First for Cerys

**Thirteen year old Meden student
Cerys Ball came first in the overall
ladies' category of the Relentless
Energy Ten Feet High Wake and
Skate competition.**

The competition, now in its 10th year, is run by Rother Valley Country Park in Rotherham and Cerys, who has been wakeboarding since August of last year, received a first place medal and wakeboarding equipment.

Lorraine Zineddine, Cerys' mother commented, "I am very proud of her as she has come a long way in such a short time".

Next season Cerys has been advised to look for sponsorship to help her further her sporting career. Wakeboarding is a fast growing sport but there few female competitors so it is hoped that sponsors will want to get involved with the up and coming wakeboarding star to support young talent and promote their companies.

EDITOR'S LETTER

Autumn is upon us and soon will the winter bbbrrrrrr!!!

It's already really cold and it's only October! I ask, what happened to the summer, did we have one, cos if we did, I for one, missed it!

The shops are filling up with Christmas goodies (think they started at the end of August) and I have already heard of a family putting their tree up! I hope we manage to have our Christmas Market this year, Health and Safety, Licensing, Environmental Health and new legislation is making these community events harder and harder to organise. A handful of volunteers just want the community to have an evening of enjoyment and have to jump through so many hoops to achieve it, let's just hope it happens!

Warsop's got Talent will take place this month, good luck to all who enter and the Pantomime is well under way with their rehearsals.

Promote Your Business by Advertising in Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide (eg. monthly advertising cost for an 8.5 x 4cm = £24.00)
For in-house designed artwork please add £1 per column cm (eg. for an 8.5cm x 4cm Ad add £4 - this is a one off charge for the design or re-design of your Ad)

Size	Cost	Artwork
1/4 page	£95.00	£5.00
1/2 page	£170.00	£10.00
Full page	£290.00	FREE

With rates like these you can't afford not to! To book your space or for further details contact:

LEAFLET DELIVERY

We could also deliver your leaflets along with Warsop & District News at very competitive rates to help you reach the people who count. Please call for more details.

GARDENING MONTHLY...

ESSENTIAL JOBS CHECKLIST FOR NOVEMBER

- Plant conifers and evergreens
- Clear leaves and compost them
- Sow peas and broad beans
- Spike lawn and give it an autumn feed
- Protect tender outdoor plants from frost
- Start stored poinsettias into growth for Christmas

TIPS FOR NOVEMBER

Flower Garden

Frosts can strike in November so make sure you have some horticultural fleece handy to throw over tender shrubs. This is a good time of year to plant new hedges. You can order bundles of bare-rooted hedging plants in garden centres now. Prepare your site well, digging on lots of organic matter such as homemade compost or Westland's Farm Manure before you plant. Harden off autumn-sown sweet peas by keeping the cold frame open as much as possible during slight frosts. If the temperature drops below -2 C (28 F) close the frame and cover it. Watch out for aphids on the young plants.

Roses

Roses need very little attention this month - just make sure they're all tidied up for the winter.

Lawn

This is your last chance to catch up with jobs you didn't do earlier, such as aerating your lawns and applying an autumn feed.

In the Greenhouse

Pot on cuttings of tender perennials that were taken in September. Use Multi-Purpose Compost or John Innes No. 2 if you prefer. Keep the greenhouse well-ventilated to keep diseases at bay.

Containers

For a splash of colour plant a container with some of the colourful ornamental cabbages now available or winter-flowering heathers. The heathers, varieties of Erica carnea prefer an ericaceous compost. If you have cordylines or other tender shrubs in pots protect them from winter frosts. Remember that some terracotta pots are not frost-resistant and should be stored through the winter.

Vegetable Garden

For an early crop of broad beans sow varieties such as "Aquadulce Claudia" and "Reina Blanca". Peas can be sown for an early crop. If your cold frame is standing idle use it to grow a crop of carrots.

Herb Garden

If you have a bay tree in a container make sure it's in a sheltered place or protect it with fleece for the winter.

Fruit Garden

Established trees can be winter-pruned this month.

Friends of the Carrs DE SILTING OF THE MILL DAM

At a meeting held on Tuesday 2nd October the group was updated on the desilting project and went on to discuss other items.

The desilting work will be supervised by the Environment Agency. Unfortunately their member of staff who was to supervise the project has been off work for some time. The Agency have now decided to use one of their consultants, Atkin, to oversee the works so that progress can be made. One contractor has visited the site and given his opinion and estimates of the work from 3 contractors will be invited with a view to starting in the latter part of November. The silt will be carried to the field at the rear of the bungalow and will be read and ploughed into the land. The farmer is very supportive for the desilting to be carried out and the Group are very thankful for his continued support.

A survey will have been carried out in October by the Wildlife Trust in the area surrounding the pond to ascertain the presence of bats, crested newts and badgers. Initially some work will be carried out on the island to remove over hanging branches that would be damaged by the heavy machinery that will be used and make safe some trees that have become unstable. It is planned to reinforce the bank of the island adjacent to the pond.

