PROVIDED BY WARSOP & SHIREBROOK ROTARY CLUB MERRY CHRISTMAS FROM ALL OUR MEMBERS.

EDITOR'S LETTER

Christmas will soon be here, hope you've nearly finished your shopping, I'll be the one still rushing around on Christmas Eve snapping the last few bits up and every year I say I am going to start early, yeah right!!!! Before you know it we will be sat on the sofa undoing the buttons and settling down to watch the Queen's speech and all the soaps! I for one am looking forward to this Christmas, new home, new man, new start, look out 2014 I am coming to get you!!!!

I am looking forward to seeing you at the Christmas Market, and of course, our Panto, Snow White and the Seven Dwarfs. Oh yes I will lol!

OMG!!! Just realised I'll be a year older at the start of the New Year, this is not good!

So all that is left for me to do is to wish you all a Merry Christmas and a Happy New Year from me, Chris, Gemma, all the deliverers and all the volunteers in the Town Hall, that keep me sane all year xxxxxxxx

GARDENING MONTHLY...

General tasks & garden maintenance

Carry on digging over beds and borders and incorporate as much organic matter as you can. Forking over not only helps prepare the soil for next year, it helps reduce pests by exposing them to hungry birds.

Protect pots and taps from frost by wrapping insulation around them. Bubble wrap is ideal and probably in plentiful supply if you are ordering Christmas presents over the internet!

Clear paths of moss and lichen, treat timber with preservative, repair fences, check sheds and walls (but avoid any concreting until there is no chance of frost), clean and insulate greenhouses (that bubble wrap again!) and ensure heaters are working properly. Even a little insulation will make a huge difference to your heating bill.

Clean and repair your garden tools and clock the lawn mower in for a service. New tools are always a welcome present, as are new gardening gloves.....especially good quality ones.

Clear debris - this is vital to prevent slugs and snails from setting up home in those lovely warm and damp conditions! However, a plea for wildlife... an artless pile of sticks and logs will make a wonderful 'des res' for hibernating hedgehogs and the like, so please don't be too ferocious on the tidying front. Make leaf mould out of fallen leaves - they will rot down into fantastically fertile matter after a year (2 for oak leaves). Store wet leaves (they must be wet to rot) in large black plastic sacks forked with holes or piled into a chicken wire container or similar. Failing that, add them to the compost heap. Take care not to let leaves accumulate around alpines - they will die if left damp for long. Cover bare patches around clumps with gritty compost to encourage regrowth.

Friends Of The Carrs

We had a meeting with MDC in August and they promised all necessary assistance to help us obtain funding to dredge the Mill Dam.

MDC produced a letter stating that as owners of the land they supported the funding application to be applied for and gave permission for the project to proceed. Nottinghamshire Wildlife Trust identified a funder and submitted a letter of intent together with the supporting letter from MDC. However the letter from MDC was not sufficient as it did not state that they were prepared to accept the funding on behalf of FOTC and pay the invoices as required.

FOTC and NWT have been requesting this additional confirmation from MDC for some two months but at the date of writing this item (7th November 2013) no response has been received. Phone calls are ignored and e-mails similarly receive no replies. This confirmation is urgently required as without it the funding application cannot be made and the opportunity for dredging the Mill Dam in 2014 will be lost. MDC are aware of this and FOTC and NWT are unable to act.

It is estimated that the reeds growing across the Mill Dam will have cut off what little water flows through it within a year and we will be left with a muddy stagnant pool. Is this what MDC really want? They quickly responded when we reported the suggestion from the parks officer that the Mill Dam could be grassed over saying it was a "flippant remark".

We still have the support of NWT, Warsop Parish Council and the local farmer. We obviously do not have the support off MDC--WHY??

Bird Notes...

Hello folks

As this is the Christmas issue I thought I'd talk about Britain's national bird, the Robin. Many, if not all of you will be able to recognise this familiar garden bird.

Originally a bird that evolved to live in the large boreal forests that came to dominate Northern Europe as the last Ice Ages finally retreated. In Britain as woodland was later cleared for agriculture and especially when coppicing became the main use for woods and man began to bring his livestock into these areas, the Robin began his close association with us; firstly by following the pigs and cattle etc., and taking advantage of the insects and other food disturbed by the animals. With the coming of the enclosure of fields and the planting of hedges, some Robins moved out of the forests into new habitats.

With the advent of houses with gardens a new opportunity arose and the Robin took full advantage along with other mainly woodland species such as the Blackbird and Wrens and Dunnocks. Only the Robin however, has overcome its fear of man to the extent that many of us while digging the garden will have had a Robin within a foot or so of where we are working taking advantage of the insects that we disturb.

The Robin is easily identified by its orange-red breast and upright bounding stance, with a closer look you will notice the smoky grey border to the breast. The male and female are indistinguishable from each other (contrary to popular public belief).

Robins can be heard singing throughout the year. Their song however, is said to be more melancholic in autumn and winter.

Many Robins from Europe visit Britain for the colder months to avail themselves of our relatively milder climate, this can mean that 9 out of 10 Robins observed are of Continental origin.

Robins are easily attracted to your feeding station by the provision of livefoods such as mealworms. As the weather warms up their chosen nest site will often be in thick ivy or a similar creeper, or perhaps well hidden on a bank in grass. They will often accept a nest box of the open-fronted design.

