

Carnival

Sunday 6th July 2014

Theme: The Sky's The Limit

The Carnival team are already making plans for next year, we have taken on the positives and the negatives and are ready to make another family fun day happen.

Thankfully the team has grown, some funding is in place and we are all raring to go to make 2014 bigger and better.

If anyone would like to sponsor the Carnival or make a donation we would be most grateful, as you can imagine it costs a lot of money to put on a good show.

We also need help with the set up and the clear up over the weekend as this year we were down to 4 litter picking after the event and considering we all started at 6am and didn't finish till 9pm, it's a long day!

We need ideas:

- What kind of acts would you like to see?
- What can you contribute?
- What do you think would make it better?

We cannot stress enough that this event is all down to a small team of volunteers who put a lot of time and effort to bring this fantastic day to you to enjoy.

EDITOR'S LETTER

I didn't complain about the weather last month but here I go! Who has stolen the summer? Come on own up somebody has done it, 14 degrees in August, what's that all about????

We had a couple of little mishaps with last month's paper but it was Gemma's first one and considering I was away enjoying myself in sunny Spain, leaving her to it, I think she did an excellent job. We make a good team!

My relaxing holiday seems so far away now but I have new exciting things to keep me occupied, Joe and I have now moved into our lovely new home. It's been a long journey but we have finally arrived.

Plans for next year's Carnival are already under way and anyone wanting to join the committee or want to volunteer their services on the day, they will be most welcome. The more the merrier!

Promote Your Business by Advertising in

Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide (eg. monthly advertising cost for an 8.5 x 4cm = £24.00)
For in-house designed artwork please add £1 per column cm (eg. for an 8.5cm x 4cm Ad add £4 - this is a one off charge for the design or re-design of your Ad)

Size	Cost	Artwork
1/4 page	£95.00	£5.00
1/2 page	£170.00	£10.00
Full page	£290.00	FREE

With rates like these you can't afford not to!

GARDENING MONTHLY...

General Gardening Tips for September

Start your compost going by buying a compost bin or building a partially enclosed and easily accessible area for a heap. It is essential to replace the goodness in soil and autumn produces quantities of garden waste that will add invaluable organic richness back into your soil next spring.

Remember to add a variety of different materials; spent vegetable plants are ideal but NEVER add diseased or pest-ridden material to your compost heap - it will nurture whatever villain you are trying to eliminate with loving care!

Clear garden debris

Keep weeding; most perennial weeds are susceptible to weedkiller this month and systemic weedkillers will carry on working throughout the winter. Also clear any debris and diseased material from your garden. Pests and diseases that overwinter in your garden will reappear next spring with a vengeance so get rid of them now. Burn diseased material and put the rest of your garden rubbish (apart from woody stems) in the compost.

Clean out the greenhouse

Once tomatoes and other greenhouse crops are over, give the greenhouse a thorough clean to prevent pests from making a home in that lovely warm environment, ready to leap into action next spring.....

Dig clay soil

If your soil is heavy clay, start digging it over now whilst it is still relatively dry. Add plenty of organic matter to improve the quality and pea shingle to improve the drainage. It can be left in a pretty rough state over the winter when the cold will break the lumps down, making spring planting infinitely easier!

Watering

Should September turn into an Indian summer, remember to keep watering thoroughly once or twice a week rather than little and often. Containers and hanging baskets need watering every day.

For recently planted large shrubs or trees, leave a hose trickling around the base for an hour. The same goes for established plants in dry periods - camellias, rhododendrons, azaleas and hydrangeas will abort next season's flowers if they get too dry.

Ensure trees or shrubs planted in the last couple of years on lawns or in areas of rough grass have a circle of clear earth around them - this MUST be kept clear or grass will prevent essential moisture getting through. Mulching with bark or compost will help.

Planting

With the ideal planting conditions of autumn (warm moist soil), now is the time to plant container grown shrubs, trees, fruit bushes, perennials and bulbs. The key to successful planting is to water in well. Soak the rootball in a bucket until no air bubbles come to the surface, dig the planting hole, fill with water and allow to drain away. Place the plant in the hole, fill with soil, firm gently and water well with a watering can - this will give the plant a huge advantage over one planted with a dry rootball in a dry hole and watered only on the surface.