The work to remove or repair the weir is being assessed and a dipping scape will be created to the rear of the car park. The local children will be able to make use of this addition to the Carrs. Some coppicing work will be carried out on some of the trees. Work on the fishing pegs, footpaths and existing willows will follow the main desilting.

Agreement has been reached with some 40 farmers upstream of the Carrs on work and practices needed to reduce the egress of silt into the River Meden and as a result the build up of silt in the pond will be considerably reduced. The group hope Mansfield District Council will agree to clean out the silt trap as required to reduce the amount of silt that enters the main pond. The silt trap was originally built for this reason but has been neglected over the years.

It was reiterated that the money for the desilting is actually "In The Bank" and needs to be spent in this financial year.

The longer grass within the Local Nature Reserve area (inside the wooden posts) needs cutting and hopefully we will be able to get assistance to have it cut, baled and removed from site. At the rear of the Willows nettles and other undergrowth on the river bank needs cutting back as it seems to be encouraging rats and is detrimental to water voles in that it prevents the growth of the vegetation that they eat.

The Footpaths Group are to carry out work at the rear of the Carrs and "Monkey Island". This did raise a question as no one present knew why "Monkey Island" is so called. It would be interesting to know if any information/knowledge on this subject is available.

The next meeting of the Group will be held on Monday 1st December at 7.30pm in the function room at the Hare and hounds. All interested are invited to attend.

Best wishes - Stuart

Bird Notes...

Hello Everybody

And welcome to autumn, the leaves on the trees should be well on the way to giving up the ghost for this year and if, between the time that I write this and you reading it, it has snapped particularly cold or the wind strength has greatly increased, there may be no leaves left on the trees. All the easier to see the birdies!

Many birds will be arriving from the continent about now, the most obvious ones being thrushes, ducks and geese. Get yourself out there and have a look!

A nice study of a ubiquitous species, the Callared Dove, they can be found in tall shrubs or trees nearby. Their familiar three syllable cooing call can be heard all year round as they will be breeding most months.

Another nice study, this time of a Magpie. These much maligned birds, on given a close inspection, prove to be rather impressive. Often persecuted as near vermin, Magpies inhabit an important niche amongst British wildlife, if only to provide hunting opportunities for medium to large birds of prey.

Autumn and winter can be the best time to actually see birds in the wild. So wrap up warm and get yourself out there!

Cheers! B.A.

Two seasonal reminders. If you are involved in a bonfire celebration try not to roast any hedgehogs that may have reckoned they have found a perfect hibernation spot. The best approach is move all the materials to the site of the fire at the last moment. Hedgehogs should have enjoyed a successful year so far due to the glut of slugs and snails but they will need our help to get through the winter.

The second reminder is to sort out your bird feeding equipment ahead of any really cold weather. The summer rain seems to have seriously affected fledging rates, especially for insect eaters and for birds that nest in the open, such as blackbirds and thrushes. Once the hedgerow fruits have been consumed many farmland birds will move into our gardens so we need to have a range of food ready for them.

Many butterfly species have also had a terrible year and we've seen a fraction of the usual numbers. A national survey suggests that red admiral numbers are down by 72% and peacocks by 89%. However, some grassland species like meadow browns and marbled whites have had a good year. I saw very few bumblebees this year until the better weather in early autumn.

With the shortening day-lengths a brisk countryside walk can really lift the spirits. A fine walk can be taken along the river between The Carrs and Stonebridge, possibly returning along Carter Lane. If you have transport there are enjoyable routes with fine views along the paths around Shirebrook Woods over the restored pit tip. There is a car park near Sookholme, just off Longster Lane.

The Sherwood Forest Trust have an opportunity for a volunteer to undertake some Himalayan balsam survey work in the north of the county, following the rivers Meden and Poulter from their sources to identify the spread of this invasive and problematic plant. The successful applicant will need good map reading skills, their own transport, be able to work independently and have good interpersonal skills when dealing with landowners. In return the Trust will provide training in Himalayan balsam identification and give support with travel costs. Contact Ian Major on 821490 if you think you fit the bill.

Our next Footpaths Group walk will be on Saturday 17th November. It will be fairly close to home, probably somewhere in the Meden valley. We will meet at Warsop library at 10am and travel by car to the starting point. Contact us if you would like to join us or would like more details.

Neighbourhood Award for Netherfield

It is my greatest pleasure to announce the start of the Netherfield Special Neighbour Commendation Award. This award has great meaning to me; living in Warsop for many years I see daily the level of community spirit which has compelled me to start this thank you.

All of us are under mounting pressure of busy daily lives and are under countless obligations and stresses, but there is always that special someone who is willing to go the extra mile for someone else. My aim is to highlight each month these special individuals within my ward, and give them a small presentation with a personal commendation to mark the kindness they have shown to others. The winners will also be taken out for supper with their partners at the end of the year to bring them all together for a celebratory evening meal.

I am sure you know someone within the Netherfield Ward who helps others. Individuals who offer their time and support to others are so special and I hope you will help me to find these community champions living amongst us.