WARSOP Footpath & Countryside Group

As the end of 2013 approaches we can reflect on the fluctuating weather of the past year and its impact on the countryside. It has been a good year for chestnuts, late emerging butterflies seem to have done well and autumn fungi have had a long season due to no early heavy frosts.

The wet weather in late autumn has once again highlighted the drainage problems on several of Warsop's rights-of-way. Oakfield Lane between Redbrick House and the tip is almost impassable in places due to flooding and deep ruts. The state of this byway has been communicated to the County Council who are responsible and we will have to wait to see whether they have the resources to fulfill their obligations. The state of this route is largely due to its use by the Veolia skip lorries.

We are so lucky to have such excellent and varied countryside around us so why not make time to wrap up and get out and enjoy it over the Christmas holiday? And how about a New Year's Resolution to become involved in conservation work. Warsop Footpaths & Countryside Group and the other organisations operating in our area welcome new recruits. Volunteering for conservation work is a great way to get out into the countryside, keep fit, make new friends and make a contribution to keeping our countryside such a brilliant place. Apart from our group there are many other groups you may join. The Nottinghamshire Biodiversity Action Group website (www.nottsbag.org.uk) is a good place to discovering which groups operate across the county.

Looking back over 2013, Warsop Footpaths and Countryside Group's achievements include cutting grass along around ten miles along Warsop's public footpaths network, surveying water vole habitats on part of the River Meden, pulling over 20,000 Himalayan balsam plants from along our waterways, cutting the grass and brambles on a Site of Special Scientific Interest and on a Local Nature Reserve, coppicing trees, maintaining hedgerows and replacing or repairing signs on our footpaths. This may seem like a lot of work but for most of the time it is good fun and we do it because we enjoy it! However, as the volunteers grow older we cannot predict how long we will be able to continue with all of these tasks unless some new members join us. Please get in touch if you feel you may be able to help in any way.

Our winter tasks will include hedge maintenance once the hedgerow fruit has been consumed by the birds and some work on the Carrs Local Nature Reserve. This has been an excellent year for fruit in the hedges. Folk-law suggests that this is a sign that a harsh winter is coming but maybe it is simply the results of a good combination of wet and sunny weather earlier in the year.

Our next Footpaths Group walk will be on Saturday 21st December. This is our Christmas walk so it may involve a different start time plus mulled wine and mince pies along the route so contact us if you would like to join us or would like more details.

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council
run a Community RePaint scheme
at Beeston, Calverton, Newark
and Warsop Recycling Centres.

Public donations of paint
accepted at these sites are
checked by the site staff and any tins that contain
good quality reusable paint are put aside in a
designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout
the year, to community and voluntary groups registered on the
scheme. The paint cabins at Beeston, Newark and Warsop started
collecting paint in March and are filling up well with reusable
paint so we're inviting groups in your area to apply so that they
can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable
paint so far but we're always keen to help even more.

For further information about the scheme downloadable
application form visit:

BIG WARSOP

A FIRST FOR WARSOP AND A FIRST FOR THE UK

The new Warsop Community Chest was celebrated recently at a joint meeting of the Rotary Club of Warsop and "Big Warsop" – the local Big Lottery initiative. This new partnership means that local community groups and organisations can access grants of up to £500 with a minimum of fuss and form filling. Grants are made by a joint Rotary/Big Lottery panel based on money raised and donated by Rotary and match funded by Big Warsop.

The picture below shows members of the Rotary and Big Warsop organisations, together with representatives of organisations who received grants in the first round. Round 2 has recently been awarded and a further 10 organisations have benefitted. The next grant round will be announced early in the New Year, so watch out for the dates in the Warsop and District News.

The Community Chest is the first time Rotary and The Big Lottery have joined forces in this way, anywhere in the UK, putting Warsop in the centre of innovation and the Rotary Club leading the way nationally.

Pictured from left to right: Cllr Phil Shields, Simon Wragg (Warsop Infotech), Graham Hall (Welbeck Welfare FC), Mike Johnson (Warsop Infotech), Michael Smith (Chairman Big Warsop), Jane Daniels (Hetts Lane Holiday Club), Andrew Johnson (Big Warsop), Val Fowler (Hetts Lane Holiday Club), Halina Kochanowski (Big Warsop), Stuart Whittle (Big Warsop), Lynn Goff (Warsop In Bloom), Andy Perry (President of Rotary Club of Warsop), Cindy Saxton (1st Warsop Guides), Bill Timmons and Richard Dalton (Meden Vale the Future), Phil Lyons (Chairman of the Community Chest) and Barry Wetton (Rotary Club of Warsop).

MS UPDATE

Hi Folks, O.K., this year has put on a pair of roller-skates!! Christmas is just around the corner AGAIN, and I am no way prepared for that event. I am still trying to get over a brilliant summer.

Our volunteers have been kept busy raising MS awareness, and raising funds to improve the quality of life of our MS patients locally. We had a really successful week in the Four Seasons, in September. What delighted our members most was the questions asked about MS, and its effects on sufferers. Explaining to the public about Multiple Sclerosis is so important, as many people do not know what MS actually is.

