

THE MILL DAM

The contractors (Squires) removed over 30,000 tonnes of silt from the dam and this was tipped on site for future use. They have done a wonderful job and we do thank them for their expertise and professionalism in carrying out this work. They also emptied the silt trap. This work was paid for by MDC. During de-silting sections of the bridge wall were pointed.

The Environment Agency insisted that the dam was refilled by week ending 23rd August and consequently the contractor was not able to complete all of the tasks that were planned.

The contractor also created the scrape that will be used for pond dipping activities by schools. The scrape is fed by several springs along the field hedge. One spring is visible near the centre of the scrape. At a later date it is hoped to clear the area between the double hedge row where the springs flow down to the scrape. We have an offer from a local resident to construct a platform at the side of the scrape.

Work is still progressing to remove unstable trees from the island. The sub contractor is not able to bring a heavy crane onto the grass area after rain because it would cause deep ruts. Many local and not so local people have removed a lot of timber for their own use from the site. It has been transported off site by a variety of vehicles and it will help to keep them warm during the winter. This had to stop as although some took great care others did not. On

one occasion there where 5 chain saws in use and several children on site. Common sense had to prevail before any accidents occurred.

FOTC raised funds to finance the formation of the scrape and work on the island

We must congratulate MDC and the contractor for the work carried out. Many present and past residents visited the site and continue to watch the progress. All work has been carried out safely. Many photographs have been taken by FOTC and others. It has not been easy to satisfy all those asking questions of the contractor, MDC and FOTC. Everyone became an expert over night and wanted instant results. The major works are nearing completion but we will continue to seek to enhance the Carrs for the benefit of the people.

We have an offer from a local fishery to restock the dam with fish when the water and conditions are able to sustain them. The fishing pegs and viewing platform are to be replaced. MDC are to cut back the growth from the banks of the dam and river. New saplings will be planted on the island to give a variety of coloured foliage and some planting of trees and plants will be set near the scrape. An application has been made to the Woodland Trust for a selection of trees/shrubs for use on the Carrs. Some will be used on the hedge row at the rear of the bungalow.

Hopefully some of those that have watched the work on the Mill Dam over the recent weeks will join the FOTC to plant shrubs/trees/plants and attend future meetings.

We do thank all those past and present who have helped and supported FOTC to reach this point and look forward to support in the future.

FRIENDS OF THE CARRS

Driving the Carrs

Friends of the Carrs received a grant of £44,800 from the Heritage Lottery Fund to enable the group, on behalf of the people in the Parish of Warsop, Nottinghamshire, to take forward an ongoing project to de-silt the Mill Dam.

WE shall coppice the trees on the island to prepare for the reintroduction of wild life and wet land flora and fauna. We shall also provide a dipping scrape along Askew Spa to encourage children to respect the environment and to learn to enjoy outside facilities.

Further, the project will include a viewing platform and 6 fishing pegs which will create a fishing venue when the pond is restocked. Bailiffs and volunteers from the community will form a fishing club to teach youngsters how to fish safely and responsibly.

Community involvement includes replanting, surveying, LNR improvement, historical research by local schools, courses and workshops attended by members of the community giving a fresh outlook on conservation skills.

The project began at the end of August at which time the practical reconstruction began. The educational and community sides of the project will be ongoing into the future.

The site has historical significance as it was once a Saxon working Mill weir and pond and is recorded in the Domesday book. It connects to the corridor of ages past including the Fens, Shores Cuckney, Kings Clipstone and Sherwood Forest.

There are a significant number of historical buildings, spas, riverside walks, ancient paths and meadows which have been lost within our parish and we strive to prevent further decline.

The common known as the Carrs was given to the people for recreational pursuits and respite and has been loved and enjoyed for many generations. Today all ages use the site. The school uses the site for daily sporting activities, the community uses it for quiet walks, there are social gatherings and an annual carnival which draws over 3000 people who appreciate our green space and historical past.

