

Rejuvenating Longden Terrace Community Facilities – The Big Picture

The Trustees of Longden Terrace Miners Welfare in Market Warsop are delighted to announce a series of consultation events in the area which will review new plans to revitalise the facilities and secure external funding for a major new build community resource centre.

A programme of events will be supported throughout November, December and onwards. Some activities have already been held at the club to gather people's thoughts on the new venue. Trustees want to hear from members, users, residents, community groups, schools and families what facilities would encourage their use and patronage.

Trustees have been working since the closure of the former social club at the start of 2014 to develop a new business model that will sustain the Welfare's operations and extend the usability of facilities to a broader spectrum of local people. To this end, the financial support of the Coal Industry Social Welfare Organisation (CISWO) has been sourced with the proviso that a viable local scheme can be evidenced.

Plans for a new 410 sq m. venue have been designed and will be available for all to comment upon. At this critical point in designing a facility fit for the future, Trustees need to factor into those new designs what local people want and what would persuade them to use the venue intensively.

Jeff Wood, the Chair of Trustees has stated 'Trustees wish to extend an invitation to all-comers to come and see the progress being made and to let us know your opinions. Any new facilities will be inadequate unless designed to meet practical and actual needs.' Project Lead, Kev Keegan, of 5 Media also stated 'We have a unique opportunity to revitalise the Welfare and get it functioning as a community hub. The current building is still open for business and will be used as a test bed for new ideas and community based initiatives.'

Commenting on behalf of CISWO its CEO, Vernon Jones, said 'CISWO wishes to see the legacy of the Miners Welfare continue in Market Warsop by making it more relevant to the needs of 21st Century communities. The voice of that community now needs to be heard loud and clear.'

Warsop's Poppy Campaign

What an amazing night at the Warsop Poppy Campaign's WWI Pie and Pea Supper at The Tudor Barn.

Warsop's own Ellie Mae Keegan opened the show with a few songs and finished her set with a song she wrote for us, "Watch the Poppies grow", there wasn't a dry eye in the house! The single will be released next month and the profit will be split between the local RBL, the Lee Bonsall Memorial Fund and the Warsop Real Poppy Campaign.

A WWI sing-a-long followed with Lauretta on the piano, with Claire leading the singing with Rev. Angela Fletcher and Curate Bruce Rienstra forming an impromptu choir with a few of the poppy group. All the "team" from St Peter & St Paul's did a fantastic job entertaining and getting everyone singing.

We all enjoyed a very tasty pie, peas and gravy made by Sharon Whatmore of Sharon's Cakes.

A mini auction for a magnificent Poppy Cake made by Sharon Whatmore, a lovely watering can painted by Barry Dawson and a signed copy of Jason Robins' book donated by Charlie French at CF Bats. A great raffle was drawn with over 25 prizes, thank you to all those that donated them, some of the prizes were left over Carnival prizes that the committee donated to us:

- Boyz & Blokes
- Head Office
- Cozy Corner
- Bell's Fruit & Veg
- Damian's Carpets
- The Corner Lounge
- Black Rose Tattoo Studio

Well done to Curate Bruce Rienstra who won a very nice tippie or two in the whiskey skittles, it was quite a popular and raucous event!

The evening ended with a fabulous knees-up by Neil Self and the Soul Fusion Disco with songs from WWI and sounds of the 60's, 70's and 80's. A great night was had by all and it looks like we will be doing it again on a regular basis!

We raised a profit of £660 in total and received very generous donation from a mystery benefactor of £340 that rounded it up to an amazing £1,000!

The committee have decided to donate £500 to The Lee Bonsall Memorial Fund and £500 to our local branch of the Royal British Legion.

The Warsop "Real Poppy" Campaign has been running for just over a year, we had very little idea that we'd accomplish anything like this when we started out, we were just going to plant poppy seeds and watch them grow.

The WWI Centenary commemorations is a National campaign and will last up to Sunday 11/11/2018, more poppies need to be planted and more funds need to be made so we can share those out too. Well done to the amazing people of the Warsop Parish, without your help and support we can't do anything, so once again a BIG thank you to you all.

Letter from the Guest Editor

This is my first go at editing the paper whilst Tania focuses on poppy campaigning.

It's not as easy as it looks to be honest! We're revamping the paper to give it an updated look. Each month will have a fresh new feel and the team here at W&D News hope you like it. We've also added another four pages this month because we have many more articles that we hope you enjoy reading.

The main focus this month is remembrance which is why we have dedicated the front page to it. 100 years ago was a disastrous time for many. Conflict still exists and we can all be thankful for our freedom. Please spare a moment and a penny or two for this year's Royal British Legion annual poppy appeal.

GARDENING MONTHLY...

November's General tasks and maintenance

Tidy borders

Soggy, brown, collapsed plants are an eyesore and deserve nothing better than cutting back and a decent burial on the compost heap. Cut down herbaceous stems and clear the tatty remains of annuals, but do leave a little cover of the perennials that fade relatively elegantly (sedum, astilbes and grasses for example).

They will provide winter interest as well as some much needed wildlife shelter - ladybirds especially appreciate winter quarters and will repay your hospitality by disposing of aphids in industrial quantities next year. Leaving sodden debris and fallen leaves around plants will only encourage pests and disease.

Clean out the greenhouse

Clear out the greenhouse, wash pots and trays, clean, mend and oil your tools and throw away anything that is beyond hope or reasonable repair! Cleaning your greenhouse thoroughly will prevent pests from hibernating and leaping into action next spring. Wash the windows inside and out to allow maximum light in over the winter and scrub benches, fixtures and glazing bars with disinfectant, making sure you hose the whole place down really well, especially dark and dusty corners.

For really effective pest elimination, fumigation is the ticket. Move all plants outside, shut the windows, light a sulphur candle in the middle of the floor, (retreat at speed!), shut the door and wait until the smoke and fumes have completely dispersed several hours later. Your greenhouse should now be delightfully pest free!

Drain and lag...

Save yourself untold irritation and expense by draining and lagging standpipes, outdoor taps, irrigation lines and water pumps in advance of sudden hard frosts.

