

WAR SOP OPEN for business

The Neighbourhood Plan for Warsop is beginning to take off! As we have said in previous articles, the Plan will look at important issues such as the Town Centre; housing; open spaces and the environment; transport and community facilities. It will provide a vision for how Warsop will look in the coming years.

Since the last edition there has been media coverage in the Mansfield Chad as well as Mansfield Radio 103.2 FM. You will all have seen posters announcing the Neighbourhood Plan appear across the Parish and each household has received a leaflet giving more details. A Facebook page has been set up at www.facebook.com/yourwarsop through which regular updates on progress will be posted and our consultants – Yourlocale – who are supporting us through this process have a twitter feed @Your_Locale. Also – a questionnaire has been prepared to give you the chance to tell us what is good about Warsop and what needs to improve.

You can find this questionnaire at www.surveymonkey.com/s/warsop or click the link on the Facebook page. You can complete the questionnaire anonymously if you prefer, but if you provide your contact details you will be entered into a draw with three chances to win a £50 shopping voucher to be spent locally. All questionnaires need to be returned by the end of May and they only take about 10 minutes to complete – so good luck!

We have now firmed up the arrangements for the first consultation events that will take place on 27 March and 1 April.

On Thursday 27 March you will be able to find us at the Market in Warsop between 10:00am and 2:00pm where we hope to meet as many people as possible to let you know about the scope of the Neighbourhood Plan and how you can become involved.

There will be display boards showing key areas and issues and opportunities for you to comment on Warsop as you find it. An entertainer will help to keep the children busy.

On 1 April we will be out and about again, this time driving around Spion Kop; Meden Vale; Church Warsop and Warsop Vale. Look out for us! We will be starting off at Spion Kop at around 2:00 pm and finishing in Warsop Vale at about 5:00 pm.

Later on we will hold further consultation events as the themes begin to emerge and you will have further opportunities to make comment throughout the process.

Please do get in touch with us. You can collect a paper copy of the questionnaire from the Town Hall. Gary Kirk from Yourlocale can be contacted at gary.kirk@btinternet.com or by telephone on 07808 060654. We really want to hear from you!

Copy deadline for the May issue is: Friday 4th April 2014

Eastwood's Legacy to Warsop

Former industrial site to be developed as a community hub and youth centre

Although Adam Eastwood and Sons Ltd is no longer trading and has gone into voluntary liquidation, the well-being of the community of Warsop remains very much in the hearts and thoughts of the trustees of the Sir John Eastwood Foundation. Through a very generous donation from the Foundation, Warsop Youth Club (WYC) have been able to acquire the former Adam Eastwood garage depot site alongside the Health Centre to the rear of Church Street, on the understanding that the site is to be used for the benefit of young people in the parish.

Some members of the community may remember Shine running activities at

the site including a community bonfire. The Eastwood Foundation recognised the social value of these activities and originally offered the site to Shine. Unfortunately Shine at that time was not in a position to take up this offer.

However Big Warsop recognised its potential and pursued the offer with Eastwoods. Warsop Youth Club was approached as an established charity in Warsop parish to see if they would be prepared to take the project forward. The board of Trustees enthusiastically agreed to the proposal and the transfer of the site was completed in January this year.

Big Warsop funded work to establish the feasibility of the project, provisionally known as the Aspire Centre and have now given the 'green light' of support and are kicking off the project with £100k for initial refurbishment work.

WYC are currently working to resolve planning issues at the site but it is hoped that work will start in the next few months to get the building ready for use.

Outline plans for services include skills training, taster courses, and volunteering opportunities as well as leisure activities for young people and the wider community.

WYC is working in partnership with Big Warsop, the newly launched Shine Nottinghamshire and other organisations to ensure that the centre meets community need and becomes an innovative flagship project that Warsop and the Eastwood Foundation can be proud of.

Warsop Youth Club (WYC) would like to express sincere thanks, on behalf of the community of Warsop, to the trustees of the Sir John Eastwood Foundation for their generosity, to Big Warsop for being a catalyst in making this project happen and to Shine, without whose initial vision and hard work this opportunity would not have been offered.

For more information please take a look at the Big Warsop website www.bigwarsop.co.uk. As the project progresses regular updates will be provided here, including information for those wishing to become more involved.

EDITOR'S LETTER

Spring has well and truly sprung! I'm sat here typing this whilst the sun is shining on my office windows.

Yesterday Sunday 9th March it was the same temperature here as my favourite holiday destination Benalmadena, what's that all about???

Everywhere is starting to look spring-like with the crocuses and daffodils out on the Carrs. All it takes is a bit of sunshine to cheer us all up.

