

New Luxury Purpose Built Care Home

The Woodlands Care Home at Spion Kop Opens January 2015

Carisbrooke Health Care Ltd are pleased to announce the opening of their new luxury development.

Our purpose built care home is designed specifically to enhance the quality of life in the elderly, themed living areas such as a coffee bar, old fashioned corner shop, cinema, sensory room, library and Wi-Fi are there to encourage social interaction and evoke happy memories.

At the Woodlands we want to ensure you have that home from home feel that reflects your preferences, with warm and inviting living areas and spacious en-suite bedrooms equipped with TV, Wi-Fi and telephone point.

We consider these essentials for community living and with the added opportunity to enjoy the well-appointed landscaped gardens, residents can socialise, reminisce, exercise safely and carry out fun and engaging activities.

We provide specialist person-centred dementia care, putting activities at the heart of our care. Our team of specialists include our 'Dementia Champion' who has attended an extensive Alzheimer's programme to ensure we deliver simple, meaningful and inclusive therapy which provides specific support and guidance that you and your family may need through your journey.

Additional support for our residents includes:

Our 'Diabetes Champion' is on hand to help provide support, helping sufferers to live well.

Our 'Action on Hearing Loss Champion' is here to help whenever you need advice and support.

Our 'Older Men's Champion' will support our gentlemen to live more healthy, active and fulfilling lives.

Our 'Nutrition and Hydration Champions' will ensure you are offered a daily menu that reflects your preference. In addition meals and drinks are nutritionally balanced for your dietary needs helping you to maintain a healthy life style.

We also offer transfer packages to help make moving easier.

Longden Terrace Christmas Cracker

Longden Terrace Club recently held a couple of events including a Christmas Fayre that was attended by 350 people and a Members' Evening with 85 attendees.

The Christmas Fayre included indoor and outdoor stalls from local charities, groups and businesses displaying a wide variety of Christmas gift ideas whilst promoting their cause.

To keep the younger children entertained, there were some traditional fairground rides and Derbyshire County Council's Climbing Wall for those brave enough to rise to the challenge!

Singers from Lifespring Church, Ollerton sang a selection of favourite Christmas Carols to get us in the festive mood.

Project Lead for Longden Terrace, Kev Keegan said, 'I was really impressed how many people supported this event and came along to join us. With there being no Warsop Christmas Market this year it was an opportunity for local people to get together to celebrate and the night was a great success. I'd also really like to

thank Warsop Parish Council who have part-funded the night. It is great to have their support.'

On Saturday 6th December Longden Terrace held its annual Members' Christmas Party. Guests enjoyed bingo, music, raffle and a buffet.

The nights are part of a series of events to promote Longden Terrace to the wider community whilst discussing plans for the proposed new community building, due to open sometime next year. Local people are invited to take part in a survey expressing their views and letting Longden Terrace know how, and when, they would access the new space and what they feel should be included in it.

To take part in the survey you can visit www.surveymonkey.com/s/LongdenTerracePublicSurvey or follow the links on facebook.com/longdenterrace.

Printed versions of the survey are available from local shops, the Town Hall, Longden Terrace and various other outlets.

Once the surveys have been completed they can be returned to Longden Terrace or to the Town Hall. The survey process will run until 30th January 2015.

Kev Keegan added, 'It is an exciting time for Warsop Parish with new homes being developed and a number of proposed community buildings being built. It is important that we all get community buildings that meet our needs. Somewhere that we can learn, socialise and celebrate; places that can function for whole families and are open at times that they need them. I hope people will get involved and share their thoughts and ideas with us.'

Editor's Letter

I'M BACK and the guest editor has gone back to his day job... But I've had to let him carry on with the front page banner to stop him sulking.

Have you all missed me? The answer better be yes or I will go off sulking!

Winter is certainly here and I am hoping for a sprinkling of snow. I hope you all had a good Christmas and wish you all the best for the New Year. It's that time of year again for New Year resolutions and breaking them a few days later! All the diet books and keep fit DVDs are out we just have to buy them and have a look then order the pizza, get a glass of wine and get comfy on the settee! And not forgetting to finish those chocolates from Christmas.

GARDENING MONTHLY...

Damage limitation and garden maintenance

When the weather allows, carry on clearing paths of moss and leaves.

After heavy snowfall, gently brush snow off conifers and hedges to stop the weight forcing them apart. If you have a chance, pack the branches of tender trees and shrubs with straw and secure with fleece to protect them from the cold; thick dry mulches will also protect roots from freezing conditions.

If you haven't already done this, lay old carpeting or something similar over cold frames to protect them and check the insulation in greenhouses and that heaters are working properly.

Clean and repair your garden tools, book the lawn mower in for a service and check garden furniture for any rot. When it is warm enough to brave the elements, treat sheds, fences and trellis with wood preservative; brushes and rollers are fine for most things, however a sprayer is well worth buying for tricky projects such as woven panels!

When soil conditions allow, continue to dig over beds and borders, incorporating as much organic matter as you can. Forking over not only helps prepare the soil for next year, it helps reduce pests by exposing them to hungry birds.

