Medieval Merriment

Warsop Carnival 2015

Join in with the medieval merriment at this year's carnival on 5th July.

The traditional carnival parade is due to leave The Swallows pub at 12 noon, traveling through the streets of Warsop and arriving at the Carrs showground at around 12.45pm

After the parade has reached the Carrs, the fun starts with acts and side shows galore including Kick and Rush, Roger the Puppet Man, The Joker, The Falconry School, Wiggly & Friends (see opposite), Classic Cars and of course everyone's favourite, the Fairground.

For more detailed information about times etc., pick up a copy of the Warsop Carnival Programme which will be available in local shops NOW. Still great value at only £1 per copy and all proceeds go towards funding next year's event.

There will be a full line-up of entertainment in the main arena headlined by the fantastic Knights of Nottingham, whose stunning medieval jousting skills and heart thumping sword swinging will have you cheering for the jousting White Knight or booing the Black Knight. Hear the thunder of the charging forces as the two great Knights battle on the jousting field.

Warsop in Bloom Flower Show will be holding their annual flower show (see page 17 for classes and entry details)

Also don't miss this year's music stage headlined by local acoustic band Ferocious Dog with supporting acts: Ellie Mae Keegan, Mitch Bland, Ben Hayes, Brad Dear and Grant Glue.

Wiggly is coming to the Carnival!

A number of you and your young children will have already met Wiggly at Clumber Street Chapel.

You will know how excited your children are about seeing Wiggly. Wiggly and some of his friends will be coming to the Churches Together Tent sometime between 2 and 3pm. Wiggly would love to see you all!

Throughout the afternoon there will be free activities for children.

There will also be a quiet area available for prayer.

We look forward to seeing you!

Editor's Letter

At last I am better and back in the saddle, its been another couple of stressful months for me but I'm looking forward to going away now I can walk again. Don't think I'll be running any marathons for a while or riding a bike for that matter!!!

Tired of the changable weather, shall I put my winter clothes and my boots away? I think not! I keep looking at the flip flops but they are staying in the wardrobe for now. Bring on the summer!

Nothing positive to report about the shops in Warsop as more and more are closing. It's good that the Gate has opened again and they recently hosted a charity event for the Lee Bonsall Memorial Fund, more about that in next month's paper.

Mike Johnson of Warsop Infotech has recently been awarded one of the Mansfield CVS Volunteer Awards, so well deserved he works tirelessly in Warsop Town Hall with all the courses he puts on. We had a great night at the Fretwell Centre, it is so humbling to see so many people giving up their time to Volunteer.

GARDENING MONTHLY...

General tasks and garden maintenance

Water thoroughly once or twice a week rather than little and often - this encourages plants to put down roots in search of water rather than coming up to the surface. Remember, though, that containers and hanging baskets need watering every day and sometimes even twice a day if it is hot and windy.

For recently planted large shrubs or trees, leave a hose trickling around the base for an hour. The same goes for established plants in very dry periods - pay particular attention to camellias, rhododendrons, azaleas and hydrangeas which will abort next season's flowers if they get too dry. Mulch around the roots when moist to help avoid this. Recently planted hedges are best watered with a trickle hose (a length of old hose punctured with little holes) left running for an hour or so.

Ensure trees or shrubs planted in the last couple of years on lawns or in areas of rough grass have a circle of clear earth around them - this must be kept clear or grass will prevent essential moisture getting through. Mulching with bark or compost will help.

Water is a precious commodity - instigate good practices such as using kitchen and bath water (as long as it is neither too dirty, greasy nor full of detergent) for watering, collect rainwater in butts and investigate ways to recycle water for your irrigation. Avoid using tap water for lime-hating plants such as camellias, rhododendrons and azaleas - they will not thank you for it!

The key to successful planting, whether it be a shrub, tree, perennial or bedding plant is to water in well. Soak the rootball in a bucket until no air bubbles come to the surface, dig the planting hole, fill with water and allow to drain away. Place the plant in the hole, fill with soil, firm gently and water well with a watering can - this will give the plant a huge advantage over one planted with a dry rootball in a dry hole and watered only on the surface.

