Carnival 2013

On Sunday 7th July 2013 a carnival extravaganza took place on the Carrs. The sun shone and thousands flocked to the event eager to enjoy this year's offering.

The parade heralded the start of the carnival and this year's theme was 'Heroes', with the Guides winning the best decorated float. Local dignitaries, including Cllr John Kerr Chairman of the Parish Council and Warsop Rotary President Andy Perry headed the parade accompanied by The Ambassadors of Borrowash Show band. Colourful floats wound their way through the streets of the Warsop from the Swallows on Cottage Lane to the Carrs.

This year's Carnival Queen was Briony Turner and Carnival King was James Johnson who were escorted in regal style in an open top vintage car.

Showground arena events included the popular 'Knights of the Crusades' who were dressed in period costumes and enthralled those watching with their heroic fighting and dazzling pageantry. Two epic plays were re-enacted, A Tale of Richard the Lion heart and the Legend of King Arthur.

The spectacular Vander Brothers of Death gave a heart stopping aerial stunt 50 feet high and with one of the brothers performing blindfold it was breath-taking to watch.

The carnival once again welcomed back Steve Carver with his Aerobatic aerial display and with clear blue skies, this was a spectacular event to watch.

The Music Festival took place between 12 noon and 7pm with Roger the Mascot topping this year's bill.

The carnival would of course not be complete without the fun of the fair and its popular rides and side shows. The many charity stalls were once again well attended and various refreshments were on offer throughout the day including the Inner Wheel refreshment marquee. Classic Cars, clowns and stilt walkers and the annual Rotary Club Duck Race all added to the flavour of the day.

Councillor Stuart Moody speaking on behalf of the organising committee said 'The day passed by smoothly and everybody appeared to enjoy it and hopefully many local groups and organizations were able to promote themselves and raise funds.'

'As the sun set over Warsop, many people have taken away with them happy memories of an enjoyable day.'

The carnival each year takes place due to the work of volunteers who meet over the dark nights of winter to plan each year's event.

To ensure the future of the Carnival more people are needed to serve on the committee and act as volunteers on the day. If you feel you can contribute some free time to helping then please leave your contact details at the Town Hall reception.

Warsop needs the Carnival, but the Carnival also needs you!

By Adrian Hardy

EDITOR'S LETTER

Hola mis amigos! Just got back from 11 days of complete chilling in Benalmadena on the Costa Del Sol. We stayed at the Hotel San Fermin and had a room with a sea view balcony, can't fault it at all, the food and the staff were amazing, nothing was too much trouble. Although it's location at top of Cardiac Hill was a bit of a struggle, especially after a few San Miguels!!!!

Holidays, as always, go far too quickly and here I am doing my monthly piece again! It is nice to come back to some nice weather for a change though and it makes a change for me not to be moaning!!

I have a new member who has just joined the Warsop News Team, Gemma Gill, Karen's daughter is stepping into her mum's shoes, whilst she has the challenge of running two pubs in Warsop, The Talbot and The Plough, good luck Karen and welcome Gemma.

The Carnival seems so long ago already, what a fantastic day it was. I just hope that people appreciate how much hard work goes into it, especially with all the hoops we have to jump through for Health and Safety. We will soon be booking everything again for next year but be warned we are all volunteers and we are rapidly decreasing in numbers, so we need all the help we can get or the Carnival will be over! If you can spare a few hours, I would love to hear from you.

Promote Your Business by Advertising in Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide (eg. monthly advertising cost for an 8.5 x 4cm = £24.00)
For in-house designed artwork please add £1 per column cm (eg. for an 8.5cm x 4cm Ad add £4 - this is a one off charge for the design or re-design of your Ad)

Size	Cost	Artwork
1/4 page	£95.00	£5.00
1/2 page	£170.00	£10.00
Full page	£290.00	FREE

With rates like these you can't afford not to!
To book your space or for further details contact:

LEAFLET DELIVERY

We could also deliver your leaflets along with Warsop & District News at very competitive rates to help you reach the people who count. Please call for more details.

GARDENING MONTHLY...

