

Make a difference to Mansfield - sign up for International Clean Up Day

Groups in Mansfield and across the globe have already signed up to be part of International Clean Up Mansfield Day, which will take place on Friday 12 June 2015.

Mansfield Primary Academy and the 4th Mansfield Woodhouse Scout Group are among those who will be taking part in this award-winning event, which seeks to bring communities together to improve the environment we live and work in.

They will be joined overseas by Mansfield Outdoor Centre in Ontario, Canada and groups in Mansfield, Pennsylvania, who are also keen to be involved.

Last year more than 45 groups from Mansfields across the world took part including Connecticut, Pennsylvania, Missouri and Ohio in the USA and Victoria in Australia.

International groups are invited to take part again this year along with local schools, community groups, businesses and individuals. All participants will be considered for an award which will be presented at a ceremony later in the year.

Last year's award winners were:

Business Innovation Award:

I Do Bridal Boutique

School Innovation Award:

First place - Eastlands & Netherfield schools

Second place - Mansfield Primary Academy

Third place - Wynnendale Primary School

Friends Group Award:

Friends of Fisher Lane

Community Award:

Portfolio Holder for the Environment Cllr Philip Shields said:

"We want everyone in the district to get involved with this amazing day, which not only improves our local environment, but encourages communities to work together to show that they really care about where they live and work."

"Last year, more than 306 bags of rubbish were collected by hundreds of volunteers from toddlers to people in their eighties and we want to repeat that success. Whoever you are, sign up now and join us in our quest to make Mansfield a litter-free zone."

To register, visit www.mansfield.gov.uk/cleanup and complete the online form. You can keep up to date with the campaign and share your own news and activities on our Facebook page www.facebook.com/cleanupmansfield

Editor's Letter

I hope we've finally said goodbye to the winter, it's nice to see some sunshine for a change and hopefully we can say goodbye to the bugs that have dragged us all down!

I for one am fed up with the colds, flu and everything else I've caught over the past few months.

By the time you read this Nisa will be closed, which will really impact on the town. All we need is another boarded up building, let's hope someone takes it over soon. It's up to us to support our existing shops so they don't close too.

There is a rumour going round about the tip closing, I have it on good authority that this is not true! When you visit the re-cycling centre can you please read the notices and put your rubbish in the correct skip, apparently our centre is the worst in Nottinghamshire!

GARDENING MONTHLY...

General tasks and garden maintenance

Beware of late frosts and keep vulnerable plants and new shoots protected at night if frost is forecast. Don't be tempted to put out tender bedding until much later on in the month, and even then be prepared to cover it if necessary.

Deadhead daffodils and narcissi; give them a liquid feed or a sprinkling of bonemeal and then let them die down. Don't cut off the leaves as they are necessary to replenish the bulb for next year. Keep deadheading spring bedding to keep it looking neat, and to encourage new flowers.

Continue with the spring cleaning. Hoe your borders, getting rid of weeds before they take hold - annual weeds such as bitter cress and groundsel are enough of a nightmare without allowing them to go forth and multiply by seeding. If it's dry, attack ground elder and the like with systemic weed killer painted onto the leaves.

Mulch away while you can still see what you are doing and before the herbaceous growth really takes off. Use your own garden compost or leaf mould, well rotted manure, the contents of out-of-date grow bags or ready-made soil conditioner.

Now the soil is warming up and things are starting to grow, add general purpose fertiliser before covering with mulch especially in borders, the fruit and vegetable patch and containers. If you have already mulched, draw it back (if possible), tease the soil a little, add fertiliser and replace the mulch.

Carry on removing moss and weeds from paths, terraces and drives.

Make new beds and borders - mark the shape with sand trickled from a bottle, remove the top layer of growing vegetation and dig the ground over, incorporating as much organic matter as possible. If you are making a bed in the lawn, remove the turf - if you dig it in the buried grass will regrow.

Clean and repair your garden tools, book the lawn mower in for a service and check garden furniture for any rot. When it is warm enough, treat sheds, fences and trellis with wood preservative; brushes and rollers are fine for most things, however a sprayer is well worth buying for tricky projects such as woven panels!