Hoe beds and borders to get rid of annual weeds, like bitter cress and chickweed. If it's dry, attack perennial weeds like ground elder and the like with systemic weed killer painted onto the leaves and trail tips of bindweed into jam jars full of the same. Remember systemic weed killers are indiscriminate and will kill anything they contact. If you don't have time to do this, at least cut the culprits down to prevent them from setting seed.

Keep your pond topped up with fresh water - a build up of algae in warm weather can be toxic, if not fatal, for animals.

Pests

Pests love warm weather, so be on your guard! Caterpillar and aphid infestations can be dealt with by hand if caught early enough, but should the situation career out of control you will have to resort to insecticides or grin and bear it! Greenfly and blackfly especially love the heat and don't forget aphids and other sap-sucking insects can transmit viruses so don't give in to the sympathy vote. Try to attract beneficial insects by growing a wide variety of plants - ladybirds and their larvae are consummate aphid predators, as are lacewings and even wasps.

Due to falling numbers of customers over the last couple of years and cheaper competition, a decision has had to be taken to close the allotment sales shed.

The shed closed on 30th June.
Everywhere seems to be selling gardening products now and doing '3 for a tenner' etc. we just cannot compete.

The association would like to thank those people who have supported the shed over the years.

WARSOP Footpath & Countryside Group

Warsop's water voles are still around! In late May we completed our annual survey along the banks of River Meden between the Mill Dam and Stone Bridge finding a similar number of sites with evidence of their activity to previous years.

They appear to have territories between the Carrs bridge and the mill pond and upstream from the BMX track on Carr Lane Park. However, there were fewer signs of their activity between River View and the new building development at the end of Wood Street and also downstream from the new fish passage at Stone Bridge. To complete our survey we looked for latrines (sniffing the faeces to ensure they were not rat droppings!), burrows, runs and their 'lawns' where they have chewed the grass.

July is a good month for spotting butterflies. One of our best sites is at Warsop Vale where a walk along the Dukeries Trail through the restored colliery site on a sunny day will usually allow views of several species. It is now 25 years since Warsop Main pit closed and it is good to see how nature has been managed to transform this industrial landscape.

The cool and wet spring weather seems to have encouraged the growth of Cow Parsley, Bracken and Nettles alongside our footpaths and our mowing activities seem to be concentrating on clearing these plants as much as a cutting the grass. We should be giving many of Warsop's paths a second cut this month so you may be able to avoid getting wet legs if you venture out after rain or a heavy dew!

The Himalayan Balsam problem along our waterways is showing some signs of definite improvement. Early checks along Sookholme Brook and the stream from Shirebrook have revealed only two sites where there are more than a few isolated plants. There are also appear to be fewer plants on the riverbanks of the Hills & Holes so far this year.

A Greenfinch was a recent visitor to my bird bath. A few years ago this would have not warranted a comment but over the last ten years their numbers have declined by a third, largely due to trichomonosis, a disease caused by a microscopic parasite. Since then, outbreaks have been seen every year during the late summer and autumn. We can help control the spread of this disease by keeping our bird feeders and bird baths cleaner by washing them once a week. Why not have two feeders and swap them over regularly, dunking the unused one in a bucket of water?

The July Footpaths Group walk will be held on Saturday 11th, a week earlier than our usual date. As part of the Discover King John's Palace project we will be walking from Castle Field in Kings Clipstone to Spa Ponds, starting at 10:30am. On our return to Kings Clipstone there will be the opportunity to join the open day at the palace site where the past of the palace and the current excavations will be explained. Get in touch if you are interested in joining us for this walk of around six miles through Clipstone Park.

Friends of the Carrs

At the AGM held in May existing officers were re-elected. There is a lot of dissatisfaction in the group as there is very little co-operation from MDC. We have had an understanding for some years that matters concerning the Carrs would be discussed with the Group. This no longer happens.

Three volunteers have come forward and have been appointed as water bailiffs by the Group for the Mill Dam and the River Meden. They will do a very important job and we ask that members of the public support them. The fees collected by them for fishing permits will provide funds for the Group as per the agreement with MDC. The Group have the necessary documentation for this but it would appear that MDC are applying to the EA to take over this role. This has not been discussed with the group by MDC

One member of the public watched men netting ducks, killing them and taking them off site. This was close to the bridge. The police and the Environment Agency have been informed and we ask the public to report all such incidents. to them. Will the swans be subject to attack as on other local waters??