Prepare your soil for next year

For beds that lie bare in winter, carry on with the winter digging until the soil is too hard - use compost, manure, leaf mould - in fact as much organic matter as you can lay your hands on to replace the goodness in it. It can be left in a pretty rough state over the winter when the elements will break the clods down, making spring planting infinitely easier!

For text book soil improvement, you should add a layer of organic matter and dig it in by turning over spadefuls so it is buried below the surface. If this seems too much like hard work, just mulch the bed and leave the rest to the worms! If your soil is thin or heavy clay, just fork it over now; too much digging on the former will bring up infertile matter from below whilst great chunks of wet clay will remain rock solid over the winter and become nigh on impossible to break up next year.

Planting

Plant bare-rooted trees, shrubs, hedging and roses as well as fruit trees and bushes (see later). Soak the roots in a bucket of water for an hour first and protect against frost and wind if exposed.

Rake fallen leaves

Fallen leaves prevent light and air getting to plants and lawns and these dark, damp conditions are also heaven on earth for slugs, snails and an unwholesome array of fungal diseases. However, don't waste these tumbled treasures - given time they will decompose into fabulously rich leaf mould - aka 'nature's soil conditioner of choice'. Rake them up and throw into a simple frame made of chicken wire or wood. Failing that, black bin liners spiked with air holes will do if you can bear the sight, but remember to dampen the leaves first should they be dry (some hope!). Leaf mould takes about a year to mature (2 in the case of oak leaves), makes a great top dressing for woodland plants such as rhododendrons and is an excellent and FREE home-grown substitute for peat. Don't be tempted to use rose leaves, which can easily carry infection, or evergreens, which take too long to rot down.

WARSOP

Footpath & Countryside Group

As winter approaches it is time to make sure that your bird feeders are kept topped up as any bad weather may increase the number of birds visiting our gardens.

In some mild winters many birds will stay in the countryside but it is good to be prepared. Hedgehogs may still be around and may appreciate a meal but remember to check any bonfires before they are lit in case they have chosen the woodpile as a hibernation site.

In early October we finished this year's campaign to remove the aggressive non-native pest plants of Himalayan balsam that are invading the banks of our waterways. Since April, over 17000 plants have been pulled up from over 5 miles of the River Meden and its tributaries within Warsop parish. We believe that we are making steady progress against this invasive plant that is damaging our riverbanks with many fewer plants appearing between a source site in Shirebrook and along Sookholme Brook. The number of plants growing on the riverbanks of The Bottoms at Meden Vale have also been reduced. In the longer term, there is a hope that the use of a rust, a type of fungus, may soon be licensed to control Himalayan balsam. So far, the rust fungus trials have proved very successful and it could ease the problem of Himalayan balsam within a few years. Some people are concerned about biological control because they consider we've created a problem once by introducing Himalayan balsam, a non-native species, and now we're advocating doing it again with another non-native organism.

Although it has seemed inevitable for some time, it is worrying to note the first cases of ash dieback disease in Nottinghamshire. The fungus has been confirmed on Colwick Loop Road, near Nottingham and it is predicted that tens of thousands of trees could be lost in the county over the next few years. Information about the symptoms of chalara and how to report any trees that you may be concerned about can be found on the Forestry Commission website www.forestry.gov.uk/chalara.

Although our mowing work along Warsop's footpaths is finished until next spring, we are still busy with conservation tasks around Warsop's wildlife sites. We will soon be moving onto hedgerow management jobs. Get in touch if you would like to join us for a couple of hours on a Thursday morning.

Warsop Footpaths & Countryside Group is now a member of Sherwood Forest Catchment Management Partnership which can influence decisions connected to the implementation of the Water Framework Directive. Hopefully this will give us an opportunity to highlight issues with our local waterways and lobby for funding from the Environment Agency for project to tackle some of the problems along the River Meden and its tributaries.

The next Footpaths Group walk is scheduled for Saturday 15th November, meeting at 10am outside Warsop Library. Get in touch if you are interested in joining us for a walk of around six miles in the Nottinghamshire or Derbyshire countryside.

Mansfield Museum's major new exhibition to open

A major new exhibition celebrating Mansfield's industrial past will be officially opened on Thursday (23 October) following the biggest revamp at Mansfield Museum in ten years.

Made in Mansfield is the first new exhibition in the Museum's Arcade gallery in 27 years.

The Arcade, which leads from the Museum's entrance to the original building, now focuses on the town's major past and present employers and industries of the town.

It features artefacts, photographs, film and audio about Metal Box, Shoe Co, Mansfield Brewery, Barrs Soft Drinks, hosiery, precision engineering, mining, foundries and quarrying.

Current and former employees will have the opportunity to see how the memories and knowledge they provided at a series of highly popular and successful memory days have been captured in the new gallery.

There are interactive activities including an electronic beer mat flipper, clocking-in machines and a chance to design-your-own-shoes.

Although Made in Mansfield is not aimed primarily at children, it features family-friendly trails and activities similar to those that won the Museum the Guardian's Family-friendly Museum of the Year award. The gallery will also enhance the education department's Made in Mansfield session, one of 16 different curriculum topics for visiting local primary schools.

It will be officially opened by Cllr Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council, on Thursday. She will be joined by invited guests.

The £469,900 project was made possible by a £304,000 grant from the Heritage Lottery Fund and £153,700 from the Council - mainly through volunteer time - in addition to £3,000 from the Museum's existing budget and £9,200 in sponsorship from Mansfield Educational Foundation.

Cllr Allsop said: "This is a wonderful and truly exciting exhibition celebrating the industrial heritage of Mansfield. We have a great team of volunteers who help our small but dedicated team of professionals who work tirelessly to keep the museum at the forefront of cultural services. There is something for everyone so come along and see for yourself the rich history of Mansfield's industrial past."

Vanessa Harbar, Head of HLF East Midlands said: "HLF is pleased to have supported the creation of this important new exhibition and it's great to see it now open to the public. Showcasing Mansfield's industrial heritage, the artefacts and archive material on display will show that the town has made a large contribution to the rest of the country and has much to be proud of. People have already embraced the project by contributing their own memories and I'm sure many will now be keen to visit."

