How to catch a cygnet

Daryl on cygnet rescue

Wednesday 2nd July was a sad day for Warsop, when it was found that our resident swans on the Mill dam had been the victims of a suspected dog attack. Although it apparently happened on the previous evening, it was not apparent until Wed morning, when the male was found to be seriously injured and the female was missing. The two cygnets were apparently unharmed.

It was not until the evening when help was available and Daryl Watson from the Birklands Ringing Group came down. He waded through the thick sludge to the reed bed where he found the male with a very bad wound to its chest. He carried the bird back to the bank where PCSO Dee Eyre and Warden Steve Davis was trying to find someone to treat it. After a couple of failed attempts, Park Hall vets at Mansfield Woodhouse said they would have a look at it if we took it down. Eric Hill took it in his van with Dee and Steve in the back with the swan, where it was handed to vet Nicky Chapman for care.

As the cygnets would not survive on their own, they were very bravely captured by Daryl Watson with the help of two young lads, Joe Slaney and Jack Harrison and a makeshift raft made from two floatation tubes borrowed from a local building site. The cygnets were then taken to the vets to be kept with their father.

The following evening, after the vet had stitched the injured swan and dosed it with antibiotics, it was taken by the RSPCA to a sanctuary in Lincolnshire to recover, along with its cygnets. Unfortunately, two days later, the female was found dead on the Hills and Holes near Stonebridge Lane by a young lad, Kieran Dobbs, who was out fishing.

Although it is hard to say what exactly happened, the people involved, including the vets, are certain that it was a dog attack. A fox could not have inflicted that amount of damage to two swans and would have almost certainly run away at the first signs of a fight.

Swans have been resident on the Mill Dam for many years and are much loved by the people of Warsop, many can't remember a time without them. This pair have been here since 2007 when they shooed away the last, probably aged pair. Its certainly not the same without them.

Once recovered, the male and it's two cygnets will be returned and it will not be long before it attracts another mate, or a different pair will take up residence.

WARSOP FIRE STATION UNDER THREAT OF CLOSURE YET AGAIN!

People of Warsop:

My name is Nigel J Gaughan. I am a crew manager at 'Your' local fire station. I have served this community for 10 years and love my job very much. I joined the fire service to 'Make A Difference'. Some of the crew have over 25 years in the job and all the crew are a credit to Warsop and the outlying villages.

I have recently campaigned in the village to inform 'You' that 'Your' station once again under threat of 'CLOSURE'. This is a very real threat and if it closes it will 'NEVER' return.

I hope that during your whole life you don't need us! But if you do and the pump you are waiting for is coming from further away; that delay could mean the difference between 'Life and Death'. Dramatic as that sounds, its true! Even though we have given out hundreds of flyers and put up as many posters telling you about this

WE NEED YOUR HELP!

I need you to log on to: www.opinionresearch.co.uk/NFRS and complete the 2 minute survey. Tell 'Brandon Lewis (Fire Minister)' 'NO' to all the cuts! And tell the treasurer 'Enough is Enough'. Human life has no price tag! Fund a proper Fire Service to serve the people that pay 'His' wages!! Please, PLEASE take the time to look after yourself and your family.

There's not long left and out of the hundreds of thousands in Notts; so far we haven't had a thousand hits!! The Parish Council, Big Warsop and InfoTech are behind us and leaflets to the same affect are being delivered with this paper. That's 6,000 copies! Come on Warsop lets have 6000 very loud 'NO TO THE CUTS!!' Alternatively, come in and sign the petition in the Town Hall or call in at one of the InfoTech drop-ins to complete it on-line. See page 7 for more info.

Thanks Nige

EDITOR'S LETTER

Well what can I say about the Carnival?

The feedback I am getting is, it was one of the best ever!! It was an absolutely fantastic day, the weather was perfect, the acts were amazing and the music stage kept going all day with local talent finishing with the finale of Ferocious Dog and what a perfect end to a perfect day.

I personally, was so pleased how it all came together and want to thank everyone involved for making it the day it was. A special thanks go to the ATC, we could not have managed without them especially when we had to make the main arena bigger for the Tigers, an hour before they were due to jump, talk about pressure!!!!!!

I think we can pat ourselves on the back Carnival Team. Well done us!

GARDENING MONTHLY...

General tasks & garden maintenance

The most important thing this month is to enjoy your garden; heady scents, glorious colours, an abundance of fruits and vegetables and hopefully more sunshine. What could be more enjoyable and satisfying than surveying the results of your hard work throughout the year?

Watering

Remember to water and feed your plants regularly, especially those in hanging baskets, pots or containers as well as climbers and roses growing against a sunny wall. Many a plant will not recover from a drought, so water regularly and do not resort to feast and famine.