General Gardening Tips for August

The most important thing this month is to enjoy your garden; heady scents, glorious colours, an abundance of fruits and vegetables and hopefully more sunshine. What could be more enjoyable and satisfying than surveying the results of your hard work throughout the year?

Watering

Remember to water and feed your plants regularly, especially those in hanging baskets, pots or containers as well as climbers and roses growing against a sunny wall. Many a plant will not recover from a drought, so water regularly and do not resort to feast and famine. Water hydrangeas with hydrangea colourant for true blue hydrangeas next year and don't forget our feathered friends - ensure bird baths are kept full of fresh clean water.

If possible, set up an automatic watering system for your vegetable plot, borders and even containers. They are worth their weight in gold and can work on a sensor system that detects how dry the soil is. Once you have one you will wonder why you did not install one years ago. Going on holiday will no longer involve wondering if your precious plants will survive a dry spell or paying someone else to hold a hose! If it stays warm and dry, water saving strategies include using bathwater and washing up water, provided they are neither too dirty or oily. Keep your pond topped up, free of pond weed and clean - green algae can be toxic to pets.

Weeding

Boring but vital. Keep on top of weeds in borders, the vegetable garden and all your pots and containers. Little and often will reduce what will become a Herculean task if left to spiral out of control.

Weeds not only look messy but use valuable moisture in the ground. The best and easiest way to weed is to use a Dutch hoe which will cut the weeds just below the surface. Weeding on a sunny day will ensure weeds left on the surface dry out and die in the warmth.

Happy Gardening

Mansfield District Council
Creating a District where People can Succeed

Blooming big hopes for Mansfield

The sun shone down on Mansfield today (9 July) as judges from the East Midlands in Bloom committee were given a guided tour of Mansfield as they assessed the District for the East Midlands in Bloom competition.

The judges were given a whistle-stop tour of the District's parks and open spaces, including Mansfield's Green Flag award winning Titchfield and Carr Bank Parks, as well as the many and varied floral displays in the town centre. The judges were also taken to Asquith Primary School where pupils led them around numerous planting projects on the school grounds.

The judges were given a special In Bloom Portfolio which detailed a large variety of activities that have taken place over the past year thanks to the friends of the parks, community groups and local nature reserves.

The judges also assessed nature conservation, sustainability, permanent planting and cleanliness of the District.

Portfolio Holder for the Environment Cllr Philip Shields, who accompanied the judges during their visit, said: "I was pleased to welcome the judges to the District. This is a wonderful opportunity to raise the profile of Mansfield in this prestigious competition."

"I have high hopes we'll get a positive result later this year and scoop another award for our District."

Mansfield faces competition from Northampton in the cities category. The results will be announced at a ceremony in Skegness in September. Winners from the East Midlands in Bloom competition may then compete for the Britain in Bloom title.

Last year, Mansfield was awarded silver in the small cities category.

Bird Notes...

Hello everybody

The summer is nearly over and we're on the way towards autumn. Most species will have finished their breeding cycles by now, a couple of exceptions being Mute Swan, who are still raising their large young and House Martin who can still have young in the nest in October!

In the case of House Martins these late broods of young birds will fledge and almost immediately undertake their first migration to Africa. They will have to learn the sometimes harsh lessons of the world quickly, or suffer the consequences. Mute Swans keep their young protectively close until they are well capable of looking after themselves-indeed their nemesis may well be their own father, who will become very territorial as the next breeding season approaches and will chase off or even physically attack the stragglers from his last brood. These dispersed young will join up with others of the same age and other non-breeders in sometimes quite large flocks. These congregations can be seen at both Clumber Park and King's Mill reservoir and a smaller flock (flotilla?) can be observed at Gleadthorpe flash.

Many bird species do a disappearing act at this time of year-some will be the migrant species slipping away southwards, such as Cuckoo and Swift. Others that will be conspicuous by their absence are the adults of resident species, who will be hidden away in the undergrowth moulting their old worn feathers and replacing them with strong fresh new ones. Their young will spend this time moulting their juvenile feathers into their 1st winter plumage.