The restricted re-stocking of fish that was carried out some months ago did not go unnoticed. Many fish were lost when the boards on the weir were stolen/removed but fishermen have been seen at night in action catching and taking fish off site. This was before the season opened in mid June. The EA have given a phone number to report such events--- 0800 870 60

Members of the Group continue to remove debris from the dam and silt trap. The silt in the trap has built up faster than was thought and MDC will be asked to remove it to prevent a build up in the dam..

Last year we were informed that MDC would apply for Green Flag status for the Carrs and carry out necessary work to achieve this. Some places in Mansfield have already achieved Green Flag status. We now believe that the Carrs will not achieve the required Green Flag status as MDC have insufficient staff to carry out the work necessary for this to happen.

Eastlands join in with Mansfield's big clean up

Children at Eastlands Junior school took part in Mansfield's big clean up day run by MDC, the children were supported by staff at EJS.

International Clean Up Mansfield Day brings our communities together to improve the environment that we live and work in.

There are also 33 Mansfields from around the world to take part in the event and help us make Mansfield the cleanest place on the planet.

Clean Up Mansfield Day took place on 12 June 2015 and the Warsop event was organised by Mrs Bowen and Steve the neighbour hood warden. The children started the day with a joint assembly with Netherfield infant school which was run by Steve. The children litter picked along the white path, Ossington Park and Ossington Close.

The next International Clean Up Mansfield Day will take place on Friday 10 June 2016. Schools, businesses, residents, friends, conservation and community groups are asked to sign up for an activity of your choice that will improve the environment.

If you would like to take part in the day by organising your own activity, then all you need to do is register your details using our online form. For advice on things to consider when arranging your activity, please see the International Clean Up Mansfield Day Guidance Notes at www.mansfield.gov.uk.

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

Jasper's Elvis Tribute

On 31st May 2015 local resident David Jarret (Jasper) took on the challenge to perform a 'one night only' charity tribute to the late, great Elvis Presley.

He performed two 30 minute spots at the Talbot, High Street, Warsop and with sponsorship, raffles and auction he raised over £600.00 for Macmillan Cancer Support and to help the well loved and respected local resident Anita Stoppard, who has recently been diagnosed.

David who is a window cleaner by trade, has never performed professionally and had to learn approximately 16 tracks to be able to fulfil the one hour gig. He showed full commitment to the event, even dyeing his hair black and wearing a full Elvis style white jump suit and sun glasses.

His performance was fantastic and the audience really enjoyed the evening and were in full support of his challenge giving generously to the chosen causes.

Macmillan are a source of support, helping with all the things that people affected by cancer want and need, patients, carers, families and communities are all supported.

They give practical support at home, providing anything from some precious time off for a carer, to a lift to hospital. Emotional support and advice, financial help to cope with the extra costs, benefits advice, and grants for anything from heating bills to travel costs.

They also fund nurses and other specialist health care professionals and build cancer care centres.

A beach party fund raising day for Macmillan will be held at the Talbot on 2nd August which is dedicated to Anita and has been planned, organised and supported by her friends and family. Please see back page for more details.

Glittering Evening Celebrates the Volunteering Stars of Mansfield

More than 130 people attended the 12th annual Mansfield Volunteer Awards on Thursday 4th June. The glittering evening – held at the John Fretwell Centre – is held each year to celebrate the commitment and dedication of the, often unsung, volunteers of Mansfield.

Mayor announces new cabinet

Following on from her election victory, Executive Mayor Kate Allsop has announced her new cabinet at Mansfield District Council.

The seven strong cabinet includes both old faces and new. Cllr Mick Barton has been appointed as Deputy Mayor and retains his previous job as Portfolio Holder for Public Protection. Cllr Roger Sutcliffe who has been Portfolio Holder for Resources for 12 years retains the position, while Cllr Andrew Tristram moves from Corporate Services, a position he held for the past four years, to become Portfolio Holder for the Environment.

