

WARSOP CHRISTMAS PANTOMIME
27, 28 & 29th December 2012

SLEEPING BEAUTY

Have you got the
DAME FACTOR?

The Market Warsop Players are all set to start rehearsals for this year's Warsop Pantomime.

Just one thing is standing in their way - they have no DAME.

If you think you've got what it takes (or you know a man who has) and you (or they) would like to have a go just come along to our meeting at Longden Terrace Club.

Call: 07735 299 359
to find out the date of the next meeting.

Jordon's Triumph

On Sunday 5th August, Warsop BMX enthusiast Jordon Reed (13) entered a competition at Harworth.

Unfortunately, or maybe fortunately for Jordon, not enough competitors in his amateur category turned up so Jordon was placed into the Expert Category. After a fabulous performance, Jordon finished 3rd in this race. An outstanding result for Jordon who will hopefully be somebody to look out for in Rio 2016!

EDITOR'S LETTER

I'M BACK - JUST LIKE ARNIE!

Firstly, I would like to thank everyone who has supported me in the past 3 months.

By the time you are reading this I should be back in the saddle working full time again. Well what a soggy summer! Guess we've had it now, let's just hope we don't get any more rain, perhaps I shouldn't have said that.

We have a new shop on Sherwood Street, Crumbs see article and advert on front page of business focus. I would like to wish them every success in their new venture.

I would also like to wish Karen Smith all the best in her new venture, The Talbot. She has recently taken it over and is determined to stay and make it a fun pub. She will still be working alongside me with Warsop News but will be in the background on the production side. Chris has joined the team and she will be introducing herself to all the advertisers at some point. So if you want an advert contact either myself or Chris. You can email articles or adverts to warsopnews@yahoo.co.uk.

Thank you for bearing with us with the invoicing, we are setting up a new system and hope that by September we will have it up and running and we would appreciate prompt payment to make things run smoothly. You may occasionally see me in The Talbot pulling your pint. Don't all come at once though I can only pull one at a time!

GARDENING MONTHLY...

ESSENTIAL JOBS CHECKLIST FOR SEPTEMBER

- Buy spring bulbs for next year
- Plant prepared bulbs for Christmas flowering
- Dead-head roses and trim back tall stems
- Harvest sweetcorn and onions
- Rake lawn to remove debris and apply autumn dressing
- Continue to plant containerised trees and shrubs
- Keep feeding fish in ponds
- Sow new lawns

TIPS FOR SEPTEMBER

Flower Garden

Buy spring bulbs for next year. Most bulbs, including daffodils, hyacinths, lilies and small bulbs are best planted this month or in early October. Tulips are better planted towards the end of October.

Give evergreen hedges a final trim to ensure they are neat for the winter

Now's the time to go around your garden collecting seeds from perennials and annuals. Collect seed heads in paper bags and leave them in a warm place to dry for a few days, before cleaning and storing in small envelopes. Some gardens that open to the public offer collecting days, a great way to find something unusual. Most seeds are best sown in spring.

Sweet pea lovers may find that sowing seed in autumn produces stronger plants. Do not soak the seeds as they are liable to rot. Use Seed and Potting Compost and sow the seeds in root trainers, sweet peas tubes, pots or trays. It has been found that dark coloured seeds germinate well in fairly damp compost, but pale seed require compost that is only just moist. Cover the containers with glass or put them in a propagator and keep at around 15 C (59 F). When the seedlings appear transfer them to a cold frame. Pinch out the growing tips when the plants are about 10 cm (4 inches) high.

Roses

Shrub roses and ramblers can easily be propagated from stem cuttings at this time of year. Take a length of stem about 30cm (12 inches) long and trim it off just below the bottom leaf. Remove the soft tip just above a root joint. Take off all but the top two or three leaves and push the cuttings into a well dug trench in the garden to about half their length. They should be left for 12 months to root and develop.

If rambler and climbing roses have got a bit out of hand, spend a bit of time tying them in.

Lawn

Aerate the lawn with a fork or special tool then apply Scotts Autumn Lawn Food to nourish your lawn through the winter months.

You can continue to re-seed bare patches on your lawn. It's also a good time of year to prepare the ground for sowing a new lawn, while the earth is still warm.

In the Greenhouse

Bring in cacti and houseplants that have spent the summer out of doors and continue to take cuttings of tender perennials.

Buy prepared bulbs for Christmas flowering and plant them in bowls of Bulb Planting Fibre. The added charcoal will keep the compost sweet even if the container has no drainage holes, but make sure you don't saturate it.

If you have kept indoor cyclamen plants from last winter you should now start watering them. Water from the bottom by standing them in a shallow tray and allow to drain thoroughly.

Containers

Your summer bedding will probably still be looking so good that you can't bear to throw it out yet. Keep them going until they look tired. Remember that you can overwinter many tender plants. Take them out of their pots and brush off most of the old compost so that you can trim back the roots. Also trim the top growth. Then place them in a tray with some damp, but not saturated, peat covering the roots and store them in a frost-free place.

When planting daffodils in containers it's worth planting two layers of bulbs, slightly staggered one above the other. This will ensure a spectacular display. Plant the bulbs deeply enough to allow you to plant winter and spring bedding, such as winter pansies, primroses, violas and wallflowers on top.

Vegetable Garden

Sweetcorn will be ready to harvest when the silks have turned from golden to brown. For the sweetest taste, cook them within minutes of cutting.

Ripe onions should be lifted carefully and laid out to dry before storing. Continue to harvest runner beans and courgettes. Make sure you don't leave runner and French beans too long otherwise they will be stringy and tough.

If you're sowing out of doors this month you can speed up germination by putting a cloche over the seeds.

Herb Garden

Parsley can be sown now for an early spring crop.

Tidy up your herb garden by dead-heading and trimming back perennials and discarding annuals.

Fruit Garden

Cover autumn-fruiting blackberries and raspberries with netting to keep off the birds, but check daily to ensure no animals or birds get trapped.

Pick early varieties of apples as soon as they're ripe and eat them - they won't keep.

Happy Gardening

Connie's Column

Hello Everyone!

I hope you've all had a good summer holiday and managed to get away for a break. I can't believe how fast it's gone!

By Connie Smith
W&DN Junior Correspondent
Email: connieWDN@hotmail.co.uk

It's been a very busy month for me, if you didn't know I have recently moved to The Talbot, because of this I've been really busy, but it's been fantastic.

A launch party was held on the 11th August to officially open the pub. It was a great day, and the best part of it was meeting James Sutton, he came into my home!! Read my story on the fantastic day for more information.

Although I have been busy, I have loved not being at school, but then again I think everyone does! I really don't want to go back to school, because that means even more hard work, but I will be glad to see all my friends again. I can't believe I'm in year 10, seems like only two minutes since I was starting Meden.

If anyone has anything they would like to go in the newspaper, such as short stories, articles, letters, poems or questions, I will do my best to get them published, and answer any questions you may have. Email me at ConnieWDN@hotmail.co.uk.

See you next month!

Bird Notes...

Hello everybody, here are some more excellent shots from one of our readers: Harold Millburn, all of which were taken in and around Warsop, recently. (I Think!)

Common Buzzard

A well taken photo of a common buzzard – if you look closely, you will see that it is moulting its wing feathers and also possibly its tail.