There are lots of things coming up in Warsop and I can feel a positive vibe for a change, everything has been doom and gloom for far too long!

You will have had a leaflet through your door "WAR SOP OPEN for business I know we all hate questionnaires and are sick of being asked the same old questions but this time we really need you to say what you think good or bad.

GARDENING MONTHLY...

General tasks and garden maintenance

Beware late frosts and keep vulnerable plants and new shoots protected at night if frost is forecast. Don't be tempted to put out tender bedding until much later on in the month and even then be prepared to cover it if necessary.

Deadhead daffodils and narcissi, give them a liquid feed or sprinkling of bonemeal and then let them die down. Don't cut off the leaves as they are necessary to replenish the bulb for next year. Keep deadheading spring bedding to keep it looking neat and encourage new flowers.

Continue with the spring cleaning. Hoe your borders, getting rid of weeds before they take hold - annual weeds such as bitter cress and groundsel are enough of a nightmare without allowing them to go forth and multiply by seeding. If it's dry, attack ground elder and the like with systemic weed killer painted onto the leaves.

Mulch away while you can still see what you are doing and before the herbaceous growth really takes off. Use your own garden compost or leaf mould, well rotted manure, the contents of out-of-date grow bags or ready-made soil conditioner.

Now the soil is warming up and things are starting to grow, add general purpose fertiliser before covering with mulch especially in borders, the fruit and vegetable patch and containers. If you have already mulched, draw it back (if possible), tease the soil a little, add fertiliser and replace the mulch.

Carry on removing moss and weeds from paths, terraces and drives.

Make new beds and borders - mark the shape with sand trickled from a bottle, remove the top layer of growing vegetation and dig the ground over, incorporating as much organic matter as possible. If you are making a bed in the lawn, remove the turf - if you dig it in the buried grass will regrow and regrow and regrow and...

Clean and repair your garden tools, book the lawn mower in for a service and check garden furniture for any rot. When it is warm enough, treat sheds, fences and trellis with wood preservative; brushes and rollers are fine for most things, however a sprayer is well worth buying for tricky projects such as woven panels!

Now is the time to wage war on slugs and snails. They love tulips and delicacies such as the delicious young shoots of delphiniums and the like, so use pet-friendly slug pellets, drench the ground around hostas with liquid slug killer to exterminate slugs below the surface. Keep an eye out for snails and pick them off - what you do with them is up to you. Birds are your friends here - flat stones artfully located are useful accessories for birds to practise their snail bashing techniques.

Bird Notes...

It is official! Spring has sprung!

It is now April and the year in nature has turned again. All of our winter visitors have left us – the Fieldfares and Redwings are on their way back to north eastern Europe and Scandinavia or even possibly to Russia.

Even most of the Robins that have warmed our hearts, as we watched them foraging in our gardens during the winter months will be winging their way back north east. I'm sure that you will have noticed that of the five or six (or even more) Blackbirds that were also feeding in your garden during winter – have been reduced to only two or three. The ones that are missing will also be returning to their breeding areas in north eastern Europe. Starting to notice a pattern here?

The last departures of winter migrants herald the beginning of the spring migration of birds from the south of the Mediterranean into Europe. These will be mostly insect eaters that will time their arrival with the emergence of their food.

They include Swallows from as far away as the tip of South Africa, Cuckoos from Senegal and a host of different species of warblers from the breadth of central Africa. The first warbler to arrive is the Chiffchaff – named after its simple call. They usually can be seen at this time feeding amongst the buds of trees before the leaves have fully opened. The males often pause, and call out their plaintive song, thus making the identification of these beautiful but often overlooked birds easy.

It is worthwhile trying to learn the calls and especially the songs of the commoner species of birds, especially the migrant summer ones. You can do this whilst out and about in summer. Upon hearing a perhaps unfamiliar song; follow it to its source, where hopefully you will get a good view of the singer – helping you to associate what the bird looks like with what it sounds like. Alternatively you could use other resources that are available to learn bird songs i.e. bird song cds/dvds or the internet.

A few birds that are a good starting point in becoming more familiar with the sounds that birds make include all the ones that live and breed around your house – such as the commoner finches; Chaffinch, Greenfinch and Goldfinch. Blackbird, Robin, Dunnock and Wren are also good to be familiar with, along with Blue tit, Great tit and Long tailed tit.

A short walk around the Carrs or to the Hills and Holes will provide you with a chance of seeing and hearing some other common species that might be more unfamiliar to you – such as Willow warbler, Blackcap and Garden warbler as well as finches such as Bullfinch and Linnet.

