

Warsop to Lose Car Park

Once again your Parish Council is having to fight for assets we feel should rightfully belong to Warsop.

The car park and shop unit, formerly Mr Maggot, at the top of the High Street next to the Library is to be sold by Nottinghamshire County Council. We are told it is surplus to requirements and they need the money.

The Parish councillors have all agreed that if this is sold to a developer to build on and is lost as a car park, it would have a devastating effect on businesses in that part of Warsop and shoppers and library users in general.

As your County Councillor I asked on behalf of the Parish Council if it could be transferred to the Parish Council by asset transfer or could it be leased. Both were declined and the Parish Council was asked to make an offer for the car park.

It was agreed to make an offer of £30,000 which was refused by Nottinghamshire County Council but we were not asked to make an improved offer.

We are now informed that it is to be sold by auction by Savilles as potential development land on 17th May 2012 at Nottingham Racecourse.

Members of the Parish Council will attend the auction to try and purchase the car park. The concerns are that it will make more than the Parish Council can afford and it will be lost as a car park for the people of Warsop and for the library users.

Join us! To Celebrate the Queen's Diamond Jubilee 4th June 2012 High Street, Warsop

Princess Elizabeth acceded to the throne as Queen Elizabeth II on 6 February 1952 and was crowned on 2 June 1953, and now this is England's chance to mark this magnificent occasion.

Most areas across the country will be organising some kind of event within their community, whether it's a street party, a beacon or both as in the case of Warsop Parish Council.

The Parish Council would like to invite everyone in the local community to join them at their street party on 4th June 2012 to help celebrate the Queen's Diamond Jubilee.

The High Street in Warsop will be closed to traffic, in dedication of our Queen, and the day will be filled with fun and games for all the family and later that same evening at the lighting of the Beacon on Welbeck pit tip.

Any Charitable organisation which would like to have a stall at the street party please contact Karen Smith at Warsop Town Hall or call 01623 845858 - 9am - 3pm

EDITOR'S LETTER

This letter is going to be different as it is dedicated to my wonderful husband Kev, who nearly lost his life on Wednesday 11th April when he was involved in a RTA on the M1 between junctions 25 & 26. I must first of all thank PC Wayne Bennett (Beno) and PCSO Dee Eyre for their kindness, support and for getting me, my son and my mum to Queen's Medical Centre in double quick time. (Warp factor 10 I think it was!). Next I must thank the fire service who cut him out of his lorry after being trapped for an hour, the paramedics on the scene who kept him alive and the ambulance crew who got him to QMC. Thanks also go to the team at QMC who worked on him and saved his life and the blood donors blood he received that made this possible. I am so grateful to you all.

Although Kev has sustained serious injuries, he is a fighter and hasn't lost his sense of humour throughout, even though he is in a lot of pain. His recovery will be slow but we are so grateful that he is here to tell the tale and his awful jokes! He faces major surgery now but I am sure with the fantastic medical team on ward C5 he will make a full recovery.

Also a big thank you to all our friends for all the support you have given to us and make no mistake I will be taking you up on your offers of help, you're going to wish you had never offered it ha! ha!

And finally I thank God for answering my prayers.

This not only comes from me but all our family.

I love you with all my heart, Kev Barlow, my chicken and I always will.

PS If you want to follow his progress I update everyday on my Facebook.

GARDENING MONTHLY...

TIPS FOR MAY

Flower Garden

A wide range of ready-made supports are available in garden centres now, or you can use fix supports around tall and floppy perennials before they get too tall.

Biennials such as Wallflowers, Canterbury Bells, Sweet Williams, Forget-me-nots, Foxgloves and Honesty should be sown this month. You can sow them out of doors in a well-prepared seed bed before transplanting to their final flowering position in the autumn.

If you've been growing your own summer bedding the young plants should be ready now for hardening off - in other words acclimatising them to a life outdoors after being coddled under glass. Put the young plants out in the daytime only and towards the end of the month they can be left out all the time.

You can start to plant up hanging baskets and other summer containers, but if you can keep them in a greenhouse or porch for a couple of weeks before putting them out this will help them get established. Choose Westland Hanging Basket and Container Compost, which contains water storing granules to increase the water-holding capacity. You'll need to start feeding your baskets and tubs after 4-6 weeks with a good feeding product. Alternatively, use a slow release plant food as you plant up the containers. This feed will last for the whole growing season.

Keep a close eye on your roses and spray at the first sign of pests or disease. When buying new roses you may prefer to choose some of the newest hybrids bred for their resistance to pests and diseases

Lawn

If you applied your first lawn weed early you should feed again towards the end of the month with a spring and Summer Lawn Food.

Persistent weeds such as dandelion and daisy may need treated with a spot weed killer.

In The Greenhouse

Fuchsias and Pelargoniums should be growing strongly now. Fuchsias should be pinched out once they reach about five inches (12.5 cm) high. This will help make them bushy and far more flowers will be produced.

Grow-bags are an easy way to grow a wide range of tender vegetables, including tomatoes, cucumbers, aubergines, peppers and even melons. Bring the bags into the greenhouse a week or so before planting into them - this will give the compost time to warm up first.