Any one wishing to nominate a neighbour to win this award, please contact me by post to Councillor Derek Evans, Netherfield Ward Councillor, Mansfield District Council, Chesterfield Road South, Mansfield, Notts. NG19 7BH or email: djevans@mansfield.gov.uk.

Thank you very much for your co-operation and I look forward to reading the nominations and acknowledging the good work they do within the community.

Derek Evans - Netherfield Ward Councillor

Scouts Receive Badge for Global Conservation

The Warsop Scout Group recently visited Derbyshire to complete a conservation weekend with the Peak District National park rangers.

The group stayed at Bruns Barn, Grindleford and were transported up the Snake Pass, to assist in the digging and clearing of ponds.

After getting wet and muddy on the Saturday and Sunday they returned to Warsop and all the scouts gained their global conservation badge.

When the history of Sherwood Forest is mentioned most people think about Robin Hood rather than World War II. However, many of the archaeological features in Birklands that the Friends of Thynghowe are recording come from the time when the Forest was used for ammunition storage during and after the war.

We have located many features by using local knowledge, RAF aerial photographs from 1941 onwards, images from our LiDAR survey and by simply poking around amongst the trees. The brick structures in the woods near Meden Vale are well known but many of the other remains are less obvious.

So far we have recorded a circular sentry post, four 'zig-zag' trenches and four pairs of substantial earth banks that formed the sides of the larger ammunition stores. We have yet to investigate the humps and bumps between the site of the Russian Hut near the Black Pool. We assume that these were created whilst this ornate wooden building was used by army officers but any information would be gratefully received. Elsewhere in the woodlands low earth banks indicate the sites of military buildings and on the edge of Budby Common there is an area where heather will not grow. This was a munitions disposal site.

Our LiDAR survey has revealed many other holes and mounds within the woodlands which we have yet to identify. This winter we will begin our investigations as we try to uncover more of the stories of the woodland.

If you are interested in these tasks there may still be places available on our volunteer workshop at Sherwood Pines on November 3rd. We will reveal the results of our LiDAR survey of the woodland, cover the techniques that we will use when surveying any features identified by LiDAR and give feedback from the research into documents in archives. After a lunch break there will be an optional practical session when we will record an archaeological feature in preparation for ground truthing in the Forest in the coming months. Julie Holling thanked Skelmanthorpe Championship Brass Band for returning to Creswell to give a Sunday afternoon concert in the Creswell Social Centre in September.

She congratulated the Musical Director John Roberts on the choice of programme and the excellent playing by the Band and the soloists. As Chairman of the charity Elton & Creswell Village Company, Julie explained that the income raised from the Concert would benefit the Band and the Community and locality through opportunities available in Limestone House, Creswell and said that the funds raised by the concert will go towards the regeneration work of the Charity which provides many activities and training for all ages in the community and the wider locality. Julie explained that Creswell was known nationally for the caves and cave drawings by the Cave men at Creswell Crags, also for the famous Creswell Colliery Brass Band, but also, tragically, for the pit disaster at Creswell Colliery on 26th September 1950 when 80 miners lost their lives and many families in the Village were affected through this tragedy when fathers, uncles and brothers perished in the disaster. Julie paid tribute to all miners and especially to the memory of those miners lost in the Creswell Disaster. Skelmanthorpe Band made their tribute to the miners and their families by playing 'Nightfall in Camp', which included David Hirst, their principal Cornet player, playing the Last Post.

The Open Day on 12th October at Limestone House attracted a lot of Visitors who had the opportunity to find out much more about the "free" training in 'Skills for Work in the Modern Age' available in Limestone House funded by the Coalfields Regeneration Trust. Tutors offered taster Computer sessions to the visitors and the Sound Engineer demonstrated the recording equipment and some visitors enjoyed making recordings. The First Aid Tutor explained and demonstrated the resuscitation techniques and when a Mum was trying those techniques on 'Rescussie Annie' her toddler was copying those techniques on a doll. The Filming and Photography Tutor gave tips on both topics and showed clips from films made in training sessions by Youth. Refreshments for all were donated on the day by Greencore, Worksop. Telephone 01909 724061 for more information about the training or to book on a free course and enquire about help with transport to training costs. A free Job Club is also held every Tuesday afternoon to help in preparing a CV, job search, and interview techniques.

Limestone Journeys are funding After School Activities in Limestone House for 10 schoolchildren from 8 local schools. The 80 schoolchildren will research a project called "Past, Present and Future" finding out more about their locality on internet and giving their views of what they want for the future. They will also make a podcast in the Recording Studio of their findings.

The Future

The 7th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 2nd October 2012. 8 members of the Committee were present, 1 local Councillor, 2 Representatives from the Playscheme and 1 Representative from Meden Vale Sports Association. One apology was received.

Unfortunately, after further consideration, Mansfield District Council have decided that the issuing of a '215 Notice' (as Reported in the last Warsop News) is not feasible. However, the possibility of other enforcement methods being imposed on the Company owning the site are still under consideration.