We are exceptionally pleased that the Heritage Lottery Fund has given us this grant to help protect and preserve our heritage for future generations.

We also thank Mansfield District Council for their support on this project.

It is an overwhelming feeling to realise that we can announce that funding is now secure, thank you and well done to all who gave their support to the group.

Friends of the Carrs was formed by a group of local residents and was constituted in 2001. These members have a shared interest in improving and maintaining the Carrs recreation area which includes the Mill Dam, the island and LNR. We work with Nottinghamshire Wildlife Trust, local authorities, the police and other volunteer groups. We work closely with schools to encourage interest in the environment. Over time we have added new seating, picnic tables, created a meadow area, helped with the cost of a new playground, erected fencing, planted hedgerows, trees and bulbs and we constantly perform litter picks. Our membership has risen to over 26 with many more attending the monthly meetings and helping with specific events.

Using money raised through the National Lottery, the Heritage Lottery Fund aims to make a lasting difference for Heritage, people and communities across the U.K. and to help build a resilient Heritage Economy. From museums, parks and historical places to archaeology, natural environment and cultural traditions, we invest in every part of our diverse heritage. HLF has supported over 36000 projects with more than £36bn across the U.K.

Happy Halloween from your Editor

The weather is still being kind to us with days dry and sunny, ideal for walking round the Carrs to see the improvements, each day there is something different. We did say it would look worse before it looked better but it's coming on! NOW FOR THE RANT!! - I am pretty angry at the amount of dog owners that are letting their dogs foul on the paths and leaving it there!!! It is absolutely disgusting!!

We have free dog bags in the Town Hall, seriously there is no excuse at all!! If you own a dog you have a responsibility to pick up after it, if you can't do that you do not deserve to have one!

Lots going on in Warsop at the moment, what with the closure of Meden Sports Centre, the proposed closure of our fire station (still no decision on that) and all the works on the Carrs it's pretty hectic here!

I wonder what next month will bring?

GARDENING MONTHLY...

October's General tasks and maintenance

Tidy borders

Keep on weeding and have a gentle tidy up in your borders but do try to resist the temptation of a thorough spring clean. Leave seedheads for the birds if you don't want to collect them and as much cover as you can bear for wildlife who will appreciate the winter shelter.

Fallen leaves can be left to rot down (or collected for leaf mould), however diseased material is another matter; make it a priority to clear and burn it to prevent pests and diseases overwintering courtesy of your kind hospitality! Put the rest of your garden rubbish (apart from woody stems) in the compost.

Start your compost

If you haven't already done so, start your compost going by buying a bin or building a partially enclosed area for a heap. It is vital to replace the goodness in soil after a hefty growing season and autumn produces masses of garden waste that will put invaluable organic richness back into the ground for next spring. Add a variety of different materials; spent vegetable and bedding plants, herbaceous leftovers, thatch, moss and cuttings from the lawn, weeds (but not the roots unless they have been through a shredder), hedge clippings, kitchen peelings and tea bags are ideal.

Turn once a week or so if you can and NEVER add diseased or pest-ridden material (such as diseased rose petals - heinous culprits) to your compost - it is a warm and welcoming nirvana for unwelcome guests who will reappear with a vengeance next year! Onto the bonfire with them without a qualm...

Clean out the greenhouse

It really is worth cleaning out your greenhouse thoroughly now your greenhouse crops are over; it will prevent pests from hibernating and leaping into action next spring! Wash the windows inside and out to allow maximum light in over the winter and scrub all benches, fixtures and glazing bars with disinfectant, making sure you hose the whole place down really well, especially dark and dusty corners. For effective fumigation, move all plants outside, shut the windows, light a sulphur candle in the middle of the floor, (retreat at speed!), shut the door and wait until the smoke and fumes have completely dispersed several hours later. Your greenhouse should now be pest free!