From now till Christmas, the Branch has a whole variety of activities to organise, starting with a fundraising event on November 16th, in the Idlewells Centre, in Sutton-in-Ashfield. Then, we are involved in the Mansfield Christmas Market, on Thursday December 12th, from 6-9pm. We are doing a Christmas Tombola, full of prizes linked to the festive season. Please come and have a "go", as all money raised goes directly to MS patients. After that, we are holding our annual Christmas dinner and raffle, at the Oakham Suite on Nottingham Road, on Saturday, December 21st. Again this year, Steve Hicken, a local singer, will be entertaining us all during the evening. I think all of these events will keep us fully occupied till 2014!!

There are several other activities in the pipeline. Irene Gilbey, our Events Co-ordinator, is organising a Coffee Morning, at Mansfield Library Cafe, on Monday from 10am till 2:25pm, for MS sufferers. The idea behind this is to give MS patients a place to gather, and talk about MS and its effects on them. If this proves successful, it will become a weekly event. For any further information, contact one of our Freephone nos. 0800 542 0901, or 0800 054 2490.

Our first day-trip in the MS wheelchair vehicle went out on October 31st, to Downtown. Everyone thoroughly enjoyed the day, including our driver, David Keward. He is looking forward to taking Branch MS patients to other venues before Christmas.

Finally, a huge "Thank-you" to the Railway Inn, Mansfield, who have yet again filled another of our collection tins to the very top. Many thanks for your continued support - it is so much appreciated!! Another huge "Thank-you" goes to the Baptist Church, on Chesterfield Road, whose fundraising event raised £183.30 for our MS members. You are all wonderful!! As a local charity, we are so grateful for any donations, as they all help to make things easier for our MS patients, and their families.

Well, folks, I am running out of steam - no comments are needed! Remember that our monthly Socials are still held at William 1V (Top House), on Stockwell Gate, from 7 till 9pm - good company, good buffet, good evening!! Although we have a new driver for our day-trips, we need a bank of other drivers to call upon for transport to Socials, respite care, appointments, etc., so if you can help us it would be really appreciated. Just call our Freephone nos., which are written above.

All that is left for me to do is wish you all a very Happy Christmas, and a healthy and prosperous 2014. Thank-you for all your help, and support throughout the last year. We cannot maintain our support to our MS members, without your support!

Lynne Willetts

Best wishes are sent to you from all at Limestone House for a Very Merry Christmas and a Happy, Healthy and Prosperous New Year

The Trustees of Elmtun & Creswell Village Company, based at Limestone House, thank everyone for the support they have given in many ways to sustain this Charity:- i.e. donating items for the Charity shops, volunteering to work for the benefit of the Community and locality, visiting the Heritage Centre and the Memory Lane Cafe, supporting the Limestone House E Bay sales by the seller greensleeves88 and thank you to our local Newspapers who promote the activities at Limestone House and Limestone Studio.

Derbyshire County Council Adult Education are providing a free 'Roll on-Roll off' Computer Course for people out of work at Limestone House from 10am to 12noon from Thursday 14/11/13. The students will learn Basic Computer skills, also how to use the Internet and E mail and they will gain a qualification. Contact 01909 724061 to book your place on the Course. The 'free' drop in Job Club continues on Tuesdays in Limestone House from 1.30pm to 3.30pm; we can help you so come along and join us.

The Elmtun with Creswell Local History Group have changed their displays in the Limestone House Heritage Centre which includes some wonderful photographs of Creswell Grips and Creswell Craggs. The Local History Groups 2014 Calendar, which remembers the War years, is now available in Limestone House and the colourful book, 'A Century of Creswell Junior School', also available makes an ideal Christmas gift.

The Memory Lane Café in Limestone House is open from 9am to 4.30pm from Monday to Friday and is also open from 9am to 12noon on Saturdays and from 11am to 3pm on Sundays. The name of the Café has prompted two Creswell residents to share their memories and photographs as the current feature displays their memories of 1989 when the Berlin Wall (The Iron Curtain) came down and the display also includes some chippings taken from the wall. Come along have look at this piece of history on display at Limestone House.

The Limestone Youth Rock music project held this summer in the Limestone Studio, funded by Derbyshire County Council, has now ended. 23 young people were able to come along on Thursday evenings and practise music, jam together, write songs and record a song and music video.

After School Activities for Junior School children are on-going until 16th December 2013, funded by the Limestone Journeys project 'Past Present and Future'. The children are researching the local Heritage, Landscape and Environment and giving their views on what they want for the future. Their findings will go back to their school, and to the Limestone Journeys project and will also be displayed in the Limestone House Heritage Centre so that others can find out much more about this locality.

Welbeck Estates Brass Band

Since its formation in 1980 Welbeck Estates Brass band has had a home in a converted barn in Holbeck on the outskirts of the Welbeck Estate. Over the years the band room, and the surrounding buildings, have deteriorated and the Estate now has plans for complete redevelopment. A happy consequence of this is that the band now finds itself re-housed in the modern and well-equipped Education room within the Estate itself. This is the start of a new chapter in the life of a friendly and successful local band and there is renewed enthusiasm in practices held in the beautiful (and usually quiet!) rural North Nottinghamshire countryside.