The Jewellery course has had to be cancelled owing to insufficient numbers attending the initial class. It has been suggested that a Facebook page, to advertise activities within the Village Hall, could be set up. All members agreed this was a good idea and a Representative from the Playscheme has kindly agreed to implement this.

The Representative from Meden Vale Sports Association advised he had met with the Funding Organiser. An application form has been signed and submitted for monies towards a new Bowls Pavilion and a reply is awaited. Once the outcome of this application is known then further projects, including the disabled car park access for the new Sports facilities and the Village Hall plus a Children's play area, will be progressed. As a separate issue, funding has already been identified for new goal posts for the Football Club.

A Welbeck Colliery the Future meeting was held on 26th September when it was reported that the Planning Application, for the restoration of the colliery tip, had been passed by Nottinghamshire County Council at their meeting on 18th September. Work is scheduled to start immediately on preparing the site for this project which is estimated to take 3 years to complete. Tetrapoint (the company undertaking this project) has kindly invited members of the Committee to view their operations on the 10th October. 6 members of the Committee expressed an interest in accepting this offer.

The Treasurer reported that the accounts were in a satisfactory state.

A new door has been fitted to the front of the Village Hall and because of the high standard of this work, it was agreed to ask for quotes for the two fire doors to be replaced. This will complete all external door work.

The County Highways Authority is still considering the best option to improve safety on Cuckney Hill but have not yet reached a conclusion. A permanent 30 mph speed sign is to be installed shortly near Tislington Avenue, Meden Vale.

Next meeting/AGM will be on Tuesday 13th November 2012 at 7.30 pm. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Meetings Update

The club met at the Hostess Restaurant on Thursday 4.10.12. President Roger Wright chaired the meeting.

There were 33 members and guests present. A team from Nepal on the Rotary Group Study Exchange attended also. They were introduced by a member from the Rotary Club of Mount Everest. Rotarians James Pinder from Mansfield and Peter Gregory from Sutton in Ashfield attended with the group. 4 Rotarians and guests from the Sherwood Forest Club also attended.

The speakers were Diane Ashworth and sister Kath who spoke about their fundraising with Women Against Cancer for cervical, ovarian and breast cancer charities and their Kenya Cycle Challenge in February this year over 250 miles in 9 days at times in heat of 43 degrees centigrade.

Kath who has a prosthetic leg managed to complete the challenge although she only got to the gold stage due to blisters. Kath is doing a similar ride in Cuba next year.

Presenting a cheque to NIDAS

President Sue Pasierb hosted the October meeting on Wednesday 3rd October 2012 at the Hostess Restaurant, Sookholme.

Sue gave a warm welcome to guest speakers for the evening, Kat Butler and Lisa Hayden from the charity NIDAS who raised our awareness of the vital work they do helping victims of domestic violence. Nottinghamshire Independent Domestic Abuse Service provides free support and information to women and children needing help in abusive situations. The service can be accessed by calling 01623 683250. President Sue is pictured with Kat and Lisa, presenting them with a cheque for £200 to help with their work.

President Sue then gave her monthly report outlining events she had attended, including a walk around Scarcliffe woods with 11 members.

Sue and her husband Rob hosted a very successful Italian themed garden party on Sunday 23rd September at their home, for over 120 people.

Home made pizzas and lasagne were enjoyed whilst we were entertained by local band 'Tastebuds'. The event raised approximately £2500 for Canine Partners, a charity which provides assistance dogs for wheelchair users.

Anne Holland gave the secretary's report and listed forthcoming events, including a coffee morning on 15th November at the John Fretwell centre, 10:30am-1:00pm. Tickets will be £3.00 and all are welcome. Come and start your Christmas shopping!

Terry Newton gave the up to date treasurer's report.

Jan Strachan gave the overseas report,

Sue Lunn gave the charity report

Meeting closed at 9.20pm.

Warsop Mens Probus

The Members and Wives of Warsop Mens Probus Club had their second outing of the year with a trip to Masson Mill, Cromford Derbyshire.

There they had a guided tour of the mill with various types of original mill equipment being used to demonstrate the process of turning raw cotton bails into thread and cloth using the power of the river Derwent.

After Lunch at the Mill the members then visited The Revolution House at Wittington Chesterfield where in 1688 three local noblemen, the Earl of Devonshire (from nearby Chatsworth) the Earl of Danby and Mr John D'Arcy met to plot their part in the overthrow of King James II in favour of William and Mary of Orange.

The house has been fully restored and contains a display of 17th Century furniture.

Short Report for Parish Council Meeting

held on Monday
15th October 2012

A full set of minutes is available from The Clerk at Warsop Town Hall or view on-line at www.warsopweb.co.uk

PUBLIC PARTICIPATION

The on-going parking problems on Sherwood Street are still being discussed and Cllr Kerr together with our Neighbourhood Warden Geoff Lomas are trying to resolve the situation. Cllr Evans also offered to look at CCTV to see what vehicles are parking on the restricted zone and how long.