Water hydrangeas with hydrangea colourant for true blue hydrangeas next year and don't forget our feathered friends - ensure bird baths are kept full of fresh clean water.

If possible, set up an automatic watering system for your vegetable plot, borders and even containers. They are worth their weight in gold and can work on a sensor system that detects how dry the soil is. Once you have one you will wonder why you did not install one years ago. Going on holiday will no longer involve wondering if your precious plants will survive a dry spell or paying someone else to hold a hose!

If it stays warm and dry, water saving strategies include using bathwater and washing up water, provided they are neither too dirty or oily. Keep your pond topped up, free of pond weed and clean - green algae can be toxic to pets.

Weeding

Boring but vital. Keep on top of weeds in borders, the vegetable garden and all your pots and containers. Little and often will reduce what will become a Herculean task if left to spiral out of control.

Weeds not only look messy but use valuable moisture in the ground. The best and easiest way to weed is to use a Dutch hoe which will cut the weeds just below the surface. Weeding on a sunny day will ensure weeds left on the surface dry out and die in the warmth.

WARSOP

Footpath & Countryside Group

This seems to be a good year for butterflies with Small Tortoiseshells and Ringlets in many parts of the parish. I have also regularly seen Marbled Whites on the Hills and Holes. A fine selection of orchids have flowered around Warsop this year although not as abundantly as in some recent years. I have seen Early Purple, Common Spotted, Pyramidal, Fragrant and Bee Orchids, and possibly one Marsh Orchid.

The wildflower meadow on The Carrs continues to have a fine display of flowers with Poppy, Knapweed, Scabious, Corncockle, Meadow Vetchling, Tufted Vetch, Creeping Thistle, Rosebay Willowherb, Musk Mallow and Common Mallow appearing during June. Cornflowers also appeared but they cannot really count as a truly wild flower as they were raised from wildflower seed and planted out. If they seed and reappear next year we can then regard them as almost wild flowers!

A less welcome flower, Himalayan Balsam, continues to occupy us as we remove it from the banks of our waterways. By early July we had cleared downstream from Shirebrook Woods as far as Burns Farm although we will continue checking for any plants we missed. It appears that we are beginning to make a difference along Sookholme Brook with many fewer plants this year.

There appear to be fewer Swifts in the skies over Warsop this summer. Numbers have been declining for several years and on a fine evening there are now usually only two or three birds swooping around whereas a few years ago there would have been dozens.

All of the local footpaths that we mow should have received their second cut by now and hopefully are not yet ready for an extra third cut. Brambles, bracken, nettles and cleavers are enjoying perfect growing conditions this year and are attempting to block routes in several areas but we are doing our best to keep paths accessible. Any offers of help for a couple of hours on a Thursday morning would be gratefully received!

We took advantage of the dry weather in June to finish our annual water vole survey along part of the River Meden. We had already found sites near the Mill Dam and we have also discovered evidence of a lot of activity between the BMX track and Stone Bridge although, as before, there are few signs of them between this stretch and the The Carrs. These findings back up the increase in the number of reported sightings, I think I must be one of the few people who walk along the riverbank who has not seen the voles this year!

As the first panels were being installed on the solar farm on Welbeck Tip news came through that the application for another large solar farm on farmland at Gleadthorpe had been withdrawn. It is debatable whether this scheme would have been an efficient use of arable land but a well run installation can provide a better wildlife habitat than intensive agricultural operations. It is down to personal opinion whether a solar farm is less intrusive than a field of oilseed rape! However, I hope that planners will be able to take the character of the Sherwood Forest landscape into account when considering any future applications.

We are not holding a group walk in August so our next walk should be on Saturday 20th September.

Mansfield District Council
Creating a District where People can Succeed

De-silting work starts at Carrs Nature Reserve

A project to remove tonnes of silt from the Mill Pool at the Carrs Nature Reserve is underway in preparation for dredging work due to commence in mid to late August.

Mansfield District Council has started the process of dropping the water levels in the pool, in order to let the reed bed dry out as much as possible, prior to removal of the silt.

The Council has been advised by the Environment Agency that any wildlife, fish, ducks and birds will settle elsewhere if their habitat is disturbed, but this will not be harmful to them in any way.

If anyone sees an animal, bird or fish in distress, or they witness any danger to the environment such as pollution, flooding or a dangerous tree, they should notify the Environment Agency immediately on their 24 hour emergency hotline 0800 80 70 60.

The water levels of the Mill Pool will be monitored by Council staff twice daily, seven days a week, until a contractor has been appointed and work has commenced to clear the site. The silt will be stored on the nature reserve just off the flood plains and once dried, will be re-used for landscaping purposes.