Containers

Summer containers can be planted up this month. If you don't have a greenhouse or porch to keep them away from late frosts, just make sure you listen to the weather forecast and cover the containers with fleece if necessary.

Vegetable Garden

Be ready to cover potatoes if frost is forecast. Sow outdoor marrows and courgettes at the end of the month. Start preparing the planting site at the beginning of the month by digging holes one foot deep and wide, about three feet apart. Dig plenty of Farmyard Manure into each hole then mound the earth up over the manure. Runner beans can be sown in the second half of the month on a site prepared earlier. In warmer parts of the country try sweetcorn - it should be sown at the end of the month.

Herb Garden

Take cuttings of rosemary, sage and thyme from the previous year's growth. Take off the lower leaves of the cuttings and put them round the edge of a pot filled either with Perlite or Sharp Sand. Annual herbs such as coriander and chervil can be grown in the same mixture or in multi-purpose compost.

Fruit Garden

Apply a general plant food around fruit trees unless they have failed to set much fruit. Young trees may still need watering in dry weather. Gooseberry and blackcurrant bushes can also be fed. Start spraying regularly to prevent attacks of pest and disease.

Happy Gardening

Connie's Column

Hi Everyone!!!

Hope you all had a great Easter. Can't believe how fast the holiday has gone!

Not much to report about this month except have a moan about how bad the weather turned once the holiday started after a spell of lovely sunshine the week before, how typical.

I can't wait for the Warsop Carnival. Its going to be great; there are loads of fantastic acts in store for you this year. One arena act I'm really excited about is the Vander Brothers - Wheel of Death, check them out on youtube, they're fantastic!

Well it's back to the grindstone and heads down to swat for up-coming exams. Hope you've all recharged your batteries and are raring to go.

I'll keep my ear to the ground and give you all the news and gossip I can find in next month's issue. In the mean time if you have any news, articles or stories or just want to ask me a question so I can publish it in the newspaper, just email me on conniewdn@hotmail.co.uk and send me your stuff and I will do my best to get it published.

See you next month and good luck if you have any exams or tests.

WARSOP

Footpath & Countryside Group

The first bluebells were coming into flower in Collier Spring Wood at Church Warsop before the end of March so by now there should be an excellent display. Alongside the footpath between Nettleworth Manor and Park Hall is another good spot to see them.

Have you heard a cuckoo yet? I usually hear my first one during the last week of April. The swifts should also be back soon.

Last year we found a lot of evidence of water voles along the banks of the River Meden between Stonebridge and the Mill Dam. We plan to repeat the survey in the coming weeks. Contact us if you would like to join us. You could develop skills in identifying vole faeces (blunt ends, green and no smell!) and in discovering whether a blade of grass has been chewed by a vole. We are fortunate to have this declining species on our patch but they need to be monitored as the population is at risk from loss of habitat and predators.

If you walk your dog though our local woodlands may I remind you that we are now in the season when ground-nesting birds are at their most vulnerable. We even have 'Schedule 1' species in our area where it is an offence to "recklessly disturb at, on or near an active nest". So please keep your dog under control and keep to the main paths for the next few months.

According to the notice posted by the Police and Natural England at the entrance to Lord Stubbins Wood there has been deliberate damage to this Site of Special Scientific Interest. It states that there have been reported incidents of unauthorized tree felling, arson, fly-tipping, littering and disturbing and killing of wild birds listed on Schedule 1. The penalties listed are up to £20,000 per offence in the Magistrates Court or an unlimited fine in the Crown Court. They request that we should report anyone we see or suspect of committing these offences by calling the Police on 01623 420999. Can you help?

During May this group will be starting our annual programme of grass cutting along Warsop's rights of way. Last year's dry summer meant that we needed fewer cuts than usual but who knows what this year will bring? Please get in touch with us if you fancy spending about three hours out in the countryside on a couple of Thursday mornings each month helping us to keep the paths clear.

On the next Footpaths Group's walk on Saturday 19th May we plan to walk around the Farnsfield area. We hope to visit some sites where there should be impressive displays of wildflowers. We will meet outside Warsop library at our new later starting time of 10am. Get in touch on the number below if you would like to join us or would like more details.

The Future

The 3rd meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 20th March 2012.

7 members of the Committee were present, 2 Representatives of the Playscheme, 1 Representative from West Notts College and 1 Representative of the Meden Vale Sports Association. Three apologies were received.

The representative from Meden Vale Sports Association reported that plans for disabled access to the new Sports pavilion, the Village Hall, the Rugby Club and Bowls pavilion had been drawn up for discussion. A meeting has been arranged for 1st April at 10am with the Fundraising organisation, with the objective of walking the site, finalising the plans and agreeing a strategy for fundraising.

The Chairman stated that he had written to Notts County Council Planning department indicating the Committee's support for the proposed re profiling of the colliery tip. The power supply has now been isolated to the colliery power house and this was now scheduled for demolition. The next meeting for Welbeck Colliery the Future has been arranged for 9th May 2012 at 10am. The Representative from West Notts College presented the schedule of courses for the next period which includes Safeguarding, Jewellery, Volunteer Skills and Hygiene courses scheduled for Meden Vale. In addition there is a possibility of a First Aid course.