New cabinet members bringing a wealth of experience include experienced businessman Cllr David Saunders, Cllr David Smith who has been a councillor for 12 years, Cllr Barry Answer, who was previously a councillor for eight years and Cllr Stewart Rickersey, who was a Portfolio Holder during his previous time as a councillor.

The new cabinet is as follows:

Cllr Mick Barton

Deputy Mayor and Portfolio Holder for Public Protection (including responsibility for Environmental Health, CCTV and Neighbourhood Wards)

Cllr Roger Sutcliffe

Portfolio Holder for Resources (including the council's finances)

Cllr Andrew Tristram

Portfolio Holder for the Environment (including parks, leisure centres and street cleaning)

Cllr David Saunders

Portfolio Holder for Regeneration (including business advice and town centre management)

Cllr David Smith

Portfolio Holder for Cultural Services, Town and District Centres (including events, Mansfield Museum and Mansfield Palace Theatre)

Cllr Barry Answer

Portfolio Holder for Housing

Cllr Stewart Rickersey

Portfolio Holder for Corporate Services (including markets, customer services and internal and external audit)

Executive Mayor Kate Allsop said: "I am delighted to introduce my new cabinet. After inviting members from all parties to apply for cabinet positions, I have been able to come up with a team made up of people who are absolutely right for their roles. They have a good mix of skills and I'm playing to their strengths and bringing us together as a really strong team. Our job now is to work together to serve the people of Mansfield and build on the strengths of this district."

The event is organised by a Committee who fundraise throughout the year to cover the costs of the evening. Attendees included the newly elected Mayor, Kate Allsop, the new Mansfield District Council Chair, Katrina Atherton and Councillors from across the district. The evening featured a raffle, the premiere of the 2015 Volunteering Mansfield dvd and a moment of reflection for those dedicated volunteers who have passed away in the last twelve months.

This year, the ceremony was presented by the committee Chair, Mick Beresford and Mansfield CVS's Volunteering Officer, Lesley Watkins. They handed out seven awards to a variety of individuals and groups who have made a huge difference to the lives of those within the communities of Mansfield.

This year's award winners were:

- Emily Dawes Memorial Award:
Claire Franklin, Jigsaw Support Scheme
- Margaret Wilson Memorial Award:
Brenda Stockdale, The Oaklands Centre
- Young Person's Award:
Jasia Byatt, Rainworth & Blidworth Detached Youth Project

BIG Warsop Update

Congratulations to all the winners, to all those nominated and to all volunteers who give their time to help others. You are all stars.

Former Welbeck Colliery, to the north of Meden Vale

Harworth Estates are preparing a planning application for an employment-led regeneration scheme on approximately 30 hectares of land at the former Welbeck Colliery, to the north of Meden Vale and south of the A616.

The proposal follows the granting of planning permission by Bassetlaw District Council last year for an anaerobic digestion plant at the site and will incorporate a mix of uses.

Harworth Estates intend to submit the planning application in the summer and the local community are welcome to visit our stall at Warsop Carnival to view some of the application material. Members of the planning and design team will be on hand to explain the

proposed development for the site. There will be an opportunity to view the current plans, ask questions and leave any comments.

Bring the dog for family fun at Mansfield summer festivals

Mansfield District Council is preparing to kick-start the holidays with three summer festivals at parks across the district.

The events, from 10am to 3pm, will be at King George V Park, Mansfield, on Monday, July 27, Titchfield Park, Mansfield, on Wednesday, August 12, and Carr Lane Park, Warsop, on Thursday, August 27, and will be packed with fun, free entertainment for all the family - even the dog!

Visitors can enjoy bird of prey demonstrations, multi-skills sports activities, circus skills workshops, and dog obedience displays with commentary from Mansfield 103.2 radio station. There is also an opportunity to take part in arts and craft activities, handle "critters" at the "meet the beasts" stall, and have your face painted.

The festivals will include a recycling workshop, butterfly count, climbing wall, a host of interactive and educational games, and a chance to pick up tips on caring for your dog.

Council representatives from the Your Dog Your Responsibility team, and environmental health officers, will be on hand to answer questions and give advice.

Visitors are urged to walk or use public transport to reach the festivals as parking around the parks may be limited.

