, transporting you back to a stunning world of Mythical England with amazing realism. Re-creating two totally fantastic epic plays, A Tale of Richard the Lionhearted and The Legend of King Arthur.

Featuring medieval banners and costumes with flaming torches, pyrotechnics and mystic smoke together with dramatic music, fanfares and sound effects. Audience participation is a strong feature and the boys and girls are invited to become squires and maids in waiting and have the chance to attempt to pull the Great Sword Excalibur from the Stone! A truly magical day's entertainment.