Weeds - sadly many will survive the cold weather so once the soil is workable, hoe away before they leap into action in the spring.

Take care not to let leaves accumulate around alpine - they will die if left damp for long. Cover bare patches around clumps with gritty compost to encourage regrowth.

FULLY INSURED • CITY & GUILDS CERTIFICATE • 15 YEARS EXPERIENCE

WARSOP Footpath & Countryside Group

As I look forward to 2015 it is also an opportunity to look back at some of my personal wildlife highlights from the past year.

During the year, I resolved to keep a more detailed record of events and sighting that I noted on my walks around Warsop parish and it has been fascinating to look back through these online records on warsopcountryside.wordpress.com.

After many years I have finally seen a Dingy Skipper butterfly. I spotted one on the Hills and Holes last May although I suspect that I must have previously seen one but I had not identified it as they are rather undistinguished brown creatures! It seemed to be a good year for butterflies as I also recorded sixteen other species around Warsop.

I also identified three species of dragonfly, helped by the photographs I had taken. 2014 was the first year that I routinely carried a camera on my walks and it definitely helped with identifying the wildlife I had seen, although I hate to think how much time I spent looking at the field guides and the internet when I got home!

I continue to be frustrated by my lack of bird identification skills but a few sightings have given me a lot of pleasure. Last winter Little Egrets were regular visitors to Sookholme Brook and I was pleased to note that one has returned this November. In February, I came across Parrot Crossbills near Budby Pumping station and I have finally managed to take a photograph of a Kingfisher on a branch over the River Meden, usually I just see a flash of blue as they dart by.

It was not a brilliant year for orchids although I have seen Early Purple, Common Spotted, Fragrant, Bee and Pyramidal Orchids around the parish and I think I also saw a Marsh Orchid for the first time. The wildflower meadow area of The Carrs is becoming established with over thirty flower species being recorded. One plant that I am pleased to see declining is Himalayan Balsam which is becoming much sparser along Sookholme Brook following intensive management over the last couple of years although this invasive species continues to be a threat along the River Meden.

Our annual survey has revealed that a Water Vole population is still present along the Meden between Stone Bridge and the Mill Dam. I failed to actually see a Water Vole this year but I am grateful to everybody who told me about their sightings, usually a couple of minutes before I arrived!

Possibly my best wildlife photograph of 2014 recorded a close encounter with a Brown Hare. Closer to home, I am pleased to see a hedgehog occasionally visits my garden but continues to ignore the attractions of my hedgehog house!

There were a few wildlife disappointments during the year. These include the loss of the area of Meadowsweet on The Carrs Local Nature Reserve due to the dumping of silt removed from the Mill Dam, the damage to Water Vole habitats alongside the river at the end of Wood Street as a result of building work, the wildflower areas that did not receive their annual mowing and the loss of the pair of swans from the mill pond.

We should continue to be grateful that we live in such a varied and wildlife-rich area and we can look forward to enjoying whatever 2015 brings to our countryside. However, we should not take things for granted as several of our special habitats need ongoing management and many species continue to be under threat.

The first Footpaths Group walk of 2015 will be on Saturday 17th January. We will meet at the library at 10am for a walk around the Warsop countryside. Get in touch if you are interested in joining us for this walk.

BIG WARSOP

These last few months have been busy for Big Warsop in delivering aspects of the plan and reviewing some of the ways in which the partnership is run.

Doing things

The highlight of the year and of recent activity was the Warsop Carnival, described by many as the best ever. It was a real opportunity for over 6000 people to come together and celebrate, for over 20 stall holders to share what they do and gain precious funds (some said they had raised over £600) and recruit volunteers and for Big Warsop to be acknowledged as a force for good in the local area. A lot of volunteer time goes into organising and running this, including from members of the partnership board.

Over the summer, Warsop Youth Club has drawn on development funds from Big Warsop to develop the detail of the plan to develop and sustain the Aspire Centre community hub. Funding has been agreed for Welbeck Allotments to purchase two poly-tunnels and for a regular work club to take place. The next round of the community chest in partnership with Rotary is underway.

An excellent story of listen – action – change was published on the website from a recent recipient, Birklands Gardening Club, to provide a greenhouse for young people at an after school club. It has been hard to build interest to date in activity requiring more sizable grants, called the Hopper in the plan. We also ran a successful social media workshop and Fund Fayre during autumn.

The third current priority is on influencing the statutory sector. Led by the chair, Big Warsop fed into the consultation on closures of fire stations and the report was widely praised. It contributed to the successful campaign to keep Warsop fire station operational. It also showed other Big Local areas what role they can play in influencing statutory services for the wider good of the community.

Running things

The partnership has continued to meet over the summer months, with much of its energies and attention going into the carnival. The Chief Executive of Local Trust, Debbie Ladds, recently commended the partnership on its ambition and achievements in helping make Warsop an even better place to live. In the last three months, the partnership has also gained approval from Local Trust to extend the timeframe of the existing plan to February 2015, with no additional activities or spend anticipated.

