

Warsop & District News

February 2015

Love is all around...

Vandalism in Church Warsop

The area looks much better after the volunteers hard worked.

Volunteers working together to repair the damage.

A group of teenagers have been gathering there for a few weeks drinking and smoking in the dug outs, also damaging all the fence plinths and setting fires etc.

A team of volunteers spent two days clearing up the mess, another example of the community coming together.

The vandals have been identified and letters from the Police have gone out to their parents.

State of the Art Care Home opens its doors this month in Spion Kop

The Woodland Care Home provides specialist care facilities, a purpose built care home with themed living areas that encourage social interaction and evoke happy memories, designed exclusively to enhance the quality of life in the elderly and those living with dementia.

Our aim at Woodlands is to ensure our services meet the needs and preferences of the individual. Our objective is to encourage families and friends to be a part of the ongoing care plan, involving them as much as they wish in daily activities or simply enjoying a meal with their loved one with the aim of creating meaningful visits with a positive outcome for all parties involved.

The Woodlands is owned by Carisbrooke Health Care Ltd, the proprietor Mr R Sohawon RGN, RMN, and Zahra Sohawon, Occupational Therapist, who both have extensive experience in the social care sector, work very closely with the teams of staff to ensure that the homes are safe and friendly for all service users, their families and friends.

At the Woodlands we want to carry on that ethos and want the residents to make the Woodlands an extension to their family life, working together to live well.

We feel that meeting the emotional, social and physical needs of the service users in a secure, relaxed and homely atmosphere within a residential setting is of upmost importance. We treat our residents as individuals with their own specific needs and desires, using a person centred approach to achieve a holistic plan of care, taking account of their own skills and abilities.

At the Woodlands, we aim to promote and support as much interaction with the local community as possible and to enable service users to be part of the activities within the locality as far as they can. We also aim to provide a high standard of personal care and services which are flexible and monitored.

In providing care for our service users we aim to:

- Provide a dedicated staff team, to include a Registered Manager that is well trained, supervised and motivated to deliver person and relationship-centred practice and leadership.
- Provide accommodation which is comfortable, safe, secure and properly maintained.
- Encourage service users, their families and representatives to participate in planning their care delivery so that service users lead as full and fulfilled a life as possible.
- Ensure that service users' privacy, dignity, choice, independence, equality and human rights are respected at all times and incorporated into their care planning.

For more information please call: 07754606405 and ask about our FREE transfer with ease package.

Warsop Parish Council have announced a nil increase to their precept 2015/16

Editor's Letter

Well the weather outside is frightful!
Rain, wind and so cold Brrr!!

I've been ill yet again with this horrible virus that's going around and it seems like everyone you talk to has had it, got it and struggling to get over it. Let's hope spring comes quickly so we can all recover.

This month it's Valentine's day, for all you romantic couples and out there have a lovely time whatever you do.

We have a new charity shop open on Church Street, next door to The Plough Inn supporting Hetty's (see article), a new carpet shop on Sherwood Street (formerly The Shu Box) and a new photography shop opening soon at the top of Sherwood Street.

It's good news that the Meden Sports Complex has re-opened and Meden School is getting a face-lift.

See you next month.

Editor, Tania Barlow

warsopnews@yahoo.co.uk

Promote Your Business by Advertising in Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide (eg. monthly advertising cost for an 8.5 x 4cm = £24.00)
For in-house designed artwork please add £1 per column cm (eg. for an 8.5cm x 4cm Ad add £4 - this is a one off charge for the design or re-design of your Ad)

Size	Cost	Artwork
¼ page	£95.00	£5.00
½ page	£170.00	£10.00
Full page	£290.00	FREE

With rates like these you can't afford not to!
To book your space or for further details contact:

LEAFLET DELIVERY

We could also deliver your leaflets along with Warsop & District News at very competitive rates to help you reach the people who count.
Please call for more details.

GARDENING MONTHLY...

General tasks and garden maintenance

Continue to dig over existing beds and borders, again incorporating as much organic matter as you can. Forking over not only helps prepare the soil for spring, it helps reduce pests by exposing them to hungry birds.

Although temperatures should start to rise this month, there is still a risk of frost and even snow. Protect vulnerable plants, pots and taps from frost by wrapping insulation such as garden fleece around them and check pots and containers are raised off the ground if possible. Tender trees and shrubs will thank you for a generous application of dry mulch to protect their roots from freezing conditions.

Once the ground isn't frozen, make new beds and borders - mark the shape with sand trickled from a bottle, remove the top layer of growing vegetation and dig the ground over, incorporating as much organic matter as possible. If you are making a bed in the lawn, remove the turf and stack it upside down somewhere out of the way - after a year or two it will rot down into fantastic compost. Alternatively chop it up and bury upside down in the planting hole a good spade's depth down. Beware - if you just dig it in the buried grass will regrow and regrow and regrow and...

Remember not to let leaves accumulate around alpines - they will die if left damp for long. Cover bare patches around clumps with gritty compost to encourage regrowth.

When the weather allows, carry on clearing paths, check walls (but avoid concreting until there is no chance of frost), clean and insulate greenhouses and ensure heaters are working properly. Even a little insulation will make a huge difference to your heating bill.

Clean and repair your garden tools, book the lawn mower in for a service and check garden furniture for any rot. When it is warm enough, treat sheds, fences and trellis with wood preservative; brushes and rollers are fine for most things, however a sprayer is well worth buying for tricky projects such as woven panels!

