

A Rising Star

Savannah Quelcuti is 15 years old and is a year 11 student at Meden School in Warsop. She is a solo singer and has enjoyed singing since she was around 5 years old.

Savannah has entered and won many competitions for her talent, including The Rotary Club's Young Musician of the Year 2012 and Mansfield's Got Talent 2013.

She performs at many different charity events and is always highly recommended by the Rotary Club and her followers. She has already been offered two music Academy places which are on hold at the moment whilst she finishes school and concentrates on her GCSEs.

Recently she entered the biggest music competition in the UK for singers & solo artists, searching for the UK's best singers, singer/songwriters, rappers and vocalists of all genres who perform either covers or original material.

The competition is called 'Open Mic UK' and thousands of hopefuls entered nationwide and hundreds of auditionees queued patiently on the day for their turn to impress the judges.

Savannah was lucky enough to make it through to the live regional final, which was held at Sheffield City Hall on Sunday 29th Sept 2013. It was a fantastic day with some excellent talent on show.

Her performance went down a storm and she was one of four contestants making the judge's choice to progress to the next round which is being held on December 1st 2013 in Dewsbury. This will be a huge competition for Savannah as she will be competing against the whole of Scotland & North of England.

If successful in this next stage, she will be guaranteed a place in the grand final where she will perform live at the O2 Arena in London in front of celebrity/recording industry judges.

Previous finalists from this competition include Birdie, Lucy Spraggan, Jahmene Douglas, Hatty Keane & Union J's Jaymi (to name a few).

Radio Mansfield 103.2 have been excellent supporting Savannah's endeavor, providing her with airtime as have the Mansfield Chad and her school Meden Academy.

GARDENING MONTHLY...

General tasks & garden maintenance

Soggy, brown, collapsed plants are an eyesore and deserve nothing better than cutting back and a decent burial on the compost heap.

Cut down herbaceous stems and clear the tatty remains of annuals, but do leave a little cover of the perennials that fade relatively elegantly (sedum, astilbes and grasses for example).

They will provide winter interest as well as some much needed wildlife shelter - ladybirds especially appreciate winter quarters and will repay your hospitality by disposing of aphids in industrial quantities next year. Leaving sodden debris and fallen leaves around plants will only encourage pests and disease.

Clean out the greenhouse

Clear out the greenhouse, wash pots and trays, clean, mend and oil your tools and throw away anything that is beyond hope or reasonable repair! Cleaning your greenhouse thoroughly will prevent pests from hibernating and leaping into action next spring. Wash the windows inside and out to allow maximum light in over the winter and scrub benches, fixtures and glazing bars with disinfectant, making sure you hose the whole place down really well, especially dark and dusty corners.

For really effective pest elimination, fumigation is the ticket. Move all plants outside, shut the windows, light a sulphur candle in the middle of the floor, (retreat at speed!), shut the door and wait until the smoke and fumes have completely dispersed several hours later. Your greenhouse should now be delightfully pest free!

Drain and lag...

Save yourself untold irritation and expense by draining and lagging standpipes, outdoor taps, irrigation lines and water pumps in advance of sudden hard frosts.

Prepare your soil for next year

For beds that lie bare in winter, carry on with the winter digging until the soil is too hard - use compost, manure, leaf mould - in fact as much organic matter as you can lay your hands on to replace the goodness in it. It can be left in a pretty rough state over the winter when the elements will break the clods down, making spring planting infinitely easier! For text book soil improvement, you should add a layer of organic matter and dig it in by turning over spadefuls so it is buried below the surface. If this seems too much like hard work, just mulch the bed and leave the rest to the worms! If your soil is thin or heavy clay, just fork it over now; too much digging on the former will bring up infertile matter from below whilst great chunks of wet clay will remain rock solid over the winter and become nigh on impossible to break up next year.

Planting

Plant bare-rooted trees, shrubs, hedging and roses as well as fruit trees and bushes (see later). Soak the roots in a bucket of water for an hour first and protect against frost and wind if exposed.

Rake fallen leaves

Fallen leaves prevent light and air getting to plants and lawns and these dark, damp conditions are also heaven on earth for slugs, snails and an unwholesome array of fungal diseases. However, don't waste these tumbled treasures - given time they will decompose into fabulously rich leaf mould - aka 'nature's soil conditioner of choice'! Rake them up and throw into a simple frame made of chicken wire or wood. Failing that, black bin liners spiked with air holes will do if you can bear the sight, but remember to dampen the leaves first should they be dry (some hope!).

Leaf mould takes about a year to mature (2 in the case of oak leaves), makes a great top dressing for woodland plants such as rhododendrons and is an excellent and FREE home-grown substitute for peat. Don't be tempted to use rose leaves, which can easily carry infection, or evergreens, which take too long to rot down.

Happy Gardening

Friends Of The Carrs

ANGLERS Please take note:

Changes are soon to happen concerning the fishing on the Mill Dam. A new contract between Friends of the Carrs and Mansfield District Council has been reviewed. FOC the Licensees have agreed to new ruling for the future, Bailiffs have been appointed rules and regulations will be advised and placed in the Community Boards.