The Mill Dam

The specifications for the de-silting of the Mill Dam, work on the island and the formation of a scrape have been re-written by FOTC.

Two local contractors have been shown round the site. We do need their ideas at this stage and also estimated prices (not quotes at this stage). We will then know how much funding we are looking for and can start the process of making funding bids.

Bird Notes...

Hello everybody

Here we are three quarters of the year gone and autumn on its way. Most of the summer migrants are either leaving or have left already and soon their places will be taken by bird species that will come in from Northern Europe to take advantage of our (hopefully) mild winter climate.

This changeover of species will be happening all over the northern hemisphere as whole populations of birds move from their summer quarters to their winter ones. In the southern hemisphere the situation will be reversed as it will be winter turning to spring.

The main bird species for the casual local birdwatcher to look for are the thrushes (pictured above); Fieldfare, Redwing, Blackbird (pictured below) and Song thrush- they often migrate at night so late September/October and even into December listen out for their high see or-seep calls on still nights as they fly overhead.

Another bird to be on the lookout for is the Waxwing (pictured below). These jewels of the bird world are pinkish chocolate brown with a tufted crest and usually knock about together in small flocks, if you are lucky enough to see them they are almost always either in or very close to a tree or shrub with a lot of berries on it. This is usually a rowan, a hawthorn or even large concentrations of cotoneaster ssp.

Waxwings can look very Starling-like in flight; with their pointed wings and hunched shoulder profile. Familiarisation of the Waxwings ringing, sibilant call will always aid identification. I hope you all see one- they are awesome!

WARSOP

Footpath & Countryside Group

It is looking as if it could be an excellent year for berries in the countryside with fine crops of red hawthorn haws and rose hips contrasting with the black fruits of the sloes, blackberries and elderberries. This is good news for birds as well as human foragers.

The downside of the success of the blackberries is the vigour of the brambles growing in the hedgerows lining our footpaths. Without regular maintenance some routes could easily become blocked and at this time of year many walkers carry a pair of secateurs.

This year has seen bracken, nettles and cleavers grow above head height and when these plants die back they can collapse across paths giving this group's volunteers more work!

It is pleasing to see more butterflies appearing. After the scarcity of overwintering species in the spring those emerging later in the year seem to be more successful albeit numbers seem much reduced from a few years ago.

The Mill Dam swans have successfully raised their brood of five cygnets although their next test will come when they take to the air. Other interesting local wildlife sightings include views of a water vole and grass snakes.

Not far over the Warsop parish boundary in Forest Town the Spa Ponds Nature Reserve (also known as Gara Ponds) is currently up for sale. The Forest Town based charity CICL is looking to raise funds for its purchase and an appeal has been launched. They want to work with the Wildlife Trust to improve and enhance it for nature conservation, community access and to conserve the heritage of this historic site. The ponds are on the western edge of the former royal deer park of Clipstone. They are overlooked by steep slopes of ground to the east which once housed a fortification built by Edward II in the early 14th century.

The ponds were kept for provision of fish for the king and represented a massive undertaking by the crown. They are an important part of local medieval heritage and are a significant part of a national story relating to the time of Edward II.

I have been enjoying the variety provided by the uncut areas on the Carrs Local Nature Reserve. They have been alive with insects and birds and more wildflower species are becoming established including cranesbill, Goat's beard, corncockle, knapweed, mallow and scabious.

Our next Footpaths Group walk will be on Saturday 21st September. The destination has yet to be decided but we are planning to meet at Warsop Library at 10am. Contact us if you would like to join us or would like more details.

Our Secretary can be contacted on 01623 846281.

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres. Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

Warsop Library have kindly offered to host a display of our activities and discoveries. From Tuesday 3rd September you will be able to find out what we have been up to in the woodlands of Birklands.

You will also be able to buy a copy of our new booklet that describes the past of our part of Sherwood Forest by tracing the steps of a perambulation of the Warsop boundary in 1816. It paints a picture of life in Warsop two centuries ago and tells stories of some of the local folk who walked the boundary. Good value for only £4. If you are a member of The Friends of Thynghowe or took part in the 2012 version of the perambulation walk you are eligible for a free copy if you contact us directly.

On Sunday 1st September we will be taking our displays to the Vicar Water Fun Day. Come along for a chat and to enjoy a broad range of other activities.