Looking ahead

In addition to progress on delivery, the coming three months will see a review process to inform the next plan in February 2015. This is starting with drawing out of current stats to identify trends and changes since the first profile, followed by a survey to gain impressions and indications about what should continue in the plan and what should change. The working model proposed is one based on continuity, with 80% continuing and 20% being new.

We really need your engagement, ideas and support, to help the partnership board deliver against your priorities and make a real difference in the parish. To get more involved or hear more please contact us @

CHAIRMAN'S COLUMN

Netherfield Ward By-election

Thank you to those who turned out to vote. A 27% turnout may not seem high, but considering the short timescale of the position, it was higher than expected.

My congratulations go to the newly elected Cllr Lesley Wright and I look forward to working with her in her new role.

Looking Ahead...

2015 will be a busy year. In May, the General, District and Parish Council elections will be contested. Whatever the outcome, difficult decisions will have to be made as local councils continue to balance the books and off set increasing central government cuts. At the forefront of the Parish Council's mind will be the progression of the Neighbourhood Plan. This project really gained ground in 2014 and will hopefully come to fruition next year. Neighbourhood working will be crucial in future years as more and more power is devolved down from central government.

If you have considered being a councillor, Mansfield District Council are running information evenings. Please visit their website for further details. From a Parish Council's point of view - it is worth noting that all Parish Councillors are volunteers - often people think you are paid for the role - nothing could be further from the truth!

Warsop Pantomime

Loyal fans of this community event would have unfortunately been disappointed this year that the planned showing of Dick Whittington did not go ahead. Sadly, there wasn't enough cast to fulfil the roles. The Market Warsop Players hope to stage the show during the Christmas period 2015. If you would like to be involved (new cast members are certainly needed) then please get in touch.

Volunteer Organised Events

Many of the events that take place in Warsop are often organised by a steadfast group of volunteers and councillors. The carnival, the pantomime, the poppy team events to name but a few. Another event that is run by volunteers is the annual Christmas market. Sadly, there simply was not enough volunteers to go around and the event that has grown to include: road closures, fairground rides and music stages as of recent years, simply could not go ahead. Therefore, the Parish Council were only too pleased to support through funding, the efforts of 5Media and the Longden Terrace club with their Christmas Fayre. The event was very successful, although still met with the usual grumbles from some residents - perhaps those that do grumble would volunteer for future events and share their expertise to ensure all events are grumble free.

I would like to end by wishing all residents of Warsop District and readers of this paper a very successful, happy and healthy 2015.

Cllr Stuart Moody

Chairman, The Parish Council of Warsop.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

Our first event of 2015 will be a walk around southern Birklands on Saturday 10th January. We hope to enhance our understanding of this woodland landscape as we attempt to locate features mentioned in the accounts of perambulations of the Forest from between the 13th and 18th centuries. Please get in touch if you are interested in joining us.

On the following Friday another rhododendron bash is scheduled. We will be assisting the Forestry Commission with the control of the invasive plant to slow its spread into sensitive parts of the woodlands. Rhododendrons were introduced into the Forest as part of the ornamental planting in the around the Russian Hut, a hunting lodge erected by the Duke of Portland during the 1880s. Any offers of help will be appreciated.

If you watched the episode of Channels 4's Walking Through History last November when Tony Robinson visited King John's Palace at Clipstone and Warsop's Parliament Oak you may wish to join us on the first weekend of next May. We plan to mark the octocentenary of the Magna Carta by walking from the Parliament Oak through Clipstone Park to the palace site at King's Clipstone. On the following weekend our Magna Carta celebrations will continue with the return of the re-enactors of Regia Anglorum to Sherwood Pines for another Spring Thing. More details will be available nearer the time.

Congratulations to the team who recently gained funding from the People's Millions for King John's Palace. The money will help improve access to the palace site, allow school visits, provide interpretation, support a series of community archaeological digs and fund a range of community events. Thanks to everyone who voted by phone to support the bid. At one time this was one of the largest palace complexes in the country and its history deserves to be shared more widely.

If you would like information about how to join us for any of our events or have questions or comments please contact us on thynghowe@warsopweb.co.uk

For more information about Thynghowe and how to join in our activities check out the Thynghowe Facebook page or visit our website:

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

Welbeck Welfare FC

Welbeck Welfare FC is based at Elkesley Road, Meden Vale and will celebrate forty year's existence in 2015. I was cofounder of the football club and with great reluctance I currently hold two of the top three positions: Chairman and General Secretary.

The football club currently has 150 youngsters - both boys and girls - playing on Saturdays and Sundays at various age groups ranging from under 7s to under 15s, it also has a men's team playing at senior football.

It is hoped through current recruitment through the local schools to have at least three more boys' teams and an extra girl's team as well as an additional men's team all playing under the clubs name next season.

The club is always seeking to extend its horizons and to increase in size so it is always looking for keen local youngsters to join the club. It always has a need for local adults to come on board as volunteers with a view to becoming team managers or just match play helpers.

