

Pupils help to keep Meden Vale tidy

There are plans for a community litter pick in Meden Vale next year after pupils successfully collected rubbish from the area around their school on Monday.

Members of the School Council at Netherfield Infant School, Meden Vale, cleared litter in the Ossington Close area of the village including the local park.

The most common items of litter found by the eight children aged 4-6 were cigarette butts.

The litter pick was organised by the school in support of Keep Britain Tidy's Love Where You Live campaign, which aims to inspire people to take action to reduce litter in the areas where they live and visit.

Nicola Harvey, Recycling and Technical Officer at Mansfield District Council, attended the litter pick to talk to the children about separating recyclable rubbish such as soft drinks tins and non-recyclable rubbish such as crisp packets. They also learnt about how to collect litter safely and were provided with protective equipment.

Mrs Yvonne Cantrell, who runs the School Council and Eco-Schools project, said the litter pick took place following a survey of litter outside the perimeter of the school grounds. She said great progress was made on Monday and the school hoped to hold a bigger litter pick in the spring involving the local community.

School Council member Finley Street (6) said he really enjoyed the litter pick. "It is great to be outside doing something good for the environment," he said.

Cllr Philip Shields, Portfolio Holder for the Environment, said: "We are committed to educating people about the damage littering causes and the impact it has on communities. By working with young children and showing them the importance of taking care of the environment, we hope to create environmental ambassadors for the future."

Birklands set the scene for Christmas

On Wednesday 12th and Thursday 13th December 2012, pupils from the Birklands School Foundation Unit, aged between 3-5, entertained friends and family members putting their own unique twist on the traditional school nativity play.

First up were the slightly older children from Foundation 2. They opened the show with the 'Scarecrows Christmas'. All the children were word perfect and the musical numbers which support their story and performed by both groups were an absolute delight.

This was followed by the traditional nativity scene, performed by the younger Foundation 1 pupils, to the tune of 'It was on a Starry Night'.

who again gave a confident and practised performance. The bright coloured costumes helped them get into character and all the children appeared to be really enjoying the show.

Both the pupils and their teachers should be proud very of their achievements and the applause from the audience at end of the show proved just how much they had enjoyed and appreciated the children's effort.

EDITOR'S LETTER

The Christmas Market was well attended although the weather put paid to the crowds we normally have, it was bitterly cold and then it rained!

Everyone seemed to be having a good time and everything went to plan.

By the time you read this Christmas will be well and truly out of the way, the turkey left overs should be eaten or in the bin and the New Year hangover, well you tell me, are you still suffering?

I am glad 2012 is out of the way and looking forward to 2013, it's a new beginning for me and Joe, who knows what the future holds for us but whatever we are ready to take it on.

GARDENING MONTHLY...

ESSENTIAL JOBS CHECKLIST

- Clean and sharpen mowers, shears and other tools
- Mulch around fruit trees and established plants
- Protect phormiums, cordylines and other tender plants by wrapping them with bubble polythene or horticultural fleece
- Clean out your greenhouse wash down hard surfaces using Armillatox
- Keep an area of your pond ice-free
- Don't forget to leave out food and water for our Native Wild Birds

TIPS FOR JANUARY Flower Garden

Tidy up your borders if you didn't do it in the autumn and put the debris on the compost heap. Mulch between trees and shrubs, to improve soil structure and fertility. You can use Westland's Farmyard Manure if your soil needs feeding up. Phormiums and cordylines need to be protected from severe frost and snow - tie the leaves loosely together and cover with horticultural fleece or bubblepack. If you are planting a new hedge, prepare the site before planting by digging it over and adding homemade compost or Westland Farmyard Manure. This is a good month to put a fresh layer of bark around plants, this helps to keep plants insulated in severe weather. Seed is now available, it's always a good time to stock on these to avoid disappointment

Going Green

Start saving all used egg shells, these form a very environmentally friendly way of deterring snail and slug damage to plants in the summer months. Remember even in winter put all kitchen waste such as potato skins onto the compost heap.