Cllr Shields, Portfolio Holder for the Environment, said: "We are delighted that work is underway to restore the Mill Pool back to its former beauty and create a sustainable environment for wildlife. We have been working hard to bring about these improvements and deal with the high levels of silt, which have caused so many problems. I would ask people to bear with us and notify us if they have any concerns, while this work is being carried out."

Fish out of water

Hundreds of fish have been removed from The Carrs Mill Pool in Warsop by electrofishing experts, approved by the Environment Agency.

The day long operation was part of Mansfield District Council's ongoing project to dredge the pool and improve the natural habitat. Approximately 250 lbs of fish were netted and transferred to the River Meden, including perch, roach, bream, eels and pike. Carp was also found and removed to a fishery.

Electrofishing uses electricity to stun fish temporarily, before they are caught. The process does not cause any harm to the fish, which return to their natural state shortly after being stunned.

A large industrial pump will now be used to remove the water prior to dredging. The aim is to let the reed bed area dry out as much as possible before the dredging work begins in mid to late August. The silt removed will be stored on site and once dry, will be re-used for landscaping.

Cllr Philip Shields, Portfolio Holder for the Environment, said: "This is a very important stage in the de-silting of the Mill Pool. We have been working closely with the Environment Agency to ensure that this project has a minimal impact on the wildlife here and their natural habitat."

Friends of the Carrs: To learn more our next meeting is August 19th Hare & Hounds Pub 7-30pm. Everyone welcome, we need your support please come and join us.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

Our recent 'Spring Thing' at Sherwood Pines celebrated our local connections with King John and the events leading to Magna Carta in 1215. The remains of the King's Houses are a visible reminder of this era.

This large palace complex at Kings Clipstone was visited by the Plantagenet kings between Henry II in 1181 and Richard II in 1393. By the 13th century the palace site was the largest in the country, covering over seven acres. The buildings were set in a magnificent landscape overlooking the Great Pond containing fish and wildfowl with the adjoining deer park enclosed within a seven mile fence. The edge of Clipstone Park runs along the Warsop parish boundary from Warsop Windmill along the edge of Peafield Plantation. The Parliament Oak and the Old Churn Oak still mark this boundary.

The palace is now usually referred to as 'King John's Palace' despite the fact that many other kings spent more time at Clipstone. This could be due to John's strong connection to Nottinghamshire which began before he came to the throne. It is probable that he was very familiar with the excellent facilities for hunting and entertaining that Clipstone Park and the palace offered. It is likely that John enjoyed more support amongst the local nobility than elsewhere during the rebellion. As the Lord of the Great Manor of Mansfield he appears to have had many friends and treated his tenants and followers with respect and generosity.

During his reign John visited Clipstone twice in 1200, once in 1201, spent a couple of days there in 1205 and stayed one night in 1210. However, towards the end of his reign he spent more time in north Nottinghamshire than at Clipstone, preferring his new deer park at Kingshaugh near East Markham where he spent twelve days during 1212 and 1213. Records reveal that he also stayed locally at Perlethorpe, Laxton, Lound and Southwell.

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

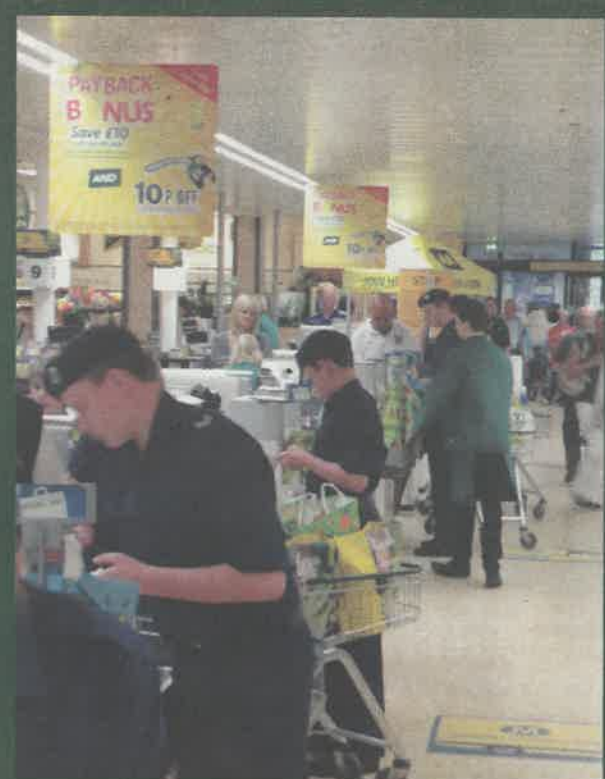

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

Air Cadets new recruits

This month we have learnt that from September 2014 we can accept new cadets that are over 12 years of age as long as they are in Year 8. We will be starting a new recruiting intake in September but people are more than welcome to contact us or pop down to our Carr Lane HQ before then to have a look around.