Many different species have different moult strategies, the timing and duration of the moult and which feathers are moulted and in which order will vary slightly according to the stresses that each species has to undergo, e.g. a particularly long and difficult migration or a specialised feeding technique. The Spotted Flycatcher is a bird which, unsurprisingly catches flies and other winged insects; it moults its primary flight feathers in a way that still gives it the aerial mastery it needs to feed.

In late summer, Mallards are a species that have what is known as an eclipse plumage, where the males look much plainer (like the females) and both sexes cannot fly very well, if at all until they re-grow their primaries. Many duck and geese species use this survival tactic.

This time of year can seem quiet on the bird front, but a visit to open water or a migration hot spot will be very rewarding!

All best BA

FREE Weekly Health Walks

Rufford Country Park conducts a weekly health walk every Monday afternoon (Except Bank Holidays) starting at 2pm.

We meet in the Craft Centre Courtyard at the Abbey end of the park. The walks are FREE, open to all, last about an hour at a fairly gentle pace in the varied scenery of Rufford. The walk is followed by tea/coffee and biscuits (small donation appreciated).

For further information please contact Steve at Rufford rangers on 01623 821335 or email steve.koefoed@nottscc.gov.uk

FREE In Step Walks

A fun way to improve your health and make new friends.

In Step Walks - August 2013

Date	Venue	Grade

Buggyfit Classes

It's not just a walk in the park

Buggy classes which are held at Sherwood Pines are designed to help mums get back into shape after their new arrival as well as to enjoy a walk through the woods to help burn calories.

A fun, fitness class for mums and babies.

The classes run every Friday from 1.30pm - 2.30pm.

The cost is £3 a class or only £2 with Discovery Pass.

Mums should book on 01623 822447

WARSOP

Footpath & Countryside Group

It has been a mixed year for our local orchids. On the limestone grasslands of the Hills and Holes they have not been as plentiful as last year when they did particularly well. There have been only a few bee orchids although common spotted orchids have done reasonably well. It has been a similar picture around Warsop Vale. However on the restored pit tip of Shirebrook Woods there has been a fine display of bee orchids with many common spotted as well. There is one location near Spring Wood on the Nettleworth edge of the site where there was a carpet of orchids stretching for around a hundred metres.

If you are not familiar with Shirebrook Woods they are worth a visit. The majority of this site falls within Warsop parish, it was generous of Shirebrook colliery to deposit their waste over the county boundary! In the last couple of years more wildflowers have become established and there are good paths with fine views in most directions. You may even spot deer on the edge of the woods. There is a car park off Longster Lane at Sookholme.

Reports suggest that many bees, moths and butterflies are suffering this year following the late, cold spring. It could be a better year for the butterflies which appear later in July and August like the cabbage white. Late-flowering apple varieties are also expected to do well following some good weather for pollination in early June. Locally cow parsley seems to very prolific along roadside verges also causing problems on pasture land.

National surveys have shown that spring flowers like bluebells and primroses bloomed around three weeks late but had a longer flowering season than usual. Rooks are reported to be having a good year.

It was bad news for summer migrant birds arriving in Britain to a countryside lacking in flying insects with swallows, swifts and martins affected by the shortage of food. Some hibernating animals such as bats and hedgehogs emerged late and seem to be largely unaffected. Suggestions that slugs are having a bad year are not supported by evidence from my vegetable patch!

The wild flowers on the Hills and Holes are usually at their best in August with lady's bedstraw, knapweed, harebells, scabious, restharrow and vetches putting on a fine display on the section between Stonebridge and Warsop Vale. Elsewhere, bright yellow ragwort flowers dominate at this time of the year. The caterpillar of the black and red cinnabar moth feeds on ragwort. These caterpillars are black and orange to ward off predators who may view them as a tasty snack. However the caterpillar stores alkaloids from the plant which means that birds find them nasty to eat.

A sign of approaching autumn is the departure of swifts and the sight of swallows lining up on telegraph wires.

Grass is growing well. By early July the Footpaths Group have cut nearly five miles along our public footpaths with some paths having already received a second cut. Our campaign against Himalayan balsam seems to be having positive results around the source site near Shirebrook where we are finding far fewer plants than last year. Any volunteers wishing to join us for any of these tasks can contact us on the number below.

There will not be a footpaths group walk in August but we will be resuming our walks on the third Saturday in September.