We became an FA charter standard club in 2000 - being one of the first in the country to achieve this distinction. We currently hold community club status and are one of only ten football clubs in Nottinghamshire to have obtained that award.

This has enabled us to be successful in obtaining almost £450,000 worth of funding from the Football Foundation, Nottinghamshire County Council and Mansfield District Council for our new changing rooms which opened three years ago. And more recently ensured that sufficient provision through security and spectator fencing enabled the club's senior team to progress through the grading levels of the 'football pyramid'.

Paramount now on the club's wish list will be for floodlights to be installed on our main pitch and for an all-purpose 4G floodlit pitch to be installed to give all of our teams instant access to all weather training adjacent to its home base in Meden Vale. This may have to be acquired through private funding with the assistance of local businesses.

The club would ideally like to finance the employment of a part time or full time grounds person to ensure that the entire football facility is maintained to the required level that is expected.

There has to be an improvement off the field of play also.

If the club is to move on, it needs new blood and I want to call time on my 24/7 involvement with the football club in the spring. I don't want to walk away completely but feel that I have done my duty by steering the club to the point that it has the new facilities it has always craved.

The growth of the club, both on and off the field, always has to be maintained and I believe now is the time for that role to be passed onto a younger person who is just as enthusiastic and persevering as I was all those years ago.

I cannot carry on forever - that is obvious. The lifeblood of the club is the community and the next generation of players and club officials must come from that - this is a natural progression and cannot be manufactured.

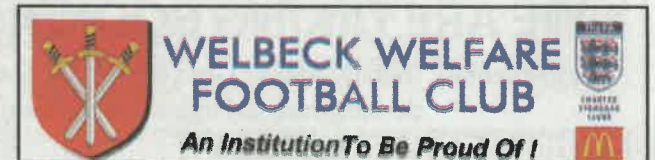

From its humble beginnings the club has set down deep roots and it is well respected and appreciated. The respect that the club draws will help it retain its identity both near and far. I am very proud and supportive of the work that all of our managers, assistants and club officials carry out - all of them are fully committed to the football club. I will welcome with open arms anyone who wants to come into the club and work alongside them.

I also hope that the youngsters of the area will come to Welbeck Welfare Football Club to play locally. I will sign off by advising that I can be contacted at 3 Clumber Court, Warsop and would be willing to talk to all comers who would like to be involved with the football club and work alongside our current group of volunteers. Or, if they fancy a bigger challenge, to lead the club forwards. It also goes without saying that the club would welcome investment to enable it to provide sustainability and improvement of its facilities and its football team.

I can also be contacted on 07791155891 or at grahamhall@warsopng20.fsnet.co.uk.

I don't intend moving to any other football club - Welbeck Welfare FC is and always has been, the only one for me.

Education in Preparation for Climate Change

On Monday, 17th November, a group of about fifty people met at the Tudor Barn, to learn about Transition, a movement which is spreading across the UK and other countries.

It seeks to find ways for communities to cope with climate change and the depletion of natural resources such as oil. Totnes was the first place in Great Britain to form a group. The aim is to work with the local situation, and to develop community co-operation so that the population become more resilient.

Some groups have developed community gardens or allotments, to enable people to grow food for their families or to share with neighbours and friends. Transport, local shopping facilities and job availability are other causes for concern, and so is carbon emission which needs to be brought under control everywhere. In some towns there are schemes for exchanging goods and/or skills, and car-share schemes. There are also transition churches, whose congregations have worked to make their buildings as eco friendly as possible by having better insulation, thereby requiring less heating. Some church grounds now encourage wildlife by including unmown areas with wild flowers to attract insects, and by providing nesting boxes for birds. There are business premises and school buildings which have done this too.

At the Warsop meeting there were representatives of numerous organisations, and Church Vale Primary School's Deputy Head Teacher, Mr Trenowden explained about the exhibition of work done by his pupils. It consisted of pictures and writing which showed how the children felt about coping with little or no oil.

We then split into small groups to look at a particular topic, such as transport, food, leisure and employment in our area. It was suggested that more people grow fruit and vegetables or shop locally for these. Concerns were expressed about the recent cuts in bus services, and the serious effect this has on outlying communities at Warsop Vale and Meden Vale. The leisure group felt that the Carrs could be improved by providing facilities for use by families, and it was hoped that the recently planted orchard will be allowed to flourish.

We need to learn from the past by looking at how people used to cope when they were less dependent on oil and electricity. Maybe older skills could be redeveloped and passed on to younger people, so that fewer ready made items are required.

The meeting was chaired by Keith Hebden, who is Southwell and Nottingham Diocese Environmental and Social Justice Spokesperson. Angela Fletcher, our Rector introduced him, and said how pleasing it was to see such a large number of people attending.

There are websites where you can learn about Transition. Try some of these if you want to know more:

www.transitionnetwork.org

www.transitiontowntotnes.org

www.transitionchesterfield.org.uk

www.transitionsherwood.org.uk

Another interesting website is:

www.incredible-edible-todmorden.co.uk

This explains how people in a small Yorkshire town have transformed vacant plots into growing spaces to produce food to share freely amongst the townsfolk

There will soon be further meetings of Warsop in Transition, and if you are interested in joining in, do please come along. We hope to create a positive response to a serious situation, but to make it an enriching experience which should enable us to work co-operatively across the generations. Look out for further news in the coming months.