WARSOP Footpath & Countryside Group

As the days get longer we can start looking forward to early signs of spring in the countryside. Look out for hazel catkins, yellow aconite flowers, the white blooms of snowdrops and the blue of violets.

Later this month, the croaking of frogs may indicate their return to their mating sites. If the Little Egrets have decided to stay around for a third winter, they should be seen on the Hills and Holes until the end of March.

A fish pass is being constructed to replace the weir at Stone Bridge. The aim is to increase the fish population by allowing them to move more freely up and down the river. It will be constructed from natural stone with studded tiles to enable eels to move upstream. This scheme is part of the plan to improve the quality of the River Idle catchment under the Water Framework Directive. Even if you have doubts about the value of this type of scheme, few people would deny that the water quality of the River Meden has improved since the days when the mills at Pleasley Vale and the pits were operating. This is another step towards increasing the biodiversity along the river.

The Boxing Day snowfall highlighted the importance of hedgerow management in keeping footpaths clear over winter. The 'blackthorn tunnel' on the path between Stonebridge Lane and Warsop Vale collapsed under the weight of snow and ice and this section is now more open since we had to remove many of the overhanging branches. Similar problems blocked the footpath running north from the railway bridge at Meden Vale but our efforts with saws and loppers ensured that it is clear again. Much of our winter work involves maintaining hedges, trying to keep a balance between ensuring paths remaining accessible, providing food and shelter for birds, and keeping them visually attractive. We are becoming increasingly concerned that a lack of volunteers will prevent us from continuing to complete our work along Warsop's footpaths. Please get in touch if you can help us in any way.

We are fortunate that we do not yet have a major problem with Japanese knotweed in Warsop although there are at least four local sites that have the potential to spread and cause serious damage. The new Anti-social Behaviour, Crime and Policing Act 2014 includes powers to enforce the control of invasive species including Japanese knotweed. Japanese knotweed can grow through tarmac and can cause structural damage to property, whilst giant hogweed can cause harm to human health. Individuals, businesses or organisations have a legal responsibility to prevent certain invasive non-native plants or injurious weeds on their premises spreading into the wild. A community protection notice can now be used to require someone to control or prevent the growth of Japanese knotweed or other plants that are capable of causing serious problems to communities. Local councils and the police will have the power to issue these notices. Additionally, the Nottinghamshire Biodiversity Action Group continues to monitor non-native invasive species and can offer advice on their control.

The next Footpaths Group walk will be on Saturday 21st February. We will meet at the library at 10am for a walk around the countryside. Get in touch if you are interested in joining us.

Get Active!

With the Warsop Activity club

We are looking for local people who would like to become more active to get involved in developing a new club for the Warsop Parish. Called the Warsop Activity Club (at the moment) the idea is to develop a number of opportunities for people to get together to take part in regular, fun, affordable sessions to improve their health and well being.

Anyone from 5 to 105 is welcome to attend and sessions will cater for all abilities, interests and levels of fitness.

Proposed sessions may include:

- Biking - using local cycle paths and off-road routes across the district
- Walking - whether you like a walk around the Carrs or a ramble in Derbyshire
- Climbing - using the mobile wall and trips out to local sites
- Dance classes - from old time to modern, beginners to experts
- Archery - improve your skills and concentration in this challenging and rewarding sport
- KMX'ing, scooters and BMX'ing - all aimed at increasing your health and stamina, whilst having a laugh at the same time
- Fishing - with training and guidance for new members and the chance to compete in matches
- Snooker / pool - with beginners welcome
- Racket sports - tennis, squash and badminton
- Bowling - for both young and old
- Swimming - including starter lessons (for all ages)

There are many more proposed sessions and activities being developed all the time. What this new club will offer is the chance to get together regularly at a variety of times that suit you, with like minded people to take part in activities that will help improve your health. Many of us talk ourselves out of activities that we know will do us good; we are too tired, have no one to go with or we can't afford it. Together we can provide the friendship and motivation to be active and the 'buying power' to make it more affordable.

Too many people would agree that they are not as fit or as healthy as they would like to be; many of our children and young people are not active enough. The results of this are increasing levels of illness, social isolation and, in some cases, depression. For many people regular exercises (at whatever level suits them) can provide a fun way to feel fitter, happier and more connected to others.

In order to make this club a success we need people to get involved. We want local people to be involved in setting up, running and supporting the club. This will be through voluntary roles and will happen at times to suit those taking part. You will be supported throughout and training and advice will be given. If you feel that you would like to contribute to establishing a club that will help improve your health and well being, as well as positively contributing to your community, please get in touch. It is also a great way to improve your own CV and confidence.

We shall be holding an open session at Longden Terrace on Saturday 7th February from 12pm till 3pm. There will be an opportunity to try some of the activities on offer as well learning about how you can get involved. Refreshments will be available. This FREE event is open to children and adults and everyone is welcome. At 2pm we will have a presentation about how we can create an activities club that we can all be proud of; one that will make a real difference to everyone living locally. It's time to get Warsop moving!

For more details call Kev Keegan on 07590 849286, email office@5media.info or visit [Facebook.com/longdenterrace](https://www.facebook.com/longdenterrace)

Infotech Open Day

Infotech Open Day on 16th December was a great success with over 20 people attending. Many did not know that we were based in the Town hall or the wide range of courses and equipment that users of our facility can access.