As April turns into May I would recommend anyone who can, to experience a dawn chorus in any of our local woodlands – an absolutely awesome event that if you haven't already witnessed it in your life, you really are missing out!

All the best BA

Mill Dam Update

A meeting was held on Tuesday 4th March at The Gate Inn. The chair was able to update the members present about her meeting with a Project Consultant who is now seeking additional funding to complete the project. The consultant works on a commission basis so that if no funds are raised no fee is paid.

The funding from MDC will cover the cost of de-silting. Additional works include the stabilisation of the island which needs to be carried out simultaneously with the de-silting and formation of a scrape at the rear of the memorial square on the small spring that is piped under the square and A60. This also needs to be carried out at the same time in order to spread the silt on the adjacent fields. New fishing pegs will be needed, work on some of the footpaths and some tree planting will be included. This will all lead to a general upgrading of the Carrs.

The Clean Up day is on Wednesday 2nd April. Meet at the Carrs car park at 10.00. We will start at the road side and work our way along the river and round the Carrs. The more people that turn up the better and more ground will be covered.

The AGM will be held on 20th May (venue to be agreed) and if a meeting is called before then it will be posted up locally and phone calls will be made.

FOTC will be supporting the Poppy Day on Sunday 11th May.

WARSOP

Footpath & Countryside Group

The wet winter has made some of our footpaths rather muddy but the problem has been made much worse in a few parts of the parish by motorcycles ridden illegally along these public rights-of-way. It is an offense under the Road Traffic Act for any motor vehicle to be on a public footpath or bridleway.

Whereas the police and wardens can deal with local youths and their motorbikes the trail bikers from further afield can be more difficult to track down. However, without information the authorities cannot take any action so it would be helpful if any incidents of motorbikes on public paths were reported to the police on their 101 number. If there are enough reports the off-road police team may be called in to tackle the trail bikers that have been causing damage, particularly in parts of our woodlands.

The first cowslips should soon be blooming on the Hills & Holes. It is pleasing to note their spread into the grassland area beside the river and onto The Carrs. White flowers to look out for include stitchwort on grasslands and beneath trees there will be wood anemones and ramsons. Towards the end of the month bluebells should appear in many woodland areas. Take a walk in Church Warsop's Collier Spring Wood for an impressive display. Patches of early purple orchids may also be in flower if you know where to look and it is worth checking beneath the trees on The Carrs to spot the snake's head fritillaries.

It will soon be time to listen out for the first cuckoo of the year. Cuckoo numbers have been in decline since the early 1980s possibly because the populations of some of its host species have also dropped. Decreases among British moths may have reduced food supplies for returning adults and they may also be suffering difficulties whilst migrating or whilst in tropical Africa during our winter. Another sign of approaching summer is the return of swallows from their African winter quarters.

Peacock and orange tip butterflies should make their first appearance in April. If you are very lucky you may spot a slowworm or a grass snake basking in the sunshine to warm itself after emerging from hibernation. The frogs in my pond started spawning on 7th March, three days earlier than last year and three days later than in 2012.

Our Annual General Meeting will take place on Tuesday April 29th. Please get in touch if you would like to come along and find out what we have been up to over the last year or even volunteer to join in our future activities. It has been a busy past twelve months for us, we have put in more volunteer time than in any recent year.

For our next Footpaths Group walk on Saturday 19th April we will be meeting at 10am at Warsop Library. Our monthly walks are either around Warsop or through other special parts of the nearby countryside in Nottinghamshire and Derbyshire. We either travel by car to the starting point or start the walk from the library. Contact us if you would like to join us or would like more details.

The Future

The 16th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 11 March 2014. 11 members of the Committee were present and 1 Representative from Meden Vale Sports Association. 1 apology was received.

The improvements to the Village Hall have now been completed, these include repairs to the roof, decoration throughout, cleaning of the light fittings and installation of an extra outside light. Some additional outside work is being planned, this includes tidying of the grass area and unblocking and cleaning of downpipes and soak-a-ways.

The Representative from Meden Vale Sports Association reported that all funding applications for the perimeter fencing has been submitted and a decision on this will be made by the end of the month. If this comes to fruition, the target of £39,000 should be reached to enable work to commence.

A meeting of Welbeck Colliery the Future was held on Wednesday 5 March. The restoration of the colliery tip is now back on schedule after some down time with inclement weather. Progress on the Planning application is proceeding positively between Bassetlaw and the landowners discussing the final details before the application is submitted. A Contract with Network Rail to re-process spent ballast is under discussion, if this materialises then the rail link will be refurbished and re-commissioned.