Charges for fishing are to be agreed at a later date when the dam is restocked and the pond renovated to its former glory.

We hope that the public will understand that implementing the contract will preserve, improve, and protect the wild life on the pond and river which is there for us all to enjoy.

Any monies collected shall be used to enhance the area and cover the costs of Bailiffs.

Bird Notes...

Hello folks

By now you should have noticed the influx of Redwings and Fieldfares, winter thrushes that visit Britain from Northern Europe. Both have distinctive calls:- the Redwing has a high seea, the Fieldfare calls with a frothy chak chak chak. The Redwing call can be heard on clear nights as birds pass overhead. The call of the Fieldfare can be heard from flocks as they also pass overhead and also from groups of birds resting in trees or bushes, as they use it as a contact call.

Many species of bird visit our shores at this time of year as Britain enjoys a milder winter climate than continental Europe. Other bird species involved in this movement, include familiar species such as Robin, Blackbird and Song thrush, a variety of finches such as Greenfinch and Brambling. Even European Great tits will migrate across the North sea!

Speaking of tits, I would like to apologise for a number of photographs that have appeared in recent editions of this illustrious periodical that seem to show species that may have little or no connection to the text - I can only offer my sincerest apologies.

By now I hope that most of you have set up a feeding station and started to attract good numbers of birds, if you haven't, please do not lose heart, as the weather worsens (and it will!) they will come. Remember to have a varied mixture of foodstuffs and supply a clean source of water. If possible always site your feeders in a place where cats will not be a problem to the birds.

All the breast! BA

Getting together for a coffee

On Monday 30th September 2013 at the Malcolm Sargison Centre, Warsop Vale a coffee morning in aid of Macmillan Cancer Support was held.

It raised £86.65 and was well supported by the local residents.

WARSOP Footpath & Countryside Group

There may still be a chance to see the fine autumn display of fungi but remember to look up as well as down. Some of the most impressive specimens can be the bracket fungi growing on tree trunks and branches, frequently on dead wood. Dead wood is a valuable habitat for insects and the fungi that contribute to it breaking down.

Although some dead trees may continue to stand for many years most wood will decay within a few years as demonstrated by the large tree trunks left on The Carrs. When managing woodland there is a delicate balance between producing wood products and providing a variety of habitats for birds, mammals, plants and insects. It is worth remembering that until the last hundred years most woodlands were intensively managed for their wood and also provided grazing for livestock. Many of our wildlife species evolved to take advantage of this type of landscape.

One local tree boasting a fine bracket fungus is the Old Churn Oak. This impressive old tree grows on the Warsop side of the parish boundary with Clipstone and was originally one of the trees along the edge of the deer park adjoining the royal palace at Kings Clipstone. If you take the permissive footpath from the Parliament Oak along the edge of Peafield Plantation you will pass the Old Churn Oak with its distinctive twin trunks.

Other local fungi sightings this year include shaggy inkcaps on The Carrs and between Barn Owl Close and the river. I found puffballs near the river at Meden Vale and the former colliery sidings at Warsop Vale are usually a good area for fungi.

Warsop Footpaths & Countryside Group's conservation work has been recognised at the Greenwood Community Forest awards ceremony where we received the Biodiversity Award. They particularly noted our water vole surveying and Himalayan balsam management. Now that we have finished cutting grass along footpaths until next May we can concentrate on conservation work like vegetation clearance and hedge management.

Our next Footpaths Group walk will be on Saturday 16th November. The destination has yet to be decided but we are planning to meet at Warsop Library at 10am. Contact us if you would like to join us or would like more details.

THE ROYAL BRITISH LEGION

The Ex-Servicemens Club on Carr Lane
is holding a fundraising night on the 8th
November in aid of the Poppy Appeal.

This will be a fantastic night starting
at 7.30pm.

The organisation of the Warsop Remembrance parade and
Service is almost complete and the parade will leave Carr Lane
as usual about 10.20am on the 10th November. We have not
had many wreaths ordered so I hope we can accommodate.

A short service will be held at Warsop Vale on the 11th
November starting at 10.45am. As our monthly meeting
would have been on the 11th it has been decided that the
service will replace it.

Our next normal meeting will be a social evening on the 9th
December at the Memorial Club, Bishops Walk, Church Warsop.
Doors open at 7.30pm.

All are welcome to attend any of our meetings.

Warsop Footpaths Group recognised with Greenwood Community Award

Warsop Footpaths & Countryside Group receive their award from Colin Barson, Chair of the Friends of Greenwood Community Forum (Left) and Chris Jackson, Biodiversity Officer for Nottinghamshire (Right)

Conservation work carried out by Warsop Footpaths and Countryside Group was recognised when they won the Biodiversity Award at this year's Greenwood Community Awards Ceremony. The group was nominated by Chris Jackson, Nottinghamshire Biodiversity Officer, for making a real difference to their community and the environment whilst working to reduce levels of non native, invasive Himalayan Balsam from the county's waterways. (See biography below)

Also receiving awards were Eastland's Junior School, Meden Vale, who received the School Involvement Award for working with The Friends of Thynghowe and a media artist to produce a video which communicated the heritage of Birklands Forest in an innovative way. (See biography below)

Councillor John Knight, Chairman of Greenwood Community Forest, introduced the evening with a speech that praised the efforts of all volunteers who were helping to look after local green spaces. After handing out the awards, he said: "This was my first year at the Greenwood Awards and I was bowled over by the dedication and achievements of all the award winners and nominees."