Cadets have been busy this month fundraising at Morrisons in Woodhouse by doing a mornings bag packing and raised £440 as well as raising money with a stall at the Warsop Carnival.

We give cadets the opportunity to go flying and gliding, adventure training, target rifle shooting, compete at sports, go on camps in the UK & overseas as well as gain academic qualifications and take part the Duke of Edinburgh's Award scheme. For more information contact us by email oc.1208@aircadets.org or find us on Facebook or twitter

Eastlands Junior School care for their local area

Children at Eastlands Junior School spent the morning at Meden Vale Methodist Chapel with Rev Bob, the children had a great time exploring the chapel. They produced a booklet of their artwork to leave in the chapel.

The children studied their local area and then made posters for changes they would like to see in the area, (no fires on Wood Hill, clean up after your dog and don't drop litter posters) the local shops kindly displayed the posters.

**Meden
Vale**Registered Charity
No. 1115359*The Future*

The 18th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 17 June 2014. 9 members of the Committee were present, 1 Representative from Meden Vale Sports Association, 1 Representative from Care Trainers Ltd. and approx 15 members of the local Community. One apology was received.

The Chairman welcomed everybody to the meeting. The Representative from Meden Vale Sports Association reported that the installation of the new perimeter fence will commence at the end of June, the aim being to start football matches on the top pitch during August. The situation with dog mess was not showing any improvement and also scramble / quad bikes were also becoming an added problem. Co-operation from the public was requested in combatting these nuisances.

The Chairman reported that after attending a meeting on site with a Representative from the Coalfield Regeneration Trust, it was indicated that funding could be made available, to pay for the paperwork associated with preparing the application to Warsop Big Lottery for the new disabled car park. In addition, the Chairman plus a Committee member had arranged a meeting with CISWO (Coal Industry Social Welfare Organisation) to discuss the issues of land ownership, rights of way and leases required in order that the car park scheme could proceed.

A meeting of Welbeck Colliery the Future had been held on 11 June. The Chairman reported that the restoration work on the pit tip was going according to plan and approximately 20 acres would be completed on the Cuckney side of the tip by mid 2015. Progress on obtaining planning permission for the Colliery site was proceeding satisfactorily, the intention being to provide job opportunities for all age groups. An initial key tenant had been identified as AcrEnergy who were interested in building a Biogas plant. This would only use locally grown maize and supply gas to the National Grid. It was agreed that an Open Exhibition of the proposals would be held in the Village Hall on Friday 11 July between 4 and 8pm. In addition, a visit to a similar plant could be arranged if sufficient interest was shown. Welbeck Estates were looking into the possibility of developing the woods behind the Colliery site (the old second world war munitions depot) into small starter units utilising the old Nissen hut bases, access would be via the Budby to Cuckney road.

The Treasurer reported that the Accounts were in order and income and expenditure were approximately in balance. The Representative from Care Trainers Ltd gave a short presentation and slide show on Social Media and how it could be used to highlight what the Committee was trying to achieve.

Next meeting will be on Tuesday 15 July 2014 at 7.30 pm. All welcome. Please contact the Secretary Kay Walker on 01623 844282 for further information.

Sherwood's Got Talent

Members of Sherwood Junior's Stage School have recently starred in their end of year production of 'Bugsy Malone'. Miss Watson, Mrs Jordan and all of the adults involved are incredibly proud of what the children have achieved.

Amelia Harris (11), who played Blousey Brown said, 'Being in this performance was one of my greatest ever experiences! I am really grateful to all of the dedicated adults, who put it together and am so proud of my talented friends.' Snake Eyes, played by Daisy Collier (10), said, 'Playing a part in Bugsy Malone was a great opportunity for me; it is something that I will remember fondly for the rest of my life.'

Shah, Udal, Gallian added for Legends game at Welbeck

Owais Shah heads up a super six of big names added to the England Legends team to star in a special T20 game at Welbeck Colliery Cricket Club next month.

The attendance of Steve Harmison, Mark Ramprakash, Paul Nixon and Alex Tudor for the eye-catching match on August 29 against a Welbeck Invitational XI has already been confirmed.

And now the club can announce they will be joined by Under-19 World Cup-winning captain Shah, along with fellow Test stalwarts Shaun Udal, Dean Headley, Neil Fairbrother, Matthew Maynard and Jason Gallian, the former Nottinghamshire captain.