All attendees of the open day were given a guided tour of our facility showing the four new Windows 7 Computers in the IT suite and the new server which was purchased with funding received from Coalfields Regeneration Trust.

Software for the new website which we hope to have up and running early in February was also on display.

Students who have been on the introduction to using a digital camera course put on an exhibition of some of their work

There was a 2 stage selection process to select the best photograph from each students photos by Town hall staff Christine Wilson and Amanda Cooper. There were 100 entries and after some consideration Christine and Amanda chose the ones, that in their opinion were the best, to go through to the final 20. The final judging was done by Councillor John Kerr who selected the three winning photographs pictured below.

In first place was this photo of Jug & Glass at Langwith taken by Steven Foster who won a small luxury hamper.

The 2nd Place Photograph was Optical Light taken by Amanda Brazier winning a bottle of wine.

The 3rd place photograph was Tulips taken by Christopher Johnson winning a box of chocolates.

CHAIRMAN'S COLUMN

Role of The Councils

Often people get in touch with the council asking for advice, information, help and assistance. Occasionally, residents visit the town hall and require a specific service and sometimes are disgruntled when the Parish Council cannot deliver. This is because there is often confusion over the roles of the different councils. Residents in Warsop Parish have the benefit of belonging to three councils who all provide services in the area. Below is a brief overview of the kinds of services offered by each:

Nottinghamshire County Council, Cllr J Allin.

The county council provides services such as Education (schools), Social Services, Care Homes and Leisure and Tourism. The county council also manage the network of roads, street lighting, libraries and public transport. They also work closely with the police and fire authorities.

Mansfield District Council, Cllrs P Crawford, J Kerr, A Wetton and L Wright.

The district council provide various services such as: Refuse Collection and Housing Support. The district council are also the planning authority which means they decide on any proposed planning applications for new developments or amendments to existing developments. The district council also collect the council taxes on behalf of all relevant authorities. In addition, they also support certain services such as leisure and tourism and regeneration.

The Parish Council of Warsop

The main remit of the Parish Council is to be the first tier of local government. We ensure that all other statutory service providers are fulfilling their duties. We liaise with multiple local groups and organisations to offer support both physically and financially. The Parish Council are often a campaign group to ensure that services remain within the parish. The council through this publication and financial support, also promote local events. We often act as a sign post to other services and will sometime liaise with different organisations on behalf of constituents.

May Elections

Residents in Warsop Parish will be voting in 4 elections this May: The Parliamentary, District Council, District Mayoral and Parish Council. If you would like further information about the elections or would like to stand in them as a councillor, Mansfield District Council are providing information sessions. Here they will share everything you need to know about being a councillor and the processes involved in being elected.

The general information event is on Thursday 5th February at 6pm (no need to book). If considering standing as a district or Mayoral candidate, the information evening is on Thursday 26th February at 6pm.

Cllr Stuart Moody

Chairman, The Parish Council of Warsop.

Warsop Parish Council Meetings for 2015

Members of the public are welcome to all meetings. To be held upstairs in the Council Chamber in Warsop Town Hall at 6.30pm.

BIG WARSOP

Supporting Local People, Community Organisations and Business in the Warsop Parish

BigWarsop have identified a range of accredited training courses that we would like to fund, subject to interest and uptake from the local community and businesses. These initial courses could enable:

- People to improve skills and confidence, enabling them to apply and return to work, or, to support increased community organisation activity. Whilst not exclusively available to those seeking employment or improving their employment options, where there is a significant uptake, places will be prioritised for the free places.
- Community Organisations, for example 2nd Warsop Scouts, could send multiple members to help their organisation and at no cost to the community organisation.
- Local Businesses may wish to support their employees in improving their development, for a minor contribution toward the course.

All courses will be held locally

i.e. Warsop, Warsop Vale, Church Warsop and Meden vale.

Final location, dates and availability will depend on the interest shown in participating on the courses.

To register your interest pop into Warsop Town Hall, call: 07704793081 email: office@bigwarsop.co.uk.

If there are other courses that would really help you, your community group or local business, please make contact so we can register the need/interest and consider in our plan for next year.

@BigWarsop we have begun the development for the delivery plan for 2015/16

But really need your input, ideas and support on delivering the plan, please contact us on

07704793081

Current accredited courses being considered include:

- First Aid @ Work
- Health & Safety in Work Place Level 2 - 1 * 6hrs
- Manual Handling
- Fire Awareness
- First Aid @ Work - 3 * 6hrs
- Basic Paediatric First Aid - 1 * 6hrs
- Ofsted Approved Paediatric First Aid Ideal for Sure Start Centres, Nurseries & Other Child Care Providers - 2 * 6hrs
- Basic food Hygiene Online - 1 * 4hrs

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

Our activities for the first few months of 2015 will include investigations in the southern part of Birklands and celebrating the 800th anniversary of Magna Carta.

We have already completed one group walk around the forest and, unless bad weather gets in our way, we should be out in the Forest on Saturday February 14th checking whether banks and depressions revealed by our LiDAR survey could be connected to a site named as Prestwich, or Priest's enclosure, on maps and perambulation accounts from between the 13th and 18th centuries. We will be recording the size and position on the earthworks and looking for other signs of activity, for example fire-cracked pebbles. Get in touch in you would like to join us or if you have any information which may help our research.