Meden Vale Charity Shop

We, The Trustee's and volunteers who work in the charity shop would like to thank everyone who over the years have given us their most valued support.

We could not begin to name our many customers who donate their unwanted items, and the people who buy the variety of goods we have on offer. But we make the exception this week by giving our thanks to a resident of Meden Vale namely Mr Dennis Priest who has just presented us with a cheque as his support for our work.

A lot of you will know Mr Priest who over the years has done a lot of work for our community on many committees including his years as a Warsop Parish Councillor

Thank you again Dennis from us all

Equipment required - ALL AVAILABLE FROM MATTHEWS WEBSITE: www.watercolour.tv

Matthew Palmers watercolour paint, natural grey, natural blue and natural yellow. Saa artist watercolour paint, Aureolin (bright yellow) and burnt sienna. Saa gold watercolour brush size 14; size 2 rigger brush and Matthew palmers tree and texture brush, medium size. Matthew Palmer Easy Clean Watercolour palette. cotton watercolour paper (Matthew Recommends Fontaine). Craft knife, hard board and masking tape.

Stage one

Start off by attaching the paper to a hard board with masking tape, also add a line of masking tape across the horizon (1/3 up the paper and remove the stickiness, by sticking to your cloths first!).

Let's get painting. Use the 14 brush and wet the paper above the tape, this will be the sky, make sure it's all covered, now water down some of the natural yellow in your palette, paint this in long brush strokes at the bottom of the sky. Next do the top half of the sky with a slightly stronger mix of natural blue, this is a perfect sky blue I have designed. Tip- try and use horizontal brush strokes and get the two colours to connect and blend together, like a gradient.

Let's paint the trees now, using the Matthew Palmer tree and texture brush mix some burnt sienna in your palette, this is quite a strong colour. Stipple the brush in your palette to pick up the paint and practice on the side of your paper to stipple the paint for the tree leaf effect. The trick is not to have too much paint on your brush.

Now, simply stipple the autumn trees, working right down to the tape. Add some of the shadow colour, the natural grey into the autumn colour, this will give more detail and separation to the trees. (see image) Tip- try using your little figure nail to scratch out a few branches.

Stage two

Once dry, remove the tape, nice and steady so no rips happen. Mix a green from Aureolin and natural blue and simply paint all the bottom of the painting, if you lighten the colour as you paint upwards (adding more water).

Clean your brush and just use the bright yellow (Aureolin) to add some colour to the grassy meadow. Simply mix this on the paper, giving life to the meadow.

Allow this to dry and try the dry brush technique to give texture to the meadow. Use the 14 brush and the green you mixed earlier. dab the loaded brush on tissue to remove the excess paint and lightly drag the side of the brush on the paper. notice how the textured paper gives a lovely effect.

Using the matthew palmer tree and texture brush, mix a slightly stronger green and stipple again in your palette. Use the taller hairs on the brush and stroke upwards in the foreground, this will give foreground grasses. It's worth practicing this technique.

Use a light stipple to add a few flowers, little spots of burnt sienna. Tip - its the final detail bits that make the difference.

Stage three

To finish off the painting, stipple in a few leaves on the distant trees. Use the tree brush to do this, mix a strong burnt sienna. Use gentle pressure.

It's worth painting a few tree trunks and branches, using a strong natural grey and your small rigger brush. Tip - paint tree branches in the direction they grow. Now sit back look at your painting, there may be one or two little things that stand out. Well done folks, give it ago and don't be afraid to get started in watercolours.

To all the electorate of The Parish Of Warsop

From Mr Dennis Priest

As I have no doubt you will have seen my name is
no longer on the list as a councillor for the parish
of warsop in warsop news.

This is because after 25 years or more i have decided to
stand down and give someone else a chance to help the
electorate in any way possible.

So may i express my appreciation and many thanks to
you all and to the person who replaces me. Good luck
and serve your voters to the best of your abilities and i
wish you all the best.

Yours
Dennis Priest

Meden Vale *The Future*

Registered Charity No. 1115359

The 13th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 6 August 2013. 8 members of the Committee were present, 1 Representative from Meden Vale Football Association, 1 Representative from the Playscheme and 1 Representative from Care Trainers Ltd. 2 apologies were received.