WARSOP CHRISTMAS MARKET

The first meeting will take place on Tuesday 16th October to decide whether or not it will go ahead. The PC fully support it and as the carnival didn't take place this year, it was thought that the community needed an event to come together. The main issue will depend on whether MDC are still insisting that any commercial stalls that stand will need to pay £75 for a street trading license, it was felt that this would kill it altogether as no-one would pay that for 4 hours trading.

EXTERNAL AUDIT

Has now been completed and returned, Clement Keys requested that it be minuted that it was late as this was due to the Clerk's unfortunate situation.

HIGH STREET CAR PARK

The loan application has now been completed and will be sent to NALC with a budget review and minutes of the September meeting.

Girlguiding UK's Big Gig

Young Mansfield woman gets backstage with JLS and Little Mix

Emily Reed, 21 from Warsop near Mansfield, was lucky enough to mix backstage with JLS, Scouting For Girls, Conor Maynard and a host of other top pop acts at Girlguiding UK's Big Gig at Sheffield's Motorpoint Arena.

Emily, who is leader at 1st Warsop Brownies and the 1st Warsop Guides, was one of dozens of volunteers who helped at the special Guide-only music event on Saturday (October 6).

Emily was given an 'Access All Areas' pass to help with getting the acts ready to perform and ensuring that they all had everything they needed, as well as answering any questions they had about guiding.

Emily, 21 said: "I can't believe I was lucky enough to mingle with all the stars! My favourite part was sat chilling with Scouting For Girls while they played pool!"

The Big Gig is for Girlguiding UK members aged between 10 and 14 and is held every year.

Volunteering at the Big Gig is one of a number of opportunities open exclusively to Girlguiding UK members. Previous events have been held in Birmingham's LG Arena and London's Wembley Arena.

To find out more about volunteering with Girlguiding UK visit www.girlguiding.org.uk or call 0800 169 5901.

Warsop Shop Gets Eco-Friendly Refit

A Bargain Booze store in Warsop is undergoing an eco-friendly refit which will reduce its energy bills by 40 per cent and provide a wider choice of products for the community.

The Sherwood Street shop is being converted to a Bargain Booze Select Convenience and will have LED lighting and low-energy refrigeration units installed, which is expected to save the store a significant amount in bills.

The move is part of a company-wide initiative for Bargain Booze to encourage its franchisees to support energy efficient practices in their stores.

The modern new Bargain Booze Select Convenience will provide a variety of everyday food products including frozen goods and fresh fruit and vegetables.

The shop is still open for business but will re-launch in October revealing the eco-friendly refit and the new range of food and drink available, with a bag for life giveaway.

Mr and Mrs Downie, owners of Warsop Bargain Booze Select Convenience, said: "The 'green' issue is high on many people's agenda so when we were approached to have an eco-friendly conversion we were happy to support the initiative. We are always looking for ways to reduce our overheads whilst ensuring our customers receive the best possible service, so it will be great to have new modern facilities and also be able to reduce our energy bills."

"As a Select Convenience store we will be able to provide more choice, better value and a bigger range of stock to the community. The shop will also have a National Lottery terminal fitted so we can provide useful services to people in the area as well as our good deals on food and drink."

Local Talent One Step Away From The O2!

Roger The Mascot from Warsop wowed the crowd and judging panel at the Open Mic UK Regional Showcase, and they are now one step away from performing at The O2 in London!

Thousands of acts entered Open Mic UK 2012 and the best unsigned singers from across the country were chosen to perform at the live Regional Final shows. Roger The Mascot performed in front of a live audience and professional judging panel on the 30th of September at Sheffield City Hall. They're now set to perform at the Area Final at Dewsbury Town Hall on the 24th of November for the chance to progress to the National Grand Final at The O2 in London on 19th January 2013.

Those who made it through the audition stage took part in a live Regional head-to-head battle alongside the best talent in their area. Acts performed in front of hundreds of audience members and industry judges for the chance to grab a breakthrough recording contract.

A spokesperson for Open Mic UK commented "We are searching for an act that not only has the live ability to impress an audience, industry judges and A&R associates, but an act that has the potential to become a professional recording artist. Acts that have made it are just one step away from performing at the best live music venue in the country!"

The competition is divided into age categories; 16 and Under, 17-22 and 23 and Over; all types of singers, vocal performers, groups and acoustic singer/songwriters are invited to enter Open Mic UK.

Previous winner Birdy still at only 16 years of age has recently been a favourite on Radio 1 after signing with Warner Music with two hits singles already to date including her version of the Bon Iver classic "Skinny Love." Last year's under 18's winner, Hatty Keane, has also had huge success after being signed to BGM Music.

Since then Hatty has performed live sets alongside Ed Sheeran, Tinchy Stryder, Angel, Pitbull and Zane Lowe, and is currently working on new material.

Hatty's latest video Best Kept Secret has received over 200,000 views on YouTube already.

There's over £50,000 in prizes up for grabs this year and the overall winner getting significant investment. They'll also have the opportunity to tour across the UK.

Studio time and development opportunities have also been given as prizes throughout Open Mic UK 2012 and that will continue in the Area Finals. The latter stages of the competition will also provide acts with the opportunity to impress many guests from record labels, agencies and the entertainment industry.