The evening was a huge success. A beautiful dinner, charity auction and dancing were the order of the night. Money was raised for Alzheimers and local charities

On the 17th of September, International Service Organiser Christine Fretwell held a walk and lunch from her home. This was to raise money to buy items for baby bundles to send overseas. The event was well attended and everyone enjoyed their day. Christine also organised a raffle, bric a brac and dress agency stalls which were a huge success, raising an impressive £281. Well done Christine.

At our October meeting held at the Hostess restaurant, Meg Zanker from the Body Shop at Home spoke to members about Anita Roddick, founder of this ethical brand of products. Warsop Wives Group

Hello to everyone and we hope that you are enjoying the lovely Autumn weather.

Recent meetings have included a pudding and quiz evening in July. We enjoyed a very pleasant day in August, we went to the old schoolroom tearoom for a meal followed by a couple of hours in Clumber Park. On August 19th we had a hat competition and played bingo.

On September 2nd we had a beetle drive. On September 11th the committee organised a harvest supper and a raffle. This evening raised £80 for our charity fund. A coffee evening is being held in October for Macmillan support. We have recently donated to Warsop Scouts towards their planting of the tubs on Church St. Members are making poppies to make a wreath for Remembrance Day. We have just received the very sad news of the death of Mrs Pearl Herbert, Pearl was a founder member of our Wives Group and until her illness, always supported everything we did. We send our love and sympathy to Brian and all her family, God bless you Pearl. Future meetings include Macmillan coffee evening, A.G.M, Knit and natter night and fish and chip supper.

f^{ramework} Challenge

opening doors to homeless and vulnerable people

Volunteers urged to sleep rough for one night only and shine a light on homelessness.

Volunteers are being urged to spend a single night sleeping in the winter air to raise vital funds for homeless and vulnerable people.

Homelessness charity Framework will be holding its annual Big Sleep Out on the evening of Saturday, November 29 at Sneinton Market Square, Nottingham – the first time the popular fundraising event has been held at a weekend.

Framework's Big Sleep Out, sponsored by The Nottingham Building Society, is now one of the most popular in the City's annual fundraising calendar – tempting hundreds of plucky volunteers to swap their warm beds for cardboard boxes as they raise money to tackle and prevent homelessness.

This year's event, the second to be held at Sneinton Market, will be themed around the concept of "shining a light on homelessness." Guests will enjoy live festive-themed entertainment and will also have the opportunity to compete in the Box Factor competition in recognition of the most outlandish and creative box design.

Natalie Goodrich, Framework Event Coordinator, explained: "This is Framework's biggest and most exciting fundraising event of the year and we are delighted to be inviting registrations for this year. So many of those who take part come back year after year because they enjoy and value the experience of what is now a major community event. Whilst we can never replicate the full horror of the fear of sleeping rough for real, this event does provide ample chance for reflection by making us think of those who are so often hidden from our view. We are in our own way 'shining a light on homelessness' and hope that as many people as possible will join us on the night."

Sue Owen-Bailey, Senior Community Assistant at The Nottingham, explained: "We're incredibly proud to be supporting this year's Big Sleep Out. The Nottingham has a long and rich history of creating communities and helping people with the ambition of having a place to call their own home however, sadly homelessness is a heart-breaking reality for some and just one of the reasons we are such an avid supporter of Framework."

Our very own 'Team Nottingham' are extremely excited about the event, to not only be sleeping out and raising funds but also to be helping Framework highlight the issue of homelessness and raise awareness at this time of year.

All participants, who are requested to raise a minimum of £50 in sponsorship money, are faced with the challenge of building a cardboard shelter for the night. They are also urged to wrap up warm and bring a hat.

The event, which begins at 8pm and closes at 7am, is open to all ages, but under 18s must be accompanied by an adult. Groups of up to five under 18s must be accompanied by one adult.

Event History

Framework's Big Sleep Out can trace its history back to 1992, when former Macedon Chief Executive Christine Russell led a dedicated band of volunteer rough sleepers in Market Square. In later years the event moved to St Peter's Church, in Nottingham City Centre. In 2009 it moved to the car park of Framework's old head office in Beech Avenue, before moving it to the Capital FM Arena for the first time in 2010. In 2013 it moved to its new home of Sneinton Market.

Framework provides housing, support, training, care, resettlement and employment services, opening doors to more than 9,500 homeless and vulnerable people across the East Midlands and in parts of South Yorkshire. These include rough sleepers, people escaping domestic violence, care leavers, former prisoners and members of the armed forces and people with drug, alcohol and mental health problems.

Halloween special

Fun navigation challenge returns

A fun family-friendly navigation challenge returns to Mansfield parks this Halloween.

Xplorer is the perfect FREE outdoor activity for primary and pre-school children – and older children and adults can join in too.

More than 590 people took part in Xplorer when it came to Mansfield District for the first time over six weeks during the school summer holidays.

Following the success, Halloween-themed sessions will take place at Titchfield Park, Mansfield, on Tuesday 28 October and at Yeoman Hill Park, Mansfield Woodhouse, on Wednesday 29 October. Both are free and run from 10am to 12 noon. You can take part at any time between these times.

Using a simple map the aim is to find markers located around the park. At each marker children need to identify what is pictured and can learn a fun fact.

Older children can compete against friends and family to see who can complete the course in the quickest time and younger children will enjoy the excitement of finding the markers.

Everyone who completes a course will get a certificate.

The navigation challenge is based on orienteering, which is an adventure sport that exercises both the mind and body. No experience of map reading is necessary and you can walk, jog or run the course at your own pace.

The Council's Sports Facilitator Martin Cook and Parks Development Officer Jo Waldron will be on hand to offer guidance at each of the sessions, which are run in conjunction with British Orienteering.

Cllr Philip Shields, Portfolio Holder for the Environment at Mansfield District Council, said: "Xplorer proved to be very popular over the summer with almost 600 people taking part. We are very pleased to bring it back to two of our award-winning parks for the Halloween special. It is a great way for all members of the family to have fun together in our parks – and it's free!"