The Treasurer reported that funds were getting low due to utility bills etc. being paid. It was agreed that applications would be made to Warsop United Charities and the Charity Shop, for financial support.

The Chairman advised that the Annual Charity Return had been completed on line and that notification had been received that the rates bill for the coming year would be nil.

The forthcoming Jubilee celebrations in June are still under discussion and no definite plans have been agreed.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

As summer approaches volunteers in this project have to retreat from the woodlands and concentrate on other aspects of research. Brambles or bracken will obscure many features on the ground and several areas frequented by ground nesting birds are out of bounds.

Fortunately there are other activities to keep us busy. Firstly, due to its status as a royal hunting Forest and its later ownership by the dukes, there are extensive records in archives that can reveal details of the management of the Forest covering many centuries. If you are interested in becoming involved in our archive research there may still be places available on our workshop sessions at Mansfield Library (see below for details).

The second task involves inspecting the images obtained from the recent LiDAR survey of Birklands that used aerial laser technology to reveal the bumps and hollows in the woodlands that would normally be obscured by trees. Hopefully, we will be able to identify areas to investigate when we return to surveying in the woods next winter. We will be holding a workshop session for anybody interested in taking part on 3rd November at Sherwood Pines.

Forthcoming events

Introductory Archive Workshops - Mansfield Library

Thursday 17th May 2012 - 6pm to 8pm

repeated on Sunday 20th May 2012 - 11am to 1pm

Join us in looking for evidence of the lives of people who lived and worked in the Forest. We will investigate our social and cultural heritage by looking at documents, maps and books. We will use the computers in the Discovery Room and the Local Studies Area. There will be further opportunities for research from documents from a range of archives.

BIG LOCAL WARSOP UPDATE

BIG.... Reaches out into the community.

Many views have been collected from residents on how Warsop's Lottery award should be used.

We have had two stakeholder meetings, a big stand at the 2011 Carnival and regular information has been in this paper and on the Warsop Web.

We are now reaching out even further to ensure that every resident has a chance to comment.

Our list of community groups shows that at least 20 groups have not given their views. All of these will be contacted and asked for their up dated views.

As well as this there will be a mobile information car visiting all of Warsop's communities (see details/dates below). Carol Avison has undertaken to do this along with colleagues from The Warsop Vale Community Land Trust.

Leisure and recreation for all age groups was flagged up as important in our consultations. We will undertake an audit of all pitches, pubs, clubs and activities and the Warsop Wheels BMX Club will carry this out.

More views from **Older People** will be collected at a Big Lunch at the Oaklands centre in June. Thanks To John Allin and Age Concern colleagues for arranging this.

How healthy is the local economy?

A survey of local businesses and industries will be carried out by Cllrs John Kerr and Peter Crawford along with some more willing volunteers.

Shine has been nominated to find out more about what young people of various ages from 5-25 need or want in Warsop. Parents may also be consulted on this to see if their views are the same.

All of the people carrying out this work will involve volunteers from their organisations and will receive a fee, paid from Big Lottery for their work, which will go to their respective organisations to be re circulated in Warsop.

WHAT A SCOOP!

Our mobile information consultation vehicle will be visiting your area soon, so don't miss your chance to fill in our Big Lottery consultation form and have your priorities heard...

...and get a FREE ice-cream!

Consultation areas and dates are:

Saturday 5th May 10am – 12noon
at the car park next to the Coop in Warsop

Saturday 5th May 1pm – 3pm
outside the shops on Egmont Road in Meden Vale

Saturday 19th May 10am – 12noon

Matthew Palmer 2012

WATERCOLOUR CARDS - BLUEBELL WOODS by Matthew Palmer

1 USE MASKING TAPE TO ATTACH THE FRONT OF THE CARD TO A BOARD, NOTICE I HAVE MASKED A BORDER AROUND THE CARD. I HAVE ALSO USED THE TAPE TO MASK OFF THE TREE LINE, THIS IS ABOUT 1/3 UP THE PAINTING.

TIP - REMOVE THE STICKINESS, BY STICKING THE TAPE TO YOUR CLOTHES FIRST, THIS WILL PREVENT ANY TORN PAPER.

2 WET THE SKY AREA, USE THE LARGE BRUSH TO PAINT A PALE NATURAL YELLOW (MIX WITH LOTS OF WATER). PAINT THIS ON THE BOTTOM OF THE SKY, AND PAINT NATURAL BLUE TO THE TOP OF THE SKY.

NOW USING A MIX OF AUREOLIN AND NATURAL BLUE TO ACHIEVE A GREEN, STIPPLE IN WITH THE MEDIUM TREE BRUSH THE DISTANT TREES.

TIP - USE THE SHARP CORNER OF THE BOTTOM OF A PAINT TUBE TO SCRATCH OUT A FEW TREE BRANCHES.

3 PAINT IN THE FOOTPATH WITH PALE NATURAL YELLOW, ADD A FEW LINES OF NATURAL GREY WHILE THE PATH IS STILL DAMP. I HAVE ALSO USED A DAMP SIZE 4 BRUSH TO SOFTEN THE BASE OF THE DISTANT TREES.