Prepare your soil for next year

Your soil is your most precious commodity, so start digging in compost, manure and as much organic matter as you can lay your hands on to replace the goodness in it. The earlier you start the better, especially if your soil is heavy. It can be left in a pretty rough state over the winter when the elements will break the clods down, making spring planting infinitely easier!

Watering

Hardly an issue at the moment! However, do keep an eye on your pots and containers in dry spells and check for wilting leaves before it is too late; all plants that keep their leaves continue to transpire, so should not be allowed to dry out completely.

Ensure trees or shrubs planted in the last couple of years on lawns or in areas of rough grass have a circle of clear earth around them - this should be kept clear to allow moisture to get to the roots. Mulching with bark or compost will help.

Planting

With the ideal planting conditions of autumn (warm moist soil), now is the time to plant container grown shrubs, trees, fruit bushes, perennials and bulbs. Even in damp conditions it is worth checking the rootballs of shrubs and trees are adequately moist when planting - heavy rain will not necessarily penetrate a rootball that has been allowed to dry out, so if it feels light, plunge into a bucket of water before planting.

Rake fallen leaves

Don't waste fallen leaves (except those perilous rose leaves and evergreens, which take too long to rot down) - given time they decompose into fabulously rich leaf mould - aka 'nature's soil conditioner of choice'. Rake up fallen leaves and chuck them into a simple frame to make leaf mould (black bin liners spiked with air holes will also do if you can bear the visual offense - but remember to dampen the leaves first). If left to linger on the lawn for long, the grass will turn yellow. Leaf mould takes about a year to mature (2 in the case of oak leaves), makes a great top dressing for woodland plants such as rhododendrons and is an excellent and FREE home-grown substitute for peat.

WARSOP

Footpath & Countryside Group

Autumn is the time for fungi. They may be with us all year round but in autumn the sight of their fruiting bodies can add interest to any walk. Like icebergs, only a small fraction of a fungus is visible. Even if you can only name a couple of species you can still enjoy the variety of colours, shapes and, if the case of the Stinkhorn, smells!

By now all of the public paths that we maintain should have received their third and final cut of the year. In some years they only need to be mown twice but the growing conditions during this summer have made an extra cut essential. Our next tasks will include grassland management on the Rhein o'Thorns and then hedge and tree work on The Carrs Local Nature Reserve. After these jobs we will concentrate on hedge maintenance alongside footpaths once the birds have eaten the hedgerow fruit and before they begin to choose next year's nest sites. Come and join us if you can spare a couple of hours on a Thursday morning.

Members of this group have been concerned about the destruction of the area of The Carrs Local Nature Reserve where the silt from the Mill Dam was deposited. We have been seeking assurances from Mansfield District Council that the remaining parts of this area will not be damaged and will be managed as wet woodland but we are still awaiting a satisfactory response. We have received background information concerning their selection of this disposal site. We hope that once the site has been remodeled it will provide a habitat for the displaced wildlife and that ease of maintenance and access will not be the main priorities.

It will soon be time for some creatures to start hibernating during the cold weather when food is harder to find. If you are lucky enough to have a hedgehog visit your garden you may consider placing a hibernation box in a sheltered corner. Any dry box with a small hole and dry leaves inside will provide a suitable shelter but don't worry if it is does not appear to be occupied at first as hedgehogs may not use it during the first year and they also tend to move around between nests when they emerge on warmer winter days. You may also spot hibernating butterflies in your shed or garage. Several species including Small Tortoiseshell and Peacock may be found, sometimes even venturing into your house. If you find one indoors, gently remove it and put it somewhere that is unheated and sheltered from the elements, such as a garden shed. Remember that it will need to be a place from which the butterfly can escape in the spring, when it wakes up from its long sleep.

The next Footpaths Group walk is scheduled for Saturday 18th October, meeting at 10am outside Warsop Library. Get in touch if you are interested in joining us for a walk of around six miles in the Nottinghamshire or Derbyshire countryside.

Bird Notes

I've got to say it's nice to be back!

As I'm writing this it's the first half of September and the sun is shining.