As well as the considerable benefit of an excellent new practice room Welbeck Band has a comprehensive music library, a good set of instruments for the senior band and for beginners, and a competent and inspiring musical director with many years experience playing in championship section bands. However, the band is short of players in all sections but particularly on cornet and percussion, the principal cornet having just left to continue education at Nottingham University. Some promising beginners practise on Wednesday evenings and may soon join the back row cornets although they are unlikely to fill the principal cornet's chair in time for next year's engagements. So, the band is looking for players and one of them could be YOU!

The band's next engagement is the Christmas Concert at The Lady Margaret Hall at 2pm on Sunday afternoon 8th December where the music will be a selection from the classics, pieces written especially for brass band and followed by more traditional Christmas music, arranged for brass band, in which a melody may be familiar but perhaps hard to place! If you already play a brass instrument, come and join us in practice for this concert, alternatively just come along to the band room, experience a practice session and meet the players at half time over a cup of tea/coffee and biscuits.

The band practises every Monday and Wednesday evening from 7:30 to 9:00 and beginners (of any age) practise between 7:00 and 7:30 on Wednesdays. Anyone interested in joining the band can obtain further details by contacting the band's musical director, Geof on 07730 569498 or secretary, Christine on 01623 740324 or alternatively email at welbeckestatesband@hotmail.co.uk

Framework Christmas Appeal

This Christmas, homelessness charity Framework is asking for public support to help make the future brighter for local homeless and vulnerable people. The charity, which has supported more than 9,500 local people over the last year, launches its Christmas appeal by showing how as little as £10 can make a long-lasting difference to someone in need.

Chief Executive Andrew Redfern said "Framework does all it can to make local homeless and vulnerable people feel thought of at this time of year.

If you are able, please donate just £10 to buy a Christmas gift or meal for one of the people we support. This is a wonderful way to ensure that someone you don't know feels part of Christmas and everything it means. The impact may well be an enduring one"

Framework is also highlighting the ways in which just £10 could make a long-lasting impact during the festive period and throughout the year to come. It could:

- Provide some of the basic essentials needed when someone with few possessions moves in to a home of their own – because four walls alone is not enough.
- Help a sick or lonely person to keep vital appointments – such as a hospital appointment or even a visit to their estranged family.
- Open the route to volunteering – an important step back to working life.
- Let us answer the emergency calls of two rough sleepers and give immediate help.

This Christmas, give someone a brighter future. Donate by sending a cheque made out to "Framework" to: Framework, Val Roberts House, 25 Gregory Boulevard, Nottingham, NG7 6NX or by visiting www.frameworkha.org/brighterfutures

If you can, please also consider making your support go further to build futures by donating £10 each month. Contact fundraising@frameworkha.org for more information.

A New Face At Your Local

My name is Sean Langley and I took over the Crates and Grapes 5th Nov 13, so its under new management.

My aim is to get the Crates and Grapes into a warm and very welcoming local bar. We have Sky TV for all your Football and Horse racing.

As a new landlord I am looking forward to meeting everyone and will listen to any suggestions about the pub to make it your local pub because at the end of the day it's your local pub I am here to manage and run it.

Kind Regards
Sean Langley

Achievements all round

A group of 39 members of 2nd Warsop Cubs, Scouts and Leaders enjoyed a fantastic weekend of activities on a recent trip to the PGL activity centre at Caythorpe Court, Lincolnshire.

Activities undertaken included high and low rope courses, climbing, abseiling, vertical challenge, zip wire, rifle shooting, archery, quad biking, aeroball.

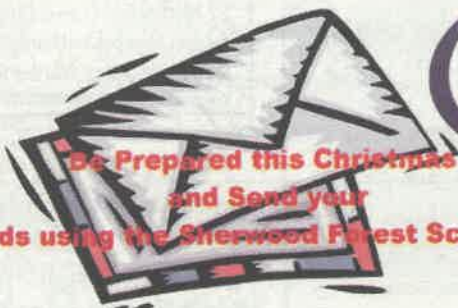

All the young people achieved something new with many conquering fears they had and suprising their parents on return at what they had achieved.

Tears of fears on activities were soon replaced with tears of happiness and smiles when the activities were completed.

Neighbourhood Planning

Warsop Parish Council has agreed the establishment
of a Neighbourhood Plan and has appointed a
steering group to proceed with it.

What is Neighbourhood Planning?

The Localism Act 2011 introduces statutory Neighbourhood
Planning in England. It enables communities to draw up a
Neighbourhood Plan for their area and is intended to give
communities more of a say in the development of their local area
(within certain limits and parameters).

These plans will be used to decide the future of the places where
you live and work giving opportunities to:

- Choose where you want new homes, shops and offices
to be built.
- Have your say on what new buildings should look like.

**Tell us how you would like to Warsop
Parish improve in the coming years.**

The Rotary Club of Warsop, Shirebrook & District

The club met on Thursday 24 October 2013, at the Hostess Restaurant. President Andrew Perry chaired the meeting.

A large number of visitors and groups were present to mark the first in a series of awards from the Warsop Community Chest. This is a joint Rotary and Big Lottery fund, the first in the UK, and will be the subject of a bigger article at a future date.

Awards of £500 each were given to Hetts Lane Holiday Club (represented by Val Fowler and Jane Daniels), Infotech (represented by Mike Johnson and Simon Wragg), Meden Vale the Future (represented by Richard Dalton), Warsop in Bloom (represented by Lynn Goff), 1st Warsop Guides (represented by Zoe Pickering and Cindy Saxton) and Welbeck Welfare FC (represented by Graham Hall). Warsop Wheelies were also funded but were unable to be present. Michael Smith, chairman of Big Warsop - the local lottery partnership, was also present along with Board members Halina Kochanowski and Stuart Whittle and advisor Bill Badham.