Lawn

Take the opportunity to check over your lawn mower and trimmer and clean them. Arrange to have the mower sharpened if necessary. Ensure the last of any late falling leaves are cleared to avoid a build up of pests and disease.

In the Greenhouse

Hygiene is crucial in the winter greenhouse; otherwise grey mould may infect over-wintering plants. Pick off old flowers and dying leaves and dispose of them. Don't over water plants. Open vents during clear days to allow airflow.

Containers

Even in winter containers of winter bedding such as pansies and ivies may need watering in dry conditions. If you have tender specimen plants protect them from the cold with fleece or bubble pack. A lot of people loose expensive plants such as Boxwood and Bay trees this is not due to the weather but lack of water so don't forget to check every two weeks.

Vegetable Garden

Dig over new plots and leave roughly dug to allow frost to break down the large clods. Empty out your compost bin over the vegetable plot this will allow the elements to break down large pieces naturally.

Fruit Garden

Prune blackcurrants and raspberries. Plant new fruit trees.

Happy Gardening

CONNIE'S COLUMN

By Connie Smith
W&DN Junior Correspondent
Email: conniewdn@hotmail.co.uk

Hello Everyone! Happy New Year! Hope you all had a great Christmas!

As I write this it's only four days till Christmas and less than a week until the first performance of Warsop Panto 2012. I hope you all came to watch the pantomime, it's been a lot of fun to do, but learning all my lines has been pretty hard, well, when I say pretty hard I mean really hard. I play Chip and my costume is, well, very yellow. I'm hoping it's a great success after all our hard work and that everyone who came enjoyed it.

I'm excited for my birthday, even though it isn't till May, I'm still excited. I hope I get to go see one of my other favourite bands, Sleeping With Sirens, if I get to see them I plan on proposing to the Bassist, Justin Hills. If I don't see them, I'll propose to my poster of him...

I must say I'm very happy. My poster wall is looking great, after collecting posters for a really long time, my hard work has paid off, it's almost finished! Now when I get more posters I don't know where I'll put them, maybe I'll have to start on the ceiling.

On the 'fangirl' side of things, I'm pretty happy. The Midnight Beast recently brought out three new songs, so I'm suspecting that there will be a tour. Maybe this time Stefan will have the guts to propose to me or I could at least meet them, preferably the first one, but I'm fine with either one.

I'm really fed up of being ill, I want it to hurry up and be summer. Summer in England might not be that sunny and warm but I'm sure it will be ten times better than winter!

I'm really nervous about going back to school, I have my exams. I have a feeling that I'm going to fail. I'm going to do my best though and hopefully my hard work will pay off. Good luck to anyone who is doing exams when they get back to school.

If anyone has anything they would like to go in the newspaper, such as short stories, articles, letters, poems or questions or anything at all, I will do my best to get them published, and answer any questions you may have. Or you could email me asking me to talk about something in my column, it's up to you! If you do, make sure you email me at ConnieWDN@hotmail.co.uk and I'll get back to you as soon as possible.

See you next month!

Bird Notes...

Hello friends welcome to a new year and we have got some absolute crackers to start the year off with. All sent in by local photographer H. Milburn, thanks again to him for making the effort, Harold obviously puts his time in and he really does get his reward.

Here is an exemplary photo of a Waxwing, part of a small flock of about 20 individuals seen near the river on the Carrs, feeding on berries. This species breeds in northern Europe and after breeding their movements are governed by the availability of food and large flocks disperse southwards when local food sources fail. A good record.

An absolutely stunning shot of a Grey Wagtail on the river Meden, a lot rarer than the familiar black and white Pied Wagtail. Only ever seen near the water courses, we are lucky to have them. Another good record.

Two of a series of amazing photographs taken by Harry on the river at the northern end of the Hills and Holes, which could prove to be the first record of this species in Warsop Parish. These are Little Egrets a species that is slowly gaining a foothold in southern Britain, so this is proof of their northward spread. If you look closely at the photograph where the bird is flying you can discern its yellow toes and the blue base to their black dagger like bill on the other photograph, both are diagnostic features of this species. An absolutely awesome record.