Every day I'm seeing good numbers of Swallows slip by over my house on their way south. Their cousins the House Martins are still busily bringing up babies, some of them will still be attempting to do so when you read this in October. They will then follow the Swallows, flying through Europe to Africa.

A huge number of European birds migrate to Africa, many millions of individuals. Some like the Swift (similar looking but totally unrelated to the Swallow and House Martin) left as early as mid-July. Other species followed their cue - Cuckoos are also early leavers. Some species take things a little easier such as Blackcaps and Chiffchaffs, although all will feel the urge to go eventually. The odd individual of these two species can be seen in Britain during winter, these birds will have come from more northerly or eastern European populations. Blackcaps may even turn up at your garden bird table! A prolonged severe cold spell will probably spell the end to them though.

There is an interesting website that contains live updates of electronically tagged Cuckoos, it can be found via bto.org or typing "cuckoo migration" into your search bar. It includes some birds that were caught and tagged very close to Warsop!! Definitely worth a visit.

As "our" birds go south they are slowly replaced with birds from places with very severe winters. They will include Redwings and Fieldfares that don't normally breed here, but there will also be millions of Robins and Blackbirds arriving. They will join our resident breeding populations, swelling their numbers 10 times over.

Huge numbers of ducks and geese find the winter climate of Britain quite equitable - some of the ducks may have come from far Russia, the geese species may have come from Greenland or the high Arctic!

There are many ways of enjoying the birds that occur in Britain, both near to home and farther afield, but wherever you are... enjoy!

All the best - B.A.

Warsop Inner Wheel

At our August meeting at the Hostess Restaurant we welcomed our speaker Danielle Hindle. Danielle is the Community Fundraiser for the Alzheimers society for the East Midlands region. She gave us an interesting talk about the condition and the research, support and care offered.

Danielle also spoke about the support the charity can give to relatives and carers. This includes a Helpline, and volunteers who can befriend and be there for someone to talk to. Danielle also thanked the club in advance of the year of fundraising and told us how and where donations are spent.

The vote of thanks was given by Cynthia Parsons.

President Terry Newton then had the delightful task of inducting new member Janet Marples into the club. Janet said how she was looking forward to being a member. President Terry told the club in her report that she had received lovely messages of thanks from the founder members who were thrilled by the presentation of their certificates last month.

Poplars

On Sunday 20th July, Sycamores & Poplars Care Centre held a fancy dress fun walk to raise funds for residents activities.

A grand total of £339.15 was raised thanks to the kind generosity of family, friends, staff, and the people of Warsop. A big THANK YOU to everyone who took part and contributed to our cause.

We held our Summer Fair on Saturday 23rd August, residents, family and friends enjoyed live music, lots of stalls and a visit from Edwinstowe Fire Brigade. A big thank you to all involved as we raised a grand total of £321.80. We couldn't have done it without you!

Warsop Men's Probus

President Hugh Ashton welcomed 25 Members to the Parish Centre to a talk by member Mr Bill Power BEM about the events leading up to the start of the First World War.

Only single men were recruited to start with with the promise of a uniform and three meals a day and the war would be over by Christmas. Folders of newspaper cuttings of the period were circulated as the talk progressed with the promise of part two to follow.

After a break in the stable bar, all the members had lunch in the Fitzherbert Room.

The next meeting will be on 15th October 2014 with Carolyn Radford (CEO Mansfield Football Club). All potential new members are always welcomed.

CHAIRMAN'S COLUMN

The Carrs

There will be nobody in the Parish by now that hasn't realised that the de-silting of the mill dam has been happening. The contractors have done a first class job. It has been a long time coming but thanks to Mansfield District Council working in partnership with Friends of the Carrs, The Environment Agency and Nottinghamshire Wildlife Trust, the finished works look amazing. All ahead of schedule also. Hopefully, the works on stabilising the island will be completed soon. Once this is finished, we can all be proud once again of the gem that is the Mill Dam (or pond - whichever name you prefer). At the time of writing, it appears a pair of swans have also decided to move in, which in my opinion, is the icing on the cake!