The Representative from Meden Vale Sports Association reported that in addition to monies already received from the Olympic Legacy Fund, further funding was being sought to provide inner fencing for the main pitch. Several training courses had been arranged for the start of the new football season.

Mr Paul Sear from Care Trainers Ltd made a short presentation to the committee outlining what courses could be made available to the local community, these include first aid, personal licence for alcohol sales and food safety. In addition, courses can be tailored to meet individual needs.

A meeting of Welbeck Colliery the Future was held on Wednesday 24 July and was well attended and included our local MP Mr Alan Meale and his wife Diana. Progress on the restoration works had been delayed owing to a landslip at Hatfield colliery. This interrupted railway freight traffic with the knock on effect that insufficient lorries were available locally to transport material to site. A short presentation was made by the representative from AcreEnergy describing their anaerobic digester plant which would require approximately 70 employees. Locally produced green feed stock would be used and the gas produced supplied to the national grid. The start date for work on the Re-Fin Solar panel installation will now be September / October. Welbeck and Harworth Estates are now preparing the legal framework for a joint planning application for the site.

A sugar craft course has been requested for September as part of Adult Learning.

The Treasurer reported that the financial position had improved with a £500 cheque having been received from Warsop United Charities. A thank you letter to be sent.

The Caretaker reported that there were several tiles missing from the outer roof and two fluorescent light fittings required replacing. The Committee agreed that these repairs could proceed.

Next meeting will be on Tuesday 15 October 2013 at 7.30 pm. All welcome. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Warsop Wives Group

On July 9th we held a colour theme evening, we had food with a green and yellow theme. We also took part in a quiz.

On July 22nd we had trip out by minibus, the weather was beautiful. We went to a garden centre near Ashford in Lincs. We all enjoyed our lunch there, then we went on to Sutton-on-Sea for a few hours, it was lovely to see the sea and feel the sea breeze on such a hot day, we really enjoyed it.

On July 23rd members enjoyed a bingo evening and a raffle. Future meetings include a Harvest supper, a knit & natter night and a McMillan support coffee evening. I hope you enjoyed your holidays and the rest of the summer.

Warsop Inner Wheel

District Chairman Carole O'Connor was the Speaker at the Inner Wheel Club of Warsop on Wednesday 7th August at the Hostess Restaurant. She told us about her life outside of Inner Wheel and of her great love of animals, especially her Siamese cats. Her chosen charity for the year is Support Dogs.

On 7th July Inner Wheel members worked tirelessly in the heat to provide refreshments at the Warsop Carnival. Rotary President Andrew Perry is pictured giving his support and a hand with the washing up!

On the 11th July President Sue Lunn and some members met for a walk around Scarcliffe Woods and lunch at Upper Langwith Village Hall, visiting the flower festival at Holy Cross Church in the afternoon. Many members had helped with the flower arranging.

District Induction Day was held on 16th July at the Civic Centre Mansfield. Newly Inducted Chairman Carole O'Connor enjoyed a relaxed and well supported day.

MS UPDATE

First, and foremost, I must apologise to you all, for not having an MS write-up in the last edition. Let's just say that we were all up to our eyes in organising MS Awareness Week, and the deadline for submissions slipped by.

MS Awareness Week seems a distant memory now!! From April 29th to May 3rd, Mansfield and District Branch volunteers were located at King's Mill Hospital, raising awareness of Multiple Sclerosis. Although we did not reach our fundraising target, we did raise a superb total of £1036.05. What pleased us most was the interest in our display unit, which contained the Society's most recent publications. Both members of the general public and King's Mill medical staff took many booklets away to learn more about this debilitating illness. The more folks understand about MS, and its effects, it will make it easier for our patients to live with this disease. Mobility problems, eyesight and hearing problems, dealing with spasms and incontinence, and unrelenting fatigue are just some of the conditions MS patients have to live with daily.