All the best B.A.

WARSOP

Footpath & Countryside Group

Although ash trees are not the dominant species in our local woodlands the threat from ash dieback disease is a great concern. I am not yet aware of any cases in our area although Forestry Commission staff are checking all of our local woods. By the end of November ash dieback had been identified in over 200 locations with the closest cases to Warsop amongst newly planted trees near Rotherham and in mature woodland in Lincolnshire.

Many ash trees stand out as landmarks in our hedges. Nearly a quarter of Warsop's hedgerows contain at least one standard tree. The loss of an ash tree can be distressing due to the impact on the appearance of the countryside but it would have a far greater effect on the species that rely on these trees for their survival. Owls or other birds may nest or roost in the branches. Many insects live in the bark and in dead branches. These bugs may become food for birds. Although an alien fungus is responsible for the dieback problem many other fungi species live symbiotically with the tree including the mycorrhizal association that allows the roots to extract nourishment from the soil.

Spot the difference! A hedgerow alongside the path from Broomhill Lane towards the forest

Standard trees can protect hedgerows as it has been shown that hedges containing mature trees are less likely to be lost. This could be due to the increased width of the hedgerow and the difficulty of cutting it by machine. However, even without diseases reducing the numbers of ash and elm, the number of hedgerow trees is declining. Some trees are lost due to old age or lightning strikes, others removed to improve the efficiency of agriculture. This highlights the importance of replacing lost hedgerow trees, planting new ones and tagging any immature trees to ensure they are not damaged when the hedge is felled.

If you have walked along the riverbank between the Carr Lane bridge and the Carrs you may have noticed that some of the trees that we planted around twelve years ago have been coppiced. By cutting back these willows we are creating multi-stem trees that will not become leggy, eventually splitting and collapsing. Birds should also benefit from a variety of habitats. Any tree planting creates a legacy of management so we hope that some new volunteers will have joined us before these trees need cutting back again as these trees should outlive our present team! Get in touch if you would like to help us with any of our countryside management tasks.

Our first Footpaths Group walk of the new year will be on Saturday 19th January. We are planning a walk somewhere around Warsop although we may travel by to our starting point by car. We will meet at Warsop library at 10am. Contact us if you would like to join us or would like more details.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

As the vegetation in the woodlands dies down we can restart our surveying of archeological features in Birklands. This winter we are focussing on the area to the south-east of Hanger Hill where our LiDAR survey has revealed some interesting features.

On our surveying session in early December fourteen hardy volunteers recorded the area around a sawpit. We used surveying poles, tapes and an optical square. Its exact position was recorded by GPS. We can deduce a minimum age for the pit as there is a tree growing on the bank formed with the soil dug from the pit. By measuring the girth of this tree we estimated that it is at least 180 years old, possibly dating from the time when the Duke of Portland was transforming the old wood pasture of the forest into plantations. Interpreting a hole in the forest involves detective work. The age of the trees on the bank indicates that it could not be due to recent forestry activities or from the period when the military occupied the forest between the 1940s and 1960s. The position of the hollow and bank mean that we can eliminate the possibility of a deer leap or part of a woodbank.

Elsewhere in this part of Birklands we are inspecting the undulations shown on the LiDAR images. We believe these are an ancient trackway named as Nether Warsop Gate on a 1791 map. Nearby there are distinct lines of ridges and furrows. To date, we can look at

RAF aerial photographs showing the Forestry Commission's planting patterns and also The Duke of Portland's documents describing the layout of his plantations in the first half of the 19th century. If neither of these patterns match the LiDAR image we would look at more ancient field systems.

Other features in this part of the forest revealed by LiDAR can be more easily explained. Locating rectangular shapes from the LiDAR survey on the ground revealed low earth banks. These match buildings and compounds that appear on 1947 aerial photographs but are not on the 1941 images. Therefore these must be from the time when this part of Sherwood Forest was used for ammunition storage during World War II. To check on our progress follow our Facebook page.