Blue Tit

An instant in the life of a blue tit, these quick moving agile little birds seldom stop still long enough to get a shot like this.

Yellowhammer

Yellowhammers are quite common locally, but increasingly rare elsewhere in the country. The pattern of their back and closed wings is an adaptation to feeding on the ground.

Woodpecker

A woodpecker doing what woodpeckers do; clinging to trees using their powerful claws propped up by their tail. Can you tell which species it is?

Thanks again for the great photos. If you have any good quality snaps, don't hesitate and send them to Tania. Please add your name and if possible a time, date, and location.

Thanks - All the best B.A

WARSOP

Footpath & Countryside Group

The vegetation alongside some of our footpaths has reached record heights this summer. In places the bracken has grown to above head height, bound together with a dense tangle of cleavers with nettles and brambles conspiring to catch unwary walkers!

Managing such growth is difficult, cutting bracken back to a couple of feet with a hedge trimmer has some success but the cleavers can defeat even this approach. We have attempted to manage the growth alongside most paths but my advice is to take a pair of secateurs with you when you go for a walk. Bring on the first frosts of autumn!

As autumn approaches I usually predict a fine display of fungi but the damp weather in early summer has allowed many species of mushroom to make an early appearance. It has also been an excellent year for slugs and snails, particularly in my sad apology for a vegetable patch! Usually I have a reasonable balance with frogs and birds managing the problem but frog numbers have yet to recover from the cold weather a couple of winters ago. I am without a hedgehog at the moment but the thrush has been looking rather bloated!

There seem to have been more sighting of lizards this year. A few years ago I used to see them beside Sandy Lane but conditions changed and they disappeared so it is good to know that they are still around elsewhere in the parish.

Our campaign against Himalayan Balsam continues with only isolated plants needing removal from the banks of the River Meden between Hammerwater Bridge and The Carrs. Far more plants have been removed between Shirebrook and Sookholme although bad patches survive on Sookholme Brook and alongside the river at Meden Vale.

A planning application has been submitted for the erection of a 80 metre high meteorological mast just over the Warsop parish boundary in Kings Clipstone. This temporary structure will be used to assess whether the site is suitable for wind turbines. It will be positioned behind the woodlands opposite Redbrick House and access will be via the track next to the Parliament Oak. If you fancy a walk around that area there is a permissive footpath running along the Clipstone edge of Peafield Plantation between the Parliament Oak and the path down to Spa Ponds. It is not very heavily used and in summer it needs more people to walk it to keep it clear!

Our walks programme will resume on Saturday 15th September although our destination has yet to be confirmed. We will meet at Warsop library at 10am and travel by car to the starting point. Contact us if you would like to join us.

Talbot Celebrity Launch for New Landlady

On 1st August 2012 The Talbot re-opened its doors after a 3 day re-fit closure under the guidance of new landlady Karen Smith. This was followed by a celebrity launch party held on 11th August to officially mark what is hoped will be a new beginning for the recently refurbished pub which has been a popular town centre venue for many years.

The launch party was a great success, with a fantastic turnout! It all kicked off at 2:00pm when James Sutton, star of Hollyoaks and Emmerdale, arrived to perform the opening ceremony by cutting the ribbon and declaring The Talbot officially open. After the opening, James really got the party going with a fantastic DJ session. He also joined staff behind the bar to pull a few pints and it was no surprise that everyone wanted to be served by him!

The excitement didn't stop there, there was an extra surprise for everyone when James arrived with his girlfriend who was none other than Jessica Fox who also stars in Hollyoaks as Nancy. Once word got round that Jessica was upstairs bar staff were constantly asked if she would be making an appearance. Jessica was happy to oblige and joined in with James for photos and autographs.

After the official opening, the party was in full swing with an outdoor disco, an excellent live performance by guitar/vocalist Ellie Keegan, a huge bouncy castle, circus workshop, complete with clown and a beer bottle rodeo, which was a big hit and one lucky participant who managed to stay on the longest won a bottle of bubbly and a £20.00 cash prize! Well done to him! It was great to see everyone up on there laughing, dancing and having a great time.

The party continued inside throughout the evening with more music and dancing and another live performance by the fantastic James Dalby. Overall it was a great event and a fitting start to what is hoped to be a new era for The Talbot.

The Future

The 5th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 26 June 2012. 8 members of the Committee were present, 1 Representative of the Playscheme, 1 local Councillor and 1 Representative of the Meden Vale Sports Association. Two apologies were received.

The Representative from Meden Vale Sports Association reported that the football playing areas had been re seeded and treated with weed killer and were now looking considerably better. Also the area around the pavilion has been cleared and tidied. It has been decided to hold an 'Open Day' during the school holidays to try to encourage more of the local youth to participate in football practice and games. To further this, some potential players have been shown around the changing rooms. There is a possibility that Mansfield Town FC may use the Meden Vale facilities for training purposes. Attempts to secure funds for a new bowls pavilion are still ongoing. The existing bowls cabin would be donated to the Allotment Society, if it is practical to move it. The next Welbeck Colliery the Future meeting has been re scheduled for Wednesday 25 July.

The Treasurer reported that an application for Grant Aid to MDC was to be made and also to Warsop United Charities for a donation. The Chairman also reported that Nottingham County Council Grant Aid was now available.

Complaints regarding Phoenix Air Soft at Gleadthorpe were being investigated.

The Chairman advised that the temporary speed sign previously sited on the approach to Church Warsop from Meden Vale is to be made permanent.

Since the above meeting, three individuals (not from Meden Vale) have been arrested and charged by the Transport Police for attempting to steal metal components from the colliery railway line. This is very good news as any 'vandalism' to this track will result in serious delays to the colliery tip re-profiling and restoration. Extra security has been put in place but the Committee would be grateful for as much vigilance as possible by the village community. If you see anything suspicious please ring the British Transport Police on the following number 0800 405 040

Next meeting will be held on Tuesday 4 September 2012 at 7.30 pm. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

On November 3rd The Friends of Thynghowe will be starting a winter of surveying in the woodlands of Birklands when we will be holding a workshop session before we venture into the Forest to locate features highlighted by our LIDAR survey. These features could be from any era between the Viking age and World War II. Come along to our workshop to find out more and maybe join in the surveying.

Some features could be from the time when much of Birklands was managed from Welbeck Abbey. The decades following the Civil War saw Sherwood Forest cease to be a Crown Forest and large parts of Birklands became part of the Duke of Newcastle upon Tyne's Welbeck Estate. We can still see evidence of this change in Green Drive, the broad straight track heading eastwards through the woodland towards Edwinstowe. When Queen Anne granted the Duke permission to cut this drive through Birklands it was described as a 'licence to cut a riding through decayed wood at Birkland'. This ride was created around 1710 when the Duke received a licence to enclose Clumber Park and a riding was to be made across Birkland and timber from it to be used for park pale, lodges, etc.

This agreement not only gave the Duke around 3000 acres of land at Clumber but also provided the timber for the construction work. He even charged the Crown £118 for removing their timber and he was granted £1000 a year for maintaining the land he had gained. The deer park at Clumber was supposedly kept for Queen Anne's use during her lifetime before reverting to the Duke's ownership.