Our Magna Carta events will focus on the local connections to King John. He held lands in Nottinghamshire and was a visitor to the royal palace at Clipstone both before and after he became King. On 2nd May, we plan to walk through Clipstone Park from the Parliament Oak to King John's Palace. Over the weekend of 9th and 10th May the re-enactors of Regia Anglorum will be returning to Sherwood Pines to tell the stories of the last years of King John's reign. More details of how to join us for these events will be available soon.

Our annual guided walk to Thynghowe marking the 1816 Perambulation of the Lordship of Warsop will be held on Saturday 25th April.

Finally two requests. Does anybody know the origins and purpose of the small underground brick structures between the site of the Russian Log Cabin and the Black Pool in Birklands? Secondly, does anyone know of a photograph of the forestry fire tower that for many years was a landmark in the woodlands near Warsop Windmill?

If you would like information about how to join us for any of our events or have questions or comments please contact us on thynghowe@warsopweb.co.uk

For more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website:

www.thynghowe.org.uk
www.facebook.com/Thynghowe

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/paintopendays/>

limestone news

update from Limestone House, Creswell
 for Education and Training - plus

A Nearly New Shop
 A Heritage Centre
 A 2nd hand Book Shop

A free on-line Computer Suite
 A Genealogy Club
 A Wildlife Group

A Sound & Multi Media Studio
 A Coffee Shop

 The Elmton and Creswell Village Company is working for the regeneration of the Community and the locality at Limestone House and Limestone Studio, Creswell

COME AND VISIT US.....YOU WILL BE RECEIVE A WARM WELCOME.

Warsop Inner Wheel

President Terry Newton opened this month's meeting at the Hostess Restaurant Sookholme by wishing everyone a happy and healthy New Year.

Our guest speaker was Paddy Holden, pictured above with President Terry, who's talk was entitled 'The 25th Child'. Paddy spoke to us about the challenges and heartaches of her daughter Mary's life. Mary was born with Cerebral Palsy and almost blind. Thanks to the dedication and determination of her parents, and the help of many friends and neighbours Mary now lives a mainly independent life. This was a very emotional talk which left us all with much to think about.

The usual business meeting was then held. Members were thanked by President Terry for all their hard work at the Christmas Coffee morning and Christine Fretwell and Sue Pasierb were praised for leading the Christmas Flower Arranging Workshop.

Julia Wright, Club Correspondant

I trust that by now you have all recovered from the awful coughs and colds that so many people seem to have suffered from and that you are back - as is the Choir - in fine voice. Lift your spirits even further with singing. We would especially like more tenors and basses to join us.

May I remind all Choir members and potential ones that rehearsals resume after our winter break on Wednesday 4th February 2015.

For any new or prospective members, we meet at the Dukeries Academy in Ollerton in the refreshment bar upstairs, above the Concert Hall. We meet every Wednesday 7-30pm-9-30pm. Access is via the Leisure Centre entrance and car park. Go through the archway and use the foyer entrance to the Concert Hall and go up the stairs.

We already have a variety of bookings including a Wedding (love singing for Weddings,) Concerts, and joint concerts with Newstead Abbey Singers, Millhouse Green Male Voice Choir and Southwell Recorder Group.

However, we have lots of dates available if you would like to book us for your fund raising or celebratory "do." Phil, our Concert Secretary on 01623 822070 would be delighted to hear from you.

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

Man fined for offloading waste to fly-tipper

A man has been ordered to pay a fine and costs totalling £230 for failing to check that the person removing his waste was a licensed waste carrier.

Thomas Jones, formerly of 84 West Hill Drive, Mansfield was ordered by magistrates to pay a fine of £110, plus legal costs of £58.52, clear up costs of £41.48 and a victim surcharge of £20.

He was ordered to pay the fine at a rate of £5 per week with the first payment due within 28 days.

Council officers began an investigation last May after bags of waste were deposited on Oakfield Lane, Warsop. The bags included household waste, a pair of white trainers and a Ryanair boarding pass and receipt addressed to Mr Thomas Jones.

Mr Jones said that a man had knocked on his door offering to remove the waste for £20. Having agreed to the transaction, Mr Jones did not make any checks to ensure that the person was a licensed waste carrier. Portfolio Holder for Public Protection, Cllr Mick Barton said: "Once again we find someone failing to take reasonable measures to make sure their waste is transferred via an authorised person, with the result that the waste is fly-tipped. All householders have a duty of care under the Environmental Protection Act 1990 to make sure that anyone removing waste from their premises is licensed to do so. Do not just take their word for it - get proof. If you have any doubts, call the Council on 01623 463463 or the Environment Agency on 08708 506506."

New rules on allergens in food

Mansfield District Council is reminding food businesses in the district that new rules have come into force, which will affect the way they have to provide allergen information to their customers.

Food allergies can cause life threatening reactions and the numbers of people with this condition is increasing. The primary cause of food allergy deaths in the UK is due to allergic reactions when food is eaten outside the home where allergenic ingredients have not been declared.

The new rules mean that food businesses must inform their customers if any of 14 allergenic ingredients are present in the food they make or serve. This can be communicated in writing on menus, labels, or verbally through explanations by staff.

Food allergies affect approximately two million people in the UK. People can have reactions to very small amounts of food, such as a single peanut, or even an egg glaze used to brush over pies.