Cllr Andrew Tristram, Mansfield District Council's Portfolio Holder for the Environment said: "The free family event at George V Park is the first of three over the summer holidays. It's a great opportunity to spend time out with the family in our parks and enjoy some fun activities. Bring your friends and family for a great day out."

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

If you have watched Time Team on TV and want to have a go at archaeology the Discover King John's Palace project is giving you a chance to get involved at the palace site at Kings Clipstone this month.

Mercian Archaeology are running a free community archaeology excavation in July as part of the 'Discover King John's Palace' project sponsored by the Big Lottery, and the Magna Carta 800th fund. The excavation will run from Tuesday 7th to Saturday 11th, and Tuesday 14th to Saturday 18th. Places may be limited to one day per week, but this could change nearer the time.

There will also be public open days on Saturday 11th and 18th at the site alongside the excavation. A walk from Castle Field to Spa Ponds is planned for the morning of the 11th. If you have difficulty getting to Kings Clipstone a free bus from Mansfield is planned for one of these Saturdays.

To book on the excavation contact Mercian by email on info@mercian-as.co.uk to request your place on your chosen day. Find out more on www.mercian-as.co.uk and sherwoodforest.org.uk

The excavation is just one part of the activities taking place throughout this project that is designed to engage local people and school children, as well as increase understanding of the site, as part of celebrations around the 800th anniversary the sealing of the Magna Carta in 1215.

Mercian Archaeological Services are also running bus tours from Mansfield on 2nd July and 24th September when a red London RouteMaster bus will take you on a guided tour to Newstead Abbey, Rufford Park, Sherwood Forest National Nature Reserve and King John's Palace. Details available on www.mercian-as.co.uk/sherwoodbustours

We have are going to donate any funds raised on our stall from the carnival to the same cause. Members took part in the Mansfield International Cleanup on June 12, which was Organised By our Warden Stephen Davis. Throughout the day children from the school were helped by staff and parents to join in. Cllr Adey and Paul Sear produced a leaflet which will be going out soon to Meden Vale residents. Please remember to come along to the combined friends and Neighbourhood Watch meeting in the 3 Lions 6pm July 16th.

We had 40 people last time and we would like 100 this time. Thanks to Rob and Fi Smith for hosting us. Welbeck Estates are sending Darren Rideout who will explain what is happening on the former pit site. Allotments are available from £9 and many have been cleaned ready for use. There is a great family atmosphere down there now.

President Terry hosts the Afternoon Tea at Teversal Manor Rooms.

Warsop Inner Wheel say thank you with a knitters tea

On 22nd May International Officer Christine Fretwell organised the 'Knitters tea' which is a big thank you to all the ladies who support Inner Wheel throughout the year by knitting clothes, blankets etc to send to those in need.

The event is always well supported by guests and club members. Joan Green from the Police Aid Convoy gave the ladies an update on the latest projects in needy countries.

On the 31st May President Terry hosted a fundraising Afternoon Tea at Teversal Manor Rooms for 55 people. Bucks Fizz on arrival in a marquee on the lawn and a beautiful home made afternoon tea donated by members made this an afternoon to remember.

Music by Mike Goad and flowers in China tea cups by Christine Fretwell completed the experience. A profit of £806.00 was made. This was President Terry's last fundraiser in her year and she was delighted with the amount raised and the wonderful afternoon we all enjoyed

For our last few meetings we have enjoyed a lovely celebration meal for our 50th anniversary, at the Hostess restaurant.

We had a celebration cake which was cut by two of the original members, Sylvia Wetton and Ethel Trolley.

On 28th April we had a talk by Lynn Clerk about local history.

On 13th May we held our annual band concert by the Shirebrook Welfare "B" Band. We raised over £300 for our charity fund and were able to give the band a donation. We all enjoyed the evening and we see the young players improve every year.

On 26th May we welcomed Pat Ashton to our meeting for part 2 of her talk about being a postmistress. As usual Pet was in good form and made us all laugh. Thank you Pat.

Future meetings are:

7th July Beetle Drive

21st July A trip to Derbyshire to the Peak Shopping Outlet near Chatsworth and then on to Bakewell

After a comfort break in the stable bar lunch members had lunch in the Fitzherbert room.