As always, there are so many that we need to thank for the success of this event - the volunteers who manned the stall, and those behind the scenes that provided the prizes, and those who helped with the sorting and transporting of goods. Special mention to PALS at King's Mill (Patient and Liaison Service), who stored all the tombola prizes, and who made sure that the equipment was out daily. I would also like to personally thank Lynn Phillips from Mansfield's Marks and Spencer Store, and all the staff who donated so many prizes for this event. People like Monica and Ralph Bell, Irene Gibbey, Geoff and Eira Hallam, Mary Wilde and Sandra Rogers who donate bagfuls of prizes each year - you are all stars!! A huge "Thank-you" goes out to David Keward, who stepped in and transported all the goods to King's Mill at short notice. Finally many thanks to Sue Clarkson, Cynth Page and to Bernard and Dot Wale, who worked so hard behind the scenes to make MS Week a good one.

Shortly after MS Awareness Week, the Branch held its Annual Meeting, at William 1V, on Stockwell Gate. At this meeting, several Committee members summarized the progress made in 2012, and then Bernard

Wale, the incoming Chairman, talked about his hopes for 2013. A difficult part of the proceedings was saying "Farewell" to our outgoing Chairman of 5 years, Mr. Gordon Beastall. Gordon has always been a loyal and dedicated supporter of the Branch. Nothing has ever been too much trouble for him, as he spent many hours talking to other organisations about Multiple Sclerosis, and the needs of MS patients.

He has fought many battles for our Branch, including the reinstatement of an MS Nurse locally, and getting more funding to improve the quality of life of many of our members. Although Gordon feels it is time for him to step back from Committee duties, he has promised that he will continue to support us in any way he can. Thank-you Gordon for your continuous support, and commitment, to the Branch. You have been such a help!!

Earlier on in the year, we had a message from the New Inn in Mansfield Woodhouse, saying that they were going to do a parachute jump. Well, guess what? Yes, they did it, and they raised a staggering £1256.25. WOW!!! We could not believe our eyes when the cheque came in! We have not got full details of who actually did the jump, but we would like to say a huge "THANK-YOU" to all the staff, and customers, of the New Inn. What a result!!

Well, Folks, I am beginning to come to the end of my essay!!! A reminder about the monthly Socials at William 1V - usually 7:00pm start. Buffet provided. It is a great evening, and you are all welcome to come. A final plea - we are desperate for volunteer drivers!! If you know of anyone who can, and is willing to drive the ambulance, please contact the Branch on 0800 5420901. They must hold a licence to drive an ambulance. I think that's about it, my friends. Take care, and hopefully I will talk with you again soon.

Air Cadets visit Army Air Corps

Air Cadets from Warsop have been around the UK this Summer on camps at RAF Stations. Squadron staff and cadets spent a week at RAF Shawbury in Shropshire and MOD Boscombe Down in Wiltshire.

Whilst away they had the opportunity to go helicopter flying, learn leadership skills, visit Royal Navy ships at Portsmouth, trip to a theme park as well as RAF and Army work experience. Pictured is Cpl Josh Fawcett in an Army Apache attack helicopter on a day trip to the Army Air Corps at Middle Wallop.

Cadets have started a project this month to build a petrol go-kart. As well as learning engineering skills this also goes towards their BTEC awards. With it being good weather recently a lot of outdoor activities have been on-going including fieldcraft and sports.

Warsop Air Cadets are actively recruiting new cadets. We offer 13-18 year olds the opportunity to go flying and gliding, adventure training, target rifle shooting, compete at sports, go on camps in the UK & overseas as well as gain academic qualifications and take part the Duke of Edinburgh's Award scheme. For more information contact us by email oc.1208@aircadets.org or find us on Facebook or twitter.

THE ROYAL BRITISH LEGION

We had a very successful month last month with several ventures for the branch, some pleasure and some business.

Our first outing was to the Warsop Carnival which saw a glorious day and a few visits from members we had not seen for a while. It is always good to catch up with old friends. We signed up several new members and spoke to a number of beneficiaries who didn't realise they were entitled to help from the Royal British Legion in times of need. (A beneficiary is someone who has drawn seven days' pay from the Military, and their spouse/partner/dependents.) We sold out of Tombola tickets so that had obviously gone well, raising some much needed funds for the branch.

We laid wreaths in tribute to the life of Drummer Lee Rigby on the day of his funeral. Members of Warsop, Meden Vale & District, with Edwinstowe Sub-Branch laid wreaths at Edwinstowe war memorial.