TIP - THINK ABOUT THE PERSPECTIVE OF THE PATH, WIDER IN THE FOREGROUND.

4 NOW LET'S PAINT IN THE BLUEBELLS. USING THE SAME GREEN, JUST USED TO PAINT THE TREES AND A WATERY INTENSE VIOLET, START BY PAINTING THE EDGE OF THE PATH IN GREEN AND THEN PAINT IN THE VIOLET COLOUR, MIXING WITH THE GREEN ON THE PAPER TO GIVE A NATURAL BLEND.

I'LL ONLY PAINT ONE SIDE OF THE PATH AT A TIME AND ONCE A SIDE IS PAINTED, FINELY SPRINKLE SOME TABLE SALT. THIS NEEDS TO GO ON WHILE THE PAINT IS STILL DAMP, THE SALT WILL DRAW OUT SOME OF THE PAINT, LEAVING A RANDOM BLUE BELL EFFECT.

LEAVE THIS TO DRY NATURALLY.

5 USE THE NUMBER 4 BRUSH TO PAINT THE TWO TREES, THE BEST PIECE OF ADVICE I CAN GIVE WHEN PAINTING TREES IS TO PAINT THE TREE IN THE DIRECTION IT GROWS AND EVERY TREE STARTS WITH A THICK TRUNK AND GRADUALLY GROWS TO A THIN BRANCH.

TAKE YOUR TIME WITH THE TREES, ADDING MANY FINE BRANCHES.

6 AS A FINISHING TOUCH, USE THE MEDIUM TREE BRUSH TO GENTLY STIPPLE IN THE TREE LEAVES, BE CAREFUL TO APPLY GENTLE PRESSURE.

MOVE ON TO THE SMALL TREE BRUSH TO ADD EXTRA DETAIL, A FEW FOREGROUND BLUEBELLS AND TALL GRASSES.

THE EXTRA DETAIL MAKES ALL THE DIFFERENCE, TAKE YOUR TIME ON THIS EVERY LITTLE REALLY DOES HELP.

Parish Council Meeting April 2012

Below is a short report on the meeting held on Monday 16th April, a full set of minutes is available from The Clerk at Warsop Town Hall or view on-line at www.warsopweb.co.uk

8776. WARSOP TOWN HALL

At the rear of the Town Hall (Infotech) rain has caused substantial damage to ceiling and has had to be replaced. When replacing ceiling it was found that the slates on the roof were damaged. The Parish Councillors are having to look at replacing the roof. Mark Wilkinson from Mansfield D C has spoken to Cllr John Kerr who has been informed that we can use Spanish Tiles or suggested equivalent as the ones that are on are Welsh Tiles and are very expensive. A quote has been supplied (see V0886).

Leicester Housing Association will be renting a room from 24th April 2012.

8777. PARKING IN WARSOP

The situation on Sherwood Street seems to have ceased now that the enforcement Officer has issued a fixed penalty notices.

8779. THE QUEEN'S DIAMOND JUBILEE BEACONS AND STREET PARTY

Permission for a bonfire beacon on Meden Vale Pit tip has been granted. With regards to the Beacon for Warsop Vale Cllr P Crawford to look into to see if permission was granted.

The Street party to be held on Monday 4th June 2012 on High Street Warsop. It is proposed that High Street will be closed for this day. Suggestions have been made for people to attend and to bring their own packed lunch. Warsop Parish Council may supply a cake.

8780. WARSOP CARNIVAL

This year's theme is Heroes - Main Arena acts are booked and include Vander Brothers Wheel of Death, Knights of the Crusade together with displays and performances from local groups. Cllr K Smith is still trying to source funding to help with the cost of the above acts and the music stage. A competition called 'Live & Local' is being planned for the music stage.

8784. NOTTINGHAMSHIRE COUNTY COUNCIL

The Parish Council have offered £30,000 to buy the Car Park but Nottinghamshire Council have rejected the offer. Nottinghamshire County Council are asking for offers in the region of £50,000. It will be going up for Auction on 17th May 2012.

This site has no outline planning permission for residential/business development at present. Unsure if the Shop situated next to the car park is part of the sale.

Special meeting arranged to discuss on Monday 30th April 2012 at 6pm It was decided that the local community should be informed of the situation by means of an article in the May issue of Warsop & District News.

8785. MANSFIELD DISTRICT COUNCIL

Warsop's Wheel of Death!

It'll soon be carnival time again and this year's Warsop Carnival, which is planned for 8th July 2012, promises to be just as brilliant, if not better than last year's.