If you have any queries, you may phone Peter on 844720, or Jill on 844289.

Mansfield celebrates its sporting heroes

Mansfield celebrated another great year for sport at the 2014 Sports Recognition Awards on Monday night (8 December).

The annual ceremony, organised by Mansfield District Council in association with The Armchair Club, the Chad and supported by the Schools Advisory Service, recognised the District's sporting greats, including the best teams, coaches, volunteers, sportsmen and sportswomen. The guest speaker was Bryan Steel, former Olympic silver and bronze medal winning cyclist.

Staged at the John Fretwell Sporting Complex, Sookholme, the awards attracted a record 57 nominations across 11 categories.

There were also two additional awards; the Mayor's Special Achievement Award, which recognises the work of an individual in promoting sport within the District and the Ian Bagshaw Memorial Award in memory of Water Meadows manager Ian Bagshaw, who lost his life to leukaemia in May this year, aged 57.

The winners are:

Coach of the year

Glenn Smith (swimming)

Glenn had another outstanding year in 2014, coaching Ollie Hynd to his first Commonwealth Games Gold Medal in the SM8 200m Individual Medley in Glasgow and helping him to retain his European title at the IPC European championships. Glenn also coached Charlotte Henshaw, who retained her number one world ranking for the Women's SB6 100m Breaststroke. Glenn is a senior coach for the British Swimming and UK Sport 'Para to Rio' coaching hub.

Volunteer of the Year

Bob Truswell (rugby)

Bob set up the Tag Academy at Mansfield Rugby club, which educates coaches and parents and creates links with local schools. He is a tireless club volunteer, who has been at the forefront of setting up a structured and skills focused coaching environment and encouraging more parents to get involved.

Junior Sportsperson of the Year Under 15

Lisette Westwater (martial arts)

2014 has been a phenomenal year for Lisette. Selected for the Great Britain Martial Arts team, she was crowned world champion at the WUMA (World United Martial Arts Federation) world championships in Geneva. Lisette trains in disciplines such as Karate, Tae Kwon Do, Sparring Weapons and Leadership and is aiming to compete in the Olympics.

Junior Sportsperson of the Year 15 to 17 years

Beth Mortiboy (athletics)

Beth has had a great season, becoming the Under 20 Women's Midland triple jump champion with a jump of 11m 55cm. She also finished 6th in the English Schools competition.

Junior Disabled Sportsperson of the Year

Ben Foulston (swimming)

Ben has had a successful season being a multi medallist in the junior DSE championships, qualifying for senior finals at the ASA Youth championships and taking bronze in the MC 100m Freestyle event at the Sainsbury's School Games in September. He has also been selected for the Para-World Class Podium Potential Programme.

The Mayor's Special Achievement Award

Maureen Arnold (swimming)

Maureen has represented her country at both swimming and athletics. In 1954, she came sixth in the final of the 110 yards backstroke the British Empire games (Commonwealth games) in Canada. She went on to become a swimming teacher and coached numerous national and international swimmers, including all three Adlington girls. Maureen was also a formidable discus thrower and represented Great Britain in 1962. Now aged 80, she still teaches swimming and attends her local gym.

Junior Sportsleader of the year

Matthew Hall (The Manor Academy)

Matthew has been engaged in Sports Leadership at a district level for two years. Through the Mansfield Leadership Academy, he has become a mentor and participant of the Football Specific programme. He has also been selected to represent the district as a member of the Youth Advisory Group with the Nottinghamshire FA. His commitment and involvement have always been outstanding.

Junior team of the year

Samworth Church Academy Year 8 football team

Samworth Church Academy won the County Schools Year 8 championship and the Mansfield District cup in the same season. Their success is due to the commitment, hard work and team spirit shown both in training and on match days.

Team of the year

Sherwood Colliery Swimming Club

The club achieved back to back Premier Division championship wins in the Nottinghamshire Sports Centre League. They have also booked a place in the East Midlands Premier Division Regional B Final of the country's most prestigious competition, the National Arena swimming league. In addition, the squad has won three senior champion titles in a variety of competitions.

Club of the year

Mansfield Rugby Union Football Club

A true amateur side competing in semi-professional leagues, the club has been a beacon for community sport. The club plays in the Midlands One (East) league, which places it in the top 150 out of almost 2,000 clubs in the country. It has also successfully created a Tag Rugby Academy for under 7s and under 8s, as well as a girls' team for under 13s.

Disabled Sportsperson of the Year

Oliver Hynd (swimming)

Another outstanding year for Ollie, who is now the holder of all four major championship titles (Paralympic, World, European and Commonwealth) in the SM8 200m Individual Medley. He retained his IPC European title in Eindhoven, where he also took the Gold Medal in the S8 400m Freestyle, as well as the Relay Silver Medal in the 34 point Men's 4x100m Medley team.