Portfolio Holder for Public Protection Cllr Mick Barton said: "All food businesses within the district must supply clear and accurate information on allergens to their customers to help them avoid potentially harmful ingredients in their food. If you need any help or advice on the new regulations, please contact the Council's Food Health and Safety Team."

The Council is working with Nottinghamshire County Council Trading Standards and the Food Standards Agency to help businesses adapt and comply with the new food allergy rules.

Advice and guidance is available from the Food Standards Agency from their website www.food.gov.uk/allergy

MDC's Food Health and Safety Team can be contacted on 01623 463189 or via the MDC website www.mansfield.gov.uk.

Warsop Police Update

PCSO Dee Eyre 7297

The beat team hopes you had a great time welcoming in the New Year. January usually sees low temperatures, snow and chaos on the roads, see how you can best prepare yourself for the roads this winter and drive responsibly.

What better way to start 2015 than with some winter driving advice!

BE PREPARED

Check your lights and brakes are working effectively, including the handbrake and the fog lamps.

Make sure the tread of your tyres is of the legal depth and the rubber of your windscreen wipers is adequate to clear your windows. Ensure your heaters are working and you have added antifreeze to your radiator and windscreen washers.

Keep a window scraper and bottle of de-icer in your car. You may also want to have a bottle of water, boots, coat and a blanket in the boot just in case you get stuck in the snow.

Check the forecast for the day. The morning trip to work might be clear skies and frost, but the changeable British weather means those clouds can roll in and the next thing you know you're driving home in snow. Be ready for all eventualities.

BE SAFE

Always wait for your windscreen to clear before setting off. Leave plenty of time for your journey so you can take it easy on your trip. Leave ample room between you and the vehicle in front to allow for wet, slippery surfaces.

The days are darker and shorter, so use your lights where appropriate. Be aware that the speed of other vehicles is harder to judge in the dark.

If in doubt, don't go out. If the journey is not essential then leave it for a day when the conditions are better.

BE SECURE

Always leave your vehicle locked and remove any items of value. On those frosty mornings don't leave your car running while you nip in for the kettle to defrost your windscreen. It's only takes a moment for a thief to jump in and drive off.

BE VIGILANT

Don't ignore bad behaviours on our roads.

Report careless or drink drivers to police or call Crimestoppers anonymously on 0800 555 111.

ASB SURGERIES at Warsop Town Hall

Come and discuss your Anti-Social Behaviour issues with us.

Beth's Wonderland Winner

Local playwright, Beth Steel wins the Evening Standard Award for Most Promising Playwright 2014, following her critically acclaimed 'Wonderland' at Hampstead this year.

Born and raised in a mining village in Nottinghamshire, Beth left school at sixteen. She didn't go to university but moved to Greece with her sister for five years where they opened, and subsequently sold, a clothes shop, before moving to London at twenty-one to work as a waitress. At which time she began writing.

The winners of the 60th Evening Standard Awards were announced on 29 November 2014 followed by a glittering, star-studded awards evening presented by comedian's Steve Coogan and Rob Brydon at the London Palladium. The awards, which were broadcast on London Live, celebrated the best of British theatre.

Marking the thirtieth anniversary of the Miners' Strike, Beth Steel's epic drama presented the full sweep of the turbulent events that transformed the country – from the corridors of Westminster, to pitched battles with the police, to the coal faces of Nottinghamshire.

Set in the Midlands in 1984, *Wonderland* entwines the story of two young lads initiated into the close camaraderie of sweat, toil, collapsing roofs, explosions and bawdy humour, with the machinations of the politicians and businessmen who will decide their fate.

The play opened at the Hampstead Theatre, London, on June 20th and ran till July 26th. *Wonderland* was directed by Hampstead Theatre's Artistic Director Edward Hall and was live-streamed for free in association with The Guardian to over 10,000 people on the final night.

Wonderland was Steel's first major play to be produced on the London stage following her writing debut *Ditch* in the Old Vic Tunnels.

The play was also a finalist for the international Susan Smith Blackburn Prize 2014 for best new play in the English language by a female playwright.

Says Beth, "The Evening Standard Awards was a magical evening to end a magical year."

MILL DAM UPDATE BY FRIENDS OF THE CARRS

On 3rd December, a group of members waded through the water and formed a chain to carry plants to the island.

We returned to the island on the 7th December to plant a few more plants but mainly to do a litter pick.

It is amazing how much litter had built up over the years and been buried as the silt increased the width of the land. We also found the shells from fresh water muscles

All of the litter was carried to the car park and taken off site by members of the Friends of Carrs.

Photograph by Roy Beré

Mansfield District Council
Creating a District where People can Succeed

Cabinet sets out budget proposals

Mansfield District Council's Cabinet set out its budget proposals yesterday (12 January 2015) for delivering a balanced budget and a Council Tax freeze in 2015/16.

Cabinet's recommendations will now be considered by Full Council on 21 January when the budget will be finally set.

The Council needed to find £3m-worth of savings and Cabinet, Select Commission 3 and officers have been working hard to put together proposals to deliver a balanced budget. The shortfall is mainly due to the continued reduction in Government grants, on-going reduction in income from property lettings due to the economic climate and low interest rates from investments.

The budget and proposed capital programme are designed to meet the Council's priorities while also minimising the impact on residents, the quality and quantity of services and staff.