Evidence of the work of several of the Dukes of Portland may still be observed within Birklands. A culvert with high quality stonework runs beneath the northern end of Hanger Hill Drive. This is part of the 4th Duke of Portland's water meadows scheme that he constructed around 1806. The land was levelled and channels dug to divert water onto the fields to improve the quality of the pasture. The Duke later improved these methods for his water meadows along the River Maun at Clipstone.

The mile long Hanger Hill Drive lined with 91 lime trees forms the approach from Welbeck Abbey into Birklands. It was created in the 18th century as a scenic entrance to the woodlands. Some people refer to this ride as Lady Anne's Ride, possibly reflecting the generosity (or disinterest) of Queen Anne in allowing the transfer of the Crown lands in Sherwood to the Dukes.

The 4th Duke was also responsible for replanting large areas of woodland within Birklands during the first half of the 19th century. He was known as the "Farmer Duke" because of his involvement in the management of his estates and the consideration he showed for his tenants. He was also politically active, an expert in shipbuilding and naval design and as a keen follower of horse racing he was responsible for many improvements at Newmarket racecourse.

His successor, the 5th Duke, erected a replica Russian log cabin in Birklands to serve as a hunting lodge. It was finally dismantled in 1954. For more information about Thynghowe and how to join in our projects check out the Thynghowe Facebook page or visit our website

BIG LOCAL WARSOP UPDATE

We were hoping to meet lots of people at the Carnival but of course that did not happen, so here is the latest news for you.

A partnership group has been formed with 9 Warsop residents and 4 advisors from local services.

Priorities for the group are going to be:

- Supporting local voluntary and community sector groups to meet the aims you have told us about in consultations
- Developing local enterprises to provide training opportunities, especially for young people, and to generate income
- Making sure that the statutory service providers are doing their bit to meet the needs of Warsop

If you think that you would like to be involved with this come along to an informal information session where we will welcome people who are interested in

- finding out how to be involved
- helping to plan our vision
- helping to fill in the details of our plan for Big Warsop

These are really important plans so join in with us on:

September 22nd 2012 from 10:00 am – 2:00pm - venue to be confirmed

with soft drinks and nibbles available over lunchtime.

Our final plan will be available and we will be holding an open day to launch it and for everyone to give us their views on this in late October. Please see the next issue of W&DN for a firm date for this event.

More info – more contacts on Big Warsop's own website Who's who, latest plans and events and with results from our consultations are available at

www.bigwarsop.co.uk

You can also catch up with events on our facebook page which is www.facebook.com/BigWarsop

Small Grants available for Local Groups

The Warsop Parish Big Local programme is offering up to £200 to local community groups who would like to run a community engagement event between now and the end of September 2012. The money can be used to fund an event or activity where people would have the opportunity to learn more about and get involved in Big Local, express their views about issues currently affecting Warsop Parish, and look at opportunities for the future.

For more information or to apply for a grant please contact Lesley Watkins at Mansfield Community & Voluntary Service on 01623 651177 or by e-mail lwatkins@mansfieldcvs.org

There are all sorts of ways you can get involved.

Couple Celebrate 72 Years Together

The Sycamore & Poplars Care Centre, Warsop recently held a special 72 years wedding anniversary party for family & friends with an anniversary card from Her Majesty the Queen. Jack and Dorothy and relatives from both home and abroad attended. Councillor Stuart Moody, Chairman of Warsop Parish Council, accompanied by Mrs Tania Barlow, Clerk to the Parish Council presented the couple with a bouquet of flowers.

John (Jack) Gascoinge, who was born on 1st September 1921 met Dorothy, who was born on 8th April 1919, at Huthwaite and they married at Mansfield register office on 30th July 1940.

Jack had 72 hours leave from the army and had to return to barracks without a honeymoon, Jack was in the National Service from 1940-1945.

They have four children, Maureen, Terry, Jackie, and Michael and nine great grandchildren.

Dorothy's mother gave birth to Dorothy's younger sister, Sheila on the same day as Dorothy and Jack's daughter Maureen was born. The two children were born in the same house only half an hour apart and were brought up as twins.

Warsop Parish Council News Update

Town Hall

At the moment we are having a new heating system installed, so hopefully we should be warm and cosy this winter instead of freezing to death and it should be more economical.

The work is going to take a long time so we have to put up with noise, mess and a team that look like they have just finished DIY SOS, we wish! They are trying to keep the inconvenience to a minimum but please be aware that some services may be disrupted, so please bear with us.

High Street Car Park

An emergency Parish Council meeting was held on 23rd August to finalise plans for the purchase of the High Street Car Park.

It was agreed that a loan should be applied for through the Department of Communities and Local Government and Nottinghamshire Association of Local Councils to purchase the car park through Mansfield District Council this was unanimously agreed and the form was signed by the Chairman and the Clerk.

Whaley Thorns & Langwith Skate & BMX Park

In February 2011 PC 2315 Adam Galley, while on routine Mountain Bike Patrol, found a group of 8 or 9 youths at the end of New Scott Street, Whaley Thorns, a few were on BMX bikes and were riding up and down the curbs.

There had been reports of Anti Social Behaviour in the area but this appeared to be a bored group of young people. PC Galley spoke to the group and gave them a hypothetical unlimited budget to spend in the area for them to put something there for their use.

Kieran Elliott and Logan Hill said they would like a Skate/BMX Park, when pushed they added on a bin and somewhere to sit and "chill out". PC Galley suggested if this was something they felt strongly about they should get together, form a group and perhaps even get a petition together to show the strength of feeling. PC Galley offered to help with the process if the lads could show a desire and willingness to "muck in" to get the job done.

A few days passed and the same two lads found PC Galley while on patrol, they proudly showed a petition with over 50 signatures on it, this number did eventually swell to over 150. It had youths, parents, grandparents and other residents on it. So it began, PC Galley arranged a meeting with the assistance of Lindsey Warren the Clerk at Scarcliffe Parish Council. She managed to secure the use of the Village Hall free of charge and the first meeting was held on the 28th April 2011.

At this meeting were numerous young people, PC Galley, Lindsey Warren, Kath and Ian Sharp (Langwith Residents Association and Cricket Club), DCC Youth Services and Groundwork Creswell. A plan for a way forward was formulated and a Committee formed. This comprised of Luke Andrews, Tanya Downs, Logan Hill, Kieran Elliott and Kyle Scott along with adult members PC Galley, Lindsey Warren and Kath Sharp.

Initial fund raising and petitioning began, we called everyone we could think of, the youths put collection boxes in the local chip shop and local store. One parent Michelle Jenkins deserves special mention as she did a bungee jump raising £172 for the fund.

On 3rd May 2011 the Committee were invited to the Scarcliffe Parish Council meeting where with the assistance of PC Galley Kieran Elliott and Logan Hill presented their thoughts to the Council. Following this meeting commitments of financial and advisory support were offered by the Parish Council. The Parish also agreed in principle to take over the running cost: insurance etc. of the park when it was completed. Help and advice was also provided by Cllr Brian Murray-Carr from BDC during the whole process.