Chris Jackson talked about the group during a presentation and said: "They are a very special group of people with a vast portfolio of work to maintain and enhance wildlife in Warsop."

Colin Barson, Chair of the Friends of Greenwood Community Forum, commented: "Although all the award winners are thrilled to receive recognition from their peers and officers, it isn't all about being recognised with an award. The whole evening allows us to get together and let all the other groups know what has been achieved in the Greenwood Community Forest."

Biographies

Biodiversity Award, Warsop Footpaths & Countryside Group

Warsop is one of the largest parishes in the Greenwood Community Forest area and it includes some spectacular pieces of countryside and some beautiful walks. The parish supports two SSSIs, (triple S1 or Sites of Specific Scientific Interest), a number of local wildlife sites, some significant blocks of woodland and the River Meden that forms an important wildlife corridor flowing across the parish from the south west to the north east.

Chris Jackson first worked with the group in his role as a rights of way officer in 2000 and it was then that he realised that this was a special group of people with a vast portfolio of work to maintain and enhance wildlife in Warsop. The group helped to manage an extensive network of over 25 miles of footpaths and bridleways, making it one of the best managed sections of Rights of Way in Nottinghamshire.

In 2011, the Nottinghamshire Biodiversity Action Group ran a water vole survey training event in Warsop. The event was well attended

and more importantly the local group in Warsop embraced the training and as a result send in survey results annually to the Nottinghamshire Biodiversity Action Group.

One of the factors affecting the decline of water voles over the last few years is Himalayan Balsam. Himalayan balsam is an annual plant, so when it dies back in the winter, it leaves no cover and forms bare river banks that are prone to erosion. Not only does this mean that water voles are left with no vegetation which would form cover and safety for the voles to move amongst during winter and early spring, it also means that the banks where they live become unstable and the erosion can lead to their burrows being washed away in heavy rain.

Warsop Footpaths and Countryside Group have been pulling Himalayan Balsam on the River Meden in Warsop for a number of years and in 2012 the group assisted with work to pull balsam on the Shirebrook section. This summer they have extended this work to include the Sookholme Brook. This now means that in total the group are controlling Himalayan Balsam on over 8 km of river and stream and helping to prevent flooding as well as causing habitat loss for water voles.

School Involvement Award (Junior), Eastland's Junior School, Meden Vale, Mansfield

"Thynghowe and the forgotten Heritage of Sherwood" is a fascinating project led by the Friends of Thynghowe. As part of the project, the Greenwood team worked with four schools to raise awareness of the learning opportunities and provide stories, poems, artwork and photographs to be displayed at the end celebration event - The Viking Spring Thing at Sherwood Pines.

One of the schools taking part was Eastland's Junior School, Meden Vale. Over three intensive days 20 x 9 year olds visited Birklands Forest near Edwinstowe, with Bec Smith, a video artist to collect video images on I pads. Back at school Bec worked with the pupils in small groups to input and manipulate the data.

The project culminated in an inspirational live "VJ" performance, where each group used learned techniques to communicate their discoveries about the heritage of their local woodlands in a very different way.

Lloyds Banking Group Announces The Launch Of TSB

Lloyds Banking Group today confirms the creation of two strong banks – TSB and Lloyds Bank – which will increase choice and competition into the UK banking sector.

From today TSB will launch across 631 branches right across Great Britain, and will bring a credible, new competitor to the market. TSB will build on its 200 year heritage to bring local banking to communities across Great Britain and will be a challenger bank offering current accounts, savings, mortgages, insurance and loans as well as supporting small businesses.

At the same time Lloyds Bank marks another milestone in its 250 year history serving the people and businesses of Britain. The new Lloyds Bank brand will be revitalised across almost 1300 branches on the UK high street from 23 September. Lloyds Bank which is already the UK's leading retail and commercial bank will focus on providing exceptional service to customers, helping them buy their homes, save for the future and grow their businesses.

As part of the change, customers of both Lloyds Bank and TSB will be able to use both branded banks for their everyday banking needs for some time to come.

Lloyds Banking Group Chief Executive, António Horta-Osório commented: "This is a unique event; Lloyds Banking Group is increasing choice and competition in the market by launching one bank and revitalising another. The presence of these two strong brands on the UK high street will provide more choice to our customers and the wider market. The changes reinforce our commitment to better serve our customers as well as delivering a stronger and more competitive banking industry in the UK."