Fundraising: Portable Oxygen Concentrator

I would like to offer my sincere gratitude to the people of Warsop, and the Committee, Officials and members of Warsop Ex-Servicemen, you never fail to come up trumps.

My niece Laura McRell and her partner Brett McLennan ran the Great North Run in Sept, to help raise funds to purchase a Portable Oxygen Concentrator (POC) for the use of suitable oxygen dependent people in North Notts. Along with other fund raising events in Mansfield so far around £500 has been raised. With this money I have purchased a Preloved unit (hardly ever used) so it is now available at a moments notice for any suitable person to borrow (with a safety deposit). If you need it please contact me.

We are continuing to raise more money for a spare battery and another unit that delivers continuous oxygen.

It's true these units are available on the NHS, but unfortunately our oxygen supplier doesn't allow you to take them abroad, and you have to give them at least a weeks notice for oxygen to be delivered to an alternative address. As an oxygen user myself I believe that to have access to a portable unit, with minimum notice would make oxygen dependent people's lives more spontaneous. Another key point is that if we could have one of these for flights, and for holidays abroad, the cost of holidays for oxygen users would significantly reduce. We would be able to enjoy the same price holidays as others. We would also be able to fly on most airlines. Currently only a few airlines allow us to take oxygen cylinders on board, and some charge extra for this 'priveledge'. A holiday in Spain for someone who uses oxygen increases by at least £550 per week for the oxygen, and this is not including the added stress and cost of finding an airline to carry them. To get this refunded there is currently a wait of 4-6 months.

If anyone would like to donate, or help, please contact me via email debra.diva@hotmail.com or telephone 07984604436.

Again many thanks.

Brian Hawkins recently completed the 90 mile Thames walk and raised over £12,000 for the John Eastwood Hospice. In total he has raised over £80,000 with his helpers for the Hospice.

Friends of the Carrs De-Silting of the Mill Dam

The de-silting of the Mill Dam has been planned for several years and The Friends of The Carrs (FOTC) have been working towards this together with Nottinghamshire Wildlife Trust (NWT) and Mansfield District Council (MDC). The work was scheduled to be carried out in the late summer/early autumn of 2012. An agreed partnership was formed for the project with the above and the Environment Agency (EA) who are a government agency set up to look after the rivers.

Funding for the desilting was from the Water Framework Directive. It was planned to spread the silt on an adjacent field and a local farmer had signed an agreement to allow this.

The EA called a meeting of the partnership to discuss the project on 31st October 2012. They stated that sediment samples that had been taken previously and paid for by FOTC had only been valid for twelve months and new samples had been taken. Although the results were received by EA on 17th July they took no action and did not communicate them to other members of the Partnership until the meeting on 31st October. The results showed mineral levels that were in places higher than in the original samples and as such the silt would have to be spread more thinly and over a larger area of land. Some fifteen acres of land had originally been identified for spreading the silt out of an area of forty acres made available by the farmer. The fifteen acres had not been seeded to allow the spreading to be carried out but the remaining land had been seeded for the 2013 crop. If the results had been acted upon after being received on 17th July there would have been time to approach the farmer with a view to using additional land. The lack of any action or even communication from EA between 17th July and 31st October had therefore prevented any chance of spreading the silt during the autumn of 2012.

The option of removing the silt by road was considered too high as transport costs would have taken up most of the funding and drastically reduced the amount of silt that could be removed. Another option was to allow the Mill Dam to fill with silt and be grassed over. This of course would have meant the loss forever of what is part of the heritage of the parish and part of the Local Nature Reserve.

Between the 17th July and 31st October EA had requested several surveys be carried out to identify bats, badgers and crested newts and NWT had deployed their staff to carry out these surveys. These surveys have been available to EA at all times.