The Chairman has been in discussion with the new owner of the Old Village Hall and his plans are to demolish the old building asap and re-submit a new Planning application, possibly for bungalows.

The Treasurer advised that the Accounts were satisfactory and all bills have been paid to date. A donation of £1,000 has been received from Councillor John Allin.

A visit to the House of Commons has been organised for Tuesday 29 July for Committee members and other interested parties.

The Chairman and a Committee member attended the AGM of the Big Warsop Lottery Fund on Wednesday 28 February, this was most informative. Two forms of grant are available 1) A Community Chest - this is for small grants to local groups, clubs charities etc in the Parish of Warsop 2) Major Projects - to benefit the Community, the first one being considered is to convert the old John Eastwood Workshops into a combined Youth Club and Community Centre The Chairman suggested that the Village Hall requirement for improved disabled access could possibly be funded via the Major Projects. It was agreed that the Committee would approach the Big Warsop Lottery to see if this was a suitable scheme for them to consider.

Next meeting will be on Tuesday 6 May 2014 at 7.30 pm. All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

Engraved In Blood

Following a highly successful first year of gigging in 2012, which included appearances at BOMfest 2012 and Blast Festival, Engraved In Blood spent the first part of 2013 recording there full length studio album "Buried In A Forest Of Bodies".

The album was released worldwide on I-tunes, Amazon, Napster and many other digital outlets in July 2013 and since received radio airplay around the world, including USA, Russia, Canada, Latvia and Japan. Following this, the band played a number of small UK summer festivals including Khaos Festival 2013, and Coalfields 2013.

Engraved In Blood's current line up consists of James Quartermaine (ex Aonia/From The Depths) on vocals and rhythm guitar, Danny Phillips (ex The Modcons) on the drums, Mike Bower (Ex BB Blackdog/Aonia/From The Depths) on the bass, and Tom Else taking up the lead guitar duties. This line-up see's James & Mike working together again, after a 3 year break.

Going forward into 2014, Engraved In Blood will be starting the year where they left off, with a full UK tour in January & February. This will take the band to new areas of the UK. As well as this, Engraved In Blood also made it to the last 40 bands from 367 in TBFM factor 2014, and will appear on the main stage at Metal Gods Festival 2014 in May "Buried In A Forest Of Bodies" Full Length Album available on iTunes, reverbNation and available to purchase for us at gigs.

Hailing from the lace city of Nottingham - United Kingdom, Death metal rockers, Engraved In Blood are what you get when you hand Pinhead from Hellraiser an electric guitar.

1. Tape all four sides of the block, this creates a nice clean border and helps prevent cockling. Then sketch in the scene using a soft 2B pencil, I started by drawing the horizon line 1/3 up the paper, this is the base of the mountains and is simply a straight line. Then sketch in the mountains keeping this light, so the pencil does not show up too much. Add the large trees and the rocky banking to the right side, this gives a nice 'L' shape composition.

2. Mix all the colour for a big wet into wet session, use the brush that you are going to paint with to mix the colour, this ensures you mix enough for the task.

Use the XL tree brush, Mix a pale natural yellow, pale burnt sienna, strong natural blue, 70% aureolin + 30% burnt sienna to get a golden autumn colour, 70% burnt sienna + 30% aureolin for a browner shade, 70% aureolin + 30% natural blue for a mid green, 70% natural blue + 30% aureolin for a darker green and 70% natural grey + 30% burnt sienna for the strong brown, used to paint the rock area.

Tip- when using the XL tree brush don't have too much water on it, lightly dab the excess off on tissue.

My XL tree & texture brush is great for skies as well. Wet all the paper, add the pale natural yellow to the base of the sky, followed by pale burnt sienna above it. Add natural blue to the top, bottom and a few bands in the middle. Use rolled up tissue to 'roll out' the clouds, try to do this above a blue area. Ensure you don't have too much water on the brush, stipple the two autumn colours over the tree area, followed by the mid green and the darker green towards to bottom of the area of trees.

tip- apply gentle pressure with the XL tree brush, to achieve individual leaves.

Finish this wash off with the strong brown and a size 12 round brush, paint the rocky area and using a damp size 6 brush drag a few horizontal ripples from the base of the rocks into the water.

3. Just as the tree area is about to dry use the corner of a plastic card to scratch out some trees and a flat part of the card to scrape the rocks. Practice on a scrap paper first.