Meden Sports Centre

It came as a great surprise to myself of the sudden closure of the Sports Centre. I clearly remember organising and chairing a large public meeting back in February 2010 at the Meden School to which our local councillors, the mayor and 2 MPs (John Mann and Sir Alan Meale) were invited. This was organised as a result of the news that the swimming pool was ear-marked for closure. From this meeting and thanks to concerned residents and volunteers, the SOS group was established. You'll be familiar that the group working in partnership with Mansfield District Council Warsop Councillors, prevented the closure of the swimming pool. It is disappointing that now the building has been deemed unsafe and required immediate closure. I sincerely hope that Mansfield District Council remain true to their word and will reopen the building as quickly as is possible.

Houses of Parliament

Earlier in the summer, I joined Meden Vale residents, volunteers from Meden Vale the Future and their friends and family on an excursion to the Houses of Parliament organised by the office of our MP Sir Alan Meale. It was a very enjoyable and interesting visit and I would recommend it to anybody who is curious about the inner workings of the government. The Houses of Parliament are steeped in history (obviously) although the chambers are a lot smaller than I imagined. The only disappointing element was we were not allowed to sit in those shiny gold chairs in the House of Lords. After the tour, Sir Alan Meale joined us for a hot brew and a discussion about his role. My thanks go to Sir Alan for his hospitality and his office for organising a wonderful excursion.

Warsop P-Day Campaign

A fundraising evening has been organised for Saturday 18th October. Tickets are £10 and include a pie and pea supper. Please support this event if you can. I'm looking forward to it!

Double Fire Walk

Finally, I've been 'volunteered' to take part in a fire walk at The Talbot on Saturday 1st November. The event is to raise money for Help for Heroes and the Lee Bonsall Memorial Fund. I think I might wear the chains of office to do the walk - extra mass weighing me down shouldn't be a problem should it?

If 1 walk wasn't bad enough, I've also been asked to take part in The Plough's fire walk event on Tuesday 4th November. The Plough are raising money for Little Heroes.

I would gladly welcome anybody willing to sponsor me for either or both of the events. The money raised will be going to worthy causes indeed.

If you would like to sponsor me (please!!) then email me at moody@warsopweb.co.uk or leave your details with Tania at the town hall and I'll get back in touch.

Thank you all!

Cllr Stuart Moody
Chairman, The Parish Council of Warsop.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

Our main event this month will be our Annual General Meeting on Thursday 30th October at 7:30pm at Perlethorpe Village Hall.

We will be describing the progress made with research into the past of the Forest of Birklands during the previous year and outlining our plans for future activities. There will be the usual historical discussions and everybody who is interested in the history of our part of Sherwood Forest is welcome to come along.

On the morning of Saturday 8th November we are holding another of our workshop sessions in the classroom at Sherwood Pines. One of the topics to be discussed will be the background to the area of southern Birklands that we will be investigating this winter.

The Thynghowe Trail, the waymarked walk along the public footpath between Warsop Windmill and Gleadthorpe, is fully open again as the forestry operations have been suspended until next year. However, if you are looking for the post marked with letter G you will have quite a search as it has been knocked over and partially buried! We will replace it once the contractors have left.

If you read the 'Crowbar' column in last month's Warsop & District News you may have gained the wrong impression of some archaeological activities around Sherwood Forest. The Edwinstowe village dig did not excavate in the grounds of St Mary's Church. Fourteen test pits were dug around the village, mainly in people's gardens. There are no plans to excavate at the site of St Edwin's Chapel. Any investigations there will be non-invasive and will hopefully include field walking to discover any finds disturbed by ploughing. If you are interested in this chapel try to come to our November workshop when the history of that part of the forest will be discussed.