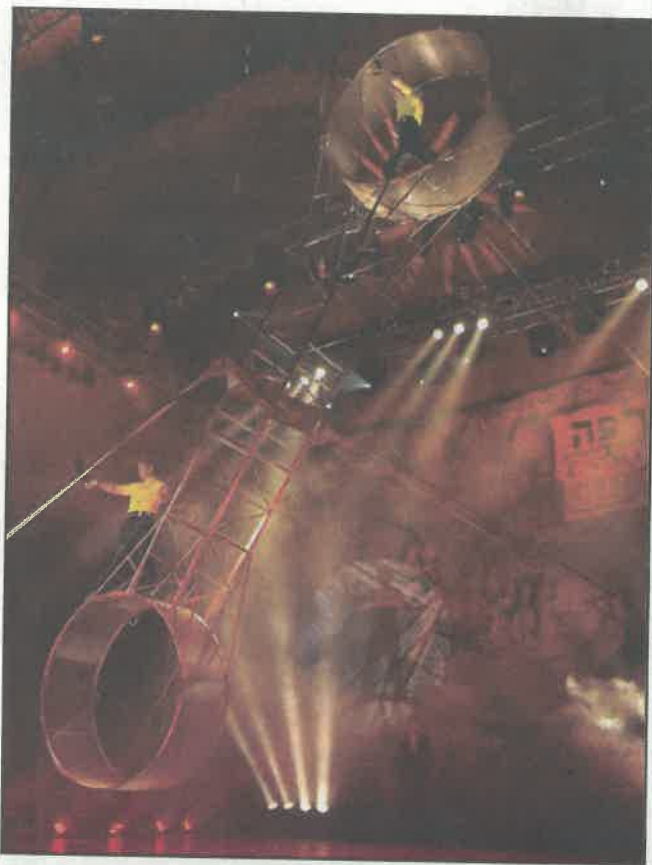

The carnival committee have been busy organising this year's event and things are well under way with quality arena acts, stalls, side shows, circus workshop, and not forgetting the ever popular fairground attractions and much more!

HEROES is the chosen theme for this year's carnival, giving everyone the opportunity to honour their own hero, whether it's a fictional character, a past or present person, WWI or II, the Armed Forces, Firemen, or the Police. The list is endless and with the traditional carnival parade which travels through the streets of Warsop, it looks like being a true heroes celebration.

You can look forward to a fun filled day for all the family with arena entertainment which will include the Vander Brothers Wheel of Death and the Knights of the Crusade as well as the ever popular It's a Knockout inviting local teams to compete for the It's a Knockout Champion Trophy 2012.

The Carnival's open air music stage, which proved a big success last year, will be back with a new addition of the Live & Local music competition. The competition has been organised to give local professional and semi-professional bands, singers and entertainers the chance to win an amazing £500 cash prize and show off their talent on stage at the Warsop Carnival, which is one of the biggest events of its kind in the area.

If you would like to form a team to compete in the It's a Knockout challenge or participate in the Live & Local competition please email your details to warsopcarnival@hotmail.co.uk and we will send you further information.

Vander Brothers Wheel of Death

Presenting the spectacular Vander Brothers Wheel of Death, the best aerial stunt act in Europe, standing a heart stopping 50ft high.

Guaranteed to keep you completely mesmerised throughout. Don't miss this highly dangerous and spectacular act which will leave you with your heart in your mouth, especially when the brothers perform blindfold.

WARSOP CARNIVAL
8th July 2012

The Knights of the Crusades

Dressed in period costumes and armour, they delight audiences of all ages with their heroic fighting and dazzling pageantry, transporting you back to a stunning world of Mythical England with amazing realism. Re-creating two totally fantastic epic plays, A Tale of Richard the Lionhearted and The Legend of King Arthur.

Featuring medieval banners and costumes with flaming torches, pyrotechnics and mystic smoke together with dramatic music, fanfares and sound effects. Audience participation is a strong feature and the boys and girls are invited to become squires and maids in waiting and have the chance to attempt to pull the Great Sword Excalibur from the Stone! A truly magical day's entertainment.

IT'S A KNOCKOUT

Are you up to the Knockout Challenge?

We are looking for 8 teams of 6 - 10 people to compete to win the It's a Knockout Challenge Trophy 2012.

If you think you and your team are up to the challenge then email your details to warsopcarnival@hotmail.co.uk and get in training - after all you don't want your team to be the one who ends up with the booby prize.

Mansfield District Council
Creating a District where People can Succeed

Party in the Park postponed

Mansfield's events calendar is jam packed with lots of exciting events set to take place this summer from the Olympic Torch visit to the new Mansfield Arts Festival. As a result, Mansfield District Council has taken the decision to postpone the Party in the Park event for one year.

Party in the Park is a three day music and entertainment event which forms part of the Summer in the Streets programme. The Summer in the Streets festival will still take place this year and will include a wide range of events across the District between July and August.

The full timetable for Summer in the Streets 2012 will be announced in coming months.

The District Council is busy making arrangements for a number of events for this year including:

- **Inspiring Mansfield**
including the grand finale at Berry Hill Park on 27 June
- **The Olympic Torch**
Relay visiting Mansfield District on 28 June
- **Mansfield Arts Festival**
from 7 to 15 July including Project 2012: Mamesfelde to Mansfield on 14 and 15 July
- **Christmas Lights Switch-on**
(date to be confirmed)

Cllr Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council said: "We have an exciting calendar of events planned for this year which people from across the District and surrounding areas can get involved in. We have had to look carefully at how we can ensure these events are a success and therefore allocate our resources effectively. As a result we have postponed Party in the Park for this year but it will be back with a bang in 2013."