Numerous progress meetings took place, planning consultations etc. and the project appeared to stall somewhat, lack of funding being the main issue, then a stroke of luck. In December 2011 Cllr Brian Murray-Carr was made aware of some second hand ramps that Pinxton Parish Council was selling. PC Galley went over to Pinxton, confirmed they were suitable and a deal was struck. At this time Roger Wright from the Warsop, Shirebrook and District Rotary Club was becoming involved as one of the conditions of the park being completed was that appropriate lighting would be fitted. Through Roger's hard work and contacts 3 fabulous quotes were gratefully being received and to cap it all a donation of £2400 from the Rotary Club also covered the whole amount required to fund the new lights.

On the 16th December Public Consultation was carried out at the Village Hall in Whaley Thorns, no objections only positive inputs were received. Groundwork Creswell had provided designs and have ultimately done a marvellous job with the installation.

The ramps were installed on the 28th May 2012 just over a year after the conversation on a street corner in the rain between the local Police Officer and a group of bored youths. I would suggest this is an excellent example of partnership working and proof that if a community has a mind to it can achieve whatever it sets out to achieve.

The four main drivers of the project are the young people of Whaley Thorns and Langwith. Lindsey Warren the Scarcliffe Parish Council Clerk and local resident. Kath Sharp from the Langwith Residents Association and PC Adam Galley.

Money donated in support and raised is as follows:

- Cllr Joan Dixon DCC donated £1500
- Scarcliffe Parish Council donated £1500
- Langwith Residents Association donated £200
- Youths themselves collected £299.30
- Michelle Jenkins bungee jump raised £172
- Warsop, Shirebrook and District Rotary Club donated £2400
- Shirebrook Academy donated £100

Total raised £6171.30

Tarmac Quarry Whaley have donated a large rock (approx 2 tons) to be used as centre piece and to attach a sign too.

Creating a District where People can Succeed

New gym at Water Meadows Swimming and Fitness Complex

The gym at the Water Meadows Swimming and Fitness Complex has opened its doors following a massive refurbishment.

Work to introduce new audio visual displays on cardio equipment, new resistance machines, a larger specialised fitness equipment area and redecoration has all been completed. The new gym reopened to the public on Saturday 11 August followed by the official opening Monday 13 August. The rest of the leisure centre remained open during the refurbishment.

The upgrade is part of a £500k investment into Mansfield Leisure Centres. Oak Tree Leisure Centre will begin the refurbishment of its gym from 13 August and will reopen on 25 August. New Life Fitness equipment will be installed, along with virtual bikes. To celebrate the upgrade, an open weekend will take place on 25 and 26 August when people can try out the new facilities on offer. Fitness classes and other activities will carry on as normal during the works, including the new body pump classes and the new indoor cycling classes.

Meden Sports Centre gym reopened on 31 July following its redecoration and installation of further equipment to enhance the fitness offering at the facility. River Maun Recreation Centre's gym has also received an upgrade. Rebecca Adlington Swimming Centre's gym will be undergoing its refurbishment during the 13 August and will reopen with its new equipment on the 14 August.

The work has been scheduled to allow people access to gym facilities offered at other leisure centres, whilst each of the gyms are closed for refurbishment.

Refurbishment works to Water Meadows reception area and new water features have already been completed.

Brian Taylor, Chairman of the Mansfield District Leisure Trust, said: "This is an exciting time for the fitness facilities at Mansfield Leisure Centres and we hope to attract new people to the facilities with our new lower and more affordable pricing, including new rates for people over the age of 60, students, a low junior price and different packages available to reduce the monthly cost of our all inclusive membership. With the desire for more people to get fit following on from the Olympics, the facilities are geared up to welcome beginners to exercise and have fun. Whether it be walking, cycling, gym, rowing, swimming or gymnastics, we have something to inspire everyone during and following the games."

Cllr Philip Shields, Portfolio Holder for the Environment at Mansfield District Council said: "We have already seen a substantial amount of investment and work since the transfer of the management responsibilities in May and we look forward to continue working with the Mansfield District Leisure Trust to provide our residents, and those visiting from outside the District, with a quality experience when visiting our leisure centres."

Open for business

Two new businesses are up and running with help from Mansfield District Council.

The Balloon Printing Company at Bleak Hills Way and The Shabby Hut in Regent Street are getting down to business after taking out new leases with the Council on premises within the District.

The Balloon Printing Company, run by Colin Holmes, operates from the Bleak Hill Way industrial units on the popular Hermitage Lane Industrial Estate. Colin took advantage of the Council's cash incentive scheme, which offers £1,000 cashback to businesses taking on new leases at any of the Council's vacant retail, office and industrial properties.

The company supplies custom printed balloons for all occasions including birthdays, weddings, christenings, advertising and business purposes, using a unique process that enables photographs to be converted into a one colour print for a balloon.

Colin said: "The £1,000 offered by Mansfield District Council to take up these premises was a big incentive. The costs of starting or moving a business can be very high, so the money was extremely useful. I have a lot of the confidence in the Council as a landlord. They were very helpful from the outset."

"I was looking for bigger premises for my business, as I'd purchased a second, much larger printing machine. The machine was on its way from Italy and I didn't want to pay out a lot of money in storage costs. The Council was extremely helpful in speeding things up, so that I was able to move the new machine into the new premises within two days of the machine arriving. The business is now doing very well and is going from strength to strength."

Another business to benefit from the help of the Council is The Shabby Hut, a family run shop, which is already creating a stir after winning the 'Best of British' dressed window competition held by Mansfield BID to celebrate the diamond jubilee.

The shop is bursting with unusual ideas and unique gifts, including handmade cards, china, candles and a range of furniture. They also have an in house boutique 'Beau et Vieux', which offers a range of ladies vintage clothing, handbags, scarves and jewellery. They are proud of their use of local products and endeavour to recycle whenever possible.

Manager Louise Ashley said: "We chose to come to Mansfield, because of the amazing architecture in the town centre and the fact that there is a real opportunity here for independent shops. The Council was excellent. It only took ten days from our first meeting with them to get into the shop. The business is going really well, as people love the individuality and uniqueness of our products, which are locally sourced."

Portfolio Holder for Economic Regeneration, Councillor Kate Allsop said: "We work extremely hard to support new businesses in the District. I am thrilled to see these two new businesses thriving with the support of the Council. I would recommend any new businesses to get in touch with us and see what we can offer."

There are a number of commercial units available of varying sizes and in different locations across the District, offering flexible lease terms. For more information and to see all the Council's available property, visit www.thinkmansfield.com or call 01623 463728.

Help get Mansfield event off to a running start

Volunteers are needed to help make a new Park Run event in Mansfield a success.

Mansfield District Council is working alongside its partners Nottinghamshire County Council, The Manor Academy and the Nottinghamshire County Council Councillors' Divisional Fund to hold a Park Run - a free, weekly, 5km, timed run at Manor Park on Kingsley Avenue, Mansfield Woodhouse, every Saturday at 9am from the end of September. The Manor Park event is only the second Park Run in Nottinghamshire. A group of four to 12 dedicated and willing volunteers are needed for about an hour and a half at each race to help with roles such as timing, registration, marshalling and dealing with runners' enquiries. Volunteers would not necessarily need to commit to being available every week, although they will be asked to attend some free training provided on the evening of Monday 17 September.