CHAIRMAN'S COLUMN

Poppy Fundraiser

I attended the fundraiser recently and was treated to a delicious pie and pea supper, entertainment in the form of a WW1 sing song plus special performances from Ellie Keegan, including her charity single. I would like to thank the committee for organising the event which was clearly enjoyed by all those present.

Warsop Youth Club

The trustees were recently in receipt of some bad news. A funding application which had progressed to the final round was ultimately declined. The application would have provided much needed income to progress with the development of the former Eastwood building on Church Street. Essential works to the building will still be carried out in order to enable the building to open for users.

The Carrs

Works are nearing completion. The 'island' has been stabilised and will be replanted. Once it has been given the green light from the environment agency, the dam will be restocked with fish. There is a large rat infestation at the moment which is being dealt with by Mansfield District Council. We can help alleviate this problem by not feeding bread to the ducks. Alternatively, duck pellets can be purchased which are not only healthier for the birds but provide less of a temptation for the rat vermin.

Fire Walk

By the time you read this, I will have either completed the walks or be about to. The local events take place on 1st November at The Talbot and 4th November at The Plough. Do please hot foot it to both events and see the 'volunteers' as they endeavor to raise money for 'Help for Heroes' and 'Little Heroes'

Personal Opinion

Councillors, may from time to time express their own personal opinions, which they are entitled to. Being elected as a councillor does not automatically mean you are no longer able to express your own opinions. Please note that unless stated as being the opinion of the council, they remain their own personal opinion.

Wellie Done!!

On Friday 26th September, Children at Eastlands Junior School wore their wellies to school to raise money for farm Africa.

As well as wearing their wellies, they also took part in a welly wang and design and decorate a welly and raised £74.20 for the charity.

Farm Africa helps African farmers by training them to be more commercial, adding value to surpluses by milling, drying, or turning their produce into products that fetch a higher price.

With better food for their families and reliable incomes from their businesses, farmers can build for the future and grow themselves out of poverty and hopefully end hunger forever.

Well done kids!

New Youth Mayor takes up the reins

Mansfield's new Youth Mayor for 2014/15 is Danielle Bridges (16) of Samworth Church Academy with 1,693 votes. Honor Bennett (14) of All Saints' Catholic Academy received 1,285 votes.

Elections were held at Samworth, All Saints', The Brunts Academy, The Manor Academy, Queen Elizabeth's Academy, Vision West Nottinghamshire College and the E2E Group at My Place yesterday (Thursday 9 October). The count took place this morning (Friday 10 October).

Danielle will represent young people in the District and take their voice to the Mayor, Members and Officers of the Council and other community organisations. She will act as an ambassador for Mansfield at various conferences and as a role model for her peers across the District.

Danielle said: "Thank you to everyone who voted and for those who worked on election day and at the count. Congratulations to Honor for being a brilliant candidate. I'm really excited to be the new Youth Mayor and I'm looking forward to working on my manifesto pledges."

Danielle's manifesto pledges are:

- Increase lighting in parks and public footpaths that are commonly used by young people to create a safer environment.
- Campaign for better sex education in schools so that young people have a better understanding of sexual health.
- Strengthen the connection between the older and younger generations in Mansfield to end the negative image some parts of society have of young people.
- Give gifted young people more opportunities to showcase their talents.
- Promote sporting activities to encourage teenagers to try new sports and to get active.
- Raise awareness of the different clubs which are available for young people in Mansfield in order for teenagers to discover unknown talents and reduce the amount of young people on the street.

The Managing Director of Mansfield District Council, Ruth Marlow, congratulated both candidates for all their hard work on their long and intense campaigns and said they were a delight to work with. She said she hoped that all the young people who worked at the elections remained interested in elections and came back to be counters at future local and national elections once they had turned 16.

The votes were counted by a former Deputy Youth Mayor Natalie Smith, two business administration apprentices at Mansfield District Council and students from All Saints' and Samworth. They all received a certificate in recognition of their involvement.

This is the 7th year that Mansfield will have a Youth Mayor. Danielle takes over from Tanna Nita, who was supported by Deputy Youth Mayor Tom Richardson and Youth Ambassador Jade Booker.

You can keep up to date with what the Youth Mayor is doing via twitter on @MDC_youthmayor or on their Facebook page - just search for Mansfield Youth Mayor.

Mansfield District Council
Creating a District where People can Succeed

New business at Queen's Place officially opened

The latest business to move into Mansfield's prestigious Queen's Place was officially opened by the Executive Mayor

He was joined by Cllr Kate Allsop, Portfolio Holder for Regeneration at Mansfield District Council, and officers who worked on the Queen's Place redevelopment.

The business is run by husband and wife team Mark and Amanda Shetliffe who have employed 16 new staff at Queen's Place. It is an expansion of their family-run business which also includes Dalestorth Bakery, on Hermitage Lane and catering at Mansfield i-Centre on Hamilton Way.

Amanda said: "We decided to bring the business into town as we are from Mansfield. We love the premises - the building really stands out. In the first week we served more than 1,500 customers and the feedback so far has been fantastic. We have had a lot of return customers and some have even been in every day since we opened."

"We are very grateful for all the help and support we have received from the Council - we'd definitely recommend Queen's Place to other businesses."

The Mayor said: "We are very pleased to welcome Baker's @ Queens to our award-winning Queen's Place. The thriving business is a fantastic addition to the town centre and we wish it all the best for a very successful future. Queen's Place offers businesses a prime location at very competitive rates and is a great example of how the Council is continually working to regenerate the District."

Office tenants in Queen's Place include the Transline Group, JT Recruit Ltd and Precedo Healthcare Services.

Queen's Place is a town centre gateway within yards of Mansfield's state of the art, award-winning bus station. It boasts excellent green credentials, having received a BREEAM award, which sets the standard for best practice in sustainable building design, construction and operation.

It is equipped with some of the best insulation materials, low-energy lighting, solar panels and a green roof, all of which contribute to the building's impressively low running costs.

For further information on the available units in Queen's Place, or to arrange a viewing, interested parties can contact the Council's agents Innes England on 0115 943 5981 or visit www.queensplacemansfield.com

Warsop charity shop tops the £100k mark!