For more information on events taking place across the Mansfield District please visit www.mansfield.gov.uk/events

Adi's MENCAP Fund Raising Ball

The Adrian Bower Band would like to thank everyone who came along, with almost everyone in fancy dress, to The Horror Ball charity fund raiser at the Black Market on Saturday 10th March and helped make it a great success.

Massive thanks go out to all the bands, performers, stall holders and helpers who all provided their services.

Thanks also go to Dave Drury and the staff at the Black Market for giving us a venue to hold the event, as well as donating to the fund, which helped us to finally raise £382 for Mencap.

And last but by no means least, many thanks goes to Tania Barlow and the staff at Warsop & District News for giving us such a fantastic ad in the paper, when our other local paper totally ignored us (why our face doesn't fit with the Chad is now beyond us, but we'll remember!!).

Thank you all for being so generous.

Adrian Bower.

Friends of the Carrs DE-SILTING OF THE MILL DAM

The meeting held on 13th March was informed by Nottinghamshire Wildlife Trust that the funding for the removal of silt from part of the Mill Dam had been approved. A total of some £67,000 has been raised mainly from the Main Water Directive, Mansfield District Council, Nottinghamshire Wildlife Trust (NWT) and the Group.

The silt will be removed and spread on the field at the rear of the bungalow so vehicles will not have to use the A60 during the process.

It is hoped to also do some work on the island at the same time but the cost of that work is not included in the £67,000. NWT are looking to obtain some funding from other sources for that work. The bank on the island adjoining the dam is slowly slipping into the dam and it is planned to push up the bank and hopefully strengthen it with cages of ballast. The Group would like to hear from any local concern that are prepared to sponsor any of the work or provide assistance with the projects that are to be undertaken.

Some trees on the island have fallen over in the wet ground and will need to be removed and replaced with trees that will accept the conditions. The Group are to visit a nursery to decide which trees would be suitable.

Work on new/replacement seating, fishing pegs and the footpaths will be carried out possibly at the same time but this is dependant on funding availability. A visit is to be made to Center Parcs to see the fishing pegs they have. The projected time slot for the desilting is August-September when the fish and bird breeding season is over.

The ANNUAL GENERAL MEETING will be held on MAY 8th at 7.30pm in the function room at the Hare and Hounds. ALL ARE WELCOME.

After the formal meeting the group will be updated on progress being made on the project.

The Group are planning to have a display at Warsop Carnival together with NWT and this will be discussed at future meetings.

Mansfield Launches National Food Hygiene Rating Scheme

Mansfield District Council today (30 March 2012) launched a new national food hygiene rating scheme across the District, replacing the Council's own Scores on the Doors rating system.

The food hygiene scheme helps people to choose where to eat out or buy a takeaway from, as it provides a score of how hygienic the business is.

About 200 Councils have already joined the national scheme, making it easier for people to recognise the hygiene standard ratings at food outlets across the country.

Members of the Council's Environmental Health team and Cllr Mick Barton Portfolio Holder for Public Protection attended the launch in the Four Seasons Shopping Centre, Mansfield.

They were joined by Mrs Sandra Cockell of the Food Standards Agency (FSA), Mrs Julie Warren and Marcus Warren, directors of Jango's Indoor Play Centre, Forest Town, and Mrs Suzanne Wright, a partner at Elliott Meats, Bridge Street, Mansfield. Both Jango's and Elliott Meats have received the maximum rating of five stars.

This national scheme has been developed by the FSA in partnership with local authorities.

Local authorities are responsible for carrying out inspections of food businesses to check that they meet the requirements of food hygiene law. A Food Hygiene Rating will be given to food businesses after each inspection.

At the inspection, the officer will check:

- How hygienically the food is handled – how it is prepared, cooked, re-heated, cooled and stored.
- The condition of the structure of the buildings – the cleanliness, layout, lighting, ventilation and other facilities.
- How the business manages and records what it does to make sure food is safe.

The hygiene standards found at the time of inspection are then rated on a scale. At the bottom of the scale is '0' – this means urgent improvement is required. At the top of the scale is '5' – this means the hygiene standards are very good.

Ratings are given to places where you can eat out such as restaurants, takeaways, cafés, sandwich shops, pubs, and hotels. Ratings are also given to schools, hospitals, residential care homes, supermarkets and delicatessens.

As part of the new scheme, each of the inspection results will be published on the Council's website and businesses will be given a certificate and window sticker to display on their premises.

Cllr Mick Barton, Portfolio Holder for Public Protection, said: "We have been operating our own food-hygiene rating scheme in Mansfield for a number of years, but by joining this national scheme it will bring us in line with many other local authorities across the country – making the ratings consistent and recognisable. The Food Hygiene Rating Scheme allows people to make an informed choice when deciding where to buy their food from. It will also help food businesses as the scheme rewards the efforts of businesses with high standards of hygiene and encourages businesses with poor standards of hygiene to improve."