The next meeting will be on June 17th when Keith Hebden will talk about "Wars of Religion". The July meeting is a trip with 2 or 3 seats left.

Night in for Macmillan Nurses In memory of Elsie Bower

I would like to thank everybody who came to my night in for Macmillan Nurses, and making it such a fantastic night of fun and games.

I would also like to say a huge thank you to the retailers of Warsop for their kind donations of prizes for the raffle. They were all fantastic prizes and I really appreciated all your help. On the night we raised £210.36. I haven't got a final total yet as people who could not attend are still making donations.

I would also like to say a huge thank you to Martin and his boss for donating doughnuts for the games and a choc cake and sausage rolls for the buffet. Thanks to Theresa Richardson for making fresh cream and strawberry scones which were sold for 50p each. They were snapped up and we raised £6.00. Theresa Richardson also donated 2 tickets to Alton Towers and we raised £20 for them. Once again thank you to everybody who donated prizes and attended and made it a fantastic night.

Notts 'relishing' historic Welbeck matches

Nottinghamshire's director of cricket Mick Newell says his first-team squad will 'relish' playing two Royal London One-Day Cup 50-over matches at Welbeck CC this summer – the first time the club will have played home games at an outground in the county for 17 years.

With staging plans now officially ratified, the two-day festival has been confirmed for 25 and 26 July, when the Green and Golds take on Warwickshire Bears and then Glamorgan at The John Fretwell Complex, Sookholme Lane. It means cricket fans in the north of the county can look forward to seeing the likes of England players Alex Hales, James Taylor, Samit Patel and Michael Lumb in action, along with former Australia and Ashes bowler Ben Hilfenhaus and Zimbabwean World Cup batsman Brendan Taylor. There is also the prospect of the Bears and Glamorgan fielding former international stars Jeetan Patel (New Zealand) and Jacques Rudolph (South Africa) in their line-ups.

Nottinghamshire last played a competitive first-team fixture away from Trent Bridge in 2004 at Cleethorpes, and you have to go back to 1998 for their last game in the county outside of Nottingham, when they played at Worksop. "We've played at Horsham and Liverpool and places like that which have been great, and if the set-up is right, which we feel Welbeck will get right, it will be a great experience for us and for our supporters to see Notts play somewhere else," said Newell. "We've asked Welbeck to prepare pitches for one and three-day cricket for our second-team matches in recent years and they have worked very hard to prove they will be of a suitable standard for first-team cricket. We knew already that the facilities are as good as any of the other outgrounds we have played at.

"It promises to be a weekend the players will relish and enjoy, as well as those watching, and there's definitely a sense of it being a big, historic event because it hasn't been done for a long while."

One of the Nottinghamshire squad who will be

desperate to play a part in the two Welbeck-based games is seamer Jake Ball. The 24-year-old from Warsop took 19 wickets at 22.63 as he helped his home county win the Yorkshire Bank 40 in the 2013 season, having previously come through the ranks at Welbeck.

Ball said: "It would be a really proud moment for me to represent my county in a professional game at the ground where I grew up playing, and I think Welbeck will do Notts proud."

"Hopefully we will get a lot of local people interested and coming down to watch us – I know I will have plenty of friends and family there."

The John Fretwell Complex was opened in 2006 and has been continuously developed for use not just by local cricketers, but also footballers and bowls players too.

"It was one of the aims when we built this place that we would one day get a Notts first-team game here, so this weekend makes me very excited," said the facility's benefactor John Fretwell.

"Hopefully this can help the not-for-profit Warsop Sporting Trust that oversees cricket here to inspire many more youngsters in our area to take up the game."

Corporate hospitality for the game has now gone on sale at £70 per person for the weekend and £40 for one day, which includes a three-course meal and free parking.

You can find out more details on the Welbeck CC website at www.welbeckccc.co.uk or by calling 01623 847468.

General admission tickets are also available, priced at £15 each, while car parking is £5 per vehicle. Tickets are available through Nottinghamshire's website at www.trentbridge.co.uk/tickets or via the booking hotline 0844 8118711.

to sing and entertain and hope we are able to transmit our enjoyment to
all the groups we have visited.