If you have any questions or comments please contact us on thynghowe@warsopweb.co.uk

For more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website:

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

WARSOP AIR CADETS

Staff and cadets from 1208 (Warsop) Sqn recently went to the Tower of London and played their part in creating 'The Tower Remembers' installation of red ceramic poppies filling the moat of the Tower.

The cadets spent 3 hours assembling and planting some of the 888246 poppies that will be in place by 11 November. Working together with other volunteers and staff at the site the cadets met people from all over the world who had given their time to remember the sacrifices made by the British military during World War 1. Coming away from the Tower at the end of the day the cadets were proud of their small part in the act of remembrance.

Warsop Air Cadets are actively recruiting new cadets. We offer 12 (Year 8) -17 year olds the opportunity to go flying and gliding, adventure training, target rifle shooting, compete at sports, go on camps in the UK & overseas as well as gain academic qualifications and take part the Duke of Edinburgh's Award scheme.

For more information contact us by email oc.1208@aircadets.org or find us on Facebook or twitter.

Cancer Research UK Cheque Donation Ceremony

On Tuesday 9th September in the Council Chambers at Warsop town hall a cheque for £560.00 was handed over to Rebecca Elphick from Cancer Research UK's Nottingham Branch by Micheal Johnson from Warsop Infotech Group.

Meden Sports Centre - Customer Information

Meden Sports Centre closed temporarily two weeks ago to undergo major repair work following safety concerns. We understand that this temporary closure will cause significant inconvenience but the safety of our members is paramount.

Temporary Gym Space Open

We have been working hard with Meden School and have managed to source some temporary space within the School to accommodate our gym equipment and provide access for the local community from Monday 15th September at 4.30pm.

This space has an entrance off the main car park of the leisure centre and there is temporary signs from the car park giving clear directions. It will be open from 4.30pm - 9pm Monday to Friday and 8am - 12pm Saturday and Sunday. We have a selection of CV equipment and weight machines to allow customers to still benefit from a full workout. (Please note there won't be any changing rooms available within the school).

All membership payments at Meden Sports Centre will still be frozen until the Centre re-opens.

Customers will be able to use these facilities for free and still also be able to use one of our other four leisure facilities including Water Meadows Swimming and Fitness Complex, Oak Tree Leisure Centre, River Maun Recreation Centre and Rebecca Adlington Swimming Centre - FREE of charge during this time.

COMING SOON! Multi Use Games Area and School Gym Open and Sports Hall

The Multi Use Games Area and School Hall will be available from the 15th of September and we are intending to open the Sports Hall on the 22nd of September for community use in the evening. All the areas will need to be pre-booked and paid for by phoning or visiting the Rebecca Adlington Swimming Centre on 0345 0000 230.

All pupils on swimming lessons at Meden Sports centre will be offered alternative provision at Rebecca Adlington Swimming Centre or Direct Debit's frozen until Meden re-opens.

We have contacted all customers that the closure affects directly and details of the programme of works and regular updates will be available on our website (www.mansfieldleisure.com/meden_sports_centre) and via our social media channels 'GymInMansfield' and 'SwimInMansfield'. We apologise for any inconvenience this may cause and if you have any questions or concerns, or if you haven't received direct contact from us please contact Rebecca Adlington Swimming Centre on 0345 0000 230 or alternatively email us at rebeccaadlington@serco.com.

The monies were raised on 30th April this year, when he had his head and beard shaved by Kevin Emery of Kev's barbers on Church Street Warsop.

The event was in memory of Micheal's late parents Victor and Christine Johnson of Creswell (pictured right) who both died from lung and pancreatic cancer on October 9th & October 8th 2009 - 2012 respectively.

Both Micheal and his sister Ellen would like to remember other family members who have passed away from cancer or who are currently battling this terrible disease.

These include: cousins Sharon Elliott nee Johnson 31st August 2002, Clifford Radford 12th October 2009, uncle Terry Johnson 24th December 2007 and Gladys Johnson 11th December 1989.