Creating a District where People can Succeed

Landmark building will be Mansfield's crown jewel

Work is set to begin on a new £2.4 million retail and office development on the former Queen's Head pub site in Mansfield town centre.

The landmark building will consist of two retail units on the ground floor and six high-spec office units on the first and second floors. It will incorporate green technologies, such as solar panels a green roof and energy efficient lighting. This will be the first office building in Mansfield town centre to achieve an excellent BRE Environmental Assessment Method (BREEAM) rating.

Ground works on the site begin on Monday 22 October and work on the structure of the new building is expected to start early in 2013.

The car park will close on 22 October to make way for the new development. Motorists can continue to park in Mansfield District Council's town centre car parks including Four Seasons, Walkden Street, Old Town Hall or Victoria Street.

During the build there will be a number of changes to vehicle access on the roads surrounding the site. Quaker Lane and Queen Street Place will be closed, however Queen Street will be opened to two way traffic to allow access to the Old Town Hall car park and the businesses along Queen Street.

The building is expected to be completed by late September 2013. It will be owned and managed by Mansfield District Council, and will be rented out to commercial and retail businesses.

The site forms a vital gateway into the heart of the town centre from the new bus station, which is due to open in the spring. It is hoped that redevelopment of the site can create an attractive pedestrian route into the town centre.

Cllr Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council, said: "The new building marks a clear signal that Mansfield is open for business and, it is intended that along with the modern new bus station, the development will act as a catalyst to encourage private investment into Mansfield Town Centre."

The scheme has been funded by £867,567 European Regional Development Fund grant and £1.92m of the Council's own capital funds.

New Youth Mayor for Mansfield

Mansfield's new Youth Mayor for 2012/13 is Jessica Wells (16) of The Manor Academy.

Jessica will take up office on Tuesday 16 October when she signs a pledge with Mansfield District Council's Managing Director Ruth Marlow.

Jessica, who takes up the post as an unopposed candidate, will be supported by a Youth Ambassador Lucy Fretwell (16) of Samworth Church Academy, who will also sign the pledge.

Jessica and Lucy will represent young people in the District and take their voice to the Mayor, Members and Officers of the Council and other community organisations. They will act as ambassadors for Mansfield at various conferences and as role models for their peers across the District.

Jessica said: "I decided to run for Youth Mayor because as I have grown up in Mansfield there are things that I'd like to change to benefit my generation."

"I will work very hard to succeed in every challenge put in my path and to try to get as much done as possible in the short time I have." Jessica plans to focus on increasing work experience opportunities for young people aged 14-18.

She also hopes to work with businesses to run masterclasses to help young people write CVs and apply for jobs and to support students to apply their business studies qualifications to real-life situations.

Jessica is also keen to encourage older students and business leaders to mentor younger students.

Her other priorities include supporting our local troops by promoting the Cadets, developing the idea of a youth bar in Mansfield, working with

schools to improve sex education and drug awareness, and promoting youth clubs.

Youth Ambassador Lucy said: "I am here to support Jessica in any way that I can and as a post-16 student I feel I have both the personal experience and views to help with the Youth Mayor's manifesto." The Executive Mayor of Mansfield, Tony Egginton, said: "We are disappointed that more candidates were not forthcoming this year but we are delighted that in Jessica and Lucy we have two students who are enthusiastic and determined to help make a difference to the young people of the Mansfield District and have much to bring to their roles. I look forward to working with them over the coming year." This is the 5th year that Mansfield will have a Youth Mayor. Jessica and Lucy take over from the previous Youth Mayor Daniel Winfield and Deputy Youth Mayor Dawn Meade.

You can keep up to date with what the Youth Mayor and Youth Ambassador are doing on their Facebook page - just search for "Mansfield Youth Mayor".

Calling all sports enthusiasts

The hunt is on to find Mansfield's next big sporting stars to follow in the footsteps of local sport heroes, Rebecca Adlington, Ollie Hynd, Sam Hynd and Charlotte Henshaw.

Mansfield District Council, in association with the Armchair Club, is asking for nominations for this year's Mansfield Sports Recognition Awards. Ten awards are up for grabs at this year's presentation evening, which will take place on Monday 3 December.

The awards are intended to recognise and celebrate outstanding achievements by sportspeople from throughout the District over the past year.

Nominations are being taken for ten categories:

- Junior team of the year
 - Junior sportsperson of the year
 - Junior sports leader of the year
 - Junior disabled sportsperson of the year
 - Club of the year
 - Disabled sportsperson of the year
 - Sportsperson of the year
 - Coach of the year
 - Team of the year
 - Volunteer of the year
- (this also includes referees, officials, administrators etc)

Further information and entry forms are available from sports / leisure centres across the District, or by calling Sports Facilitator Officer Martin Cook on 01623 463 026, alternatively you can fill in an application form online at www.mansfield.gov.uk/nominate

The deadline for nominations is 5pm on Monday 19 November. Nominees must either live or pursue their sport within the Mansfield District.