It would seem that one member of staff had been on sick leave and no action had been taken to redistribute his work load and therefore the new results had not been acted upon. The EA agreed to investigate other options and call another meeting within a few weeks.

In addition to the desilting FOTC, MDC and NWT planned to carry out other works at the same time or immediately afterwards. This included new footpaths, new fishing pegs, tree surgery on the island, strengthening the bank of the island and the formation of a new scrape for pond dipping. The funding for these works will need to be reapplied for as this work will also be delayed.

A follow up meeting was held on 28th November and was attended by all members of the partnership and FOTC invited the local farmer to attend.

EA tabled several alternatives that each included the re-testing and assessment of the silt and options for silt disposal. The preferred option was to spread the silt more thinly and over a larger area of land. The farmer was in agreement with this and stated that a further area of over eighty acres was adjacent to his land and although he did not farm it he thought it would be made available. He agreed to contact the other farmers. He added that there would be a window of about six weeks between the harvest of one crop and the reseedling for the following years crop. This would of course be dependant on the results of testing/assessment of the silt. It would also depend on funding being made available.

There was also a suggestion that the silt trap could be desilted this winter with some two hundred cubic metres of silt being taken off site for disposal. Again this would be dependant on test results and funding being made available by EA.

During December and January EA are to carry out further tests/analysis/assessment etc and a further meeting of the partnership is to be held on 4th February 2013.

Friends Of The Carrs are a group of volunteers who carry out tasks on the Local Nature Reserve and raise funds to provide additional facilities. We keep the public informed of our activities by placing items in Warsop and District News. We advertise our meeting also in W and D news also in the notice board on the Carrs. We are obviously very disappointed that the de-silting has been delayed as we are sure many local people are. We will continue to keep the parish informed of items concerning the Carrs and the Local Nature Reserve.

The next meeting of FOTC will be held on Tuesday 5th February at 7.30 PM in the function room of the Hare and Hounds when we plan to table the results from the meeting of the partnership being held the day previous. All are welcome to attend

Best wishes - Stuart

Cuckney Garden Club

Pop, pop, pop went the champagne corks as we raised our glasses to seventy years since the garden club was formed.

At its inception on 22nd December 1942 it was called the 'Norton and Cuckney Village Produce Association'. Mr. J Dillamore was appointed Secretary pro tem, with Messrs H. Limb, J. Needham, A Shaw, C. Taylor and H. Anderson forming the committee. The Village Produce Association was part of a nationwide network of garden clubs established to inform and encourage British people to grow their own food in a time of hardship and shortages. Like many other organisations at the time it also had an important social function as it united people in a common, shared purpose. Under the active patronage of Ivy, Duchess of Portland, the Norton and Cuckney VPA continued to flourish until the 60's and 70's, with its regular shows and meetings being an important part of the local social calendar and well attended. In the 80s, the club fell into a period of decline. Following several months rest an energetic publicity campaign around the Welbeck Estate and surrounding villages, it was relaunched as The Garden Club. So, here we are today thanks to all who have given their time and dedication, celebrating our 70th anniversary.

Our President Mrs. A. Swan-Parente came along to mark the occasion. Miss M. Stokes captivated the group with her memories of times past on the estate. Mrs. Irene Marson then gave an insight into the days of the past, and a certificate for ploughing won by Mrs. Marson's father was brought for all to see. These lovely memories triggered other memories from various members of the assembled who also contributed to the evening. Many questions were asked by the various members of the group who had not had the pleasure of knowing of the life on the estate and the camaraderie that was experienced.

To bring the evening to a close Mr. D. Palmer gave a vote of thanks to Miss Stokes and Mrs. Marson and Mrs. Swan Parente cut the celebration cake.

Should anyone have any memories of photographs of the early days on the estate (especially the VPA or The Garden Club) the

secretary of The Garden Club would be delighted if you would allow a copy to be taken for the archives.

The Garden Club meets in Cuckney Village Hall on the Fourth Thursday of the month at 7.30 pm.