The runs are suitable for everyone of all ages and abilities, including competitive runners wanting to use it as part of their training, casual runners who want a more structured and social run, or complete beginners who want to improve their health and physical activity levels.

All runners must register online before their first run and print a barcode which they take with them every week. This is used to record their finishing position and time.

Results are emailed post run and will be posted on the website with historical results and statistics including age group records and age-graded performances.

For more information on Park Run visit www.parkrun.com

Work experience programme is a positive step

The Council's work experience programme in partnership with Jobcentre Plus is proving to be a success in helping people to build up the skills they need to get back into the workplace.

Set up as a pilot scheme with the Jobcentre Plus Employer Engagement team, the Enhanced Work Experience Programme offers jobseekers the opportunity to gain work experience with Mansfield District Council for up to two months.

So far, the programme has provided several business administration placements across the Council and one placement in the Council's Parks department.

People taking part in the scheme receive a taster session before they commit to the placement, followed by a full induction. Assistance is also given with building up interview skills and finding work. Participants are still able to claim their benefits whilst working on the programme. The Council is taking part in the scheme as part of its Pathway to Work strategy, which is designed to maximise work opportunities for people within the local economy.

As part of the programme, Gavin Rogers completed an eight week business administration placement in the Council's legal team. He said: "I'd been unemployed for two years, so this placement was a great opportunity for me to update my office skills and catch up with the new IT software. People were very happy to help me and I learnt a lot. It was good being part of an office environment and getting involved."

Gavin is now helping out in the Council's Elections Department for two weeks on a voluntary basis, which he hopes will lead to a temporary paid role in the Department.

Portfolio Holder for Corporate Issues, Councillor Andrew Tristram, said: "This programme helps people seeking work to gain real skills, knowledge and abilities through a work placement to boost their chances of gaining sustained employment."

To be eligible for the Enhanced Work Experience programme, claimants must have been unemployed for at least 13 weeks and claiming Jobseekers Allowance with little or no recent work experience. If you are a jobseeker and would like to know more, speak to your Jobcentre advisor.

DFS Welbeck Football Club

**PUR SENIOR MEN'S TEAM
REQUIRES VOLUNTEERS TO
ASSIST AT OUR HOME MATCHES**

We have a senior men's team playing on Saturday afternoons in the Central Midlands Football League.

Our home games are played locally and started in mid-August. We have a small band of hard working match day helpers but would welcome more assistance at home games during the season to carry out such duties as taking admission money from spectators for entrance into the ground, raffle ticket and programme sellers, cleaning the dressing rooms after the match, helping prepare and sell refreshments before and during the game along with a number of other small medial tasks.

Games usually start at 3.00pm up until October and then kick off times start an hour earlier. Anyone willing to help on a voluntary basis would need to be on site from around 1 hour before the game and around 30 minutes after the game finishes.

This would be an idea opportunity for any local residents to become involved with a Football Club that also has 14 youth teams playing Saturdays and Sundays in local leagues - including bored teenagers, enthusiastic adults and senior citizens with time on their hands.

I would welcome all enquiries and will be willing to answer any questions that you may have.

Interested? - Please contact the Club's Chairman - Graham Hall at Mansfield 843108 or on mobile - 07791 155891

WE LOOK FORWARD TO RECEIVING YOUR CALL.

**Hello, My name is
Amelia Elce, I'm 22 and
I live in Meden Vale.
After having my first
child last year, I set up a
mother and baby/weight
loss club in my area.**

'Weighby Club' was set up in January 2012, and is an affordable way for mums and babies to socialise, while also promoting healthy living and offering support with losing the extra baby weight. Each mum is weighed each week, and has their own record book. The club costs £1.50 a week, and the mum who has lost the most weight at the end of the month wins £1 from every £1.50 that has been collected that month. This offers a great incentive and has already helped a lot of ladies to achieve fantastic results. In early February, Mansfield District Council became very interested in my club, and I have been receiving great support from them ever since. The club is going from strength to strength, which I am so proud of, as I have always wanted to make a difference in the community.

As of last week (thanks to the help from council), my 'Weighby Club' is now supported by o2! We are now working together to get my business turned into a franchise, so I can hopefully spread my idea right across the country! We now have nutritionists running workshops as well as hospital staff giving talks on post natal exercise and there are so many big ideas which will help the club to grow.

Also, I am running a fund raising day on Sunday 30th September. There will be a bouncy castle, face painting, soft play equipment, craft activities, stalls and entertainment, so it will hopefully be a fantastic day!

If you would like to read more about Weighby Club, please visit the Facebook page at www.facebook.com/weighbyclub or take a look at our new page on the o2 site! www.o2thinkbig.co.uk/Projects/Project-Home/?clubid=2435

BUSINESS FOCUS 2012

Crumbs - It's Delicious!

Crumbs, the new shop which recently opened on Sherwood Street, Warsop, is not only a bakery but they also sell cooked meats, cheeses, other delicatessen items, jams, chutneys, relishes, selected coffee beans, speciality teas and old fashioned sweets. They also have a selection of rolls and salad boxes, freshly ground coffee including Latte, Mocha, Americano and Cappuccino to take away.

We are stockists for the Welbeck Bakehouse, Heavenly Coffee, Stokes Sauces, Tuxford Windmill and Lockes Chocolates from Edwinstowe. We are currently trying to expand the range daily, looking for more local suppliers for honey etc (any recommendations would be welcome). Over the last couple of weeks we have recently introduced our very own 'Crumbs Coffee'. The coffee range includes: Crema aroma, fair-trade espresso, heavenly blend, pure Colombian, traditional and decaffeinated Colombian.

'Crumbs' has a contemporary look on the outside, moving into a vintage country theme inside, with original uncovered stone walls, wooden floors and bespoke shop fittings.

Why not try our range of Welbeck Bread.

Focaccia - flavoured with salt and herbs, this bread is a great accompaniment for any pasta dish.

We also have a delicious olive bread and ciabatta.

For a nice mid morning treat, why not try either a fresh Welbeck croissant or tasty Welbeck Teacakes.

The Welbeck bread range is available to pre order.

Available at 'Crumbs' now! We stock a range of fine teas as well.... 'Tea Pigs' no airs, no graces - just fine tea!

Chai Tea - variations of this aromatic, spiced, milky tea have been the Indian choice of drink for years. A blend of rich malty Assam tea, cardamom pods, cinnamon and ginger are combined to develop the unique flavour of this delicious beverage making it a taste of India in a cup!

Green tea with mint - traditional green tea with mint uses gun powder green, a tea so strong that sugar is needed to remove the astringency. This one is a delicate green tea called 'precious eyebrows'. Better to change the base tea rather than your teeth!!

Super Fruit - made with blueberries and cranberries this tea is packed full of super powers. For an antioxidant boost, try this blend of real berry pieces which deliver a unique, punchy, caffeine free taste.

We hope to see you visiting very soon.

Double Olympic bronze for Mansfield's Becky

Mansfield's Rebecca Adlington has made Olympic history after becoming Great Britain's most successful female swimmer of all time, after scooping bronze in the Women's 800m Freestyle on Friday (3 August).