The Grime Monster is back

An education box filled with grime-busting activities for children is now available for primary schools to borrow.

Mansfield District Council has re-launched The Grime Project, which provides teachers with a ready-made resource of educational activities about environmental issues such as littering.

The project aims to encourage children to develop a greater respect for Mansfield's environment and the impact of littering.

The box was launched this month at Netherfield Infant School in Meden Vale, where Year 2 pupils aged 6-7 read a book called The Jellyfish Ghosts about sea creatures that get trapped in discarded litter, and at John T Rice infant school where pupils took part in a litter pick.

The introduction of the education box is just one of the ways in which the Council is trying to encourage people to improve the overall cleanliness of the District.

Cllr Philip Shields, Portfolio Holder for the Environment, said: "We are committed to educating people about the damage littering causes and the impact it has upon communities. By working with young children and showing them the importance of taking care of the environment, we hope to create environmental ambassadors for the future."

If you are a primary school and would like to borrow the box, or want to find out more about the international clean-up contact: Nicola Harvey Recycling and Technical Officer tel: 01623 463818 or email: nharvey@mansfield.gov.uk

Kids Help at Meden Vale

Meden Vale Allotment Association has asked the children at Eastlands Junior school to weed, empty the coal trucks at the bottom of Elksley hill (pit hill).

We hopefully will start on Tuesday 9th October in the afternoon and complete on Tuesday 16th November 2012. We do run a gardening club in school and share an allotment with Meden Vale Association. Mrs Joanne Rush who is our chair of Governors is very supportive in all the above issues. She is the link between both.

CHRISTMAS MARKET

THURSDAY 6th DECEMBER

4PM - 8PM

Once again the Christmas Crackers Team have been huddled together round the table organising a fun event to get everyone in the festive spirit. Some of us are based in the Town Hall, so if you want any more information or have any ideas please call in and see us.

We are aiming to provide a fun packed evening for everyone which will hopefully include:

- FREE Family 'ICE' Skating & 'Snow'
- Fantastic Aerial Fireworks Display
- Late night shopping
- Charity & Commercial stalls
- Christmas Carols & Santa's Grotto

PLUS much, much more ...

... to get you in the festive spirit!

All of High Street & Sherwood Street up to Clumber St will be closed to traffic. Clumber Street and along Sherwood St to Short St will be open for resident access only.

From the traffic lights on A60 along Church Street to Mills/Nisa will also be closed to traffic.

POLICE AND CRIME COMMISSIONER ELECTIONS

Thursday 15 November

The Electoral Commission

Mansfield District Council
Creating a District where People can Succeed

Warning over bogus callers

Residents are being urged to say no to callers claiming to work on behalf of Mansfield District Council offering home insulation.

A private homeowner contacted the Council on Thursday 4 October asking whether the Council was cold calling people to offer free loft and cavity wall insulation.

The Council is not offering this service and therefore is not contacting residents.

Mansfield District Council will usually contact householders by telephone or letter, and will not make unsolicited calls offering services such as home insulation.

Mansfield District Council employees carry identity badges with them at all times.

Anyone who contacts people about insulation saying they are working for the Council should be treated as suspicious and refused entry to the property.

There are many legitimate companies offering free cavity wall and loft insulation (depending on the property and resident's individual circumstances). If you are interested in obtaining insulation, you should contact your own energy supplier. All legitimate companies will offer a free survey, a written quote and a 25-year guarantee.

Councillor Mick Barton, Portfolio Holder for Public Protection, said: "Residents should always ask for identification from unannounced visitors before letting them into their home and should never give payment or bank account details to anyone they do not know. All our staff carry identification and if you have any doubts you can contact the District Council on 01623 463463."

Warsop Police Update

Warsop Christmas Market

I am pleased to say that the Christmas Market will be taking place this year on Thursday, 6th December. We are currently in the early stages of meetings to get this year's event up and running and would welcome anyone that is interested in getting involved.

As in previous years the Christmas Market organising committee rely heavily on members giving up their time to help get the event off the ground. The committee are also looking for business/individuals that are also able to help fund the day's events. As you are more than aware the summer carnival did not go ahead this year and the annual bonfire display at the SHINE building is also unlikely to take place. Therefore, I believe it essential to make sure that this Christmas Market Event is the best and biggest that it can possibly be and get the feel good factor into the heart of this community. If you are interested in helping out I would urge you to contact Carol Hill by email on carol.hill@btinternet.com who has been designated as the event organiser. I regularly read messages on the Warsop web and other social network sites, papers etc, about who is to blame for 'this and that' who should be 'doing this and that' and 'nothing ever gets done'. This is an ideal opportunity to put something back into the area that you live.