Sportsperson of the year

Stephen Lisgo (athletics)

Stephen competed for Scotland at the Commonwealth Games in the 3,000m steeplechase, finishing eighth. His achievements also include a win at a European Permit Invitational meeting in Belgium and selection as a travelling reserve for GB at the European Team competition held in Germany. Unlike his peers, who benefit from sponsorship, Stephen has to work full-time.

Ian Bagshaw Memorial Award

Maureen Shaw (swimming)

Maureen has worked tirelessly both for the Nova Centurion Club and the Mansfield Swimming Club, which she currently chairs. She communicates well at all levels and is highly motivated. She is one of Mansfield's unsung heroes.

Cllr Philip Shields, Portfolio Holder for the Environment at Mansfield District Council, said: "These awards demonstrate yet again the amazing sporting talent we have in the district. Our sportsmen and sportswomen are competing on a local, national and international level, putting Mansfield on the map. We should be extremely proud of our athletes, teams, coaches and volunteers, who have made 2014 such an incredible year."

Mansfield Market needs your vote

Mansfield Market has been nominated in the KPR Midlink Great British Market Awards in the Britain's Favourite Market category and needs shoppers and traders to vote online.

The Britain's Favourite Market Award is one of 13 awards available, but is the only category which is decided online by the people who visit and trade on markets.

To show your support for Mansfield Market, visit www.facebook.com/loveyourlocalmarket select 'Britain's Favourite Market' at the top of the page. Click 'Vote' and scroll down the page until you find the photograph of Mansfield Market. Click on the photo and vote.

Councillor Kate Allsop, Portfolio Holder for Regeneration said: "Mansfield Market has been supporting the national Love Your Local Market campaign for the past few years and we are pleased to be part of these awards."

"We're very proud of Mansfield Market and this competition gives us an opportunity to demonstrate that. Please take the time to vote for Mansfield Market."

Six months until International Clean Up Mansfield Day

Mansfield District Council's award-winning International Clean Up Mansfield Day will take place on Friday 12 June 2015.

The day is about bringing communities together to improve the environment that we live and work in.

Last year, more than 45 groups across three continents took part in the second International Clean Up Mansfield Day in April, when volunteers, from toddlers to people in their 80s collected more than 306 bags of rubbish.

Groups in Connecticut, Pennsylvania, Missouri and Ohio in the USA and Victoria in Australia also took part.

The rubbish collected in the Mansfield District was stacked in the Market Place at the end of the event to show how much of a problem littering is. All those who took part in the event were presented with a certificate and awards were given to the winners of the best clean up initiatives.

You can sign up to help make the 2015 event even more successful. There are lots of different ways to be involved, such as sponsoring an award, creating a window display, planting flowers and trees, environmental educational activities or litter picks.

Portfolio Holder for the Environment, Cllr Philip Shields said: "This global and national award-winning event gives our communities the chance to show that we really care about the place where we live. I want as many people and organisations as possible to get involved and help to make Mansfield a litter free zone. Sign up now and join us in our efforts to make Mansfield one of the cleanest places on the planet."

If you can't take part on the day but want to run an event around the same time you can still register it as part of International Clean Up Mansfield Day.

To register, visit www.mansfield.gov.uk/cleanup

You can like our Facebook page at www.facebook.com/cleanupmansfield to keep up to date with the latest news and to share your own activities and photos.

For further information, contact Nicola Harvey, Recycling and Technical Officer on 01623 463 818.

Lesley Wright elected to Netherfield ward

Lesley Wright has been elected to the Netherfield ward following a by-election in the Mansfield District.

The by-election was called following the death of Councillor Derek Evans earlier this year.

Voters in the Netherfield ward took to the polls on 4th December 2014 to choose their ward councillor. The turnout for the by-election was 27.23% (out of an electorate of 2,235).

The results are as follows:

Karen Rachel Mary Seymour, 29 votes
Trade Unionists and Socialists Against Cuts

Sid Walker, 225 votes
UK Independence Party (UKIP)

Lesley Sarah Wright, 347 votes (elected)
The Labour Party Candidate

Five ballot papers were rejected as they were spoilt, unmarked or void for uncertainty.

Man fined for failing to dispose of waste legally

A man has been fined a total of £578.58 for failing to check that the person removing his waste was a licensed waste carrier.

Alan Heenan from Bancroft Lane, Mansfield was ordered by magistrates to pay a fine of £280, plus legal costs of £270.58 and a victim's surcharge of £28.

Mansfield District Council officers began an investigation last June after receiving a complaint from a member of the public that bags of waste had been found fly-tipped on waste ground on Sheepbridge Lane in Mansfield.

Approximately 20 bags of mixed domestic waste and waste car parts were removed from the site and evidence was found linking the waste to Mr Alan Heenan.

Mr Heenan said that he had paid a man £20 in cash to get rid of his business waste, but did not make any checks to ensure that the person was a registered waste carrier. He believed that the waste was being taken for proper disposal, but did not get a receipt.

Appearing in court, Mr Heenan pleaded guilty to one offence of failing to take all reasonable measures to ensure that the waste was transferred to an authorised person under the Environmental Protection Act 1990.