Our next outing was to Carr Bank Park at the Ashley Clarkson Honour Walk and Family Fun-Day. The walk was from the Major Oak, Sherwood Forest to Carr Bank. Robin Hood came out of hiding in The Major Oak to see the walkers off and several bands played in the park. The Seaforth Highlanders piped the walkers into the park and round to the memorial for a short act of remembrance. Wreaths were laid to the sound of a Pipers Lament. There were not many dry eyes!

A big thank you to those that helped make both the Carnival and the fun-day so successful. We hope to have raised a good amount of money which will be spent on Welfare in the Mansfield/Warsop area.

Our final outing (pictured above) was to the Dambusters museum at RAF Scampton. 31 members and friends enjoyed a really good day finished off with lunch in Newark. The museum curators made us very welcome and were very knowledgeable.

Shoe Box Appeal

We have in the past 3 years sent out over 700 'comfort' boxes to our brave boys and girls in Afghanistan. They are greatly appreciated, acting as a small reminder of our support for them. If you know anyone serving out there please let us know their details so that they too can receive a box.

Our next meeting is on the 9th September at the Memorial Club, Bishops Walk, Church Warsop. Doors open at 7.30pm.

All are welcome to attend. You do not have to be ex-military to join and we have a good mix of men and women members.

Can you help?

As our branch thrives, sadly other local branches are diminishing so we really need help towards the Poppy Appeal. Collectors are needed in the Warsop, Worksop, Mansfield Woodhouse and Edwinstowe areas. If anyone can give even an hour through the Poppy Appeal fortnight (26th October - 10th November) we would really appreciate it. The money raised by the Poppy Appeal has never been needed more with so many returning from Afghanistan in need of help. We help the families of the fallen too.

Organisations wishing to guarantee a wreath at Remembrance should please make contact with us on the number below.

WARSOP POLICE UPDATE

A new addition

We have a new team member arrived this month, PCSO Catherine Darby. Catherine has moved from Harworth Police Station to Warsop. Unfortunately due to area changes, PCSO Sophie Elphick has moved to the Pleasley Beat area. We wish her luck and will be missed by the residents of Warsop. PCSO Sharon Brown will be returning in September also.

As all local schools are halfway through the six weeks holidays this means that local children and young people will be looking to keep occupied. We urge parents to be aware of what their children are doing, to deter any potential nuisance behaviour. Where possible, involve them in supervised activities so you know they are safe and enjoying themselves in a positive, harmless way, rather than their actions having a potentially negative impact.

On the flipside, I also ask that residents to be tolerant and with that, I do appreciate that we all have different tolerance levels. However if you do want to report antisocial behaviour in the area, call us on 101.

At this time there is, of course, an increase in the number of children out playing both during the daytime and in the evenings. Road users should take extra care, not only on main roads but also in built up residential areas and around play park areas.

Our priorities for this month are:-

Antisocial Behaviour -

Carr Lane and Carr Lane Park - We will continue to conduct high visibility patrols in the areas you have identified as prone to antisocial behaviour and work with partner agencies to tackle the issue.

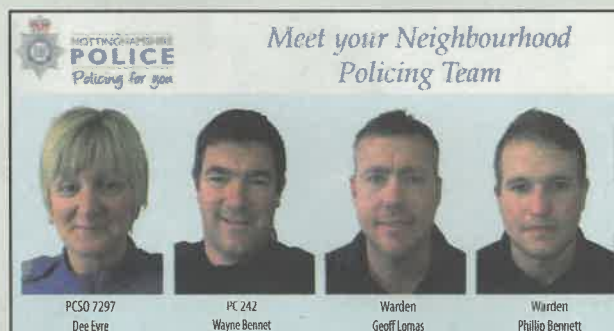

Vehicle Nuisance -

Areas to be focused on will be Netherfield Lane, A60 towards Cuckney Hill, Bishops Walk and the A60 Spion Cop.

The "Fatal 4" will also be focused on:-

- Speeding
- Drink Driving
- Not Wearing a Seat Belt
- Use of Mobile Phone whilst driving

We are looking to recruit a group of volunteers of local community members to be part of a community speedwatch group. Should you wish to be involved please contact PC 242 Wayne Bennett.

Mansfield District Council
Creating a District where People can Succeed

Your Dog, Your Responsibility

Mansfield District Council is reminding dog owners across Mansfield District of their responsibilities when it comes to looking after the family pooch.