A Nottinghamshire couple who founded a charity shop to help retired greyhounds find new homes has collected a staggering £100,000 in just four years.

Eric Forster, a greyhound trainer who regularly races at Sheffield's Owlerton Stadium, and his partner Mave Dummer set up the shop in 2010 to raise funds for the Retired Greyhound Trust (RGT). The Trust has more than 70 branches around the country which help to find retired greyhounds new homes when their racing careers come to an end.

The shop, in the village of Warsop, is the only one in the UK that raises funds exclusively for the RGT which is a charity very close to the couple's hearts.

Eric said: "As a trainer and owner of greyhounds, I just love them and Mave has been brought up around the breed all her life so they are very special to us. They are brilliant animals who make ideal pets because they are so docile and laid back.

"We set up the shop because we wanted to do something to help the RGT find loving homes for the greyhounds. The shop became available and we just decided to go for it and see how things took off. Mave runs the shop with her trusty four volunteers and I just help where I can driving things about.

"To have reached the £100,000 mark is absolutely incredible as never in our wildest dreams did we think we would raise that amount of money."

The funds are split between more than 50 of the RGT branches, from the Isle of Skye in the north to the Isle of White in the south, but, as Eric's local track is Owlerton Stadium, the Sheffield branch is the main beneficiary with the money making a significant contribution to their farm at Wortley.

Adds Eric: "We are absolutely delighted to be able to support the RGT particularly in Sheffield where I do most of my racing. We are very proud of the shop which sells a whole variety of stock from clothes to toys and books and jewellery. We often get comments about how neat and tidy it is - people pop in from all over to see us.

"Both Mave and I would like to thank all our volunteers and customers who donate to us and buy our goods. The local community has been incredibly supportive and we hope to carry on for as long as we can.

"It's not always easy volunteering but to know we are helping the dogs find new homes and to get a bit of recognition like this every now and again is wonderful."

John Gilburn, managing director of Owlerton Greyhound Stadium and chair of the Sheffield Retired Greyhound Trust, said: "Eric and Mave are both pillars of the community who have done so much over the last four years to help raise this astonishing amount of money.

"They are an inspiration and we are extremely grateful for the time and effort they have put in to making the shop such a success. The Sheffield Retired Greyhound Trust relies on people like Eric and Mave and their wonderful team of volunteers to help us raise the money we need to keep the farm up at Wortley going - we receive several thousand pounds per year from the shop which makes such a difference.

"We know the community in Warsop, Owlerton Greyhound Stadium and the Sheffield RGT appreciate how much they do but now we hope they get the wider recognition they truly deserve."

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

On the morning of Saturday 8th November we will be hosting another of our popular workshop sessions where folk with an interest in the past of Sherwood Forest share their knowledge, stories and expertise.

A major topic for discussion will cover the features found in southern Birklands. We will overlay maps from 1609, 1630, 1791, 1835 and 1852 with modern maps and the images from our LiDAR survey of the woodlands. By relating these maps to earlier accounts of perambulations of the Forest we hope to be able to speculate on the location of ancient features such as the 'Ould Dike', a deer leap and the place named Prestwiche.

We will also share the outcomes of last year's excavation on the hill of Thynghowe, welcoming any interpretations of the evidence. There may be news from Mercian Archaeological Services about the outcomes of the field walking and geophysics investigations that took place near the site of St Edwin's Chapel during September.

Short presentations will be followed by informal discussions involving historians, archaeologists and anybody with a knowledge of the forest landscape and its stories and legends. We shall also outline our plans for further investigations on the ground during the winter months.

The workshop will be held in the classroom at Sherwood Pines between 10am and 1pm. There will be no charge for members of The Friends of Thynghowe although a car parking charge of £3 will apply. A year's membership currently costs a mere £5!

If you have any questions or comments please contact us on thynghowe@warsopweb.co.uk

For more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website:

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special-open evenings. For more details visit:

WARSOP AIR CADETS

Two Scout Leaders from 2nd Warsop Scout Group, with over 40 years service between them, have been awarded The Chief Scout's Commendation for good service.

Group Scout Leader Andrew Melless and Cub Scout Leader Iain Taylor were presented with the award from Mansfield District Scouts District Commissioner Mr Keith Morris.

Andrew and Iain have both been involved in scouting since they were Cubs themselves and have been involved in providing activities for the children of the Warsop area since the 1990's.

The Future

The 20th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 23 September 2014. 8 members of the Committee were present and 1 Representative from Mansfield Pay Forum. Two apologies were received.

The outside of the Village Hall has been tidied up with the assistance of the Probationary Service. The Committee agreed that an excellent job had been done and requested the Secretary to send a thank you letter in acknowledgement of this. The Chairman reported that the Welfare premises was unlikely to re-open and he undertook to liaise with the Welfare Committee and CISWO concerning this, the Lease and the Village Hall car parking facilities. The Caretaker reported that several lights inside the Village Hall require attention, the Chairman agreed to contact our usual electrician to get these repaired. In addition, a new outside light to cover the access steps is urgently required.

The Representative from Meden Vale Sports Association was unfortunately unavailable to attend tonight but has advised the Committee of the following: - all fencing is now complete, however this has been damaged on two occasions. The Police have been notified, visited the site and taken statements concerning these incidents. Football Club Representatives and local PCSO's will carry out extra surveillance and the Community is requested to report any suspicious activities in the area.

A meeting of Welbeck Colliery the Future was held on 10 September 2014 at 10am, an update of the position is as follows: - the completion date is now estimated to be the beginning of Spring 2017 with the first 10 acres at the Cuckney end to be completed this year. The restoration of the rail link has been agreed and work on this part of the Project should commence this year. The Planning application for the pit head area is nearly ready for submission. This will include small business units and larger premises towards the rear of the site ie away from the village. A separate planning application for a biogas plant is due to be submitted mid December.

An enquiry has been made regarding the possible siting of 'remembrance wheels' to mark the legacy of the colliery. A set of winding wheels are available for this project, the location and cost of siting these is being investigated.