The identity of the final Legends player is to be confirmed shortly. Welbeck have also announced the opposing Invitational XI team for the mouth-watering clash, which last year attracted more than 1,000 spectators.

Captained by Robert French, the five other home players selected are Andrew Marchant, David Hunt, Jono Ball, Richard Stroh and Riecko Parker-Coles.

Drafted in as guests from other clubs are David Willcock (Blidworth), Louis Sprigg (Clipstone), Martin Weightman (Clifton), Matt New (Mansfield Hosiery Mills) and Nick Langford (Cuckney).

"To get the opportunity to test yourself against the likes of Simon Jones, whose swing bowling terrorised the Aussies on the 2005 Ashes is absolutely brilliant," said wicket-keeper Hunt, who played in the corresponding match last summer.

"I'm also looking forward to taking on the likes of Shaun Udal and Jason Gallian for the first time, and it's great to see people like Dean Headley and Neil Fairbrother back at Welbeck once again.

"The Invitational side is a strong line-up, so we should be able to give the England Legends a run for their money, just as we did last year, and make it an exciting game to watch." An action-packed schedule of events will run from 12 noon 'til late, with a junior kwik cricket tournament and a corporate hospitality three-course meal preceding the main match and a disco and live entertainment to follow it.

The day, sponsored by Greene King, has been organised with the help of the Professional Cricketers' Association (PCA) and all proceeds will be invested back into the Warsop Sporting Trust, the not-for-profit organisation which runs the John Fretwell Complex.

Hunt added: "It's going to be a memorable community day and it's a great way to raise money for the Trust's ongoing projects that benefit a whole host of people in our area."

Tickets for the England Legends game are on sale now. Adults are priced at £5 in advance (£7 on the day), 11 to seven-year-olds are £3 (£5 on the day) and under 11s free.

To book your tickets, reserve seats in corporate hospitality or for more details, call 01623 847468 or email mark.waterfield@w-s-t.co.uk

Warsop Inner Wheel

At the meeting of Warsop Inner Wheel, held at the Hostess Restaurant Sookholme on Wednesday 2nd July, President Sue Lunn passed her chain of office to Incoming President Terry Newton.

Vice President is Sharon Smith. Sue has had a very successful year and together with the help of all club members, has raised a fantastic total of £4533.00. This has been divided up as follows:

Bluebell Wood Childrens Hospice £3378.00, pictured receiving their cheque. The Oaklands Centre £650.00, which was received by Incoming Rotary President Steve Lunn on their behalf. Central Notts Mind Charity £250.00, Childline £155.00, 2nd Warsop Scouts £50.00 and Support Dogs £50.00.

We all wish to thank Sue for her hard work and commitment this year and wish our Incoming President Terry a happy and fulfilling year of office.

Warsop Wives Group

On 15th May we held a successful band concert in the Tudor Barn with the Shirebrook B. Band. It raised £250 for our charity fund. On May 27th we welcomed Glenis Quible who took us down memory lane with music, songs and poetry.

On June 10th, some members went on a river boat trip from Nottingham. A meal was served on board and everyone enjoyed it. On June 24th, Edwin Tattersall came and showed us slides of his dad's paintings and told us of his life. It was very interesting to see slides of old Warsop buildings and sketches that his dad had done.

Future meetings include a pudding quiz night, a Common Wealth games evening, a lunch at the old school, visit to Clumber, a hospitality night with friends from Triangle Group. We are also invited to a coffee morning At Triangle in aid of Warsop's Oakland centre,

Irene Hodgson

Warsop Men's Probus

President Hugh Ashton welcomed 20 members to the Parish Centre, after a short business meeting he introduced the speaker Mr Peter Brammer who gave a talk about the ship "The Essex" and her captain Mr Pollard.

This ship inspired the "Moby Dick" book which Peter had read and had then went to Canada to research.

Afterwards, after a break in the Stable Bar, all the members and the speaker had lunch in the Fitzherbert Room. July's meeting is a trip which is sold out, to Melton Mowbray and the Bell Foundry in Loughborough.

The August meeting is on Wednesday 20th August @10.30 with member Bill Power giving a talk on the 1st World War. All potential new members are always welcomed.

Hugh Ashton

WARSOP MENS PROBUS CLUB

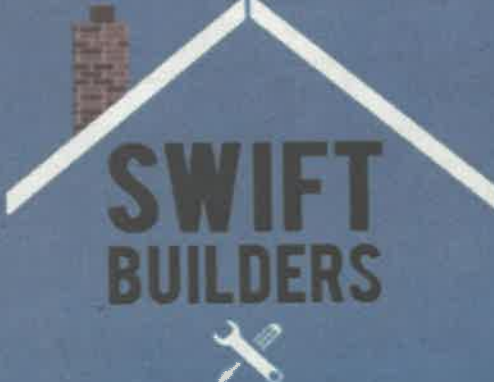

The club is a long established luncheon club meeting once a month on a Wednesday at the Parish Centre.