The Mr. and Mrs. event at the Oaklands raised £500 for the centre. It was announced that 15 local organisations have entered the Rotary Xmas Prize Draw which will soon have raised over £100,000 for Warsop and Shirebrook charities.

Rotarian Alan Kelly informed the meeting that Stubbinwood School would be celebrating the opening of the new school on 8 November. The club will again support an event at the school by providing prizes for a bocce day or similar.

The Club met at the Hostess Restaurant on 7th November. 24 members were present with one guest Rob Bower.

It was reported that over 60 attended the Bonfire at Aukland Farm Ompton, home of Rtn John Benison. The speaker was David Tideswell who gave a hilarious, but most enjoyable talk on the birdlife in Warsop.

Warsop Inner Wheel

Warsop Inner Wheel held its 41st Charter celebrations at the Hostess Restaurant Sookholme on Wednesday 6th November.

President Sue Lunn is pictured with Chairman of Inner Wheel District 22, Mrs Carole O'Connor, Rotary President Andrew Perry, Vice President of Inner Wheel Terry Newton, Secretary Lynne Goff, Treasurer Gloria Humphrey, District Member of Council Terry Walters and Sue's husband Rotarian Steve Lunn. Entertainment for the evening was provided by musical group 'Homeward Bound'.

The candle lighting ceremony was performed by Sue Pasierb - to the Past, Sue Lunn - to the Present, and Elaine Hopkins - to the future.

The International candle was lit by Jan Strachen. Grace was led by Sharon Smith. A very enjoyable evening was had by all, and a vote of thanks on behalf of members was given by Vice President Terry Newton. Margaret Bentley from the Inner Wheel Club of Sherwood Forest gave the vote of thanks on behalf of the guests.

Warsop Wives Group

During Sept we held a harvest supper and a raffle, the profits were for our charity fund. We also had a coffee evening in aid of Macmillan Nurses and raised over £100 for this.

During October we welcomed Celia & Terry who came and gave us information about Community Outreach and told us of the many things that we can get help with if we need it, they also gave out many leaflets.

During October we held our AGM and discussed our future programme etc. We decided to give a donation to the Oaklands centre and other donations will be decided soon.

On October 29th we had a Halloween party with soup & bread and cake. We enjoyed a social evening and played bingo.

We have a shopping trip to Derby organised and a Christmas lunch at The Hostess Restaurant in December.

Burrows continue tradition

Burrows meats plan to bring all that is best in traditional service and fresh farm produce, backed by the most up-to-date retail techniques. Owners Marcus and Georgina Burrows have a strong background in the business, having previously run a shop on the Ladybrook estate in Mansfield and Low Street, Sutton. The new purpose-built farm shop is situated across from Shirebrook train station.

It specialises in rearing suckler bred beef for top quality meat. This, and other fresh produce from local farms will supply the shop, which will stock a complete range of traditional meat – including home cooked meats and pastries. The shop makes its own sausages, burgers and cooked meat products. Burrows have a long tradition of offering top quality at highly competitive prices. Its meats continue a butchery tradition stretching back more than 100 years when Marcus Burrows great-grandfather, Elijah Beastall, opened a shop on Outram Street Sutton. And his son Albert then opened a wholesale meat company.

Today Marcus and Georgina carry on that tradition - bringing their expertise and knowledge of the trade to their new farm shop. Bulk buyers will find the shop ideal for stocking their freezers and catering orders will also be welcome. Delivery can be arranged, and there is ample free parking at the farm shop.

Police Update

We have had an increase of Anti-Social Behaviour reported within the Warsop Town Centre. Large groups of youths are congregating on the High Street. We know who the culprits are, but we are seeking information and confirmation from local residents and victims.

PARKING

Advice and support if you live near a school

Concerns have been raised with us about parking problems in your street during school term time. We want to let you know what the parking rules are and how we can help to keep the highway clear and ensure the area is safe for pedestrians (especially children), cyclists and drivers.

Parking rules

The road outside your house is usually defined as "public highway". Therefore anyone can legitimately park there but should do so safely, considerately and legally. The introduction of the Traffic Management Act 2004 places a statutory duty on your council to tackle congestion and disruption on the road network. Your local authority manages the highway network in a manner that allows for some "on street parking". In areas where parking becomes problematic the authority has the power to introduce restrictions to control the highway use. Therefore, this means, the highways' sole purpose is for the free passing and free flowing of vehicles and the areas close to your home are not for your exclusive use to park.

What can be done about people parking on single or double lines or keep clear markings?

If there are road markings, such as single or double yellow lines, both parking and waiting to pick up school children are restricted. Responsibility for enforcing these restrictions lies with the Civil Enforcement Officer, employed by either Nottingham City Council or Nottinghamshire County Council depending on where you live. Nottinghamshire Police cannot enforce these restrictions. School Keep Clear markings should always be kept clear of all traffic. Please let your Police Community Support Officer or Civil Enforcement Officer know if you see a vehicle regularly parking on them.

What can be done if someone blocks my driveway?