After earlier claiming bronze in the 400m Freestyle on Sunday 29 July, Rebecca is the first British woman to ever win swimming medals at two successive Olympic Games. Executive Mayor Tony Egginton said: "We are immensely proud of Rebecca and winning two bronze medals is a fantastic achievement. She is a tremendous ambassador for Mansfield and I'm sure her success will inspire many to get involved in swimming."

Rebecca finished in a time of eight minutes and 20.32 seconds. Fifteen year-old American Katie Ledecky won and Mireia Belmonte Garcia (Spain) came second. About 100 enthusiastic supporters cheered Rebecca on with flags as they watched the final on a big screen at Mansfield's Oak Tree Leisure Centre.

Among those watching were members of Rebecca's former swimming teams - Sherwood Swimming Club and the Nova Development Squad, which selects the top swimmers from local teams.

The event was captured by television cameras and reporters from all the main local and national television channels and radio stations as well as several newspapers.

Get set for athletes' homecoming

Plans are being made for a homecoming event to celebrate the success of our local Olympic and Paralympic athletes on Tuesday 11 September.

People from across the District and surrounding areas are encouraged to come along and celebrate the achievements of Mansfield's own London 2012 double bronze medallist Rebecca Adlington, along with Charlotte Henshaw, Sam Hynd and Oliver Hynd who are all set to compete in the London 2012 Paralympic Games starting on 28 August.

Team GB Olympic badminton player, Chris Adcock, who spent time growing up in Ravenshead, has also been invited to attend.

The event will be held in Mansfield's Market Place from around 6pm, where the athletes will take to the stage, while a big screen will show each of the athletes competing in the London Games.

There will be Olympic-themed activities in the town centre to keep the crowds entertained and 1,000 flags will be given out.

Local sports teams and clubs will be invited to attend a sports village, where people who have been motivated to get in to sport can find out how they can get involved.

Executive Mayor Tony Egginton said: "This homecoming event provides the ideal opportunity for everyone from the District and the surrounding area to come together to celebrate the achievements of our local Olympic and Paralympic athletes and show our pride and our appreciation for all their hard work and dedication."

"Hopefully the Games will inspire the next generation of athletes and the event will give them the opportunity to find out how to get involved in a range of sports and activities at the sports village."

Further details about the event will be released within the next few weeks.

STEP 1

Start off by sketching in the scene, remember to keep this simple, only basic outlines are required.

Masking fluid has been used to keep the building clean, and allows you to paint the dark background trees. Also it has been used on the edge of the large tree. And finally across the horizon line.

See pic one for areas that have been masked off.

TIP - use older brushes or the SAA masking fluid brush set, to prevent the fluid spoiling expensive brushes. I use soap to coat the brush hair first, this acts as a barrier.

Once the masking fluid is dry, let's get some colour mixed!

- Natural blue for a realistic sky
- A pale, watery natural yellow for the base of the sky
- A pale watery natural grey for the top of the distant trees
- A dark green mixed from 20% lemon yellow and 80% natural blue, use plenty of water
- A bright green mixed from 50% lemon yellow and 50% natural blue
- Natural grey for the misty tree trunks and branches

So let's get painting, now the colours are mixed, wet the top part of the paper, down to the masking fluid, using the size 14 brush and painting in horizontal strokes, apply the pale natural yellow first in the lower half of the sky. Next the natural blue from the top, working down to meet the pale yellow. The trick is to make these colours blend together, creating a gradient sky. You could use a piece of kitchen roll to roll out a few clouds.

Next using Matthew's medium tree and texture brush, paint in the distant trees, allow the sky to dry first. Notice how the trees are grey in the distance, so start with the pale watery grey mixture. Then move into the dark green and finish at the bottom with the bright green.

TIP - when using the tree and texture brushes, stipple the paint on the brush by 'bashing it in the palette' then lightly dab the excess paint off on tissue and gently stipple or tap the paint on the paper.

While the tree area is slightly damp, use your rigger brush to paint a few misty trees in natural grey.

STEP 2

Once all the background is dry, you can now take your time using darker shade of brown and grey to paint in the mid ground trees. Use a mixture of natural grey and burnt sienna to create the brown. You can see I have taken a lot of time doing these trees, creating layers and layers of different height trees.

TIP - paint tree trunks and branches in the direction they grow.

Using the smallest tree and texture brush, gently stipple a pale mix of 80% burnt sienna and 20% natural grey. Again apply gentle pressure to paint in tree tops and a few branches. This will give extra layers, creating more depth to the scene.

TIP - try and paint plenty of dark colours around the building, this will help the building stand forward. This could be added later.

Now you can remove the masking fluid, just by rubbing it with your finger.

Now simply use a pale natural yellow and your number 6 brush to paint the buildings walls and chimney and natural grey to paint the two roofs.

STEP 3

Let's add detail to the building. Start off with a pale natural grey and a number 6 brush to paint the darker side of the building. On this scene it's the right side. Natural grey is a pre-mixed shadow colour, mixed from Matthew's own recipe, paynes grey will not have the same effect. Spend time adding lots of detail to the building. The close up image shows this.

- A flat brush is great for painting in the random brick work, use a pale natural yellow for this.

TIP - achieve the effect of open doors, by painting the top and bottom of the opening darker and blending the watercolour away with damp brush.

The grassy banking has been painted with two colours and a size 6 brush:

- A dark green mixed from 20% lemon yellow and 80% natural blue.
- A bright green mixed from 50% lemon yellow and 50% natural blue.

Mix both of these colours quite strong. Paint the waters edge first, using the darker green and fill the rest of the areas with bright green. Grasses and detail can be added at any time.

Use the small tree and texture brush to lightly stroke in a few blades of grass, notice I have used a card mask to give a clean edge. Of course you can add dry brush and darker greens to give texture and depth to the grass.

STEP 4

Now let's paint in the water, now what makes water? Because water is actually transparent, it's the reflections. Now hopefully you should have the colours already in your palette:

- The sky blue
- A dark green
- The stone colour from the building.
- Natural grey

Start off by wetting the water area, after all water should be wet! Paint the sky blue first, use a the size 14 brush and begin from the bottom of the paper, working upwards in horizontal strokes. Try and get this to fade to nothing.

Next and while the paper is still wet, paint in some green, again horizontal brush strokes. This colour goes at the furthest point of the water and at the front right. Again while the paper is still wet, use a smaller brush to paint the building reflection in the natural yellow. Loosely try and mirror the building and paint it in the same way you did the building itself. Paint it all in natural yellow, then change to natural grey for the shadow side and the doors.

TIP - if the paper is drying on you, don't worry, dry it off 100% and re wet the area. My fontaine watercolour paper is great at handling this.

Finish off this stage by adding random horizontal ripples with natural grey, get some movement in your water! Allow to dry.

STEP 5

The final stage is my favourite, I love painting trees and adding all the detail areas, this is the stage where the painting comes alive. And every little really does help.

The green for the two large trees is:

- Bright green 70% lemon yellow and 30% natural blue
- Shadow green 40% lemon yellow, 50% natural blue and 10% burnt sienna to add just a touch of darkness to the green.

Use the large Matthew Palmer tree and texture brush to mix a lot of this strong mixture, tap off the excess paint from the brush and gently tap or stipple the flat part of the brush.