Whilst I'm on the point of volunteering I would also point any budding Police Officers or Police Community Support Officer to take up the challenge of becoming a Special Constable. We have seen many 'Specials' work in this parish who go on to become full time members in the Police Force. It is a very challenging position to undertake and on occasions the role as a special constable can be rewarding to those people that see it as a career opportunity and chance to make a difference. I know that the majority of people that join the Police do so, so that they can honestly make a difference but none more so than a good friend of mine, PC 2450 Diederik Coetzee. Diederik loves being a Policeman but was severely injured earlier this year when he was knocked off his pedal cycle by a motorist when cycling to a fitness class. Diederik is affectionately known throughout Mansfield Town Centre as 'Robocop' and 'Mountain Bike Morris' for his high work levels and commitment to his job. It is officers like Dicky that, can and do, make a difference to the areas that people live and I believe that there are many more people out there that can follow in his footsteps. So if you are interested please make contact the either Dee or myself so we can recruit more willing volunteers.

In relation to our Neighbourhood Wardens, Phil and Geoff, they have concentrated their day to day patrols throughout September on education and enforcement with respect to dog owners. This is because of the introduction of three new Dog Control Orders. They have concentrated their patrol on highlighted areas of the parish where they have received the highest number of complaints regarding dog fouling. Their patrols have been split between early mornings and late evening in an effort to identify possible offenders. The new regulations have increased the fine on the fixed penalty notices from £50 to £75. This fine is directed towards dog owners who fail to remove dog mess from public land. This comes in line with other fines already in place for offences such as littering and graffiti. A new offence of failing to put a dog on a lead and keep it on a lead when told to do so by an authorised officer (Neighbourhood Warden, Police Officers, Police Community Support Officer) will face the same penalty of £75. Owners would be required to put their dog on a lead only if it was behaving in an unsuitable way or was not under control whilst in a public place.

It will also be an offence to allow dogs to enter children's play areas and sports arenas which are enclosed with a boundary fence or similar. There are currently fenced play areas and sports facilities including bowling greens the offence will also include cemeteries in the area.

Cases which go to court can incur penalties of up to £1,000.

THE ROYAL BRITISH LEGION

**We again present
The Nottinghamshire Police
Band at our Concert for
Remembrance at Warsop
Parish Church. Tickets are
again £7 and this will include
a free glass of wine.**

The band do the impossible and get better and better each year.
7.30pm, Saturday 3rd November.

Warsop Vale - The Remembrance Service is at 10.40am on
Saturday the 10th November at the Memorial.

Warsop - The parade leaves Carr Lane at 10.25am
on Sunday the 11th November.

I would be grateful if any organisation wanting a wreath could
contact me on the number below to avoid disappointment.

Again we are fast approaching our busiest period of the year with
our Poppy Appeal fortnight and Remembrance on the horizon.
It is again a special remembrance this year with Remembrance
Sunday falling on the 11th November. We will again be
honouring those who have fallen in Iraq and Afghanistan who
came from our area. The Service at Warsop Vale will take place
about 10.40am on Saturday the 10th November.

We still need poppy collectors to help in Morrisons (Woodhouse)
and NISA (Warsop). Please give us a ring if you can help.

Our next meeting is on Monday the 12th November at the
Memorial Club, Bishops Walk. All are welcome to attend and you
do not have to be Military/Ex-military. Doors open at 7.45pm.

DUKERIES Singers

Jan Towler

Your Local Choir

We are well into our Autumn term of rehearsals and events and the Christmas music has been added to our folders.

At the time of writing we have already performed a concert at the Thoresby Riding Stables which was a great success and a lovely place to sing. We have a busy time ahead of us, which is good as we love to perform and we have some new venues at which to sing.

Because December seems to be ages hence and then surprisingly appears as if magicked from nowhere, I am detailing all our dates to the end of the year.

Now having read that doesn't it seem yonks away?

Our programme so far is:

Hallcroft Methodist Church, Retford

Friday 23 November 2012 - 7.30pm

St. Nicholas Church, Tuxford

Saturday 1 December 2012 - Time to be arranged

Hospice Christmas Concert, Tudor Barn, Warsop

Tuesday 4 December 2012 - Time to be arranged

Civic Carol Concert, Kelham Hall

Wednesday 5 December 2012 - 5.30pm

St. Andrews Church, Eakring

Saturday 8 December 2012 - Time to be confirmed

Carol Concert, Edwinstowe Village Hall

Saturday 15 December 2012 - 7.00pm

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

Rufford Craft Centre

"All That Glimmers..." Contemporary Crafts at Christmas

Tuesday 20 November to Sunday 30 December
Preview: Sunday 18 November, 2pm - 4pm

A sumptuous craft exhibition to dazzle and amaze this festive season. A showcase of British designer-makers with an abundance of everything from ceramics to textiles, glass to jewellery, and all handmade.

Many artists invited to exhibit in "All That Glimmers..." are part of either the Hallam members of the Society of Designer Craftsmen or The Contemporary Crafts Network.

The exhibition offers the perfect chance to fall in love with an original piece of artwork, unique home accessory or item of jewellery. Why not treat your loved ones, friends and family ... or even yourself?

Keep up to date with news about the exhibition and the artists on facebook www.facebook.com/allthatglimmersexhibition www.hallamedc.com www.contemporarycraftsnetwork.org