Our Secretary can be contacted on 01623 846281.

WF&CG is a community group whose members share an interest in the countryside. We maintain the public footpath network in Warsop, we undertake conservation projects and we provide information about the local environment www.wfcg.org.uk

COME AND VISIT US.....YOU WILL BE RECEIVE A WARM WELCOME.

Sherwood Schools end of year roar

Following the success of last year's 'Schools Will Rock You' show, the Year 6 pupils at Sherwood Junior School are performing Disney's The Lion King.

The musical showcases the wealth of talent that the school has to offer, involving all aspects of creative arts. The staff are incredibly proud of all of the pupils and their achievements.

The Mill Dam

Mansfield District Council
Creating a District where People can Succeed

The Carrs

from Cllr Philip Shields, Portfolio Holder for the Environment at Mansfield District Council.

I write in reference to the letters that were published in the June and July editions of the Warsop & District News referring to the recent work carried out at the mill pond on the Carrs. A number of points were raised, which I would like to address and offer a point of clarity.

In 2010 Mansfield District Council and Nottinghamshire Wildlife Trust identified that the silt within the Mill Dam was gradually increasing and work was required to remove the silt to reduce the potential risk of flooding and possible damage to the natural habitat of the local wildlife.

In 2011 Nottinghamshire Wildlife Trust and the Council were successful in their application for funding from the Environment Agency to cover the costs of dredging silt from the Mill pond.

Soon after work began to appoint contractors, carry out surveys of the mill pond and take samples of the silt for testing.

Unfortunately the project experienced delays due to the results of sample testing of the silt in the mill pond, which showed unexpected high levels of trace metals. This required the partnership to reconsider how the silt was disposed of and a number of alternative solutions were explored.

From the outset of the project none of the options put forward to deal with the issue of the silt ever included filling in the pond. At a meeting of the partnership board it was explained that if action was not taken to de-silt the pond then the natural phenomenon of silt building up would fill the pond over time, but all agreed that action must be taken to prevent this from occurring.

The partnership board, which is led by the Environment Agency and includes Mansfield District Council, Nottinghamshire Wildlife Trust and the Friends of the Carrs, all agreed that the best way forward was to remove one metre depth of silt from the silt trap only and carry out some investigative surveying work with a view to carrying out a full de-silt of the mill pond for the second phase of the works (subject to obtaining funding).

A total of 50 tonnes of silt was pumped from the silt trap into a specially made storage sedibag, which allows water to filter through and retains all sediment materials within it for disposal.

Ahead of the works to remove silt from the silt trap, Mansfield District Council officers carried out a survey of trees overhanging the area to check for nesting birds. No nests were found and the trees were felled as they were causing disturbance to the river bank and made the silt trap inaccessible. They were also in poor condition.

Working alongside the wildlife trust, careful consideration has been given throughout the project to ensure disturbance to the wildlife is kept to an absolute minimum, which has resulted in birds continuing to nest in trees on the island, the swans have remained undisturbed and following completion of the project the fish have returned to the mill pond.

As expected, the work caused the water levels to subside which exposed a substantial amount of litter and waste in the pond. Mansfield District Council does regular scheduled litter picks on The Carrs and did litter pick as much of the river bank as health and safety regulations would allow.

Once exposed, the river bed is too unstable for our staff and the public to safely walk on and remove the debris and rubbish. To allow us to do this work, it would require costly equipment. This would be included in the second phase of works, again, subject to obtaining funding.

I would like to make it absolutely clear to the residents of Warsop and visitors to The Carrs that there is no truth in the rumours that the Council ever suggested the pond should be filled in.

Mansfield District Council is committed to improving The Carrs for the benefit of all and will continue to work with the Friends group, Nottinghamshire Wildlife Trust and the Environment Agency to achieve this.

Friends Of The Carrs made a formal request for details and all relevant documents/reports regarding the project to de-silt the Mill Dam via our MP to the Environment Agency. The EA have replied with a summary response to the issues we raised. We still await the relevant documents and reports and will respond in due course. They requested a meeting with FOTC and this was held on Thursday 26th June.