4. Allow to dry to get a good straight edge on the horizon, add a line of masking tape, but remove some of the stickiness first. Use a pale natural grey with a size 12 brush to paint the outline of the mountains, work in some pale aureolin for the centre of them, try to mix the colour together on the page, creating green shades, add the odd touch of pale burnt sienna.

While this area is damp use a medium tree brush to stipple a few distant trees, use one of the autumn colours for this.

Once dry, you can paint a few hedge rows, some darker separation areas etc. Use a pale natural grey and a size 6 brush for this.

5. Spend a bit of time painting the tree branches and trunks, Start with a size 6 brush and the same strong brown mix used for the rocks. Paint the right side of the trunks darker and the left side in a pale natural yellow, this give the impression of roundness. The basic rule of thumb is 'trees are wider at the bottom and gradually narrow off at the top'. Swap over to a size 2 rigger brush for the really fine branches, the more you add the more life the tree has. If you use a paler version of this could you could paint a few small trees branches over the distant trees.

Tip- practice gently lifting off the rigger brush at the end of the fine branches, this gives a more realistic branch.

Dampen the water area, just below the distant trees and the rocks, and using very little paint, add a few horizontal line to represent the reflection of the trees. Use the same colour used to paint the distant trees and mid green for the area below the rocks.

Use a strong natural grey and a size 6 brush to paint the horizontal ripples that make up the reflection of the tree trunks. The use the same grey colour to to add a few horizontal ripples. If you water this colour down you can paint some more ripples to the left side of the water area. This is a good stage to walk away and put the kettle on, look back at your painting, and spend time adding detail.

6. The finishing touches always make the painting, I encourage everyone to finish off, as it always looks better at the end. Using the Matthew Palmer XL tree & texture brush, gently stipple some more leaves over the trees. Use either of the greens or autumn shades. Add more of these towards the top. A few pale grey diagonal shadow lines over the trunks give dappled light. Use a craft knife to scratch a few sparkles in the water.

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

Increase Of Parish Precept For 2014/15

Message from Cllr Kerr (Chairman) and Cllr Crawford
(Vice-Chairman) on behalf of the Parish Council.

TO ALL CONSTITUENTS

As your elected representatives on the Parish Council, it is our duty
to inform you the reason, we as a council have found it necessary to
increase the Parish Precept for the current financial year (2014/15).

This has been due to government cuts and NCC & MDC
having to cut services in the Parish.

The new Precept increase will mean the following increases:

Band A property £17.44 increase of £1.55 per year
Band B property £20.35 increase of 1.84 per year
Band C property £23.25 increase of £2.09 per year
Band D property £26.16 increase of £2.36 per year

Our Precept pays for the running and administration of the Parish, this
includes: maintenance of Parish-owned land and property, Insurances,
audit fees, design, printing and distribution of Warsop & District
News, solicitors fees, loan repayments, carnival, section 137 (grants for
community groups), staff costs and business rates, to name a few.

We as Councillors on behalf of the Parish Council have always ensured
that any increase in the Precept will only be increased when necessary;
we have always ensured prudent spending is carried out on behalf of
the constituents of Warsop Parish.

Warsop Inner Wheel

February has been a very rewarding month in many ways for Warsop Inner Wheel. On 20th February District Chairman Carole O'Connor hosted the District Quiz at the Post Mill Centre, South Normanton.

Warsop entered two teams and the Warsop Warblers; Jan Stachen, Lynne Goff, Sue Goad and Terry Newton won the competition. President Sue Lunn is pictured presenting the team with a beautifully engraved wine glass for each member of the team to commemorate the win.

Well done to both teams for taking part. On February 27th Overseas Organiser Jan Stachen hosted a fashion show at the John Fretwell Centre, which raised over £400. There were plenty of bargains to be had on the evening.

President Sue and Vice President Terry Newton are pictured delivering a physiotherapist's stool to Bluebells Hospice. As part of the 'Wheels project' Bluebell Hospice staff had said it was something they would like to make life easier for them and the youngsters.

Mansfield District Council has teamed up with Ashfield District Council to launch a £60,000 grant pot during National Apprenticeship Week (3 - 7 March 2014) to help local employers recruit new apprentices.

The Ashfield and Mansfield Apprenticeship Grant for Employers (AGE) will be available from 1 April 2014 and will offer businesses taking on a new apprentice up to £1,500 on top of the current National Apprenticeship Service's (NAS) £1,500 AGE.

The grant will support employers who would not otherwise be in a position to recruit an apprentice, which will help boost the local economy and reduce youth unemployment.