Portfolio Holder for Public Protection, Cllr Mick Barton said: "Mr Heenan did not deal with his waste responsibly with the result that the waste was fly-tipped. This case demonstrates how everyone has a statutory responsibility to ensure that anyone removing waste from their property is licensed to do so. Fly-tipping is a significant problem in the Mansfield District and we are determined to use the courts to crack down on offenders."

"If anyone says they are licensed to take your rubbish away, please do not take their word for it. Check their details thoroughly and if you are in any doubt, call the Council on 01623 463463."

Christmas bin collections

During Christmas and New Year 2014/15 there will be changes to some bin collections in Mansfield District.

Green and blue bins (household waste and recycling bins)

Changes will only affect households whose usual collection date would fall on Christmas Day (Thursday), Boxing Day (Friday) and New Year's Day (Thursday).

A sticker has been placed on these bins only, detailing the revised collection days. If there is not a sticker on an affected bin, residents should contact 01623 463 463.

Please note: collections that are due to take place on Friday 2 January 2015 will go ahead as normal.

Brown bins (garden waste bins)

During December, January and February, the usual fortnightly Garden Waste Collection Service (brown bin) will be monthly.

The paid sticker on brown bins provides details of the winter collection dates. If a bin does not have a paid sticker, it will not be emptied. If it has fallen off, residents should contact 01623 463 463.

Warsop Police Update

PCSO Dee Eyre 7297

Your local police team would like to wish everyone a happy new year, and hope you had an enjoyable Christmas.

There have been several allotment thefts over recent weeks including livestock. Please may we urge you to check your sheds/outbuilding regularly and report any breaks/thefts to us on 101. Please ensure your sheds are securely locked with a good quality padlock and alarmed where possible. If you have power tools and garden equipment and are able to take them home for the winter please do so, this may prevent a theft occurring.

The nights are now at their longest so please remain vigilant even during daytime hours, burglaries don't just happen at night. Keep doors locked even when you are at home. If you do go out leave a light on. If you are lucky enough to be going away tell your neighbours so they can keep an eye on your property, and wherever possible leave a key with someone.

The beat team have motorcycle nuisance as a priority at the moment, the area which is being targeted and damaged is Wood Lane, Church Warsop, William Wood Farm, Warsop Vale and surrounding areas. The land is currently having major work done to create a nice place to walk and enjoy the beautiful countryside and wildlife which we are lucky enough to have access to. We need to stop the motorbikes and quads which are regularly seen in these areas from spoiling the landscape.

WE NEED YOUR HELP!!!!

Please report any motorcycle nuisance to your local beat team on the numbers provided below, provide descriptions of riders/bikes and VRMs where possible.

LET'S PUT A STOP TO IT!!!!

Anti-social-behaviour calls are currently at an all time low, regular patrols are being carried out at the hotspot areas and any large groups are moved on, although the groups we encounter are usually amicable and polite. May we take this opportunity to thank our young people for the respect given to us.

Parents you are doing a good job!

The police have carried out several drug raids over the past few weeks in Warsop, please let us know if you suspect anyone in your area of drug offences.

You can contact your local beat team or ring 101 anonymously or contact crime stoppers 0800555111. You are the eyes and ears of your community, if its suspicious report it.

Movember Mates Raise over £600!

Seven friends From Meden Vale gathered in the Three Lions to raise money for the men's health charity Movember.

Organised by the landlord Rob Smith, the group raised £613.

Despite the discomfort, the friends went onto risk life and limb as Steve Babs, who is a village resident and Warsop barber, used a cut throat razor to trim the whiskers. Thanks to Guff, Johnny Bowley, Jason McNally, Connor Kelly, Big Paul Sear and Rob Smith. Jake Herries (weeman) went the extra mile and got his head shaved. Thanks Rob for organising and of course Steve Babs the barber.

WARSOP MENS PROBUS CLUB

The club is a long established luncheon club meeting once a month on a Wednesday at the Parish Centre.

The club has a programme of interesting talks, discussions and the occasional outing. Use is made of the Stable Bar before sitting down to a well prepared and reasonably priced meal.

THE CLUB WELCOMES NEW MEMBERS

If you are interested in becoming a member please telephone:
 John Hosty (Sec) 01623 467590 or Hugh Ashton (Pres) 01623 846748

Pictured left to right are Past President Sue Lunn, District Chairman Rachel Cooper and President Terry Newton.

Warsop Inner Wheel

On 20th November President Terry Newton hosted a Coffee Morning at the John Fretwell Centre to raise money for Inner Wheel charities. It raised over £1600.00!

The money will be split between President Terry's chosen charity The Alzheimers Society and International Officer Christine Fretwell's International charities. The morning was very well attended and District Chairman Rachel is pictured buying an item from the bric a brac stall.

The Christmas meal was held this year at The Lion at Farnsfield. It was an evening enjoyed by all, hosted by President Terry and Vice President Sharon.

Merry Christmas to all our supporters from Warsop Inner Wheel.