FOTC expressed our concern that they and the Wildlife Trust, two members of the Partnership set up to progress the project to de-silt the Mill Dam, had not been kept informed of progress, or lack of it. The farmer who had agreed to accept the silt onto his land had similarly not received any information and he had left an area fallow to allow the silt to be spread last autumn.

The EA were not aware of this and apologised. They admitted that there had been a major breakdown in communications and they had learnt from this. They had thought others were keeping us informed but this was not the case.

The funds available to EA to de-silt the Mill Dam in house was not used during 2012 due to staff being redeployed to more urgent flooding matters during the wet summer. This had never been stated or recorded previously. The funds had however been used to de-silt the silt trap in April 2013 using external contractors and we have reported on that work previously. The cost of the work on the silt trap to date has amounted to £55,517 and this does not include costs incurred by Mansfield District Council and the WLT.

The silt trap was constructed some thirty years ago by either Severn Trent or the River Authority and construction details could not be found. The silt trap is considered to be in need of repair and this will be done in the coming weeks. The first quote requested for the work was £26,000 and was considered too high and so alternative methods/prices are being obtained.

FOTC have now received assurance that MDC will help to identify funders and make applications. This is indeed a big step forward for FOTC. It is estimated a sum of some £150,000 will be needed to de-silt the Mill Dam, stabilise the bank of the island that is gradually sinking and spreading into the Mill Dam and carry out tree surgery work on the island. The EA are also prepared to help to find funders. Specification for the works needs to be re-examined and tenders requested. It will not be easy to find such funding.

The de-silting will not be carried out until either the funding can be acquired or the owners of the Mill Dam, MDC agree to finance the work.

The various licences/permits needed to carry out the work are still valid and will be made available as needed.

FRIENDS OF THE CARRS

**LOCAL
COMMUNITY
CHEST**

In partnership with

The Rotary Club
of Warsop, Shirebrook & District

The next round of funding from the Big Warsop Local Community Chest is now available - grants will be made up to £500 per group. (Closing date 24th September 2013)

The Community Chest funds projects which will benefit the Parish of Warsop, covering capital costs, revenue costs (hire of rooms etc).

To be eligible a group must:

**Be a registered charity or
Have a set of Rules (a Constitution) or
Be working towards a Constitution.**

LOTTERY FUNDED

Groups who have benefited so far include:

Meden Vale The Future, Hetts Lane Holiday Club, Warsop Carnival Committee, Warsop Infotech Group, 1st Warsop Guides & Brownies, Warsop In Bloom and Warsop Wheelies BMX Club.

For more information please contact:

Lesley Watkins at Mansfield Community & Voluntary Service on 01623 651177 or email to: lwatkins@mansfieldcvs.org

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres. Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/paintopendays/>

The Friends of Thynghowe
Thynghowe and the forgotten heritage of Sherwood

July 1st saw the last event of our Heritage Lottery funded project 'Thynghowe and the Forgotten Heritage of Sherwood'. A class of Year 6 pupils from Church Vale School joined us for a couple of hours exploring World War II archaeology in Birklands Forest.

We all had a great time although woodland archaeology is easier in winter when we don't have nettles and brambles to contend with! Many local youngsters have discovered a lot about their heritage that is to be found in the woods during the five school visits over the last few months.

We have already started planning our next programme of events. On October 24th we will be holding our AGM when there will be an update on progress with our research, details of future projects and a chance for a good chat! On November 23rd we are planning a workshop session where we will be hoping to gain new insights into the past of the Forest by using a computer and projector to overlay old maps, LiDAR images and aerial photographs.

In early 2014 we intend to complete more investigation of sites in the woodlands revealed by our LiDAR survey and we also plan to walk through the Forest retracing the lines of the ancient trackways that connected Warsop and Edwinstowe. These events are for members of The Friends of Thynghowe, so why not join us?

If you have any questions or comments please contact us on thynghowe@warsopweb.co.uk

For more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website:

www.thynghowe.org.uk

2 Shires Credit Union

Save & Borrow

Budgeting with your credit union. Credit unions aim to help people take control of their money, by encouraging them to save what they can and borrow only what they can afford to repay. They are community savings and loan co-operatives, where members pool their savings to lend to one another and help to run the credit union.