Membership is £10.00 and visitors pay £3.00 per meeting. We are always very pleased to meet and welcome visitors/new members. Why not come along to one of our meetings.

Rotary Christmas Prize Draw held at the John Fretwell Centre.

Meetings Update

The club raised over £4000 from the Xmas Prize Draw held at the John Fretwell Centre on Wed 5 December.

In the 26 years it has been running, over £90,000 has been raised. Most of the money will go back to the 15 participating groups in the draw who sold the raffle tickets.

The club members also staffed Santa's Grotto at the Warsop Traders Evening on Thursday 6 December, helping Santa distribute gifts.

Permission was granted for the youngster (pictured left) to be photographed. A rarely photographed Rotarian Barry Wetton is seen with Santa (pictured below).

President Roger Wright would like to thanks all members of the public who have supported the club over his year in office. Without this help, the club cannot give financial support for the many worthy causes.

The club were also at the Shirebrook Market Christmas Fayre on Saturday 15 December again staffing Santa's Grotto.

A selection of photographs from the Rotary Club of Warsop Shirebrook and District Bonfire which raised over £900 at Scarcliffe Lanes Farm on Saturday November 3rd 2012.

poverty & homelessness action week

26 January 2013 - 4 February 2013

Poverty Action Week aims to raise awareness of the issues of poverty and homelessness in the UK and raise funds for projects and campaigns which work to tackle poverty and homelessness.

Framework is a local Nottinghamshire-based charity working across the East Midlands to help homeless and vulnerable people by providing housing, support, training, care, resettlement and employment for people who are among the neediest in society - those in poverty, socially excluded, and in desperate circumstances. Please help us to help others by organising fund-raising events and activities in your area.

Some ideas for fund-raising include: coffee mornings; church collections, services and lunches; flash mobs; school events such as sponsored spellathons, walks, silences, services and collections; craft/art events; reading/music evenings; sponsored events.

Framework would be very grateful to any organisation or individual who would be prepared to organise an event or activity on their behalf during Poverty Action Week. We would also welcome and be interested to hear your own ideas. Please - help us to make a difference in our communities!

Mansfield District Council
Creating a District where People can Succeed

Council offers helping hand onto housing ladder

Mansfield District Council is helping people to get onto the housing ladder by offering five newly-renovated properties for shared ownership.

The Council acquired the properties in Warsop and refurbished them to a high standard, thanks to £500,000 funding from the Homes and Communities Agency. The properties are valued at £70,000 and will be ready in the New Year.

All the properties will have been fully rewired and have a new boiler, mains fire alarm system, new doors and Upvc windows, carpets throughout, fitted kitchen with integral oven/hob and appliances and a P shaped bath with top of the range shower. All works come with a 12 month guarantee.

The Portfolio Holder for Tenancy Services and Housing Needs, Cllr Mick Colley recently approved the adoption of the Social HomeBuy policy, which sets out how Social HomeBuy will be operated within the district. This is a shared ownership scheme that the Council is offering which aims to help its existing tenants who have a statutory Right to Buy, but are unable to afford the outright purchase of their home. The scheme allows tenants to buy a share of their home and pay a subsidised rent on the remainder. Tenants can then increase how much of the home they own by buying more shares until they own the property outright. Mansfield Building Society is offering shared ownership mortgages for these properties, subject to the usual financial assessments. Sales and Marketing manager Mike Taylor said: "Mansfield Building Society is delighted to be supporting the Council and the Mansfield District by helping to provide affordable housing solutions within the local community."

Cllr Mick Colley, Portfolio Holder for Tenancy Services and Special Housing Needs said: "These high quality properties in Warsop provide an excellent opportunity for people who wish to buy their own homes, but cannot afford to do so."

"The shared ownership scheme is more affordable than people think and gives our social tenants a range of financial options and flexibility, if they wish to get on the housing ladder. Tenants can choose how much of their property they wish to purchase and how much they wish to rent. This policy is part of the Council's commitment to ensuring there is an adequate supply of good quality housing, which is accessible and affordable."