Now is the time to wage war on slugs and snails. They love tulips and delicacies such as the delicious young shoots of delphiniums and the like, so use pet-friendly slug pellets, and drench the ground around hostas with liquid slug killer to exterminate slugs below the surface. Keep an eye out for snails and pick them off - what you do with them is up to you. Birds are your friends here - flat stones artfully located are useful accessories for birds to practise their snail catching techniques.

WARSOP Footpath & Countryside Group

On a fine day several different butterflies should be seen at this time of year. Orange Tips and Small Tortoiseshells were spotted around Warsop's countryside during last April.

There have been reports that a Peacock has already been seen near Warsop Library and elsewhere in Nottinghamshire, a Red Admiral was seen in January and a Small Tortoiseshell in February.

It is not unusual to see butterflies on sunny winter days as some species hibernate as adults. Others survive the winter as an egg, a caterpillar or a chrysalis. This explains why different species appear at different times throughout the spring and summer. If butterflies emerge early from hibernation they may die especially if it goes cold again, unless they can locate a suitable sheltered place to go back into hibernation.

More flowers should now be appearing and we can expect to see Bluebells in our woodlands whilst on grassland Cowslips, Lady's Smock, Stitchwort, Buttercups (both Bulbous and Creeping varieties) and Germander Speedwell should be coming into bloom. If you know where to look, the first Early Purple Orchids may also be flowering.

Last April, on a walk beside the river at The Bottoms at Meden Vale I saw: Bugle, Ground Ivy, Celandine, Lords-and-Ladies, Marsh Marigold and Water Forget-Me-Not. This is quite a special area for wildlife but if you are planning to visit, this is probably the best time of year before it becomes too overgrown. Wellingtons are the recommended footwear! Annoyingly, the invasive species Himalayan Balsam will now be reappearing in the wetlands alongside our waterways. Once again plans are in place to attempt to restrict the spread of this plant.

Listen out for the first Cuckoo of spring. In 2014, I heard one on 19th April whilst walking in the woods near Peafield Lane.

Warsop Footpaths & Countryside Group's Annual General Meeting will be held on 28th April at 7pm. If you wish to attend please contact us for details of the venue. It will be an opportunity to find out about all of our activities over the past year and maybe discover whether there are any tasks that you would like to participate in.

I have been disappointed to see that somebody has been using a metal detector on the Hills & Holes. As most of the area is designated as a Site of Special Scientific Interest, it is an offense to dig in this area. The person responsible has not even replaced the soil and turf in the places where they have dug holes. There have also been reports of youngsters starting fires in the woodland at Warsop Vale. If you wish to report any incident, you can phone the police on their 101 number. As with illegal off-road motorcycle activity, if they don't know about it - they can't take any action.

For the next Footpaths Group walk on Saturday 25th April, we will be joining the Friends of Thynghowe for their annual guided walk to the Viking Age assembly site of Thynghowe. Get in touch if you are interested in joining us.

Warsop's Litterpick

On the 7th March between 1100 and 1300 hours, local residents took part in a community litter pick. There were 3 adults and 3 children who took part including your local Neighbourhood Wardens Steve and Adrian.

During the 2 hours litter pick a staggering 19 bin bags of waste such as paper, drinks cans, crisp packets, plastic bags and glass bottles were collected, as well as 2 wooden pallets, 8 car tyres, plastic, wood and a fridge freezer.

The litter pick started from the Malcom Sargison Centre, the litter was collected from the service road area at the top of Greenshank Road and the Nature Trail at the bottom of East Street to

King Street. The picture shows the waste collected including local residents Sharon Scott and Grandson Ben Simpson of King Road, Warsop Vale.

Future litter picks will be arranged in due course, any enquiries in relation to arranging one in your area please contact your local wardens:

Steve : 07973 543 786 or Adrian: 07791 481 678.

Spring Is Nearly Here

The boards have now been installed at the silt trap and are doing their job. The water level is now just below that it reached prior to the de-silting.

The two elder swans have started nesting near the reed bed. Water fowl have started nesting on the island.

Some members have cleared away rubbish near the willow tree to expose the daffodil bulbs.