If your driveway is completely blocked by a vehicle the offence of 'obstruction' could be considered. However obstruction is a complicated offence to prosecute. It is not enough that a vehicle blocks your driveway. The obstruction has to be 'actual' not 'perceived'. This means that you are actually obstructed at that moment by that vehicle because your immediate passage is blocked. It's not enough that you might want to use your driveway some time in the future. A police officer is the only one who can deal with an obstruction. PCSOs do not have legal powers to deal with this issue. You have to be willing to make an official complaint, maybe a statement of evidence and even go to court if the person getting the ticket decides to contest it.

Dropped crossings in the City Council area can be enforced by the City Civil Enforcement Officers.

How can we help you?

The PCSO responsible for your area can liaise directly with the school and put an item in the school newsletter asking parents to consider residents when visiting the school and park with consideration. Our PCSOs can also write a letter to individuals who park dangerously and inconsiderately near your home.

PCSOs and Civil Enforcement Officers from your council will regularly patrol the area outside the school at drop off and pick up times and deal with any issues. However, due to operational commitments they can't be outside every school every day.

The good news

Everyone is concerned about the safety of children and, even though the school gate problems can look severe, it doesn't mean children and other pedestrians are in danger.

Parked cars act like mobile traffic calming measures and slow down the traffic when the children are about. The problem outside school only occurs for very short periods of time during term-time only.

The school is part of the community just as you are as a resident. By working to support improved communication between you, the school staff and the children and their parents, we hope this will enable everyone to understand the problem from the other's point of view.

When and who to call

When a vehicle is blocking your driveway and you are unable to get in and out of your own property call the police. Your local council Civil Enforcement Officers would like to hear from you if vehicles have been left unattended on single or double yellow lines.

For more information on parking in Nottingham call Nottingham City Parking Hotline on 0115 876 1499 or visit www.nottinghamcity.gov.uk

For more information on parking in Nottinghamshire visit www.nottinghamshire.gov.uk

This can be given anonymously if necessary to any of the Beat Team or Wardens on the numbers below, by calling 101 or by contacting the anti-social behaviour unit at Mansfield District Council on 01623 463463.

We want the residents of Warsop to know that we are aware of the problem and, with the darker nights now upon us, to be prepared to report anti-social behaviour to us.

We are determined to nip this problem in the bud as anti-social behaviour is one of our priorities.

Parents should be aware what their children are up to and where they are frequenting.

With Christmas around the corner, you'll be no doubt joining in with the festivities. Christmas is a busy time of year for everyone, including the criminal. We know, however, that a high percentage of crime is opportunistic and can be prevented by taking some simple precautions.

Don't let the criminal enjoy Christmas at your expense.

Top tips for a crime free Christmas:-

Your car

- Don't leave presents in full view on the back seat when out shopping. These can be tempting to thieves. Lock them away out of sight in the boot.
- Always lock your car and make sure windows are closed, even if you're away from your vehicle for just a few minutes. Use a steering lock if possible.
- Never leave your keys in the ignition whilst your vehicle is unattended, even for a few minutes. Opportunistic thieves will often steal cars that have been left with the engine running to defrost the windows.
- Don't leave any valuables in the glove compartment. Take bank cards, mobile phones and sat navs with you. These items are on a car thief's shopping list.
- Make sure you park in a well lit area or in an attended car park.

Your home

- Keep doors and windows locked at all times, even when you are in the house.
- Keep presents out of sight. Large piles of gift wrapped goodies under the tree that are visible through a door or window are tempting to thieves.
- Don't leave empty boxes on display outside. Discarded packaging advertises all the new goods you have indoors.
- Don't leave car keys and handbags lying around on display.
- Make it look like someone is in at home when you're going out for the evening. Leave lights on and close the curtains. If you have a burglar alarm, set it.
- If you're going on holiday over the festive period, ask a friend, relative or neighbour to keep an eye on your house.

Your property

- Make sure all valuable property is marked. You can either postcode mark your property with an ultra violet pen or use forensic marking solution such as smartwater.
- Register bike frame numbers, mobile phone IMEI numbers and other identifying details on Immobilise, the free national property registration database.

The police recover hundreds of stolen items every year, and it's much easier to prove that an item is stolen and return it to the rightful owner if it's been registered and Immobilise or security marked.

- Don't carry large amounts of cash on you when you go out. Be alert, and make sure your purse or wallet is secure and hidden from view.
- Don't keep your cheque book and card together. Keep your PIN confidential and don't write it down.

Passing on stolen goods

You can make it difficult for criminals to operate by not purchasing stolen property. If you are offered a quality product at a bargain price ensure that the source is genuine.

Wishing you all a wonderful Christmas and Happy New Year.

2014 marks the 40th Anniversary of St Teresa's Roman Catholic Church in Warsop

St Teresa's Church in Market Warsop is celebrating its 40th Anniversary next year and we are seeking support to ensure that such an occasion can be marked in a suitable manner.

We are keen to hear your stories about the building of the Church and how it has developed as a centre of the community in Warsop over the past 40 years.

If you have any photographs, news articles or simply a story to tell we would like to hear from you!