The club has a programme of interesting talks, discussions and the occasional outing. Use is made of the Stable Bar before sitting down to a well prepared and reasonably priced meal.

THE CLUB WELCOMES NEW MEMBERS

If you are interested in becoming a member please telephone: John Hosty (Sec) 01623 467590 or Hugh Ashton (Pres) 01623 846748

EXCITING NEWS FROM LAURA YOUR NEW...

 **Personal Travel Agents**
at Co-op Travel

It's been a very busy and exciting time for me recently and I wanted to share all my news with you! I have finally made the decision to fulfill a lifelong ambition and run my own business as a Personal Travel Agent with the Midcounties Co-operative.

It's now over 14 years since I started in the Travel Industry and it still only seems like yesterday! Since then I am proud to have worked my way up to the position of Assistant Manager, working in Independent Retail Travel agencies and more recently with Co-Operative Travel in Mansfield. The experience and knowledge I have gained over this time has been invaluable and I now feel the time is right to take the exciting step of running my own travel business.

I have chosen to operate under the Midcounties Co-operative umbrella, as it still remains a truly independent Co-operative. This ensures that I can provide all my customers with the widest possible choice of holidays combined with excellent value for money and of course my unrivalled service and attention to detail. My customers are my priority and I am offering a truly personal, professional and knowledgeable service.

Midcounties Co-operative is fully ABTA and ATOL bonded which means that you, the customer, have complete financial protection and security when booking your holidays with me. Any bookings also have the added benefit of qualifying for Co-operative membership points.

As a Personal Travel Agent I am available at a time that is convenient to you, and with the latest travel technology at my fingertips you don't need to spend your valuable time trawling the high street or Internet and making endless expensive phone calls. I am here to help with all of your travel requests - from a UK break, flight only, weddings, hen and stag parties, family holidays or cruise. Don't forget I can also take care of those all-important extras such as car hire, airport parking, executive lounge access and much more.

The success of my new business will be supported by the recommendations and referrals I will get from my many friends, family and of course my new customers. Don't keep me a secret, please feel free to share this email and my details with any of your own friends, family or work colleagues who may be looking for any kind of travel arrangement.

Make a note of my new contact details and if you would like me to send you some business cards, or receive my regular offers and updates just get in touch.

With kind regards
Laura

"What a fantastic Carnival"

What a fantastic Carnival...the best carnival ever...great effort by the people who organised it...travelled from Sheffield...what a great day. Not my words but just a sample of the feedback. I have been getting about this year's carnival, they might not be my words but I echo each and every one of them.

I must congratulate the committee I Chair, it may be small in numbers but it is massive on the will to keep this, the largest community event in Mansfield District going. It is an honour and a privilege to be part of it.

I must thank all the acts, the music acts all of which were local talent the fairground, Nick and the ATC, Barry and his security team, all other volunteers on the day but most importantly thank you the communities of the Parish which is Warsop for turning out in your thousands to support the Carnival.

By the time you read this we will have already started the planning of next year's event, but it is never too late to get involved. We need more volunteers on the day and a few more committee members wouldn't go a miss, so contact us either at the Parish or call me on 07946 380778 and help us make next year's event even bigger and better.

Councillor Philip Shields
Chair of Carnival Committee

WAR SOP **OPEN** for business

The Warsop Neighbourhood Planning stand had a fantastic day at the Warsop Carnival.

Your Locale staff and Parish Councilors worked hard to collect the thoughts of local people about your Parish

The message that came across most clearly of all is that people are very proud of Warsop and think that it has many great things to shout about.

Those visiting the Parish for the Carnival were equally positive - frequently expressing the view that Warsop is a great place which could do even more to promote itself and to encourage more visitors throughout the year.

People had many views and good ideas about improvements to the Parish too; but all were positive about Warsop's future and keen to be a part of it.

During the day young people made a terrific contribution, attaching their ideas leaves to the ideas tree. Each idea was rewarded with a balloon and one lucky person won a micro-scooter.

The positivity, enthusiasm and ideas of the local people suggest that Warsop has a great future to look forward to in the months and years to come.

Big Warsop at the carnival

The BIG Warsop Partnership, were proud to sponsor and take part in what turned out to be an fantastic event.

The sun shone and the people of Warsop & District turned out in their thousands to see the amazing parade, and the fantastic acts and stalls on the Carrs.