MDC have put down rat poison near the new fishing pegs and hopefully this will reduce their number.

More silt has been removed from the scrape and spread on the surrounding area. This has exposed two more springs. Decayed and fallen wood is to be removed from the hedge row leading from the scrape to allow more silt to be removed. When the ground round the scrape has consolidated the platform over the pond will be started.

The grassed area has been cut. It really needs to be cut in the autumn this year.

We had hoped to restock with fish. Authority was given but then it was stopped. A new form has been submitted and hopefully all is now in order. We are nearing the end of the window when the re-stocking can be carried out.

We will be carrying out a litter pick so please watch notice boards for information.

More plants have been received to finish the hedgerow. In the autumn we will set plants to fill the gaps left as we remove decayed and fallen wood.

CHAIRMAN'S COLUMN

Are you interested in joining the council?

If you are interested in joining the council do please get in touch. I am hoping to hold an information evening shortly. I have been contacted by one person hoping to find out more but if you also feel you would like to get involved - please contact Tania Barlow or myself.

Mayoral Elections

In my last column, I gave information about the mayoral election. However, the system I referred to was not the system that is used in the forthcoming election. Apologies are given for this! Please see the article opposite for information about the actual system.

My advice though, remains the same. In the past, the winning candidate in this election hasn't been the candidate who received the majority of 1st choice votes, they've won because they received more second choice votes. Of course - if you can not decide between the candidates standing - the Supplementary Vote system enables you to vote for more than one. However, if you want just your preferred candidate to stand a better chance of succeeding - just vote the once!

Essential Works

There are a lot of roads around the parish being dug up. This is to allow essential works to replace old (and possibly dangerous) gas piping. Unfortunately, there may be some inconvenience but alas, this is necessary.

New Website

The council will shortly be tasking a web designer to develop our own website (long over due). On it you will be able to access: councillor information, forthcoming agendas and past minutes, general notices and information about the parish and also a business directory. We'll let you know as soon as it is up and running.

Election Time

You will no doubt soon be receiving lots of leaflets and other such campaign materials from various groups and political parties. In Warsop Parish, on May 7th you will have the opportunity to vote in 4 elections: General, Mansfield Mayoral, Mansfield District (and potentially Warsop Parish). This is your chance to choose the person(s) you best feel can represent your opinions. Polling stations will be open from 7am until 10pm - do please use your right to vote. Elsewhere in the world, people not living in a democracy, do not have this privilege.

Cllr Stuart Moody

Chairman, The Parish Council of Warsop.

PUBLIC NOTICE

Last month, incorrect information was given about the voting system for the Mayoral Elections.

We apologise for any inconvenience this may have caused.

This is the correction from Ruth Marlow:

I felt it was important as the Returning Officer for Mansfield District Council to set the record straight as to how the system for voting for a directly elected mayor works as there appears to be some confusion.

Directly Elected Mayors, including the Mayor of London, are elected using a system called the Supplementary Vote System (SV).

Under SV, voters are limited to a first and second preference choice only. A voter marks a cross in the first column for their first preference candidate and another cross in the second column for their second preference (if they wish to do so).

The ballot papers are counted and if a candidate received more than 50 per cent of the first preference votes on the first count, then they are elected.

If no candidate reaches the 50 per cent threshold, the two candidates with the highest number of votes are retained and the other candidates are eliminated.

The second preferences on the ballot papers of the eliminated candidates are counted and any cast for the two remaining candidates are added to their first round vote total. The candidate with the most votes at the end of this process is elected.

It is wrong to suggest that the system requires the voter to rank the candidates in preference order (1,2,3 and so on), whilst there are electoral systems widely used in the UK that use such systems namely the Alternative Vote and the Single Transferable Vote, the former used in the House of Commons for the election of chairs to select committees and the latter used for electing the Northern Ireland Assembly and for local elections in Scotland and Northern Ireland, they are not used for Mayoral Elections anywhere in the UK.