Membership requires proof of identification and a one off non-refundable membership fee of £2.

- **Savings accounts** ●
save as much or as little
as you like as often as you like
- **Christmas savings** ●
to make Christmas more manageable
- **Junior savings** ●
for anyone under 16

Benefits of membership:

- Excellent way to save ● Low cost affordable loans ●
- Typical interest rate up to 26.8% APR. (Well known doorstep lender 272.2% APR) ●
- Free life insurance - conditions apply ●
- Collection point: Warsop Town Hall • Thursdays - 10am-12noon ●

Save for Christmas

Budget with your credit union for a debt free festive 2013.

- Spend your saved cash in the stores you want, for the gifts you saved to buy ●
- Dividend of 1.5% paid on saving last year ●
- Local collection points for cash deposits or pay by Standing Order ●

Save	Weeks	Total
£5	45	£225
£10	45	£450
£15	45	£675

NO MINIMUM DEPOSIT

- Saving means no worry, no debt, no large credit card bills.
- Budgeting makes Christmas more affordable.
- No commission paid to agents.
- Live local, work local, save local.

Meden Vale

Registered Charity
 No. 1115359

The Future

The 12th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 25 June 2013. 6 members of the Community were present. 6 apologies were received.

The Representative from Meden Vale Sports Association was not present at the meeting but emailed an update. This included the following; £16,000 had been received from the Olympic Legacy Fund towards site security fencing; a request for funding to Stadia Development and Veolia Ltd were being prepared; £650 has been received from the Charity Shop to provide the two youngest teams with football kits for the start of the new season; the Sports Association is due to meet late July/early August to target further funders.

Re Adult Learning, the cake decoration course is still in progress. Wednesday 25 July is still the scheduled date for the next Welbeck Colliery the Future meeting.

The Treasurer reported that a cheque for £500 has been received from the Big Warsop Community Chest. The finances of the Charity are still precarious but not yet disastrous.

The re-siting of the Post Office is still unclear in terms of timing and location.

Planters have now been installed on Netherfield Lane, one opposite Prest Avenue and two at the bottom of Egmanon Road (telephone box end). The pit tubs on Elkesley Road have been planted by Eastlands Junior School who will be keeping them tidy.

The ongoing problems with defective/damaged street lights continue to be monitored.

Next meeting will be on Tuesday 6 August 2013 at 7.30 pm. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Warsop Mens Probus

President Hugh Ashton welcomed 27 members and guests to a debate about the future venue of the Probus Club of Warsop.

Eventually it was a unanimous decision to keep meeting at the Parish Centre, but to keep costs down, to meet only once a month rather than twice.

Two pupils from the Meden School, Jack Kelly and Rebecca King, who were accompanied by a member of Staff were presented with the Probus Club's "Bradley" award which is awarded for outstanding achievement at school. The award consisted of a framed certificate and a cheque and is given annually by the club to the school.

After a break in the bar all the members and guests enjoyed lunch together and the club then started their summer vacation, the next meeting being 11th September.

Hugh Ashton, President

WARSOP MENS PROBUS CLUB

The club is a long established luncheon club meeting on alternate Wednesdays at the Parish Centre.

The club has a programme of interesting talks, discussions and the occasional outing. Use is made of the Stable Bar before sitting down to a well prepared and reasonably priced meal.

THE CLUB WELCOMES NEW MEMBERS

If you are interested in becoming a member please telephone:
 Tom Hughes (Sec) 01623 842385 or Hugh Ashton (Pres) 01623 846748

Warsop Wives Group

On June 11th we held our Annual Brass Band Concert with Shirebrook Welfare Brass Band.

The Tudor Barn was full and we raised nearly £300 for our charity funds. Thank you to everyone who came and supported us. On June 25th we held a silent auction in the Fitzherbert Room where members raised £80 for our charity fund. We also played prize bingo.

Future meetings include:

- Tuesday 6th August - Whats my line?
- Tuesday 20th August - Knit & Natter

Irene Hodgson

Warsop Inner Wheel

The Inner Wheel Club of Warsop held its annual changeover on July 3rd at the Hostess Restaurant. Outgoing President Sue Pasierb presented a cheque for £3500 to Malcolm Wells MBE, who is the national speaker for the charity Canine Partners, which was Sue's chosen charity for her presidential year.