Thank you to the committee for organising the event, and to everyone who took part and came out to support the carnival. Remember the Carnival is organised and run by a group of volunteers, if you would like to get involved then please call into the Town Hall to find out more.

Carnival Litter

After a fantastic day this is what was left for us to pick up (pictured left) I cannot stress enough that we are all volunteers and pick litter up at the end of the day.

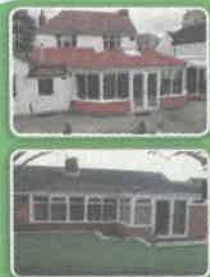

It would be nice if people would respect this and help us out instead of leaving their litter all over! Someone actually said to one of our volunteers why should we pick up litter you are paid to do it, I only wish we were!! We appreciate that some of the bins were overflowing but the skips were empty and we did go round to groups leaving blue bags.

As this is an on-going problem, next year we may be enforcing litter fines so please use the bins, skips and bags to dispose of your litter and help out team of extremely tired volunteers. And if anyone would like to volunteer to pick litter throughout the day we will welcome you with open arms!

Mansfield District Council
Creating a District where People can Succeed

Mansfield is in bloom for judges

Mansfield was blooming, as judges from the East Midlands in Bloom competition were given a guided tour of the District.

The judges were given a whistle-stop tour of Mansfield's parks, town centre, open spaces and community projects, including the Green Flag award winning Titchfield and Carr Bank parks, St Edmund's community orchard, the Little Roots community allotments in Slant Lane and the woodland burial site at Mansfield Woodhouse Cemetery.

They also called in at the King George V park to see the outdoor classroom that has been created in woodland, before visiting Asquith Primary School, the Quarry Lane Nature Reserve and the Appin Road community space.

The judges were given a special In Bloom Portfolio which detailed a large variety of activities that have taken place over the past year, thanks to the friends of the parks, community groups and local nature reserves.

Criteria for the judging included horticultural achievement, environmental responsibilities and community participation. The judges also assessed nature conservation, sustainability, permanent planting and cleanliness of the District.

Portfolio Holder for the Environment Cllr Philip Shields said: "The judges were able to see some of the great work and projects taking place across Mansfield in our parks and open spaces. I think we have a very good portfolio in this year's competition and I hope that all the hard work and dedication shown by Council staff and our excellent friends and community groups will be rewarded when the results are announced later in the year."

The results will be announced in September. Winners from the East Midlands in Bloom competition may then compete for the Britain in Bloom title. Last year, Mansfield was awarded silver gilt in the cities category.

Police Update

We have 2 new team members arriving this month, PCSO Andrew Hardy and PC Geoff Bacon. PC Dave Booler will be returning also.

As all local schools have broken up for the six weeks holidays this means that local children and young people will be looking to keep occupied. We urge parents to be aware of what their children are doing, to deter any potential nuisance behavior. Where possible, involve them in supervised activities so you know they are safe and enjoying themselves in a positive, harmless way, rather than their actions having a potentially negative impact.

On the flipside, I also ask that residents to be tolerant and with that, I do appreciate that we all have different tolerance levels. However if you do want to report antisocial behavior in the area, call us on 101.

At this time there is, of course, an increase in the number of children out playing both during the daytime and in the evenings. Road users should take extra care, not only on main roads but also in built up residential areas and around play park areas.

Our priorities for this month are:-

Antisocial Behavior –

Carr Lane and Carr Lane Park – We will continue to conduct high visibility patrols in the areas you have identified as prone to antisocial behavior and work with partner agencies to tackle the issue.

Vehicle Nuisance –

Areas to be focused on will be Netherfield Lane, A60 towards Cuckney Hill, Bishops Walk and the A60 Spion Cop.

The "Fatal 4" will also be focused on:-

- Speeding
- Drink Driving
- Not Wearing a Seat Belt
- Use of Mobile Phone whilst driving

We are looking to recruit a group of volunteers of local community members to be part of a community speedwatch group. Should you wish to be involved please contact a member of the Beat Team on the numbers provided.

Robin Hood's Tower & Mosaics

The mosaics (artists' impression attached) will lie on the ground at the foot of the tower. They will be composed of vitreous enamel tiles which the public will be invited to purchase, and on which they will be able to have printed photos of their choosing.

The tiles will be robust enough to be walked on and are impervious to UV and other forms of weathering, hence the intention is to create a unique participatory tourist attraction on which a collective snapshot of the people of Nottinghamshire (and fans of Robin Hood worldwide) can be indefinitely preserved.

There will be six different sizes of tile available, with the smallest, measuring 10cm x 10cm, costing just £10. The project will, for the very first time, therefore offer the public an affordable chance to forever be part of our county's folklore.