Ruth Marlow

The Council has agreed on 10 March 2015 that the new Polling place for Polling district B of the Netherfield ward will be Melville Court Tenants meeting room. This has been changed from the Eastlands Junior School.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

We are looking forward to a busy few weeks as we will be organising our annual walk to Thynghowe and starting our celebrations to mark the 800th anniversary of Magna Carta.

On Saturday 25th April you are welcome to join us for a guided walk with stories from a thousand years of local history as we follow in the steps of the Warsop folk who walked the parish boundary 199 years ago. We plan to walk from Buddy Pumping Station to the Viking Age assembly site of Thynghowe, starting at 10am.

If you are going to the St George's Day celebrations at Ollerton on the following day, 26th April, you will be able to visit us in the Forestry Commission tent and find out about our future events and our latest news.

Our Magna Carta events start on Saturday 2nd May with a walk between two local sites with connections to King John. We will walk through Clipstone Park starting at the site of Warsop Gate into the park beside the Parliament Oak and ending at King John's Palace where there will be an opportunity to have a tour of the site.

Over the following weekend, the 9th and 10th of May, the brilliant re-enactors of Regia Anglorum will be returning to Sherwood Pines for this year's Spring Thing, a Magna Carta Celebration. More details of this event next month. You can find out more about our events on the Thynghowe Facebook page.

For more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website:

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

Amy Wins the District Young Chef Award

The winner of the Rotary club of Warsop Shirebrook and District Young Chef Award - local heat was Amy Armstrong from Meden Academy.

She is pictured here at the District Competition at Kirkby and although she didn't win she put up a creditable performance against much more experienced candidates.

Warsop Inner Wheel

President Terry Newton welcomed everyone to our special March meeting at the Hostess restaurant.

After the meal and the business meeting President Terry was delighted to welcome Elaine Parsons and induct her into our Inner Wheel club. Elaine is no stranger to Rotary and Inner Wheel and it will be a pleasure to have her as a member.

Our speakers for the evening were some of our founder and long serving members. Each was allocated six minutes to give us an incite into their year as President of the club, with their photographs to look at.

Marlene Bradley told us how the club was formed and about the first Charter at the Saracens Head in Southwell in 1972. Each member's account was hilarious, describing their antics in their year.

Friendship and fellowship in abundance made a marvellous evening to remember. Well done ladies!

COUNCIL GRANTS AVAILABLE FOR:

Vacant shops and shop front improvements

Mansfield District Council is offering new and existing retailers grants to move into vacant shops or improve the appearance of established shop fronts.

The vacant shops grant is open to independent retailers taking occupation of a retail property that has been vacant for at least three months. A grant of up to a maximum of £4,000 per property is available and will be paid in four quarterly instalments.

The funding can be used for a range of expenditure, including improvements to premises, fixtures and fittings, rental payments, insurance premiums, advertising and marketing costs.

The shop front improvement grant will provide up to £5,000 to independent retailers already occupying premises, who wish to make alterations or repairs to their shop front in order to enhance its appearance.

This includes new windows and doors, repairs to guttering and downpipes, painting shop fronts and the replacement of signage.

If successful in their application, retailers will receive a grant of 50% towards the total cost of pre-agreed items or work. To qualify for grant funding, the premises must be located in the

Mansfield district.

The funding has been made available thanks to the recent council-approved Economic Stimulus fund - a package of measures designed to boost local business growth and jobs.

Councillor Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council said: "We are delighted to be offering these grants for vacant shops and shop front improvements. This is great news for both existing retailers and those thinking of moving into a vacant shop."

"The grants will support efforts to enhance the visual appearance of the Town Centre environment, help to reduce vacancy rates of shops across the district and increase the number of independent retailers."

For more information, please contact Caroline Lomas at Ashfield and Mansfield Regeneration Service on 01623 463174 or email clomas@mansfield.gov.uk

Start-up businesses and businesses with potential

Mansfield District Council is offering two new grant schemes to local people and businesses as part of its regeneration programme to support the creation of viable businesses for the benefit of the local economy and people.

The 'Business Start Up' grant of up to £1,000 is available to individuals who are looking to start a business. The grant can be used towards start-up costs including the purchase of machinery and equipment, business stationery and marketing costs such as advertising and web design.