If existing tenants would like more information they can contact Landlord Services on 01623 46741.

Warsop Police Update

Christmas Spirit Comes to Warsop

Once again I am amazed at the amount of community spirit that the Warsop resident showed on a wet, cold, wintery 6th December when the Warsop Christmas Market took place.

Not only do I say this to heap praise on the volunteers that organised the event but the people that turned out on the night to make sure the event went by without any real issues. Not one person is paid from the organising committee to stand out in the wind and rain but they do it to make a difference and give people a feeling of pride for their community.

Once again the hardy folk of Warsop turned out in the hundreds to celebrate this event and made it a success. Well done Warsop. I am also pleased to inform you that we will be taking on 2 extra Police Community Support Officers at the start of January 2013 to bolster the numbers within the Safer Neighbourhood Team. When the officers land at Warsop I will give you more details about them and contact numbers for you to get in touch.

Our team are still keen to hear from you if you have any current information on who is involved in drug related crimes. Whether that information is about taking drugs, supplying drugs, running drugs or even growing drugs. Our numbers can always be found on this page if you have any information for us. Another way of passing your information is by contacting crime stoppers. Again, their contact details can be located on this page. We make no apologies for continually asking for information on these people.

Once again we have conducted another fatal 4 campaign on the roads around Warsop Parish. This was a whole day event and again the drivers within the area drove in a responsible manner and only 1 ticket was issued for the driver failing to wear a seatbelt. Here's to a good 2013.

Local talent Roger The Mascot to play The O2!

Roger The Mascot from Nottinghamshire have made it through to the Grand Final of the national music competition Open Mic UK!

They'll now play one of the world's best music venues after wowing the crowd and judging panel at the Open Mic UK Area Finals to land a place in the Grand Final within The O2 in London!

After taking part in auditions against thousands of other unsigned musicians across the UK and impressing the judging panel, they went on to perform live on stage, battling through both Regional

J. Benton

Facebook.com/J.BentonPhotography

and Area final heats. They're now set to perform at the Open Mic UK 2012 Grand Final at the IndigoO2 at The O2 in London on 19th January 2013! Already confirmed on the judging panel is Radio 1's Ras Kwame and legend Annie Nightingale.

Previous winner Birdy, still at only 16 years of age, is currently signing to Warner Music with big plans ahead in 2013. She's enjoyed success with a top twenty album and two hit singles including her version of the Bon Iver classic "Skinny Love." Previous under 18's winner, Hatty Keane has also enjoyed huge success after being signed to Future/BGM Music. Since then Hatty has performed live sets alongside Ed Sheeran, Tinchy Stryder, Zane Lowe and Roll Deep and is currently working on new material.

A spokesperson for Open Mic UK commented "We are searching for an act that not only has the live ability to impress an audience, industry judges and A&R associates, but an act that has the potential to become a professional recording artist. Within The O2 is the best place to showcase your talent in front of a massive crowd and celebrity judges. It's going to be a huge event and an experience of a lifetime for all our finalists!"

There's over £50,000 in prizes up for grabs this year and the overall winner will be offered £5,000 cash to spend on the development of their music, with other cash runner-up prizes. The winners will also be given extensive publicity packages and have the opportunity to tour across the UK. The competition is divided into age categories; 16 and Under, 17-22 and 23 and Over. All types of singers, vocal performers, groups and acoustic singer/songwriters are invited to enter Open Mic UK.

The competition is run by Future Music who first unearthed the talents of Lucy Spraggan and Birdy. Future Music begins a new and exciting venture in January with the launch of a new competition TeenStar. In its first year the competition looks to set a precedent with an expected 9,000 entries. Potential TeenStar's can book their audition and enter now.

Whatever happens, the Grand Final of the Open Mic UK will provide acts with the opportunity to impress many guests from record labels, agencies and the entertainment industry.