Donations were also presented to Rotarian Steve Lunn who collected a cheque on behalf of the Oaklands Centre and John Fretwell who collected a cheque on behalf of Warsop Sporting Trust.

Incoming President Sue Lunn was then inducted and she announced her committee for the coming year. The new President of Warsop, Shirebrook and District Rotary Club Andrew Perry brought greetings from the Club and told of his vision for his presidential year.

For any information about Warsop Inner Wheel visit our website

www.warsopinnerwheel.co.uk

Julia Wright - Club Correspondent.

Air Cadets climb to the sky

Air Cadets from Warsop recently went to RAF Digby for an introduction to indoor rock climbing. Cadets learnt basic climbing skills as well as the teamwork involved in belaying and communication skills spotting routes for other cadets. The session formed part of the training for the NICAS climbing award which can be used towards the Duke of Edinburgh Award.

The Other activities the cadets have been up to include a visit from the armourers from the RAF Regiment showcasing the equipment used by front line troops, working at the RAF Waddington International Airshow selling programmes and raising the profile of the organisation as well as first aid training towards gaining St John Ambulance Qualifications.

Warsop Air Cadets are actively recruiting new cadets. We offer 13-18 year olds the opportunity to go flying and gliding, adventure training, target rifle shooting, compete at sports, go on camps in the UK & overseas as well as gain academic qualifications and take part the Duke of Edinburgh's Award scheme.

For more information contact us by email oc.1208@aircadets.org or find us on Facebook or twitter.

THE ROYAL BRITISH LEGION

Our youngest member of the branch, Saskia Clarkson is 13 years of age.

People often moan about our young people but Saskia, on her 13th birthday, decided to raise some money. Not for herself, but in memory of her brother, Ashley Clarkson. Saskia arranged a cake sale at school and raised £100. This money will be used to help serving and ex-service people in the Mansfield area. Well done Saskia, keep up the good work.

Saskia hands over her donation to Branch Chairman, Brian Marples watched by her dad, Wayne.

The unmistakable Red Arrows, just one of a number of flypasts.

Members represented Nottinghamshire County at Armed Forces Day in Nottingham. Usually held at Wollaton Hall, this year it was held on the Trent Embankment. It was much larger than previously as this was the National event with better displays and a number of flypasts, including the Red Arrows.

We had a very successful event, meeting some of our beneficiaries, telling them of the help they might receive from The Royal British Legion. Several new members were signed up for various branches around Nottinghamshire. We had on sale a varied number of Legion related pin badges which made us some money too.

Very topical with next year being the 100 year anniversary of the outbreak of WWI, we have Tim Priestley talking about Clipstone Camp at our next meeting on the 12th August. Doors open at 7.30pm at The Memorial Club, Bishops Walk. All are welcome to attend.

News update by:

Pete Hopkins - Branch Secretary

Brown bin takes the heat out of summer

Summer has finally arrived and gardens are in full bloom, so why not save time and hassle of having to take your garden waste to the recycling centre by joining Mansfield District Council's garden waste scheme?

Thousands of residents have already joined the scheme, which costs just £25 for the year round service. Your brown bin will be emptied fortnightly from March to November and monthly from December to February.

You can use the bin to recycle:

- grass cuttings
- hedge trimmings
- leaves
- small branches and twigs
- plants and weeds
- cut flowers

Cllr Philip Shields, Portfolio Holder for the Environment, said: "We would encourage everyone to make use of this excellent garden waste collection scheme, which enables people to have their garden waste removed from their doorstep without the fuss and mess of going to the tip. The scheme means that residents can separate their compostable garden waste, which helps to reduce the amount of waste sent to landfill and reduces the amount of greenhouse gases produced.

"This is an all year round service, which not only saves you time and effort, but contributes to the District's recycling rate."

There are a number of ways to join the service:

- Call our dedicated garden waste team on 01623 463 463 and pay by credit or debit card.
- Apply online at www.mansfield.gov.uk/gardenwaste We will then send you an invoice detailing how you can pay for the service.