The 'Business Growth' grant of up to £5,000 is available to established businesses who produce a viable 'Growth Plan' that will result in the creation of at least two full time jobs. The grant can be used in those instances where the business requires support in developing its 'Growth Plan' as well as costs involved in implementing the plan. These could involve product development/enhancement, process development within the business as well as development of new markets.

In both cases successful applicants will receive a grant of 50% towards the agreed items up to the maximum grant figure for each scheme. The applications will also need to be supported by viable business plans and will be subject to an assessment process.

The funding has been made available thanks to the recent council-approved Economic Stimulus fund - a package of measures designed to boost local business growth and jobs.

Councillor Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council said:

"We are delighted to be offering these grants to support not only the development of successful new businesses within the district, but also established businesses that are looking at the next stage in their development involving growth and job creation."

"The grants will support the council's continued efforts in regeneration of the area for the benefit of the local economy and people"

For more information and informal discussion on any proposal, please contact Paul Topliss at Ashfield and Mansfield Regeneration Service on 01623 463813 or email ptopliss@mansfield.gov.uk

Changes to the Council's bank account

**From 1 April 2015,
Mansfield District Council
will be transferring its
corporate banking services.**

The Co-operative Bank currently provides the Council's banking services but this contract comes to an end on 31 March 2015. Following a procurement process the Council has appointed Lloyds Bank to provide services.

If you pay using the following methods then you will not need to do anything as your payments will automatically transfer to the new bank account:

- Direct Debit
- Payments made using the Council's website or 24-hour automated payments line
- PayPoint
- Post Office

However, if you pay using the following methods, you will need to change the bank details; the Council will not be able to do it for you.

- Standing Orders
- Online banking
- BACS

From 1 April, all payments should be made to the Lloyds account as shown below:

LLOYDS BANK PLC
Account no: **30653968** Sort Code: **30-95-43**

Payments up to 31 March should be paid into the existing Co-operative Bank accounts. Please do not make any changes active before 1 April 2015.

The billing reference account number on your invoice from us remains unchanged and should always be quoted. If you currently pay by standing order, you may wish to take this opportunity to change to Direct Debit. Please telephone us on 01623 463162 to set one up.

Cllr Roger Sutcliffe, Deputy Mayor and Portfolio Holder for Resources said: "The decision to transfer our banking services to Lloyds is based on our commitment to deliver best value for money within the current economic climate. We are asking people to ensure that any necessary changes to their payments and bank details are made active following the changeover date of 1 April 2015."

Council gives funding boost to help employers take on apprentices

Mansfield District Council has given an additional £90k to a grant pot set up to help local employers in Mansfield and Ashfield take on new apprentices.

The extra money has been made available thanks to MDC's Economic Stimulus Fund - a package of measures designed to boost local business growth and jobs.

To mark National Apprentice Week (9 to 13 March), Mansfield and Ashfield councils are offering grants of up to £1,500 per placement to small and medium-sized enterprises (SMEs) within the Mansfield and Ashfield areas.

Apprentices should be aged from 19 to 24, although in some circumstances young people aged 16 to 19 may be eligible. A business can apply for up to five placements, but each apprentice must be taking up a new role within the business and must live in the Mansfield and Ashfield district.

Cllr Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council said: "This extra funding gives local businesses an excellent incentive to take on a new apprentice and help boost their productivity and performance. We want to help businesses to grow and at the same time give young people the opportunity to be properly trained and qualified."

The Ashfield and Mansfield regeneration team is on hand to help businesses find and fund placements for apprentices, so please get in touch. Applying for a grant is very straightforward."

Council publishes required number for referendum petition

Mansfield District Council has published a notice on 27 February which sets out the minimum number of signatures, which are needed to support a valid petition requiring the council to hold a referendum on whether the district should change to a different form of governance.

The minimum number of signatures (equivalent to 5% of the district's local government electorate) is 3,974. The district council is required, by the Local Government Act 2000 to publish this number each year.

The above number will be used for verification

purposes in relation to any petition submitted to the district council before 1 April 2016. However, a new number will be published in February 2016 and if the new number is less than 3,974, then the new number will apply from the date it is published.