The Treasurer reported that the accounts were in good order and additional bookings have resulted from the closure of the Welfare. Additionally, the sum of £1,513.84 has been received from the old Meden Vale Community Association. This money is to be used for capital improvements to the Village Hall.

It was agreed that the Annual General Meeting would precede the next committee meeting, certified accounts are now available.

The next meeting will be on: Tuesday 11 November 2014 at 7.30 pm All welcome.

Please contact the Secretary, Kay Walker on 01623 844282 for further information.

MILL DAM UPDATE BY FRIENDS OF THE CARRS

Due to the lack of rainfall, the River Meden is very low at the moment and very little water is flowing through the Dam. It has been very dry recently but we are sure this will not last.. Last year the Environment Agency stated that 60% of the river water should pass through the dam. At the time of writing it is more like 6%.

In early September, the RSPCA deposited a male swan on the water. This was a surprise to us as with no vegetation in the water we doubted the swan would be able to survive. A female appeared a few days later. When citizens helped to rescue the injured swan and the cygnets, people kindly donated money for vets and volunteers expenses. Some of the balance was used to purchase food pellets suitable for swans.

This has been acquired by Eric Hill at the Pet Shop on Clumber Street. He has bagged it and it is available for members of the public. There is no charge for these pellets but any donations will be used to replenish supplies. Notices were posted suggesting scraps of lettuce and cabbage would be ideal for the swans.

We would kindly request that bread is avoided as it contains very little food value and when eaten in excess can lead to "drop wing" in the swans. It will also encourage the rats that are numerous around the water's edge

The contractors have almost completed their work on the island (26th Sept) with only the clearance of branches left to be moved.

We have been successful with our application for trees and shrubs from the Woodland Trust to use on the Carrs and these will be delivered in November. We plan to fill gaps in the hedgerow at the rear of the bungalow and also the hedgerow that we planted on the south side of the same field some ten years ago.

Careful consideration will be given to planting in other areas. It is not our intention to fill the island with trees but to add a few selected items that will give a variety of colour. The willows will grow and we intend to coppice them as necessary to prevent them taking over again.

People are bringing fish from other sites and depositing them in the dam and we would respectfully ask them to stop. A licence is needed to move fish and at the moment it is doubtful if the water can sustain them. We do have offers for donations to add fish to the dam when the water can support them.

The next meeting will be held in the function room of The Hare and Hounds on Tuesday 4th November at 19.30. All are welcome.

Mansfield District Council
Creating a District where People can Succeed

Free parking at Four Seasons for late night Christmas shoppers

Mansfield District Council is offering free parking at the Four Seasons car park for shoppers, who wish to make the most of Thursdays' late night opening times in the run up to Christmas.

Parking will be free from 5pm on Thursday 20 and 27 November and Thursday 4, 11 and 18 December. On these dates, the Four Seasons Shopping Centre will close at 8pm. Other retailers' opening times may vary.

Portfolio Holder for Economic Regeneration, Cllr Kate Allsop said: "We want to encourage as many people as possible to make use of the excellent shopping facilities in Mansfield. Enabling shoppers to enjoy free parking after 5pm at the Four Seasons during late night openings will be an added bonus for people, who wish to do their Christmas shopping at a time that is convenient to them.

"This incentive will support our local retail community and encourage residents and visitors to spend money in the town centre at this busy time of year."

You're hired - Council takes on six new apprentices

Mansfield District Council has welcomed six new apprentices to its workforce.

The new recruits, who all live in Mansfield, will be working in services across the Council, doing a range of apprenticeships, including Business Admin, Health and Social Care and Electrical.

Sixteen year old Georgia Hooley, who is taking an apprenticeship in Health and Social Care said: "I had done voluntary work at Oaklands looking after old and vulnerable adults. I wanted to do an apprenticeship because I wanted to earn money while learning and I felt I would learn more while being active and hands on, rather than just sitting in a classroom doing written work all the time." Mansfield and Ashfield District Councils are currently encouraging local businesses to take on a new apprentice by offering grants of up to £1,500. This is in addition to the National Apprenticeship Service's £1,500 grant that is available for employers.

To be eligible for the Council grant, a business must:

- qualify for the National Apprenticeship Service's AGE (Apprenticeship Grant for Employers)
- be located in the Ashfield or Mansfield District
- employ less than 250 staff

The position on offer must be newly created and the company must not have recruited an apprentice in the previous 12 months. The apprentice must be between 19 and 24 and live in the Mansfield or Ashfield districts.

Cllr Kate Allsop, Portfolio Holder for Economic Regeneration, said: "We are delighted to welcome aboard our new apprentices and would like to wish them well, as they take on their new roles within the Council.

"Apprentices can give a real boost to your business and help you achieve your goals, while at the same time creating a skilled workforce. This is a great time to take on an apprentice, as businesses can qualify for up to £1,500 towards the cost of taking on a new person. Get in touch with our Regeneration team to find out how we can help you and what is available."

For more information, contact Ashfield and Mansfield District Council's Regeneration Shared Service on: 01623 463 165, email: apprenticeships@mansfield.gov.uk or visit www.mansfield.gov.uk/age

Take a leaf out of our book

As autumn arrives and the leaves start falling, Mansfield District Council is gearing up for its busy annual leaf clearance operation.

With around 1,500 trees in the District's streets, preventing pavements and roads becoming slippery and messy is crucial.

Leaf clearance is carried out throughout the week and as the season progresses and more leaves fall, crews and vehicles will be diverted from other routine street cleansing work to deal with them.