The creation of the two new brands follows a ruling by the European Commission in 2009 that said Lloyds Banking Group should transfer part of its business to a new owner. The creation of TSB is the next step in meeting this obligation and the bank is now prepared for flotation in 2014.

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

Mansfield District Council
Creating a District where People can Succeed

Free advice on keeping warm and reducing energy bills this winter

Residents in Mansfield District can get free advice on how to keep their homes warm in winter and save money on energy bills.

With the arrival of winter imminent and the threat of energy price rises becoming a reality, Mansfield District Council is providing free energy advice that is tailored to individual residents and their properties.

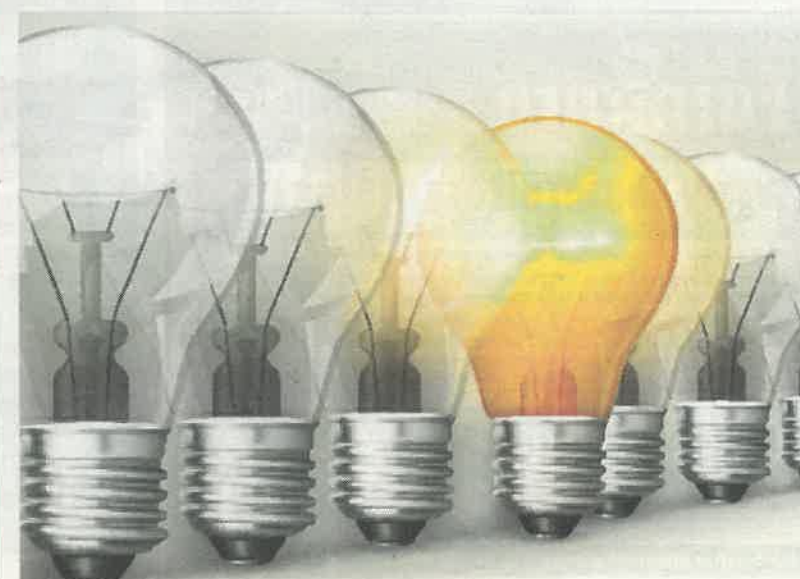

The Council's trained and impartial officer can conduct a home visit to provide residents with simple tips and advice that could potentially save hundreds of pounds a year, as well as helping to keep them healthy.

The Affordable Warmth Officer can provide residents with advice on how to understand the information on energy bills, how to set their heating efficiently, check they are on the most suitable tariff, and answer any questions they may have. Residents could save hundreds of pounds off energy bills by effectively heating their homes. Simple changes around the home can save as much as £110 on annual energy bills. Bigger changes, such as the installation of a new energy-efficient boiler, loft insulation or wall insulation could save in excess of £300 a year.

Cold homes also have a significant impact on people's health and can lead to serious health problems such as heart attacks, strokes, pneumonia and depression. One of the best ways of keeping well during winter is to stay warm.

Cllr Philip Shields, Portfolio Holder for the Environment, said: "With energy costs rising, this free advice service is an excellent way for people to potentially save money on their energy bills and stay warm in winter. A trained officer can visit your home and identify any energy inefficiencies, or ways of cutting costs. It is often the case that simple changes made to the home can result in big savings."

If you are interested in receiving advice, a FREE energy audit, or more information please contact 01623 463 472. Further information on the Green Deal is also available from the Energy Saving Advice Centre on 0300 123 1234 or the energy saving trust website www.energysavingstrust.co.uk

Skydiving for Wilbur!

Do you have a bucket list? Is there something on there that is so scary, it would drive you to do it for charity? Well this Warsop gal has and skydiving was top of my list! So what better reason than to jump for Wilbur and the hospital that saved his life. If you don't know about Wilbur, you may remember reading about him previously here.

He was born last year and very prematurely at just 25 weeks, weighing a mere 723g and in poor condition. If it wasn't for St Peters Neonatal Intensive Care Unit in Chertsey, Surrey, I wouldn't be enjoying being a Mummy to little Wilb.

So on Saturday 17 August, this 40-something Mummy was up at 6am and we all drove to Headcorn Airfield in Kent so I could show Wilbur I'm as brave as he is. I was lucky to have a perfectly clear and sunny day and after just half an hour of arriving, I was in the training room learning how to skydive. The next half an hour saw me kitted out in the most flattering and glamorous purple suit and this great 'knome' hat! I was asked if I'd like some gloves, however I wanted to feel the air on my hands as once my goggles were on, my cheeks would be the only bit of me open to the elements. My look was nothing sexy like out of 'Top Gun' I can tell you!

I decided to have my jump filmed so before we boarded the plane, Joe my camera man interviewed me and I didn't realise until I saw the film later the same day, that I was permanently smiling..... very nervously it seems! Then it was all systems go.....I met my tandem jumper (Dave from Preston, so I was happy he was a northerner!) and then we were on the plane and taking off. Being the chatty girl I am, I was the last one to board so you know what that means.....yep, the first one out! I was quite glad really as I didn't have time to get any more nervous than I already was. So, once at 12,000 feet, me and Dave were firmly attached to each other, my goggles went on, the door opened, we shuffled to the edge and.....geronimo!