To be eligible for the grant, businesses need to qualify for the NAS AGE, be located within the Ashfield or Mansfield District and employ less than 250 staff. The apprenticeship has to be a newly created position and the company must not have recruited an apprentice in the previous 12 months. The apprentice taken on has to be aged between 19 and 24 and live in one of the Districts. Employers can claim the Ashfield and Mansfield AGE for up to two apprentices and the grant will be paid in stages throughout the apprenticeship programme.

Mansfield District Council's Portfolio Holder for Economic Regeneration, Councillor Kate Allsop said:

"Helping businesses grow and creating a climate for job creation is a key priority for Mansfield District Council.

"The grants on offer are an excellent incentive for businesses to take on an apprentice, which will help boost productivity and performance and provide more opportunities for young people to enter the world of work."

Leader of Ashfield District Council, Councillor Chris Baron said: "Getting people back to work - particularly youngsters - is very crucial to the local economy. Ashfield District Council recognises that we must give future generations opportunities to be properly trained and qualified for the world of work."

"The grants scheme launched today will lead to accredited qualifications on completion, giving a solid base for the area's future workforce."

To find out more about the Ashfield and Mansfield AGE, contact Ashfield and Mansfield District Councils' Regeneration Shared Services on 01623 463 165 or apprenticeships@mansfield.gov.uk.

Workshops for enterprising women

A group of enterprising women have completed the latest in a series of workshops aimed at helping them to build their confidence and take their business ideas forward.

The workshops are part of the 'Women Who Do' programme, which offers free, expert support to all women across Ashfield and Mansfield, who want to explore the possibility of working for themselves, or pursue a new business idea and develop enterprise skills.

Delivered by a team of business mentors from Step Ahead, the workshops are designed to help women recognise skills and qualities they already have, understand how to develop and build a clear business vision and overcome challenges along the way.

The group will now move on to the next level of support and take advantage of the one to one mentoring on offer through the programme.

Cllr Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council, said: "Feedback from the workshops has been very positive. The 'Women Who Do' programme is designed to guide and nurture ideas and help women to turn them into concrete business plans. It is a wonderful opportunity for them to use expert help and one to one support to

develop their skills and confidence and break down barriers to bring about change in their lives."

Cllr Jim Aspinall from Ashfield District Council said: "This programme provides crucial support for women embarking on their business journey and draws on the experience of others who have already successfully built their own businesses.

"It provides a solid support network for budding entrepreneurs and helps to turn business ideas into reality. I am delighted the Council is able to provide such a high quality programme, which is proving to be very effective and valuable to its participants."

The Women Who Do Programme is managed by the Ashfield and Mansfield Regeneration Shared Service and is supported by the European Regional Development Fund.

Any women needing help and guidance to consider their enterprising ideas should contact womeninenterprise@mansfield.gov.uk for more information or telephone 01623 463165.

NEW HOUSE BUILDING PROJECT IN CUCKNEY

A fourteen year plan has been devised by Bassetlaw District Council, to build five new houses in Cuckney.

A drop-in type of meeting, held on Wednesday the 19th of March, 2014, took place in Cuckney village hall, for residents and interested parties to 'have their say'. I understand it was reasonably well attended.

The 'Neighbourhood Planning Group', is of the opinion, there are other alternatives to the way the communities can develop.

The Neighbourhood Planning Group is in the developing stages, to encompass the residents from the four villages, Cuckney, Norton, Holbeck and Welbeck, who intend to have a direct input as to what type of houses should be built, and where it would be appropriate to build them. Also, great consideration should be given to what needs to be protected.

Bassetlaw District Council, and The Neighbourhood Plan Steering Group, would like you to comment or 'have your say' Visit the website: <http://cnhwneighbourhoodplan.weebly.com/>

Warsop Men's Probus

President Hugh Ashton welcomed 30 members to the Parish Centre on Wednesday 19th February where the guest speaker Mr Steve Ward told of his career as a boxer.

Starting boxing at school as a means to defend himself from bullies he found that he was good and became an amateur. He then turned professional and after a long successful career retired and then travelled the world as a bare knuckle fighter with 39 wins and 1 fight stopped by the police!

After a break in the Stable bar 30 members had lunch and the meeting was closed at 2.00. The next meeting will be March 19th at the Parish Centre.

Hugh Ashton

WARSOP MEN'S PROBUS CLUB

The club is a long established luncheon club meeting once a month on a Wednesday at the Parish Centre.

The club has a programme of interesting talks, discussions and the occasional outing. Use is made of the Stable Bar before sitting down to a well prepared and reasonably priced meal.

FREE seminars for new businesses

The first in a series of FREE seminars for new businesses and people considering starting a business got off to a flying start at the Summit Centre in Kirkby in Ashfield.