Already confirmed on the panel alongside Annie Nightingale is fellow Radio 1 DJ Ras Kwame, a representative from Universal Music, Ivor Novello award-winning songwriter and producer Mark Hill, Si Hulbert who's produced for Ed Sheeran and One Direction, Head of BGM Michael King and Kiss FM Breakfast presenter Charlie Hedges.

THE ROYAL BRITISH LEGION

News update by:
Pete Hopkins
Branch Secretary
Tel: 01623 843944
Email: rblwarsop@gmail.com
Web: www.britishlegion.org.uk/branches/warsop

Branch Chairman, Mr Brian Marples presents a certificate of appreciation to member Mr Wayne Drennon for his efforts in Fund Raising and increasing Membership. Wayne, together with member Mark Taylor completed two sponsored runs which raised thousands of pounds for Military Charities.

2012 was a very busy year for our branch as Edwinstowe has become a sub-branch of ours due to their falling numbers in membership. This meant that Warsop members were called upon to assist in Edwinstowe during the Poppy Appeal, as well as in Warsop and Mansfield Woodhouse.

At the time of going to press, this year's appeal stands at just over £14,000. The Poppy Appeal runs all year round and ends in use 2013. We hope to build this amount until then.

We have had a good year with new members joining us from around Nottinghamshire (We must be doing something right!) Of our two newest members one travels up from Beeston, Nottingham, and the other from Forest Town, who is to run the London Marathon in aid of The Poppy Appeal. He has had to pledge to raise over £1800 and donations or ideas for fundraising will be gratefully received. (uk.virginmoneygiving.com/gordonbell)

Certificates of appreciation were presented at our Christmas meal which took place at South Forest, Edwinstowe. A certificate was

presented to Mr Dennis Wood from Edwinstowe at our December meeting, who single-handedly collected in excess of £1300 towards the Poppy Appeal.

We are looking forward to a great 2013, working to help our beneficiaries. We have a range of guest speakers booked for our meetings. New members are always welcome and you do not have to be ex-military to join.

Our next meeting is on Monday the 11th February (No January meeting) when Mr Les Nickless is telling us all about Warsop Main Colliery. All are welcome to attend. The Memorial Club, Bishops Walk, doors open at 7:30pm.

Readers letters...

Thank you letter

As we approach the end of the end of 2012 we the Trustees and volunteers of the charity shop in Meden Vale would like to say a very big heart felt thank you for all the support given to us.

Without your support by donating your unwanted goods and those who come to buy from us every week we would not have had another successful year.

As we all know this year has been a really difficult year for everyone, which means the money we have been able to give to all the groups has been received with their thanks.

To enable us to carry on in 2013 we would ask, if you are not one of our regular customers, please give us a visit, you will always find a welcome and have a cup of tea or coffee into the bargain, it does not matter if you don't find anything you want this time but maybe the next time we will have just what you are looking for AT A VERY GOOD PRICE and you can have a good chin wag, maybe with some old school friend you may not have seen for a long time or you can meet people like yourself who enjoys company.

We have helped over 18 groups this year with awards between £250 and £1000. We have given out over £15000 this year and every application is looked at and given our consideration, as long as they meet our criteria.

We need you to allow us to carry on, we are all unpaid volunteers and all the money we make only goes to groups within Meden Vale. We really enjoy what we do, so please come along soon and give us a visit

DUKERIES Singers Jan Towler
Your Local Choir

A Happy New Year to you all, from us all. We shall be putting away all the Christmas music and preparing our repertoire for our Spring concerts.

We had a very enjoyable but busy Christmas period and performed at ten venues between the end of September and Christmas. I think we were all ready for a lie down in a darkened room!!

We have a few engagements in the pipeline but are free for bookings from mid February onwards. Please note our Concert Secretary is now Ray Lockwood, tel. 01636 525312

He would be pleased to hear from you if you are planning an event or a celebration and would like the services of The Dukeries Singers Choir.

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

**OLD WARSOP SOCIETY**

All meetings are held in the Parish Centre Warsop at 7.30pm on the last Wednesday of every month, unless otherwise stated.