Oh my goodness, how did it feel to be free-falling at over 120mph - it was totally amazing (and extremely scary too!). Joe kept gesturing to me to put my thumbs up and blob my tongue out - easily said than done as the rush of adrenalin had made my mouth so dry!

Once the parachute was deployed we floated around and Dave allowed me to steer (although he was still in full control). The views were breathtaking, I could see the sea and I've never felt so free. I didn't want the experience to end, except that I knew Wilbur was waiting for me on the ground.

To land from a tandem jump is harder than you think, although it's a softer landing that you can imagine too. You have to pick your feet up almost in a seated position and land on your bottom - there's plenty of padding on me so I was OK! Wilbur welcomed me back with a smile, Daddy Nick gave me the biggest hug and I had a tear, realising once again just how lucky I am to have Wilbur. If he didn't know then, he certainly knows now that his Mummy can be nearly, although not quite, just nearly as brave as he is - he's our little Hercules, a fitting name given to him by his doting Uncle Nick.

Having trekked the Inca Trail and Grand Canyon for Alzheimers and Scope respectively, this was a very special and very personal challenge for me. I'm really pleased to have been able to support the neonatal unit - it's an amazing place and saves the lives of many premature and sick babies. Without the unit many babies may not survive and the money I've raised will enable them to continue their wonderful work and help save the lives of more babies.

To date I've raised over £1400 and I'm still accepting donations online through Justgiving (<http://www.justgiving.com/kerryprice-wilburskydive>) or by cash/cheque to my Mum, if anyone reading this would like to support me. To everyone who has already supported me, a big thank you. You will help the neonatal unit to provide much needed medical care and support for premature and sick babies and their families, something that is very close to my heart.

Welbeck Welfare Football Club

I am writing to you on behalf of Welbeck Welfare Football Club. We are a local club based in Mansfield, Nottinghamshire and ply our trade in The Central Midlands North league. The men's section is split into two teams, the 1st Team and the Reserves.

In what has been a tough time for local football and businesses alike, we're offering you the chance to make a real difference and would be very grateful for any help you could offer us.

Sponsoring a local football team could open up so much potential revenue from geographically targeted customers, and for a very small outlay, also gain you fantastic publicity for your generous financial support.

We are hoping to establish a long term partnership with a Sponsor offering a beneficial opportunity to enhance the company's standing within the local community.

We are primarily looking for funding to help with the fees that come with running a grassroots football team, these include league fees, FA fees and pitch hire.

In return we would be proud to put a Sponsor's logo on our football team tracksuits or training shirts and give them regular advertising in our match-day programmes, on our website and Facebook page; we would also be happy to work in conjunction with our Sponsor should they have any ideas and can potentially offer them ground boards when our pitch is upgraded.

Below is an example of some sponsorship packages available,

Player Sponsorship

£100 for the season – this will give you a programme advert for each of our home games and supply your chosen player with track suit and training top.

Manager or Club Official Sponsorship

£100 for the season – same terms as above apply

Match Ball sponsorship

£25 per match – will reference to your sponsorship and an advert in the relevant match day programme. Multi match sponsorship deals are available on request