Catriona Stewart, Head of the Food Hygiene Ratings Team at the FSA said: "We recognise the real progress that has been made in improving hygiene standards in food outlets through 'local' food hygiene rating schemes. But having a single nationwide scheme will mean a level playing field for businesses across the country, and consumers will be able to recognise and use the ratings in their own area, as well as further from home. So it's great news that Mansfield District Council has announced their intention to switch to the new national scheme."

Activities

Tuesday sessions

Including arts and crafts, sport, games, lasertag, cooking and more and we usually have around 35 young people attending, including those we collect from Warsop Vale.

Saturday sessions

Have all of the above activities, with the addition of a Splash session at Meden pool (any child under 8 must be accompanied for swimming). Around 50+ young people come along on Saturdays.

Both sessions cost £1.00 per child, per session. Snacks and refreshments are available or please send your child with a packed lunch for Saturdays.

At Shine all of our staff, young assistants and volunteers work really hard to ensure that your child has a great experience whilst at one of our sessions. So, we were really pleased that their dedication was recognised recently.

Mansfield and Ashfield's community heroes were honoured at Chad's 2012 Pride Awards on Thursday 22nd March.

INSPIRING PERSONALITY CATEGORY

The WINNER was no other than our Teaching Assistant Mike Eland, honoured for his work, dedication and commitment to the young people of the Warsop area. He also works as a sports coach with after school and holiday clubs and supports youngsters through Shine helping them to 'achieve more than they ever imagined' due to his patience and selflessness.

Thanks everyone

Shine regularly receives local funding, offers of support, volunteer time and tons of goodwill as we continue to shape our service.

We hope to have some very exciting news to share with the community soon and until then I would love to thank everyone who supports what we do.

The needs of this community are many and varied yet we are blessed with some people who work tirelessly to make the whole community better. Nothing will change over night, but I genuinely believe that we can all make our community stronger, safer and more productive.

WARSOP POLICE UPDATE

What are Your Priorities?

At 7pm on the 11th April 2012 I was part of the Safer Neighbour Committee Meeting that was held at the Town Hall. This is a meeting that the public and councillors are invited to discuss with the Police and Council Officials what the main concerns are for the area and what issues they would like local officers to concentrate our efforts on.

It has to be said that the turn out from the community was very poor. We have numerous issues raised with us when we are on foot patrol yet when the ideal opportunity arises for people to make their concerns known in a public forum the turn out is poor.

A further meeting has been arranged for the 16th July, 7pm, at the town hall where we are hoping that a lot more members of this community will attend. These meetings are regularly chaired by the local area commander, Inspector Mark Webster, and he is very interested to hear what the public believe to be the priorities in this community.

The following priorities identified from the meeting are:

- 1 Anti Social Behaviour in the Warsop Town Centre and Ossington Close area of Meden Vale between 6pm and Midnight each night of the week.
- 2 Speeding motorists in the Netherfield Lane area of Meden Vale in particular at School opening and closing times.
- 3 The supply and use of controlled drugs. This is happening at various different times and locations

A number of tactics will be employed to combat these priorities and will be placed on the Nottinghamshire Police Website.

Two of these priorities are the same as the previous issues raised at the last meeting. They are the Anti-Social Behaviour and drugs issues.

In recent weeks our team have executed a couple of misuse of drugs warrants with the Spion Kop region and recovered a substantial amount of controlled drugs. Investigations are still ongoing and Warsop News will be notified when these enquiries have been finalized.

We still urge the public to come forward with information that can assist us in tackling any criminal matters, although the misuse of drugs has been highlighted and more information in this field would be very helpful.

With any luck we should also be heading towards better weather conditions allowing the Barbeque lovers amongst us to spend more time on our back gardens cooking our favourite food. I think I can include myself in this group and do take on board the following advice. This is the time of year that Mr Burglar looks for every opportunity to gain entry into your home. Please can you make sure that you take the necessary precautions to keep him out. If you are on the back garden enjoying the weather, make sure that you have your front door shut and locked. That also goes for your windows. And if you are anything like me, you will be enjoying the company of family and friends along with a few beverages.

If you have not secured the front of your property the first time you go back inside your property you may find items missing. A lot of us work hard for our possessions so make sure you look after them. Put your car/van keys out of sight along with jewelry and money. Make the most of our summer time because it's not here for long.

Creating a District where People can Succeed

New Mansfield Pop-up Shop to Support New Businesses

Budding entrepreneurs wanting to test out their new business ideas can get a taste of the real deal in Mansfield's first pop-up shop due to open next month.

The innovative scheme has been introduced by Mansfield District Council and Mansfield BID, who are now asking for interested people to come forward to register their business for the pop-up shop.

The pop-up shop will be set up in an empty unit in the town centre Market Place (the former Christmas shop). Up to four new businesses, at one time, will be given one week experience running their own business (this could be extended depending on demand).

The scheme is open to any type of retail business which is able to operate in a town centre retail space without the need for onsite large equipment or machinery.

Businesses will need to contribute a small cost toward utility bills and the rest of the costs will be met by the District Council and Mansfield BID.

Gill Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council said: "This is an exciting new scheme which will give budding entrepreneurs the opportunity to temporarily set-up in a town centre shop, giving them real experience of running their own business before deciding whether to progress and commit to a lease."