Please contact the 40th Anniversary Group by one of the following methods:

THE ROYAL BRITISH LEGION

Chairman of Notts County Council, our own John Allin launches the 2013 Poppy Appeal. Pictured above with Brian Marples, Branch Chairman together with Cliff Meredith, Welfare Officer. We were kindly allowed to use Age Concern where free tea and coffee was served. (Picture courtesy of Yvonne Pannifer)

Remembrance Day

We have had a fantastic Poppy Appeal and our thanks go to those that have sold poppies. We have had some fantastic help from members, volunteers, the Army Cadet Force and the Air Training Corps.

Our thanks also go to those that bought Poppies, enabling us to continue our welfare work which is a lifeline for thousands of serving and ex-Service people.

The Notts Police Band Concert in Warsop Church was again a fantastic event. The concert seems to get better and better each year.

Our thanks also go to The Ex-Servicemen's Club on Carr Lane whose charity Concert also helped towards our Poppy Appeal. It was a brilliant night enjoyed by all.

Our next meeting will be a social evening on the 9th December at the Memorial Club, Bishops Walk, Church Warsop. Doors open at 7.30pm. We have light entertainment and all the friends/supporters of the branch are invited to attend.

Budget Challenge

Residents, businesses and community groups are being urged to have their say on Nottinghamshire County Council's 2014/15 'Budget Challenge', which started on 2 September, so the right choices are made on the things that matter to them, their family and their business.

The Budget Challenge will run until 17 January 2014, with the views of all those taking part being considered ahead of the County Council's final budget proposals being debated at the Full Council meeting on 27 February next year.

There are three steps to the budget challenge - so there are three opportunities to have your say:

Step 1: Budget position. Tell us if you understand the challenge and what services you would reduce to balance the books. Given the severity of the budget situation, what would you be prepared to do from the options presented?

Step 2: Strategic plan. Share your views on the draft Strategic Plan and tell us if we've got it right or what you think we should focus on. The Strategic Plan sets out the Council's priorities for the next four years and how we plan to deliver them.

Step 3: Budget proposals (commencing 13 November). Now's the time to have your say on how individual services could be affected and to what degree.

Nottinghamshire County Council is being forced to save £154m over the next three years as a result of Government cuts and rising demand for services, against a backdrop of ever increasing demand for priority service areas like care for children and older people. The reality is that all options will need to be considered and many Council services will be reduced or delivered differently.

This is the most difficult budget challenge ever faced by the Council who are committed to listening to residents to help plan how the reduced budget will be spent.

Residents are able to give their feedback in a number of ways, including using comment cards available in libraries across the county, by telephoning 0300 500 80 80, online at www.nottinghamshire.gov.uk/budget or by freepost -

Freepost RLUR-UXJJ-ETZZ, Nottinghamshire County Council County Hall, Loughborough Road, West Bridgford, Nottingham NG2 7QP

Community groups are also able to download a discussion toolkit from the website which they can use to collate views of members and residents.

Whether you have responded to the Council's budget consultation before or this is your first time, it's never been more important to get involved.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

A significant anniversary with strong local connections does not seem to be attracting much attention. A thousand years ago this month Sweyn Forkbeard became the first Viking King of England and ruled his kingdoms from Gainsborough, around 20 miles from here.

Sweyn was born in 960, the son of Harald Bluetooth, King of Denmark and grandson of Gorm the Old. He became King of Denmark in 986 after his father's death. He was married twice, firstly to Gunhilda, the daughter of the Duke of Poland and secondly to Sigrid the Haughty, the widow of the King of Sweden.

Though a baptized Christian, Sweyn saw faith as a very flexible thing. He did not allow his religion to temper either his ruthlessness or his practice of the religion of his ancestors. He would readily turn to both Odin and Jesus when it suited his purpose. He could behave as a pagan among pagans and a Christian among Christians.

After his first expedition to England, Sweyn resorted to extracting payment by blackmail as opposed to ravaging the English kingdoms.

King Ethelred (the Unready), the weak King of England, had ordered a massacre of Danes in England on St. Brices Day 1002 which included men, women and children. Sweyn was believed to have had a personal interest in the atrocities due to his sister Gunhilde being amongst the victims. Sweyn swore to be avenged on Ethelred and landed in England in 1003, ravaging much of the south of the country. He acquired massive sums of Danegeld through the raids.

In 1013 he led his forces in a full-scale invasion. He went very quickly about conquering eastern England then he went south with the main part of the invasion force. King Aethelred retreated to the Isle of Wight and then went into exile. Sweyn was declared King on Christmas Day, 1013. Some of the English provinces refused to pay homage to the Dane who had no dynastic right and claimed the throne by right of conquest. He was never crowned.

Based in Gainsborough, Sweyn began to organise his vast new kingdom but England's first Danish King died suddenly on 3rd February 1014 while threatening the Abbey of Bury St. Edmund's.

The Danish fleet proclaimed his younger son Cnut king. However the English councillors had sent for Aethelred, who upon his return from exile in the spring of 1014 managed to drive Cnut out of England. But Cnut returned and became King of England in 1016, while also ruling Denmark, Norway and parts of Sweden.

The next Friends of Thynghowe event is scheduled for February 8th 2014. If conditions allow, we hope to investigate a hollow in the Forest close to the Centre Tree which may be the site of Cabin Pool. Get in touch if you are interested in joining us.

At the end of October we hosted a visit by a brilliant group of pupils from Church Vale School who took part in a Viking 'Thing' assembly on Thynghowe.