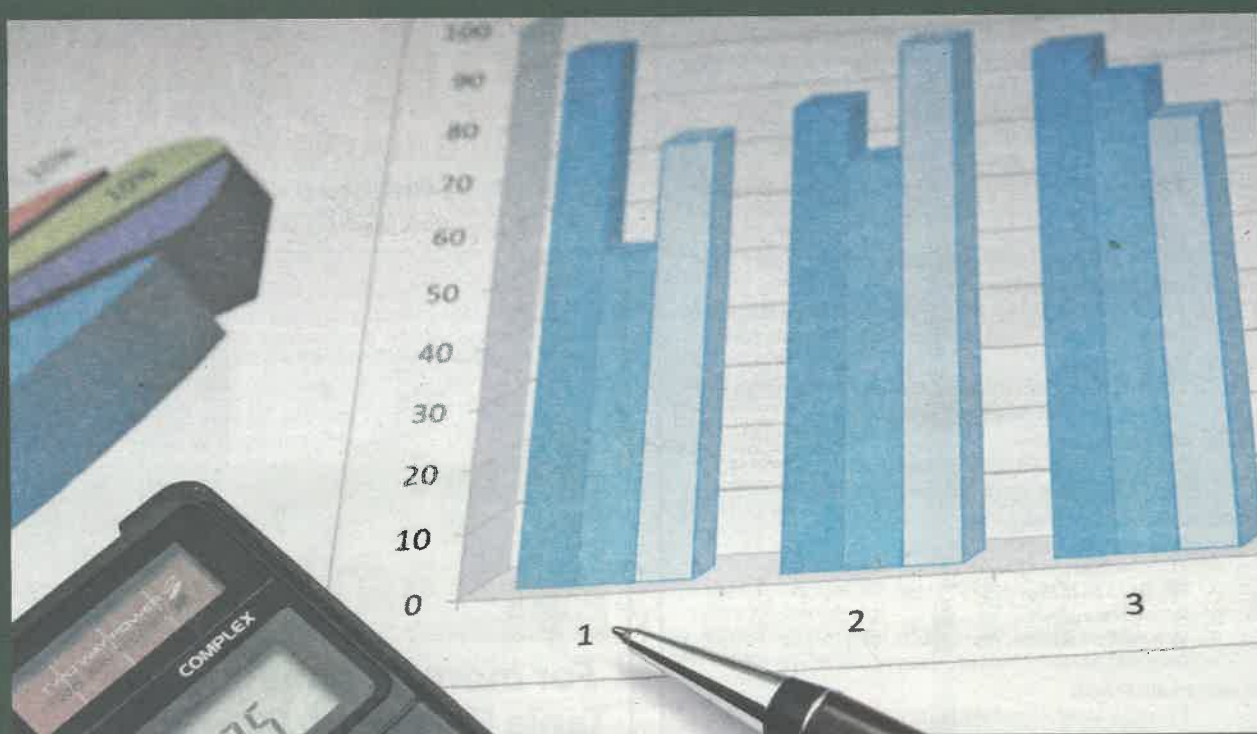

Match Day Mascot

£15 – lead the teams out onto the pitch before the game. Free refreshments before and during the game

Sponsor a Team for the Season

£2500 – this will cover all of our home match day expenses. Rewards and benefits can be discussed.

Thank you for taking the time to read this letter. We look forward to hearing from you in the future and hopefully working with you to keep our local club running for as long as possible.

Budget Challenge

Residents, businesses and community groups are being urged to have their say on Nottinghamshire County Council's 2014/15 'Budget Challenge', which started on 2 September, so the right choices are made on the things that matter to them, their family and their business.

The Budget Challenge will run until 17 January 2014, with the views of all those taking part being considered ahead of the County Council's final budget proposals being debated at the Full Council meeting on 27 February next year.

There are three steps to the budget challenge - so there are three opportunities to have your say:

Step 1: Budget position. Tell us if you understand the challenge and what services you would reduce to balance the books. Given the severity of the budget situation, what would you be prepared to do from the options presented?

Step 2: Strategic plan. Share your views on the draft Strategic Plan and tell us if we've got it right or what you think we should focus on. The Strategic Plan sets out the Council's priorities for the next four years and how we plan to deliver them.

Step 3: Budget proposals (commencing 13 November). Now's the time to have your say on how individual services could be affected and to what degree.

Nottinghamshire County Council is being forced to save £154m over the next three years as a result of Government cuts and rising demand for services, against a backdrop of ever increasing

demand for priority service areas like care for children and older people. The reality is that all options will need to be considered and many Council services will be reduced or delivered differently.

This is the most difficult budget challenge ever faced by the Council who are committed to listening to residents to help plan how the reduced budget will be spent.

Residents are able to give their feedback in a number of ways, including using comment cards available in libraries across the county, by telephoning 0300 500 80 80, online at www.nottinghamshire.gov.uk/budget or by freepost -

Freepost RLUR-UXJJ-ETZZ, Nottinghamshire County Council County Hall, Loughborough Road, West Bridgford, Nottingham NG2 7QP

Community groups are also able to download a discussion toolkit from the website which they can use to collate views of members and residents.

Whether you have responded to the Council's budget consultation before or this is your first time, it's never been more important to get involved.

We hope you all enjoyed the lovely summer. On Sept 3rd members enjoyed a Harvest Supper prepared by the committee.

We had a raffle and a quiz and any profits went into our charity fund. On Sept 17th we enjoyed a coffee evening in aid of MacMillan Nurses. We had a bring and buy table and a raffle, we raised over £90 for this worthwhile charity. During August we had a "What's my Line" evening and a "Knit and Natter" night.

Future Meetings:

Nov 11th - Christmas trip to Derby by mini-bus.
Nov 26th - Flower arranging - make our own.
Dec 3rd - Christmas Lunch at the Hostess Restaurant.

Warsop Inner Wheel

Judith Elliott, our own Masterchef spoke to the club at our meeting held on Wednesday October 2nd at the Hostess restaurant.

Judith was chosen to represent our region on the Masterchef television programme in 1996 when Lloyd Grossman was the host. We all remember how he used to sit at the end of each session and deliberate about the food!

Judith had to prepare a menu for a three course meal for four people within a budget of £30 for the first regional semi final. This was judged by Actor Richard Wilson, celebrity chef Herbert Berger and Lloyd Grossman. On winning this heat Judith then had to practise for the regional final, all filmed over just three weeks. A film crew also followed Judith to work at Chesterfield College where she lectured in Health and Beauty, to the races at Market Rasen to film her enjoying the horse racing and to an Inner Wheel fundraiser. Nigel Havers was the celebrity judge in the regional final. Judith had chosen to cook pork - a meat she was to find Nigel disliked, which may have tipped the balance into her opponent's favour.

Judith is pictured in her Masterchef apron along with President Sue Lunn. A vote of thanks was given by Ann Holland.