Organised by The Entrepreneurs' Forum, the 2014 programme of seminars launched with a presentation by award-winning PR professional Graham Parker on how social media can help businesses. Under the title 'Social media, the big picture', Graham explained how social media platforms such as LinkedIn, Facebook and Twitter can be vital communication tools for business development.

The Entrepreneurs' Forum, which has been developed by Ashfield and Mansfield Regeneration Shared Service, connects like-minded individuals in similar situations to share ideas and learn from each other, provide support and encourage inter-trading.

The Forum's 2014 sessions are delivered by expert speakers and are funded by the European Regional Development Fund (ERDF).

Future sessions include:

- **Thur 15 May 7.30am** - Creative thinking and problem solving with Amanda Pearce-Burton.
- **Thur 17 Jul 12noon** - The art of being brilliant with Tony Seymour.
- **Thur 18 Sept 7.30am** - Taking customer meetings from good to great with Charles Bamascone.
- **Thur 6 Nov 5.30pm** - Marketing with a passion with Lindsey Newman-Wood.

The two-hour workshops take place at The Summit Centre, Pavilion Road, Kirkby in Ashfield, NG17 7LL. They all start with a 30-minute breakfast, lunch or buffet tea and are followed by a networking session.

The Forum also provides advice, support and information on a wide range of issues facing businesses as well as a one-to-one mentoring support programme, which helps business owners to increase their business knowledge, self-awareness and confidence.

Cllr Kate Allsop, Portfolio Holder for Regeneration at Mansfield District Council, said: "The programme of seminars for 2014 aims to address some important current issues and challenges. These seminars provide the ideal opportunity for people who have just started their own business, or those thinking about starting a business, to meet and learn from others in a similar situation."

Cllr Jim Aspinall, Portfolio Holder for Prosperity at Ashfield District Council added: "The Entrepreneurs' Forum provides invaluable support to local businesses through a variety of methods, including these seminars. The events provide an excellent way of bringing together like-minded people and industry experts to enable the sharing of knowledge and skills that go a long way towards helping a business succeed."

To reserve your place at a session, call the Ashfield and Mansfield Shared Regeneration Team on 01623 463 165 or emailentrepreneursforum@mansfield.gov.uk

The Friends of Thynghowe

Our next event will be our annual guided walk to Thynghowe on Saturday 26th April. This year we plan to start our walk from Warsop Windmill and follow a route past the site of St Edwin's Chapel before joining the old path from Clipstone through the ancient oaks in Clipstone Old Quarter.

After the visit to the Viking age assembly site of Thynghowe and a picnic lunch we should return along Clipstone Drive past the site of the Russian Log Cabin. Throughout the walk we will stop to tell the stories of the places along the route. The walk is about 4 miles and should take around 4 hours. Please contact us if you would like to join us.

If you are interested in our Viking heritage you may consider attending a live relay to Mansfield Odeon cinema from the Viking exhibition at the British Museum. Michael Wood will present the broadcast at 7pm on Thursday 24th April. We will be taking our stand to the Ollerton Village St. George's Day Celebration on Easter Sunday. If you are going you can check out what we are up to and have a chat.

Preparations are underway for the return of the re-enactors of Regia Anglorum for our major event at Sherwood Pines over the weekend of May 17th and 18th. Last year they recreated local events from the time of the Vikings and this time they will focus on the links that this area has with King John around the time of Magna Carta 800 years ago.

The living history camp and arena displays drew an enthusiastic response from many of our visitors last time so we are looking forward to another brilliant weekend. Once again this event is organised by the Friend of Thynghowe and the Forestry Commission.

Most of the time the woodlands are a tranquil area but unfortunately the peace is occasionally broken by illegal motorcycle use.

We are concerned that some vulnerable archaeological sites are at risk of damage from these motorcyclists. If you walk in these woods and encounter this problem please report incidents to the police on their 101 number so that they can build up a picture of the activity and hopefully take appropriate action.

If you have any questions or comments please contact us on thynghowe@warsopweb.co.uk For more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website:

2014 marks the 40th Anniversary of St Teresa's Roman Catholic Church in Warsop

St Teresa's Church in Market Warsop is celebrating its 40th
 Anniversary next year and we are seeking support to ensure
 that such an occasion can be marked in a suitable manner.

We are keen to hear your stories about the building of the
 Church and how it has developed as a centre of the community
 in Warsop over the past 40 years.

If you have any photographs, news articles or simply a story
 to tell we would like to hear from you! Please contact the 40th
 Anniversary Group by one of the following methods:

Great British Fish and Chip Supper

Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 16th May 2014 whilst raising awareness of spinal cord injury and supporting Spinal Injuries Association vital services.