A new campaign called Your Dog, Your Responsibility has been launched and gives dog owners information on issues such as dog fouling, micro-chipping, excessive barking, neutering and control.

Members of the Council's Environmental Health and Neighbourhood Warden services will be attending the Oak Tree Fun Day on 14 August to hand out dog goodie bags and talk about the importance of being a responsible owner.

In September local schools will be invited to take part in a competition to name the campaign's mascot and design a poster which will be used as part of the promotion.

Cllr Mick Barton, Portfolio Holder for the Public Protection at Mansfield District Council, said: "Every dog owner has a responsibility to ensure that their pet does not cause a nuisance to others. This means that as the owner you must comply with

certain laws, most of these are straight forward and are there to ensure that people and dogs can live happily and safely in the community."

In November 2012 the Council strengthened its powers to deal with irresponsible dog owners. Fixed penalty notices issued to dog owners who fail to remove dog mess on public land were increased from £50 to £75 - bringing it in line with other fines already in place for offences such as littering and graffiti.

A new penalty of £75 was also introduced for failing to put a dog on a lead and keep it on a lead when told to do so by an authorised officer. Owners would be required to put their dog on a lead only if it was behaving in an unsuitable way or was not under control.

It is now also an offence to allow dogs to enter children's play areas and sports arenas which are enclosed with a boundary fence

or similar. There are currently fenced play areas and sports facilities including bowling greens and tennis courts in 33 locations across the District where these orders will apply.

Cases which go to court can incur penalties of up to £1,000.

New no fouling signage is currently being placed across the District and stickers are being placed on all bins within the parks, which state the bagged dog waste can be put in the general waste bins.

Council officers are available to visit schools or community groups within the Mansfield District to talk about the Your Dog, Your Responsibility campaign.

For more information please call 01623 463 011 / 463 391.

WARSOP LADIES POBUS

concert by

**What a Summer we are having. The garden
is bursting with crops which thrills the
heart of this "digger and delver."**

This Summer the Choir has experimented with keeping
rehearsals going during the Summer months instead
of taking our usual Summer break. It has been quite
worthwhile I think even though rehearsal numbers
are inevitably down due to holidays. The enthusiasm
though is undiminished!!

We are rehearsing some exciting and totally new
(to us) music; at the moment, one piece in Latin,
two pieces in Zulu and one piece in English, but
then, we are always up for a challenge.

We have lots of commitments booked for
the Autumn Term and up to Christmas and
we are looking forward to getting back into
performing mode.

Here is our Concert list so far for September

Friday 6th September
West Markham Church at 7-30pm

Thursday 12th September
Warsop Church

Sunday 15th September
Thoresby Riding Stables

However, we have lots of dates available and if you
have a celebration or an event at which you would
like us to sing, please do contact our Concert
Secretary Ray Lockwood on 01636 525312.
He would be delighted to hear from you.

The Dukeries Singers hope you are having a
wonderful Summer and hope that the Autumn
will be just as kind to us all.

5 Media take to the stage for charity

5 Media organised an event as part of Mansfield Arts Festival at the John Fretwell Centre on 18th July 2013.

Below are some pictures of some very talented young people from the evening. The event raised £400 for The Lee Bonsall Memorial Fund and over 200 people came to support it.

A massive thank you to everyone who gave their time to make it happen. Here's to the next one!

The Plough Inn chef, Warren Smith, officially unveils his amazing new menu with new landlady Karen Emm.

The Plough Inn has a new birst of flavour... ...and we don't just mean the food

The Plough Inn at Warsop is now under new management and on 10th August they officially launched their new menu. Designed by D2studio Ltd., the menu includes the pub classics we all love and a whole range of new signature dishes created by head chef, Warren Smith.

The event organised by the new landlady, Karen Emm created a buzz around the much loved public house. Free samples of what the menu has to offer were served throughout the day to give customers a taste of what's to come. With the addition of amazing draught beer offers, wine sampling, a bouncy castle and free pop for the kids, live music and not forgetting mascots Micky and Mini who got the party going with party dancing with DJ Carlos. The whole day turned out to be a roaring success.

The Plough Inn is already making plans for a big Christmas celebration with an impressive festive menu which will be available for Christmas party bookings and of course for that all important Christmas day dinner including a multiple choice 3 course meal which is set to be spectacular!