As always take your time, keep looking back at the shape of the tree its composition is everything. Try and blend this into the area where the masking fluid was. I used damp a number 6 brush to do this, just gently blending the paint with a touch of water.

Once this first coat is dry, use the small tree and texture brush to add shadows to the tree, you can see the depth this creates. This will work best on the large tree on the right, working inside the main body.

Use the shadow colour and lightly tap a random wiggly line, then clean the brush in water, and just using it damp very gently tap the shadow green away, moving the brush up wards at you go along.

Adding a few shadows to the tree works great especially if you darken the underneath.

Finally a few finishing touches, as always this make the painting.

- Stipple some neat lemon yellow over the large trees to give that extra detail.
- Add dark branches to the tree with a burnt sienna and natural grey mix.
- Use the opaque white with a rigger brush to give light to the water, a few ripples and sparkle.
- oh and don't forget the birds.

MS UPDATE MS

Hi Folks,

Yes, it is me again!!

I asked Gordon, our Branch Chairman, if I could do this piece for him, as I have so much information to share with you all.

Firstly, a huge "THANK YOU" for all the wonderful cards, and lovely comments, I received after Bob's death. People have been so kind. It has made my journey through this heartbreaking time, so much more bearable. It is now eight months since Bob passed away, but I still miss him every single minute. He was an inspiration to a lot of people, especially to me.

Our MS Awareness Week was a huge success. We raised a staggering £1434.01 for our local MS patients. Many thanks to all at King's Mill for their help and support throughout our five days there. A special mention goes to Joanne, Tina and Joy from PALS (Patient and Liaison Service), who were there each morning to help us get set up. Again, our main aim was to raise awareness of this debilitating illness, and in that, we were extremely successful. Lynn Phillips, a member of staff from Marks and Spencer, Mansfield, again donated bags of tombola prizes that she had collected from the store, and from friends. She then did her own stint on the stall to help our others MS volunteers. Our stall was a hub of activity, thanks to the likes of Liam Hicken, from the hospital radio, who spread the word that we were there, and to patients like Yvonne who came down everyday to have a "go" on the tombolas.

As part of this year's Week, our Transport Officer, John Davies put up a display of his paintings. He was continually occupied telling folks about his work, and often talking with MS sufferers, inspiring them to fight back against MS. His talent, and his determination to achieve success against this illness, made many visitors to the display realise that life does not stop when you are diagnosed with Multiple Sclerosis.

I would like to add a very special "THANK YOU" to Delia Gibson, from Dee=lightful Cakes, who donated a superbly decorated cake for our Awareness Week. She, and her daughter Christy, who made some wonderful cupcakes, added a real bonus to our final day at King's Mill. Real stars, both of them!! Dee then made, and donated, another of her cakes to Ann Bishop, of Encore Inspiring Styling, High Street, Mansfield Woodhouse, for her Cake Bake. The money from this event went to the MS Society, to help find a cure for this illness. Many thanks to Ann, and to her staff and friends, who worked so hard to raise awareness, and funds, for Multiple Sclerosis.

Have you heard of Frazer Pothecary and Rob Calladine? Do those names ring any bells? Yes, those are the pair that have done so much fundraising in your local area. In the past, they have organised at least three All-Star evenings, where local youngsters put on shows to raise funds for a variety of charities. Then, they did an Endurance Week for us, that nearly finished them off. Now, they are at it again! When you read this, they will have completed an Olympic Challenge, comprising of 3 sports done over two weeks - totalling 900 miles. They will have completed sessions running, rowing and cycling, mainly done at Fitness First, who have been a brilliant support for Rob and Frazer. Many friends joined them, on specific days, to help raise further funds for Mansfield and District MS Branch, and for the John Eastwood Hospice Trust. Although, the event will be over on August 11th, if you still wish to donate to either charity, please send an e-mail to FrazerandRob@live.co.uk. They will be most grateful for your donations, and so will we.

Both local charities continually raise funds for patients. The nurses at the John Eastwood Hospice have a "WISH LIST", which comprises of equipment that they need to make life easier for those in care there. Our Branch is again raising funds to buy a new ambulance, as our little wheelchair car is getting past its sell-by date. We really need another big vehicle, so we can transport more wheelchair users into our Socials, and to events in the area. The demand for our services is growing, and the little van is not up to the job. That is why we are so grateful for folks like Rob and Frazer, who will go out of their way to help local charities, who need funds to help patients have a better quality of life. Thanks, lads, for your wonderful help over the past few years!!

Finally, just a reminder that we are still having our Socials at the William IV, on the second Tuesday each month. Although Deb and Garth have moved on, the new managers are happy for us to continue there. Many thanks to both Deb and Garth for their wonderful care, and support, of our Branch. They went out of their way to welcome our members, and to make each meeting run as smoothly as they could. Thank you, dear friends, and good luck for your next ventures.

I am sure, by now, you are getting tired of my ramblings!! I always start off with the best intentions of being brief - but it is a lost cause!! Thanks for putting up with me! I do not know who will be writing the next issue, but you can be certain the MS Branch will be in it. Take care, all.

The Rotary Club of Warsop, Shirebrook & District

Rotary Club news update by: Steve Garner

Meetings Update

The Rotary Club met at the Hostess Restaurant on Thursday 19th July 2012.

President Roger Wright chaired the meeting which was attended by 22 Rotarians. Guest was Malcolm Nicholas (Hon Member). Speaker was Kimo Ericsson (Professor of Mathematics in Sweden and son in law of Roger Wright who gave an interesting talk on probabilities in gaming).

Immediate Past President Andre Camilleri presented Ted Smith with the Charles Dimmler Trophy for Rotarian of the Year.

Mike Maloney gave details of a club visit to Carburton to look at the system of drainage from the lakes on the land for irrigation and fertilisation of the grasslands. The Duke of Portland had the system installed in the 1840's and it is still working today.

The club was reminded that President Roger Wright will officially open the new Skateboard Park at Whaley Thorns at 11am on Sat 28th July. This is a community venture partly financed by the Rotary, parish council and other partners. Full details to follow after the event.

The club met at the Hostess Restaurant on Thurs 2.8.12, President Roger Wright chaired the meeting attended by 27 members.

A £50 cheque donated to member Tony Delahunte was given by him for Rotary club charities.

A total of £200 was raised for the Propstate Cancer charity supported by the Immediate Past President Andre Camilleri. A presentation on the Chernobyl Disaster was given by Richard Street of the charity Chernobyl Lifeline. They have a concern for next year as the Govt have proposed a visa with a charge attached to over £70. Currently there is no cost attached. Children from Chernobyl are in the area under the supervision of Richard.

Also attending was his colleague Neil Houldsworth. Marsha and Julie who are interpreters for the group also from Chernobyl assisted with answering questions.

THE ROYAL BRITISH LEGION

Remembrance on the horizon

As mentioned in last month's issue we were very disappointed the Carnival was cancelled as it is our chance to showcase what the work of our charity is all about, and to meet some of our supporters. We understand why it was cancelled as safety must come first.

We are fast approaching our busiest period of the year with our Poppy Appeal fortnight and Remembrance on the horizon. It is again a special remembrance this year with Remembrance Sunday falling on the 11th November. We will again be honouring those who have fallen in Iraq and Afghanistan who came from our area. The Service at Warsop Vale will take place about 11.40am on Saturday the 10th November.