Also Auntie Pauline and Uncle Tony who are battling bowel and pancreatic cancer and Nephew Joshua Irons who is in remission after having treatment for a brain tumour.

Micheal stated, "Our thoughts are with them all at this present time. I am truly thankful that I had the parents I did as no one could have asked for a better mother or father. You are deeply missed."

"I raised this money by doing a sponsored head & beard shave on 30th April 2014 at Warsop Town Hall. A total of £560.00 was given together with other monies already raised, given a grand total of £1,060.00 to be shared between Cancer Research UK & Asthma UK."

"Thank you to everyone who sponsored me and who attended this presentation"

THE ROYAL BRITISH LEGION

Poppy Fortnight

Our plans for this year's poppy fortnight are well underway. The poppy launch will take place on the High Street at Age Concern on the 25th October.

We have our annual Concert for Remembrance in Warsop Church on Saturday the 8th November, 7.00pm. Tickets £7.50 to include a glass of wine. (Tickets available on the number below.)

Our youngest supporter? 9 year old Amber Guy held a garden party to raise funds for The Royal British Legion. Above is Branch Chairman, Brian Marples giving Amber a certificate of appreciation from the branch. Amber raised a fantastic £100 to go towards direct help for our beneficiaries in the Warsop area.

We are still seeking volunteers to help out with our Poppy Appeal. We collect in NISA and Morrisons.

Family fun at Mansfield Summer Festival

Over 2000 people enjoyed a free family day out at one of the four Mansfield Summer Festival events this summer.

The events organised by Mansfield District Council were held at Carr Lane Park in Warsop, King George V Park on Black Scotch Lane, Mansfield Town Centre and Chesterfield Road Park on Chesterfield Road South.

Attractions included dog dancing demonstrations, multi-skills sports sessions, circus workshops, BMX taster sessions, arts and crafts workshops and face painting. Representatives from Mansfield District Council were also on hand to offer advice and information on a range of topics, including the Your Dog, Your Responsibility campaign. The events proved to be lots of fun for families of all ages across the District.

Councillor Philip Shields, Portfolio Holder for the Environment said: "This is the first year we have run the Mansfield Summer Festival events and we were so pleased to see how many people enjoyed them. If you want to see things like this happen in the future, or you have other suggestions for events in the community, please complete a feedback form and let us know."

Anyone who went along to one of the events is encouraged to complete a feedback form online at www.mansfield.gov.uk/summerfestival to help inform decisions about whether to run the events in the future.

Mansfield man hit with fine for fly tipping

A Mansfield resident has been ordered to pay a fine plus costs totalling £472.68, after being found guilty of fly tipping by Mansfield Magistrates' Court.

Ryan King, aged 19, of Hammerwater Drive, Warsop, Mansfield admitted to the illegal deposit of waste on Oakfield Lane, Mansfield under section 33 of the Environmental Protection Act 1990. He was ordered to pay a fine of £50, plus a victim surcharge of £20. Full costs of £402.68 were awarded to Mansfield District Council.

Mr King had taken the waste to the Household Waste and Recycling Site on Oakfield Lane, but dumped it illegally, after finding the site was closed. The waste included cardboard boxes and a NEXT store delivery bag.

Under the Household Duty of Care regulations, householders must ensure that household waste is properly disposed of. Household waste includes waste from domestic properties, caravans and residential homes under the Environmental Protection Act 1990.

Cllr Mick Barton, Portfolio Holder for Public Protection at Mansfield District Council, said: "I welcome the outcome of this case wholeheartedly. Fly tippers show a blatant disregard for the environment and for their neighbours and should feel the force of the law accordingly. The illegal dumping of rubbish is completely unacceptable."

Mansfield District Council operates a bulky items waste collection service, which will collect items including:

- Furniture
- Domestic appliances including fridges and freezers
- Bagged household rubbish
- Larger items that cannot fit in wheeled bins

There is a charge for this service but residents in receipt of certain benefits will qualify for a discount on most bulky collections.