The majority of savings were found through the Council's Change 2 review of existing services and structures and additional income sources. This not only achieves the savings target but also allows a Council Tax freeze for the fifth year in a row. The Council would receive a £59,000 Council Tax freeze grant from the Government to support this.

No increase is proposed in the majority of fees and charges including car parking and brown bin garden waste collections.

At this stage there are no proposed developments of service requiring additional budgetary resources for 2015/2016 onwards, however work is ongoing in the following:

- £70,000 for further site investigations and the potential submission of a planning application for a new leisure facility to replace Meden Sports Centre, Warsop. This is subject to negotiations being completed with Nottinghamshire County Council and Meden School over the site location and work being done to identify funding options.
- The setting up of a housing company to build new homes within the district.

The budget also makes provision for the Council's four-year capital programme, which includes the acquisition of commercial properties to generate additional revenue income and money set aside to undertake works at the Civic Centre to release space for commercial letting to generate income.

Cllr Roger Sutcliffe, Portfolio Holder for Resources and Deputy Mayor, said: "This budget has been set at a time when there are very serious reductions in Government funding to the Council. However, it can be seen that with careful management and new initiatives, the effects of the Government cuts will not really be felt by the public as we continue to support the frontline services and maintain our corporate priorities."

Children plant tree to mark park's centenary

Schoolchildren helped conservation group members to plant a tree at Mansfield's Titchfield Park to commemorate 100 years since the park was given to Mansfield District Council.

The holm oak tree was given to the Maun Conservation Group thanks to a Greenwood Community Tree Planting Grant.

Four children from King Edward Primary School planted the tree with help from members of the Council's parks team and the conservation group.

The land has been used since 1880 as a recreational area by the public, and was formerly known as Nottingham Road Pleasure Grounds or The Water Meadows.

In 1914, the park was renamed Titchfield Park to mark the coming of age of the Duke of Portland's son, the Marquis of Titchfield.

At this time, the Duke of Portland, the former landowner, gave the park to The Mansfield Corporation, now known as Mansfield District Council. Cllr Philip Shields, Portfolio Holder for the Environment, said: "We are fortunate to have very active and committed Friends groups across the District who play a vital role working alongside our Parks staff to improve our parks and to secure funding for improvements. This new tree from the Greenwood Community Forest will further enhance the park by making it more attractive, providing shade and improving biodiversity."

Thinking of standing for election?

Mansfield District Council is holding a number of briefing sessions for prospective candidates and election agents in preparation for the elections taking place in May this year.

Thursday 7 May 2015 will see Mansfield residents voting in four elections: Parliamentary, Mansfield District Council Mayoral and District elections and Warsop Parish Council elections.

Candidates and agents are invited to come along to the following sessions in the Civic Centre Council Chamber, Chesterfield Road South, Mansfield.

Everything you wanted to know about being a District Councillor or Executive Mayor

Thursday 5 February, 6pm
Everyone welcome. No need to pre-book.

An essential guide to elections

Nominations, election expenses, polling and counting arrangements and more

Monday 23 February, 6pm (Parliamentary election only)

Thursday 26 February, 6pm (District/Mayoral and Parish elections only)

Managing Director and Returning Officer for Mansfield District Council, Ruth Marlow said:

"These informative sessions will tell you everything you need to know about standing for election, the electoral process and what is involved in being a District Councillor or Executive Mayor. I thoroughly recommend them to prospective candidates."

To book your place on An essential guide to elections call Electoral Services on 01623 463345.

Meden Vale

Registered Charity
No. 1115359

The Future

The 21st meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 11 November 2014.

8 members of the Committee were present and 1 Representative from Mansfield Pay Forum plus a local Councillor who only attended the main meeting. Two apologies were received.

The AGM was held prior to the main meeting. All elected Officers of the Charity agreed to continue in their current positions and the meeting unanimously agreed. The Audited Accounts for the year ending 31 July 2014 were approved. The AGM was then closed.

The Caretaker reported that since the Welfare closed we now require our own waste wheelie bins. Enquiries are to be made regarding this. The defects in the interior Village Hall lighting have been repaired however, the electrician reported that the units are obsolete and replacement fluorescent tubes are expensive. It was agreed that a quote be obtained to replace these with more modern fittings. The solar panel installation for the Village Hall has not progressed and it was agreed that this would be followed up at the next Welbeck Colliery the Future meeting.

The closure of the Welfare has prompted a visit to the Welfare grounds by the Mayor and a Property Developer. It was reported that following the visit, plans were being prepared to develop the site which would include new premises for the Rugby and Bowls Clubs plus a new car park to the rear of the Village Hall. These works would be funded by the Developer as part of the regeneration of the site. It was also suggested that additional monies maybe available to fund better exterior lighting to the Village Hall, block paving to the rear and side of the Village Hall and repositioning of the Village Hall boundary fence.

The next meeting of Welbeck Colliery the Future is scheduled for 17 December 2014. A visit to the Biogas plant at Bawtry was organised, the local residents who participated were all impressed by the cleanliness, lack of odour, technical competence and safety systems. It was agreed that a letter expressing support of the Biogas Plant planning application be sent to the Case Officer at Bassetlaw District Council. In addition it was reported that a firm which produces wood chips and pellets is interested in coming to the Colliery site.

The Treasurer reported that the Accounts were satisfactory and that additional bookings have continued since the closure of the Welfare.