"It also brings an empty shop back into use and showcases how the shop could be used to retailers looking to rent premises in our town centre."

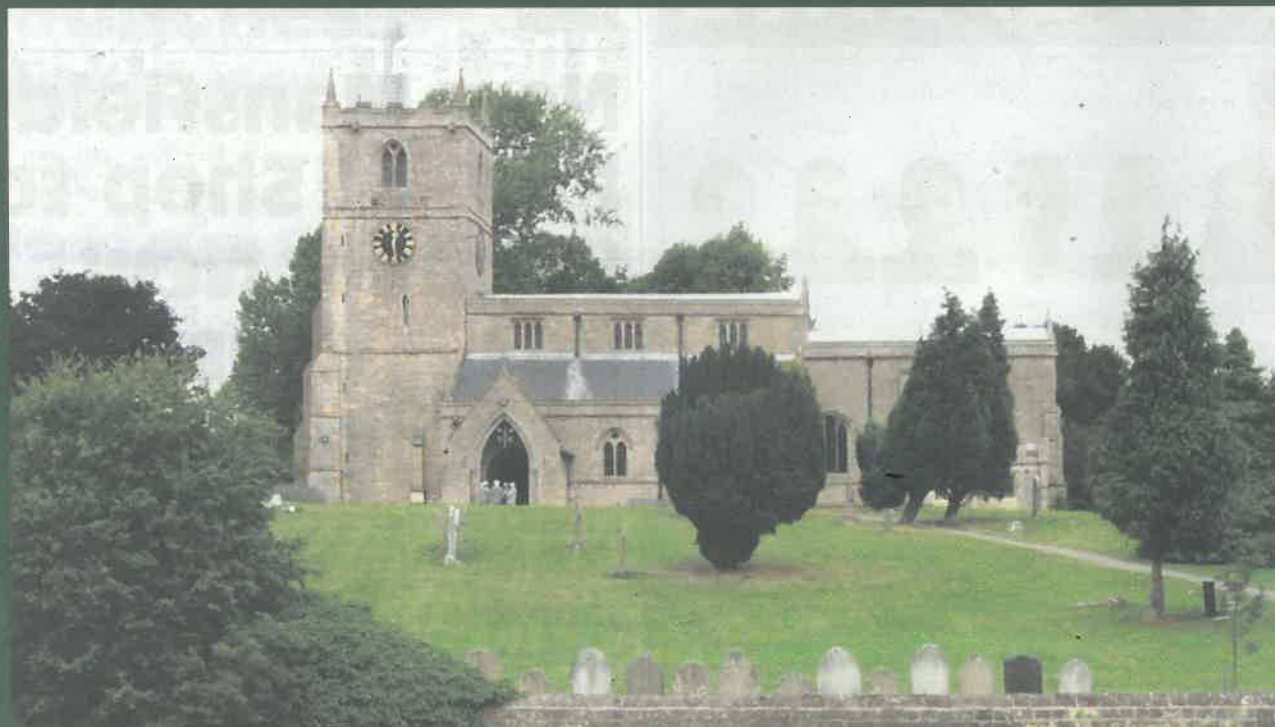

Sarah Newton, Manager of Mansfield BID, added: "The Mansfield BID is excited to be leading on this project and we encourage anybody who is at the stage of thinking about setting up a business to come forward. We want to help guide and encourage these people to see the potential of trading in Mansfield but have the support and experience to make their business a success."

"We also hope it demonstrates to private landlords a different use of their empty property to showcase and market the use of them and we also encourage landlords to contact us if they would be interested in a similar scheme."

Anyone interested in testing their business in Mansfield's new pop-up shop should contact Sarah Newton, Mansfield BID Manager, on 01623 635 675 or email sarah@mansfieldbid.com

All welcome

Due to declining numbers at Edwinstowe they have become a sub-branch of Warsop, this means that they can retain their Branch Standard and name until hopefully in the future they can grow again back into full branch status. It has been really nice to welcome our colleagues from Edwinstowe into our branch and to see them participating in branch activities.

March was a busy month with Members working hard to raise monies for our all year round poppy appeal.

Reg Atkins organised a fantastic Tribute to Buddy Holly and Elvis evening which was enjoyed by all, with the profits being divided between the Poppy Appeal and the Warsop, Shirebrook and District Rotary Club charities.

Members Wayne Drennon and Mark Taylor together with a group of ex and serving personnel have completed a mammoth sponsored relay run over five days visiting places like Hedley Court, Haig House in London and the National Memorial Arboretum in Staffordshire to raise money for the Poppy Appeal, Help for Heroes and SSAFA.

April brought us the excellent Concert that was presented by the Warsop, Shirebrook and District Rotary Club with all profits going to our Poppy Appeal. It was an opportunity to see and hear an excellent performance by The Band of the RAF Regiment at the John Fretwell Sporting Complex.

Our next meeting will be at The Warsop Parish Church at 7pm on Monday 14th May 2012 where we are going to be entertained by Colin Paul singing Elvis's gospel songs. This event is being organised by Warsop Inner Wheel at £5 per head to support Inner Wheel Charities. All are Welcome