For further details, please get in touch with the Contact Centre on 01623 463 463 or email cleansingservices@mansfield.gov.uk

Counting down to Christmas in Mansfield

Excitement is already in the air following the announcement of the date for switching on the Christmas lights in Mansfield.

The Big Switch On 2014 will take place on Sunday 16 November in Mansfield town centre between 12noon and 5pm. To mark the announcement of the date this year, a piece of chalk art was created in front of the Old Town Hall in Mansfield market place.

This year's event is set to be another festive extravaganza with lots of free entertainment for all the family throughout the day in the town centre. This will be followed by a spectacular stage show in the market place.

There will be guest appearances at intervals from children's television favourite Mike the Knight - so don't forget to bring your camera!

This traditional event marks the start of late night shopping in Mansfield town centre which begins on Thursday 20 November.

The event is organised by the Christmas Lights Committee, which includes Mansfield District Council, Four Seasons Shopping Centre, Mansfield 103.2, Mansfield BID and the Chad and our supporting partners 6 five 2s Taxis.

Executive Mayor Tony Egginton said: "Don't miss the opportunity to see Santa and join in the countdown to the launch of this year's Christmas lights display. It's guaranteed to get you and the family into the seasonal spirit."

Keep up-to-date with details of the event as they are announced by visiting www.mansfield.gov.uk/switchon

DUKERIES
 Singers
 Your Local Choir
 Jan Towler

As I write my report, the House Martins are gathering on the telephone wires in large numbers preparing to fly off to sunnier climes, and we must reluctantly say goodbye to the Summer. Autumn is decidedly upon us and there are crops to be picked, and today we must lift some of our potatoes. That is all to be done after I have had a good sort out of all the Christmas Carols we have been re-learning and gathering them together in a folder. The Choir have begun learning new Christmas music. We try to present our loyal audiences with some new material for every concert and it also keeps our brains active and alert. We all enjoy the challenge of more difficult pieces. One Christmas song is in five parts. We do work hard. Singing does lift the spirits and I find no better way of improving an Autumnal Wednesday evening with a good sing in very pleasant company. If you think you would like to join us, (especially if you are a fella) come and have a listen to a rehearsal or contact our Chairman Alan Sinclair on 01623 823271

We meet every Wednesday evening from 7-30pm to 9-30pm in the Concert Hall at the Dukeries Academy in Ollerton. This is accessed via the Dukeries Leisure Centre entrance and car park on Boughton Main Road (Retford Road.)

Our Concert list so far for this term;
Saturday 6th December 2014
 Concert at the R.A.F.Club, Newark
Wednesday 10th December 2014
 Concert at Farnon Memorial Hall for their Horticultural Society
Saturday 13th December 2014
 Concert at Edwinstowe Village Hall
Sunday 14th December 2014
 Carol Singing at Sherwood Forest Visitor Centre, Edwinstowe, NG21 9HN at 2-00pm (This has yet to be confirmed)
Friday 19th December 2014
 Concert at Bishops' Court Residential Home, Boughton
 Our Concert Secretary is Phil Robinson on 01623 822070. He would be delighted to hear from you if you would like us to sing for your fund raising or celebration event.

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

Hear to Help

Are you Deaf or hard of hearing and do you wear an NHS Hearing aid(s)?

Some of you may be aware that the Hear to Help hearing aid clinics were under threat of closing due to funding issues. However, I can now confirm that The Ear Foundation are planning to take the project over and that the Hear to Help clinics will continue.

This is fantastic news not only for us but for everyone who uses this service.

So, if you require:

- New batteries
- New ear mould tubing
- Advice on equipment
- Advice on how to use and clean your hearing aids
- Information on hearing loss and all the services that can help you
- Opportunity to meet others
- Signposting to other services

Then come along to our planned Hearing aid clinic at: Warsop Methodist Church, Clumber Street, Warsop, NG20 0LU
First Wednesday of the month 10am-12pm
1st October 2014,
5th November 2014,