Age Concern Annual Dinner

On Wednesday 10th December AGE CONCERN held their annual dinner for the pensioners of Warsop at the Oaklands centre.

The meal this year was a roast beef dinner, pudding was a Gateau with cream, followed by sherry and mince pies. The meat was provided by Mike Maloney's Butchers in Warsop.

The entertainer was Mr Ian Gittings who played and sang popular songs which were enjoyed by all.

Lisa Harris, one of the volunteers on the day celebrated her birthday and everyone sung Happy Birthday to her.

It was with sadness that the Chairman Mr. John Allin announced the death recently of one of our regulars, Mrs Kath Barnes who used to sing a few songs to us.

Everyone who attended were given a raffle ticket and over 50 were lucky to win a prize. They also received a meat voucher to be used at Mike Maloney's Butchers.

Mr John Allin, chairman of AGE CONCERN thanked everyone for their attendance and thanked all the volunteers for their hard work in making this dinner possible. He also thanked the volunteers for their time and dedication throughout the year, working in the AGE CONCERN HOUSE, 14 High street and the charity shop on Burns Lane.

The house is open Monday - Friday 9 till 12 and the charity shop is open Monday - Friday 9 till 3.

Please come in and help raise funds for our work in helping the pensioners of Warsop.

Council pays tribute following death of former councillor

Former Mansfield District Councillor Heather Henshaw MBE, who was a Deputy Lieutenant of Nottinghamshire, has died after a long illness.

Heather, who was a councillor between 2003 and 2011, passed away on Thursday 12 March 2015. She was 68.

Heather, who was the Council Chairman in 2003/04, served on the Executive Mayor's Cabinet as the Portfolio Holder for Housing during her term of election. She stood down at the last elections in May 2011 due to ill health and to spend more time with her family. A former resident of Forest Town, Heather, was awarded an MBE in the Queen's Birthday Honours list in 2011 for her work with the NSPCC in various roles since 1971.

In September 2014, The Lord-Lieutenant of Nottinghamshire, Sir John Peace appointed Heather one of seven Deputy Lieutenants to assist him in his role of representing the Queen in Nottinghamshire. Heather held a variety of community and voluntary roles in the area over the years, including as a trustee at Queen Elizabeth's School, a trustee for the Allotments of the Labouring Poor and member of Forest Town Community Council.

Her dedication to the NSPCC, having been chairman of the local fundraising committee for many years, led to her being appointed as a member of the National Board of Trustees as well as a Divisional Vice President.

Cllr Kate Allsop, Portfolio Holder for Economic Regeneration at Mansfield District Council, said: "Heather was without a doubt the nicest person I have ever known. She was kind, caring and worked tirelessly for her community. When she was Council Chairman she attended many events representing Mansfield. She was graceful, charming and had the warmest personality - everyone who met her would say that she lit up the room just by her presence.

"Glamorous as she was, she was never vain and always put others before herself. When she became the Portfolio Holder for Housing, she took up her role with enormous enthusiasm. No matter what issues residents had, Heather was on the case, ensuring every little detail was attended to.

"I have lost a true friend and Mansfield has lost one of our most dedicated community workers."

Heather leaves her husband John, children Cherry and Ben and four grandchildren.

The 22nd meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 27 January 2015 11 members of the Committee were present and one Councillor. One apology was received.

The Caretaker reported that the Village Hall central heating boiler was causing concern and would probably need to be replaced sooner rather than later. Also a quotation had been received for new fluorescent lighting for the main hall. A wheelie bin had been delivered to the Village Hall and was now in use. In addition, the chairs are now looking shabby and require cleaning or replacement. The installation of solar panels for the Village Hall roof was now in the hands of the Welfare Trust who have been given the paperwork to approve.

A request from the Welfare Trust to meet with the Village Hall Trustees had been received and a meeting to discuss issues, common and relevant to the Village Hall, was to be arranged as soon as possible.

It was reported that the Football Club was doing well with a good attendance. It was also reported that the Rugby Club was currently using the changing facilities at the Football Club. The situation with the Bowls Club was unclear but it is understood that the Bowls Club and Welfare Trustees are to meet to discuss a way forward.