**Next meeting will be on
Tuesday 27 January, 2015 at 7.30 pm.
All welcome.**

Please contact the Secretary, Kay Walker on
01623 844282 for further information.

Mayor Candidate Meets Former Stalwarts

The Labour candidate, Martin Lee, who will be standing for Mayor in May this year, meets two former stalwarts of the district council at Warsop Age Concern Christmas Dinner.

THE ROTARY CLUB
of Warsop, Shirebrook & District

On behalf of President Steve Lunn of the Rotary Club of Warsop Shirebrook and District, we would like to thank everyone who has supported us over the past 12 months and we wish you all good health and best wishes for 2015.

Throughout the past year we have, like many other organisations, been raising money to give to community projects in the Warsop and Shirebrook areas.

In December, members of the club organised Santa's Grottos in Mansfield Woodhouse at Morrisons Supermarket, NISA Store at Warsop and on Shirebrook Market for the Christmas Fayre. Our thanks go to the respective management teams at all three locations for their help and support.

A total of £650 was raised, even though the weather was not conducive to young children queuing to see Santa and his helpers.

I would also like to mention that our Christmas Prize Draw which started in 1987, this year managed to reach the £100,000 mark for local charities since its inception.

The club will continue to put on a varied programme of events to raise money to help our local charities. Anyone wishing to learn more about our club or who may be interested in joining, can go to our website at www.warsop-rotary.org.uk

Rotary gift of £2000 to Park Road School Shirebrook

The Rotary Club of Warsop Shirebrook and District being fully aware of the area being hardpressed since the closure of the mines, have for three years been looking to obtain funding to help the school in their attempt to obtain a full set of books for their library.

The club have managed to raise £1000 together with a matching £1000 grant from the Rotary International District Grants Committee.

The monies will ensure the library will be fully stocked, and there will be now many new and exiting books to assist the children in their reading and nurture their love of books.

David Adsetts, Rotary Club of Warsop Shirebrook and District and Chair of Youth Committee, Presented the cheque to Assistant Head Teacher Mrs Mills, pictured above, who said, "The school is most grateful to receive the money. It will be used for the purchase of books for a brand new reading scheme to encourage the children to get enthusiastic about reading these exciting books."

However, despite the fact that the school is in an area which has suffered from the after effects of pit closures, the staff and pupils still managed to get an OUTSTANDING AWARD following a recent visit by OFSTED inspectors.

Steve Garner
Press Officer Rotary Club of Warsop Shirebrook and District.

It's all About That Bass

Local Rock/Metal band, Liberator, are looking for a bass guitarist, experience required, must have their own gear and preferably own transport too, if you're interested then please get in touch with us.

Liberator, who were formed in November 2014, are influenced by bands such as Iron Maiden, Black Sabbath, Slipknot, Testament, Judas Priest, Manowar and many more.

They have written 7 songs so far, and plans are under way to record a demo album which will form the basis of their 2015 tour once the demo has been released.

Check out the bands facebook band page for more information which includes videos of their songs.

They can also be found on youtube, search for Iain Burnham channel visit www.facebook.com/bandliberator

After 7 years and 1 month Mrs Diane Dellor retired from her MDS role at Eastlands junior school, she was presented with flowers and a card which all the children had signed. Sophie, Emily and Head Teacher, Mrs S Gibbons presented Mrs Diane Dellor with her flowers.

Jolly Christmas Entertainment at Sycamores & Poplars

Residents at Sycamores & Poplars Care Home enjoyed a jolly Christmas and New Year this year with the home alive with festive decorations and an activity programme to match!

Residents enjoyed carol singing by children from our local school and the local church choir, making cards, decorations and baking, to name a few. Residents also enjoyed Karaoke by residents and staff, live entertainment from Neil Timothy and a visit from Santa and his helpers with gifts on Christmas day.

Mansfield District Council
Creating a District where People can Succeed

Meden Sports Centre re-opened in January

Meden Sports Centre in Warsop re-open in time for the new school term in January after essential repairs were carried out to address fire safety concerns.

The sports hall, multi-purpose room and the fitness gym all re-open on Monday 5 January followed by the swimming pool on Wednesday 7 January. Work to install new windows in the gym and new showers continued until 12 January.

Mansfield District Council and Mansfield District Leisure Trust, which manages the facilities on behalf of the council, apologised for any inconvenience that customers may have experience as a result.

Mansfield District Council and Nottinghamshire County Council took the joint decision to close the sports centre with immediate effect at the end of August.

Work started immediately which allowed the sports hall and multi-purpose room to re-open in September for both school and community use. A temporary gym was set up in the Meden School and was open to the community in the evenings and on Saturday mornings.

Contractor Robert Woodhead Ltd, of Edwinstowe, started work in October on the second phase of work, which included improvements such as new ceilings, showers, carpets and the redecoration of reception areas and changing rooms.

During the closure, Meden membership payments were frozen and members could use Mansfield District Leisure Trust's four other leisure centres.

Cllr Philip Shields, Portfolio Holder for the Environment at Mansfield District Council, said: "We appreciate how important this facility is to the residents of Warsop and the surrounding area and are pleased that the centre re-open as planned for the new school term. We are very sorry for the inconvenience caused by the closure but the safety of customers and staff is always our top priority. We thank customers for their patience."