Meden Vale

Registered Charity No. 1115359

The Future

The 14th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 15 October 2013. 9 members of the Committee were present, 1 Representative from Meden Vale Sports Association, 1 Councillor and 1 Representative from Care Trainers Ltd. 1 apology was received.

The Representative from Meden Vale Sports Association reported that applications have been submitted for additional perimeter fencing. It was reported that an increase in dog fouling had occurred on the playing fields. Notices warning that this was an offence are to be displayed in the area and if the problem persists, then the warden from MDC who deals with this issue will be asked to investigate.

Care Trainers Ltd reported that a second level first aid course will be held at the Three Lions Public House in Meden Vale, 2 places had been reserved for local Charity workers.

John Allin was pleased to announce that a professional minute taker, Dianne Roper (Alan Meale's Secretary) had kindly agreed to take the minutes at the next Welbeck Colliery the Future meeting. A visit by 4 members of the Committee to a Biogas digester site at Bawtry near Doncaster had been undertaken. This type of digester uses specially grown agricultural feedstock (a type of maize) to produce a gas suitable for supply to the National Grid. The party reported that the site was clean, smell free and looked a professional installation, in addition, the safety procedures in place were commented on as being excellent. It has been suggested that it would make sense to demolish the industrial units on Netherfield Lane, replacing these with housing and move the current businesses to the colliery site. Next meeting of Welbeck Colliery the Future has been scheduled for Wednesday 18 December at 10am.

It was noted that the Old Village Hall has been re sold, hopefully this will mean some progress will be made on its demolition and redevelopment.

The Treasurer reported that the Accounts were in order and reasonably healthy at present. 2 members of the Committee have been invited to give a presentation at Warsop Rotary Club to inform them of this Committee's functions and progress on re development of the colliery site.

The Caretaker reported that new fluorescent lights had been fitted in the kitchen and adjacent corridor. In addition, it was agreed that the Village Hall required redecorating before Christmas, if possible, enquiries to be made regarding paint and labour costs. Also the chairs require cleaning.

Next meeting will be on Tuesday 07 January 2014 at 7.30 pm. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Thank you

Mr John Bower would like to thank everyone that attended the funeral of Elsie May Bower on 17th Oct 2013 at Warsop Church followed by cremation at Mansfield Crematorium. We would also like to say thank you for all the cards and flowers we received at this sad time.

Thank you to Rev Bruce Rienstra for a lovely service and for wearing bright colours as requested. Thank you to Mr Townroe and all the pall bearers for their kindness and consideration before and on the day of the funeral. We requested the coffin was painted a light shade of green, Elsie's favourite colour and Mr Townroe organised this for us.

Ruth would also like to say a massive thank you to her daughters Michelle & Samantha and her son Nathan for all their help and support over the loss of mum and their Nan-Nan. You were my rocks getting me through each day between mum's death and the funeral and taking a lot of the weight off my shoulders and most days pointing me in the right direction.

Hopefully there is a light at the end of the tunnel and I know with the help of my family I will get through.

And lastly a big thank you to Dr. A. Tausif for all his help and going that extra mile for mum and myself during mum's short illness. Nothing was too much trouble for him and without his support I don't know where we would have been

Thank you
John, Ruth & family

WARSOP LADIES PROBUS

concert by

 DUKERIES SINGERS

We are well into the Christmas spirit and rehearsing hard for all our varied engagements. I always feel that listening to a choir performing seasonal items really sets one up for the Christmas season and for some, brings home the true meaning of Christmas.

Our list of forthcoming concerts ;

22 November 7.30pm
Hallcroft Methodist Chapel, Retford
(marvellous refreshments)

28 November Late Afternoon
Edwinstowe Library
turning on of the Christmas Lights

30 November 7.30pm
Warsop Methodist Church
very welcoming

14 December 7.00pm
Edwinstowe Village Hall
always a full house

15 December 2.00pm
Sherwood Forest Visitors' Centre
last year we sang a Capella, in the Restaurant with great success. Just like "old fashioned" Carol Singers. This performance is free! (Possibly my favourite Concert)

18 December 7.15pm
Samworth Church Academy Mansfield

So, a busy time ahead for the Choir, and now that the weather has turned the corner towards Winter, I have no excuses for avoiding making Christmas cakes, Christmas shopping (oh deep joy) baking etc. etc. Actually I love Christmas, so The Dukeries Singers thank you all for your support and wish you a very Happy Christmas and a healthy and peaceful year to follow.

Our contact details are as usual via

The battle of Cuckney/Hatfield or Heathfield?

The meeting held at Cuckney Village hall on the evening of the 18th of October 2013 was well attended, and 'The Battle of Hatfield Investigation Society' was formed amid a barrage of questions and answers, fired by a lively and enthusiastic gathering.

A committee was headed by Mr Joseph Waterfall - Chairman, Andy Gaunt - Archaeologist, Paul Jameson - Historian/Treasurer and Jennie Johnson - Secretary. Many more details have appeared in the October, 2nd and 16th editions of 'The Chad'. The accidental discovery of 200 skulls beneath St Mary's Church in Cuckney in 1951 could be where investigations should re-start.

A bone sample from one of the skulls would enable forensics to establish that the remains date back to the battle in 633AD which, at the moment, appears to have taken place in Cuckney.