For further information or to book contact The Plough on 01623 846814 or why not call in and see for yourself!

OUT & ABOUT

Rufford

• Brass Band Sunday

Sunday 29th September 2pm-4pm

There is no finer way to spend a Sunday afternoon than to relax and listen to a traditional brass band. A band will be performing in the main courtyard against the impressive backdrop of the Jacobean wing of the Abbey. Come and take a seat, for which will, no doubt, be a superb spectacle. Suitable for wheelchair users. FREE

• One Sky One World

Sunday 13th October 11am-3pm

The Midland Kite Fliers are taking part in a global event called One Sky, One World which is a non-political movement aiming to promote peace and harmony across the world. Come and admire this colourful display of kites. This event is weather dependent, so keep your fingers crossed for a good breeze. FREE

• Minibeast Day

Sunday 1st September 11am & 4pm

Sherwood Forest National Nature Reserve is world famous for its ancient oaks but did you know that over 1500 different invertebrates and 200 species of spiders have also been recorded on site? Come and join a mini-beast hunt under the expert guidance of a Sherwood ranger and local bug experts. Equipment will be provided and guidance will be given to help you identify insects found on the day. FREE

• The Legend Lives On!

Sunday 1st, 8th & 15th September
12 noon, 2pm & 3.30pm

Come along to Sherwood today and meet some of the colourful costumed characters from the Oakwood Outlaws. Be amazed as the lads and lasses demonstrate their medieval combat skills 'up close and personal under the Major Oak! FREE

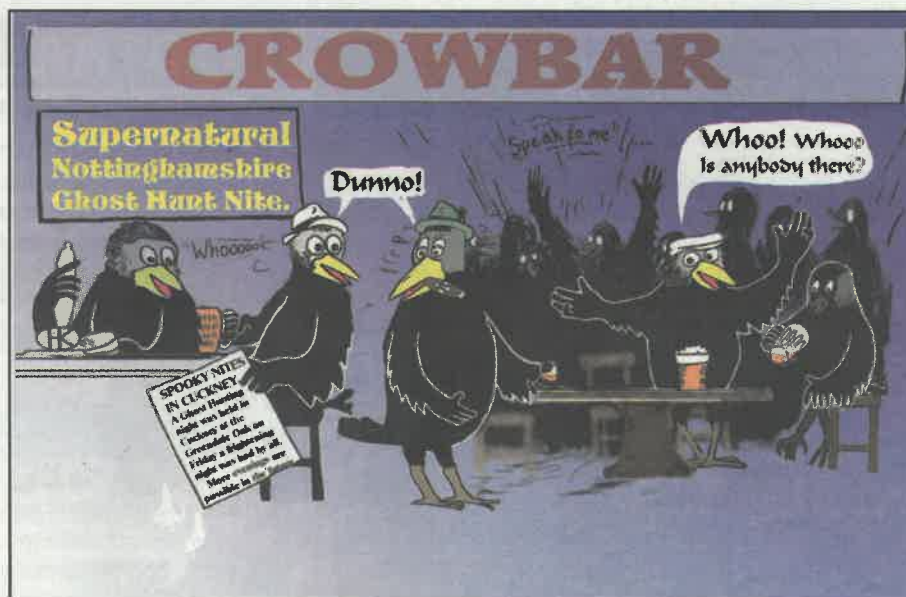

SPOOKY NIGHT IN CUCKNEY

Surprise, Surprise, popped into the Greendale Oak a couple of Fridays ago to find minehosts, Garry and Brett, had put on a Ghost Hunting night for their customers.

It would appear there has been the odd ghost around for a great many years and except for shattering a glass here and there, one or two items going missing and then turning up in an entirely different place, (oh! and heaters turned on and off while the residents were at breakfast), they seem to be a friendly bunch of poltergeists.

After a short ritual the group went into the snug (which was originally the old mortuary) where a strong presence was felt by Lynn, the seer... then the group continued to the outbuildings and stables; where it seemed everybody felt a presence, including Garry and Paul. It was then revealed that a resident from many years ago committed suicide by hanging himself in the stables and the rope was left there on show for the curious to examine. An interesting night was had by all and a promise of more nights in the future.