The Rotary Club of Warsop, Shirebrook & District

Pictured are revellers at the Pimms and Promises event jointly held by the Rotary Club of Warsop Shirebrook and District and Inner Wheel Club of Warsop.

The event raised £3000 shared equally between the two organisations with the Inner Wheel money to be sent to the Blue Bell Wood Hospice.

Entertainment was provided by a Warsop group, 'Stone the Crows'

The Club met at the Hostess Restaurant on Thursday 24th October. President Andy Perry chaired the meeting attended by 24 members and one guest Tim Bower. All committees met to discuss future events.

A cheque was received from the Warsop Inner Wheel for £1760, this was half of the proceeds from the joint Pimms and Promises event held recently. Rotarian Barry Wetton gave a short presentation on the District 1220 Conference at Scarborough held over the weekend of 5th and 6th October.

The club celebrated the 65th birthday of Rotarian Steve Garner.

The ROL, Rotary and Big Lottery round of funding for the Warsop area was discussed and there are a number of worthy applications being discussed. The results will be known in the near future.

Rotarian John Fretwell announced that there will be 2 fundraisers next year.

Friday 14th March 2014 at the John Fretwell Centre Cabaret Spectacular. Details to be finalised. Cost will be £30 per ticket and enquiries for tickets can be made from any Rotarian or the John Fretwell Centre. Tables of 8 or 10 can be booked. Individuals can also purchase tickets.

Friday 30th May 2014 Sportsmen's Evening at the JF Centre Speaker Dean Windass ex Premiership footballer together with Jamie Sutherland Comedian. £30 per head, tables of 8 or 10 can be booked. Individuals can also purchase tickets.

It is proposed to hold a Musical outdoor event at Scarcliffe Lane Farm Upper Langwith on Friday 10th June. Details to follow.

Strangebrew

Welcome to Strangebrew, Warsop's local homebrew store. We are a family run business, with over 18 years experience in homebrewing.

Whether you are just starting out, an experienced brewer, using 'hedgerow' fruit or pre concentrated kits, we have what you need to get your brew started.

We have many kinds of beer and wine kits to suit your tastes, as well as all the equipment needed.

If you've been thinking of making your own tipple, either to save money, or just to get involved, we can offer all the advice you need.

With wine from as little as £0.62 per bottle and beers from £0.33 per pint, all you have to add is your own sugar, water & time, you can see why this old hobby is getting reinvented.

Air Cadets visit Army Air Corps

Air Cadets from Warsop recently went to Yardley Chase Training Area in Northamptonshire for a fieldcraft training weekend. This was a great opportunity for the cadets to put the practical training they have completed on parade nights together and have fun in the process.

The cadets put the first aid and radio communications skills they have learnt into the exercises as well as developing team working and learning how to look after and feed themselves for the weekend.

Warsop Air Cadets are actively recruiting new cadets. We offer 13-18 year olds the opportunity to go flying and gliding, adventure training, target rifle shooting, compete at sports, go on camps in the UK & overseas as well as gain academic qualifications and take part the Duke of Edinburgh's Award scheme. For more information contact us by email oc.1208@aircadets.org or find us on Facebook or twitter.

Poplars and Sycamores Care Centre

Poplars Fancy Dress Football

On Sunday 25th August Sycamores and Poplars Care Centre held a Fancy dress Football Match and Summer Fete. Staff, resident's families and friends got together on Carr Lane field and had two matches, first for children and then everyone played. There was a referee in a onesie, nurses keeping the peace, a very large Elvis to mention just a few!!!

Over £500 was raised towards residents funds, thanks to all staff, resident's families and friends and all their hard work towards our footy match, what a fantastic game even with Jack Sparrow in hand cuffs!!!

Thanks to Kev from Shine for recording it, can't wait to see it all on DVD!!!!

Poplars Garden has now been transformed!!!!

During the summer, family and friends of our residents and staff volunteers donated time and money to make over Poplars garden. The once over grown area has now been transformed into a usable space for residents to enjoy outdoor activities and relax. It also features new patio furniture and three raised beds for residents to plant their own flowers and vegetables to enjoy next year.

A BIG THANK YOU!!

From staff and residents to all who was involved with this project, it would not have happened without you!!!!

News from Limestone House on 3rd October 2013

Limestone House is open from Monday to Friday 9am to 4.30pm, Saturday mornings from 9am to 12noon also on Sundays from 11am to 3pm. The Memory Lane Café is open during these hours and offers a variety of food.

In line with the 'Memory Lane' Café theme a memory relating to the Creswell Junior School Centenary celebrations in 2012, is on display in Limestone House. The letter, loaned by the Elmtun with Creswell Local History Group, is from the first Headmaster of the school Mr George Bell, dated Xmas 1913.

The letter starts:- My Dear Scholar, Christmas has come again, and in accordance with my usual custom I give to each of you.....

Call into Limestone House to see what the Headmaster said in his letter to the children in 1913.

This Memory Lane display will change on 1st November showing another resident's interesting memory. If you have an interesting memory you would like to share with others in the Memory Lane Display contact the Limestone House office.