 Club Correspondant

Warsop Wives Group

On 11th November members enjoyed a fish and chip supper and played games of bingo. On 24th November some members went by coach to Meadowhall.

We had a very enjoyable day, had lunch and did some festive shopping. Very sadly we received news that another of our members lovely Pat Bonsall had died, she loved our Wives Group and enjoyed our meetings very much.

Our deepest sympathy goes to Mick and her family and also her sister Gillian. We have given a donation to Leukaemia Research in her memory.

On 25th November members held a quiz night, on 2nd December we went to the Hostess Restaurant for a lovely Christmas Lunch.

We wish all readers of Warsop News a very Happy Christmas and a healthy New Year.

2014 marks the 40th Anniversary of St Teresa's Roman Catholic Church in Warsop

St Teresa's Church in Market Warsop is celebrating its 40th
 Anniversary next year and we are seeking support to ensure
 that such an occasion can be marked in a suitable manner.
 We are keen to hear your stories about the building of the
 Church and how it has developed as a centre of the community
 in Warsop over the past 40 years.

If you have any photographs, news articles or simply a story
 to tell we would like to hear from you! Please contact the 40th
 Anniversary Group by one of the following methods:

In writing to: 40th Anniversary Celebration
 St Teresa's RC Church, Ridgeway Terrace, Warsop, NG20 0LX

Your support is greatly appreciated and we look forward to seeing
 you at our celebrations over the course of the year.
 Many thanks for all of your support during 2014 which is our
 anniversary year.

MILL DAM UPDATE BY FRIENDS OF THE CARRS

On 17th November a group of members and supporters waded through the high and fast flowing water. We formed a chain to pass plants, shrubs and tools across to the island.

THE ROYAL BRITISH LEGION

I would like to take this opportunity to wish all of you a very happy new year.

In December we held our annual Christmas Party at South Forest Leisure Centre. We had a lovely meal with a great entertainer.

We also held our annual thank you party to say thank you to members and friends of the branch for their support in 2014. We have some great friends who have helped us throughout the year.

We are starting to plan our 2015 meetings with a guest speaker programme.

Due to holidays we are not having a meeting in January. Our next Branch meeting is on the 9th February 2015 at The Ex-Servicemen's Club, Carr Lane. 7.30pm start.

News update by:

Pete Hopkins – Branch Secretary

Tel: **01623 843944** Email: rblwarsop@gmail.com

Web: www.britishlegion.org.uk/branches/warsop

One member who came without hunters (green willies) was piggy backed across the water such was his enthusiasm to get across to the island. Some grasses, shrubs and other plants were set. The digging on the river side of the island was particularly tough as mixed in with the wood litter ploughed in by the contractor, there was bricks and rubble.

There are the first signs of growth from the seeds scattered in early November and mole mounds are clearly visible. We are informed that there has been moles on the island for many years.

On 27th November, the trees and shrubs donated by the Woodland Trust were set along the hedge row running along the back of the bungalow and pavilion. More will be requested to complete the task. We had to remove dead plants in some areas before we could make progress.

Some members have purchased suitable plants and donated them to the project and others have donated items from their gardens. We are planting natural plants/shrubs that you would expect to grow wild in the area with an emphasis on a variety of coloured foliage.

Some of the funding we received was for the purchase of gardening tools and we have now taken delivery of them.

MDC have now erected a fence round the silt trap to prevent anyone falling in the deeper water. They are hoping to obtain "Green Flag" status for the Carrs and looking to work with FOTC on the projects we wish to take forward.

The next meeting of FOTC will take place on Tuesday 13th January 2015 at 07.30 PM in the function room of the Hare and Hounds. All are welcome to attend. We hope to discuss items that we hope to carry out to further enhance the Carrs.

DUKERIES Singers
 Jan Towler
 Your Local Choir

Now that the festive season has ended and we are all sitting a bit podged and looking at the awful weather, why not cheer the mind and soul by singing.

It's a great cheery activity and we always welcome new members. Come along to a rehearsal and see if you like us and the music that we sing. Men are always particularly welcome.

We do appreciate the depth of their voices so that the higher voices can "sit" on them!! musically speaking. We have a new cosy rehearsal room above the Concert Hall at the Dukeries Academy in Ollerton. Access is by the Leisure Centre entrance and car park.

We are having a rest for January but we rehearse every Wednesday from 7-30pm to 9-30pm beginning on 4th February 2015

We have engagements already for the Spring and into Summer, beginning with a Wedding. (I love singing at Weddings,) and we get to dress up in our posh gear. We scrub up pretty well when necessary!

We also have joint concerts with Millhouse Green Male Voice Choir, with Newstead Abbey Singers and with Southwell Recorder Group. Forget your efforts at primary school, unless you were particularly musically gifted! So we have plenty of variety to look forward to.

We have plenty of dates available if you would like to book us for your fundraising effort or bit of a do. Our Concert Secretary Phil on 01623 822070 would be delighted to hear from you.

The Dukeries Singers wish all our friends, supporters and readers a peaceful and happy 2015

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271