The funds from the tile sales will also be used to pay for the observation tower. Clad in medieval, stone-effect tiling and rising a minimum of four storeys, it will provide views over more than 1,200 square miles of countryside across five counties, with the 360 degree panorama stretching as far as Kinder Scout, Lincoln Cathedral, Loxley near Sheffield and the outskirts of Nottingham.

Monday 4th August at 10.00pm

Warsop, Church of St Peter & St Paul

THE ROYAL
BRITISH
LEGION

*"The lamps are going out all over
Europe, we shall not see them
lit again in our lifetime."*

Words spoken by Sir Edward Grey,
Foreign Secretary in August 1914.

THE ROYAL BRITISH LEGION

Congratulations must go to everyone that helped make the 2014 Carnival such a great success. It seemed to be the biggest and best yet, and it was great to speak to friends, old and new.

Just a reminder that we now meet at the Ex-Servicemen's Club on Carr Lane on the 2nd Monday of every month. Anyone is welcome to visit any of our meetings and should you like to join the Royal British Legion, you do not need to be serving or ex-service.

We have several outings planned for the summer, including trips to Bridlington and the National Memorial Arboretum. Although we raise money for the Poppy Appeal all year round, our Remembrance fortnight is fast approaching and we would welcome help from anyone that can give us an hour collecting in NISA or Morrisons.

WALKING ON FIRE CHALLENGE

At the LADY MARGARET HALL, WELBECK on Friday the 22nd of August 2014 at 8.00pm.

The proceeds of the event will be used to finance the 'Community Bonfire Group' who are organising a bonfire and firework display at Cuckney, on Saturday the First of November 2014.

Welbeck Farm Shop and The Community Bonfire Group are presenting the attraction, it starts at 8 o'clock with light Refreshments, Abbey Brewery Ales, as well as wines on sale, also stalls and a raffle. Spectator entry is FREE.

The fire lighting is at 8.30 pm and the walk starts at 9.00pm.

The welcoming smell of the Barbeque has got to be attractive and the prospect of watching someone actually walking on fire will certainly add excitement to the evening.

Challengers and Sponsors are required, please contact: Mr Michael Boyle; at Michael.Boyle@welbeck.co.uk

Hear to Help

Are you Deaf or hard of hearing and do you wear an NHS Hearing aid(s)?

**ACTION ON
HEARING
LOSS**

Some of you may be aware that the Hear to Help hearing aid clinics were under threat of closing due to funding issues. However, I can now confirm that The Ear Foundation are planning to take the project over and that the Hear to Help clinics will continue. This is fantastic news not only for us but for everyone who uses this service.

So, If you require:

- New batteries
- New ear mould tubing
- Advice on equipment
- Advice on how to use and clean your hearing aids
- Information on hearing loss and all the services that can help you

- Opportunity to meet others
- Signposting to other services

Then come along to our planned Hearing aid clinic at: Warsop Methodist Church, Clumber Street, Warsop, NG20 0LU

DUKERIES Singers Jan Towler
 Your Local Choir
We have come to the end of our Summer Concert season and are turning our thoughts to our winter programme. As last year we are continuing our practice sessions all through the summer.
 We would love to encourage more men to come and sing with us. The tone and quality of their voices gives our choir a richness and depth upon which the other voices sit and gives the Choir a wonderfully rounded and balanced sound. So, don't sing in the shower or the bath or the garden, come and sing with us. You do not need to read music. We are a friendly group of people and you would be made very welcome. Singing too is an uplifting experience and it is a true pleasure to perform concerts and spread the love of music to an appreciative audience.
 We meet every Wednesday evening from 7-30pm to 9-30pm in the 6th form block at The Dukeries College in Ollerton. Access is via the Whinney Lane car park. If you require more details do contact any Choir member or Alan Sinclair, our Chairman on 01623 823271
 At our concert in Edwinstowe, £120 was raised on the raffle and as we usually do we donated this money to charity. We gave half to the Sir John Eastwood Hospice and half to the Stroke Association. We shall select other charities to donate to from our Edwinstowe Christmas Concert which this year is on Saturday 13th December 2014. Yes, that time of year approaches! By the time you read this, we shall no doubt have delved into the filing cabinets and brought forth lots of wonderful Christmas music to sing.
 We have four Concerts booked for the Christmas period but we have lots of available dates if you are planning a fund raising event or a celebration or just a "bit of a do." Our Concert Secretary Phil Robinson on 01623 822070 would be delighted to discuss your plans with you.
 The Dukeries Singers wish you all a Super Summer however you spend it.
 We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271