Residents can help by not sweeping leaves from their gardens, drives or pavements into the road, as this may block the road gullies and cause flooding. It is an offence for people to sweep leaves from their property onto the highway. Anyone caught may receive a Fixed Penalty Notice of £75 under Section 87 of the Environmental Protection Act 1990. Leaves and other garden waste can be disposed of easily by signing up to the Council's brown bin garden waste collection scheme. The scheme costs £25 for 12 months and residents receive a wheelie bin and regular scheduled collections all year round. Sign up online at www.mansfield.gov.uk/gardenwaste

Alternatively, residents can take their green garden waste to the refuse and recycling centres at Kestral Road, off Hermitage Lane, Mansfield and Oakfield Lane, Warsop. For residents preferring to compost at home, reduced-price compost bins can be purchased, subject to availability, from www.getcomposting.com

Cllr Philip Shields, Portfolio Holder for the Environment, said: "Mansfield District has a good number of trees and while this helps to make the District a pleasant place to live and work, autumn remains a logistically very challenging season for our Street Cleansing staff. The precise timing of leaf fall is difficult to predict as it varies from year-to-year and depending on species. Clearing away the leaves is a long and repetitive task; but we will get there so please bear with us as the cleansing crews work through their programmes."

Fire Station Latest!

You may remember my front page letter regarding the possible closure of Warsop fire station and the action 'YOU' needed to take.

Well; I'm writing today to thank you on behalf of all the staff for the amazing response from loads of people. You listened and You acted. The station is saved and due to the fantastic support of the public we serve; we are no longer on the list for proposed 'SAVINGS'. I would like to mention the great support from local business, for allowing us to put up posters and putting our leaflets in customers' carrier bags etc. etc. You know who you are!

Morale is much higher now; in spite of the on-going industrial action, which has also attracted a lot of support when manning the picket line. Also on a positive for us and You; we are expecting the delivery of a new fire engine in the near future and look forward to presenting it in the carnival procession, as usual, next year. So; again; from all of us a massive thank you and remember: we're here keeping 'You' safe.

Cheers, Nigel J. Gaughan

Police Update

As another year is nearly over and Bonfire Night approaches, we'd like to remind everyone of the rules and regulations associated with the use and possession of fireworks.

Every year, we receive numerous complaints about the misuse of fireworks and, as we know, people are still maimed and killed as a result of their misuse. On the flipside, for Warsop, over the last few years we have received very few complaints relating to the use and abuse of fireworks.

Regulation 4 of the Firework Regulations 2004 makes it an offence for any person under the age of 18 to possess any firework in a public place or any place to where the public have access (except indoor fireworks such as caps, cracker snaps, novelty matches, party poppers, serpents, sparklers or throw downs).

Regulation 5 prohibits any person from possessing a Category 4 firework, whether in a public place or not.

Regulation 7 creates a curfew on the use of fireworks between the hours of 11pm and 7am with the following exceptions:

- (a) Chinese New Year - 1am (the following day) to 7am
- (b) 5 November - 12 midnight to 7am
- (c) Diwali - 1am (the following day) to 7am
- (d) 31 December - 1am (the following day) to 7am.

Regulation 9 states that no person will supply fireworks to the general public outside the following periods, unless they hold the appropriate license:

- Four days before and including the day of Diwali.
- Four days before and including the day of the Chinese New Year.
- Six days before the 31 December.
- Three weeks before and five days after 5 November.

Remember to stay safe.

As you know earlier this year, the beat team was giving security advice to you in relation to getting out your garden tools and furniture in preparation for the gardening season. Remember, as the patio furniture is starting to be packed away and the garden tools are made redundant for another year, that security around out buildings and garages is maintained.

Once these items are put away, sometimes it is not until the beginning of next year that the perimeters of sheds are inspected for damage or thefts. Gardening tools and pedal cycles are prime targets for thieves. Mark your property and register it with Immobilise. Chain items together where possible and do not forget to lock doors and windows. Finally, make sure that your home insurance covers these belongings. Should you want your property security marking, please contact your beat team.

Nottinghamshire residents are being reminded to be on their guard for doorstep traders offering to carry out house or garden improvements over the last few weeks of this summer. Common scams include carrying out minor roof repairs and then claiming more expensive work to the roof is required, which is often unnecessary and carried out at an inflated price. Residents are also not getting written quotes before the work is carried out and the trader inflates the original quoted price at the end of the project.

Residents considering home improvements are far better to get a recommendation of a reputable trader from a friend or relative, or use the Buy with Confidence list of approved traders. For more information visit www.buywithconfidence.gov.uk

Be alert to burglars who may pose as trades people or officials from utility companies. They often target the elderly and vulnerable to gain access to homes in order to steal money and valuables. It is your right to say who enters your house and who doesn't. If you don't know the person knocking on the door, or you feel that they are not genuine, don't let them in. These criminals could be men, women or even children and can be working as a group or alone.

The Warsop priorities have been set following the priority setting meeting that was held on Thursday 9th of October 2014.

Driving offences relating to 'Fatal 4' along Bishops Walk.

The Fatal 4 operation aims to tackle drivers who exceed the speed limit with use of the speed gun, drivers who fail to wear seat belts, drivers who use mobile phones whilst driving and drivers who are under the influence of drink or drugs. These offences are a significant contributor in fatal road traffic collisions.

Anti-Social Behaviour on Carr Lane and Longden Terrace

The local beat team will be working with local residents and interested parties to identify possible perpetrators. The local beat team will continue to monitor the area and reports.

Hair goes for charity

Local teenager, Kc Reed, has volunteered to have her head shaved for charity.

KC plans to have all her long hair shaved off to raise money for 'The Little Princess Trust' which provides children who have lost their hair due to cancer treatment with wigs free of charge.

The event is planned for 2:00pm on 31st October when hairdresser Jade will perform the drastic trim to a grade one at The Gallery salon, High Street, Warsop owned by Carol Stoutt.

Says Kc, "The Little Princess Trust is a charitable organisation which is close to my heart and I have wanted to do something to raise money for this worthy cause for quite some time. I also felt that because of the nature of the charity it seems apt to not only have my head shaved but also donate my long hair to them as well".

To date Kc has already raised an impressive £600 and is still hoping to raise more.

To donate go to: <https://www.justgiving.com/gordon-reed2/>
Well done Kc and good luck with your fundraising.

Lindhurst application to be heard in Court of Appeal

The Royal Courts of Justice in London today (Tuesday 14 October 2014) have decided that permission should be granted for the application for Judicial Review regarding the Lindhurst development. The application will now be heard in the Court of Appeal before Christmas.