Robin Hood Festival

Prepare for medieval mayhem and merriment!

This year's annual Robin Hood Festival will take place from Monday 5th August 2013 to Sunday 11th August 2013.

The event is a major celebration about the famous Nottinghamshire outlaw and takes place in his legendary home of Sherwood Forest.

Managed by Nottinghamshire County Council, the festival is now in its 29th year and will once again have an action packed programme of activities every day to interest the whole family.

And the free family festival, held at Sherwood Forest Visitor Centre, near the historic village of Edwinstowe, will once again be one of the highlights in the county's leisure calendar this summer – whatever the weather!

During the festival, Robin Hood's regularly scuffles with his old adversary The Sheriff of Nottingham, while archery, falconry and jousting (the latter two on selected days) will provide visiting crowds with a taste of medieval entertainment and skill.

The festival is further brought to life with entertainment from street performers depicting what life was like in medieval times. These will include musicians, jesters, jugglers and market traders with a whole host of stalls, re-enactments, performances and other activities to entertain young and old alike.

Last year Robin of Sherwood took to Twitter to announce plans for the festival for the first time and this year social media will again feature as part of the exciting build-up to the week.

For more details about this year's Robin Hood Festival, and to view a gallery of images and a video from last year's festival, visit the Nottinghamshire County Council website:

www.nottinghamshire.gov.uk/robinhood

OUT & ABOUT

Rufford
• Midland Kite Flyers

17th-18th August, 10.00am - 4.00pm

Come and see these expert kite fliers in the grounds of the Abbey. Rufford is classed as a 'challenging' site to fly a kite, and this is a great opportunity to pick up some tips. A kite workshop will be open each day and there is an opportunity to make your own kite for £2.00. Suitable for wheelchair users.

• Drumming For All

Sunday 25th August, 11.00am - 4.00pm

Everyone has rhythm so come along to Rufford Country Park and join in 'drop in' hand drumming sessions under the expert guidance of Neil McCarthy.

Everyone of all ages are welcome to have ago and you will soon realise there is nothing more relaxing than to feel the beat! Suitable for wheelchair users. FREE

Sherwood Forest
• 29th Annual Robin Hood Festival

Monday 5th – Sunday 11th August 2013

FREE EVENT. £5 car parking

• Meet Robin Hood

Monday 12th August

11am - 12.30pm, 1.30 – 3pm

After the hustle and bustle of the Robin Hood festival, take time out to find and chat with Robin Hood as he wanders about the paths in Sherwood Forest. FREE EVENT

• Simple Tom – The Mischief Maker

Saturday 17th August

Between 12noon & 4pm

Mischief making guaranteed to put a smile on your face wherever you might bump into this playful buffoon! FREE EVENT

• The Birkland Outlaws

Tuesday 20th August

11.30 am – 1pm & 1.30pm – 3pm

Come along today and meet 'retired' outlaws Hob and Ket, listen to their tales of daring exploits and learn more about forest life in medieval time FREE EVENT

CHANGES TO CUCKNEY & DISTRICT BUS SERVICE

A small slip of paper through the letter boxes of the residents of Cuckney, regarding the changes to the Cuckney bus service, resulted in a shambolic meeting on the corner of Riverside Close.

There followed a series of quick fire questions and comments on what the residents would need and what they would like for a better bus service in Cuckney district. Unfortunately, nothing came of it.

Later, residents were asked to contact www.surveymonkey.com/s/RJLQS8V to fill out a questionnaire on their views (and needs) for an admirable bus service, also the possibility of integrating a mini-bus service. I went on line myself only to find (as many others had found) the survey was closed indefinitely. Residents were then advised to check with a member of Cuckney Parish Council for further information.

I chatted with a couple of Cuckney residents and one of them said all she had gathered from the meeting was "There may be changes to the present bus service; or there maybe not...there may be mini-buses; or there may be not...but we might see some results next March...or maybe not...I dunno." Another resident said he thought the present bus service had been changed about three months ago and has become a liability, he thought they should have left it as it was. He hopes the service will be revised again in the near future, In conclusion....I dunno.