Our Poppy Appeal runs all year round, but we will be out in public from the 29th October. Please give generously as we have never spent as much on those currently serving as we do now. Anyone able to give an hour to collect during the fortnight, please contact me on the number below.

We intend to launch our appeal on the morning of the 27th October at The Tudor Barn with a 'Meet the Legion' event.

We have arranged a trip to Bridlington on Friday the 7th September. Part of the trip will include a visit to Alderson House. This is our 'local' respite home and is available to anyone who has served in the military or their spouse who needs a break. We will see the new minibus for which our branch recently donated the money to purchase three seats. The cost of the trip is £12.50 for non members.

The Royal British Legion provides families from the serving and ex-Service community the opportunity to have a week long holiday away from the stresses and strains of everyday life.

Are you eligible?

If you are part of the currently serving or ex-Service community who are eligible for Legion help and if you answer YES to just one of the questions below, then you and your family qualify for a Family Holiday Break.

- Are you a one parent household because of bereavement or break up of the family?
- Is one parent currently serving on overseas operations?
- Is one parent caring for a disabled partner?
- Have you not had a holiday away from home in 3 years?
- Do you support your household with less than £25,000 gross annual income per year?

For further information on how to apply for a Poppy Family Holiday Break, call Legionline on 08457 725 725

Warsop Inner Wheel

President Sue Pasierb hosted the August meeting on Wednesday 1st August 2012 at the Hostess Restaurant, Sookholme.

32 members attended and 6 apologies were received. Sue gave a warm welcome to guest speaker for the evening, District Chairman Mrs Ann Cottee who gave an interesting account of her life before Inner Wheel.

President Sue then gave her monthly report outlining events she had attended, including the District Induction Day at the Civic Centre Mansfield. Anne Lyons gave the secretary's report and forthcoming events. Gloria Humphrey gave the up to date treasurer's report.

Anne Lyons gave the overseas report in Jan Strachan's absence, reporting that Jan's open garden event raised in excess of £600 for overseas charities. Sue Lunn gave the charity report;

Meeting closed at 9.25pm.

Have a go at yoga in the great outdoors, on the beautiful lawns of Rufford Abbey. Mixed ability class - beginners very welcome. If the weather is wet we will move to the ancient atmospheric Undercroft, next to the Savile Restaurant. You will need a yoga mat, or exercise mat, or a large towel. We will be bare foot so you will need to bring something to put on the grass. Please wear layers e.g. vest, tee-shirt, sweatshirt with jogging bottoms.
- **On The Home Front 1939 - 45**
Sat 1st - Sun 2nd September 11am to 4.30pm daily
Special event car parking charge of £5 applies.
While the battle fronts of World War Two raged throughout Europe and beyond, Britain became an island fortress. In Prime Minister Winston Churchill's words this country was "The Home Front". Now in its sixth year and even bigger, this spectacular weekend event at Rufford Abbey Country Park gives you the chance to experience the sights, sounds, emotions and humour of wartime Britain.
There's fun for all the family. Watch 40's music shows, swing dancing, wartime cooking & military drill demonstrations, harvesting by Land Army girls & heavy horses. Meet Churchill & General Montgomery. See D-Day allied troop manoeuvres, military & civilian period vehicles, artillery firings & a field kitchen. Meet NFS firemen, the ATS, RAF, Navy, Home Guard, US paratroopers, English soldiers, & bomb disposal experts. Plenty for children too - Junior Boot Camp, battle interactives & a hilarious 40's puppet show. You can even see wartime washing in action, look at period household displays & buy period goods at the 40s market & much more. Suitable for young and old. £5 car parking charge applies this weekend. Season ticket holders free. For further visitor information tel: 01623 821338.
All allied & civilian re-enactors, vehicle owners & 40s traders welcome. For participation details contact Howard Giles on 01509 815645, EventPlanCo@aol.com or at www.eventplan.co.uk

This selected exhibition showcases the work of 25 potters, illustrating the diversity, skill and creativity each individual injects into clay. The exhibition displays the work of established professional ceramicists alongside the work of gifted amateurs and emerging young talent.
All of the work is for sale and should appeal to many tastes and budgets. www.northern-potters.co.uk

- **Elements Art Through Textiles**
Tuesday 31 July to Sunday 9 September
'Art Through Textiles' was formed in 1983 by a creative group of individuals, intent upon the development of their own work and the passing on of skills and knowledge of textiles. Members come from a wide variety of backgrounds. The common denominator is the love of all textile skills as a means of creative expression and a wish to show, through their work, just how rich, lively and versatile textiles can be. The work they produce makes use of all techniques and approaches. Good design, drawing to a high standard and close attention to detail and presentation are the hallmarks of the work they produce.

The group exhibits regularly, locally and nationally. Members work on joint projects and many are members of other working and exhibiting groups throughout the country. Many teach and lecture to groups around the country. This exhibition "Elements" shows the diverse nature of the work of the members and is a dynamic expression of textiles as an art form.

OVER 50'S CLUB

The Swallows

In recent months The Swallows Inn Sunday
dinner has been growing in popularity.
However, if a light meal is something you are
after - be prepared to ask for a doggy bag!

The regular meal sizes are well proportioned - we didn't dare ask
for a large. The menu provided adequate choice in terms of what
you would expect for a Sunday, beef, chicken or pork along with
seasonal vegetables and all the trimmings. It was a very short wait
from ordering to dining. The meat was cooked to perfection - it
really did melt in the mouth! The vegetables equally as tasty. The
desserts on offer were also varied and would suit any palette.

The food aside, what makes The Swallows Sunday lunch experience
all the much nicer is the pleasant atmosphere served by courteous,
no-frills staff. It is nice to see a business really making a go of it in
these tough times. The Swallows was constructed as an estate pub
- there to serve the needs of the expanding Robin Hood estate in
the 1950s and it is developing itself to go beyond that. By offering a
dining experience as this, it would suit anybody (families included)
who are after a classical, British Sunday lunch.

The only complaint is that there was no vegetarian option - but with
the amount of vegetables included with each dish - is there room?

DUKERIES Singers

Jan Towler

Your Local Choir

Here we are at the start of our new singing year. Our first rehearsal
is on Wednesday 5th September 2012, when we hope to find all our
singing colleagues in good health and full voice. We have only had
a short break but are already looking forward to meeting up with
all the friends we have in our choir "family."

We shall be unearthing all the wonderful Christmas music in our
library. It is such a short season but such a joy to perform all those
glorious seasonal items in our repertoire and to learn new pieces
for our audiences.

We have only one booking for a concert—so far for September;
Thoresby Riding Stables Friday 14th September 2012

This is a new venue for us and we are looking forward to singing
there, with or without the live stock!

I shall update this list in future newsletters. Obviously we are busier
the closer we get to Christmas.

We meet for rehearsal every Wednesday evening from 7-30pm to
9-30pm at The Dukeries School in the Adult Day Centre. This is
accessed via the Whinney Lane entrance and car park.

If you wish to join us or contact us, our Secretary/Chairperson is
Alan Sinclair on 01623 823271

We rehearse every Wednesday at The Dukeries Complex Day Centre, from
7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance.
Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271