The Executive Mayor of Mansfield Tony Egginton said: "The Courts have already dismissed three applications for permission to appeal against the Lindhurst planning application and on all occasions the judges felt that there was no arguable case for a judicial review. We are disappointed by this latest decision but the Council will continue to robustly defend its original decision to grant outline planning permission for the development".

The Council granted outline planning permission for the Lindhurst Group's development of 169 hectares (417 acres) of land off the A617 Mansfield and Ashfield Regeneration Route on 17 April 2013. The proposal includes the development of up to 1,700 new homes, as well as a new primary school, doctors' surgery, community centre, park and space for retail and business use.

★ Vegas Spectacular Show ★

AT THE WINDING WHEEL, CHESTERFIELD FRIDAY 21ST NOVEMBER 2014

It's fun all the way as the "Purveyors of Cool" come to The Winding Wheel in Chesterfield on Friday 21st November with a sensational show featuring The Greatest Music Of The 20th Century.

Wonderful memories of three incredible performers: Frank Sinatra, Dean Martin & Sammy Davis Junior in a fabulous production now in their 12th year that continues to be successful all over the world.

Their all action show is totally live both musically and vocally, with every song an absolute classic - Come Fly With Me, Under My Skin, Mr Bojangles, Fly Me To The Moon, That's Amore, Mack The Knife, Sway and many more of your favourites.

Musicians from their fantastic orchestra also join in the fun on stage along with The Fabulous Vegas Showgirls who add a touch of glamour to proceedings.

With an abundance of class & style they take you on a trip back in time to vintage 60's Las Vegas hip and cool as their timeless soiree remains the pinnacle of quality entertainment.

Tickets for the 7.30pm show are available from the Box Office at www.windingwheel.co.uk or 01246 345 222 or www.ratpack.biz.

DUKERIES Singers Jan Towler
 Your Local Choir
 Here we are in the Season of Mists. Christmas puddings and cakes need to be made so that the fruit for same can have time to soak in the fruit juice (of whatever category) to provide the Mellowness required for the season.
 The days are definitely becoming shorter and the temperatures colder and we are turning up for Choir rehearsal with a few more layers about our persons.
 We rehearse every Wednesday evening from 7-30pm. until 9-30pm. in the Concert Hall at the Dukeries Academy in Ollerton. This is accessed via the Sports Hall Entrance and Car Park on Boughton/Retford Road.
 We are singing a good variety of Christmas music including Traditional, Modern, and Medieval renditions. Our brains get a good workout on practise nights one way or another. We also have time for a break at half time as we are such a friendly group of people and socialisation and chat time is important to us.
Our Calendar for the coming months is:
Sunday 30th November 2-00pm
 Carols The Courtyard at Rufford Park
Saturday 6th December
 A concert The R.A.F. Club, Newark
Wednesday 10th December
 A concert - Horticultural Society Farndon Memorial Hall
Saturday 13th December
 A concert Edwinstowe Village Hall
Sunday 14th December 2-00pm
 Carols Sherwood Forest Visitor Centre, Edwinstowe
Friday 19th December 3-00pm
 Carols Bishop's Court Residential Home Boughton
 I hope that your harvests have all been good ones; that the weather treats us kindly, and that all your preparations for the speedily approaching Christmas season are moving smoothly.
 We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

OUT & ABOUT

Sherwood Forest

Christmas Reindeer Making Workshop

23 Nov 2014 • 10:30am - 12pm & 1:30pm - 3pm
Cost £25 per reindeer (£3 car parking charge)

By popular demand we are giving you the chance to make your very own Christmas reindeer to adorn your house or garden using timber from the forest.

This hands-on practical course is one the whole family can participate in but children must be accompanied by a responsible adult as help will be needed with assembly.

Places are limited to 10 reindeers per session so pre-booking essential.

St Nicholas' Yuletide Grotto

29 Nov - 21 Dec 2014 (weekends only)
11am - 4pm (last admission 3:45pm)
Cost £5 per child including small gift (£3 car parking charge)

The forerunner to Father Christmas, and the traditional bearer of Yuletide gifts, St Nicholas will be in his medieval-style grotto each weekend until Sunday 21 December, ready to welcome visitors.

Yuletide Treasure Trail

29 November 2014 - 4 January 2015
every Saturday and Sunday • 11am - 3pm
Cost £1 (car parking charge may apply)

Enjoy some of the forest's midwinter magic on this self-guided weekend trail around the Major Oak complete the clues!

St Nicholas Arrives

30 November 2014 • 11am
Cost £3 car parking charge

Rumours abound that the Sheriff of Nottingham is in Sherwood Forest today to try and put a stop to any Yuletide celebrations - let's hope Robin Hood is around to save the day! Come along to cheer for St Nicholas as he arrives at his medieval grotto.

This event involves some stunt fighting which may be worrying for younger children unless it is explained.

Rufford Abbey Country Park

Winter Gift Market

8 Nov - 9 Nov 2014 • 10am - 5pm
Cost £3 car parking

This Winter Gift Market will be taking place in the Coach House Courtyard against the dramatic backdrop of Rufford Abbey's medieval ruins. Browse for that special Christmas gift or just treat yourself!

Santa's Grotto

15 Nov - 21 Dec 2014 (weekends only),
22 - 23 Dec 2014 • 11am - 4pm
(last admittance 3:45pm)
£5 per child including small gift,
accompanying adults free

Visit Santa Claus in his traditional Victorian style grotto at Rufford Mill cottages - a great opportunity to spread some Christmas magic for younger children.

Santa is a popular chap so come early if possible and be prepared for some queues at busy times.

Santa's Christmas Trail

15 Nov - 24 Dec 2014 • 10:30am - 4:30pm
£1 for leaflet from Tourist Information Centre

Santa and his elves are celebrating the 12 days of Christmas up at the North Pole but as they came through the park they lost all their decorations.

Following the clues, find your way through the park to the Mill and discover their location along the way! Collect a sweet reward from the Outdoor Living Shop when you complete the trail.

Last admission to Santa's grotto is 3.45pm so if you wish to combine the trail with a visit to Santa, allow sufficient time in order to avoid disappointment.

For more information or to book for all the above please call 01623 821338