A fundraising event for the Community Regeneration Charity based at Limestone House will be held on Sunday, 24th November from 3.30pm to 5.30pm. Maltby Miners Welfare Brass Band will give a 'Proms Concert' in the Creswell Social Centre.

Tickets are on sale at Limestone House and will also be available on the door for £5.50 and concessions cost £4.50. The ticket cost includes light refreshments.

Short training courses for people out of work continue in Limestone House: Basic Computers:- using E mail and Internet, Food Hygiene, Health and Safety and First Aid All the courses give an opportunity to gain a qualification. Phone or call into Limestone House to book your place.

COME AND VISIT US.....YOU WILL BE RECEIVE A WARM WELCOME.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

On Saturday November 23rd we are holding a workshop session where we will be looking at old maps of the part of Sherwood Forest between Warsop and Edwinstowe. We will describe what we have already discovered and by pooling the knowledge and expertise of the people attending we we hope that we will gain new insights into the past of the area.

We plan to look at 1615 and 1629 maps of Gleadthorpe, a 1609 map of the western part of Birklands, the 1791 map of the Crown lands in Birklands and Bilhaigh and the 1852 Welbeck Estate forestry planting map. We will use a computer to overlay these maps with a modern map and also our LiDAR survey of the woodlands that shows the humps and hollows hidden beneath the trees. We can fade these layers in and out to allow the accurate location of features shown on the old maps. We will be particularly looking at the lines of the old trackways through the Forest.

Anybody interested in the past of the Forest, has knowledge of the landscape before recent changes or just wants to find out more is very welcome to attend and to contribute.

The workshop will be held in the classroom at Sherwood Pines starting at 10am and should last about three hours although it may well overrun if people have plenty to say (which they usually do!). Attendance is free if you are already a member of The Friends of Thynghowe otherwise it costs £5 to join. There may be a charge for the Forestry Commission car park. To confirm a place or to find out more contact us on the email address below or phone 846281.

Congratulations to Meden Vale's Eastlands Junior School for winning an award at the Greenwood Community Forest Awards Ceremony recognising their brilliant audio-visual project that was part of our Heritage Lottery funded project. The excellent work of Church Vale and Birklands, the other local schools that we worked with, was also acknowledged at the event.

If you have any questions or for more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website.

Longden Terrace Miners Welfare

a community venue with a bright future

The Trustees of Longden Terrace are anticipating a bright future as they open the doors to new ventures. Working with local groups, charities and organisations, the Welfare is looking to host a range of new events during the day time and evening.

The aim is to place this popular landmark at the heart of community life.

Peter Meadows, a well versed regeneration expert and former Regional Programme Manager for the Coalfields Regeneration Trust, is working with the Longden team. Peter's initial role will be to help the Trust understand more about the needs of the local community and find new audiences for the Miners Welfare.

Jeff Wood, spokesperson for Trustees said "We are open to all new and fresh thinking about the role of our facility. We are equally keen to work with strategic partners to make the best use of local community buildings in a way that supports Warsop's regeneration goals."

Regulars will be pleased to know that the social club is still very much open for business.

Dave Carmody, the Club Secretary would love to hear from community groups and other potential end users. If you are looking for a venue for hire with well looked after facilities, then call him on 0778 6836487.

Warsop Spiritualist Group

We meet at the Hare and Hounds function room every Thursday at 7.30pm, where we have now been for a year. The group would like to thank Jonathan Palmer and Rachel Fines from the Hare and Hounds for their support.

The group would like to thank Jonathan Palmer and Rachel Fines from the Hare and Hounds for their support. The group is growing in numbers and has a good reputation from visiting mediums for its positive energy and people. We book only the best Mediums from around the East Midlands and Yorkshire.

We have active psychic development group who meet on a Monday night and some of the members are now starting to go out as trainees to other Spiritualist Churches in the area. On Monday 16 September the group will be at Sutton in Ashfield and on 31st October they will be at Warsop.

We have some great mediums booked over coming months and have booked mediums for every week up until the end of 2014.

The battle of Cuckney/Hatfield or Heathfield?

It would seem this chestnut is up for review once again but, with a little more Information. A new group has formed to look into this particular battle called The Battle of Hatfield Investigation Society under the guidance of Mr Joseph Waterfall.

The object is to establish once and for all if there really was a battle in AD.633 in the Cuckney area (and not Hatfield Chase at Doncaster) I've made a few more enquiries since my last article on this subject, and received some valuable information from a very well informed resident of Cuckney, who revealed (he himself,) had looked at the skulls excavated in 1951 and saw the battle injuries (ie, the square spike holes made by mace and clubs,) and further investigation revealed sword and axe slashes. Chatting with another well-informed resident who was born in Cuckney revealed the Reverend Ashworth Lound (deceased) counted over two hundred skulls and estimated possibly the remains of five or six hundred bodies.

I hope to bring a little more light on this project at a later date also a phone number to contact for anyone wishing to assist or join the society.