Brian Taylor, Chairman of Mansfield District Leisure Trust, said: "Having worked hard with Meden School during the works, we managed to find temporary facilities and also accommodate local residents and members at our other centres in the District during this time, but are pleased the centre has now re-open."

Awards galore for Council in 2014

Mansfield District Council is celebrating a bumper year for awards and accreditations in 2014.

Mansfield bus station scooped the Royal Institution of Chartered Surveyors' (RICS) prestigious national Community Benefit award at the Savoy Hotel in London, having beaten eleven other regional finalists from across the country.

The Council's new town centre gateway building Queen's Place also won the Local Authority Building Control's (LABC) Best Small Commercial Building regional award for the East Midlands.

The Parks department bloomed again with a silver gilt medal in the City category of East Midlands in Bloom and Green Flag awards for King George V, Carr Bank, Titchfield, Peafield and Yeoman Hill parks. In addition, the Council picked up a GeoPlace Exemplar award for Best Address Data in the East Midlands. These awards celebrate excellence in the way that address and street information is delivered across local government.

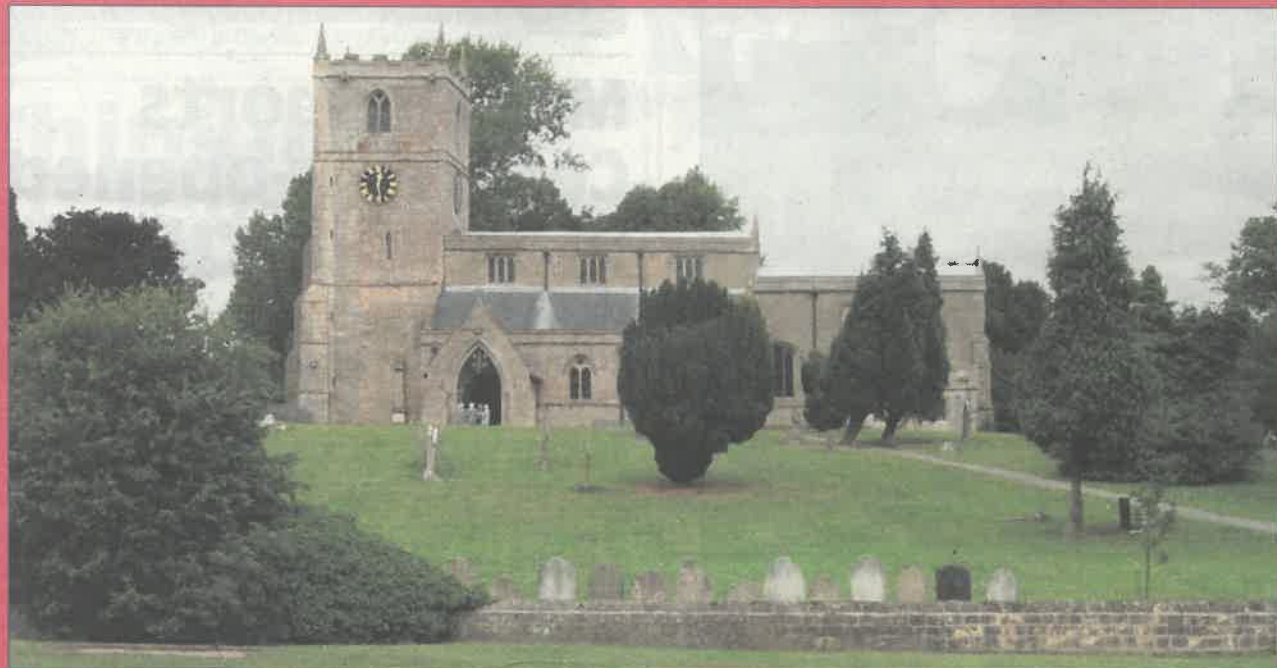

Earlier in the year, MDC became the first local authority in the country to be awarded Tenant Scrutiny accreditation, which is a national benchmark for quality in the delivery of housing services.

Other accreditations achieved in 2014 include the Investors in Best Practice Charter Award for the Neighbourhood Wardens and the Living Wage Employer Accreditation, which ensures that all staff working for the Council will receive a minimum hourly wage of £7.65.

The year finished on a high note with the news that Mansfield had been awarded the coveted Purple Flag status, which recognises excellence in the management of town centres at night. The town also made it onto the shortlist of the Great British High Street Awards in the market town category.

Executive Mayor Tony Egginton said: "We are very proud of our achievements in 2014 and the recognition we have received from a range of award bodies. This is testament to the hard work and dedication of Council staff, who are always seeking to drive up standards and improve services for the people of Mansfield."

Pre-payment plan available.

A family business offering to the bereaved a complete, courteous and personal 24 hour service.

Call: 01623 842455 Day or Night

Thank You Letters.

Gladys Sanders

10.07.1924 - 18.12.2014

To everyone who attended our mother's funeral on the 8th January 2015, thank you it was very comforting to know so many people cared enough to spend this day with us.

Special thanks to Mr. Townroe for his efficient but thoughtful attention to detail and Pat Brewin for the service and attending mum's committal at Warsop cemetery the following day. Also thanks to Carol and the ladies at the Tudor Barn for the food.

We are especially pleased to say we raised £266 in donations in lieu of flowers for the Alzheimers Society for which they were most grateful.

Mum will be terribly missed by us all.

Shirley, Wendy, Barbara, Paul, David and Marc Sanders