A Report on the December meeting for Welbeck Colliery the Future was received and the following was advised:- Restoration of 10 Hectares at the Cuckney end of the tip was nearing completion; the old concrete slabs in Hatfield Plantation have been cleared and planning permission was being sought for these to be used for small commercial / industrial premises; a local company has shown an interest in the site for the establishment of a unit to produce wood chips, using heat from the Bio-gas plant and a meeting to discuss this has been held between the parties; extra security was being provided to guard against damage / vandalism to the repaired railway line; restoration of the remainder of the site was reported to be progressing well and on schedule.

The Treasurer reported that the accounts were just about satisfactory but some fundraising would be necessary, approaches to be made to Warsop Big Lottery, Eastwoods and Warsop United Charities.

For details of the time and date next meeting please contact the Secretary, Kay Walker on: 01623 844282

ANNUAL RECRUITMENT DRIVE

Hello everyone – this is our rally call with all trumpets sounding to recruit players and volunteers for our football teams. As an organisation that caters for and works in the community, we are proud to have a record second to none in the area.

We have recently distributed to all infant & junior schools leaflets explaining that we are recruiting boys & girls for new teams for next season. Training sessions will start during the easter holidays.

Any boy or girl from Year 1 through to Year 6 inclusive is welcome to come along to the training sessions. Please fill in the form below and return it to me if you haven't received one through your School.

Since the article which appeared in the January edition of the Warsop news asking for help, I have received very little response from the public or local businesses which is very disappointing. I hope that this may jolt interest from those amongst you who may be able to assist.

Spring Foodfest Returns to Thoresby Courtyard

One of the highlights of Nottinghamshire's Easter celebrations is Spring FoodFest, which will take place at Thoresby Courtyard near Ollerton on 28th and 29th March 2015.

Now in its seventh year, the event is a celebration of local food, highlighting small artisan businesses, with a retail Food Fair, a Kitchen Theatre offering demonstrations by Nottinghamshire chefs, and there's even an Easter Egg Hunt for children.

"We're delighted be back at Thoresby", said organiser Alison Lowe of Nottingham-based Adelanta Events. "We have some terrific stalls lined up for the event; some of our favourite regulars and a few new companies too. The majority of the stallholders are from Nottinghamshire and South Yorkshire, with some coming from the neighbouring counties too. We work hard to make sure that we have a good balance of stalls selling a variety of high-quality foods.

As the FoodFest takes place the week before Easter, we hope that visitors will see it as an opportunity to stock up for their Easter feast!"

Admission to the FoodFest is free, as is on-site parking at Thoresby Courtyard. The FoodFest runs from 10 till 4 daily.

DUKERIES Singers

Jan Towler
Your Local Choir

Our rehearsals are well attended although more tenors and basses would be most welcome, and to celebrate a burgeoning Spring Season, we are rising to the challenge of learning lots of new music.

We always begin our sessions with a scales warm up for the voice, but now we have a body warm up too. We are fortunate enough to have a Yoga expert among our Altos (where else) and she is advising us on posture, body control and breathing. We are loving it and it will enhance our professionalism. However, some of us have been perfecting slumping for decades both standing and sitting, so much practise may be needed!

Our upcoming engagements are:

Sunday 26 April 2015

A Celebration for St. George's Day, at St. Giles' Church Ollerton at 3-00pm

Friday 8 May 2015

A joint concert with Nottinghamshire Recorder Group at Laxton Church at 7-30pm Tickets at £5.00 will be available for this event.

Wednesday 13 May 2015

A concert at Eakring Church (W.I.) at 7-00pm

Saturday 16 May 2015

A joint concert with Millhouse Green Male Voice Choir, (Penistone,) in the Dukeries Academy Concert Hall at 7-00pm. The previous joint concert with this choir was an absolute cracker. Tickets at £7-00 will be available for this event.

If you would like to book us for your celebration or fund raising event, contact Phil on 01623 822070

We do hope you will be able to come and see us at one of our performances, in our new and improved state! The singing is pretty good too. A happy Spring from us all.

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271