You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre.

SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 8 friends and asking them to donate an additional £5.00 means you will raise at least £40.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA.

In 2014 SIA is celebrating its 40th anniversary and so we want to make the batter matter and raise £25,000 from everyone holding suppers. Last year we raised £12,500 from the suppers.

The money raised from the suppers will help the SIA offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Fundraising Manager, Elizabeth Wright, says, "The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family.

We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group.

THE ROYAL BRITISH LEGION

Planning for the forthcoming year continues.

The Branch has a trip to The Theatre Royal at Nottingham to see 'The Two Worlds of Charlie F', a play starring mainly ex-service men and women who were injured in Iraq/Afghanistan. It tells the story of the journey of being fit and able, being injured and their return to the UK. It is on in Nottingham from the 14th to the 19th April.

Welbeck Estates Brass Band are joining us on the Carrs on 'Poppy Day', on the 11th May at 11am. Come and help us sow some Poppy Seed. Notts Police Band are coming to Warsop Church on May the 10th with music for a summer evening.

We are planning for another outing to Bridlington later in the year. Our next meeting will be on the 14th April at the Memorial Club, Bishops Walk, Church Warsop. Doors open at 7.30pm.

Anyone is welcome to attend to have a look at us, and you do not need to be Serving/Ex-service to join.

WARSOP NEEDS YOU!

"P-DAY" SUNDAY 11TH MAY

Be there before 11am to join in the 2 minutes silence, a service by our local RBL, listen to Welbeck Brass Band and the Churches together Choir, all gather round the Cenotaph. Face painting, refreshments and the RBL will be selling poppy merchandise. There are other seed planting days taking place separately with less ceremony but nevertheless, just as important.

We need gardening tools, compost, containers and man power. We are also looking at providing refreshments and free children's entertainment on the day and another idea to get the schools involved is poem or picture competition and offer prizes.

The obvious issue to all of this is funding, so we are asking local businesses and organisations if they could sponsor the day with either:

- A financial donation,
- Gardening equipment, (lawnmowers, wheelbarrows, buckets and transport etc)
- Volunteers needed before, on the day & after

Centenary poppy badges on sale in Town Hall £2.

This will be a four year campaign from 2014 - 2018 and support will be needed for four years.

On board with us so far:

- Churches Together
- Mansfield District Council
- Notts County Council
- Meden and Church Vale Schools
- Local Residents
- Warsop Parish Council
- Warsop ATC
- Meden Vale and District Royal British Legion
- Welbeck Estates Brass Band
- Mansfield Police
- Friends of the Carrs
- Warsop Inner Wheel
- Warsop in Bloom
- Warsop Footpaths & Countryside Group
- Spencers Hardware
- Big Warsop
- Warsop, Shirebrook and District Rotary Club

Your Local Choir

Sitting here in warm sunshine it's pretty certain that Spring is definitely springing.

A large number of Choir members also sprang into action at our first rehearsal after our Winter break and the superb turn out of members made an excellent start on our programme for the coming months.

Our engagements to date are;

Thurs 24 April 2014	at Farndon Memorial Hall This is for Farndon W.I. Birthday Celebration
Sat 24 May 2014	at East Markham Church A Wedding We love them!
Sat 21 June 2014	at Edwinstowe Village Hall
Sat 5 July 2014	at St. Chad's Pleasley Vale This is our third visit.....We must be O.K.

We have a new Concert Secretary in Phil Robinson on 01623 822070. We have plenty of dates free to book us for your fund raising, anniversary, celebration event, or any other "bit of a do" where a musical offering would entertain or enhance the occasion. Phil would be delighted to hear from you if you want to contact the Choir in this matter.

A very happy Spring to all

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

Air Cadets Flying High

Air Cadets from Warsop spent a day at RAF Syerston this month learning to fly in a glider. The cadets flew 3 flights during the day completing various parts of their Gliding Induction Course.

Taking the controls after take off the cadets put the theories of principles of flight into practice. All Cadets at the Squadron are eligible to fly the course and can go on at 16 to fly the aircraft Solo after completing a Gliding Scholarship.

Warsop Air Cadets are actively recruiting new cadets. We offer 13-18 year olds the opportunity to go flying and gliding, adventure training, target rifle shooting, compete at sports, go on camps in the UK & overseas as well as gain academic qualifications and take part the Duke of Edinburgh's Award scheme. For more information contact us by email oc.1208@aircadets.org or find us on Facebook or twitter.
